NEW Library Hours

Monday	12:00 pm – 5:00 pm
Tuesday	10:00 am – 5:00 pm
Wednesday	12:00 am – 6:00 pm
Thursday	11:00 am – 7:00 pm
Fri/Sat	12:00 pm – 5:00 pm
Sunday	Closed
Stat Holiday	Closed
Holiday Weekends	Closed

Library Hours: Our apologies for providing the incorrect new hours as advertised in the Bulletin last month. The hours included this month are the correct hours.

Adult Programs – Amber Norton, Library Director

Conspiracy Book Club: Our first meeting was so thought provoking! We had a great time discussing the theory that the Minoans from Thera (modern day Santorini) were the true Atlanteans and that they were very likely to have discovered North America before Columbus. For our meeting in November, we will focus on Antarctica and be covering topics such as Nazi technological and land exploration in WWII, flying saucers, Atlantis Theory, Atlantic Treaty, Operation Highjump, etc. We're still working on finding an equitable source to obtain the title that we really want, so stay tuned to our in-library book display to see the next recommended title.

Walk-In Book Club: Did you know that we have a book club that doesn't have a group meeting? Well, we do! Starting back up this fall we will be choosing a new book from our in-library book club sets every three weeks. This means we will have two titles on the go at all times! If you'd like to be part of this club, just ask! We share your name with the other book club members so if you run in to them out and about during your day, you can stop and chat about your latest title. Easy peasy!

InterLibrary Loans – Nancy Smith, ILL Clerk & Bookkeeper

Did you know we house a collection of book club sets that includes over 100 titles that are shared among 5 federations including over 60 libraries?! On average, we send around 4 sets per week throughout the province! Some months our average is over 7 sets of 10 books per week! Let us know if you are interested in starting up a new book club or if there are any items that we can order in for you.

Children's Programming – Toni Sandford, Children's Programmer

School is back in, there's a chill in the air, and the leaves are cascading about us. This means we are well into fall children's programming at the library. This year's plans revolve around STEAM fun. STEAM is an educational program developed to prepare students for study in the fields of science, technology, engineering, art, and mathematics (STEAM). In addition to theme specific learning, STEAM aims to foster inquiring minds, logical reasoning, and collaboration skills.

Library Club for K-Grade 4 will meet on Wednesdays from 3:30 to 4:30

This month our books and themes will include Thanksgiving, marvelous marbles, elephants and dragons. Children will be challenged to build teepees with newspaper, learn mathematical marble games, and build a large marble run, while on elephant day kids will explore how to build a bridge that holds 21 jungle animals and finally on dragon day create dragons and clay dragon eggs.

StoryTime & Stay and Play for Parents & Tots Tuesdays 10:00-11:00am

Preschool children will experience various aspects of STEAM at their age level along with action songs, games and a time of play afterwards with friends. Storytime is a good place for children to begin to understand routine in a fun setting without big expectations. October themes include Thanksgiving, Dr. Seuss Day, Mice, the Forest, and Harvest Halloween.

Young Adult Programming: Shellie Howard, YA Programmer

Through our YA Programs we strive to be more inclusive to a wider range of ages. We offer programs that strive to keep our young people interested as they grown in to early adulthood.

LEGO Challenge for ages 8+ goes from 3:15 until 4:45 on Mondays

This program provides a great venue to explore science, technology, engineering, art and math. Our weekly challenges range from easy to obscure. For instance in the past we have made simpler projects such as making flags to building a replica of a well-known tower, such as the Tower of Pisa or the Eiffel Tower!

Teen Drop-In on Thursdays from 5:00-7:00. Last month the teens that attended the Pizza Party were able to tell Shellie what they would like to include in their program. If your teen missed out on giving their input, they can let Shellie know at any time! Through their brainstorming genius, their program will now include movie nights, paint nights, cooking instruction and even a special event to have a NERF WAR!

Tween Thursdays for young adults in grade 5-7 from 3:15-4:45

This program offers games and crafts that are more age appropriate for tweens. These more grown-up offerings and dedication to older children has proved to be very enticing! From indoor snowball fights to maze building to building towers out of marshmallows and spaghetti...so much fun to be had!

Program Supply Donations:

Legacy Village Market: Thank you for supplying the library with a discount on our teen party purchase!

Sportsman's Inn: The teens devoured the large pizza that you donated for our Pizza Party! Thank you so much for providing us with a gift certificate for a large pizza!

We really appreciate your kindness!

Item Donations-Thank you to the following patrons for donating items this month!

Shellie Howard – 1 Adult Fiction

Celina Fequet - 3 HC classics & 2 YP books

Norton Family – 4 adult DVDs, 1 YA DVD, 3 YA fiction

Annika Quibell - 8 YP titles

Sandford Family – 56 movies & books!

