DISTRICT OF HUDSON'S HOPE CAMPGROUND RESERVATION SYSTEM

OPEN FOR RESERVATIONS **MAY 5, 2015**

Camping fee of \$15 plus a non-refundable reservation service fee of \$6 per night to reserve online.

Continued on page 34

Visitor Centre

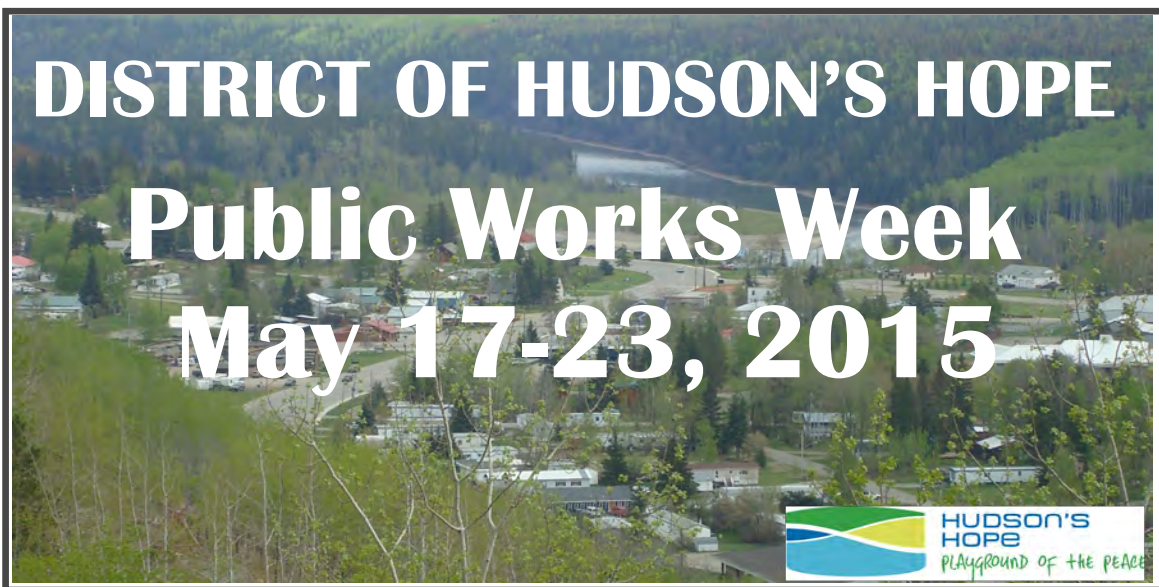

The Visitor Centre has opened on April 27th this year and hours will be 8:30am to 5pm daily. Both students are returning for another season and those positions are held by Christopher Fequet and Joey Poirier and we are all looking forward to another season in this beautiful Peace Country.

We like to welcome not only out of town visitors but also the residents of Hudson's Hope to come in and see how we can assist you in your travel plans. Maybe you need a local area map? They are of a good scale (1:250,000) and professionally produced. As well we carry the Official BC Road Map and Parks Guide for \$4.95. All other publications are free and they are varied covering the entire province and Alberta, Saskatchewan, Manitoba, Yukon and Northwest Territories.

Do you know we carry a variety of merchandise displaying the "Playground of the Peace" logo? It is quite an assortment of coffee mugs, tumblers, t-shirts, golf shirts, jackets, hoodies, camp chairs and soft sided coolers.

Looking forward to seeing you, drop in anytime!

Hudson's Hope Visitor Centre
Kathy, Christopher and Joey

Library

Library Hours:

Monday/Tuesday	12:00 pm – 5:00 pm
Wednesday	12:00 pm – 7:00 pm
Thursday	10:00 pm – 5:00 pm
Friday	12:00 pm – 6:00 pm
Sunday/Saturday	Closed
Statutory Holidays	Closed

Closed May 17th and 18th

Library open on Sunday 12-5 on May 3rd and 10th only.

Library will open at 11 am on Thursday May 21st, sorry for the inconvenience.

Senior's Computer Classes - please speak with a librarian to obtain a more information; remaining seats are not restricted to seniors, but keep in mind that they are introductory courses.

