District of Hudson's Hope Bylaw Information

The District will now be posting any recently adopted Bylaws in the Bulletin along with a short description of the Bylaw. To view the bylaws in their entirety, visit our website hudsonshope.ca, click on City Hall, then choose By-law Information from the drop down menu. Here you will find information and a link for local bylaws.

Council has recently adopted the following the bylaws:

Hudson's Hope Procedure Amendment Bylaw No. 875, 2016

This bylaw enables a youth attending Hudson's Hope School to be elected by their peers to sit on Council as a Youth Councillor.

If you are unable to access our website, stop by the District Office or phone 250-783-9901 for more information.

November at the Hudson's Hope Museum

Don't forget to mark your calendars – November 19th!!

The Historical Society will be hosting our fall Dinner and Auction!

Tickets are \$25 and available at the Museum and Marg's Mini Mart!

Our Annual Harvest Dinner is shaping up to be a wonderful night! We will be raffling off a backcountry trip into Tuchodi River, Mrs. Kylo's Brownies and many other amazing items! Bucket Draws, Card Draws and 50/50 will also be available! We will be serving a lovely Roast Beef Dinner, with lots of delicious sides and don't forget about our Pie Banquet and our full bar! (sorry no Minors) A small historical talk will also take place.

Let's We Forget

Come out and support your local Museum and Historical Society. We are still looking for donations for our silent auction and Auction, please contact the museum if you have any items to donate. This event will be held at the Hudson's Hope Community Hall.

November is also the month of remembrance, on November 11 at 11 am, take a moment to remember those that were, and are in service. The museum will have some of our military artifact on display during November.

The Next Historical Society meeting will be held on **November 17, 2016** at **1pm** in the afternoon in St Peter's Church Hall. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca

November hours are Monday to Friday 9-4:30!

Come in and learn something new about the beautiful valley that you live in! Don't forget to check out our Gething Exhibit.

Roxanne Beebe – Silver Icing
Loris Marking – Telus
Sportsman's Restaurant
Bill Lindsay

Greta Goddard – Class Act Fitness
BC Hydro Employees
Employment Connections

Thank you so much to my wonderful staff for finding time during your normal workday as well as from your home life to help make this event so fabulous! Thank you Diana Jewan for donating the baskets and cello wrap for our baskets. Thank you as well to our Library Board members who volunteered their time to help make this event great!

Children's Programmer, Toni Sandford

Storytime and Afterschool Clubs are up and running strong. Little ones have been singing, dancing, storytelling and doing craft and activities around themes such as Apples, Fall, Thanksgiving and Pigs. K-Grade 4 kids have been experiencing stories, games and hands on activities that surround crazy celebrated days of the year. Days such as: Make a Hat Day, Do Something Nice Day, Thank an Old Farmer Day and Hagfish day. Every week there is a surprise day to explore.

Please note that there has been an error in the Bulletin that we just caught... The Library is open to parents and tots from 9:45am-11:15am on Tuesdays: Parent and Tot Storytime from 10:00am-10:30am and Stay and Play from 10:30am-11:00am. Sorry for any confusion in the timing of this program.

Young Adult Programmer, Shellie Howard

Tween and Teen clubs: Have you ever made a Fairy/Elf Garden? Well join us in November and find out more info. Pretty amazing designs to see and do. Look for ideas and we will make them come true!!!!

We are also planning a karaoke night for teens and tweens!! We just need to figure out the

night!!! Like us on Facebook to stay up to date!

We will also be hosting a Young Adult Book Review night to let you know what is new and upcoming as well as reviewing some books in our Young Adult collection. This will be on November 30th starting at 6:00 pm. Please let Shellie know if you have any recommendations that you would like to present on that evening, the more the merrier!

December Holiday Camps! Kindergarten–age 10.

Due to the full week before Christmas that our community children will be out of school, in December we will be offering a week of pre-Christmas library camps! You will be able to register your school aged children in November for up to five days of spectacular fun for only \$30/day. Space will be limited but the library will be open for our regular hours as well, so children will still be able to drop in during normal library hours as well. Watch for more info to follow or visit Hudson's Hope Public Library on Facebook.

Item Donations

Toni Sandford – Junior Non-Fiction, Lenore Harwood – Adult Paperback, Cole Norton – DVD, Ray Gallant – 7 large boxes of books!, Hilde Jeffries – DVD, Sharon Jackson – Adult Fiction, Kristy Bruce – Adult Fiction, D. Smith – Adult Fiction.

Thank you so much to all of our wonderful community members for your donations. We are always accepting donations of used books and DVDs. Did you know that having DVDs in our collection actually increases our book circulations? It also allows our librarians to better understand what books to recommend to patrons who are taking them out!

