**23RD ANNUAL**  
**HUDSON'S HOPE**  
**FALL FAIR**  
**SATURDAY SEPTEMBER 12, 2015**  
**FAMILY FUN EVENT**  
**EXHIBIT ENTRIES FRI 7-9 P.M./SAT 7-8 A.M. AT THE ARENA**

## Visitor Centre

September. It has been a fantastic summer especially having the Farmer's Market in Beattie Park twice a week! Hats off to the vendors that came out each and every venue. Harvest season is the best time of the year. Hopefully you're getting items ready for the September 12 Fall Fair (Saturday). There are many categories to choose from with everything from produce to canning to photography to pet show. If you want to peruse the categories we have the Fall Fair Regulation booklets and exhibit tags.

Hudson's Hope reunion came and went and all the attendees had a great time catching up. Weather cooperated and did you know there are extra "Hudson's Hope Reunion 2015" hats left over. You can find those at Legacy Village Market.

And if you want a Hudson's Hope 210<sup>th</sup> birthday pin they are available at the Visitor Centre for \$3 and keychains for \$5. Our stock of t-shirts and hoodies are dwindling but maybe we still have your size. The Visitor Centre is open daily 8:30am to 5pm till September 30<sup>th</sup>

Hudson's Hope Visitor Centre

Kathy, Christopher and Joey

On August 15 of this year the Visitor Centre participated in an event organized by Chetwynd Visitor Centre. It was the third Community to Community Motorcycle Poker Ride. We had six registrants at our visitor centre and after the winning poker hand was drawn we managed to raise \$90 for the charity of our choice. We chose Friends of Hudson's Hope as the recipient of our fund raising. We are proud of the work they do; a necessity in any community. On behalf of the Visitor Centre and District of Hudson's Hope, pictured here is Kathy Burseth, Visitor Centre manager presenting Patti Campbell, Administrator Friends of Hudson's Hope with the proceeds from the motorcycle poker ride.

## September at the Museum

### Save the Date! October 3<sup>rd</sup>

The Museum will be hosting a **Dinner Auction and Dance – Boots, Chaps and Cowboy Hats on Oct 3<sup>rd</sup> 2015** at the Hudson's Hope Community Hall! **Tickets are \$35 each** are on sale at the Museum and at Marg's Mini Mart.

The Hudson's Hope Museum is selling Raffle tickets for a four day - three night fishing trip with Finley River Outfitters, tickets are \$10 each and the draw is on

October 3<sup>rd</sup>, 2015 at the museum's Dinner, Auction and Dance. Proceeds from the raffle go to supporting the Museum Expansion. Tickets are available at the Museum!

The Museum gift shop is looking for local crafts and artisans – Please contact the museum if you are interested in selling items at the gift shop.

The Next Historical Society meeting will be held on **September 17, 2015** at 7pm in St Peter's Church Hall. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at [hmmuseum@pris.ca](mailto:hmmuseum@pris.ca)

**September hours are Monday to Sunday 9- 5.**

**Come in and learn something new about the beautiful valley that you live in! Don't forget to check out our Gething Exhibit.**

Elinor Morrissey – Museum Curator

### ***Fit for Life Exercise Classes***

Regular classes every Monday and Thursday  
at the Pearkes Center from 9:30 am-10:30 am  
Starts on **Thursday, September 10th**

#### **Costs:**

Regular rate: \$112 for 32 classes  
Senior rate: \$64 for 32 classes  
Drop in rate: \$5

For more information, Contact BCRPA Fitness  
Instructor Greta Goddard at 250-783-5338 or  
email: [rgfequet@pris.ca](mailto:rgfequet@pris.ca)

## Library

### Library Hours:

Sunday - Tuesday	12:00 pm – 5:00 pm
Wednesday	12:00 pm – 7:00 pm
Thursday	10:00 pm – 5:00 pm
Friday	12:00 pm – 6:00 pm
Saturday	Closed
Statutory Holidays	Closed

### Hours in effect Labour Day to Victoria Day

The Library will be closed on Labour Day, Monday September 7<sup>th</sup>.

COME IN, GO ANYWHERE!

