Visitor Centre

We are on our way to official summer with school districts taking a break for a couple of months. Now it's time to let the family vacation begin! So far we've had a few long distance bicyclists come through from Alaska, one heading south and one having a destination of relatives located down the valley. If you view the Hudson's Hope Visitor Centre on

Facebook then you will have seen some of these travellers pics. Visitors from the US and Europe have the luxury of several months of vacation so they are able to stay around Hudson's Hope and relax for a few days. They have their dogs with them travelling in the RV and we have met some of the nicest dogs as well!

Hope you made it to a few local events such as the fishing derby and ball tournament. The Chetwynd Chainsaw Championship was great as was the fishing derby put on by the Ski Hill Association. Sometimes it seems like June is the busiest month for events in the region.

The farmer's market is evolving into quite the lovely market and social opportunity. Lots of yummy things to consume on the spot and lots to take home as well. Taking place in the greenspace of Beattie Park only enhances the whole experience.

We carry some great publications for all of BC, Yukon, Alaska, Alberta, Saskatchewan and Manitoba. BC Backroads Mapbooks covering all of northern BC are available in spiral bound form. Published by the same outfit is a fold up waterproof map for Northeast BC. It has great detail and includes trails for hiking, horse, ATV and snowmobile. Covering the whole province for highway travel is the Official BC Road Map.

The Alaska Highway is celebrating it's 75th Anniversary and one of the events is the Alaska Highway Road Show touring 11 communities on the Highway in the month of July. The AHRS celebrates the Trail of '42 with three artists whose families have a long history in the north. Bill Dolan, Allison Tubman and Kathy Jessup weave together research, family stories, music, artifacts and photographs to present an entertaining look back on the route's remarkable 75 year history. Find them in Fort St. John Cultural Centre on July 8th.

Drop in with your info requests and we will do our best to get the info for you.

Thank you so much to all of our librarians for always going above and beyond for our community. A mere sampling of the amazing things our librarians often volunteer their time and

money to do for our library include: making new bracing for our book shelves, working on program planning at home, sewing ILL mail bags, crocheting book worms to sell for donations at the library, coming in to work on projects in the library as a volunteer, always keeping the library in mind to bring the best ideas to implement here in the library and even purchasing program supplies and donating from home. There are so many more things done on a daily basis, and I really appreciate all of the effort that goes in to keeping our library an upbeat community hub for everyone to enjoy.

For more information about library services please come in and speak to us. You may check out our website at hudsonshope.bc.libraries.coop or contact us via telephone at (250)783-9414 or and don't forget to like us on Facebook to stay up to date!

HUDSON'S HOPE PUBLIC LIBRARY

July at the Hudson's Hope Museum

Summer is in full swing at the Museum, all the heritage flowers are in bloom and the cabins are open for visitors!

Have you every wondered where the name of your street comes from? In Hudson's Hope the majority of the streets are named after the pioneers, men and women that came to the area and settled, farmed, trapped and traded. Over the next couple of months, we will be giving you a little history on the people that your streets are named after!

Next Up – Adams Street

Jack and Lucille Adams, came to the Peace region in 1913 to prospect near Finaly Forks. They built a small log home high on the banks of the Parsnip River. They only stayed the winter and headed south in the spring, but in 1920 they returned to the north with their two children Don and Jacqueline. Jack built a large log home on the banks of the Peace upstream from Beatties – it was a magnificent home with a huge stone fireplace and balconies overlooking the river. They named their new home "All's Well". Jack was know for

his skills and strength as a woodsman and Lucille was known as an artistic and inspired woman.

The museum is always looking for volunteers if you have a keen interest in history or would just like to learn a little more about the valley we live in come out and volunteer – we have lots of scanning and accessioning of historical photos and artifacts to be done – training is provided.

The Next Historical Society meeting will be held on **July 20th, 2017** at **1pm** in the afternoon in St Peter's Church Hall. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca

Summer Hours: Monday to Sunday 9-5

A Big THANKS from HH Soccer to everyone that helped make our home tournament a success on June 3-4.

Our theme this year was a "Clash of the Peace River Valley Soccer Clans", and the event lived up to all expectations.

Teams from HH, Chetwynd, Tumbler and Fort St. John clashed on our local soccer fields in mainly friendly battles.

We hosted 300 players on Saturday in the U6-U12 categories, and around 50 players on Sunday in the U14 category.

We survived the epic wind storm on Saturday that threatened to blow our whole tournament off the soccer fields!

