Two can skate for the price of one

February at the Museum

Thank you to all the wonderful visitors that came into the museum to participate in the Museum's Winter Carnival Quiz! What a wonderful week of adventures! Hudson's Hoper's have been enjoying the snow and winter for a long time; skating on the river, playing hockey on the ice, ice fishing and snowshoeing!

1. Ice Skating on the Peace River

The Hudson's Hope Historical Society is actively looking for New Board Members! If you are interested in preserving and learning about the history of Hudson's Hope, this might be for you! If you would like more information on how the society is run and the work that is involved please contact Elinor Morrissey at the Museum. The 2016 AGM will be held on March 17.

2. Touile, Marion, Bina, Jean and Clarisse out for a Snowshoeing, 1943

The Next Historical Society meeting will be held on February 18, 2015, at 7pm in St Peter's Church Hall. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or email hmmuseum@pris.ca

February hours are Monday to Friday 9:00am - 4:30pm.

Come in and learn something new about the beautiful valley that you live in! Don't forget to check out our Gething Exhibit.

Elinor Morrissey – Museum Curator

Library

The library will be closed on Sunday, February 7th and Monday, February 8th for Family day.

The Hudson's Hope Public Library Association will be hosting our Annual General Meeting on Monday February 15th at 7:00 pm. Public is welcome.

Library Programs Survey – Come on in and fill out the Library Program Surveys and you can enter your name in to win a book of your choosing from our promotions shelf and a “Get Out of Jail Free” card! Survey closes on February 14th.

Children's Book Bingo Our Book Bingo for children and youth aged 6 years and up began on Wednesday, January 27th and continues until the end of the month (February 29th). Need more details: phone or come in to the Library, or find more information on our Facebook page or Website.

New Volunteer! We are so pleased to welcome Naomi Zwygart to HHPL! She is so enthusiastic about volunteering for the Library and is always so excited to help out where she can! New Volunteers are always welcome at the library. You just need to fill out a volunteer form and then we can get you volunteering! See the Library Director for more details.

Item Donations:

Sharon Jackson – 2 DVDs, 1 audiobook, 1 adult paperback and a huge bin of Children's books!

Al Edgar – 61 Non-Fiction books!

Bill Lindsay – The Crossing by Michael Connelly in Hardcover!

Julie Biever – Invisible by James Patterson in Paperback!

Naomi Zwygart – The Last Present by Wendy Mass in Junior Paperback!

Juanita Poirier – Girl on the Train by Paula Hawkins in Trade Paperback!

Heather Middleton – 10 assorted Blu-ray and DVDs!

Kelly Miller – Candy canes for the children's program!

Samantha McDonald – craft supplies to the Children and Youth programs!

Fall Fair Board – Hot Chocolate for the Children and Youth Programs!

Franzi Zwygart – for sharing the amazing Book Bingo idea with us last summer!

Greta Goddard (on behalf of Families First, United Way and Success by Six) – the new floor pillows for the Children's Library!

Thank you so much to our amazing patrons for your kind item donations this month.

For more information about Library services please come in and speak to us. You may also contact us via telephone at 250-783-9414 or through our email addresses below.

HUDSON'S HOPE PUBLIC LIBRARY

Annual General Meeting

9905 Dudley Drive

Monday February 15, 2016

7:00 pm in the Library

Nominations will be accepted for at least four library trustee positions. These Trustees will be voted in by attending members of the public. Nominations for the Board executive will be conducted by the Board in the regular Board meeting immediately following the AGM. Coffee and refreshments will be provided.

For more information about the library trustee role, please do not hesitate to contact the Library Director or one of the current Library Board Trustees.

YOUR LIBRARY

LIBRARY FUNDING

In 2015, 10% of the library's operating budget was provided by the province, the District of Hudson's Hope provided 89%.

BOARD ROLE

Public attendees at a Library Board meeting can provide input that helps direct association spending decisions as well as facility policies. As a Board Trustee your input is counted as a vote towards the final decision.

