Deadline for nominations is April 10, 2015.

Volunteer Appreciation Nomination forms are available at the District Office, on the Hudson's Hope Website, or send in the following information via email to clerk@hudsonshope.ca.

Please put **'Volunteer Appreciation'** in the subject line or fill out form below.

1. Name of Volunteer
2. Volunteer's Contribution to the Community
3. Name of Nominee
4. Nominee's Telephone Number

SEND TO: District of Hudson's Hope, PO Box 330, Hudson's Hope, BC V0C 1V0

Leo & Ethel Rutledge Scholarship

APPLICATIONS NOW BEING RECEIVED

Every year the District of Hudson's Hope awards a \$1000 to a grade 12 graduate who is interested in pursuing a post secondary education. The District looks at applicants who:

- Will attend a full time institution within two years of the date of graduation from high school.
- Academic Achievement.
- Citizenship and Service to the Community.

Applications for this scholarship should be made in writing and should include:

- Copies of Grade 11 final marks and report card marks received thus far in Grade 12.
- A description of extra-curricular, community, or volunteer activities in which the student has participated.
- A summary of past/current employment, if any.
- A summary of goals and plans for post-secondary education.

Applications must be delivered to the municipal office by **June 1st, 2015** in a sealed envelope marked **"Scholarship Application"**.

Library

Senior's Computer Classes - please speak with a librarian to obtain more information; remaining seats are not restricted to seniors. Registration is required. All classes are held from 10 am – 12 pm.

Class Description	Group 1	Group 2	Group 3
Class 2 - Email 101 for Seniors	Complete	Complete	<i>Tuesday</i> March 31st
Class 3 - MS Word 101 for Seniors	April 13 th FULL	April 27 th	April 20 th
Class 4 - MS Excel 101 for Seniors	May 11 th FULL	May 25 th	May 4 th
Class 5 - Ancestry 101 for Seniors	June 22 nd FULL	June 29 th	Will schedule if there is interest

General Public MS Word and Excel Classes - I have obtained enough interest in attending a course on MS Excel from the general public to provide an intermediate level class. I will let you know when the class is scheduled, most likely in the summer or early fall. Please let a librarian know if you would like to be placed on the list of interested patrons for both the MS Excel and Word courses.

Library Fundraiser - We would like to extend our appreciation to all of the community members that attended our Library Dance fundraiser and for making it such a success!

Thank you to...

- Freddy at Freddy's Deli for supplying the delicious buns for the fundraiser.
- Bill Lindsay, Toby Cocks and Russell McCracken for volunteering your time to help the Board with various jobs before, during and after the dance.
- Korena McCarthy for helping to bartend our event.
- Travous Quibell for always providing such a fantastic song selection.
- The Library Board and Council Representative, your time is very much appreciated.
- Two of our Board Trustees in particular; Winona Letendre and Diana Jewan for being the lead organizers for this fundraiser. Thank you so much, you did a great job!

Library Hours:

Monday/Tuesday 12 pm – 5 pm
 Wednesday 12 pm – 7 pm
 Thursday 10 am – 5 pm
 Friday 12 pm – 6 pm
 Sunday 12 pm – 5 pm

Saturday & Statutory Holidays Closed

Museum

Thank you to all those that came out to the Hudson's Hope Historical Societies Annual General Meeting on March 12th at 7pm. A Big thank you to past board members and welcome to the new board. We are dependant on our volunteers, without which the museum would not be what it is!

Historical Minute: The Road to the Coal.

Did you know that Coal was discovered on the Peace River in 1899? A man named James Christie, announced this discovery of a large tract of semi-anthracite coal in Vancouver to a group of backers in 1903. He was hopeful that the Railway would go through that section, making the coal easy to export. Sadly the GTP (Grand trunk Railway) decided to take another route through the mountains. Due to a land Freeze in the area, no new stakes were made till 1908, at which point Neil Gething and WS Johnson left Edmonton for the Peace. They travelled with dogs on the ice, arriving in Fort St. John on Feb 6th, and they staked a number of claims. Gething Coal Co. went on to produce the coal used during building of the Alaska Highway.

2015 Memberships are due! Come in and sign up, cost for an annual membership is \$20, and that gives you 10% off in the gift shop, personal invites to events and starting this year you will also receive a Museum Newsletter twice a year! These funds go to supporting the museum programming and education programs.