For more information about library services please come in and speak to us. You may also contact us via telephone at (250)783-9414 or through our email addresses below.

*War came upon us without warning, like a thunderbolt from a clear sky...and here for the present we take leave of the Canadians in Flanders. After incredible hardships patiently supported, after desperate battles stubbornly contested, their work is still incomplete. Singer/songwriter and photographer Victor Anthony was born in Nashville in 1952. Old friends joke that he came into the world with a guitar in one hand and a camera in the other. In 2007, he and his wife immigrated to Canada from Cumberland County, Tennessee. March of 2015, Victor released his first Canadian CD of original material, *Mystery Loves Company*. His musical style is firmly based in the roots tradition of the American South, but the lyrics are up-to-date vignettes of life and love, full of rich visual imagery and simple truth. Recently Victor was honoured to have three of his songs recorded by Canadian music icons, David Gogo, Gary Fjellgaard, and Valdy. www.victoranthony.ca

School District 60 wants you to know...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

Tip - Words Around Us

- look at letters and words while you walk, drive or eat
- point out letter S for Stop sign, M for McDonalds
- say the sound and the name of the letter
- find the first letter of your child's name on signs or in weekly flyers
- read the cereal box or milk container during breakfast
- talk about all of the different types of letters or sounds you see or hear

Why? Recognizing words and letters will help your child learn to read and write. To find out more information go to: www.familyfriendlycommunity.ca or www.earlylearning.prn.bc.ca

Hudson's Hope Pharmacy

Stacey Dixon

As you all probably know, our tele-pharmacy is at risk of closing because the BC College of Pharmacists, the professional association which governs pharmacies, made a decision that as of December 31, 2016, tele-pharmacy employees would have to be pharmacy technicians, rather than pharmacy assistants, which is what both Hudson's Hope Pharmacy employees are/were.

Stacey Dixon, one of the assistants, registered to become a qualified technician, and after years of courses, assignments and practicums, she had only one short work-experience left before graduating as a fully qualified Pharmacy Technician. We thought we were home free! Tragically, Stacey died very suddenly on October 16. It is just so sad and so unfair! She was so determined to do her part to keep our local pharmacy open that it just doesn't seem right that after all those years of hard work, and being so close to success, that it was taken from her and from us. Our hearts and our condolences go out to her family, relatives and friends.

Going Forward: Letters of Support Needed

Despite the sad setback, we will continue efforts to ensure that our Pharmacy can continue to operate. Last spring, we submitted a resolution to the Union of BC Municipalities (UBCM) asking that the province and the College work together to find a solution for small-town pharmacies. Our resolution was endorsed at the annual Conference in September. That means that finding ways to keep small-town, rural pharmacies open is now an official policy of local governments in BC. We will ask UBCM to write a letter supporting our efforts.

Please send letters of support to the College of Pharmacists explaining why it is important to you to keep the Hudson's Hope Pharmacy open, especially how the health of you, your family, or the community will be affected, if it is closed.

Letters can be sent to:

Angela DeSmit, Chief Operating Officer,
Northeast Health Service Delivery Area,
College of Pharmacists of BC,
200-1765 W 8th Ave., Vancouver, BC,
V6J 5C6

Angela.DeSmit@northernhealth.ca

Fax 800-377-8129 or 604-733-2493
info@bcpharmacists.org

We, along with Northern Health, the College of Pharmacists, the provincial Ministry of Health and Health Canada are working together to work out a system that will work for all. Live video feeds may be required. I believe that with all the agencies

and our local government working together, we will find a way. Please do write those letters! They will help a lot. Thanks.

Landlords Be Aware!

In the near future, RCMP will be hosting an information session on how landlords can protect themselves when they rent out property. As some of our citizens discovered last week, being a trusting, small rural town doesn't exempt us from big town urban problems. It turns out that a man claiming to be a construction worker in need of a place to live was instead intending to set up an illicit lab to manufacture illegal pills. Instead of rental income, the house owners are now left with a contaminated site to deal with.

If you have rental property, keep an eye out for the upcoming RCMP information session and do attend to get tips on how to protect yourself.

Advice from the BC Water Comptroller:

If you have a well, make sure that you keep all records, including when it was drilled, test results, changes in quantity or quality etc.

If you use the well for anything other than domestic use, your well will need to be registered. There is no cost if you register it within the grace period, which right now is February, 2017. The grace period may be extended, but when it is over, a fee will be charged.

