October 17, 2026

It's hard to believe we are already past the half-way mark of 2026, and we still have much to come this year! Council will be traveling to UBCM in September, preparing for our upcoming Election in October, and we look forward to ushering in a new Council following the election!

As always, change is the only constant and it brings with it many new challenges and opportunities.

Once again, I would like to thank everyone who came together in July to make Canada Day a success! The weather behaved for us, in spite of the threat of rain, and made for a wonderfully mild day full of great music, activities, food and friends!

With our pool back open and the move into hotter summer weather we have seen significantly high demand, and sometimes even find our pool at capacity, which is great to see!

Likewise, we are seeing significant demand on weekends and holidays for space in our Municipal campsites, so remember to plan ahead and expect a little bit of extra traffic around our facilities and in the back country.

Keep your eyes on Drive BC and check online with the Prince George fire center for any updates to burning restrictions.

Stay cool, play safe, and I look forward to seeing you all out and about in the Community!

Junior Canadian Rangers

What is the Junior Canadian Ranger program?

The program is funded and run by the federal government and facilitated by the Canadian army through your community's local Canadian Ranger patrol and adult volunteers.

What is the aim of the program?

The aim of the JCR program is to provide a structured youth program which promotes traditional cultures and lifestyles in remote, coastal, and isolated communities. This is not a recruitment for the armed forces.

Why is the program important?

The JCR program supports the mental and physical well-being of youth, builds resiliency, encourages community involvement, and provides tools to help young people reach their goals.

Who is eligible to join?

The program is open to youth 12 to 18 years old at no cost for registration, including uniforms. Upon their 19th birthday, youth age out of the program. Youth 10-11 may attend the Hudson's Hope patrol if their parent/guardian attends and participates with them.

How often do JCRs meet?

Currently the Hudson's Hope JCRs meet twice monthly between September and June with July and August off. Typically, we meet the first and third Tuesday evenings, but this is subject to change depending on staff/volunteer availability.

The Bulletin

August

What do we do?

The JCR program centers around three circles of learning: traditional skills, ranger skills, and life skills. Examples of possible traditional skills would be music, dance, fishing, and hunting. Examples of ranger skills would be first aid, military customs, snowmobiling, marksmanship, navigation, and quadding. Examples of life skills would be community service, healthy living, youth leadership, and public speaking.

Other opportunities:

Field Training Exercise (FTX): JCRs have the opportunity to attend at least two FTXs per year. An FTX is usually a three-day weekend where the patrol trains “out on the land.” JCRs may sleep in tents or shelters. During the FTX, they will work together with their team to accomplish goals like building a shelter, starting a fire, or cooking a meal.

Enhanced Training Sessions (ETS): Enhanced training sessions aim to stimulate interest and enthusiasm for Community Training participation by providing opportunities for JCRs beyond what they normally do in their patrols. ETS can include summer training, Spring Break activities, and national marksmanship championships.

What is the command structure?

The patrol is run by a Canadian Ranger who is the patrol leader. There is a 2IC (second in command), who is also a Canadian Ranger. Adult committee members help to steer the training to ensure it is meeting the needs of the youth and the community. MCpl Joseph King is currently the patrol leader for Hudson’s Hope. The 2IC position is currently vacant.

Who can volunteer?

To be an adult volunteer, all you need is a passion for working with youth, the physical ability to keep up with them, and a clear VSS/Criminal Record check.

We will resume training nights on 1 September 2026. Our first FTX will be a campout at Sikanni Falls 25-27 September 2026. For any inquiries or to obtain an application, message MCpl Joseph King at rgr.joseph.king@gmail.com or text 250-783-3387.

Monthly Police Report

Hudson's Hope RCMP Monthly Police Report

Police responded to a report of fuel theft at Marg's. Investigation revealed that there was no intent to steal the fuel, just a momentary lapse of memory, also known as a "Senior's Moment". This case was solved with a simple phone call to the driver, who had left his driver's licence as collateral. He immediately returned and paid his bill.

While on patrol, an officer conducted a traffic stop on a vehicle that was known to be associated to a person who was prohibited from driving. While speaking with the driver, he provided a false name to the officer. As a result, a charge of Obstructing a Peace Officer was added to his Driving While Prohibited charge. The vehicle was impounded for 30 days.

Several other reports of erratic drivers were reported. Police located some of them and cleared them as sober, others were not located.

Sadly, this past month saw the passing of two of our community members. Cst Volz and Cpl Savard express their sympathies to the friends and families of these men.

The Hudson's Hope RCMP would like to remind everyone that bicycle helmets are required while riding a bicycle on a roadway or sidewalk. It is a requirement of the BC Motor Vehicle Act and carries a fine of \$29 for those over 16 years of age. For those under 16, parents are responsible for ensuring their child wears a helmet and the parent is subject to a fine of \$29 if the child is not wearing it. Looking beyond these laws and fines, head injuries are a common result of falling off or crashing a bicycle. Even at low speeds, serious head injuries can occur. A small investment in a bicycle helmet can save a person from the devastating effects of a head injury.

Beem Credit Union in Hudson's Hope has partnered with the RCMP to support bicycle safety, pedestrian safety and overall, children displaying simply being good humans. They have sponsored treat coupons to be distributed to youth observed wearing appropriate safety gear, using crosswalks, assisting seniors, picking up trash, or any other "good human" thing to do. Police will be issuing Positive Tickets attached to the coupons.

Starting early September, Hudson's Hope RCMP will be welcoming Cst Kriss Baker to the detachment. She is transferring here from Nanaimo and has a strong background working with youth. She is looking forward to getting involved in the community and enjoying life in Hudson's Hope.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

A photograph of a man and a young child on bicycles. The man, wearing a black helmet and a grey t-shirt, is standing next to his bike and gesturing with his hand. The child, also wearing a helmet, is on a smaller bike and looking up at the man. They are outdoors on a paved path with trees in the background.

In Loving Memory of

ROBERT JOHN SCOTT

Bob (Robert) Scott passed away peacefully on July 5th, 2026 at the age of 82. He leaves behind, Mary his wife of thirty four years, two sons Kevin and Dan and their spouses, step daughter Shannon, step son Brad and spouses and six grandchildren.

After semi- retiring from his 30 years as a long distance hauler, Bob and Mary relocated to Hudson's Hope eighteen years ago to work for Durango . Bob was happiest working for his good friend Rich Brown until his retirement.

Bob's favorite daily activity was spending time at Durango talking with his friends, meeting them at the Sportsman, walking the dogs or puttering around in his work shop.

Bob's health declined and he moved into Peace Villa in Fort St. John, whose compassionate care and kindness will always be thankfully remembered by Mary and family.

Bob will be remembered as a loving husband, good friend, kind and considerate, helping family and friends whenever he could, loved the outdoors, a passionate camper and a good cook.

He's with his beloved Abby now. RIP Bob. No service by request.