The Next Historical Society meeting will be held on April 16th at St Peter's Church hall. Everyone is welcome at historical meetings. If you would like any further information, please call the museum at (250) 783-5735 or by email at hmmuseum@pris.ca.

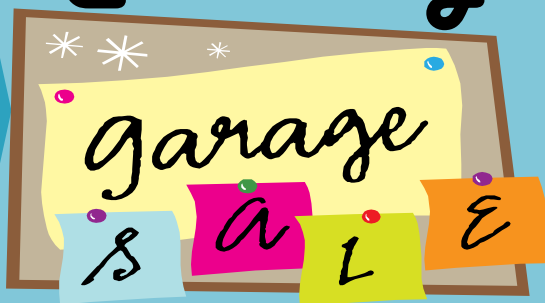

April Hours are **Monday to Friday** 9:00 - 4:30. The Museum will be closed Easter Weekend.

Come in and learn something new about the beautiful valley that you live in!

RE/MAX
Action Realty (1991) Inc.
101, 9711 - 100 Ave
Fort St. John, BC V1J 1Y2

When: Sunday, February 15 to Monday, June 15, 2015

BC Hydro is resuming a two-year project to rebuild and upgrade the Williston Reservoir boat ramp at Dunlevy, near Hudson's Hope. The upland work took place last year and the construction scheduled in 2015 will see the replacement of the ramp itself. To maintain site safety during the project, the work will require the complete closure of the boat ramp during construction. This year's construction closure is scheduled for approximately 17 weeks from Sunday, February 15 to Monday, June 15, 2015.

Once the ice is off the reservoir, the Elizabeth Creek boat ramp will be open as an alternate location during the Dunlevy closure. Elizabeth Creek is located about 800 metres past the west abutment of the WAC Bennett Dam and may be accessed by driving across the dam.

When complete, the Dunlevy facility will feature an improved boat ramp extending to a lower elevation to accommodate a wider range of water levels.

For more information, please contact BC Hydro at 250 561 4858, or bchydro.com/contact.

Insurance Corporation
of British Columbia

OFF-ROAD VEHICLES

Registration for Off-Road Vehicle (ORV) operation on Crown land and forest service roads is expected to become mandatory on June 1, 2015, including compulsory display of the ORV plate. ORVs operated solely on private property do not require registration or a number plate.

ORV registration requirements

You'll need to prove that you're the legal owner of the ORV with one or more of the following documents:

Brand new ORV

- New Vehicle Information Statement or a Certificate of Origin (for sit astride ATVs, RUMs or snowmobiles)
- Dealer Bill of sale
- Transfer/tax form (APV9T) signed by seller

Used ORV

- Full continuity of ownership
- Bill of sale(s), or Transfer/tax form (APV9T) signed by seller
- Out of province registration documents if imported from a jurisdiction outside BC
- BC Consumer Taxation Branch Gift of Vehicle Form (FIN 319 if applicable)
- New Vehicle Information Statement or a Certificate of Origin (only for snowmobiles, sit astride ATVs or RUMs acquired on or after November 17, 2014)
- Missing Signature Declaration form (MV1484) where required.

Tax rates and payment information

Unless a specific exemption applies, 12% PST tax must be paid on ORVs purchased or acquired after July 1, 2010.

Insurance requirements

If you operate an ORV on or across highways, you're required to obtain ICBC's Basic Insurance. If you operate an ORV on forest service roads, you'll need \$200,000 in third party liability insurance. This may be obtained from ICBC or other insurers.

On all other Crown land, liability insurance is voluntary but recommended.

Registration fee

The combined number plate and registration fee will be a **one-time fee of \$48**. You are only required to register your ORV once. The registration and number plate will be valid as long as the same person owns the vehicle.

You're required to register with ICBC when an ORV is transferred to a new owner and a \$28 transfer fee will apply at the time.

Please give us a call at the District Office if you have further questions or require any further information.

Protective Services

SPRING BURNING

As the weather starts to warm up many folks are beginning to plan some springtime cleanup activities including the removal of yard waste and debris. Please remember that under the Fire Protection & Life Safety Bylaw 775 which was adopted in 2010, no person shall light or start an open air fire within the District without first having obtained a burning permit from the Fire Chief or his designate. These permits are available at the District Office and can be issued for a onetime event or for an extended period of up to one year.

