LOVE HUDSON'S HOPE LAUNCH
JULY 4, 2015 · 10AM-NOON
BEATTIE PARK

Please join us for a **free** event celebrating the launch of Love Hudson's Hope. Drop in and meet our entrepreneurs, sample local food and enter to win great prizes!

WWW.LOVEHUDSONSHOPE.COM

Visitor Centre

School's out and let me say there are lots of activities for you and your family or visiting relatives to do in this region. Each week we get a listing of events happening in all of Northern BC. So no matter which direction you are heading we will have the info you need for any of those northern communities. Maybe you are heading out on a driving holiday and if you are let us help you plan out that trip and give you info on the direction and communities you plan to visit. If you plan on visiting family maybe we have something from Hudson's Hope they would like. Maybe a T-shirt, sweatshirt or even a cooler or camp chair all with the new Hudson's Hope logo on them.

If you are going to stay in Hudson's Hope and just take in the great weather we've been having, don't forget the opportunities for swimming at the Pool or out to Cameron Lake for the day. On the District website www.hudsonshope.ca you can find 'Things to Do' under the adventure tab and a list of great hikes that will keep you busy for a long while.

Each Tuesday (and Saturday in July & August) you can take in the Farmer's Market in Beattie Park. Lots of great vendors supplying you with veggies, herbs, plants, knitting, crafted items and baking. Go ahead and treat yourself!

As always you can find us on Facebook at <https://www.facebook.com/pages/Hudsons-Hope-Visitor-Centre>

Till we see you, enjoy the weather
Hudson's Hope Visitor Centre

July at Museum

Don't forget to come in and Check out our Gething Exhibit.

Museum News: The Hudson's Hope Historical Society would like to congratulate the Heritage Fair winners and wish them luck at the provincial showcase! Quinn Rice, Annabelle Lucas - Jarnagin, Davida Naisby and Charlie Kehl will be heading to Victoria to participate in the 2015 Provincial Heritage fair Showcase. Big thank you to their chaperone Lorna Winnicky!

The Hudson's Hope Museum is selling Raffle tickets for a four day, three night fishing trip with Finley River Outfitters, tickets are \$10 each and the draw is on October 3rd, 2015 at the museum's Harvest Social. Proceeds from the raffle go to supporting the Museum Expansion. Tickets available at the museum!

The museum gift shop is looking for local crafts and artisans – Please contact the museum if you are interested in selling items at the gift shop.

Coming in July, the museum gift shop will be selling old fashion candy – Candy Sticks, salt water taffy, rock candy, licorice and jaw breakers! We have a great selection of books and new jewellery too. New T-shirts coming soon!

2015 Memberships: Come in and sign up, cost for an annual membership is \$20, and that gives you 10% off in the gift shop, personal invites to events and starting this year you will also receive a Museum Newsletter twice a year. These funds go to supporting the museum programming and education programs.

The Next Historical Society meeting will be held on **July 16th** at 7pm at St Peter's Church hall. Everyone is welcome to historical meetings. If you would like any further information, please call the museum at (250) 783-5735 or by email at hbmuseum@pris.ca

Summer hours are Monday to Sunday 9- 5.

Come in and learn something new about the beautiful valley that you live in!

Elinor Morrissey – Museum Curator

Library

Library Hours:

| | |
|--------------------|--------------------|
| Monday/Tuesday | 12:00 pm – 5:00 pm |
| Wednesday | 12:00 pm – 7:00 pm |
| Thursday | 10:00 pm – 5:00 pm |
| Friday | 12:00 pm – 6:00 pm |
| Sunday/Saturday | Closed |
| Statutory Holidays | Closed |

Hours in effect Victoria Day to Labour Day

Library will be closed on Wednesday July 1st for Canada Day.

Regular Children's Programming update - Another year of Storytime and Library Club have come to an end. Thank you to everyone who attended these programs and helped to make them a success. Both programs will start up again in September!

Summer Reading Club - SRC will be happening throughout the month of August with younger children (3 – 5 years old) meeting on Tuesday mornings and the older children (6 years and up) meeting on Thursday mornings from 9:45 – 11:15 a.m. The program includes many fun games, crafts, activities, prizes and medals. Studies show that summer reading programs help promote literacy in younger children and also helps school-age children keep their reading skills and literacy up over the summer months. Registration went well throughout the month of June and there are only a few spots left, so come in soon to register your child(ren), as space may be limited. Registration forms are at the Library and also available on our web-site.