THANK-YOU to:

- **The District of Hudson's Hope for the sun tent, garbage cans, picnic tables and assistance on Saturday to help batten down the hatches.**
- **HH School for use of their facilities all weekend long.**
- **Butler Ridge Energy for the porta-potties.**
- **BC Hydro for donation of raffle items.**
- **Dudley the Dinosaur for making an appearance both days.**

Also THANKS to all the HH Soccer volunteers who ran the concession, mowed and lined soccer fields, reffed the games, coached the teams, ran 50/50 and raffle draws.

We couldn't run this tournament without everybody pitching in!

See you all next year at our 2018 tournament!

Notes from the Field: Caribou Maternity Pen for Calves Proving Successful

The endangered Klinse-Za and Scott East Mountain Caribou population has doubled since 2014 thanks, in part, to a fenced, six-hectare maternity pen. The project is led by Wildlife Infometrics in collaboration with West Moberly and Saluteau First Nations. In summary:

- In 2013, the size of the combined herds was 32 individual caribou;
- The calves will stay in the pen until the youngest is about six weeks old and less vulnerable to predators;
- Calves born in the maternity pen have a higher survival rate than calves in the wild;
- Nine caribou cows were captured by net-gunning from a helicopter in March and have been monitored, along with the calves born in the pen, by veterinarians;
- Seven calves were born in the pen this year;
- The safe enclosure is guarded 24-hours a day by shepherds from the West Moberly and Sauteau First Nations;
- There are now 61 caribou in this herd, not including the calves born in 2017; and
- Since it was set up in 2014, 35 calves have been born in the pen.

Photo: Wildlife Infometrics

The Fish & Wildlife Compensation Program (FWCP) has been funding the maternity pen for the last two years as part of its mandate to conserve and enhance fish and wildlife impacted by existing BC Hydro dams.

Other project partners include: Wildlife Infometrics, West Moberly First Nations and Sauteau First Nations, Teck Coal, West Fraser Mills, Treaty 8 Tribal Association, Canadian Forest Products, BC Ministry of Forests, Lands, and Natural Resource Operations, Enbridge, Anglo American Coal, Conuma Coal, BC Hydro, Environment and Climate Change Canada, TransCanada, BC Oil and Gas Research and Innovation Society (BC OGRIS), and the BC Boreal Caribou Research Effectiveness Monitoring Board (REMB).

The FWCP is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations and Public Stakeholders to conserve and enhance fish and wildlife impacted by existing BC Hydro dams. Twenty-six projects valued at \$2.2 million are being funded this year. Learn more at fwcp.ca. or subscribe to receive updates on FWCP projects at fwcp.ca/subscribe.

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. We have been enjoying the summer and hope you have too. As you may know, we have purchased the new Lions bus. We have had most of the decals put on it and it looks great. We just received a donation from Shell Canada and will be adding that one as well. We are trying to sell the old bus so hopefully that will happen soon

and the new bus will be on the road. The Hudson's Hope Lions Club would like to send out a huge thank you to all our wonderful sponsors who made this possible:

The District of Hudson's Hope

BC Hydro

New Horizons Seniors

Fort St John Coop

TransCanada

Mary Brereton

YRB

Shell Canada

North Peace Savings and Credit Union

Hudson's Hope Health Care & Housing Society

The new bus will be on display at the Canada Day Celebration and we'll be serving up burgers and dogs. Not only is Canada 150 years old but the Lions Club International is 100 years old AND our Hudson's Hope Lions Club is 50 years old this year! Come on out on July 1st and we'll all celebrate together!!

Check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

Submitted with pride, *Roary*

ANNOUNC

Thank you to everyone who purchased coffee, tea, fruit, and sugar during my recent sale. It was a huge sale, and together we were able to give the largest donation ever to Friends of Hudson's Hope. Next sale is in December.

The Bulletin

District of Hudson's

Happily, June 2017 in Hudson's Hope was a month to honor, acknowledge and celebrate.

ICBC Award

Through the efforts of our ICBC representatives **Johanna Dupuis, Becky Mercereau** and **Lindsay Richardson**, the District was awarded a unique plaque for the work they did raising awareness about the dangers of distracted driving. In addition, they earned a \$2500 cash award for customer satisfaction, which was to be used for road safety initiatives. This money was put to good use arranging for the RCMP to sponsor a Bike Rodeo. About 80 of our students had safety checks on their bikes, covered helmet fitting, and learned the rules of the road. And had a lot of fun doing it. Thank you, Johanna and crew!

Public Service Week

In recognition of Public Service week, a barbecue lunch was organized to show appreciation for all of the hard work from our dedicated employees. This also gave us the opportunity to recognize two employees for their long time service to the District. Mounted photographs of local scenes were presented to **Ed Reschke** for his 36 years of service and to **Rhonda Eastman** for her 26 years. Congratulations both of you and thank you for your many years of service!

Another Hometown Champion

Congratulations, **Ben Jackson**! Last month, Ben won the 2017 BC High School Rodeo All-Around Championship. Hudson's Hope is becoming well-known for its rodeo athletes, with Debbie Guelly (barrel racing), Jake Watson (saddle bronc) and Ricky Warren (multi-events) all getting their start here.

See submitted article on page 15

BC High School All-Around Winner, Ben Jackson

The BC Sr. Provincials for High School Rodeo were held in Merritt, BC June 9 – 11th, and hometown boy **Ben Jackson** brought back the All-Around Cowboy Award. This award means that Ben had the most points of all male competitors in BC High School Rodeo for the 2016 – 2017 Season.

Ben competes in Calf Roping, Steer Wrestling and Team Roping. Ben has added his name to a much coveted trophy along with previous award winners he admires such as hometown cowboy Ricky Warren and his Steer Wrestling coach, Clayton Moore of Pouce Coupe. This award also brings a new saddle which contestants can order to their specifications. Ben has ordered a 'Dogging Saddle' for Steer Wrestling. He will also be on the Ariat All-Around Team down in Gillette, which is another honor to these kids hard work. Ben was very pleased to share this award with Kelsey Drinkall, All-Around Cowgirl, good family friend and mentor. Their families were especially pleased to see two 'Outfitter Kids' win the highest awards in BC High School Rodeo for 2017.

Ben will be headed to Gillette, WY for the National Sr. High School Rodeo in July to compete in all of his events. This is the largest rodeo in the world with contestants from approximately 45 states, 4 provinces as well as Australia. As many as 2500 horses will be housed on site as well as two arenas, camping and other event areas. After that week-long event, he will head back north to Alberta for the Canadian Finals in Nanton.

Travelling Eye Clinic

North Peace Optometry Clinic will be hosting a travelling eye clinic at the Hudson's Hope District office July 11th, 12th, and 13th.

Dr. Herriot will be providing comprehensive eye examinations for individuals of all ages. We encourage all children to have their eyes examined yearly and adults at least every two years as they are important for early detection of vision problems including eye disease. The examination fees are \$35 for children, \$110 for adults, and \$60 for seniors.

Please bring your MSP card and any third party insurance plans. We will have a selection of glasses, safety eyewear, and contact lenses available. For BC Hydro employees, we are able to dispense prescription safety eyewear that is paid for by your employer.

Please phone our office **250-785-8055** to make an appointment for the travelling eye clinic.

Pleased to serve Hudson's Hope and the surrounding community!

Police Report: June 2017

Hudson's Hope RCMP responded to approximately 30 calls for service over the last four weeks. RCMP members were involved in many community events and assisted in a Fentanyl information session presented to the public by BC Community Paramedicine. Any landlords that could not attend the information session can contact the detachment for a list of helpful websites and guides pertaining to Landlord Tenancy issues and concerns.

On May 30th, 2017, Hudson's Hope RCMP responded to a report of a male pushing a shopping cart on Highway 29 near Halfway River. The male was eventually located at a nearby residence. He had been checked by police and ambulance several times over the previous few days and was taken to the local clinic for assessment. Local good Samaritans and RCMP chipped in to offer him a few meals and a night stay at a local motel. RCMP provided him a ride to Chetwynd the next day as he was on his way to William's Lake. It was great seeing our community coming together to help a man in need. He offered his thanks many times over.

On May 30th, 2017, Hudson's Hope RCMP was called to a local residence for a break and enter that occurred the previous night. The scene was processed and a suspect identified. The file is still under investigation and charges are pending.

On June 3rd, 2017, Hudson's Hope RCMP responded to several trees on the highway as a result of a sudden wind storm passing through the area. Many power wires were broken however no injuries resulted from the storm. One downed tree caused a small fire which was extinguished by our local fire fighters.

On June 5th, 2017, Hudson's Hope RCMP was advised of a boat fishing in the closed area near the end of Dinosaur lake by the dam spill way. The RCMP wish to remind boaters to operate their vessels in accordance with all regulations. Operating in a closed area is considered Unsafe Operation of a vessel and will reward you with a \$650 fine contrary to section 15(1) of the VORR, Vessel Operation Restriction Regulations. The area is closed for your safety. Please operate your vessels responsibly.

This year's Fishing Derby was a successful one. The RCMP and BC Conservation Office conducted many checks and issued several warnings and violation tickets for noted infractions. Please visit transport Canada's website, https://www.tc.gc.ca/eng/marinesafety/debs-obs-paperwork-paperwork_boat_licence-1898.htm for information on boating requirements such as licensing and mandatory safety equipment. The RCMP will be conducting many boat patrols this summer on local lakes and rivers.

With the school year coming to an end, the RCMP wishes to congratulate those students graduating this year. The RCMP would also like to remind parents and guardians that this time of year can be dangerous for teens and young adults who choose to celebrate their graduation with alcohol. If you choose to host a grad party with liquor on private property, take the time to research your liabilities as a host. You may be subject to civil liabilities for injuries and damage, as well as subject to provincial fines for supplying liquor to minors. In an effort to promote safety during grad season, the RCMP will be conducting impaired driving road blocks and checking remote areas and campgrounds for intoxicated people. Please celebrate safely and responsibly.

Anyone with information regarding current or past investigations, or any criminal activity, is asked to contact the Hudson's Hope RCMP directly at 250-783-5241, or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

DIRECTOR OF PUBLIC WORKS & SERVICES

The District of Hudson's Hope is a picturesque and vibrant community situated on the banks of the Peace River in the foothills of the Rockies. With a population of 1,100, the community provides a relaxed lifestyle and offers many recreational opportunities.

The Director of Public Services is a management position responsible for the planning, organization, direction and integration of the District's public works, utilities and facilities. The Director of Public Services will provide expert professional assistance to the Chief Administrative Officer in areas of expertise including engineering, municipal water, sewer collection, wastewater collection, street, building and landscape maintenance.

Other responsibilities will include policy development, program planning, fiscal management, administration, and operational direction of the District's public works, water distribution, sewer and wastewater collection system and maintenance functions. The Director of Public Services is responsible for accomplishing department objectives and goals within guidelines established by the District Council and Chief Administrative Officer.

This position requires a technically strong individual with excellent management skills, who is capable of communicating effectively with residents, contractors, professionals and senior levels of government. A detailed job description for this position can be obtained by contacting the municipal office.

Salary will be commensurate with qualifications and experience. A comprehensive benefits package and relocation assistance will be provided as required. The District thanks all applicants for their interest; however, only those selected for an interview will be contacted.

Applications with a detailed résumé of work experience, education and qualifications will be received at the municipal office until 4:30pm, Friday, July 14, 2017. If any clarification is required, please contact the undersigned.

Hudson's Hope Fire Rescue would like to congratulate the graduates of this year's Junior Fire Fighter Program. Zack Milliken, Jade Rowe, Samantha Mckeown, Tess Herrington, and Conner Silk.

These students have spent the last 9 months training alongside the local fire fighters learning a wide range of firefighting skills and subjects. The students also assisted the department in a variety of community service events including the Muscular Dystrophy fireworks fund raiser, food drive, and the community open house at the downtown fire hall.

On behalf of the entire department I would like to thank Zack, Jade, Sam, Tess and Conner for their hard work this year and the enthusiasm and energy they consistently displayed throughout the program. Well done.

Chief Norton

Hudson's Hope Elementary-Secondary School

Sports Day: Once again Lori Herrington, and our Parents' Advisory Council organized a great day that involved a lot of competitive events, combined with some fun challenges for our entire school. Also a big thank you to the our Fire Hall, Emergency Response, and RCMP for serving up burgers and hot-dogs. In addition, a big thank you to the District Folks for setting up and taking down the "big tent". It was a really enjoyable day for everyone.

BC Hydro Dam Tours: A number of our secondary students have enjoyed the opportunity to learn about careers with BC Hydro. A big thank you to the employees at BC Hydro for taking the time to help educate our students in this area. Many of our students are already making plans for the types of courses to choose as they move into their final years of high school.

Aboriginal Day Celebration took place on June 5th. Our students and volunteers did a fantastic job running stations to provide a variety of activities to educate, and celebrate aboriginal culture. Stations included Leg Wrestling, Hand Games, Ball Jumping-Kicking, Jewelry Making, Leather Punching, Native Stories, as well as displays highlighting Haida & Metis culture. One of our primary classes even included their display they presented at the Heritage Fair. Students enjoyed home-made bannock and an engaging atmosphere all afternoon. A big thank you to the many folks who volunteered to make this day a success: Liam Lepine, Dianne Barclay, Megan Matus, Jake Martin, Austin Douglas, Mickey Loberg, Charo Lloret, Heather Martin, Olivia Weatherbee, Dee Romanchych, Kieran Sandford, Elinor Morrissey, Dina Gortman, Sarah Haagsman, Katie Norton, Bella Lucas-Jarnagin, Elisha Pokiak, Iris Barnes, Dale Boissonneault, Kristy Bruce, Sarah Forrester, Suzy Bach, Barb Loberg, Beth Summer, Mike Nichols, and Connie Powell. Thank you to Val Paice for working so hard to organize this event.