Quibell Family - 9 DVDs

Porter Family – 2 boxes of non-fiction!

Brooklyn Howard - 1 paperback YA

Margie Viers – 8 classic titles

Anonymous - 2 paperback fiction

Join a book club to access this book from our book club sets,
or access the title through Inter Library Loan or as an eBook
through Overdrive.

**THE HUDSON'S HOPE ARENA WILL BE OPENING
ON MONDAY, OCTOBER 2ND, 2017.**

**PLEASE VISIT OUR WEBSITE AT
www.hudsonshope.ca
FOR UP TO DATE SCHEDULES!**

Travelling Eye Clinic

North Peace Optometry Clinic will be hosting a travelling eye clinic at the Hudson's Hope District Office October 18th, 19th, and 20th.

Dr. Herriot will be providing comprehensive eye examinations for individuals of all ages. We encourage all children to have their eyes examined yearly and adults at least every two years as they are important for early detection of vision problems including eye disease. The examination fees are \$35 for children, \$110 for adults, and \$60 for seniors.

Please bring your MSP card and any third party insurance plans. We will have a selection of glasses, safety eyewear, and contact lenses available. For BC Hydro employees, we are able to dispense prescription safety eyewear that is paid for by your employer.

Please phone our office **250-785-8055** to make an appointment for the Travelling Eye Clinic.

School District 60 wants you to know

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

October's Tip — Singing

- **sing** songs or nursery rhymes while you drive, cook, clean, or cuddle
- get **active** with action songs
- have your child **predict** the last word
- **make** your own music
- **listen** to different kinds of music

Why?

Singing rhymes helps your child learn patterns in language and builds vocabulary. It also helps with predicting, an important skill when reading.

To find out more information go to: www.familyfriendlycommunity.ca or www.earlylearning.prn.bc.ca

Hudson's Hope Elementary-Secondary School

Greetings Hudson's Hoppers! Our school is off to an energetic and exciting start to the 2017-18 school year. We have some new staff-members who have joined our team and community:

Dillon Donahue - Dillon joins us from New Brunswick. He is primarily teaching secondary courses including secondary English/SS.S., French, and elective courses. Dillon is an outdoor enthusiast, and also has a strong music background.

Maria Prefontaine - Maria joins us from Cranbrook, B.C. She was a student at Hudson's Hope school many years ago, and also completed a practicum with a grade 5-6 class. Maria is our new kindergarten teacher.

Deanna Unruh - Deanna joins us from Saskatchewan. She has a very strong music, drama, and voice background. Deanna is teaching elementary music and drama in all of our elementary grades, as well as providing Library support.

Amy Perry - Amy joined our team for the latter part of last year, and is now team-teaching the grade 4 class with Mrs. Baytaluke, as well as providing Learning Assistance support, and teaching secondary English & Biology.

James MacDonald - James has technically been on our team for many years as the S.D. 60 Cameron Lake Outdoor Recreation Facilitator. However for the first semester of this school year he is sharing his Forestry expertise, and teaching secondary Forestry & Environmental Studies courses.

Please join me in welcoming these fantastic and energetic new community members!

Thank you Canfor for your very generous donations of equipment to support our new Forestry & Environmental Studies Courses. Our students can now utilize: 2 climos, 2 Incubores, 1 milar chain, 2 prisms, 2 biogeo zonebooks, and 2 diameter tapes. We greatly appreciate the help of Shelley Miller and Jon Gibbons for helping to gather these important tools for our school.

Thank you to Daryl Johnson for donating a milar chain to further support our Forestry & Environmental Studies students.

Thank you to Progress Energy for once again supporting our Healthy Snacks program for the 2016-17 school year. Thanks to their generous support, our students have enjoyed healthy fruit, vegetables, and other energy foods for many years now. In addition, this program has provided opportunities for our students to learn about the costs of food, estimating, baking, and measurement. The support from **Progress Energy** has really made a positive impact in our school. Our students empty out the "snack baskets" every single day, and greatly appreciate having healthy snacks available.

Shad Valley - A big congratulations to Adam Burkitt for being accepted to and participating in the Shad Valley experience. If you've never heard of Shad Valley, check out <https://www.shad.ca/>

Every year about 900 of Canada's "Best and Brightest" are chosen to attend Shad Valley. Thousands of students across the country apply to attend Shad Valley, while only a small percentage are selected. If selected, students experience a full month of experiential learning in areas such as technology, engineering, arts, and mathematics.

Adam attended the University of Saskatchewan in Saskatoon, from July 2nd-27th. In

Adam's words - "This experience has prepared me for my next level of education. The concept of going to a large center with people I've never met before is now actually exciting to me, rather than daunting". Congratulations Adam for your accomplishments, and thank you for sharing and promoting this experience with students at our school.