The only time a permit is not required is during the following situations:

- Burning refuse or garden waste only in an incinerator covered with a screen to prevent flying sparks and approved by the Fire Chief;
- The cooking of food using a portable barbeque apparatus;
- Burning on privately owned lands or in developed campgrounds where fireplaces, stoves, and/or fire pits are provided and approved by the Fire Chief.
- Burning by the Fire & Rescue Services for the purposes of training.

If you are contemplating an open burn:

- Consider your options to compost, recycle, or haul the material to the Hudson's Hope Transfer Site.
- Be a good neighbour. Burn only when it will not affect the health and welfare of the community.
- Call the BC Ministry of Environment to check the ventilation index at 1-888-281-2992. The index must be "good" for the day of the burn and "fair" or "good" for the second day of the burn.
- Check the wind conditions. If the wind is strong enough to carry sparks and embers to other combustible materials postpone your burn.

Remember that your burn must comply with the Environmental Management Act and the Open Burning Smoke Control Regulation as well as the British Columbia Wildfire Act.

Please remember these measures are in place to protect the health and safety of you and your neighbours. If you have any further questions regarding your burning activities please stop by the District Office to speak to Bob Norton the Director of Protective Services, or call 783-9901.

For more information on the Environmental Management Act and the Open Burning Smoke Control Regulation visit <http://www.bcairquality.ca/reports/agttojsc.html>

For more information on backyard burning and your obligations under the British Columbia Wildfire Act visit <http://bcwildfire.ca/Restrictions/BackyardBurning.pdfEn>

For more information on Industrial and Resource Management burning and your obligations under the British Columbia Wildfire Act visit <http://www.bcwildfire.ca/Restrictions/ResourceMgmt.pdf>

Hudson's Hope Playschool

PO Box 611, 10112 Macintosh Crescent, Hudson's Hope, BC V0C 1V0 250-783-5505

Job Posting: Summer Camp Instructor
Number of Positions: Up to 3
When: July (and maybe part of August) 2015
Hours of work: TBD – Depending on final structure of camps. Historically 3-5 year olds are in morning and 6-9 are in afternoons. So we do half-day camps. If the 10-12 age group goes ahead it could possibly be a full day camp. Discussion and planning with successful candidate will assist in structure format that works.
Wage: **\$23/hr-\$30/hr** depending on qualifications and experience.
Start Date: some prep time June 2015, camps to run July or August.
Application deadline: April 10, 2015

Job Description:

The Hudson's Hope Playschool is recruiting for up to 3 Summer Camp Instructors – one for 3-5 year olds, one for 6-9 year olds, and an instructor for 10-12 year olds. Each camp could have different instructors or the same instructor may wish to apply to instruct all three age groups.

This is an exciting and rewarding role, and is suited to individuals who have a passion for working with and leading youth in a variety of activities.

Successful applicants will have the opportunity to develop their own camp themes, or make use of previously developed ones.

Historically we run 3 weeks of camps in July or August. The timing will depend on instructor availability and forecasted enrollment needs. Once registration opens for children to register for camps we can assess with the successful candidate which camps to run and how many.

Responsibilities include all aspects associated with developing and leading age appropriate programming and activities for the students.

Job Requirements:

- ECE certificate preferred (especially for the 3-5 year old camp)
- Interest, attitude and ability to successfully work with and care for children
- Experience looking after groups of up to 8 children with diverse backgrounds
- Must be able to work in a team environment, and possess excellent written and oral communication skills.
- Applicants must also have a current first aid certificate or must be willing to obtain one.
- Must have immunizations up to date
- Windows computer skills, including with Office Suite of software
- Experience working with a volunteer Board an asset.

Note: Applicants under consideration will be required to consent to a criminal records search.

Apply with cover letter and resume (including 2 references) in confidence to:

Nicole Gilliss
Summer Camp Manager
Hudson's Hope Playschool

Local Elections Expense Limits

SPECIAL COMMITTEE ON LOCAL ELECTIONS EXPENSE LIMITS

Chair: Jackie Tegart, MIA (Fraser-Nicola)
Deputy Chair: Selina Robinson, MIA (Coquitlam-Mainland)

The Special Committee on Local Elections Expense Limits is conducting public consultations on campaign expense limit amounts for candidates for local government positions, such as mayor, councillor, school trustee, regional district electoral area director, Vancouver Park Board commissioner, or Islands Trust trustee. In addition, the Committee is examining limits for third party advertisers in local elections.