Gold Panning Workshop – Wally Harwood will be demonstrating the theory and history behind panning for gold here at the library on Wednesday July 22nd at 4:00 pm, everyone is welcome! See ad for more details.

Lego Robotics – On Wednesday July 29th, we will be having a workshop for children ages 9-14 here at the library where the children get to learn how to build and program their very own Lego robot!

Friends of the Library – Please come in and sign up as a Friend of the Library. No, this does not mean that you will be inundated with emails, have to show up to a monthly meeting, etc. It does mean that whatever help or services you are available to offer, may be taken advantage of from time to time. Perhaps you wouldn't mind reshelving books, staining an older piece of furniture, volunteering at one of our fundraising events, or helping out with the children's programming? Come on in and sign up for what might interest you. In appreciation of your service to the library, you will be added to our "fine free" patron list when you become an active "Friend of the Library".

Amber Norton

Library Director

“Davis was illiterate. An amusing incident is told of an error he made at Hudson Hope on New Year’s, 1892. He was alone at his post there while his three companions were away on business. A servant of the Hudson’s Bay Company brought him a note from the manager of the Hudson’s Bay post. The company’s servant could not read, and it would never do for Davis to admit that he could not either. With a great show of learning, Davis studied the note. The only character in it which he could identify was the figure ‘2.’

In that land on the lonely frontier letter-writing was a rare occurrence. Consequently, thought Davis, if his friend had written him, it must be on a matter of grave importance. Davis concluded that he was ill. If he were ill, there was one unfailing remedy for illness and snake-bite. So Davis went to his stock and wrapped up two bottles of his best whisky and sent them along to the Hudson’s Bay post with his condolences, glad to be able to help even a rival when he was in need.

When his companions returned Davis told them of their rival’s illness and showed them the note. When he learned that the note was only a trivial New Year’s greeting with and invitation to supper he was indignant. To his partner’s chaffing he replied lamely: ‘It was that darned 2 set me wrong.’”

— J. G. MacGregor *The Land of Twelve-Food Davis*

FAMILIES IN MOTION REVIEW

From February to June, Hudson's Hope parents and children aged 0-7 had the amazing opportunity to participate in eight family fun events. Events promoted healthy living by offering a variety of healthy snacks, and also promoted healthy play which a focus on early childhood development. Events also gave parents a chance to connect, share ideas, discuss concerns in a safe and fun environment.

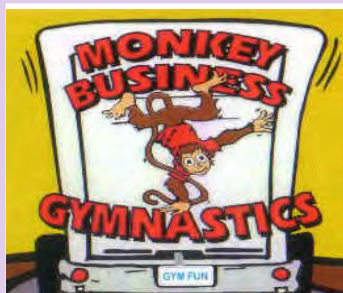

This program was made possible with the sponsorship and financial support of Families in Motion, Success by Six, United Way and Children's First. The input, support and partnership with the District of Hudson's Hope was instrumental in shaping the success of this program. Events included Rollin' Around, Valentine Skate, St. Patrick's Day, Swimming, Easter Egg Hunt, Hike/Bike Event, Hudson's Hope Public Library Open, and Park 'n Paint. There was a grand total of 455 participants for all the events. Thanks for the support of many community groups for making this program a key in building a family-friendly sustainable community.

Lots Happening at Beattie Park!!

Everyday there is a new installation in Beattie Park. Have you seen the new picnic tables?... there will be a total of six and then other benches plus garbage cans. This all available through a grant for the walking path through the park.

Mark your calendars! Leah "Lollipop" is returning to Hudson's Hope with her **Monkey Business Gymnastics Camp!**

The camp will run from **July 27th to July 31st!**

Registration is now open at the District Office.
The Kinder Camp for 3-5 year olds/\$175/9am-12pm

****The Tumbling Camp for 6-12 year olds/\$200/1 pm-4:30 pm—FULL**

Parent & Tot Camp for 1-3 year olds/\$50/5 pm-5:45 pm

Teen Acrobat Camp for 13 years & older/\$TBD/7 pm-8 pm

****If you are still interested in registering your child in the Tumbling Camp for 6-12 year olds there is a waiting list currently available.**

Please contact Becky Mercereau for more information at 250-783-9901 or by email at becky@hudsonshope.ca.

School District 60 wants you to know...