Wrestling - Thanks to support from B.C. Hydro, as well as a parent volunteer (Coleman Mercereau), our school now has our first ever wrestling club. Coleman is working with grade 7-12 students once a week to start getting interest going in this excellent sport. Thank you for volunteering your time Coleman!

High School Rodeo - Congratulations to Sarah Haagsman, Carson Gunderson, and Ben Jackson for a strong effort during our local high school rodeo in September. It was very enjoyable getting to watch some of the action. It sure looks like a lot of time and effort for all the volunteers to organize this event for our students and community!

Student of the Week Awards

September 5-8

Esmae Matchett, Emily Schwartz, Austin Fieber, Sheigh Siemens, Keegan Lepine, Adam Burkitt, Keelin Kortzman, Annika Quibell, Haden Fieber

September 11-15

Torah Fieber, Austen Lepine, Xander Hills, Davida Naisby, Megan Matus, Martell Loberg, Gideon Deardorff, Jaylen Moraice Budalich

Hudson's Hope StrongStart:

Welcome back! For those of you whom are unfamiliar with our StrongStart program we are located at the elementary entrance of the Hudson's Hope School. My name is Dee and I am the Early Childhood Education Facilitator. StrongStart BC Early Learning Program provides school based early learning services for families and their children. A variety of activities are offered, including dramatic play, puzzles, blocks, stories, music, and art are available to support children's learning and development. Adults attending StrongStart can expect to participate in organized sessions like circle time, gym time, snack time and children's play activities.

We are open from 9am – 12pm Monday to Friday with the exception of statutory holidays. Our first week of opening, we saw fifteen families participate in our program. This year, we are excited to announce that we have gym from 9:40 – 10:15 daily. Don't forget to enter your name in the draw box for this month's prize!

Terry Fox Run: Once again our students and staff participated in a school wide Terry Fox Run to celebrate this wonderful hero and show our support for cancer research. We enjoyed a perfect Fall day with fantastic weather. A big thank you to our local RCMP for providing a safety presence during our run.

October 2017

7

The Bulletin

Field Trips: Our students have been enjoying some great field trips to start out the school year. Our grade 3's are getting reacquainted with the beauty of the Cameron Lake Outdoor Education Centre, the grade 4's visited Watson's Slough as part of their science-biology unit, the grade 7-9's Foods class visited "The Rustic" to learn about organic gardening, and our grade 5/6 class has already started to learn a bit about Natural Horsemanship with the Senior students.

Canteen Entrepreneurs! Congratulations to Mrs. Kehl and her grade 5/6 students. They are doing a wonderful job operating the school canteen, and providing a variety of menu options for all of our students. In the process they are learning a lot about how to run a business, prepare food properly, advertise, and clean. Keep up the great work!

Art Starts Performance - Gerald Laroche will be performing at our school on October 13th at 9:00am. Gérald Laroche is an internationally known harmonica virtuoso, musician, composer and storyteller. A Juno award-winner, his music combines elements of jazz, blues, African rhythms, traditional French Canadian and world music. He has performed in North America, Africa and Europe, where he has been called a "nouveau storyteller". He has brought his magical performances to young audiences for the past 35 years. We are greatly looking forward to Gerald's performance! We may open this performance up to community members for a \$5.00/person entrance charge, please contact the school if you plan to attend so that we can add your name to the guest list and provide seating.

Our Open House BBQ was very well attended. The school was filled with the sounds of student laughter, and great conversations! I would like to extend a big thank you to Josh Jarnagin and Tim Viers for cooking over 200 burgers & hot dogs. Also thank you to Ms. Rhymer and her grade 7-8 Foods class for preparing salads and healthy beverages. Thank you to the many parents and relatives who brought additional food items. Lastly, thank you to staff and student volunteers for your help with setting up and cleaning up.

--
Derrek Beam
Principal,
Hudson's Hope School
School District #60 - Peace River North

Hudson's Hope Parent Advisory Council

As the new year begins we have started meeting again and look forward to the coming school year.

Our executive members are:

Tim Viers - President

Heidi Naisby - Vice President

Amber Norton - Secretary / Treasurer

Our next meeting on Oct. 11 at 5pm at the school library, everyone who has children attending the school this year is welcome to attend.

If you would like more information on who the PAC are and what we do, please feel free to contact one of the executive members or join us at our next meeting.

Pastor Tim Viers
Hudson's Hope Bible Fellowship
250-783-3107

You're invited: meet our Board members

Meet our Peace Region Board members. Learn about the 26 fish and wildlife projects the Board approved this year for \$2.2 million. The projects are underway now to conserve and enhance fish and wildlife impacted by construction of existing BC Hydro dams. Let us tell you about our grants, and how you can apply next year. Join us for an informal discussion and light snacks.

