May at the Hudson's Hope Museum

A Big Thank you goes out to past and present board members for all their hard work!

Have you every wondered where the name of your street comes from? In Hudson's Hope the majority of the streets are named after the pioneers, men and women that came to the area and settled, farmed, trapped and traded. Over the next couple of months, we will be giving you a little history on the people that your streets are named after!

Next Up - Kylo Street

Kylo street is named after the Kylo Family, Edith and Melvin Kylo. Edith came to Hudson's Hope in 1929 to work as the teacher for the community and Mel arrived in 1930 to set up a barbershop in town. Sadly, the small town did not need a barber, so Mel tried his hand at gold panning, and farming. Later in his life

Mel worked as a Judge for the Small Claims Court, as a coroner and he was a councilman for Hudson's Hope. Edith taught on and off at the school and raised four boys (Ken, Glenn, David and Martin) in a small log cabin (that Mel built) on the

edge of town! Edith was very involved in helping to collect and record information on life as a pioneer in the area and was very involved in starting the Hudson's Hope Historical Society. She also wrote the Hudson's Hope section of The Peacemakers and worked as the curator at the museum for many years!

The museum is always looking for volunteers if you have a keen interest in history or would just like to learn a little more about the valley we live in come out and volunteer – we have lots of scanning and accessioning of historical photos and artifacts to be done – training is provided.

The Next Historical Society meeting will be held on **May 18th, 2017** at **1pm** in the afternoon in St Peter's Church Hall. Everyone is welcome at historical meetings. If you would like any further information, please call the museum at (250) 783-5735 or by email at hbmuseum@pris.ca

Effective Victoria Day to Labour Day

Library Closed May Long Weekend. After the long weekend, the library will be closed on Saturdays and open on Mondays from 12-6 until after Labour Day long weekend.

Home Based Business Event: May 27th at the Hudson's Hope School. Doors open at 10 to the public. Contact the library if you would like to sign your home based business up for a table for only \$15 per table. Library staff will have a book sale table and items will remain on sale in the library for the week following! Help us give these old books a new home.

Genealogy Presentation will be held on Thursday, May 11th at 7:00 pm in the Library.

Melanie Florence: YA author will be conducting a presentation for the Tween Library Club on Thursday, May 11th at 3:30 pm. See ad for more details.

YA & YP Books: YA is a rich, fascinating, and constantly evolving subset of literature, and it speaks volumes about the values literature passes on to subsequent generations. To further showcase this engaging group of books, we have moved some of the YA (Young Adult) section that may be more appropriate for teenagers and adults out into the main library, and are in the process of cataloguing the remaining books as YP (Young People) for our juvenile users.

Children's Programming: We love the extra space in the kid's room since moving the YA books to their own separate section in the main library. Come in to see the awesome changes.

Storytime/Stay and Play Tuesdays from 10:00-11:00am

Themes: May 2nd- Flowers (parts, cycle and planting), May 9th- Frogs (play and life cycle), May 16th- Weather, May 23rd- Recycling and our environment, May 30th- Insects and Creepy Crawlers.

Library Club 3:30 to 4:30 Wednesdays K-4

Themes: National High Five Day- May 3rd, Lost Sock Memorial Day- May 10th, Pack Rat Day- May 17th, National Brown Bag Day- May 24th and Sherlock Holmes Spy Day- May 31st. Both the pre-school and elementary age clubs are fun, social and hands on learning times. Come check it out.

Young Adult Programming:

Teen Club Wednesday drop-in 5:00 to 7:00pm age 13+

This is time set aside specifically for teens to come in to the library and feel at home. Now that we have moved the YA section out next to the adult section, it's even more comfy to come in and feel like you have space here in the library. As a teen, you have a say in the programs that are provided for teens in our library, come in and talk to Shellie about what kind of ideas you have for the future of the teen program.

Tween Club Thursday from 3:30 to 5:00pm . Grade 5-7 (approximately 9-12 years old)

We have two visitors coming in this month, Author Melanie Florence we will be here May 11th, and

Elinor from our local museum as well on May 18th. We will be finishing off the month seeing how things were weighed back in the old days compared to now. As well as some outside games because the weather is getting better. Only two more months for the reading challenge that was started back in September. You still have time to start and finish.