You are your child's first teacher. You can help your child grow strong roots for learning both in and out of school.

Building with your child means ...

- **build** with blocks, lego, sticks, or rocks to create structures and patterns
- build together and **talk** about what you are building
- **create** art

Why? Building with your child helps your child to develop fine motor skills, math and science knowledge and it encourages story telling and artistic expression. To find out more information go to:

www.familyfriendlycommunity.ca or www.earlylearning.prn.bc.ca

FISHING DERBY RESULTS

The Hudson's Hope Ski Association would like to say thanks so much to all the participants, sponsors and volunteers who helped make our 16th annual Father's Day Fishing Derby a great success. This year was a bit easier on the fish populations with only 2 fish caught in the kids category. There were 99 adult entries and 53 kids and every participant went home with a prize anyway and had a great day at the lake to boot.

WINNERS

JUNIOR CATEGORY

Jade Rowe - \$250 Backcountry GC
Justin Lawson - 12' inflatable party barge

YOUNGEST ANGLER

Reid Tatarczuk

MOST SENIOR ANGLER

Bud Ferguson

ADULT CATEGORY

Rodney Rice – gas pressure washer
Calvin Boyd - Stihl chainsaw
Bob Shoop - fish finder

LUCKY FATHER

Corey Baxter

A big thanks to Dan Bouillon for providing information on the Peace Fish and Wildlife Compensation Program and to the fine folks at the Farmer's Market for the awesome concession. Thanks also to Nedra Forrester, Darryl Johnson, Jenny Hubner, Kim Stacey, Dwylla Moraice, Candace Dow, Bud and Elaine Ferguson and Bob Baker.

Protective Services

Canada Sun Guide

When you get a sunburn, the long-term effects of skin injured by the sun can be very serious. The more time young people spend unprotected in the sun, the higher their risk for developing skin cancer later in life. Dermatologists describe a burn as being the skin cells' response to injury. Getting a tan also injures skin cells. When skin cells are damaged skin cancer can result from these irreparable cell mutations.

Outdoor physical activity can be healthy, fun and safe if you remain protected. Follow the *Canada Sun Guide*, created by Canada Safety Council and other partners, to help Canadians combine sun safety with outdoor activities.

Minimize Sun Exposure

- Schedule outdoor physical activities when UV rays are at their weakest—before 11am and after 4pm, especially between the months of April and October.
- Always keep children under the age of one out of the sun.
- Remember that skin doesn't have to be hot to burn, so don't be fooled by cloudy or overcast weather.
- Remember too that water, snow, sand and concrete can reflect and increase the sun's burning rays.

Seek and Create Shade

- Seek natural shade from trees and buildings.
- Plant trees in schoolyards and other play areas.
- Use shade umbrellas, or create other forms of shade if natural shade is not possible.
- Keep playpens, strollers and carriages in shaded areas.

Cover Up

- Cover children's heads, necks and ears with a broad brimmed hat when outdoors.
- Protect arms and legs with tightly woven, loose fitting, cotton clothing.
- Children should wear a T-shirt over their bathing suit, and long shorts instead of short shorts.
- Wear UVA/UVB protective sunglasses—children can wear them too.

Use Sunscreen

- Have children use a broad spectrum sunscreen (protects against both UVA and UVB rays) with an SPF of 15 or more.
- Apply sunscreen generously before all outdoor physical activities such as swimming, skateboarding, biking or even walking. Remember to apply at least 20 minutes before sun exposure. Reapply often, as perspiration will reduce the effectiveness.

A GREAT BIG THANK YOU!

Thanks for a great season players, coaches and cheering section! Soccer would not be possible in Hudson's Hope without the help of all our parent volunteers. Thanks everyone for your dedication and hard work!

See you all next soccer season.

Home Soccer Tournament Review

Hudson's Hope soccer fields were crowded on the weekend of June 6 to 7 with almost 400 soccer players from Hudson's Hope, Chetwynd, Tumbler Ridge and Fort St. John battling for soccer supremacy!

On Saturday June 6 there were 32 teams in the U6, U8, U10 and U12 age categories competing. Hudson's Hope players showed a lot of hustle and team spirit as they passed, dribbled and shot on net to score a plethora of memorable goals. The weather was nearly perfect and smiles were seen on the faces of almost all the players, coaches and parents!