WE WANT TO HEAR FROM YOU!

British Columbians are invited to participate by attending a public hearing in person or via teleconference. Public hearings are planned in: **Surrey, Terrace, Fort St. John, Prince George, Kamloops, Cranbrook, Penticton and Vancouver.** You may also make a written submission, send an audio or video file, or complete an online survey. The deadline for submissions is **April 17, 2015.**

*Always Loved
and
Remembered*

Dianne Haagman
1949-2015

In the evening hours of Sunday, March 1, 2015, Dianne Louine Haagsman passed away suddenly at home in Fort Steel, BC at the age of 65 years. Dianne was born in Medicine Hat, Alberta to Clifford and Betty Rathwell. Dianne was a very spiritual lady and was a very generous and kind soul who loved those around her. She was always ready to serve and do whatever she could to help make somebody else's load easier. Dianne's grandchildren were the light of her life and were very dear to her heart. She loved thinking up fun activities for them to do on their visits with her. Dianne was an awesome cook, baker and she loved entertaining and cooking meals for her friends and family. She was a most gracious hostess. Her garden was always immaculate with beautiful flowers blooming. Dianne and her husband Jake enjoyed hiking the mountains, camping and she really enjoyed picking berries. She was a very talented home-maker and loved to sew and took many beautiful photographs that we will always cherish. Dianne was an avid reader and she never forgot about her quiet time and reading her bible each day. She was the rock of our family.

Dianne loved her career as a Postmaster. Her career took her to many different locations including Hudson's Hope, Elkford, and Invermere. After retirement, Dianne and Jake moved to Fort Steele where she thoroughly enjoyed her new home.

Dianne leaves to cherish her memory her beloved soulmate and love of her life, husband Jake; and her children; Cameron Churchill (Nisha), Derek Churchill, Marcy Churchill and Curtis (Danyelle) Haagsman. She also leaves behind her grandchildren; Cienna, Ashtyn, Quintin, Benjamin and Colin and one great grandchild, Azra. Dianne also leaves behind her mother, Betty Rathwell and two sisters; Wendy (Steve) Schnell and Adele Oak. Mourning her loss also are Jake's family who always thought of their sister-in-law as their sister-in-love. She also leaves many aunts, uncles, nieces, nephews and cousins who will miss her dearly. She was predeceased by her father, Clifford Rathwell.

A Memorial Service to celebrate Dianne's life was held at the Cranbrook Alliance Church, on Friday, March 6, 2015. Memorial donations may be made to the Heart and Stroke Foundation BC-Yukon. Condolences may be left for the family at www.markmemorial.com

It's time for...

THAT DAM RUN 2015

District of Hudson's Hope Council News

March is Income Tax month in my world and so it's not my favorite! I always have stacks of paper scattered around, but in March they cover every flat surface, it seems like. I won't be sorry to see the end of March – although I have to say that weather-wise, it's been a better March than most.

Light Industrial Land

Land where light industrial businesses can locate has been in short supply in Hudson's Hope for some years now. Council has been looking for a location that would be acceptable to residents and would meet the needs of businesses that wish to set up shop here. "Light Industrial" land is intended primarily to provide products and services to local businesses and resource development. A full list of permitted uses can be found in the Zoning Bylaw. Check at the District Office or go to <http://hudsonshope.ca/wp-content/uploads/2013/06/2013-07-16-Hudson-Hope-Zoning-Bylaw-Final.pdf> and scroll down to Page 39/40 for a full list of activities allowed in the Light Industrial zone.

We would like people to consider land on the north side of Highway 29, east of the YRB yard for light industrial. It has the advantage of being a reasonable distance from residential areas, is not in the Agricultural Land Reserve, and has highway frontage, which many businesses prefer. A downside is that it would require removing a strip of land about 125 meters deep from Jamieson Woods. Fortunately, if industrial lots were designated there, they would not penetrate deep enough to interfere with the "dunes," one of the main attractions of the "Woods."

The District does not own Jamieson Woods; it belongs to the Crown. The District has a "Notation of Interest" on it but for years, the Ministry of Transportation had a superior

claim. They had a gravel reserve on a block of land within what is now the Jamieson Woods and that would have allowed the development of a gravel pit back there at any time. After many attempts, the District has now managed to persuade the Ministry to relinquish their gravel claim. That means no gravel pit in "the dunes," and gives Hudson's Hope a more secure tenure for Jamieson Woods.