LEGO Club Friday from 3:30–5:00pm. So far in the program, the kids have made some awesome things with Lego, like tallest towers, replicating book covers, making animals and so much more! There will be Lego club on May 12th same time as always, even though it is a Non-Instructional Day for the public school.

Item Donations –Thank you so much for the outstanding generosity of our patrons this month!

Lyndsay Deitner – 32 books: children & adult! **Eliza & Edward Stanford** – 4 cartons of books!

Winona Letendre – 2 large bags of kids & adult! **Jacqueline Burkitt** – 7 audio books!

Norton Family – 2 DVDs and 2 gallons of Lego!

For more information about library services please come in and speak to us.

B.C. hunting licences are changing in 2017

Here's what you need to know:

-  You can buy any of your licences through the BC Hunting online system, and at Service BC, FrontCounter BC and participating vendor locations.
-  Starting in spring 2017, there won't be a paper version of your resident hunting licence or other non-species licences. The old hunting booklet will no longer be used.
-  Hunting licences will be visible on your Fish and Wildlife profile, but you don't need access to your profile while hunting. Conservation officers can view your Fish and Wildlife profile on their mobile devices to check your credentials, licences and LEH authorizations.
-  A new, redesigned paper species licence will be introduced. You must carry species licences with you while hunting and you must cancel the licence by notching it as soon as you harvest an animal.
-  Starting in Spring 2017, if you buy a species licence online, it will be mailed to you. If you want to hunt within a few days of buying your species licence, you should buy it at a vendor or at Service BC or FrontCounter BC.

Public Service Announcements

As part of our on-going commitment to serving the community of Hudson's Hope, PRiS will continue to offer free Public Service Announcements (PSAs). If you have an upcoming community event, activity or meeting that you would like advertised to your friends, neighbors and local businesses, send details to hpsa@pris.ca. If you do not currently receive PSAs but would like to be included on our subscriber list, contact our office at 1-800-763-3311.

250 GB for the Price of 50 GB

In other news, PRiS has worked with our upstream provider to secure more data at a better price! To take advantage of our new FWS-250 plan, including 250 Gb of data with 5mpbs connection speed for only \$79.00 per month, call now 1-800-763-3311 (No contract required, plan availability is limited).

Fibre

PRiS will continue to serve members with Fibre to the Home service. For those who have made the switch to another provider, we would like to offer on-going PRiS email services for only \$4.17 month (billed annually). Remember if you have cancelled your PRiS internet account, you have also cancelled your PRiS email.

We would like to take this opportunity to thank Hudson's Hope for their continued support.

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. My name is Roary and I'm going to keep you informed about what the Lions Club is doing in our community. You will see me out and about at different town functions. Don't be scared, I don't bite!

As you may know, our Mother's Day Steak and Lobster Dinner and Social is coming up on Saturday, May 13th. Please see the ad on the front cover for more information.

Us, along with Hudson's Hope school and the Curling Club, hosted Jam Can curling in April. This was our 44th year of Jam Can. Wow! All the kids had so much fun and every team showed excellent sportsmanship!

We have also been hard at work raising money to replace the Lions van with a new shuttle bus. We are very close to reaching our goal. The new one will be easier to get in and out of and more comfortable. We will have more information in the next Bulletin.

Check out our Facebook page @ hudsonshopelionsclub or email us at lionsclubbh@gmail.com. We are always looking for new members!

Usually if you get early snow in the fall, you get an early spring in the next year to go along with it. In fact, we kind of think we should be entitled to it. Not this year! Winter started early and ended late. Ah well, nothing like some late wet, sleety snow to build up the moisture in the ground. We should be in for some good warm weather now to bring the grass and set us up for a great garden season!

BC Provincial Election:

Don't forget to vote in the upcoming election.

To vote, you must be a Canadian citizen, 18 years or older on General Election Day, and a resident of BC for the past 6 months.

District Solar Array Project:

Peace Energy Co-Op, based in Dawson Creek, submitted the successful proposal to install a 350 kilowatt solar array for the District. This will see solar panels installed on the new Public Works Shop, Arena, District Office, Curling Rink, and Tourist Info Centre. Ground mounted panels will provide power to the aerators for the new sewage lagoons. There may be more funds available through the grant which we accessed. If so, additional installations could be made.

The output of the panels put on each building is designed to match as closely as possible the historical usage of that building rather than producing excess electricity. That's because electricity fed into the grid in excess of the building's needs is credited to us at just 9.999 cents per kilowatt hour, while the District is paying between 11.25 and 12.84 cents/kWhr. So the District's best return on the solar investment is achieved by matching the solar output to the building demand as closely as possible, keeping excess production to a minimum.

In 2000, the District's total BC Hydro payments for the year were \$67,968.07. In 2016, they were \$171,913.26, an increase of \$103,945.19, or about 250%. This was despite some large conservation measures, such as replacing light bulbs in municipal buildings and in all the District-owned streetlights with LED lighting.

Hydro rate increases have become an annual occurrence. We are almost at the end of 5 years of annual increases that, when compounded, add up to 28%. Our increase this year was 3.5% on April 1st. In April next year, rates will go up another 3%. The government announced annual increases for 2019-2023 as well, but did not finalize the amount. BC Hydro is anticipating a 2.6% increase annually. That puts us to 2024, when Site C is expected to come on-line and rate-payers will start to see the Site C cost appear on their Hydro bill, which will continue for 70 years. So there's no end in sight to Hydro hikes. Peace Energy estimates that this addition of solar electricity will result in annual savings of \$49,540 per year for the District.

In addition to the cost savings, I believe there will be spin-off benefits and opportunities for residents. According to Peace Energy Co-op (PEC), the Hudson's Hope Solar Initiative will be the largest municipal solar project in BC, and one of the largest across Canada. It will help put us on the map.

There's an educational component too. Part of PEC's proposal for the District's solar project is to hold a public seminar before construction starts, and another when it is finished. In September, they will offer a seminar at the school so that students and staff can look at the benefits and career opportunities that are available in this fast-growing industry.

There is a lot of interest in solar energy in and around Hudson's Hope. Peace Energy hosted an information seminar in early March, which they report was attended by 80 people, mostly from Hudson's Hope but also from surrounding communities, including Prince George. A group of residents who are considering solar on their homes will have some on-the-ground expertise in the community over the summer to consult with. In addition, they are exploring a "group-purchase initiative through which they could leverage economies of scale to get bulk prices.

This is an innovative project that will hopefully benefit not just the District but also individual residents.

Disposal Well:

There is no word from anyone on the situation with the disposal well. We are still trying to get a meeting.

Police Report: March 2017

Hudson's Hope RCMP responded to approximately 15 calls for service over the last four weeks which included calls for abandoned vehicles, a commercial vehicle collision, lost property and injured animals. Hudson's Hope RCMP continued with traffic enforcement and conducted road checks to ensure safety of motorists.

On March 21st, 2017 Hudson's Hope RCMP and Hudson's Hope Fire and Rescue members attended Farrell Creek Road for a serious collision involving a commercial vehicle and tanker. No injuries resulted from the collision however the tanker was compromised and spilled part of its contents. The scene was quickly contained and cleaned up. A Commercial Vehicle enforcement officer attended and conducted a mechanical inspection of the vehicle. The file is still under investigation and the driver may be issued a violation ticket.

On March 29th, 2017 an abandoned vehicle parked at the entrance to Farrell Creek road was reported to police. The owner was unable to be reached and the vehicle was towed as it was blocking commercial vehicles from entering Hwy 29 safely.

On March 29th, 2017 Hudson's Hope RCMP mediated a family dispute over dog ownership. The incident was reported to police as a theft but was eventually clarified as a civil dispute over mutually owned property. All parties were referred to civil court to determine ownership.

On March 30th, 2017 a concerned citizen alerted police of possible stranded boaters on Dinosaur Lake. The citizen had noticed a vehicle and boat trailer parked in the lot overnight and became concerned for the boaters as they had not returned on the same day. Police elicited assistance from another boater who made contact with the possibly stranded boaters. All were fine and were just camping overnight. Thanks for the assistance fellow citizens.

Anyone with information regarding current or past investigations, or any criminal activity, is asked to contact the Hudson's Hope RCMP directly at 250-783-5241, or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

SPECIAL EVENTS REVIEW

A carpeting of snow was not the only surprise for the 45 kids who participated in this year's Easter Egg Hunt on April 15th. At the end of a Treasure Hunt the kids were joined by the Easter Bunny!

The kids rushed to find the bright colorful eggs in the snow and returned for their prize from the Easter Bunny himself. There were a few keen children who participated in some games which incorporated eggs (hard boiled of course!) The snow paint came out again and the sticky snow proved perfect for snow creations. Thanks to all those who attended and a huge thank-you to Elinor Morrissey, Chris Fequet, Kevin Wright and of course the Easter Bunny for helping hide the eggs, run activities and serve refreshments and hot cocoa.

District of Hudson's Hope **NEW** Public Works Shop OPEN HOUSE

The construction of the new public works shop is almost complete and it looks fantastic! An Open House for the public will be held in May to show off the new building.

Keep a look out in the coming weeks for our PSA, check our website or Facebook page or call 250-783-9901 for information.

Hudson's Hope Elementary-Secondary School

Do you want to support our School, and also get a chance to Travel for Free?

Our Parents' Advisory Council is putting on a raffle for a \$3000.00 Marlin Travel Gift Certificate. Only 1000 tickets are available. Tickets are \$10.00 each, and are available for purchase at the HH School office, Marg's Mini-Mart, and Legacy Grocery.

Draw Date is June 15, 2017.

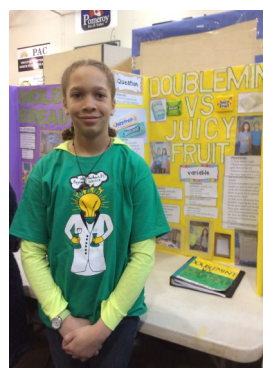

Jam Can Curling was once again an extremely successful event. Our students had a fantastic time participating in a fun day organized by Mrs. Winnicky and the Hudson's Hope Lions Club. A big thank you to all of the volunteers for helping to make this day happen for our students: Steve Metzger, Cassie Stark, Al Cartwright, Grace Okada, and Shawn Shepherd.

A big congratulations to the Hudson's Karate competitors for their great showing at a recent Karate Tournament in Penticton. Sean Hodgkinson put in a strong effort. Cole Norton received silver medals in Kata Single and Kata team events. Leneya Vig earned gold in individual Kata, her brother Keaton earned bronze in individual kata, silver in kumite, and silver in team kata. Sydne Douglas placed gold in Kata, and silver in Kumite. Iris placed Bronze in the Kata event, and won the Female Sportsmanship award for the entire tournament, which had around 200 competitors.

Congratulations to Austin Douglas who competed in his first boxing match on April 14th as a member of the 5 Star boxing club. The B.C. Boxing sanctioned event took place at the Pomeroy Hotel. Austin battled in front of a crowd of well over 600 people, competing in the middleweight division. He won his match by unanimous decision. Way to go Austin!

John Westhaver Presentation - On April 4th, the grade 10 & 11 students had the opportunity to speak to John Westhaver, and listen to his story about the brutal car crash he was in, which resulted in the death of 3 of his good friends, as well as extensive burns to his body. During the presentation our students listened carefully, and were definitely impacted by John's story. John is travelling throughout B.C. on behalf of ICBC's program to improve road safety.

Regional Science Fair - Our students did an amazing job of representing our school at the Regional Science Fair in FSJ.

Bronze Medals - Jaylen Moraice Budalich (partner Kayla Stuber), Leneya Vig.

Silver Medals - Brynn Beswick, Kadance Romanchych, partners Madison Beebe & Hadley Gilliss, Nero Weder & Cole Norton.

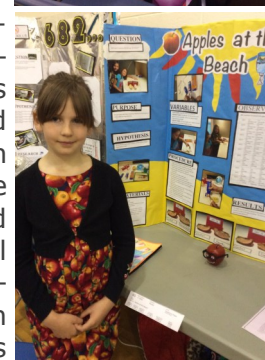

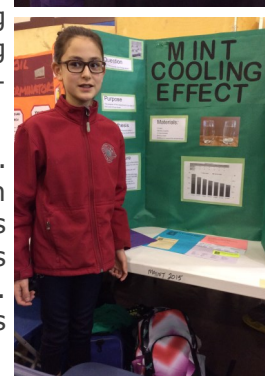

Gold Medals - David Schwartz, Charlie Kehl, Billie Naisby (partner Sophie Kehl) Lucia Pelly (partner Candela Matus).

Charlie Kehl also won a \$50.00 cash prize for winning the "sport in science" category.

A big shout out to Billie Naisby (partner Sophie Kehl) for winning the top grade 4 award for the entire North Peace Region! A big thank you to Mrs. Baytaluke, and parent volunteers for accompanying students at the Science Fair! Way to go HAWKS!

Upcoming Events - Our school has a very busy end of April/May. Our students will be participating in the Regional Heritage Fair on April 27th, Earth Day Cleanup, Jump Rope 4 Heart (raising funds and awareness for the Heart & Stroke Foundation), an Art Starts performance by "Ruploops", and our school wide Sports Day. Hopefully by the time you are reading this the weather has warmed, and the school field will be green!

Bamfield Trip: Our Biology 11 class will be travelling to the Bamfield Marine Science Center on Vancouver Island from May 5th - 9th for an exciting educational trip. While at the BMSC, students will be involved in a multitude of marine science workshops and hands-on activities including: Oceanography & Biodiversity in Grappler Inlet, Intertidal Exploration at Brady's Beach, Temperate Rainforest Ecology Exploration, Invertebrate Diversity Labs, and much more. They will also take part on an ocean trip on the vessel "Alta Star" to sample sea floor organisms (sea-stars, urchins, octopuses, crabs, fish, sea cucumbers, etc.). Thank you very much for the local support from B.C. Hydro, The Hudson's Hope Lions

Club, and the Hudson's Hope Volunteer Fire Department for helping to make this outstanding learning experience a reality for our students.

A big thank you to Ms. Rhymer and the grade 7/8 students for working hard to cater the lunch for our Regional Heritage Fair Judges. Our students did a fantastic job learning to make pasta from scratch!

Our younger students have been learning some excellent cooking skills with the help of our grade 7/8 cooking class. It's always a good feeling to visit the foods room and see how engaged the students are when they are putting together their recipes, and cleaning up!

Strongstart: HH StrongStart Program has approximately 41 participants attending the drop-in program from Monday-Friday 9:00am-12:00pm. Our program facilitates crafts, story time, healthy snacks, gym time, outdoor play, and free play for children ages 0 to 5 years. Our early learning environment offers an infant/toddler center, circle center, train center, kitchen center and dramatic play center.

The lucky door prize winner for April was Freya Rhymer-Stephenson receiving an interactive storybook. Celebrating birthdays this past month were Kostyn Cryderman, Vayda-Mae Herbison, Claire Gillis, and Hunter Koehn-King. April birthday wishes to Oscar Pelly and Esmae Matchett!

Mark Thursday, May 25th on your calendar as we will be having a BC Ambulance Paramedic in at 10:15am to present Infant/Toddler Choking as well as effective Handwashing Techniques.

Congratulations to Johnny Herrington who made the U16 Provincial Hockey Camp, and is playing for Team BC White in the BC Cup from April 19-23rd in Salmon Arm, B.C. Only the top athletes throughout B.C. in this age division are chosen to participate. During this time Johnny will take part in high level training and competition. Great work Johnny!

Congratulations to Henry Kehl, who made the U15 Provincial Hockey Camp, and will be heading to Penticton to participate in this high level opportunity. Way to go Henry!

School District 60 wants you to know...You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

Tip - Unstructured Play

- **having** a voice and making choices
- **providing** opportunities for eating or dressing without help
- **encouraging** putting away toys or clothes, helping set or clear the table

Why? When play is child-driven, children practice decision making skills, move at their own pace, and discover areas of interest on their own. The most creative play takes place outside of direct adult supervision. As you might remember from your childhood, we don't need to have every moment scheduled, and, in fact, some of the best creativity comes from being bored. To find out more information go to:

The 3 Steps

1: Know the Risks

Although the consequences of various disasters can be similar, knowing the risks in your region can help you better prepare. Across Canada, we face a number of hazards, such as earthquakes in British Columbia, blizzards in Nunavut and tornadoes in Ontario. In addition to natural disasters, there are other types of risks, such as power outages and industrial or transportation accidents.

Find out the risks most likely in your community by visiting the 'Know the risks' section from the **GetPrepared.ca** website or by calling **1-800-O-CANADA** to obtain our National Hazards map.

2: Make a Plan

Every Canadian household needs an emergency plan. It will help you and your family know what to do in case of an emergency. Your family may not be together when an emergency occurs. Plan how to meet or how to contact one another, and discuss what you would do in different situations.

It only takes 20 minutes to complete a personalized plan online. You can then print it out. Most of this information can be filled out on your own. You may need to get some information from your municipality. To complete your emergency plan online, visit the 'Make an emergency plan' page from the GetPrepared.ca website.

To fill out your home emergency plan, you will need to think about the following:

- ☐ Safe exits from home and neighborhood
- ☐ Meeting places to reunite with family or roommates
- ☐ Designated person to pick up children should you be unavailable
- ☐ Contact persons close-by and out-of-town
- ☐ Special health needs
- ☐ Place for your pet to stay
- ☐ Risks in your region
- ☐ Location of your fire extinguisher, water valve, electrical box, gas valve and floor drain

Keep this document in an easy-to-find, easy-to-remember place (for example, with your emergency kit). Photocopy this plan and keep it in your car and/or at work.

3: Get an Emergency Kit

In an emergency you will need some basic supplies. You may need to get by without power or tap water. Be prepared to be self-sufficient for at least 72 hours. Make sure your kit is easy to carry and everyone in the household knows where it is. Keep it in a backpack, duffle bag or suitcase with wheels, in an easy-to-reach, accessible place, such as your front-hall closet.

Basic Emergency Kit

- ☐ Water – at least two litres of water per person per day. Include small bottles that can be carried easily in case of an evacuation order
- ☐ Food that won't spoil, such as canned food, energy bars and dried foods (Replace food and water once a year).
- ☐ Manual can-opener
- ☐ Wind-up or battery-powered flashlight (and extra batteries)
- ☐ Wind-up or battery-powered radio (and extra batteries)
- ☐ First aid kit
- ☐ Extra keys to your car and house
- ☐ Some cash in smaller bills, such as \$10 bills and change for payphones
- ☐ A copy of your emergency plan and contact information
- ☐ Special items such as prescription medications, infant formula, equipment for people with disabilities or food, water and medication for your pets or service animal (personalize your kit according to your needs)

TIP: Keep a corded phone in your home, as most cordless phones will not work during a power outage.

Recommended additional items

- ☐ Two additional litres of water per person per day for cooking and cleaning
- ☐ Candles and matches or lighter (Place candles in sturdy containers and do not burn unattended)
- ☐ Change of clothing and footwear for each household member
- ☐ Sleeping bag or warm blanket for each household member
- ☐ Toiletries
- ☐ Hand sanitizer
- ☐ Utensils
- ☐ Garbage bags
- ☐ Toilet paper
- ☐ Household chlorine bleach or water purifying tablets
- ☐ Basic tools (hammer, pliers, wrench, screwdrivers, work gloves, dust mask, pocket knife)
- ☐ Small fuel-driven stove and fuel (follow manufacturer's directions and store properly)
- ☐ A whistle (in case you need to attract attention)

Check your kit twice a year to ensure contents are up to date. Re-stock as needed.