HUDSON'S HOPE PUBLIC LIBRARY

**Temporary Librarian Assistant** – We're so happy to have Teresa Summer on our library team this summer! Teresa showed loads of enthusiasm while running the children's Summer Reading Club as the primary facilitator in the first two weeks of August, and in collaboration with Toby for the last two weeks. She put in a great amount of time getting this month's book display ready as well. We would like to extend a huge thank you to Teresa Summer for all of the work and time she put in to Summer Reading Club you have been a fantastic addition to our staff! We wish you all the best with your schooling over the next year!

### Blind Date With a Book –

September's book display is a great way to try a genre that you may not normally try, read an old favorite, or get yourself out of a reading slump. To start our book selection, Nancy, Theresa, Toby and I have chosen a handful of items from our collection to set you up on your first blind date!

### How to Participate:

*Step 1: find one of your favorite books from our shelves*

*Step 2: Write up a wrapper blurb*

*Step 3: Give steps 1 and 2 to a staff member*

*Step 4: Choose your blind date*

*Step 5: Check out your date*

*Step 6: Go home (or not ;)*

*Step 7: Unwrap your date!*

**Enjoy!**

**Summer Reading Club** – We had 38 children registered for our Summer Reading Club Program that ran in August. With the 'Build It' theme, children were kept busy with many fun building challenges involving robots, clay, Lego, popsicle sticks, spaghetti and marshmallows and much more! Each child took home a fabulous prize, a completion certificate and a medal! Final numbers were not in at the time of the Bulletin publication, but our mid-point numbers show over 150 books read in our younger group and over 10,000 pages read in our older group.

**After School Club & Storytime** – With summer coming to an end, it is time for our Children's Programs to start up again. Storytime for children ages 2 – 5 (accompanied by a parent/caregiver) will begin on Tuesday, September 15<sup>th</sup> from 10:30 – 11:30 a.m. and continue to run on Tuesdays throughout the school year. Library Club for school-aged children 6 years and up will begin again on Wednesday, September 16<sup>th</sup> from 3:30 – 4:30 p.m. and continue to run on Wednesdays throughout the school year.

**Shane Peacock** – Our library federation is working diligently to get more authors in to libraries in our area. This fall we are proud to welcome Shane Peacock to our town! Please see ad for more information about this fantastic opportunity.

*Amber Norton*

*"Some are given to displaying their lives, every intimate detail of them, for others to paw through. And yet, no one can ever reveal all about himself. Everyone has secrets."*

— **Shane Peacock** *The Secret Fiend The Boy Sherlock Holmes, #4*

Available through Interlibrary Loan

## SHANE PEACOCK

### Biographer, Novelist, Playwright, Journalist, Screenwriter

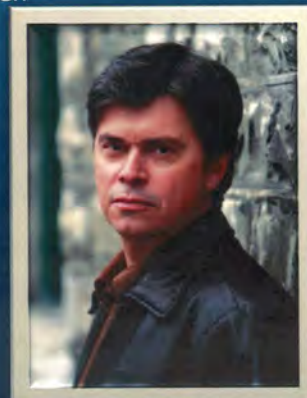

Shane discusses why he thinks reading and writing are so exciting, how he learned that as a kid, how and why he became a writer, and the wild and crazy things he has written about. He describes how he came to write his award-nominated series "The Dylan Maples Adventures," the groundbreaking "Boy Sherlock Holmes" books as well as his books "Double You" and "Last Message" from the collaboration of seven popular YA authors in the "Seven Series" and "Seven Sequels". He has learned the arts of tight-rope walking, silent killing, trapeze flying, and sumo eating, all in the service of his art. He will give a short, dramatic reading, and fields questions from the audience.

This presentation is geared toward an audience of children in grades 3-6, but everyone is welcome.

AUTHOR PRESENTATION

1:30-2:30 PM ON SEPTEMBER 23<sup>RD</sup>

LOCATED AT THE PEARKES CENTRE

# Announ

Congratulations to Coleman Mercereau who completed the Canadian Death Race on August 1<sup>st</sup>. He completed the 125 km race in 24 hours, which included three mountain summits and over 17,000 feet of elevation change. We are so proud of him and his accomplishment!! Go Death Racer!