Light industrial lots are typically one hectare in size, usually 80 meters wide and 125 meters deep. The idea would be to develop the lots as needed, starting at the west end, adjacent to YRB. If it were fully developed, about 18 one-hectare lots would be possible.

There is a need for some light industrial land in Hudson's Hope. In the past, businesses have decided not to locate here because they could find no suitable property. The community has suffered as a result. After considering several alternatives, the land along the highway is the one that seems to make the most sense. Mitigation for Jamieson Woods would have to be worked on, perhaps in the form of a more secure tenure that would allow improvements such as signage, benches or other consideration. Hopefully things can be worked out in a way that would benefit everyone.

If you would like more details, please contact Tom Matus, CAO, myself, or any member of Council.

Mayor Gwen Johansson

Police Report: March 2015

Over the last month, Hudson's Hope RCMP Detachment responded to approximately 30 calls for service. Overall a quiet month with just a few incidents of note:

- Check stops have continued over the last month which resulted in two drivers providing breath samples over the legal limit, their vehicles were impounded for 30 days, and they were served a 90 day driving prohibition.
- One driver was charged with prohibited driving and his vehicle was also impounded.
- Two local residents were arrested and released on outstanding warrants under the Fisheries Act.
- Miscellaneous other files included a single vehicle collision, report of poaching, multiple driving complaints, two fraud complaints, and a threats file.
- RCMP have received a report of people using the airport runway for parties. This is trespassing and causing damage to the runway. Patrols will be made and please stay off the runway!
- On March 4th a large industrial propane tank was turned into the Hudson's Hope detachment. If anyone has any information on whom this may belong to please contact the HH office.

The DARE program is continuing with grade 5/6 students and weekly Dodgeball with the elementary students.

Cst. Mark Richardson, Hudson's Hope RCMP

Mischief and theft prevention notice

As spring and more specifically "spring break" from school approaches and the weather starts to invite more people to enjoy outdoor activities, the Hudson's Hope RCMP would like to recommend the following measures to help prevent theft and mischief of property:

1. Remove items from your yard or sight of a window that may entice would be burglars to remove it for you. Out of sight out of mind. This is even more important if you are away from your residence for an extended period (AKA! Spring Vacation)
2. Make sure outbuildings and storage bins/area are locked up tight. Keep items within the fenced area of your yard if sheds unavailable.
3. Alarms are recommended but if not possible make a trusted neighbours or friend(s) aware that you are away and have them check on your residence/ property while you are absent. If possible a house sitter is even better. Duties may include keeping the grass trimmed and collecting papers and mail off the porch so as to appear lived in.
4. Dogs can be a great alarm system as well as a visual and audio deterrent.
5. Lock your doors and windows. This is especially valid at night when you are asleep. Other than the tooth fairy, it is a very unpleasant thought to wake up in the morning realizing that someone has been in your bedroom while you were asleep. Remem-

- ber, your family is your most valuable possession.
6. To help secure points of entrance and make your residence less appealing to enter the following measures can be used:
- Clean away shrubs and trees that block view from your windows and doors. Thieves are less likely to break into a window or a door where they may be readily observed.
 - Place wooden blocks in tracks of sliding windows;
 - Place screws in the upper tracks to prevent the window from being lifted out;
 - Install locks in the bottom of the sliding doors
 - Install screws in the upper window track to prevent the windows from being lifted out.
 - Install dead bolt locks. Use lengthy screws in the strike plates.
 - If your TV is visible to the road, leave it on. Thieves may notice this and drive on.
 - Have different lights on timers to change it up and appear someone is present
8. Hide valuables such as expensive jewellery in unlikely places. Be creative. Remember the more difficult it is to gain access to your property or break into your home the more likely it will be left alone. Take care and enjoy a safe vacation if you are headed out for spring break.

Hudson's Hope Playschool

PO Box 611, 10112 Macintosh Crescent, Hudson's Hope, BC V0C 1V0 250-783-5505

Job Posting: Lead Instructor / Facility Manager
Hours of work: Typically 8:00-5:00pm, 2-5 days/week*
Wage: Negotiable, Commensurate with experience
Start Date: August 31, 2015 Preferred

* Days and hours of Operation currently under review for the 2015/2016 school year

Application deadline: Sunday, April 12, 2015

Job Description:

The Hudson's Hope Playschool is recruiting for a Lead Instructor / Facility Manager. This is an exciting and challenging role, ideally suited to a practicing ECE looking to take their career to the next level.