On Sunday June 7 our Hudson's Hope U15 team took to the field for games against Chetwynd and Tumbler Ridge. Hudson's Hope did not have too much trouble toppling the Chetwynd and Tumbler Ridge teams so a combined Chet-TR team was created to give Hudson's Hope some more competition. HH won that game 6-1 to top off an undefeated season. Great job players and Coach Rice!

THANK-YOU TO :

- Hudson's Hope school for use of school facilities and BBQ's
- District of Hudson's Hope for the much needed sun tent, picnic tables and garbage cans
- Butler Ridge Energy Services Ltd. for donation of porta-potties
- Hudson's Hope Fire Dept for the BBQ and freezer
- Ken Janzen for the donation of ride-on lawn mowers
- All of our soccer parent volunteers who did a great job running concession and keeping the day rolling along

District of Hudson's Hope

June is Graduation Month. More than any other single event, the high school graduation ceremony epitomizes what makes Hudson's Hope a special place to live and raise a family. Fifteen young people, many of whom started together in kindergarten, have built a bond they will carry with them for the rest of their lives. It's a special legacy not possible in the larger, less personal schools. We're proud to know that our graduates who go out into the world are backed by a strong sense of community and belonging. It's what sets us apart and gives us our special identity.

Graduation 2015 was wonderful. Thank you, graduates, for making it so.

BioBlitz 2015:

During the last week of June, thirty-odd scientists from across western Canada descended on Hudson's Hope and spent their time collecting and cataloguing animal and plant life in the Peace Valley. It was organized by the Biological Survey of Canada, (BSC), a not-for-profit organization that helps coordinate scientific research across the country. For over 30 years, the BSC has been discovering, synthesizing, and sharing knowledge about Canada's biological diversity. It has produced 15 major books, numerous briefs, papers, newsletters, and workshops.

Dr David Langor, president of the Biological Survey of Canada, said he expected some rare and perhaps

previously un-described species of insects and plants would be found. What they found won't be known for sometime, though, as specimens not readily recognized have to be taken back to the labs for examination under a microscope and identified through technical references.

There was a good turnout for the Wednesday Open House. Participants were able to talk to the scientists about their work and check out some of the species collected at stations set up around the Pearkes Center gym. A presentation by Tom Long, a photographer who has spent years recording the unique features of Pink Mountain, rounded out the evening. Did you know that tourists and scientists travel all the way from Japan to see the rare sub-species of butterfly that lives only at the top of Pink Mountain?

Natural Gas Development:

Some of the natural gas companies have adopted a policy of requiring all workers, to live in camp rather than in nearby communities. That applies to all workers, whether company employees or contractors. It also applies to pipeline workers. One company has purchased the Pink Mountain Airport, which will make it easier to fly their employees in and out for their shift rotation. These policies by-pass the local communities near the resource activity.

This is disappointing because it means that local people who have invested time and capital in anticipation of providing services for LNG developments have fewer opportunities. I've written a letter regarding the issue and I encourage those affected to contact their MLA and MP.

Lynx / Brenot Creek Water Update:

Nobody wants to "own" the issue of heavy metal contamination that showed up last year in Lynx/Brenot Creeks.

Background:

Sept 10, 2014 - Hudson's Hope put out a PSA advising people not to use the water in Lynx Creek until further notice, due to a private test which showed levels of heavy metals above Canadian guidelines.

Sept 18, 2014 - Northern Health put out a "Media Advisory" in which they advised people not to use the water from Brenot or Lynx Creek downstream of a slide which was the origin of the heavy metals.

Winter 14/15 - I called the Ministries of Forest, Lands and Natural Resources (FLNRO) and Environment (MoE) to see what next steps were. The answer, basically, is "none." They wrote and filed a report. I got a report from the Oil & Gas Commission hydrologist who said the investigation was being led by

Northern Health. He suggested further testing should be done once the spring runoff was finished. Northern Health say they have no budget to do further investigation.

It appears that Hudson's Hope is on its own. There apparently has been more movement at the Brenot Creek slide since last fall and the soil from high on the bank is still being carried into the creek. I've contacted the hydrologist who did sampling and testing for us from last year, to find out what the tests would be priorities. Council then has a basis on which to consider where to go from here.

Police Report: June 2015

Over the last month, Hudson's Hope RCMP Detachment responded to approximately 45 calls for service.