Shop:

The new Public Works Shop is well underway. The gas line is in, the trusses up, and the main roof is on. The latter must be a welcome accomplishment for the crew, given the nasty weather. Despite the weather, Integrity still expects us to be able to take possession by the end of the year.

DISTRICT OF HUDSON'S HOPE

Business walk launched in Hudson's Hope

The North Peace Economic Development Commission is pleased to announce that they conducted a Business Retention and Expansion program for shop-front businesses in the District of Hudson's Hope on Wednesday October 19. Teams visited 20 businesses in the short 3 hour session. This program is a partnership with District of Hudson's Hope, Ministry of Jobs, Tourism, and Skills Training, Community Futures Peace Liard, and Fort St John & District Chamber of Commerce and Community Futures Peace Liard.

The team will be conducting an evening session for home-based businesses on November 8 at the Pearkes Centre at 7pm. This is an opportunity for the business community to engage with Council, District staff, and business support organizations to share their thoughts on the local business environment, challenges, and future plans. Please join and RSVP to info@npedc.ca or 250.785.5969

Business Retention and Expansion, or "BRE", as it is often called, is considered by many communities to be the cornerstone of their economic development plan. And it should be! Existing businesses provide jobs for local residents and tax revenue for the community, encouraging them to stay (retention) or grow (expansion). In its simplest terms, business retention and expansion programs encourage local businesses because it shows that the community cares about them. The information gathered through the program provides live business intelligence to attract new investment, foster and support growth of the existing investment, and identifies key challenges facing the business sector of the region. This information is vital to developing and maintaining environment that is business and investment friendly. This also creates the opportunity to connect businesses with the resources and supports they need to create and maintain thriving businesses. This Business Walk is just the launch of an ongoing relationship with the business community.

With a mission to "support, foster, and stimulate the North Peace region as a significant and sustainable economic driver, through collaborative efforts," the North Peace Economic Development Commission focuses on building regional alliances, providing leadership, information and research and eliminating the barriers to economic development in the North Peace region as it serves a regional population of 65,000.

The NPEDC will be providing an outlook for the Bulletin of the overall results early in the New Year. The team would like to thank all of the businesses who are taking part in the program.

Police Report: October 2016

Hudson's Hope RCMP Detachment responded to approximately 40 calls for service over the last four weeks. Five motor vehicle collisions occurred during this time. One impaired driving investigation was initiated.

On September 28th, 2016, Hudson's Hope RCMP was advised of suspicious person(s) attempting theft from a motor vehicle on Beryl Prairie Road. No suspects have been identified at this time. Citizens are reminded to lock their vehicles and remove any valuables from view.

On September 28th, 2016, a driver left a vehicle in drive when stopped at Fas Gas and the vehicle subsequently continued across Canyon Drive. It entered the parking lot of Stillwater Inn and collided with a parked vehicle. Luckily no injuries resulted. The driver received a warning regarding not ensuring the vehicle was in park.

On October 12th, 2016, Police were advised of a damaged gate and fencing on a rural property of Beryl Prairie. Unknown person(s) used force to enter a property, likely to hunt without permission. The file remains under investigation.

On October 18th, 2016, Police, BC Ambulance, and Hudson's Hope Fire and Rescue were called to single vehicle collision on Highway 29 near Farrell Creek. A vehicle was observed in the river at the bottom of a cliff. A male driver was recovered at scene. The cause of the collision is still under investigation.

On October 15th, 2016, Hudson's Hope RCMP was alerted by the landlord of a local residence, of the presence of a hazardous and toxic substance left inside by tenants. A search warrant was obtained and the residence was searched by police. The substance was tested and found to be a controlled drug, Fentanyl, which is extremely toxic and hazardous. This incident is still under investigation.

Anyone with information regarding current or past investigations, or any criminal activity, is asked to contact the RCMP directly, or anonymously through Crime Stoppers at 1-800-222-8477.

THE DANGERS OF ILLICIT DRUGS: NOT JUST A CITY PROBLEM

The effects of fentanyl are unpredictable. Users have no idea of the level of purity or the potency of what they take.

Fentanyl is a synthetic product that is part of the same family as morphine. However, it is fifty to one hundred times more potent.

Fentanyl can be absorbed through the skin or by inhalation and cause damage to health. It is prescribed to relieve chronic pain.

In the form of powder, fentanyl is sometimes sold as heroin. In the form of tablets, it is sometimes sold as OxyContin^{MD} or any other opiate.

When mixed with antidepressants, fentanyl is potentially mortal. Abuse of prescription drugs can lead to addiction and be just as harmful as illicit drugs.