The playschool is a licensed childcare facility that presently operates between 2 and 5 days/week, and is open for up to 8 students from 8:30am-4:30pm.

Responsibilities include developing and leading age appropriate programming and activities for the students, leadership with the other staff and volunteers, along with managing daily operations and delivery of child care services.

Job Requirements:

- ECE certificate preferred, or demonstrated willingness to obtain
- Interest, attitude and ability to successfully work with and care for children
- Experience looking after groups of up to 8 children with diverse backgrounds
- Must be able to work in a team environment, and possess excellent written and oral communication skills.
- Applicants must also have a current first aid certificate with a childcare endorsement or must be willing to obtain one.
- Must have immunizations up to date
- Computer skills, including with the Office Suite of software
- Experience working with a volunteer Board an asset.

Note: Applicants under consideration will be required to consent, and pass a criminal record check.

Apply with cover letter and resume (including 2 references) in confidence to:

School District 60 wants you to know ...
 You are your child's first teacher. You can help your child grow strong roots for learning both in and out of school.

Independence means ...

- *having* a voice and making choices
- *providing* opportunities for eating or dressing without help
- *encouraging* putting away toys or clothes, helping set or clear the table

Why? When children are verbally capable of expressing many thoughts, feelings and needs, they are ready to take bigger steps toward independence. Encouraging children to "do it themselves" helps develop a healthy self-esteem. When children can do things on their own it gives them opportunities to help or teach other children. A child who is independent will feel confident, especially when you are not there.

Feature Listings

9516 CANYON DR \$399,900.00

Are you tired of the hassle and bussle of everyday living? Are you looking for a great business opportunity that eliminates any commute? Check out this fantastic business opportunity in Hudson's Hope, with a commercial kitchen, coolers, walk-in freezer, a full liquor license for the restaurant & outside patio. The best location in the area, right along the main street on Canyon Drive, located beside a brand new hotel without kitchen/restaurant services!

4260 BERYL PRAIRIE \$89,900.00

Check out this modest 2 bdrm home with a small den & wood stove for heat. Super cute property right on the Beryl Prairie Road just outside of Hudson's Hope with pavement all the way! Beautiful views through the backyard, as this land is owned, but more than likely will never be developed due to the ravine & neighbouring onto Crown Land. Sitting on 2 acres but you feel like the land is much larger with the untouched background. A detached workshop, and other outbuildings add storage, with a huge turn around driveway that allows you to pull right through .Own your own property for less than the price of bare land!

21024 TOMPKINS ROAD \$225,000.00

Completely renovated log home on just under 5 acres in the popular Beryl Prairie Sub-division. Mature trees, fenced, cross fenced & a creek running through. An oversized culvert & driveway to allow for large truck/trailers & equipment. This gorgeous home is practically brand new throughout, all new paint, trim, fixtures, a brand new kitchen with modern cabinets & soft close drawers with loads of storage and plenty of counter space! A new tub, tile surround, low flush toilet & vanity in the bathroom. The metal roof was put on last year, so this home is turn-key & move in ready for anyone serious about home ownership in beautiful Hudson's Hope. Home is heated with either forced air gas or wood furnace.

Hudson's Hope Elementary-Secondary School

Home of the HAWKS: Helpful, Appreciative, Willing, Kind and Supportive

A big congratulations to Brandon Clark and Brandon Howard. Their Midget Team won the Tier 4 Provincial Tournament! Provincial Champions! What a terrific accomplishment for two students who have been so dedicated to hockey!

Our **School Science Fair** was a huge success. The judges were very impressed with the quality of the projects. I received many positive comments from judges, parents, and observers that were very complimentary. All of our students are strong presenters. Congratulations to the following students who will be representing our school at the Regional Science Fair in Dawson Creek on April 16th: Henry Kehl, Wren Naisby, Sydne Douglas, Charlie Kehl (partner-Carson Gunder-son), Ginger Lucas Jarnagin (partner-Keelin Kortzman), and Cadyn Moraice-Budalich.

Also a big thank you to our volunteer judges: Bill Lindsay, Gwen Johansson, Mike Nichols, Guy Armitage, Tim Viers, Val Paice, Emily Wang, Cynthia Manurung, Tim Wengel, Grant Bernier, Cassandra McCormick, Cody Norris, James MacDonald, and Dave Heiberg.

Code of Conduct Day: Our school runs two of Code of Conduct Days each year. The purpose is to demonstrate and practice what it looks like to be good "H.A.W.K.S." in various settings around the school. For our most recent session, we had our grade 9 Leadership students work with the grade 6's to design and practice each station (such as playground, sportsmanship, bus, assemblies, etc.). Our young leaders did a fantastic job of taking on this task. Thank you for helping teach our students how to be great H.A.W.K.S. - Helpful, Appreciative, Willing, Kind, Supportive.

Bridge Building: Wow our little school is really working some magic at building strong popsicle stick bridges! This year 5 of the top 10 placements in the building competition in FSJ were Hudson's Hoppers. Here are the results:

Intermediate Category:

Isabella Gamboa, 3rd place, 186 lbs, Lucas Beam, 4th place, 182 lbs, Charlie Kehl, 5th place, 178 lbs, Annika Quibell, 6th place, 138 lbs, Cole Norton, 8th place, 113 lbs

Senior Category:

Darcy Haagsman, 10th place, 130 lbs

Open Category:

Brynn Beswick, 1st place, 437 lbs (The testing machine "maxed out and couldn't break it).

A big thank you to Mrs. Baytaluke for putting so much effort into this project. Our students had a lot of fun building their bridges!

On March 1st we ran our last "**Cruisin' Day**" to Powder King for the school year. Numerous students and families had a great day at the hill. A big thank you to the numerous supporters of this program in our community, particularly the Lion's Club.

Congratulations to our Secondary Students who earned a trip to Powder King as recognition for earning "Work Ethics Honour Roll Awards" for Semester One, Term Two reports cards. The students enjoyed a great day at the ski-hill!

Our school celebrated "**Pink Shirt Day**" in fine fashion on February 25th. Students and staff wore pink to show our support for being caring and accepting of others, and to stand up against bullying.

Our **Outdoor Recreation Course** is off to a great start. In this course students learn a variety of outdoor survival skills, receive canoe training & certification, rappelling & climbing skills, and much more.

SPECIAL EVENTS REVIEW MARCH

St. Patrick's Pot 'o Gold Search:

How well do you think you know your town? There were a number of folks who came out to the St. Patrick's search to find out. You may have seen them, running around town looking for clues and taking selfies. It was such a beautiful day for a scavenger hunt. Congratulations to the winners who generously donated their winnings to a great cause.

The magic continued with the U-7 age group seeking clues as well, and then took advantage of some fun games and craft creations. All U-7 participants received prizes. And all enjoyed free treats. A special thanks to all those who gave permission for property use, and especially the Hudson's Hope Public Library for their involvement. Thanks to the District of Hudson's Hope, United Way, Success by Six, and Children's first for their support.

And to all: "For each petal on the shamrock this brings a wish your way. Good health, good luck, and happiness for today and every day."

Hudson's Hope Figure Skating Club Year in Review

In February, we sent 8 of our Star Skaters to the Totem Competition in Dawson Creek. Our skaters, like always, represented our club and our community proudly. Jade Rowe received a Silver medal in her interpretive performance and a Gold placing in her free skate. Wren Naisby, Dylan Beswick, Jenna Roberts, Leneya Vig all received Silver placings. Brenna Rice, Brooklyn Howard and Naomi Zwygart received Bronze placings. We are so excited to have our skaters venturing out to compete!

Our club also sent skaters to complete testing in Fort St. John. Almost all our skaters passed their tests and we are proud to have them progressing to higher levels of skating!

We have been a busy club this year with over 60 skaters this year, including our first year with our toddler program! We just finished up our season with our "Family Games Night" ice show on March 8th! We are very proud of all our skaters that performed so well that night! Thank you for coming and showing your support to our club. We would like to thank all our sponsors who helped make our show a success: Nicole Gilliss Re/Max, Enchanted Esthetics, Sportsman's Inn, On the Rim, Northern Hi-Lites, Sugarplums, NPSCU, HH Museum, Pro Hardware, Legacy Market, BC Hydro Lifestyles, BC Hydro Social Club, Beryl Prairie Fire Hall, W6 Ranch Ltd., Butler Ridge Energy Services, R & G Industrial Supplies, HH Concession, Marcy Enterprises, Quizno's, Save On Foods, Homesteader Health, 8 Seconds, West Moberly First Nations, Kristy Kares, District of Hudson's Hope, Hudson's Hope Fire Hall, Jetsue Ventures Ltd., Sweet Legs, and Ernie's Sports Experts!