When: Wednesday, October 11th, 2017
3:30 p.m. – 4:30 p.m.
Where: Prince George
Ramada Hotel, Cedar Boardroom, 444

George Street

Learn more about the Fish & Wildlife Compensation Program and subscribe at fwcp.ca. Talk anytime with our Peace Region Manager Chelsea Coady at Chelsea.coady@bchydro.com or 250-561-4884.

The Fish & Wildlife Compensation Program is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations, and Public Stakeholders, to conserve and enhance fish and wildlife impacted by existing BC Hydro dams.

October at the Hudson's Hope Museum

Don't forget to mark your calendars - November 18th!!
The Historical Society will be hosting our fall Dinner and Auction!
Tickets are \$25 and will be available at the museum!

Come out and support your local Museum and Historical Society.

We are looking for donations for our silent auction and Auction, please contact the museum if you have any items to donate.

This event will be held at the Hudson's Hope Community Hall.

The Hudson's Hope Historical Society Cookbook is well on its way! We will hopefully have it available for purchase for the Christmas Season! Thank you to all that donated recipes and information for it!

The Rutledge Building project is coming along, and we can't wait to show off our new space! Thank you again to all the volunteers, and contractors who have helped get this building to where it is today!

The Next Historical Society meeting will be held on **October 29, 2017** at **1pm** in the afternoon in St Peter's Church Hall. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca

October hours are Monday to Friday 9am - 4:30pm!

Elinor Morrissey – Museum Curator

District of Hudson's Hope Bylaw Information

District of Hudson's Hope Official Community Plan Amendment Bylaw No. 888, 2017

Council gave Third Reading and adopted the "*District of Hudson's Hope Official Community Plan Amendment Bylaw No. 888, 2017*" at the Regular Council Meeting held on August 28th, 2017. Bylaw 888, amends the District of Hudson's Hope Official Community Plan Bylaw No. 822, 2013" by changing the land use designation of Parcel A(R33952) of Block 7, Section 19, Township 81, Range 25 West of the 6th Meridian Peace River District Plan 1679 Except Plans H733, 27536, and PGP 36042 from Light Industrial to General Residential. A Public Hearing was held August 28th, 2017 at the Regular Council Meeting.

District of Hudson's Hope Zoning Amendment Bylaw No. 889, 2017

Council gave Third Reading and adopted the "*District of Hudson's Hope Zoning Amendment Bylaw No. 889, 2017*" at the Regular Council Meeting held on August 28th, 2017. Bylaw 889 amends the "*District of Hudson's Hope Zoning Bylaw No. 823, 2013*" by Changing the zoning of the Parcel A(R33952) of Block 7, Section 19, Township 81, Range 25 West of the 6th Meridian Peace River District Plan 1679 Except Plans H733, 27536, and PGP 36042 from M1(Light Industrial) to R2(Multi-unit Residential). A Public Hearing was held August 28th, 2017 at the Regular Council Meeting.

Hudson's Hope Safe Premises Bylaw No. 890, 2017

Council adopted the "*Hudson's Hope Safe Premises Bylaw No. 890, 2017*" at the Regular Council Meeting held on August 28th, 2017. The bylaw's purpose is to govern how owners maintain their property in allowing tenants to inhabit their property re the safety conditions thereof. It spells out the owner's safety responsibility in maintaining standards and living conditions of the property before a landlord may allow someone to inhabit such property. And should a landlord find the property has deteriorated from the initial acceptable conditions the landlord must vacate the premise until such premise has been brought back to the bylaw's standard.

MEMORIALS

The Haagsman Family would like to thank Hamre's Funeral Home, Fay Lavalley and the Hudson's Hope Women's Club for their contribution to the service of Cora Haagsman.

We would also like to thank all the people who showed their love and support through this difficult time.

Pieter, Leone, Jan & family

In Memory Of Ilse Rauchfuss

Ilse Rauchfuss, (Nee Rohlfing), born October 1st, 1930 in Bremen, Germany, passed away in hospital on September 20th, 2017.

She and Manfred married February 9th, 1957 in Bremen. They emigrated to Canada and settled in North Vancouver until moving to Lynx Creek in 1981.

Ilse's passions were gardening, crocheting and of course cooking, and many other outdoor activities.

In lieu of flowers, donations to the Canadian Cancer Society are accepted.

Thanks especially to the Hudson's Hope Ambulance crew as well as the Medical Clinic staff. Special thanks to June and Pat as well as other friends for their support to a life well lived.

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. I hope everyone was able to make it to the Fall Fair. The Lions Club was there to provide the early risers with a free Community Pancake Breakfast. We handed out about 180 hot breakfasts to warm up the crowd as the morning was somewhat cold and rainy.

Our next community event will be the **Halloween Dance** on **October 28th**. There will be prizes for the best costumes, a midnight lunch and a safe ride home. It's always lots of fun and the costumes are really great. Hope to see you there!!