The possession of this substance without a prescription is illegal. The drugs as well as the precursors used to produce them are included in Schedules I to VIII of the *Controlled Drugs and Substances Act*. Offences range from simple possession to possession for the purpose of trafficking, trafficking, importing, exporting, possession for the purpose of exporting, and producing. All these offences are punishable by criminal sanctions.

Fentanyl is a highly potent and addictive synthetic opioid analgesic that is estimated to be up to 100 times more potent than morphine. Fentanyl has legitimate medicinal uses as an anesthetic and for severe pain management, and is regulated under the Food and Drugs Act as well as under the Controlled Drugs and Substances Act. Domestically, illicit fentanyl can be found in powder or liquid form as well as pressed into tablets mimicking the appearance of known pharmaceuticals such as OxyContin. Rental properties are being used to facilitate manufacture of illicit drugs through clandestine labs, causing significant health risks and property damage.

PROTECTING YOUR RENTAL PROPERTY: KNOW WHO YOU RENT TO

Knowing your rights and obligations as a Landlord is very important when protecting your property. Knowing the proper processes for obtaining renter information and regularly checking your property will benefit you as a Landlord. Before you rent your property, know your rights by viewing the Landlord Tenancy Act and the Office of the Information and Privacy Commissioner websites at the following links:

PROTECTIVE SERVICES

What is a Winter Tire?

British Columbia accepts "mountain snowflake" or "mud and snow" tires with at least 3.5 mm tread as winter tires.

Check your tires for these signs:

The mountain/snowflake symbol on the side of the tire These winter tires offer the best traction on snow and ice, and in cold weather.

The mud and snow symbol on the side of the tire These winter tires offer better traction than summer tires, however, they are less effective than mountain/snowflake tires on snow and ice, and in cold weather.

3.5 mm tread Tires must have 3.5 mm of tread remaining to be considered winter tires.

Matching Winter Tires You must have at least 2 **matching** winter tires on the same axle, but **it is recommended to use 4 matching tires.**

Studded Tires

May be used on BC highways from October 1 to April 30, but **must** have mountain/snowflake or M+S symbols to be considered winter tires.

When are Winter Tires or Chains Right for Me?

Winter tires and chains can make your vehicle safer.

You **MUST** use winter tires (passenger vehicles) or carry chains (commercial trucks) between October 1 and March 31 on **most BC Highways.**

British Columbia's climates range from freezing cold to pleasantly mild in the winter; equipping your vehicle appropriately depends on what you are driving and where you are driving. Drivers in some parts of the southern coast, where regulations are more relaxed due to warmer weather, should use discretion when equipping their vehicles.

More winter driving tips can be found at the below link.

Special Events Review

Perfect Pumpkin Painting

So much fun was had at the pumpkin patch this year! Thank-you to the 82 creative painters who came out for the merriment. A special thanks to Caitlin Vince, Rhonda Eastman, Save-On-Foods, and Safeway for supplying the pumpkins and Angie and Darwin Watson for lending the hay for the pumpkin patch. A huge thanks to the event volunteers Bob, Christopher and Celina.

Hudson's Hope Elementary-Secondary School

Congratulations to our High School and Junior Rodeo Competitors. I was able to catch some of our local Rodeo last month, and have also been enjoying the celebrations students have been sharing regarding rodeos around our region. It sounds like much of the season is now wrapped up. It takes dedication and practice to perform! Way to go Ben Jackson, Sarah Haagsman, Jacob Kempster, Jade Rowe, Keirsten Deitner, and Carson Gunderson. Keep up the great work!

Our **Open House & BBQ** was an enjoyable evening. Thank you to all of the folks who came out to join us. A special thank you to Tim Viers for volunteering to flip burgers! Also thank you to parents for bringing burger fixings and desserts and other food items.

Photo credit: Paige Marie Photography

Our **Tree Planting** Event was a lot of fun. We organized our whole school into groups, and planted a lot of beautiful trees! A big thank you to W6 for donating machinery and topsoil. Also a huge thank you to Lannie Rhymer, Aaron Lepine, and Bill Lindsay for volunteering so many hours (in some pretty yucky weather).

The **Terry Fox Run & Dunkin' For Terry Fox** was amazing. Everyone had a lot of fun, and showed fantastic school spirit. Once again, our secondary students did an excellent job supporting their younger peers. Also, we have some amazingly

accurate ball-throwers in the primary grades! There were a lot of "Dunks"!

GREAT NEWS! Progress Energy is once again sponsoring our Healthy Snack Program. We recently received \$5000 in funding to ensure our students have healthy snacks for the entire school year! Thank you Progress Energy for your generous support!