Registration is required. All classes are held from 10 am – 12 pm.

Class Description	Group 1	Group 2	Group 3
Class 4 - MS Excel 101 for Seniors	May 11 th	May 25 th	May 4 th
Class 5 - Ancestry 101 for Seniors	June 22 nd	June 29 th	Will schedule if there is interest

Teddy Anderson is a hoop dancer and author who will be visiting Hudson's Hope on May 28th. He will be at the school all day, more information to follow directly from the school. He will also providing a presentation that evening at the Public Library.

<http://www.hoopdanceproductions.com/>

Norden the Magician - We are very excited to host Mike Norden once again at the Hudson's Hope School on May 29th at 10 am. Norden will be there to promote our Summer Reading Program and provide his audience with some great laughs and illusions.

<http://www.magicshows.ca/index.htm>

Cultural Day – The Hudson's Hope Public Library will be partnering with the Hudson's Hope School along with a number of other community partners to provide a fantastic assortment of displays and activities showcasing aboriginal culture and traditions. The event will take place at Hudson's Hope School on Tuesday May 5th from 9 am – 1 pm.

Wondering how you can make a difference in your community? Come in and sign up to be a "Friend of the Library" to receive notifications of upcoming events, and/or sign up to be a casual volunteer. Whether you're interested in working with kids, teens, seniors, or just want to help out with special events and fundraisers, we have something for the philan-

"The Hoop Dancer taught us there is no darkness in people. Like the sun that is always shining, we must see the light and good in every single person."

— **Teddy Anderson, The Medicine Wheel: Stories of a Hoop Dancer**

Museum May at Museum

Spring is here!!

That means **Summer Hours for the Museum** – Starting May 4 the Museum will be open 7 days a week 9-5.

Don't forget to come in and Check out our Gething Exhibit!

Gift Shop News: We have restocked our Caroline Woodward books, *Singing away the Dark*, and *Disturbing the Peace*. We are also carrying Rosario Lloret's novel, *Wolf in a Beaver Coat*.

The museum would like to offer a big welcome back to our summer staff – Cindy Martin, Teresa Summer and Christian Eschenburg.

2015 Memberships: Come in and sign up, cost for an annual membership is \$20, and that gives you 10% off in the gift shop, personal invites to events and starting this year you will also receive a Museum Newsletter twice a year. These funds go to supporting the museum programming and education programs.

The Next Historical Society meeting will be held on **May 21st** at 7pm in St Peter's Church hall. Everyone is welcome at historical meetings. If you would like any further information, please call the museum at (250) 783-5735 or by email at hbmuseum@pris.ca.

May Hours are **Monday to Sunday** 9:00am - 5:00pm. (starting May 4th)

Come in and learn something new about the beautiful valley that you live in!

Elinor Morrissey – Museum Curator

Leo & Ethel Rutledge Scholarship

APPLICATIONS NOW BEING RECEIVED

Every year the District of Hudson's Hope awards a \$1000 to a grade 12 graduate who is interested in pursuing a post secondary education. The District looks at applicants who:

- Will attend a full time institution within two years of the date of graduation from high school.
- Academic Achievement.
- Citizenship and Service to the Community.

Applications for this scholarship should be made in writing and should include:

- Copies of Grade 11 final marks and report card marks received thus far in Grade 12.
- A description of extra-curricular, community, or volunteer activities in which the student has participated.
- A summary of past/current employment, if any.
- A summary of goals and plans for post-secondary education.

Applications must be delivered to the municipal office by **June 1st, 2015** in a sealed envelope marked "*Scholarship Application*".

SPECIAL EVENTS REVIEW MARCH

Easter Egg Hunt

Beattie Park was sprinkled with colour on Easter Monday. Over 121 folks showed up to enjoy the festivities. Children ran around to collect all the bright eggs and collect goodies. It was such a beautiful day, folks stayed to mingle and enjoy free treats. A huge thanks to Families in Motion for partnering on this event. Many thanks to Christopher, Bob and Celina for all their wonderful assistance.