Some incidents of note during the month are as follows:

On May 29th, report of mischief at the local Hudson's Hope landfill of two smashed panes of glass from the attendant shed. That was the second time someone had caused mischief that week as earlier the side window had been broken, a metal rod was pushed through the recycling trailer, and a pushed over porta potty. It was destructive and senseless damage.

On May 30th, a third report of mischief at the Hudson's Hope landfill site that week. This time someone had pried the padlock latch off the door to the attendant shed and gone through the building .

On May 31st, report of a single vehicle rollover on Highway #29 near Hudson's Hope and the s-curves near Lynx creek. BC Ambulance and Hudson's Hope Road Rescue were also dispatched. The vehicle was headed northbound on Hwy #29 and failed to negotiate the sharp left turn, landing on the roof in the ditch. No serious injuries.

On June 3rd, BC Ambulance requested assistance from the RCMP with an unconscious male found on the side of the road on Hwy #29 near Powell Road. The male was conscious on police arrival, but then lost consciousness again. Queries on the police system found he was a suspect for a serious crime within the previous 24 hours in Chetwynd. Chetwynd RCMP were advised of the findings and attended the Hospital to arrest on arrival, once he received medical treatment.

On June 11th, Hudson's Hope RCMP were dispatched to a report of a female being crushed by a fallen tree in her tent at the approximate 17km marker on the Johnson Creek Forest Service Road. The subject had minor injuries and was treated by BC Ambulance and Hudson's Hope Fire rescue.

On June 18th, a complainant dropped off a seismic explosive located when the company was digging a pipeline pathway in the Core Road area. Two members of the RCMP Explosives Disposal Unit, in the Lower Mainland, flew to Hudson's Hope and successfully destroyed the seismic explosive with a controlled detonation. Hudson's Hope RCMP advice the public to leave any suspected explosives in place and the RCMP will attend the area, versus having risk themselves or other public by trying to bring it to the detachment which does not have the appropriate storage facilities for explosives.

Back in April, a local complainant reported a large sword had been taken from an insecure deck storage area on MacDougal Street. The sword went missing sometime over the month of March. The sword was approximately 3 1/2 feet long, Masonic in style (knight), in a brown leather holder with a flap closure. The

handle was beige with scrolling and had a chain. The complainant requested this item be added to the Bulletin in hopes of its recovery.

Traffic volumes continue to increase as the busy summer season approaches. Police will be conducting additional enforcement for speed, seatbelts, and distracted driving (cell phone use). Speeding fines start at \$138 and go as high as \$483, and anyone more than 45 km over the posted speed limit will have their vehicle impounded for 7 days, incurring tow and storage fees. Seatbelts and distracted driving fines are \$167.

Cst. Grant Bernier and his family are departing Hudson's Hope after living and working in the community for the last 4 years. They will be greatly missed by the RCMP community as well as the Hudson's Hope Community. The Bernier's were heavily involved in the community, from the Rod and Gun Club, schools, DARE teacher, minor hockey, softball, band member, fundraisers, social butterfly, etc, etc, etc. They are leaving with good memories, and are wished the best in their new journey. Thank you for your years of service.

Police are requesting that anyone having any information regarding any of the current investigations to contact the Hudson's Hope RCMP or Crime Stoppers at 1-800-222-8477.

Cst. Mark Richardson, Hudson's Hope RCMP

CHECK OUT MY NEW LISTINGS

**9805 Fredette Street
\$150,000.00**

This home has 900 square feet upstairs and a full basement. 3 bedroom 1.5 bath. It features a fenced yard, central location, back alley access, drive thru driveway. It needs some paint and personal touches, but it is priced to sell.

**10134 MacIntosh Crescent
\$275,000.00**

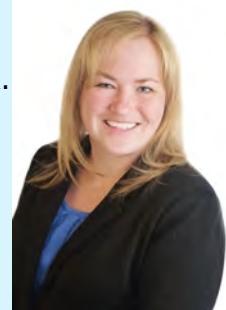

This beautiful 2500 square foot house has 3 bedrooms 1 bath upstairs and 2 bedrooms 1 bath + family room in basement. Hardwood floors upstairs and Oak kitchen cabinets. Basement is finished and house has many recent upgrades. Big fenced yard with 2 large decks. And it's in a great family neighbourhood.

**9525 Mat Boe Ave
\$235,000.00**

This home has been on the market for a while, however, it's new to me! We have reduced the price to a fair market value. This 3 bdr 1.5 bath home has a double car garage, and a workshop. The 1 acre property is beautifully landscaped and there is a guest house with toilet and sink.

Geo-Adventures

The Hudson's Hope Geo-Adventure is a series of geocaches hidden by community partners throughout the Hudson's Hope Region. Find the caches, complete the passport and receive prizes!

What is Geocaching?

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.

Get Started!

1. Register for a FREE Basic Membership at www.geocaching.com.
2. Use a GPS device and the clues provided on www.geocaching.com to search for geocaches in the Hudson's Hope region.
3. Record your finds online and in the geocache log books that are located inside each geocache. Some geocaches will contain tradable objects. If you remove something from the cache, replace it with something of equal value.
4. Hide the geocache exactly where you found it and move on to the next one.
5. Collect the secret word from all caches listed on the passport and record them in your passport.
6. When complete, redeem the passport to claim a District of Hudson's Hope geocoins. See back page for details. *Limited to one geocoins per www.geocaching.com username while quantities last.
7. Share your experience with the geocaching community on www.geocaching.com!

Once our geocoins have come back from minting we will distribute the passports that can be completed to win the coins and other great prizes. We encourage everyone to still enjoy the new geocaches this summer!

Feature Listings

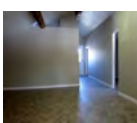

4260 BERYL PRAIRIE \$89,900.00

Check out this modest 2 bdrm home with a small den & wood stove for heat. Super cute property right on the Beryl Prairie Road just outside of Hudson's Hope with pavement all the way! Beautiful views through the backyard, as this land is owned, but more than likely will never be developed due to the ravine & neighbouring onto Crown Land. Sitting on 2 acres but you feel like the land is much larger with the untouched background. A detached workshop, and other outbuildings add storage, with a huge turn around driveway that allows you to pull right through. Own your own property for less than the price of bare land!

21024 TOMPKINS ROAD \$225,000.00

Completely renovated log home on just under 5 acres in the popular Beryl Prairie Subdivision. Mature trees, fenced, cross fenced & a creek running through. An oversized culvert & driveway to allow for large truck/trailers & equipment. This gorgeous home is practically brand new throughout, all new paint, trim, fixtures, a brand new kitchen with modern cabinets & soft close drawers with loads of storage and plenty counter space! A new tub, tile surround, low flush toilet & vanity in the bathroom. The metal roof was put on last year, so this home is turn-key & move in ready for anyone serious about home ownership in beautiful Hudson's Hope. Home is heated with either forced air gas or wood furnace.

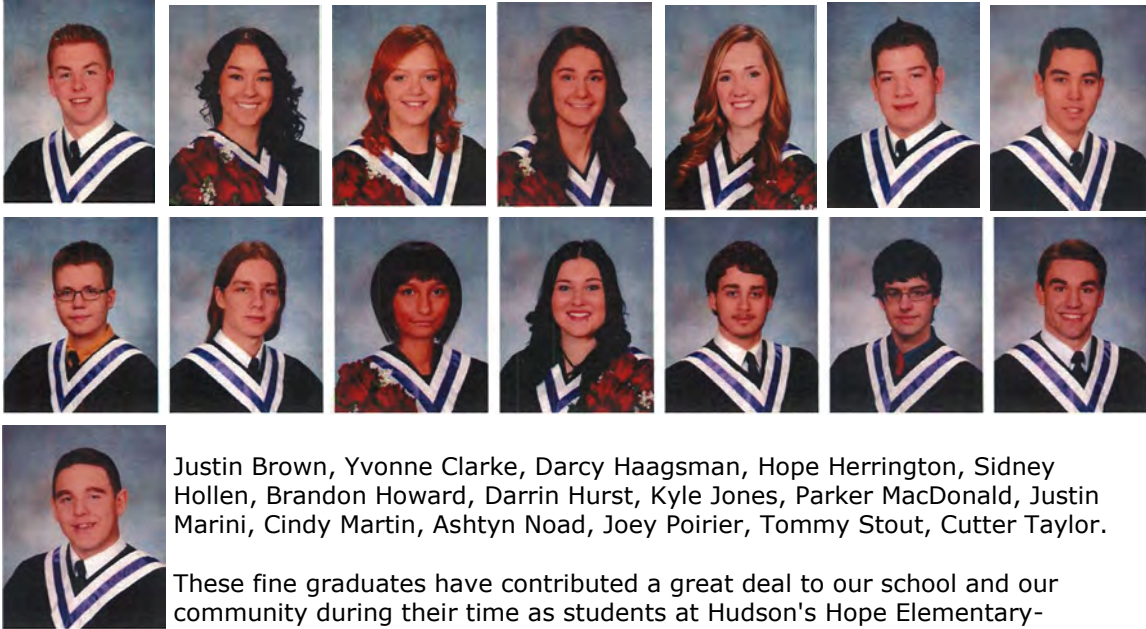

Hudson's Hope Elementary-Secondary School

Home of the HAWKS: Helpful, Appreciative, Willing, Kind and Supportive

Congratulations to the Hudson's Hope Grad Class of 2015:

Justin Brown, Yvonne Clarke, Darcy Haagsman, Hope Herrington, Sidney Hollen, Brandon Howard, Darrin Hurst, Kyle Jones, Parker MacDonald, Justin Marini, Cindy Martin, Ashtyn Noad, Joey Poirier, Tommy Stout, Cutter Taylor.

These fine graduates have contributed a great deal to our school and our community during their time as students at Hudson's Hope Elementary-Secondary School. Thank you for helping to build a supportive culture at our school, and best of luck with your future endeavors!

Norden the Magician visited our school again recently thanks to sponsorship from the Hudson's Hope Public Library. Norden was very entertaining, and had our student body laughing throughout the entire performance. A big thank you to the Hudson's Hope Public Library for making this event possible.

Our "**Principal's Work Ethics Honour Roll**" trip was a great success. Our students had a wonderful time swimming, surfing, climbing, golfing, "hanging out", and of course shopping.

Our kids did wonderful at the **District Track and Field Meet** on June 5th. All the students stuck around to cheer on the students in the running finals, and everyone showed good sportsmanship. A big thank you to all the teachers that trained our students and spent the time before and after school to prepare them! What a fantastic job you did. Also a big thank you to our parent volunteers!

Keep in mind that the placements below are results for all students within each age group in our School District:

Lucas Beam - Long Jump - 16th
Brooklyn Richardson - Long Jump & Ball Throw - 10th.
Charlie Kehl - 100m - **3rd**. Long Jump - 6th.

Leland Douglas - High Jump & Ball Throw - 9th.
 Nero Weder - 100m - 7th
 Tarron Stacey - Ball Throw - 11th.
 Isabella Gamboa - 60m - 16th
 Ginger Lucas Jarnagin - 60m - 8th, Long Jump - 9th.
 Xavier Beam - Long Jump - **3rd**, Ball Throw - 10th.
 Pasco Weder - Long Jump - 10th.
 Davida Naisby - 60m - 8th, 100m - 9th.
 Sydne Douglas - 100m - 7th, High Jump - **3rd**, Long Jump - 8th.
 Betty Martin - 200m - 11th.
 Henry Kehl - 100m - 11th, High Jump **2nd**, Ball Throw - 12th.
 Dylan Beswick - 100m - 4th, High Jump - 4th, Long Jump - 5th.
 Wren Naisby - 100m - **2nd**, High Jump - 7th, Long Jump - **2nd**.
 Jayden Richardson - 100m - 9th, Long Jump - 8th.
 Bella Lucas Jarnagin - 100m - 18th.
 Cassidy Reschke - 100m - 10th.
 Wren Naisby, Sydne Douglas, Jayden Richardson, Cassidy Reschke - 4x100 relay - **3rd**.

Outstanding work H.A.W.K.S.! Thank you again to Mr. Nichols, Mrs. Bach, Mrs. Reschke, Mrs. Kehl, and Mrs. Lucas.

Student of the Week Awards:

Zack Milliken, Samantha McKeown, Logan Koehn-King, Camden Quinn, Brooklyn Richardson, Annika Quibell, Nero Weder, Shawn Shepherd, Mohit Singh, Tarron Stacey, Max Meleschuk, Hadley Gillis, Sheigh Siemens, Taya Clarke, Keelin Kortzman, Leland Douglas, Charlie Kehl, Nora Meleschuk, Eva Schenk, Zoe Baxter, Penelope Mercereau, Jaylen Moraice-Budalich, Oro Weder, Taylor Rowe, Brynn Beswick, Julia Haagsman, Cache Greffard, Sarah Haagsman

Recently a number of our students participated in an **"Ignite Our Spirits"** Event in Fort St. John. Congratulations to Katie Wocton, Cole Norton, Mercedes Maas, Celina Fequet, and Skyler Paice for being brave enough to present their skills in front of a very large audience. If you'd like to see our students in action, check out this link:

<https://www.youtube.com/watch?v=VSfahxpmc0Q>

Finally I would just like to thank the staff, students, and parents of HHES for a fantastic school year. By working together, and enjoying wonderful community partnerships, we have been able to enjoy so many successes throughout the 2014-2015 school year. Our school has an extremely strong cultural foundation that many other schools are looking towards as exemplars for their own models. Thank you so much to everyone for working so hard to make our school such a successful and enjoyable place to work, learn, and discover.