As our season comes to a close, we are happy with the progress every one of our skaters have made this year. We hope to see everyone in the fall when our program starts again!

Hudson's Hope Ski Assoc. News

The 2014-15 season was another success for the Hudson's Hope Ski Assoc. other than our mid-winter breakdown. Thanks to our many sponsors and volunteers we repaired the damage and all is well. Our new run was welcomed by all and we hope to increase our ski area again this summer. We also hope to enhance our x-country/snowshoe trails for next season. We had one school class from Moberly visit this winter, so we must try to promote our facility better with other schools as our hill is an affordable option for day trips or parties as we can open for groups of 10 persons plus.

Our runs are still in good shape so if we get some cool weather and snow we may get more skiing in yet. Watch our Facebook page for weekly updates.

Although winter is almost over our work is not, as we must get prepared for the fishing derby which is our main summer fundraiser. It takes a lot of work to organize so if anyone wants to get involved all help would be greatly appreciated. We are always looking for people as even in summer we are busy trimming trails, exploring new ones and getting ready for next season.

Thank you to all the people who made this year a success.
Darryl Johnson

**HUDSON'S
HOPE**
PLAYGROUND OF THE PEACE

**DISTRICT OF HUDSON'S HOPE
EMPLOYMENT OPPORTUNITY: GENERAL TRADES
LEVEL 1-3 Depending on Experience**

One (1) Position Available. The District of Hudson's Hope is accepting applications for employment as General Trades for the Hudson's Hope Public Works.

Internal posting pursuant to Article 12.1 of the Collective Agreement

The District of Hudson's Hope invites applications from qualified persons for the full-time position of General Trades (LEVEL 1-3 to be determined based on qualifications)

The successful candidate will have equipment operator experience, preferably with a grader.

You will also be required to operate a variety of equipment and perform many assignments related to water supply, sewage disposal, storm drainage, roadway maintenance and construction, recreation facilities and municipal services. The work also involves the safe operation, routine inspection and maintenance of equipment and vehicles used on the job.

Preference will be given to those applicants with airbrake endorsement, a valid Water Distribution Level 1 Certificate and a valid Wastewater Collection Level 1 Certificate. Shift work, including weekends, may be required.

A refrigeration ticket would be an asset.

Rate of Pay: \$29.56 to \$30.89/hour.
as of January 1, 2015 rates, BCGEU Collective Agreement

Applications with a detailed resume of work experience, education and qualifications may be mailed, emailed, faxed or dropped off at the District Office and will be accepted until **Friday, April 3, 2015 at 12:00 (noon)**
(please include copies of certificates).

If any clarification is required, please contact the undersigned.

MONTHLY FIELD STUDIES SUMMARY

April 2015

BC Hydro is continuing to conduct environmental and engineering field studies on and around the Peace River between the Williston Reservoir and the Alberta border to inform detailed mitigation and monitoring planning. In December 2014, the Site C project received approval from the provincial government to proceed to construction. Construction of the project is planned to start in summer 2015.

This notice provides a list of field work planned for April 2015. Helicopters may be required for some of the work listed below. BC Hydro will obtain permits, and complete environmental management plans and archaeological assessments as required.

Current and previous field study activities are available at www.sitecproject.com/news-and-information/field-study-notice and in the Community Consultation offices in Fort St. John and in the Pearkes Centre in Hudson's Hope.

Regular and ongoing BC Hydro work may also be taking place on the Peace River and tributaries related to BC Hydro's Peace River water licence requirements or other operations work.

Environment Studies: Low Level Aircraft Flight Collecting LiDAR Data, Avian Study Program, Jackfish Lake Moose and Elk Monitoring Program, Climate and Air Quality Monitoring, Fish and Fish Habitat Site Inspections, Peace River Turbidity and Suspended Sediment Monitoring

Engineering Investigations: Instrumentation Monitoring, Distribution Line Site Inspections, Geotechnical Investigations and Soil Resistivity Testing Along Transmission Right of Way, Dam Site Investigations