REGULAR MEETINGS

Date: immediately following
AGM & the 3rd Monday of every
month

Location: 9905 Dudley Drive

CURRENT BOARD MEMBERS

Mike Nichols* – Chair*

Bud Ferguson*

Diana Jewan*

Samantha MacDonald

Margie Viers*

**trustee & executive positions up for reelection*

Library Board Employee

Amber Norton – Library Director

Library Employees

Nancy Smith – Interlibrary Loans
& Bookkeeping

Toby Cocks – Children's Programs

Caleb Johnson – Custodian

RJ Mather - Courier

Announcements

THANK YOU HUDSON'S HOPE

The children (Brandon, Allison) and I would like express our gratitude for all the help and kindness that the community has given us since the loss of our father and husband, Martin Theriault. The generosity of the people here is amazing, the memories of your kindness will be with us for always. We will remember forever that Martin realized his dream of having his own business trucking and being at home every night with us, his family, here in Hudson's Hope.

Thank you from the bottom of our hearts.

Linda Lefebvre, Brandon and Allison Theriault.

Make & Take Night

Date: Tuesday,
February 16th

Time: 4:30 - 6:30pm

Where: HH School - Library

Theme: Oceans

School District 60 wants you to know...

You are your child's first teacher. You can help your child grow strong roots for learning both in and out of school.

February's Tip - Playing Games

- play a variety of games - cards, board games, hopscotch, hide & seek, soccer or hockey
- take turns, following rules and instructions
- experience both winning and losing
- learn how to take care of materials

Why? While playing games children learn to concentrate, reason, negotiate, problem-solve and get along with others. Playing games help children develop their small and large motor skills. Learning to take turns, follow rules, take risks, and experience winning and losing makes your child more resilient to disappointments and frustrations.

Feature Listings

9001 JAMIESON AVENUE \$349,900

Gorgeous newer home that has all of the expensive work completed, it just needs a few finishing touches to make it a home! Huge rooms with large windows and vaulted ceilings throughout. Quad-lock concrete, walk-out basement with a 50-yr rubber tile roof adds to the longevity of this stunning home. Detached workshop has 2 parking stalls in the carport, and one oversized single garage/workshop all with concrete floors and fully wired.

10122 MACDOUGALL ST \$119,000

More affordable than paying rent! This well maintained home has been well cared for with 3 bedrooms that could be 4. The beautifully landscaped yard has many mature trees for added privacy and shade. Fully fenced yard with a large deck is great for kids, pets & outside enjoyment. A detached workshop with power can be used for added storage, The commercial torch-on roof was installed approx. 7 years ago, along with additional insulation - it's a 50-year roof!

Sock It to Winter!

I write this having just returned from the official opening of the Hudson's Hope 2016 Winter Carnival. What a beautiful day to take in winter: beautiful blue sky, sunshine so bright it was blinding, hoarfrost clinging to tree branches, and brilliant white snow crunching underfoot. Temperatures were just low enough to nip the nose and make rosy cheeks. We couldn't have asked for a better day to kick off the annual Hudson's Hope Winter Carnival. "**Sock it to Winter!**" runs a full 8 days, winding up on Sunday, January 31st.

Events got off to a great start with the Ice Sculpting & Snow Fest, which attracted a good crowd of participants and onlookers. If you weren't able to watch the sculpting, do take a few minutes to stroll through Beattie Park and see the finished products. There are some great sculptures on display!

Finally, browse through the "**Sock It to Winter!**" program to check out the week's many activities. There's something there for everyone. So make sure to have some winter fun!

Williston Dinosaur Trackway

As you may know, a large-scale dinosaur track site has been discovered near Williston Reservoir. Protection and research are being undertaken by Rich McCrae and Lisa Buckley, two paleontologists based in Tumbler Ridge. They have managed to raise \$202,600 towards this project. That budget will allow for a large-scale 6-8 week research effort to be undertaken by a number of volunteers and several invited international paleontologists who specialize in finds such as this.

Site Unveiling Event - Saturday, July 9

July 9 has tentatively been set as the date for a site unveiling ceremony where academics, dignitaries and locals can mingle and learn both some ancient history of the site, as well as some potential for future development.

In addition to the researchers, the heads of the Dalglish Family Foundation, which contributed \$200,000 to the project, plan to be in attendance.

Rich McCrae, says the first step of the research will be to expose as large an area of the track surface as possible – probably about 1000 square meters. Then they will conduct high-resolution 3D-imaging of the tracks and trackways, construct a square meter grid over the surface to create a 2-D track site map, measure all tracks and trackways, and make silicone and latex molds of the most important tracks. Those will be curated at the Peace Region Paleontology Research Centre (PRPRC). They will also record activities by video, including drone footage of the research, all of which will be used to promote fund-raising efforts to construct a building over a portion of the track surface. The purpose of the building would be to both protect the trackway and establish a new major paleontological tourism attraction in this area.

Tumbler Ridge, in recognition of its dinosaur museum displays and other attractions, has been recognized as a UNESCO Global Geopark. Just across the BC/Alberta border, at Wembley, is the recently opened Philip J Currie Museum. Nearby is the largest horned

dinosaur bone-bed in the world – the home of Pachyrhinosaurus Lakustai. Rich McCrae assures us that the Williston Trackway is of very high quality and of international significance. A building to showcase the site would make it the third link in a "Northern Dinosaur Trail" that could increase tourism in the Peace region.

Interested in Getting Involved?

Rich McCrae is looking for local volunteers who could help with logistics and materials for the research program this year:

- Information about the condition of Johnson Creek Road. Is it drivable and open to the public between now and the spring?
- Trailers (eg. a couple of Atco trailers) for use as a camp kitchen, dining area, showers and accommodations for visiting researchers.
- Concrete dividers – in order to protect the site during and after the research this summer, he is thinking of placing the dividers around the perimeter of the site. He would need about 200 meters worth, and they would need to stay in place until the building is constructed. So it would be a temporary, but long-term loan.
- Volunteer cooks for the camp for the week or two that the international researchers (probably about 10 from China and the US) are on-site.
- In-kind support which could include fuel for generators and vehicles and a potable water supply.

If you can provide any of the above, or have ideas of where they might be obtained, please call the District Office, 783-9901, to let staff know, and we will forward the information.

Or contact Rich McCrae directly:
250-242-4051 or rtmccrea@prprc.com

Meanwhile, bone up on your dinosaurs, and keep July 9th in mind!

And Happy Valentines Day!

Mayor Gwen Johansson

Pleased to serve Hudson's Hope and the surrounding community!

Police Report: February 2016

From December 15th, 2015 to January 20th, 2016, Hudson's Hope RCMP Detachment responded to approximately 20 calls for service. Some incidents of note during that time are as follows:

On December 22nd, 2015, Hudson's Hope RCMP were advised by a local citizen that they had received calls from an unknown male stating he was calling from the Canada Revenue Agency and that she owed money. The male stated police would arrest her if she did not pay. This is a common scam used by fraudsters often. Should you receive a call such as this please notify the RCMP immediately and never divulge personal information or send money to anyone soliciting over the phone. Visit the Canadian Anti-Fraud Centre web page for information about common scams and information on how to protect yourself from fraudsters.

Over the last few weeks, Hudson's Hope RCMP conducted random Check Stops on local roadways in an effort to combat impaired driving and enforce motor vehicle act compliance.

During this time, Hudson's Hope RCMP responded to two motor vehicle collisions. Driver error, road conditions, and speed relative to conditions continue to be factors in collisions the police are responding to. Motorists should drive at a safe speed for the conditions and remember that the posted speed limit is for ideal conditions.

On January 10th, 2016, the Hudson's Hope RCMP were made aware of a suspicious incident on two properties in the Beryl Prairie area. Unknown persons appeared to have left footprints in the snow as they walked onto the two properties. The footprints approached parked vehicles and outbuildings. The RCMP would like to remind citizens to protect their property with lighting and by locking their vehicle and residence doors. Should you observe any suspicious persons in your area or on your property, attempt to safely obtain descriptions of persons and plate numbers of vehicles, and contact the RCMP immediately.

The Hudson's Hope RCMP is currently investigating two serious domestic assaults causing injuries. The accused offenders in both files are facing several Criminal Code charges.

The Hudson's Hope RCMP requests anyone having information regarding current or past investigations, or any criminal activity, to contact the Hudson's Hope RCMP directly, or anonymously through Crime Stoppers at 1-800-222-8477.

January is Crime Stoppers Month.

The Crime Stoppers program guarantees the anonymity of the tipster. Crime Stoppers does not subscribe to call display, will not record your call and you are not required to testify in court. If your information leads to an arrest, you could qualify for a cash reward of up to \$2000.

YOUR tips do make a difference in helping solve crime and keeping our community safe!

Cst. Bill McKenna, Hudson's Hope RCMP

DEVELOPMENT OF AN INTEGRATED PEST MANAGEMENT PLAN

Reference #106-271-16/21

Progress Energy Canada Ltd (Progress) is revising their current Integrated Pest Management Plan (IPMP) under British Columbia's *Integrated Pest Management Act* and associated regulations. Under these regulations this plan is required to be revised every five years.

The purpose of this revision is to ensure safe and effective vegetation and invasive weed control by utilizing the most current integrated pest management techniques along Progress Energy pipeline rights-of-way, associated facilities, lease sites and related infrastructure. This IPMP will cover various vegetation control activities near communities such as Fort St. John, Fort Nelson, Dawson Creek, Taylor, Buick, and other small communities within the Northern Rockies Regional Municipality and Peace River Regional District.

Under this newly developed integrated pest management plan, the following selective methods are proposed and may be used alone or in combination, depending on particular local circumstances:

- Non-herbicide Integrated vegetation control measures that may include mechanical, manual, cultural, prevention and biological.
- Herbicide control methods may include ATV mounted nozzles, selective backpack and handgun sprayers. All herbicides will be applied by licensed applicators.
- Trade names of herbicides that are included as part of this integrated pest management plan: Vantage XRT, Vantage Plus Max, Roundup, Vision Max, Sightline, Clearview, Milestone, Navius VM, Escort, Tordon 22K, Tordon 101, Vanquish, Overdrive, Banvel VM, 2,4-D Amine, MCPA Amine 500, Truvist, Esplanade SC, Transline, Lontrel 360, Telar XP and Startup.
- Active ingredients in these products are: Aminopyralid, metsulfuron-methyl, Diflunfezopyr, MCPA, Picloram, 2,4-D, Chlorsulfuron, Dicamba, Aminocyclopyrachlor, Indaziflam, Clopyralid, Glyphosate.

The proposed effective date for this Progress Energy IPMP is May 31st, 2016 to May 30th, 2021.

The IPMP document or maps will be available and may be viewed by contacting the appropriate office and contact person below:

HUDSON'S HOPE CLUBS AND ORGANIZATIONS

FINANCIAL ASSISTANCE GRANTS

Council is now accepting applications from non-profit clubs and organizations requesting funding assistance in 2016:

The deadline for applications is February 15, 2016.

The District of Hudson's Hope recognizes that valued contributions are being provided through volunteer efforts of the community organizations and agencies on behalf of the citizens. The Financial Assistance Grant demonstrates Council's commitment to working with groups which provide these beneficial programs, services or projects to the community while at the same time recognizing the financial constraints of the District.

1. The Primary Purpose of a financial assistance grant is to provide assistance to an organization for a specific capital project or local event that benefits the residents of the District of Hudson's Hope;
2. Providing assistance includes the donation of time, facilities and District inventory (tents, tables, chairs, etc.);
3. Grants will not be provided for travel expenses;
4. The applicant organization must be registered as, or belong to a parent Society under the laws of British Columbia and/or Canada, and;
5. Upon completion of project the applicant must submit a final report to the District outlining how funds were expended.

For full application details please visit our website at:
<http://hudsonshope.ca/residents/clubs-services/>

If you have not submitted a report for your 2015 grant your 2016 grant application will be DENIED.

Applications should contain all assistance requests for the year, including waivers for municipal tent rental and other donation requests such as complimentary recreation admission requests.

Forms may be picked up at the District Office.

Should you have any questions, please contact the District Office at 250-783-9901.

Thank you.

Protective Services

Automated External Defibrillators

What are They?

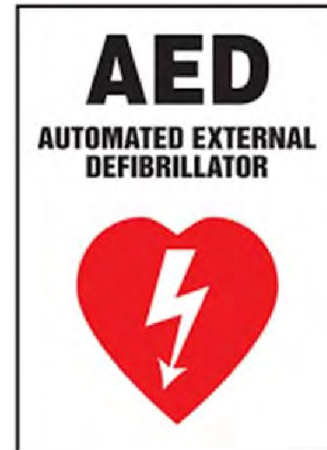

An automated external defibrillator (AED) is a small, portable device used to identify cardiac rhythms and deliver a shock to correct abnormal electrical activity in the heart. AEDs are used to treat sudden cardiac arrest (SCA).

Up to 40,000 cardiac arrests occur each year in Canada. That's one cardiac arrest every 12 minutes.

Eighty-five per cent of cardiac arrests in Canada happen outside of hospitals, and having an AED close by can make all the difference. The American Heart Association warns that for every minute lost before defibrillation, the survival rate decreases by seven to 10 per cent. After 12 minutes, the survival rate plummets to less than five per cent.

When CPR and an AED are both used within five minutes of a cardiac arrest, the chance of survival rises by nearly 75 per cent, according to research published in the Journal of the American College of Cardiology.

Where are They?

Quick access to an AED can greatly improve a patient's survivability rate, and knowing where AEDs are located within your community can help facilitate this. Fortunately there are a number of AEDs located within the District of Hudson's Hope. Emergency responders including police, fire and BC Ambulance all have devices on their apparatus and vehicles. There are also AEDs located at the pool in the summer and at the arena in the winter, and staff at these locations have training in their use. Hudson's Hope School has an AED in the staff room and has staff trained in its use. Other places that might be less obvious are the library where an AED is on site, and staff and board members have received training in AED and CPR, and the Silver Willows facility where they also have an AED available.

Where can I Learn More?

To learn more about AED use you can contact your local first aid course provider to enroll in a CPR/AED training course and we invite you to take a few minutes to watch a short video on the District's Emergency Services web page @ <http://hudsonshope.ca/residents/emergency-services/>

ANNUAL COMMUNITY WATER SYSTEMS REPORT FOR HUDSON'S HOPE

The District of Hudson's Hope water system currently supplies potable drinking water to approximately 900 residents or 276 residential connections, 23 commercial connections, a commercial water stand, and a residential water stand. Prior to being distributed to town services from the open surface water source of the Peace River, all water is treated in the Water Treatment Plant. The Water Treatment Plant currently treats about 313,052 m³ of water a year. The demand on the treatment system is at its lowest during the winter months, treating approximately 700 cubic meters a day, and at its highest during the summer months, treating approximately 1400 cubic meters a day.

The water treatment process involves raw river water being pumped up to Water Treatment Plant, through a series of media filtration tanks. The media consists of different sized media in layers. This media separates turbidity in the water that pathogens can attach themselves to. There are four coarse filters and four fine filters paired with ultra violet light and sodium hypochlorite injection to support the process in successfully destroying all pathogens that may have initially entered the water supply.

The water plant facility (as certified by the provincial regulatory body of the Environmental Operations Control Program (EOCP) is operated by two qualified full time employees who also serve in other areas of Public Works Operations.

Constant computer and "hands on" monitoring of the plant is achieved through a series of sensors and monitors that assist operators in assuring town and business residents the best water quality possible.

The District of Hudson's Hope is required by the Northern Health Authority to obtain water samples from different locations and remit the collected samples to a certified laboratory for bacteriological testing twice a month.

To date all monthly bacteriological analysis samples have been returned as having a satisfactory quality rating. An annual Total Potability Test from designated locations, determined by the Northern Health Authority are sent to an accredited laboratory for comprehensive testing to assure all water users that a higher than acceptable value is maintained.

On an annual basis, the Public Works Department flushes all water distribution lines that supply town residents. This is done as a proactive measure to ensure all residents are supplied with water of a satisfactory quality.

The Beryl Prairie well is separate from the town system. The BP well is treated with sodium hypochlorite. This well is monitored by District employees. It is also part of the water sampling and analysis procedures.

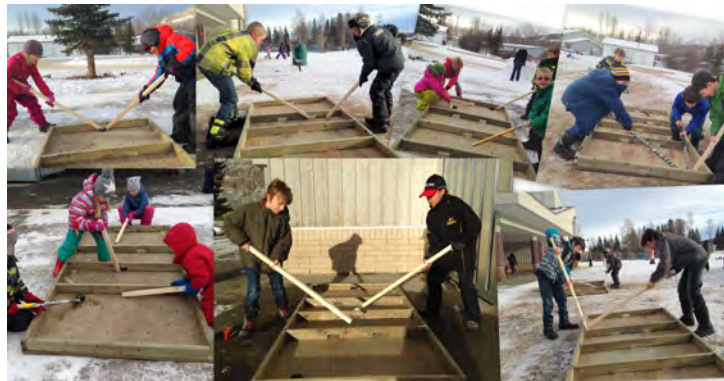

If you would like more information on Biological Testing or Annual Potability Testing please contact Layton Bressers at the District Office at 250-783-9901 weekdays between 9:00 am and 4:00 pm. You may also access the drinking water results at <http://healthspace.ca/nha>, click on Water Sample Results, select Hudson's Hope, click on Hudson's Hope CWS.

Layton Bressers, Foreman of Public Works

Hudson's Hope Elementary-Secondary School

Schlockey Fun! Our students have been having a lot of fun playing this interesting game. It also goes by the name "Box hockey". Basically, players use a 4'x8' sheet of plywood with a 2x4 perimeter, and try to move a hockey puck through "slots" to score a goal. Mr. Heiberg's shop students invited some of our elementary classes to join them in the shop to create four tables. It was very enjoyable watching our older students work closely with our younger students to create the game-boards. The game has been very popular, and has provided another fun activity for our students during the winter months. Recently, our shop students created two more boards to use in the secondary end of the school. Great work H.A.W.K.S.!

Young Scientists! Our Biology 12 class recently invited primary students to the Science Lab to teach them what they have been learning about the parts of body. The younger students were fascinated by the demonstrations and explanations our senior students provided; covering topics such as "parts of the brain", "the digestive system", and "the respiratory/circulatory system". Our primary students asked many wonderful questions, and really kept the presenters on their toes! Fantastic work H.A.W.K.S.!

Semester Turnaround: Our secondary students will have completed their first semester courses by the end of January. It has been a very successful first half of the year for our entire school. Did you know that our students scored significantly higher than any other school in our District on the Vancouver Numeracy Assessments? Fantastic! I would also like to extend recognition to two students who chose to be peer tutors during the first semester. Kieran Sandford worked with Mrs. Kehl's K-1 class, and Brandon Clark worked with Mrs. Baytaluke/ Mrs. Reschke's grade 3-4 class. Both of these students were outstanding at supporting our younger classes, and contributed significantly to improving the learning and atmosphere for our students. I know that the elementary students (and teachers/support staff) will miss having these young leaders in their classes next semester. Thank you for your great attitudes and work ethics!

Cruisin' Day to Powder King: Nearly 40 parents and students will be enjoying a day on the slopes of Powder King on January 23rd, as part of Hudson's Hope School's "Cruisin' Days" trips. These trips are a wonderful opportunity for our principal, teachers, students, and parents to have some fun together in the great outdoors. A big thank you to our many supporters such as previous Grad Classes, the Lion's Club, and the District of Hudson's Hope for supporting our school!

Student of the Week Awards:

November 23rd- 26th: Hadley Gillis, Madison Beebe, Sean Hodgkinson, Zack Deitner, Jet Stout, Tereza Schenk, Penelope Mercereau.

December 7th-11th: Camden Quinn, Sheigh Siemens, Lucy Meleschuk, Tarron Stacey, Isabella Gamboa, Ginger Lucas-Jarnagin, Mercedes Maas, Cyrus Viers, Rori Clarke, William Kehl, Broc Fortin

December 14th-17th: Tereza Schenk, Thomas Hill, Cache Greffard, Oro Weder, Nathaniel Viers, Jena Roberts, Tess Herrington, Tage Stacey, Caitlyn McEwain.

January 4th- 8th: Madison Beebe, Sophie Kehl, Sheigh Siemens, Kadain Clarke, Tarron Stacey.

January 11th- 15th: Keegan Lepine, Nathaniel Viers, Brynn Beswick, Julia Haagsman, Sean Hodgkinson, Payden Siemens, Tereza Schenk, Thomas Hill, Austin Taylor, Cadyn Moraice Budalich, Charlie Kehl, Caitlyn McElwain.

A Big Thank You

to Mrs. Baytaluke's secondary art class for painting some beautiful backdrops for the skating club. Our students had a great time working on this project.

Correction...some dates were missed in January's Bulletin; below is the complete 2016 Regular Council Meeting Schedule.

NOTICE OF 2016 REGULAR COUNCIL MEETING SCHEDULE

The following District of Hudson's Hope regular Council meetings are scheduled for 2016 and will be held in the Council Chambers, District Office, at 9904 Dudley Drive, Hudson's Hope. All meetings will commence at 6:00 pm, unless otherwise advertised.

January 11	April 11	July 11	October 24
January 25	April 25	July 25	November 14
February 9	May 9	August 8	November 28
February 22	May 24	August 22	December 12
March 14	June 13	September 12	
March 29	June 27	October 11	

Regular council meetings are posted annually, and agendas are made available prior to each meeting. The powers of the mayor and council are exercised through the adoption of resolutions or the enacting of bylaws at council meetings.

All regular council meetings are open to the public and no person is excluded, except in the case of improper conduct. Members of the public are welcome to attend the open meetings of council.

The rules governing the conduct of the meeting are outlined in the Council Procedures Bylaw and Robert's Rules of Order.

A copy of the schedule will be available at the District of Hudson's Hope, at 9904 Dudley Drive, Hudson's Hope, BC. The Schedule is subject to change; please confirm meetings by contacting the District Office at (250) 783-9901 or by email at district@hudsonshope.ca or visit our website at www.hudsonshope.ca

Hudson's Hope Ski Association

WE HAVE SNOWBOARDS!!

A huge thank you to **Hope for Health** who have generously donated brand new snowboards to the Ski Hill. This enables us to offer further opportunities for healthy outdoor activity in a beautiful location.....and it's on your doorstep.

Ever wondered what its like to snowboard? Come and try it out!
Prefer skiing? We have ski rentals too!

All we need now is snow! As soon as there is enough snow, we will open. Keep updated on Hudson's Hope Ski Association **facebook** page or contact us at: HUDSONSHOPESKIHILL@gmail.com

As we are completely volunteer run, it depends on how many people are available to how often we can open. We would welcome any help. There's a range of things to do, from running the lift, selling tickets to trail blazing. And you don't need to be able to ski! If you are interested or would like to find out more, please contact us via Hudson's Hope Ski Association **facebook** page or email us at HUDSONSHOPESKIHILL@gmail.com
