I had the opportunity to spend some time traveling through BC this past August, including through some of the areas of the interior that have had and are currently experiencing wildfires. I can't help but reflect on how lucky Hudson's Hope has been through our challenges with the same. Many in central and southern BC have lost homes, businesses and livelihoods. Around communities like Clinton the devastation was particularly evident, while the core of the community stands largely untouched. A great many lives have been irrevocably altered, and landmarks that have stood for decades are now gone. Many remain evacuated, or on evacuation notice, fires continue to rage out of control, and there have only been brief fleeting appearances of rain, many accompanied by lightning storms.

When Hudson's Hope was threatened with wildfires people from across the region and across BC came to our aid. Our community came together to protect people, pets, livestock and property. I see the same efforts here. Scores of fire fighters, experts, equipment and first responders are mobilized. Crews are literally living and operating from the middle of the areas hardest hit. Helicopters circle constantly battling flames and crews rebuild infrastructure that in many cases still smolders on the ground.

While we have had a much needed, and appreciated, reprieve from the drought that has impacted the rest of our province I would ask everyone to continue to think fire-smart.

With September upon us Council is once again preparing to attend the annual Union of BC Municipalities AGM where we will have the opportunity to meet with various provincial ministries to lobby for our Community and our Region. With the Water Treatment plant largely behind us, slated for completion within this calendar year, we continue to focus on other issues that affect our community. Healthcare, transportation and ongoing community resilience will be at the top of our lists.

We will be arguing for new and continued investment in Highway 29, especially where it concerns the Halfway Hill. We are also providing our support to the region in the ongoing argument for investment in the Taylor Bridge.

On the healthcare front we will be continuing to work with Northern Health on Doctor recruitment, mental health and addiction support, and how healthcare in Hudson's Hope might be enhanced through tele-medicine. Our healthcare center supports not just our

community but residents of many communities in our region, and access to enhanced care is also on our radar.

Fiscal resilience will also be a major focus of our time at UBCM this year. We continue to engage with the Ministry of Finance on modernizing an enhancing the Grant in Lieu of Tax program that has been our primary, if less than adequate, method of accessing an otherwise unavailable portion of the industry taxation for major utility that operates within our community. It has been no secret that this revenue stream is artificially constrained and doesn't represent fair participation in our local economy at the same level that private industry would be obligated to.

Finally, as we approach the fall election I would like to thank everyone who has supported me, and our community, over these past three years. It has been a wonderfully educational step into the office of Mayor, a learning curve that I was not fully expecting but have thoroughly appreciated.

Thank-you Hudson's Hope!

- Mayor Quibell

The graphic is a blue and white informational poster for the Hudson's Hope 2026 Election. At the top left is a circular logo featuring a ballot box with a checkmark, set against a background of stars and a landscape. To the right of the logo, the text "HUDSON'S HOPE 2026 ELECTION" is displayed in large, bold, blue and green letters. Below this, a blue banner reads "Here's what's on the ballot - October 17". The main body of the graphic consists of four light blue rounded rectangular boxes, each containing an icon, a title, and a description of the ballot item. The first box has a checkmark icon and is titled "Mayor | Elect 1 Mayor". The second box has a group of three people icon and is titled "Councillors | Elect 6 Councillors". The third box has a schoolhouse icon and is titled "School Trustee | Elect 1 School Board Trustee". The fourth box has a checkmark icon and is titled "Assent Vote | Vote YES or NO on the Multi-Use Gathering Centre Loan". In the top right corner, there is a small logo for "HUDSON'S HOPE PLAYGROUND OF THE PEACE" with a stylized green and blue wave design.

LEARN MORE & GET INVOLVED. YOUR SCHOOLS.

The District of Hudson's Hope would like to advise residents that demolition of the former Community Hall is anticipated to begin on Friday, August 28, 2026. The work is expected to take approximately two weeks to complete.

For the safety of the public and workers, residents are asked to stay clear of the work area at all times. Heavy equipment, demolition activities, and truck traffic will be present throughout the project.

Earlier this month, all identified hazardous materials requiring removal, including asbestos-containing materials, lead-containing materials, and mercury-containing equipment, were removed from the building by a qualified hazardous materials abatement contractor. This work was completed in accordance with applicable requirements before demolition begins.

The demolition contractor will use dust control measures throughout the project to minimize airborne dust and keep the site safe.

The District appreciates the public's patience and cooperation while this work is underway. Anyone with questions, concerns, or observations related to the demolition is encouraged to contact the Director of Public Works, Desirée LeBlanc, at 250-783-1455 or desiree@hudsonshope.ca so they can be addressed promptly.

Hope for Health Society

That Dam Run registration is open. If you want to register, just email: hope4healthsociety@gmail.com with the subject line “That Dam Run” and ask for registration forms. The run is on Sunday, September 27, 2026. Two choices: 5 km or 10 mile (16 km) routes. Limited entry and registration is close to filling up.

Registration must be complete before you are considered registered – this includes payment. Check our facebook page for updates.

CARE: Community Accessible Recreational Equipment! A huge shout out to District of Hudson’s Hope for supporting this community program. A big thank you to the Visitor Information Center Staff for taking care of the equipment and amazing promotion. If you haven’t checked out this program yet, please drop by to do so. Try mountain biking for free for the whole family – two adults and two children’s bikes available. Maybe take a trip through beautiful Jamieson Woods.

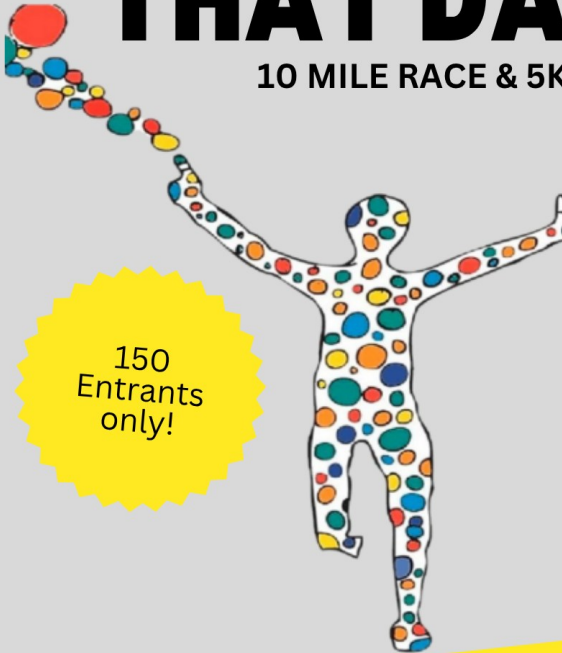

Hope for Health has a few future events coming: trail building, trail maintenance, and free community workshops.

We will keep you posted. We would like to thank the community for all their support for this non-profit society. We are so pleased to be able to provide community services.

Junior Canadian Rangers

A federally funded youth program delivered through the Canadian Army's local Canadian Ranger patrol and community volunteers. JCR supports culture, leadership, healthy living, and community involvement. It is **not** military recruitment.

Eligibility & Schedule

Youth **12–18** join for free, including uniforms. Youth **10–11** may attend Hudson's Hope meetings with a participating parent/guardian. The patrol meets **twice monthly September–June**, usually the **first and third Tuesday evenings**.

Training Focus & Opportunities

JCRs learn traditional skills (music, fishing, hunting), ranger skills (first aid, navigation, marksmanship, snowmobiling), and life skills (leadership, healthy living, public speaking). Extra opportunities include **Field Training Exercises** (three-day outdoor camps) and **Enhanced Training Sessions** such as summer training and marksmanship events.

Leadership & Volunteering

Led by **MCpl Joseph King**; 2IC currently vacant. Volunteers need enthusiasm for youth, physical ability to participate, and a clear VSS/Criminal Record Check.

Upcoming Dates & Contact

Training nights resume **September 8th**
First FTX: **Sikanni Falls campout,**
September 11 - 13th 2026.

Monthly Police Report

Hudson's Hope RCMP Monthly Police Report

Police responded to a report of a break and enter in progress at a local construction site. Despite the call coming in during the middle of the night, members responded quickly and located the suspected intruder. As it turned out, the “thief” was actually the site cleaner, just doing their job at a rather suspicious time. The situation became more complicated when officers learned that the cleaner was prohibited from driving. A valid driver was called, and the cleaner was able to leave the site with a safe ride home.

A trip to the Farmer's Market came with an unwanted surprise for one of Hudson's Hope resident when another driver damaged their vehicle while they were picking up some fresh produce. Unfortunately, dents were not on the shopping list. If you witnessed the incident, please contact the Hudson's Hope RCMP.

We have noticed an increase in drivers putting the pedal down between Fort St. John and Hudson's Hope, and we've received several complaints from concerned citizens. We know the open road can be tempting, but this stretch of highway is not the place to test your vehicle's top speed or your luck. Officers will be more visible in the area, and drivers caught speeding may find themselves leaving with an unwanted souvenir in the form of a violation ticket. Save the racing for the racetrack, give yourself a few extra minutes and help keep the road safe for everyone.

And while we're talking about slowing down, school is back in session September 8th. That means students will once again be making their way to and from school, and school zone limit needs to be respected. Keep an eye out for the pedestrians, buses, and all the excitement that comes with the first days back.

September 3rd will mark Constable Kriss Baker's first shift in Hudson's Hope. Cst. Baker is transferring from the Nanaimo Detachment where she was assigned to the youth section. Cst. Baker is looking forward to getting to know the community and the people who call it home. If you see her around town, be sure to say hello and introduce yourself.

Beem Credit Union in Hudson's Hope has partnered with the RCMP to support bicycle safety, pedestrian safety and overall, children displaying simply being good humans. They have sponsored treat coupons to be distributed to youth observed wearing

appropriate safety gear, using crosswalks, assisting seniors, picking up trash, or any other “good human” thing to do. Police will be issuing Positive Tickets attached to the coupons.

Anyone with information regarding current or past investigations can contact the Hudson’s Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas “Most Wanted” page.

Pro-D Camps – There are 6 School Closure & Non-Instructional Days this fall, unfortunately we did not receive any funds for camps by the end of August, so they will not continue unless suitable funds are received by at least 1 week before the first NID on Sept 25th. If this changes, we will promo the camp on Facebook one week in advance.

Our Amazon Wish List! HHPL is needing some help with programming supplies. Our budget is smaller this year and we are running low on a lot of supplies. If you have wanted to donate to the library but not sure where its going, you can help purchase an item or two from this wish list and know its directly going to our kids programs. It would be greatly appreciated. Please check out our wish list. Thank you in advance, we appreciate you so very much. After most of our supply wish list is ordered, we may look at expanding our wish list to books as well!

Katie Norton – Summer Programmer

Thank you everyone for your support of Summer Reading Club this year! This summer participants managed to read over 62,000 pages, which stacked all together would be taller than an adult giraffe!! As summer comes to an end, I must leave the library to go back to university for another year. Have a great new year at school!

Summer Reading Club Winners:

Reading this year was incredible! Kids ages 5 to 8 read over 18,500 pages! Winners: Marcy, Max, and Eli! Kids under 5 read almost 4,000 pages! Winners were Leo, Miles, and Deacon. Tweens read almost 39,000 pages! The winners for this group were Isaac, Addison, and Oliver who read 16,600, 15,000, and 5,000 pages respectively! In total, our 20 participants (including me) read almost 63,000 pages! This is almost as much as last year (65,000 pages) but with half the number of readers!

Shellie Howard– Programmer Here we are into September! I can't believe how fast the summer went by, it was a beautiful summer!!! Regrettably, programs will not be starting in September as usual, but rather in the first full week of October. In addition to our funding shortage, we are also short handed right now and will not be ready to start programs. Please watch the Bulletin and Facebook for October's Club Program lineup. We will have registration forms available in the library, or you can email hlibrary@pris.ca Everyone must re-register every fall.

Nancy Smith, InterLibrary Loan (ILL) Librarian & Bookkeeper We are still in the process of adding new titles to our book club set collection! Due to a delay in shipping, our new items will likely be available at the beginning of October rather than September 1st. Please contact us for book club set loans as well as any other ILLs in person, by email ill.hhpl@pris.ca or call (250)783-9414.