Becky, Pen & Thatch

## THANK YOU!

The Friends of Hudson's Hope would like to extend a big thank you to the District of Hudson's Hope for the \$500.00 operating grant. It will go a long way to helping the people in our community.

Our laundromat is getting an upgrade. The 1st set of new stacking dryers has arrived thanks to the generous donations from North Peace Savings & Credit Union, BC Hydro and the Co-Op. We should have them installed by the end of August. Our goal is to replace all of the aging dryers over the next few years.

As hunting season is approaching the Friends of Hudson's Hope would like to ask all hunters to consider donating any extra meat to our Food Bank. The food bank has been busy and our meat supplies are low. Just give us a call and we will arrange pick up and cutting & wrapping.

We would like to remind everyone that our annual food drive is coming up in October. Your support is greatly appreciated. Watch for posters announcing the day.

The Bulletin

## A Perfect Hand

On July 29th, 2015 at a regular Wednesday night crib game Shirley Shephard got a 29 hand. The "Perfect hand", the dream of all crib players.

CONGRATULATIONS SHIRLEY!!

## WAY TO GO MARY!!

Mary Brereton took a 3 1/2 month leave from her Postal job to do two things she's always wanted to do for years—hike the Scottish National Trail and visit the place where her Grandmother was born. She accomplished both and had enough time left to hike the North Coast and revisit and explore more of the Highlands.

The Scottish National Trail is 864 Kilometers long through some of the most beautiful and rugged terrain in Scotland. Of the thousands of hikers that use this trail each year, on average only 15 a year complete it.

Mary Brereton was one of those 15.....

### Costs:

Both ACT/BCT (60 classes) = \$300  
ACT or BCT (30 classes) = \$185  
15 classes = \$100  
10 classes = \$85

Classes begin on Thursday, September 10th.

# BC RIVERS DAY

**Sunday, September 13th**  
**Come have lunch on the Shore**

Leaving the Old Ferry Landing at 11 am  
Paddle, row, kayak, or float down this scenic river  
to Lynx Creek Campground  
Or just simply show up to take part in the celebrations

**Come enjoy** - Free fresh garden corn roasted over an open fire,  
**wiener roast, beverages, games, entertainment, displays & presentations**

BC Rivers Day seeks to raise public understanding of rivers and the many benefits they provide to us—clean water, spawning salmon, historic trades and exploration routes, a place to play. There is much to celebrate but BC Rivers Day also profiles the threats to our waterways, and offers the public a chance to get directly involved with creating solutions.

Check out the BC Rivers Day official website for more information.

**Feature Listings**

**4260 BERYL PRAIRIE \$89,900.00**

Check out this modest 2 bdrm home with a small den & wood stove for heat. Super cute property right on the Beryl Prairie Road just outside of Hudson's Hope with pavement all the way! Beautiful views through the backyard, as this land is owned, but more than likely will never be developed due to the ravine & neighbouring onto Crown Land. Sitting on 2 acres

**10122 MACDOUGALL ST \$119,900.00**

More affordable than paying rent! This well maintained home has been well cared for with 3 bedrooms that could be 4. The beautifully landscaped yard has many mature trees for added privacy and shade. Fully fenced yard with a large deck is great for kids, pets & outside enjoyment. A detached workshop with power can be used for added storage. The commercial torch-on roof was

**21024 TOMPKINS ROAD \$225,000.00**

Completely renovated log home on just under 5 acres in the popular Beryl Prairie Subdivision. Mature trees, fenced, cross fenced & a creek running through. This gorgeous home is practically brand new throughout, all new paint, trim, fixtures, a brand new kitchen with modern cabinets & loads of storage and plenty counter space! A new tub, tile surround, low flush toilet & vanity in the bathroom. The metal roof was put on last year, so this home is turn-key!

**4364 BERYL PRAIRIE \$399,900.00**

Amazing acreage property with a gorgeous log home right off the pavement on Beryl Prairie Road in Hudson's Hope! This home is huge with 6 bedrooms, 3 full bathrooms, an entertainer's dream kitchen & dining area, with an over-sized sunken living room. The 30x30' heated shop was built about 5 yrs ago as well, and a new well drilled 2 yrs ago. Fenced/cross-fenced for horses/ livestock with a very private yard surrounded by mature trees.

## District of Hudson's Hope

September is Fall Fair, Back to School, Kaleidoscope of Color, First Frost, and man and animal alike rushing to get ready for winter. A favorite month for many people.

### **Fall Fair:**

The annual Fall Fair signals an end to summer in Hudson's Hope. It's the last outdoor community gathering and seems to draw the curtain on summer and open the door to fall and winter.

**Saturday, September 12** is the date.

**Hudson's Hope Arena** is the place.

There's the vintage car show, pet parade, garden and craft competitions, tallest sunflower contest, live entertainment, loggers' sports, and the grad class BBQ. There will be vendor tables and for this day only, the Farmers' Market will set up at the Arena rather than at Beattie Park. The kids' train will wind its way around the field and bouncy activities will be set up inside. Time to catch up with friends and neighbours you haven't seen for awhile.

A busy family fun day!

### **Site C Meeting:**

In July, Hudson's Hope asked for a community sit-down meeting with representatives of the Site C project. That was tentatively scheduled but then cancelled when BC Hydro cancelled all public interaction on Site C until September.

Council has requested a "sit-down meeting" on September 30. At time of this writing, we have not yet received a response.

### **Induced Earthquakes:**

In December, 2014, the BC Oil & Gas Commission (OGC) released a report entitled **Investigation of Observed Seismicity in the Montney Trend.**

(Link: <https://www.bcogc.ca/node/12291/download>)

Hudson's Hope is right on the western edge of the Montney Basin.

The report says that between August, 2013 and October, 2014, there were 231 seismic events attributed to oil and gas operations in the Montney Basin, 38 induced by wastewater disposal and 193 by hydraulic fracturing operations. (P 6).

The Report also says that "there is a

higher occurrence of seismicity in the disturbed belt of the Rocky Mountain foothills.....” The greater likelihood of earthquakes in this area is because the foothills contain numerous faults that are already stressed and so are subject to being reactivated. Hudson’s Hope is next to or in places, part of, the foothills and the presentations GW Solutions has done here show a number of fractures inside the municipality. A map on page 9 of the OGC report shows 5 areas where induced earthquakes have been most common thus far. One is just northeast of us.

Once a rarity, earthquakes in our area are becoming quite common:

On November 5,6, 2013, there was a cluster of 14 low magnitude earthquakes in the Upper Halfway area.

In July, 2014, there was a 3.8 earthquake in the Montney Basin and the company operating nearby was ordered to reduce the amount of fluid being injected.

In August, 2014, there was a 4.4 earthquake felt in Fort St John and Fort Nelson.

And two weeks ago, on August 17, there was a 4.5 magnitude earthquake just north of Wonowon. The OGC indicates the cause is still under investigation but said it was likely related to natural gas extraction operations.

So what does all that mean for Hudson’s Hope? Well, who knows for sure? But the seismic events seem to be growing in frequency and magnitude and as the level of activity increases near us, we may expect to see some events locally.

Happy Autumn, and hope everyone is able to take advantage of the wonderful weather and get outside!

A handwritten signature in blue ink that reads "Gwen Johansson".

Mayor Gwen Johansson  
DISTRICT OF HUDSON'S HOPE

## Police Report: August 2015

Over the last month, Hudson's Hope RCMP Detachment responded to approximately 41 calls for service. Hudson's Hope RCMP members continued with traffic enforcement efforts throughout the area and issued several violation tickets and written warnings to drivers.

Some incidents of note during the month are as follows:

On August 4<sup>th</sup>, 2015, Hudson's Hope RCMP was alerted to a stolen vehicle in Fort St. John that may be heading into Hudson's Hope. The vehicle was subsequently located and a male occupant of that vehicle was arrested. Police have recommended three charges against the male who is scheduled to appear in court in September.

On August 5<sup>th</sup>, 2015, Hudson's Hope RCMP was advised of a break and enter and theft at the local YRB yard near Hudson's Hope. Police responded and obtained statements from employees who detailed the break in and theft of a YRB vehicle and other items inside. Fort St John RCMP Forensic Identification Service was called to assist in processing the scene. The YRB vehicle was located later in the morning and police are continuing to investigate the incident.

On August 11<sup>th</sup>, 2015, Hudson's Hope RCMP responded to an ATV collision on private property near Farrell Creek Road. The female driver of that ATV had succumbed to serious injuries sustained from the collision. An RCMP Traffic Analyst and BC Coroner Service were called to the scene to assist investigators with the ongoing investigation.

On August 17<sup>th</sup>, 2015, Hudson's Hope RCMP was advised of a vehicle on fire on Canyon Drive at the pullout near Beryl Prairie Road. A commercial dump truck was engulfed in flames when police arrived at the scene. The cause of the fire is unknown at this time.

On August 21<sup>st</sup>, 2015, Hudson's Hope RCMP was advised of an active brush fire near Halfway River that was approaching the Highway. Police alerted local fire officials and the Ministry of Forests. Hudson's Hope RCMP would like to recognize the efforts of local volunteers who assisted in quickly gaining control of the fire and prevented it from reaching forested areas. The file remains under investigation to speak with possible witnesses.

Police are requesting anyone having any information regarding current investigations to please contact the Hudson's Hope RCMP directly or anonymously through Crime Stoppers at 1-800-222-8477.

Cst Bill McKenna, Hudson's Hope RCMP

## BACK TO SCHOOL

Hudson's Hope RCMP would like to remind drivers to be vigilant of pedestrians, especially young school students, who will be walking along and crossing local roads and streets during the upcoming school year.

The Hudson's Hope RCMP will be strictly enforcing road safety on all roads and school zones in an effort to educate drivers and maintain safety for pedestrians.

Parents are encouraged to discuss road safety with their children. Some basic tips are as follows:

- **Look** left-right-left and shoulder check before crossing.
- Make eye contact with drivers and keep looking for approaching vehicles while crossing.
- **Listen.** Remove your headphones so you can hear approaching traffic that may be hard to see.
- **Be seen.** Wear reflective materials or bright clothes and use lights after dark.
- Walk on the inside edge of the sidewalk away from the road. If there's
- **no sidewalk** - walk facing oncoming traffic, so you can see approaching vehicles.
- **Never jaywalk.** Be extra cautious at intersections. Watch for vehicles turning left or right through the crosswalk.

The poster for 'That Dam Run 2015' is framed in yellow. At the top is a stylized silhouette of a runner with arms and legs outstretched, filled with colorful dots. Below this, the text reads 'That Dam Run 2015' in a serif font, followed by 'SEPTEMBER 27, 2015' in a bold sans-serif font, and '10 MILE TRAIL RACE & 5 KM ROUTE' in a larger bold sans-serif font. A map of the trail route is shown at the bottom left. On the right side, there are two red boxes with white text. The top box contains registration information: 'Register online at: Stride and Glide', the website 'http://www.strideandglide.ca', '100 Entrants only', 'NO race day registration', and 'Registration closes on: Sept 7, 2015'. The bottom box lists 'Registration Fee: \$30', 'Category Choices: Women's & Men's 10 mile walk/run Or 5 km walk/run', 'Start Line: GMS Dam Viewpoint 22098 Canyon Drive', and 'SPONSORED BY: HDFF FOR HEALTH'.

# Protective Services

Things get a little crazy on the roads during the school year: Buses are everywhere, kids on bikes are hurrying to get to school before the bell rings, harried parents are trying to drop their kids off before work.

It's never more important for drivers to slow down and pay attention than when kids are present—especially before and after school.

## If You're Dropping Off

Schools often have very specific drop-off procedures for the school year. Make sure you know them for the safety of all kids. More children are hit by cars near schools than at any other location, according to the National Safe Routes to School program. The following apply to all school zones:

- \* Don't double park; it blocks visibility for other children and vehicles
- \* Don't load or unload children across the street from the school
- \* Carpool to reduce the number of vehicles at the school

## Sharing the Road with Young Pedestrians

According to research by the National Safety Council, most of the children who lose their lives in bus-related incidents are 4 to 7 years old, and they're walking. They are hit by the bus, or by a motorist illegally passing a stopped bus. A few precautions go a long way toward keeping children safe:

- \* Don't block the crosswalk when stopped at a red light or waiting to make a turn, forcing pedestrians to go around you; this could put them in the path of moving traffic
- \* In a school zone when flasher are blinking, stop and yield to pedestrians crossing the crosswalk and intersection
- \* Always stop for a school patrol officer or crossing guard holding up a stop sign
- \* Take extra care to look out for children in school zones, near playgrounds and parks, and in all residential areas
- \* Don't honk or rev your engine to scare a pedestrian, even if you have the right of way
- \* Never pass a vehicle stopped for pedestrians
- \* Always use extreme caution to avoid striking pedestrians wherever they may be, no matter who has the right of way

## Sharing the Road with School Buses

If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing. It is illegal to pass a school bus that is stopped to load or unload children.

- \* Never pass a bus from behind—or from either direction if you're on an undivided road—if it is stopped to load or unload children.
- \* If the yellow or red lights are flashing and the stop arm is extended, traffic must stop
- \* The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus
- \* Be alert; children often are unpredictable, and they tend to ignore hazards

## SITE C: MONTHLY FIELD STUDIES SUMMARY

### September 2015

BC Hydro is continuing to conduct environmental and engineering field studies on and around the Peace River between the Williston Reservoir and the Alberta border to inform detailed mitigation and monitoring planning. In December 2014, the Site C project received approval from the provincial government to proceed to construction.

This notice provides a list of field work planned for September 2015. Helicopters may be required for some of the work listed below. BC Hydro will obtain permits, and complete environmental management plans and archaeological assessments as required.

Current and previous field study activities are available at [www.sitecproject.com/news-and-information/field-study-notice](http://www.sitecproject.com/news-and-information/field-study-notice) and in the Community Consultation offices in Fort St. John and in the Pearkes Centre in Hudson's Hope.

Regular and ongoing BC Hydro work may also be taking place on the Peace River and tributaries related to BC Hydro's Peace River water licence requirements or other operations work.

**Environment Studies:** Fish Sampling, Forestry Site Inspections, Heritage Program, Wildlife and Vegetation Surveys, Water Quality Monitoring, Climate and Air Quality Monitoring, Peace River Turbidity and Suspended Sediment Monitoring

**Engineering Investigations:** Peace Canyon Site Investigations, Geotechnical Investigations, Transmission Right-of-Way Site Investigations, Instrumentation Monitoring, Distribution Line Site Inspections, Dam Site Investigations, Site Inspections

For further information, please contact:  
**Kate O'Neil, Community Relations**  
Office: 250-785-3415

**FISH AND WILDLIFE COMPENSATION PROGRAM**

**We fund fish and wildlife projects  
Apply for a grant**

The Fish and Wildlife Compensation Program funds projects that conserve and enhance fish, wildlife and their habitats. We're looking for projects that align with our Action Plans and people who want funding.

**Submit a mandatory Notice of Intent form by Oct. 2, 2015**  
This helps us support you to develop your grant application and enables early engagement with First Nations

**Submit your grant application by November 20, 2015.** Grant applications will be online by Oct. 1, 2015

**Read our FWCP-Peace Region Action plans, download your Notice of Intent form and learn more at [fwcp.ca](http://fwcp.ca).**  
Contact Program Manager, Dan Bouillon, to talk about your project, and learn more about our grants:  
[dan.bouillon@bchydro.com](mailto:dan.bouillon@bchydro.com) or 250-783-7509.

The Fish and Wildlife Compensation Program is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations and Public Stakeholders to conserve and enhance fish and wildlife impacted by existing BC Hydro dams.

## W.A.C. BENNETT DAM ROAD CROSSING DELAYS

**When: June 8 to September 8, 2015**

Please expect delays when using the road across the W.A.C. Bennett Dam between June 8 and September 8 this summer. BC Hydro will be grouting instrumentation casings on the dam crest road. The project requires short sections of the downstream (south) lane to be closed off with traffic barriers and posted signage for the grouting work. Traffic will be single lane, intermittently, through the work area for the duration of the project.

For more information, please contact BC Hydro at 250 561 4858.