Check out our Facebook page at [hudsonshopeionsclub](https://www.facebook.com/hudsonshopeionsclub) or email us at ionsclubhh@gmail.com. We are always looking for new members!

Submitted with pride,
Roary

Extension for Telus Landline Users

Telus customers using copper wire landline phones have a reprieve.

Letters from Telus had notified customers that their copper service would be cut off on September 30th and replaced by a cell-based system.

No final change-over date has been set yet, but it will be near the end of the year.

Welcome to our newest member!

Hudson's Hope Public Library Association

Overlooking the mighty Peace River, the Hudson's Hope Public Library is housed in a magnificent log structure that was built as both a tribute to the pioneer days and to the natural surround-

ings of Hudson's Hope.

A community focal point which recently celebrated 50 years of educating Hudson's Hope, this eye appealing structure is not only about books, it's about community interaction and involvement.

The library offers a wide array of programs and the wonderful staff team are thoroughly involved in the community. Be sure to talk to Nancy Smith for information on inter-library loans and bookkeeping, Toni Sanford to learn more about children's programming and Shellie Howard to become involved or learn more about the young adult programs at the library.

♥ **LOVEHUDSONSHOPE.COM**

**KING GETHING PARK
WILL BE**

CLOSED

ON MONDAY, OCTOBER 2ND
SORRY FOR ANY INCONVENIENCE
May close earlier if weather changes.

District of Hudson's

What a wonderful Fall we're having! I've never seen such a variety of color in the early evening light as we've had this fall. Yellows, browns, rusts, oranges, reds – Mother Nature has made use of every hue in the color spectrum this year. Blue sky and sunshine, with enough rain thrown in to keep things bright – there's just nothing like it!

BC Utilities Commission Community Meetings on Site C:

The position of the Council has been that Site C should be referred to the BC Utilities Commission to determine whether it is in the public interest. Ordinarily, referral would be the standard procedure for a large public project. Site C was referred once before, in 1980, and the Commission at that time recommended that it be indefinitely postponed because the need for the electricity was not established and if there was need for that much power, it had not been shown that Site C was the best place to get it.

In the 1990's, Site C was looked at again. At that time, it didn't get referred to the BCUC, because before it went that far, the BC Hydro Board of Directors decided against it, on the grounds of the cost, environmental effects, and impact on First Nations.

This time around, the provincial government under then-Premier, Gordon Campbell, passed legislation exempting Site C from scrutiny by the BCUC. When the government changed this summer, the policy changed, and Site C was referred to the BCUC despite the fact that construction has been underway for about a year and a half.

So we now have a BCUC enquiry, albeit very late in the process and under much narrower terms of reference than would have been the case in normal circumstances. As part of their process, the present four-man panel is holding community meetings in nine BC communities.

The Commission will have meetings in the North Peace on the following days:

Hudson's Hope	Saturday, September 30	6-10 PM	Pearkes Centre
Fort St John	Sunday, October 1	6-10 PM	
Fort St John	Monday, October 2	6-10 PM	

I believe the Fort St John sessions are at the Pomeroy Centre but check if you plan to attend.

You can register to attend or to speak by going to <http://www.sitecinquiry.com/public-community-input-sessions/> or by phoning 1-844-815-6190.

Time limit is 5 minutes, no powerpoints.

Grants Program: Northern Development Initiative Trust (NDIT):

The NDIT grant fund originated from the sale of CN Rail. There are four divisions: Northeast, Northwest, Prince George and Cariboo-Chilcotin/Lillooet. There are three categories of funding: Business Development, Community Development and Capacity Building. We have taken advantage of the Community Halls & Recreation Program. There's the Fabulous Festivals & Events (think rodeos, winter carnivals, dam runs etc.). Then there's the Marketing Initiative Program (Farmer's Market maybe?) and so on.

There are four intake dates:

- * Tuesday, January 30
- * Tuesday, March 27
- * Friday, June 29
- * Thursday, September 6

In the past, the Northeast has not spent all its allotted funds. This year, they did. That suggests that the available funds might not last through four intakes. So if any groups are planning a project that might be eligible for NDI funding, it would be a good idea to apply early. If you wait for the June or September intake, you might be too late.

For more details, go to: <http://www.northerndevlopment.bc.ca/funding-programs/business-development/competitiveness-consulting-rebate/>

Ambulance Service

I wonder if we'll ever get to the point where we don't have to talk ambulances!!

But there is some positive news:

Ambulance attendants now have some paid shifts as opposed to the \$2/hour standby shifts that was the previous standard.

A recent arrangement allows patients to be transferred from the clinic to a hospital through a 911 call rather than waiting for the patient transfer network.

A one-year trial of a fixed-wing air ambulance based in Fort St John has been initiated and is working well.

An agreement between BC Emergency Services and STARS Grande Prairie is in progress. It would involve a helicopter autolaunch service to transport trauma patients from the scene to the closest trauma centre.