Congratulations to our newly formed Junior Girls' Volleyball Team. They recently competed in their first tournament in Dawson Creek, finishing second overall! A huge thank you to Tim Viers for volunteering his time and skills to coach yet another team. Good Luck HAWKS!

Our **Senior Girls Volleyball** Team have also competed in Prince George and Dawson Creek. The girls are playing against tough competition, and performing admirably. Have an enjoyable season girls. Thanks for coaching Mr. Heiberg!

HAY, thanks for your help! I'd like to extend our appreciation to the Bruce & Debbie Brough, as well as Jan & Elisabeth Haagsman for your generous donations of hay for our Equine Program. Providing this programming is a very unique and valuable opportunity for our students, and we greatly appreciate community support. Thank you!

Congratulations to our new "Jr. Firefighters": Zack Milliken & Jade Rowe have joined the Beryl Prairie Fire Hall, and Samantha McKeown, Tess Herrington, and Conner Silk have joined the downtown hall. The Jr. Firefighter program provides excellent opportunities for our students to learn numerous hands on skills in a very real environment.

Congratulations to Brandon Clark! He has made the NeBC Trackers "AA midget" team. Brandon is of course playing in the goaltending position, and is enjoying the challenge. Keep up the great work Brandon!

Congratulations to Tess Herrington who is currently playing defense for the LB Energy Predators (Midget-Elite) hockey team. Way to go Tess!

This is a short **recognition note for Bill Lindsay**. Bill is constantly volunteering to support our school and community programs. We greatly appreciate the numerous hours Bill contributes to help ensure that we can provide opportunities for our students to shine. Thank you Bill!

Pay it Forward: Just a reminder that we have an account set up with the Hudson's Hope North Peace Savings & Credit Union to support families in our community. The purpose of this endeavor is not to provide "charity", but to help folks through a tough period. Should you choose to donate, please be aware that you will not know whom your donation is going to; simply that it will be to support families in our community. Any of us can suddenly face changes in our lives that seem overwhelming. Hopefully we can all support one another so there is help when it is "our turn". If you would like to make a donation to the "Pay It Forward" account, the number is: 968412.

Our School Remembrance Day Assembly will be on Thursday, November 10th at 10:45am, in the gymnasium. Community members are welcome to join us.

Our **School Science** Fair is on Wednesday, November 16th. Public Viewing of projects is from 1:45 -2:40. Come on out and see the great work our students have been doing.

Once again Liza Rhymer and school volunteers will be baking cookies for **Christmas Hampers** this year. If you would like to donate supplies, please drop off any of the following: white flour, white sugar, eggs, butter, margarine, and/or chocolate chips. Apparently we have a LOT of raisins, so please do not donate any of them this year. Thank you for your support.

We have a large selection of **School Clothing** available for purchase including hoodies, jogging pants, hats, baseball shirts, long and short sleeved t-shirts. We have stock on hand; please inquire at the school for a list of sizes and prices.

In Loving Memory Of Stacey Dixon

March 21, 1970 ~ October 16, 2016

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand, one belonging to him, and the other the LORD. When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life. This really bothered him, and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me." The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, When you see only one set of footprints, it was then that I carried you."

Employment Opportunity
Service Specialist
Location – Hudson Hope

North Peace Savings and Credit Union (NPSCU) is recruiting dynamic individuals who thrive in a culture of service excellence. NPSCU is a full-service financial organization offering retail and business banking, investment and insurance products and has proudly served the north for over 65 years. With 12,000 members amongst its four branches, NPSCU remains committed to the social and economic well-being within the communities it serves. NPSCU is the recipient of the National Credit Union Innovation Award, Canada and runner up for the Innovation Award through the Credit Union Executive Society.

To continue supporting our member needs across the organization we will be recruiting for a Service Specialist. The successful candidate will work out of our Hudson's Hope branch delivering services to all our members through Face 2 Face Video Banking, online, smart offices and mobile technologies. This is a part time role, based on 10 – 18 hours per week.

The Service Specialist plays a critical role in our success through building lasting relationships with members and providing a superior service experience. The Service Specialist will recognize member needs and promote products and services to members and potential members, while maintaining a high degree of accuracy and complete confidentiality. This person will demonstrate dedication to providing quality member service while maintaining a positive attitude towards NPSCU initiatives and change management.

Are you a goal orientated individual looking for employment with the opportunity for career advancement? Do you have effective relationship building and cash skills with an honest desire to ensure positive outcomes that benefit NPSCU, peers and our membership? If so, we want to hear from you!

The successful candidate will possess a secondary school diploma or GED. Previous financial services experience an asset but not mandatory. Keyboarding skills and familiarity with personal computers required. Please provide a cover letter and résumé in confidence to:
