HUDSON'S
HOPE
PLAYGROUND OF THE PEACE

MAYOR'S CORNER

Welcome to summer Hudson's Hope! The first official day of summer 2025 is June 20th, and as I look around the community today, I can't help but notice how beautifully green everything is. The Victoria Day Long weekend is now a few weeks behind us, and I hope everyone had the opportunity to enjoy themselves! We remain an extremely popular destination for people from all over the province, and the number of campers in the community over the holiday was impressive as always. Thank you to everyone who played safely and responsibly, and to our local RCMP for going out by ATV, Boat and Vehicle to meet with both community members and visitors!

During the month of June the Council will be looking to engage with the community on a couple of initiatives that have been underway for the past couple of years.

First will be an open house on our Multi-Use Gathering Center, the intended successor to the Hudson's Hope Community Hall, on June 3rd. We hope you will come out to see and provide your feedback on the options that our consultant, Urban Arts Architecture, has helped us to develop. This is a large project and is poised to be a defining feature of our community moving forward.

Secondly, we will be conducting an open house on June 18th to discuss and receive your feedback on our Zoning Bylaw Amendments associated with the Official Community Plan revision that has been underway since 2023. While the OCP has seen several substantial changes due to new provincial legislation that was passed in 2024 we have had less public focus on our equally important zoning bylaw. Staff have been working hard to make sure that our Zoning Bylaw makes sense, including the number of zones and the activities allowed in each zoning.

While the OCP sets the overall direction for the community as we move forward, the zoning bylaw is more reflective of the current realities and uses of land within the municipality. The two do not necessarily have to agree in real-time, however it is important that they are both accurate and complete, and that's where you come in!

As the end of June approaches, we look forward to celebrating the 2025 Graduating Class of Hudson's Hope School. I would like to offer my sincere thanks to our teachers and staff at School District 60 for continuing to elevate our school to among the top schools in British Columbia, and our Graduating Students for putting in the hard work to get to this point. I wish you all the best and greatest success wherever life should take you, and I will see you at the Ceremonies!

Finally, as we move into the summer months, please don't forget that some burning bans have come into effect in the Prince George Fire Center, which affects us. Check regularly before starting any outdoor burning and keep your eyes peeled for the Fire Smart activities we will be conducting this summer, and the Hudson's Hope Fire Rescue Open-House and Free Barbeque on June 10th!

Meet the Team

The District employs a dedicated team of 25 permanent staff along with approximately 20 seasonal employees! We appreciate all the hard work and commitment of our team members!

Meet the Team:
Crystal Brown

We're excited to introduce Crystal Brown, who joined the District in October 2023. Prior to coming to the District she worked for the Peace River Regional District.

Since her arrival, she has been working heavily on our water treatment plant, budgets, and keeping the community informed and engaged.

Crystal grew up in Nova Scotia and has been living in the Peace Region for the past 20 years. Residing in Hudson's Hope, she enjoys exploring local trails with her two dogs and participating in community events.

We're thrilled to have Crystal on our team and are grateful for her dedication and contributions to our community!

Meet the Team:
Kim Trask

Kim Trask has called Hudson's Hope home since 2015!

At the District, Kim wears many hats—she's involved in snowplowing, inspecting playgrounds, and is one of our utility operators, helping to manage the water and sewer systems.

Beyond her work at the District, Kim is also passionate about serving her community through her volunteer efforts with the Fire Department and as an ambulance attendant.

An avid outdoors enthusiast, Kim loves exploring new places, whether it's hiking, camping, or discovering hidden gems in the region.

We're proud to have Kim as part of our team and grateful for her dedication and service to Hudson's Hope!

The District of Hudson's Hope is pleased to announce that we have been approved for **2025 FireSmart** funding, designed to help our community prepare for and respond to wildfires.

As part of this initiative, we'll be focusing on several key projects in the coming year, with a top priority on completing Critical Infrastructure Assessments, and developing a comprehensive Community Wildfire Mitigation Plan.

This plan will **identify areas of high risk and provide a roadmap for reducing those risks** through a combination of education, outreach, and on-the-ground projects.

Over the coming months, you'll likely see our team out and about at community events, gathering information and engaging with residents about wildfire resiliency. We want to hear from you about what you're already doing to prepare for wildfires. . By working together, we can create a safer, more resilient community that's better equipped to face the challenges of wildfires.

Stay tuned for updates on our FireSmart events and activities, and let's work together to make Hudson's Hope a leader in wildfire preparedness!

Emergency Support Services

In the event of an evacuation, Emergency Social Services (ESS) provides essential short-term support to those affected.

ESS offers support in the following ways:

- Providing shelter and accommodation
- Supplying food and beverages
- Supporting special needs
- Offering emotional and crisis support

Overall, **ESS** plays a critical role in ensuring that during and after emergencies, community members have access to the basic necessities, support, and information needed to navigate challenging circumstances safely and with dignity.

How to Access ESS?

They also observed the Pine Car Derby Races (we are still waiting to hear the results due to some technical difficulties).

Once again, our school participated in keeping our community clean as part of our "Earth Day" focus. Afterwards we enjoyed a variety of fun and heart-pumping activities to support the Heart & Stroke Foundation. A big thank you to **Legacy Village Market** for providing freezie treats to our students, to the **DoHH** for providing garbage bags and gloves, and for our **RCMP** for keeping our roads safe during our cleanup.

Monthly Police Report

Hudson's Hope RCMP Monthly Police Report

The Hudson's Hope RCMP responded to 41 calls for service between April 21st and May 19th. 41 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

On April 29th, the Hudson's Hope RCMP responded to a shots heard report at Dinosaur Lake Campground. Police attended and confirmed that two licensed individuals had discharged a shotgun in the area for target practice. As the target area was deemed a safe location, no charges were sought, however the individuals were educated on the discharging of firearms in a safer location.

On May 12th, the Hudson's Hope RCMP responded to a report of a side x side being operated along Beryl Prairie Rd with the driver possibly being impaired. Police attended the area and located an abandoned side x side parked on the side of the road. Upon observations, police located 2x insecure firearms that had been left unattended, one being a restricted and loaded handgun. Police located and arrested the owner of the firearms for several firearm related offences and all remaining firearms owned by the individual were seized for public safety. File is before the Courts.

On May 14th, the Hudson's Hope RCMP responded to a report of an impaired driver along Beattie Dr. Upon locating and stopping the vehicle, police confirmed the driver to be impaired by alcohol. Further investigation yielded that the driver was also a prohibited driver. The driver was arrested and charged for several offences and later released with a court date. File is before the Courts.

On May 17th, the Hudson's Hope RCMP were conducting ATV patrols along Canyon Dr. for the May long weekend and stopped an individual that was operating his dirt bike on public roadways. Upon checks of the individual, it was found that he was a prohibited driver and the bike was unregistered. The individual was charged for driving while prohibited and his dirt bike impounded. File is before the Courts.

On May 17th, the Hudson's Hope RCMP conducted a check-stop along Canyon Dr. with police checking approximately 60 motorists. During this check-stop, two separate motorists were investigated and charged for impaired operations of a motor vehicle with their vehicles being impounded.

On May 18th, the Hudson's Hope RCMP responded to a shots heard report along Canyon Dr. With the aid of the RCMP drone, police observed several individuals target shooting in an area that was deemed unsafe, as well as the use of a handgun was confirmed. Police located all indi-

viduals and several firearms related charge were laid on two individuals. All firearms were seized for public safety. File is before the courts.

On May 18th, the Hudson's Hope RCMP responded to a report of an impaired driver along Beattie Dr. Police located the vehicle and conducted a road-side sobriety test. The driver was found to be impaired and received a 24-hour driving prohibition.

The 2025 May long weekend was very busy for the Hudson's Hope RCMP. Several RCMP members from other jurisdictions assisted during the weekend and police responded to 13 reported files as well as conducted many check-stops, ATV patrols, drone patrols, and vessel patrols. No reports of major injuries were received this year which is a win for the RCMP. Several impaired motorists were removed from the roads and overall, it was a very productive weekend.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnbc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

In Loving Memory of Kari Aud Williamson

It is with great sadness that the family announces the passing of Kari Aud Williamson on May 15th, 2025, at the Fort St. John Hospital, just shy of her 84th birthday.

Kari was born on June 7th, 1941, in Norway and immigrated to Canada in the fall of 1982, settling in Hudson's Hope, BC with her husband Berge Humborstad and their three children.

Kari was predeceased by her beloved son Børre, husband Berge, grandson Tanner, son Sverre, and partner Bill.

She was a truly special person whose warmth, strength, and kindness touched all who knew her. Her legacy lives on in the hearts of those who loved her. Kari is lovingly remembered by her daughters Hege (Barry) and Britt (Keith), daughter-in-law Suzette, and her cherished grandchildren: Garrett (Nicole), Michael (Lindsay), Wyatt (Catie), Logan (Mackenzie), Conner, Anika (Logan), Rebekka (Jayden), and Curtis (Teagan). She was also a proud great-grandmother to Jacob and Jack.

The family extends heartfelt thanks to all who have shared kind words, thoughts, and prayers during this difficult time. We are truly blessed to live in such a caring and loving community.

A Celebration of Life for Kari will be held in August, and all who knew her are welcome to attend and share in remembering the beautiful life she lived.

Please stay off the Site C reservoir

The Site C reservoir has been filled, but there are still hazards as the surrounding land continues to stabilize.

All public boat launches on the reservoir are closed. New boat launches will open when the reservoir is deemed safe, which will be at earliest spring 2026.

The public is strongly urged to stay away from the shoreline and off the slopes along the new reservoir. Hazards may include:

- Submerged hazards
- Unstable shoreline and erosion
- Floating wood debris

BC Hydro is monitoring for debris and slope instability and will advise when the reservoir is deemed safe for public use.

		HUDSON'S HOPE PUBLIC LIBRARY	

Amber Norton, Library Director

Thank you to Wally Harwood! A big thank you to Wally for donating the collection that he had previously loaned to our library for our Remembrance Day display for the past couple of years! This donation contains nearly 70 non-fiction books that we will be adding to our library collection over the coming weeks! We will need to undergo some collection management to make room, but it is a job that we are so excited about to have all these wonderful books as part of our permanent collection!

Thank you Northern Rockies Karate Do! Thank you to Jason and Chantiel for thinking of our library to donate a box of prizes, treats and craft supplies! We will make great use of your donations including reading prizes, supplying our programs and our bellies!

Walking Book Club – This month we transition to our walking book club for Participac-tion. Priority of our 5-10 reserved copies will be given to those joining the walk as we

Walking Book Club

We plan to walk at least once for each title!
The recommended group capacity is 5.
Dates & times arranged per group.

Read the book & go for a walk, easy peasy!

Our titles this year are:
Delicious Monsters by Liselle Sambury, “Daisy sees dead people... when her mother inherits a secluded mansion in northern Ontario... she begins to realize that her experience with the supernatural might be no match for her mother’s secrets, nor what lurks within these walls...” YA fiction
The Good Son by Jacquelyn Mitchard, “What do you do when the person you love best becomes unrecognizable to you?”

Can’t walk for an hour? We can set up a meeting at one of our local parks for a book chat! Titles available May 24th through July 11th!

For Thea Demetriou, the answer is both simple and agonizing: you keep loving him somehow... if there is so much she never knew about her own son, what other secrets has she yet to uncover” Adult Mystery Thriller

Indignerds edited by Alina Pete, “First Nations culture is living, vibrant, and evolving, and generations of Indigenous kids have grown up with pop culture creeping inexorably into our lives. From gaming to social media, pirate radio to garage bands, Star Trek to D&D, and missed connections at the pow wow, Indigenous culture is so much more than how it’s usually portrayed. INDIGNERDS is here to celebrate those stories!” YA Graphic Novel

James by Percival Everett, A brilliant reimagining of Adventures of Huckleberry Finn—both harrowing and satirical—told from the enslaved Jim’s point of view!

Walk-In Book Club - Two of last month’s Walk-In Book Club picks are still available:

None of This is True by Lisa Jewell is a psychological thriller where a woman finds herself the subject of her own true crime podcast! Available until June 6th. Also, *This Time Tomorrow* by Emma Straub; armed with a fresh perception of life; past events take on new meaning. Is there anything that she would change if she could? Available until June 20th.

Make sure your kiddos come and see her in the library or at the Farmer’s Market before she goes!