Fire Department

Fire dispatch services will transition to North Island Dispatch in November. Details will be coming.

Mayor Gwen Johansson
DISTRICT OF HUDSON'S HOPE

Veteran's Day Dinner

**Saturday, November 11th
at 6 pm
HH Community Hall
By Invitation**

If you are a veteran and you are not sure if you are on the invitation list, please contact the District Office at 250-783-9011.

Wreath Orders

We are now taking orders for wreaths to be laid at the Remembrance Day Ceremony. For more information or to reserve your wreath, call the District Office at 250-783-9901.

Displays

Do you have any information, memorabilia or pictures you would like to add to the Remembrance Day displays at the Hudson's Hope Community Hall?

Safety and Bylaw Enforcement

School Zone Safety: Keeping an Eye out for the Kids

Back-to-school season is upon us and that means all drivers will need a refresher course on school zone safety.

School zones are busy spots. Parents (and school buses) are dropping off and picking up children, crossing guards are directing traffic, and kids are milling about, talking and playing with their friends. There's a lot going on and there's a lot to look out for as a driver.

Watch for school zone signs

No one expects you to know where every school is, but you are expected to watch for the signs letting you know when you're entering a school zone. These five-sided, yellowish signs featuring two students with books in hand, are basically universal across the country.

When you see these signs, slow down, watch for children, and be ready to stop at a moment's notice.

Reduce your speed

Speed limits around schools are always lower—slow down and obey the posted speed limit. In fact, slower is better. According to the World Health Organization, a pedestrian has a 90 per cent chance of survival if hit by a car travelling at 30 km/h or slower, but less than 50 per cent chance of surviving an impact when the vehicle is going 45 km/h. The speed limit around schools is lower for a reason, so drive slowly because speeding in a school zone is strictly enforced.

Do not pass a stopped school bus

School bus safety is important. In most cases, traffic in both directions must stop for school buses when its red lights are flashing, as this means children are either loading onto the bus or off. Only once the flashing lights stop and the bus begins to move again, should you continue along your way, cautiously.

Do not pass other cars while in a school zone

No matter how slow the car is going ahead of you, do not pass it in a school zone. It's simply dangerous.

Common sense rules

Children can be unpredictable, and you may need to act fast to avoid an accident. When in a school zone, keep in mind that kids could be present on any side of the vehicle. Don't drive distracted, and avoid using your hands-free device. It's safest to avoid backing up, making U-turns or three-point turns as well. Be patient, and be ready to stop at all times.

Bylaw Information October 2017

Each month we will illustrate the requirements and limitations of the zones within the District of Hudson's Hope.

The following is an excerpt taken from the *District of Hudson's Hope Zoning Bylaw No. 823, 2013*.

6.0 RU1 ZONE: RURAL RESIDENTIAL

The intent of the RU1 zone is to permit single-detached dwellings and duplexes on large un-serviced rural parcels.

6.1 Permitted Uses

In the RU1 zone, the following uses and no other uses are permitted:

- .1 Accessory buildings and structures.
- .2 Bed and breakfasts.
- .3 Duplexes.
- .4 Home occupations.
- .5 Keeping of bees, domestic animals, fowl, poultry, pigs, sheep or fur-bearing animals for domestic purposes.
- .6 Secondary suites.
- .7 Single-detached dwellings.

6.2 Zone Specific Regulations

On a parcel located in an area zoned as RU1, no building or structure will be constructed, located or altered, and no plan of subdivision approved which contravenes the regulations set out in this section. Column 1 sets out the matter to be regulated and Column 2 sets out the regulations.

COLUMN 1	COLUMN 2
Maximum number of: principal buildings (e.g. single detached dwelling or duplex) accessory buildings	1 per parcel 3 per parcel
Maximum height of: principal buildings accessory buildings and structures	10 m 5 m
.3 Minimum parcel size	1,000 m ²
Minimum frontage for parcels with: single-detached dwellings duplexes	20 m 20 m (10 m if the duplex is divided vertically into two parcels)
Minimum setback of principal buildings from: front parcel line interior side parcel line exterior side parcel line rear parcel line	7.5 m 1.5 m 3 m 7.5 m
.6 Maximum parcel coverage	40%

19 September 2017

PUBLIC NOTICE

Effective at noon on Wednesday, 20 September 2017, all open burning will once again be allowed within the District of Hudson's Hope.

The current prohibition on the use of some fire-related equipment will also be lifted for the District of Hudson's Hope at noon on 20 September 2017:

- The use of burning barrels or burning cages
- The use of sky lanterns, tiki torches or fireworks
- Binary exploding targets

Although fire danger ratings have dropped in the district due to recent rain and cooler temperatures, residents are strongly encouraged to exercise caution with any outdoor burning activities.

Anyone planning to burn a pile larger than two metres high by three metres wide or conduct a grass burn over 0.2 hectares (Category 3 fires) must obtain a burn registration number ahead of time by calling 1-888-797-1717.

A poster explaining the different categories of open burning is available online at

http://www2.gov.bc.ca/assets/gov/public-safety-and-emergency-services/wildfire-status/fire-bans-and-restrictions/ofr_poster_-_email_distribution_72dpi_no_bleeds.pdf

Robert Norton
Director of Protective Services
District of Hudson's Hope

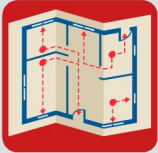

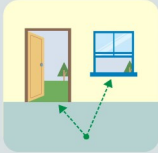

***Thanksgiving is a time of
togetherness and gratitude.***

How fast does fire move? Very fast. You could have less than 2 minutes to get out safely once the smoke alarm sounds.

7 steps to practicing your escape plan

<p>1</p>  <p>Draw a map of your home. Include all doors and windows.</p>	<p>2</p>  <p>Find two ways out of every room.</p>	<p>3</p>  <p>Make sure doors and windows are not blocked.</p>	<p>4</p>  <p>Choose an outside meeting place in front of your home.</p>
<p>5</p>  <p>Push the test button to sound the smoke alarm.</p>	<p>6</p>  <p>Practice your drill with everyone in the home.</p>	<p>7</p>  <p>Get outside to your meeting place.</p>	

For more information about escape planning, visit:
www.usfa.fema.gov and www.firepreventionweek.org.

Playschool
Is Open 5 days a week!
www.hhplayschool.pris.ca

Provides a stimulating and enriching environment.	Open Sept – June, ages 30 months to 5 years.
The only licensed childcare facility in Hudson's Hope.	Helps set your child up for Kindergarten success.
Flexible drop-off/ pick-up times.	Full day: \$40*/day Half day: \$25*/day *discount for board members (ask!)

The Instructor & Facility Manager is Natilie Pringle. We will be open Monday to Friday each week.

Police Report: September 2017

Hudson's Hope RCMP responded to approximately 50 calls for service over the last four weeks. With the school year now underway, local RCMP members have begun school zone speed enforcement in an effort to keep the zone as safe as possible for students walking to and from school. Drivers are asked to be vigilant of pedestrians and obey the 30 km/hr zone.

On August 19th, Hudson's Hope RCMP conducted a road block and checked drivers for Motor Vehicle Act violations and for sobriety. One driver was found to not have a valid licence and was issued a violation ticket.

On August 19th, Hudson's Hope RCMP attempted to stop a vehicle for failing to stop for a stop sign. The truck fled from police initially however the owner was located a short time later. The offender was found a short time later and was issued a violation ticket. The offender was also arrested for careless use of a firearm and charges have been submitted to Crown counsel.

On August 20th, Hudson's Hope RCMP responded to a rural property for a neighbor dispute over cattle trespassing. The dispute escalated from verbal arguments to assaults and police were called to mediate a resolution. No charges have been submitted at this time however if the dispute continues charges will be re-assessed.

On September 3rd, Hudson's Hope RCMP responded to a local residence for an intoxicated female throwing items around the house. The female was arrested for Mischief and held in cells to sober up.

On September 10th, Hudson's Hope RCMP responded to a residence for an assault with a weapon. A female had forced entry into a residence and held a knife to the neck of the occupant. The victim sustained minor injuries from the assault and was able to escape through a window. The female was located a short time later and arrested. Police have recommended six charges for this incident.

On September 14th, Hudson's Hope RCMP was advised of a theft of flat deck trailer near Farrell Creek Road. Anyone with information about the theft is asked to contact the RCMP or Crime Stoppers and quote file 2017-287.

The Hudson's Hope RCMP continues to receive calls for cattle and farm animals trespassing on private property and for being at large on the highway. Animal owners are reminded that their animals cannot be at large and are liable for damages and injuries caused by their animals. Owners may face civil action for damages, bylaw tickets for each animal at large, and may face criminal charges should their animals cause injury or death as a result of causing a collision on any road way. Animal owners should make themselves aware of their responsibilities under the Range Act and local Bylaws.

Anyone with information regarding current or past investigations, or any criminal activity, is asked to contact the Hudson's Hope RCMP directly at 250-783-5241, or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

The RCMP will be focussing enforcement efforts on Distracted Drivers and Seatbelt compliance during September and October. The RCMP is committed to making local Highways as safe as possible for motorists. Please drive safely and responsibly.

Cst. William McKenna
Hudson's Hope RCMP

Driver distraction trends

More than 800 crashes occur every day in B.C., many of these caused by distracted driving.

Police statistics show that more than a quarter of all car crash fatalities in B.C. in the last five years (2011 to 2015) were related to distracted driving. That's an average of 78 deaths per year, making distracted driving the second-leading cause of motor vehicle fatalities in B.C., behind speeding (89) and narrowly ahead of impaired driving (66). The B.C. government banned the use of personal electronic devices while driving as of January 1, 2010 and added tougher penalties that took effect June 1, 2016.

B.C.'s mobile device law

According to section 214.2 of the [Motor Vehicle Act](#), a driver cannot operate a hand-held electronic device (including hand-held cellphones, smartphones, tablets and other electronic hand-held devices such as music players, GPS Navigation Systems, etc.). Also, a driver cannot communicate using text messages or email on any type of electronic device. Drivers in the Graduated Licensing Program (GLP) are restricted from using hands-free cellphones while driving. Drivers with a regular licence are permitted to use hands-free cellphones and devices that can be operated with one touch or voice command, provided that the device is securely fixed to the vehicle or worn securely on the driver's body.

Any driver caught texting, emailing, holding a cellphone or other hand-held electronic device while driving will be fined \$368 and receive four driver penalty points (total \$543 minimum). GLP drivers who receive one ticket will have their license reviewed by the Superintendent and may face driving prohibitions. Fully licensed drivers who receive two tickets in a year will have their license reviewed by the Superintendent and face possible three to six months prohibition. In addition to the suspension, two tickets in one year will cost you \$1,256 (two fines at \$368 each, plus eight penalty points at \$520) and if you have points from other tickets (e.g. speeding), it will cost you even more.

Flight 1 = Gold Medal

Over all of B.C. = Gold Medal

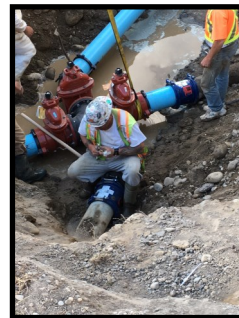

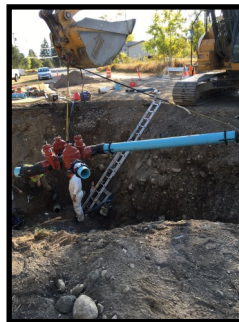

This is the second time that we brought the double Gold Medal to Hudson's Hope.

So happy to bring the Gold Medal to our little town!

Thank you for your Patience

The District of Hudson's Hope DPW have been replacing valves and a fire hydrant on Dudley Dr. Here are a few photos of the guys hard at work. We apologize for having to shut the water off.

ICEMENTS

Thank You!

Thank you to everyone who supported my "BollyX in the Park" on August 22. It is so wonderful to be in a community that is so involved and willing to help out.

Together, we raised \$600 that will be donated to the Red Cross to help those affected by the wildfires in BC.

A special thanks goes out to the Hudson's Hope downtown and Beryl Prairie firehalls for their generous support, and thanks to Class Act Fitness for a significant contribution. Most of all thanks to the participants and the local farmer's market for sharing their space. Check out photos on my Facebook page of this fun event:

Love Hudson's Hope Celina Fequet

Find me on Facebook at: <https://www.facebook.com/CelinaFequetBollyX/>

Thank You!

Thanks to everyone who came out and participated in the Terry Fox Run on Sunday, September 17th.

It was a cool, sunny day - perfect for getting a sweat going on the challenging 5km course. Approximately 70 participants ran, walked and rolled. A couple of brave folks did more than 1 lap! Together we raised over \$2200 for cancer research- thanks Hudson's Hope! Top pledge sheet fundraisers were Billie Naisby, Cassie Stark and Bonnie Pringle. Billie

raised over \$200 by going door to door and canvassing for pledges. Way to go all! Thanks go out to the following: Our dedicated volunteers (Jason, Bill, Lenore, Grace) who help out each year, Hudson's Hope school for letting us host the race and getting the kids excited about the Terry Fox Run by hosting a school run on Friday, and BC Hydro Lifestyles. If anyone missed the run and wants to donate now, you can do so by going to the following link:

<http://www.terryfox.ca/terryfoxrun/hudsonshope>

Williston Reservoir Bat Ecology Program

Bats are integral to healthy ecosystems, yet little is known about bat populations, their habitat requirements, and threats to bat species around Williston Reservoir, and within the Peace Region. Across North America, bats are experiencing precipitous population declines due to a devastating disease, White Nose Syndrome (WNS), resulting in two bat species in Northern B.C. being federally listed as endangered.

Because WNS strikes in the winter and kills bats while they hibernate, this project seeks to identify important bat habitat and establish baseline winter bat data, to help monitor populations and inform future plans for dealing with WNS using acoustic monitors, roost loggers deployed in caves, bat capture and telemetry. The study will help answer critical questions about bat ecology in Williston Reservoir.

Some of the bat capture and telemetry is occurring at Alwin Holland Park.