Enjoy the summer!

July 2015

MONTHLY FIELD STUDIES SUMMARY

July 2015

BC Hydro is continuing to conduct environmental and engineering field studies on and around the Peace River between the Williston Reservoir and the Alberta border to inform detailed mitigation and monitoring planning. In December 2014, the Site C project received approval from the provincial government to proceed to construction.

This notice provides a list of field work planned for July 2015. Helicopters may be required for some of the work listed below. BC Hydro will obtain permits, and complete environmental management plans and archaeological assessments as required.

Current and previous field study activities are available at www.sitecproject.com/news-and-information/field-study-notice and in the Community Consultation offices in Fort St. John and in the Pearkes Centre in Hudson's Hope.

Regular and ongoing BC Hydro work may also be taking place on the Peace River and tributaries related to BC Hydro's Peace River water licence requirements or other operations work.

Environment Studies: Fish and Fish Habitat Site Inspections, Forestry Site Inspections, Heritage Program, Wildlife and Vegetation Surveys, Water Quality Monitoring, Climate and Air Quality Monitoring, Peace River Turbidity and Suspended Sediment Monitoring

Engineering Investigations: Peace Canyon Investigations, Geotechnical Investigations, Transmission Right-of-Way Site Inspections, Instrumentation Monitoring, Distribution Line Site Inspections, Dam Site Investigations, Site Inspections

For further information, please contact:

Public Notice

National Energy
Board

Office national
de l'énergie

**NOVA Gas Transmission Ltd.
NORTH MONTNEY MAINLINE (Aitken Creek and Kahta Sections)
Notice of Proposed Detailed Route Pursuant to
*Paragraph 34(1)(b) of the National Energy Board Act***

On June 11, 2015, the National Energy Board issued Certificate of Public Convenience and Necessity GC-125 approving the general route of the North Montney Mainline (Aitken Creek and Kahta Sections as shown on the accompanying map), a proposed extension of the NGTL System to the North Montney area of northeastern BC consisting of two integrated pipeline segments (the Aitken Creek Section and the Kahta Section) of new 1 067 mm nominal pipe size (NPS 42) sweet natural gas pipeline:

- Aitken Creek Section - approximately 181.5 kilometres (km) in length, from an interconnection with the existing Saturn section of the Groundbirch Mainline (Saturn Section) at 14-21-80-20 W6M to a point located in Unit 44, Block L, Group 94-A-13 (Aitke006E Creek section); and
- Kahta Section - approximately 119.1 km in length, from the Aitken Creek section located in Unit 44, Block L, Group 94-A-13 to a point located in Unit 30, Block K, Group 94-G-7 (Kahta section).

Due to size constraints, the full Public Notice could not be provided in this publication. Please contact NOVA Gas Transmission Ltd. at 403-920-5378 or the National Energy Board offices at 1-800-899-1265 should you require the full Public Notice or have any questions concerning the Notice, the Plans, Profiles and Books of Reference or the detailed route procedures.

A copy of the full Public Notice, which includes separate maps of the Aitken Creek and Kahta sections and full listings of the land description in both sections, and the plan, profile and book of reference for the detailed route for the North Montney Mainline (Aitken Creek and Kahta Sections) in northeast British Columbia is available to you for inspection at the following locations:

W.A.C. BENNETT DAM ROAD CROSSING DELAYS

When: June 8 to September 8, 2015

Please expect delays when using the road across the W.A.C. Bennett Dam between June 8 and September 8 this summer. BC Hydro will be grouting instrumentation casings on the dam crest road. The project requires short sections of the downstream (south) lane to be closed off with traffic barriers and posted signage for the grouting work. Traffic will be single lane, intermittently, through the work area for the duration of the project.

For more information, please contact BC Hydro at 250 561 4858.
