| C9 | Small Talk Forum | Page 4 |

Site C Construction Schedule: August 8 – August 21

The following construction activities are scheduled to occur August 8 – August 21:

Dam site area

- The main civil works contractor will continue to mobilize crews and equipment.
- Logging trucks will be hauling timber from the site.
- Construction of the worker accommodation lodge will continue, including the river water intake.
- Excavation will continue on the north (left) and south (right) banks.
- Drilling and installation of geotechnical instrumentation will continue on the south bank.
- Work will continue on the south bank drainage tunnel.
- Geotechnical investigations and site preparation will occur to support the construction of the south bank cofferdam. Construction will begin on the cofferdam and approach channel.
- The placement of riprap will continue along sections of the south bank shore.
- Aggregate rock will be crushed on the south bank and work will continue to construct the concrete batch plant.
- Work will begin to construct a storage site on the south bank for excavated material.
- South bank access roads will be constructed. Road maintenance activities will continue on the south bank petroleum development roads.
- Work will continue to construct the temporary substation on the south bank and to construct distribution lines on the south bank to supply power from the temporary substation.
- Construction will continue on the new rail siding on the south bank.
- Work will begin to construct the Moberly River construction bridge. This will include pile driving.

Other work areas

- Work will begin to construct the viewpoint on the north bank of the Peace River, above the dam site.
- Work will continue to extend an existing distribution line on Old Fort Road to a building at the entrance of Myca Pit.
- The main civil works contractor may mobilize to the 85th Avenue Industrial Lands.
- The Ministry of Transportation and Infrastructure's contractor will continue working on 240 Road and Old Fort Road.
- BC Hydro's contractor will begin work on 271 Road.
- Operations will continue in Wuthrich Quarry and trucks will haul material from the quarry to the dam site.
- Geotechnical investigations will continue for the Highway 29 realignment at Cache Creek/Bear Flat.

CP

- Survey work and staking will occur along the transmission line right-of-way between the Site C project and Peace Canyon. Some clearing may be required.

Please note that all activities listed in this construction bulletin are based on the latest information in our construction plan and are subject to change.

What to Expect

While this work takes place, local residents can expect the following:

- There will be truck traffic on public roads as construction crews mobilize and the hauling of rock and timber continues. This will include increased industrial traffic on resource roads and public roads from Chetwynd leading to the site on the south bank.
- Some noise and vibration will result from the periodic blasting that is occurring in Wuthrich Quarry. Material hauling may occur at night.
- Some noise will occur in the vicinity of the dam site and along public roads as a result of the scheduled construction activities, including pile driving for the Moberly River construction bridge. BC Hydro will continue to monitor noise levels.
- Early morning and night shifts may be scheduled, as well as shifts on the weekends.
- For boater and worker safety, boats will need to stay clear of active in-river work areas. These areas are clearly identified with signage and markings.
- There will be minor traffic delays while upgrades are completed on 240 Road, Old Fort Road and 271 Road.

Note: In BC Hydro's technical documents, the north bank may be referred to as the left bank and the south bank may be referred to as the right bank.

Subject: UBCM Small Talk Forum 2016
Attachments: Small Talk Memo 2016.pdf

Good Afternoon,

Attn: Elected Officials & Senior Staff

Please find attached a communiqué from Mayor Galina Durant, Small Community Representative on the UBCM Executive, regarding the 2016 Small Talk Forum at the UBCM Annual Convention – scheduled for Tuesday, September 27, 9:00 am – 12:00 pm.

UBCM is seeking input from elected officials and senior staff on issues for discussion at the Forum. In addition, at the Forum UBCM would like to profile best practices or success stories from small communities.

Suggestions for discussion topics and success stories are welcome prior to Friday, August 26, 2016.

Please feel free to contact me with any questions.

Sincerely,
Bhar

MEMO

August 9, 2016

TO: Mayor & Council
FROM: Mayor Galina Durant, District of Stewart
Small Community Representative
RE: **Small Talk Forum 2016**

As your Small Community Representative I wish to advise you of the upcoming UBCM Convention, specifically the Small Talk Forum on the morning of Tuesday, September 27 at the Victoria Conference Centre (Carson Hall B & C).

The Small Talk Forum for communities with a population under 5,000, now in its 27th year, continues to be one of the most popular sessions at the Convention. Your direct involvement has made the Forum a repeat success, and in 2016 we encourage you to complete and return the attached Small Talk Forum response form, sharing any issues facing your community. Then, come to the Forum prepared with background information related to these issues, or solutions to similar issues facing other communities.

If you have a best practice or success story to share, please add it to the attached Small Talk Forum response form as well. This is an opportunity for small communities to share tips and information and help one another with day-to-day challenges. For instance, has your community completed (or is undertaking) a project or initiative that you think would be informative for other small communities? Here's your chance to tell your story!

Again, please complete and return the attached Small Talk Forum response form via email to bsihota@ubcm.ca. *We will distribute the list of issues at the Forum and will endeavour to address some of these issues ahead of time.* We will also have a facilitator and resource persons on hand to help.

We hope that you will be able to take part and encourage you to submit your issues and success stories.

I look forward to welcoming you to the 2016 Small Talk Forum in Victoria!

Please distribute this memo to Mayor & Council

2016 UBCM Convention

Small Talk Forum

Tuesday, September 27, 2016 (9:00 am - Noon)

We would like to talk about:

Topic#1 (explain):

Topic#2 (explain):

Best Practice/Success Story (if applicable):

UBCM staff will distribute the list of issues at the Forum and may endeavour to address some of these issues ahead of time in order to streamline discussion at the Forum.

Please have someone from your community attend to provide background on each issue.