When: Sunday, February 15 to Monday, June 15, 2015

BC Hydro is resuming a two-year project to rebuild and upgrade the Williston Reservoir boat ramp at Dunlevy, near Hudson's Hope. The upland work took place last year and the construction scheduled in 2015 will see the replacement of the ramp itself. To maintain site safety during the project, the work will require the complete closure of the boat ramp during construction. This year's construction closure is scheduled for approximately 17 weeks from Sunday, February 15 to Monday, June 15, 2015.

Once the ice is off the reservoir, the Elizabeth Creek boat ramp will be open as an alternate location during the Dunlevy closure. Elizabeth Creek is located about 800 metres past the west abutment of the WAC Bennett Dam and may be accessed by driving across the dam.

When complete, the Dunlevy facility will feature an improved boat ramp extending to a lower elevation to accommodate a wider range of water levels.

For more information, please contact BC Hydro at 250 561 4858, or bchydro.com/contact.

Protective Services

Nearly one third of all wildfires in B.C. are detected and reported by the general public. Public wildfire reports have resulted in immeasurable savings in property damage, forest resources and fire suppression dollars.

How to Report a Wildfire

If you see a wildfire, please report it to Wildfire Management Branch BC at **1-800-663-5555** or call ***5555** toll free on most cellular networks. Alternately, you can report a wildfire to **9-1-1**.

What You'll Be Asked

When reporting a wildfire, a B.C. Forest Service operator will ask you:

- your phone number
- the location of the fire
- what the fire is burning (trees? What species?)
- the size of the fire
- how quickly the fire is spreading
- the colour of the smoke
- whether there are values or lives at risk

The details that you provide are critical in determining the type of response that the fire will receive from fire suppression authorities. Your help is greatly appreciated as it helps us to allocate our resources more efficiently and respond quickly to wildfire activity.

Further information on wildfires, provincial danger ratings and forest restrictions can be obtained by calling our toll-free Wildfire Information number: **1-888-3-FOREST (1-888-336-7378)**.

AGM ANNUAL GENERAL MEETING

Hope for Health

When: May 20, 2015
Time: 7:00 pm
Where: HH Public Library

Everyone welcome!
Come hear about our year!

**Move for Health Day &
Walk with your Doc**

Come out and join us on a walk to the Glen.

Sunday, May 10th, 2015

**Meet at the Health Centre Parking Lot
Leaving 10:00am**

Sponsored by: Hope for Health

May 25th to 31st, 2015

We are truly blessed and happy to live in a town that is so helpful and giving.

Thank you everyone for supporting us during our hard time.

Special thanks to the cast and crew for performing Jake's Gift. Thanks to Grace and Steve.

Also a great thanks to Barb and the live band at the Curling Rink, you were awesome.

To the Gunderson and Mant family for taking care of our place and animals.

And a big thanks to the Ambulance and Fire Department that came when needed.

We would love to inform everyone that all is well now and life is back on track.

With all our love and gratitude,

Kari and Arnold

2016

District of Hudson's Hope

Spring is here, birds are back, and the land is abuzz with bursting life.

The municipality is equally busy and we want to recognize the efforts of our municipal workers who keep the town running. In addition, two agreements that will affect Hudson's Hope and the whole of northeastern BC for decades to come are being negotiated. One is the Site C Community Measures Agreement, the purpose of which is to mitigate losses suffered by communities as a result of Site C. The other is the Fair Share Agreement, which allocates funds for communities to provide services and infrastructure to petroleum industry workers. And we're still working to stay on top of what's happening to the water in our region.

Public Works Week: (May 17-23)

National Public Works week is a celebration of the public workers who provide and maintain the infrastructure and services we all expect and depend on. Hudson's Hope is fortunate to have a dedicated workforce who go out of their way to ensure that we have safe and dependable services. Thank you, inside and outside workers!

Site C Community Measures Agreement:

This is "Mitigation" to replace or make up for what would be lost if the Site C dam project is built. Hudson's Hope would be adversely affected in many ways, both during the construction and operation phases of Site C.

Construction Phase impacts include major truck traffic through town, road relocation, clearing of the reservoir area, and construction of a rock berm along the village riverbank. At 10 meters high and 7 meters wide at the top, this is not an insignificant project by itself. Site C construction impacts

would be temporary but intense.

Operation Phase impacts are permanent. Hudson's Hope municipality would lose approximately 1500 acres of land to initial reservoir flooding, 160 acres to highway relocation and 2500 acres to a statutory right of way (St R/W) placed on land at risk of sloughing or eroding. Present BC Hydro right of way documents permit no permanent structures on the right-of way-land. (So forget that getaway cabin on the reservoir where you could throw your fishing line off the sundeck.)

In short, Hudson's Hope as we know it, will be fundamentally changed should Site C proceed.

Rob Botterell, from Lidstone Law Firm, heads our team, which has been negotiating a Site C Community Measures Agreement with BC Hydro. He will be in Hudson's Hope in mid-May to once again meet the community and solicit your input into what impacts should be dealt with and what compensation should reasonably be expected in order to mitigate losses.

Please come out for a serious discussion:

Community Meeting:
Wednesday, May 13 @ 7 pm
Hudson's Hope Community Hall

Fair Share:

In most parts of the province, industries are located inside municipal boundaries where their workers live and those industries contribute to community services through

industrial taxation. The oil & gas industry isn't like that: its industrial facilities are usually located outside municipal boundaries and taxes are paid to the province, not the communities where their workers live. Those workers reasonably expect municipal services such as water, sewer, roads, recreation and so on but their industry's taxes go to Victoria, not the community where they live. Municipalities with little or no industrial tax base can't afford to provide those services.

In the mid- 1990's, Fair Share was created to correct the inequities. The province created a program to give northeast municipalities funds to make up for lack of ability to access the industry tax assessment. The last update was negotiated in 2005, when indexing the fund size to the industrial assessment was included. That agreement was supposed to run until 2020. The province announced earlier this year that they were opening Fair Share now and they wanted a new agreement by the end of April.

In 2014, \$43 million was paid to municipalities in the northeast. If the indexing were maintained, it would be \$46 million in 2015. The province proposes to cut that back to \$40 million and cap it at that for 15 years.

Hudson's Hope receives the smallest Fair Share payment (1.35%) of any municipality in the northeast. In the 90's and early 2000's, there was some logic to that, as Hudson's Hope didn't have much oil/gas activity and supplied services for very few of those workers. In 2015, however, that's changed. The most likely LNG project to proceed is Petronus-owned Pacific Northwest LNG. Petronus' sources its gas from its

production facilities right on the northern boundary of Hudson's Hope. A significant portion of our population now travels out to those gas fields for work. It would seem fair that Hudson's Hope should now see an increase in its share of the Fair Share Fund.

The province wishes to double or triple the level of oil/gas activity. But at the same time, they are moving to cut the resources of the communities they expect to provide services for the oil/gas workers. It's hard to see the logic in that.

Water

Dr Gilles Wendling, lead scientist on the Regional District Groundwater Baseline Project, will be presenting the study findings of Phase 1 on May 5, 6 & 7th. If you want to learn about water in our region – where it is, how it flows, how ground and surface water connect, meetings are as follows:

May 5th - 7 pm, Sudeten Hall, 1901 Alaska Ave., Dawson Creek

May 6th - 7 pm, Chetwynd Recreation Centre, 4552 N Access Road, Chetwynd

May 7th - 7 pm, Pomeroy Sports Centre, 9324-96th Street Fort St John (upstairs meeting room)

"Them's the news," as the lady used to say. Happy Spring, and "Keep Busy!"

Mayor Gwen Johansson
DISTRICT OF HUDSON'S HOPE

Police Report: April 2015

Over the last month, Hudson's Hope RCMP Detachment responded to approximately 30 calls for service. The following are a few incidents of note:

-Checkstops have continued over the last month and two drivers this month provided breath samples over the legal limit, their vehicles were impounded for 30 days, and they were served a 90 day driving prohibition.

-Other miscellaneous files included three motor vehicle collisions, multiple driving complaints, five cause disturbance files, liquor act complaints, false alarms, thefts of two vehicles, a traffic stop resulting in marihuana seized, and a resident from Alberta was intercepted on the highway and apprehended under the Mental Health Act while travelling through Hudson's Hope.

Cst. Mark Richardson, Hudson's Hope RCMP

Police Seek Witnesses to Suspicious Fires

On April 21, 2015 around 5:30 a.m. a jogger came across a small grass fire near Canyon Drive and called the fire department. Not far from the bush fire, the same person discovered a plastic jug with gasoline soaked paper inside that was on fire.

On April 23, 2015 at 1:28 a.m. the Hudson's Hope fire department received a call of a structure fire in the Signal Hill area. The cause of this fire is unknown at this time and is still under investigation by Hudson's Hope RCMP.

It is not known at this time if the fires are associated but police suspect they could be.

As these fires are suspicious in nature, the Hudson's Hope RCMP is reaching out to the public for any possible witnesses to these fires. If you saw anyone in either of these two areas hanging around or acting suspicious prior to the time the fires were reported, please Contact the Hudson's Hope RCMP at 250-783-5241 or Crimestoppers at 1-800-222-8477.

for Love Hudson's Hope.

We're very excited have these
businesses be part of the
**Love Hudson's Hope website
launch May 25th**
(www.lovehudsonshope.com)

Be sure to keep an eye out for
the **launch party sometime in
June!**

Insurance Corporation
of British Columbia

OFF-ROAD VEHICLES

Registration for Off-Road Vehicle (ORV) operation on Crown land and forest service roads is expected to become mandatory on June 1, 2015, including compulsory display of the ORV plate. ORVs operated solely on private property do not require registration or a number plate.

ORV registration requirements

You'll need to prove that you're the legal owner of the ORV with one or more of the following documents:

Brand new ORV

- New Vehicle Information Statement or a Certificate of Origin (for sit astride ATVs, RUMs or snowmobiles)
- Dealer Bill of sale
- Transfer/tax form (APV9T) signed by seller

Used ORV

- Full continuity of ownership
- Bill of sale(s), or Transfer/tax form (APV9T) signed by seller
- Out of province registration documents if imported from a jurisdiction outside BC
- BC Consumer Taxation Branch Gift of Vehicle Form (FIN 319 if applicable)
- New Vehicle Information Statement or a Certificate of Origin (only for snowmobiles, sit astride ATVs or RUMs acquired on or after November 17, 2014)
- Missing Signature Declaration form (MV1484) where required.

Tax rates and payment information

Unless a specific exemption applies, 12% PST tax must be paid on ORVs purchased or acquired after July 1, 2010.

Insurance requirements

If you operate an ORV on or across highways, you're required to obtain ICBC's Basic Insurance. If you operate an ORV on forest service roads, you'll need \$200,000 in third party liability insurance. This may be obtained from ICBC or other insurers.

On all other Crown land, liability insurance is voluntary but recommended.

Registration fee

The combined number plate and registration fee will be a **one-time fee of \$48**. You are only required to register your ORV once. The registration and number plate will be valid as long as the same person owns the vehicle.

You're required to register with ICBC when an ORV is transferred to a new owner and a \$28 transfer fee will apply at the time.

Please give us a call at the District Office if you have further questions or require any further information.

School District 60 wants you to know...

You are your child's first teacher. You can help your child grow strong roots for learning both in and out of school.

Tip - Unstructured Play

- *encourage* creative and pretend play
- *let* children be creative outside with sticks, dirt, leaves and rocks or inside with blankets, pillows, chairs or boxes
- *provide* time for dramatic play alone or with other children

Why?

When play is child-driven, children practice decision-making skills, move at their own pace, and discover areas of interest on their own. The most creative play takes place outside of direct adult supervision. As you might remember from your childhood, we don't need to have every moment scheduled, and, in fact, some of the best creativity comes from being bored.

Hudson's Hope StrongStart

Pleased to serve Hudson's Hope and the surrounding community!

Lots of new stock has arrived at Sugarplums !!!

And I am adding new stuff everyday !

Great gardening gifts for Mom or friends birthdays !

You just have to see my "fairy garden" items !!!

Also "new" to sugarplums is a few vintage pieces ...I have started with some glass and linen but I have lots more coming out over the next few weeks

Starting **May 1st** my sticky toffee pudding is back and available everyday !

Why not pop in and see what's new and enjoy a coffee !

I would love to see you !

Feature Listings

9516 CANYON DR \$399,900.00

Are you tired of the hassle and bussle of everyday living? Are you looking for a great business opportunity that eliminates any commute? Check out this fantastic business opportunity in Hudson's Hope, with a commercial kitchen, coolers, walk-in freezer, a full liquor license for the restaurant & outside patio. The best location in the area, right along the main street on Canyon Drive, located beside a brand new hotel without kitchen/restaurant services!

4260 BERYL PRAIRIE \$89,900.00

Check out this modest 2 bdrm home with a small den & wood stove for heat. Super cute property right on the Beryl Prairie Road just outside of Hudson's Hope with pavement all the way! Beautiful views through the backyard, as this land is owned, but more than likely will never be developed due to the ravine & neighbouring onto Crown Land. Sitting on 2 acres but you feel like the land is much larger with the untouched background. A detached workshop, and other outbuildings add storage, with a huge turn around driveway that allows you to pull right through .Own your own property for less than the price of bare land!

21024 TOMPKINS ROAD \$225,000.00

Completely renovated log home on just under 5 acres in the popular Beryl Prairie Sub-division. Mature trees, fenced, cross fenced & a creek running through. An oversized culvert & driveway to allow for large truck/trailers & equipment. This gorgeous home is practically brand new throughout, all new paint, trim, fixtures, a brand new kitchen with modern cabinets & soft close drawers with loads of storage and plenty of counter space! A new tub, tile surround, low flush toilet & vanity in the bathroom. The metal roof was put on last year, so this home is turn-key & move in ready for anyone serious about home ownership in beautiful Hudson's Hope. Home is heated with either forced air gas or wood furnace.

Hudson's Hope Elementary-Secondary School

Home of the HAWKS: Helpful, Appreciative, Willing, Kind and Supportive

Jam Can Curling was a wonderful success. Our students had a great day curling and just having fun. A big thank you to our Lions Club Volunteers, as well as parent & Community Volunteers: Steve Metzger, Grace Okada, Travis Hansen, Cassie Stark, Bill Lindsay, Ross Peck, Jamie Eastman, Travis Winnicky, Lorna Winnicky, and Lisa Graham for all of your help!

Our School Science Fair was a huge success. The judges were very impressed with the quality of the projects. I received many positive comments from judges, parents, and observers that were very complimentary. All of our students are strong presenters. Also a big thank you to our volunteer judges: Bill Lindsay, Gwen Johansson, Mike Nichols, Guy Armitage, Tim Viers, Val Paice, Emily Wang, Cynthia Manurung, Tim Wengel, Grant Bernier, Cassandra McCormick, Cody Norris, James MacDonald, and Dave Heiberg.

Recently seven of our students presented their projects at the Regional Science Fair in Dawson Creek. Our students really showed off some outstanding projects. Here are the results: Ginger Lucas Jarnagin (partner - Keelin Kortzman)–**Bronze Medal**, Cadyn Moraice Budalich – **Silver Medal**, Henry Kehl, Wren Naisby, Sydne Douglas, Charlie Kehl (partner-Carson Gunderson) – **Gold Medal** and Dylan Beswick–**Gold Medal, and TOP grade 6 student in the Region!**

Student Voice: Recently Ms. Baytaluke, Celina Fequet, Jacob Kempster, and Tess Herrington participated in a Student Voice Forum in Fort St. John. They discussed and shared ideas around ways to improve their school experience. Our students were strong representatives of our school, and they shared some valuable insight with their peers.

P.A.R.T.Y. Program: Ms. Baytaluke and the grade 10-12 students attended this program last week. It is organized by the RCMP, Emergency Services, FSJ Hospital, among others. Students learned why it is important to make good decisions around “partying”, and the real world consequences emergency service staff deal with on a daily basis. It is a very powerful experience that always receives positive reviews from students.

Memorial Garden: Mrs. Bach and her class of grade 1-2's have been diligently preparing the Dale Stark Memorial Garden for Spring planting. Thank you to Dennis Beattie for dropping off some fresh topsoil for this project.

Outdoor Recreation: Our Outdoor Recreation Class has been learning rappelling, rope/knot tying, rock climbing, map/compass skills. They are currently working on safe mountain biking skills. Recently they taught our younger students some of the basic compass work they have learned.

Sumo-bots: Mr. Nichols has started a “Bot-Club” after school for students in grades 6+. Students are building their own miniature robots that “battle” in a small ring. Next year students will be able to take their “bots” and compete with other teams within the District.

School Connectedness – Naturally. Recently, Ms. Rhymer, Yvonne Clarke, Darcy Haagsman and I made a presentation to the School Board that highlights the benefits of courses and programs offered at our school (such as Equine Studies and Outdoor Recreation) that provide opportunities to connect students with school and nature. Our presentation was very well received. In fact, we have been invited to participate in the **B.C. Focus on Learning, K-12 Innovation 2015 Forum** in Fort St. John on Friday, May 15th. This forum examines how students can attain access to hands-on learning and school connectedness (sounds like we fit the bill pretty well).

Strongstart - Our themes over the next few weeks will be Circus/Carnival, Spring, Gardening and Growing and Farm. The last Library time with Mrs. Reschke will be on Thursday, June 4th. We have had some newly purchased items arrive in the StrongStart room, so come out and check out the new toys and furniture.

We gratefully acknowledge the financial contribution of the Province of B.C.

Student(s) of the Week:

April 7-10

Lucia Pelly, Julia Haagsman, Ayden Quibell, Nora Meleschuk, Leland Douglas, Henry Kehl, Bella Lucas-Jarnagin, Pasco Weder, Keelin Kortzman, Ginger Lucas-Jarnagin, Manraj Singh, Ashley Thompson, Brandon Theriault, and Tarron Stacey.

April 13-17

Rori Clarke, Penelope Mercereau, Damian Aldridge, Cache Greffard, Tess Herrington, Iris Barnes, Annika Quibell, and Brooklyn Richardson

Earth Day – Pitch In Week: Our school will be doing our part to clean up the planet on **May 1st** (weather permitting of course). We are changing things up a bit this year. We will be doing the cleanup from 10:15-11:45. Afterwards I'll be providing barbequed hot dogs and sliced water-melons for lunch. Parents are encouraged to come and join us for this fun event.

Portable Climbing Wall: The folks from Camp Sagitawa are going to set up their portable climbing wall in our gymnasium for use from May 4th to May 6th. All of our students will have opportunities to try to climb to the top. A big thank you to Mr. Viers for making this possible for our students.

Our Aboriginal Day Celebration will take place on **Tuesday, May 5th**. This is a fun cultural event that includes dance, drums, crafts, bannock-making, art, history, and the ever-popular "blanket toss". Parents are welcome to come on out and join us for an educational and very fun day!

Jump Rope For Heart: We will be doing this energetic fundraising event on **Thursday, May 14th** to raise funds and awareness for the Heart & Stroke Foundation. Students will be bringing home donation packages at the beginning of May. Although the Foundation does provide "prizes" for fundraising, please take the time to reinforce that the purpose of Jump Rope For Heart is to support a worthy cause (and healthy living).

Sports Day: Our Parents' Advisory Council organizes a full day of activities that include track and field events, as well as some fun and crazy activities. Parents are encouraged to come out and join us on **Friday, May 22nd** for a very action packed day!

Teddy Anderson is a world-renowned First Nations hoop dancer, having performed in 20 countries and completed over 1,200 shows. Teddy has been adopted into an Ojibway family and given special permission to perform the hoop dance. Because of Teddy's rich cultural background, Teddy teaches that we all belong to one human family. Teddy dances with up to 30 hoops to share this message. Teddy's show has been described as inspirational, motivating and life changing. Teddy will be performing at Hudson's Hope School on **Thursday, May 28th from 9:00 am - 9:45 am**. We have also booked Teddy for the entire day to provide workshops with every class in our school.

Doig Day, May 29th – Grade 4 students will travel to the Doig Reserve to learn about First Nations' Traditions.

Norden the Magician is returning to Hudson's Hope School on May 29th to perform from 10:00 am – 11:00 am. A big thank you to the Hudson's Hope Library for sponsoring this event!

Work Ethics Reward Trip #3. This trip will take place some time in May (as soon as the Moberly Lake Golf Course is opened). A list of our successful Honour Roll Students will be shared in the June Bulletin.

Peace Energy Week – Interested grade 11/12 students have the opportunity to participate in this week long event that provides numerous opportunities to learn about careers, dual credit, and creating and conserving energy.

Cameron Lake Fun Day: This is a day to celebrate the successes of our school year and just have fun. Our entire school will be bussed to the Outdoor Education Center to participate in a bunch of different activities (I like to run the "Raging Bull" station). Parents are welcome to come on out and join us on **Monday, June 15th**.

The Principal's Work Ethic Honour Roll Trip will be June 4th-6th in Grande Prairie. More information will be provided in May.

Cameron Lake Outdoor Education Center will be getting a new cookhouse! The building will be a log-home style structure. Construction will begin in July.

Campground Reservation System

The Hudson's Hope Internet Campground Reservation system will allow you to book a campsite so that you can travel to your favorite park or try something new with the confidence of knowing your site is assured. The following campgrounds will have approximately 1/2 the sites available for reservations, with the remaining sites continuing on the first come, first served basis:

- King Gething Park*
- Alwin Holland Park*
- Dinosaur Lake*
- Cameron Lake*

To make a reservation please visit our website at <http://hudsonshope.ca/adventure/campgrounds>

The Reservations System will open for the 2015 season on **May 5, 2015 at 9:00 am.**

There is a non-refundable reservations service fee of \$6.00 per night to reserve online.

Resident Camper Season Passes will still be available for purchase at the District Office. You will be able to use your pass in the campground as usual, or you can make reservations with your pass, but you will need to pay the reservations service fee.

To find out more about our Campground Reservation System please view our policy online or contact the District Office at 250-783-9901.

Happy Camping!

MONTHLY FIELD STUDIES SUMMARY

May 2015

BC Hydro is continuing to conduct environmental and engineering field studies on and around the Peace River between the Williston Reservoir and the Alberta border to inform detailed mitigation and monitoring planning. In December 2014, the Site C project received approval from the provincial government to proceed to construction.

This notice provides a list of field work planned for May 2015. Helicopters may be required for some of the work listed below. BC Hydro will obtain permits, and complete environmental management plans and archaeological assessments as required.

Current and previous field study activities are available at www.sitecproject.com/news-and-information/field-study-notice and in the Community Consultation offices in Fort St. John and in the Pearkes Centre in Hudson's Hope.

Regular and ongoing BC Hydro work may also be taking place on the Peace River and tributaries related to BC Hydro's Peace River water licence requirements or other operations work.

Environment Studies: Heritage Program, Wildlife and Vegetation Surveys, Water Quality Monitoring, Climate and Air Quality Monitoring, Fish and Fish Habitat Site Inspections, Peace River Turbidity and Suspended Sediment Monitoring

Engineering Investigations: Transmission Right-of-Way Site Inspections, Instrumentation Monitoring, Distribution Line Site Inspections, Dam Site Investigations

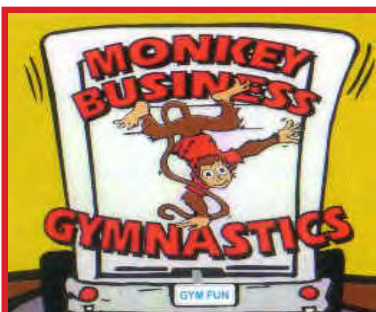

For further information, please contact:

Mark your calendars! Leah "Lollipop" is returning to Hudson's Hope with her **Monkey Business Gymnastics Camp!**

The camp will run from **July 27th to July 31st!**

Two camps will be running.
The Kinder camp for 3-5 year olds and
The Tumbling Camp for 6-12 year olds.

We are also looking at a Parent and Tot program, as there was lots of interest for this last year. This would be for 1-3 years old.

Please contact Becky Mercereau if you are interested in these programs at 250-783-9901 or by email at becky@hudsonshope.ca.