Welcome to Kindergarten took place on June 7th. Mrs. Reschke and Mrs. Kehl did a wonderful job welcoming our upcoming kindergarteners to our school. Thank you so much for organizing this fun event! Parents of children turning 5 years old by December 31st, 2017, if you have not already done so, please stop by the school and complete registration to help us prepare for the upcoming school year.

Principal's Work Ethics Honour Roll: Congratulations to the following students who earned their way onto the Principal's Work Ethics Honour Roll. These students earned work ethics honours for every term of the school year. They also had the opportunity to take part in a reward trip to Grande Prairie, taking part in activities such as "laser tag, jump yard, swimming, and shopping". Our students were fine ambassadors for our school

throughout the entire trip. Also thank you to Corey & Stacey Reschke for volunteering to chaperone!

HAY! Want to support our School Equine Program? Next year we will be continuing to offer two Equine courses to grade 7-12 students, and we could really use your support. The Equine Program has quite a few additional costs that make it a bit of a challenge to find funding for each year. If you are a farmer, and are willing to donate some "horse-safe" hay to our school, please contact Derrek Beam at 250-783-3044 or dbeam@prn.bc.ca to be added to our list. Thank you for your support!

Congratulations to our Grad Class of 2017. It has been so amazing to watch these students grow from youngsters all the way up to outstanding graduates! We are all very proud of each of you. These students have accomplished and contributed so much not only for our school community, but also for the community of Hudson's Hope, and well beyond. Best of luck in your future endeavours, and please come and visit YOUR school in the future! Congratulations:

Johanne Jeffries, Kieran Sandford, Brandon Clarke, Samantha Mckeown, Tess Herrington, Conner Silk, Celina Fequet, Tage Stacey.

Some HH Elementary students attended the **District Track and Field Meet** in FSJ on June 9th, 2017. Competition for each event ranged from 25-40 contestants. Not only did our students do well in their events, they also showed pride and exceptional sportsmanship. These are their achievements:

Way to go Hawks! Also a big thank you to Mrs. Kehl for organizing practices, and for all the work that goes into ensuring our students have a great day at the track meet. Thank you to our many staff and parents who also volunteered many hours to train our competitors.

School District 60 wants you to know...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

Building with your child means ...

- *build* with blocks, lego, sticks, or rocks to create structures and patterns build together and
- *talk* about what you are building
- *Create* art

Why? Building with your child helps your child to develop fine motor skills, math and science knowledge and it encourages story telling and artistic expression. To find out more information go to:

HH Playschool Summer Camps

Are you looking for somewhere for your kids to spend some of their summer days this year?

The HH Playschool offers Summer Camps during the month of July!

This is a great way for the kids to spend their summer, engaging in interesting and interactive learning opportunities in a very social and fun environment. Summer camps for children ranging in age from 3-9 years old will be happening again this year.

Ages are split up as follows: 3-5 years and 6-9 years.
Camps are scheduled for the following weeks:

Christmas in July!

Christmas in July is all about celebrating Santa and snow and all things winter at a time when it seems impossible to stay cool. We will craft decorations for the tree, bake and decorate cookies, read classic books and head to the toboggan hill!

July 4th to 7th 8:30 am to 12:00 pm for Ages 3-5
July 4th to 7th 1:00 pm to 4:30 pm for Ages 6-9

Creepy Crawlers

Come uncover all things that creep and crawl in the woodland around us. Explore the undergrowth to see how many bugs and animals hide and live under your feet.

July 10th to 14th 8:30 am to 12:00 pm for Ages 3-5
July 10th to 14th 1:00 pm to 4:30 pm for Ages 6-9

Minute to Win It

It is time to ramp up the excitement with games that are just plain hilarious! From Cookie Face to Separation Anxiety, Breakfast Scramble and Dizzy Mummy the kids will spend a day testing random skills while laughing the whole time!

July 17th to 21st 8:30 am to 12:00 pm for Ages 3-5
July 17th to 21st 1:00 pm to 4:30 pm for Ages 6-9

Registration will open on June 1st. Each camp costs \$70/child per week. That's \$4 an hour! For more information please contact:

Amanda, email at amanda-neal@hotmail.com or call/text 250-308-4417.
