Train Rides & Climbing wall

Auction starts at 15:00

Hudson's Hope Fall Fair Family fun event for the past 24 years!

Visitor Centre

Open 8:30am - 5:00pm Daily

Lots of visitors came through in August and such a variety of locations they were visiting from. We have had several long distance bicycle riders. Two couples that came in weeks apart were both making their destination the southern tip of South America. One couple started in Alaska and the other in Inuvik which means the ones from Inuvik had 700 km of gravel on the beginning of their BICYCLE journey. And they looked happy and healthy! They rested up in Hudson's Hope for a couple of days and used King Gething for camping and the pool for recreation. We also had three young men in from Israel. They were looking for an outdoor backwoods adventure and found it at Carbon Lake and spent three days out there and loved the quiet.

One of the events that took place in August was a regional charity motorcycle ride. We had four registered riders from Hudson's Hope. Bonnie Gouldie had the winning poker hand and half of that went to a charity of our choice. We were happy to present the Friends of Hudson's Hope with a cheque for sixty dollars.

The visitor centre closes on the last day of September. If you need any maps, we still have a few left. The museum across the street has the BC Backroads Mapbook for Northern BC, Canadian Rockies and the Fishing Book as well.

*Hudson's Hope Visitor Centre
Kathy, Austin and Jessica*

Hudson's Hope Pool

The last day for the season is **Monday, September 5th**; the pool will be open from 10:00am - 8:00pm and will be a **FREE** swim!

Thanks for another great Season!

September at the Museum

A big **thank you** to our two wonderful summer students, Maggie Poirier and Justin Marini. They have done a great job of greeting guests, archiving and accessing artifacts as well as looking after the museum this summer. We wish them the best as they return to their studies. We would also like to thank **Donna Gould** for all her hard work on the museum flowers!

Don't forget to mark your calendars – November 19th!!

The Historical Society will be hosting our fall Dinner and Auction!

Come out and support your local Museum and Historical Society. We are looking for donations for our silent auction tables, please contact the museum if you have any items to donate. Tickets are \$25 and will be available at the museum. This event will be held at the Hudson's Hope Community Hall.

The Hudson's Hope Historical Society will be hosting the next Peace Region Museum Meet up on September 23 from 9-12 at St Peter's Church Hall. We are meeting to discuss and work towards a Peace Regions Museum Tour booklet for 2017.

The Next Historical Society meeting will be held on **September 15, 2016** at **1pm** in the afternoon in St Peter's Church Hall. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca

September Hours are Monday to Sunday 9- 5!

**Come in and learn something new about the beautiful valley that you live in!
Don't forget to check out our Gething Exhibit.**

Friday 12:00 pm – 6:00 pm

***Saturday* 12:00 pm – 5:00 pm**

***Sunday*/Statutory Holidays Closed** Hours in effect Labour Day to Victoria Day

Library Closed on Monday, September 5th

Our programs are shaping up nicely as we have added new, fun ideas and events to our programs.

Children's Programmer, Toni Sandford

Parent and Tot Storytime - You and your little one can join us for stories and songs. Your child can also take part in crafts, hands on activities, games and play during our Stay and Play portion of Storytime. Parent and Tot Storytime 10:00-10:30; Stay and Play 10:30-11:00. The Library is open to parents and tots from 9:45-11:15 on Tuesdays, starting September 13 with the extra time set aside just for you and your little one to find books and enjoy the library. During the month of September, our Storytime themes will include colors (with a STEAM activity), The Turning of Seasons-Autumn, and Apples and Leaves.

Library Club is for K-grade 4 from 3:30-4:30 on Wednesdays. "STEAM" events will be incorporated often: Science, Technology, Engineering, Arts and Mathematics. While exploring the "Wonders of the Day" and "Wacky Days" that are celebrated in our year, our desire is to let kids explore hands on through "STEAM" programming. For more info take a look at <http://showmelibrarian.blogspot.ca/p/all-things-steam.html>.

1000 Books Before Kindergarten is a challenge to parents and caregivers to bond while reading aloud to their newborns, infants and toddlers regularly before Kindergarten. We want to partner with you by tracking your little ones progress in our library. Research shows that the most reliable predictor of school success starts by being read to at home during early childhood. We want to share with you in the focus of early literacy development. Come be part of this free, easy to implement program that offers lifelong rewards. For more info come talk to me or check out this link <http://1000booksbeforekindergarten.org/>.

Young Adult Programmer, Shellie Howard

Teen and Tween programs are STARTING! September will be a month of getting to know you and me better.

Tween Tuesdays - Starting on Tuesday September 13th from 3:30-5:00 for ages 10-12.

Friday Night Drop-In Teen Night!!!!!! Starting on Friday September 16th from 4:00-6:00 pm.

Tween & Teen Reading Challenge... it is a really fun challenge! Come on in for more details. It will be an easy and fun month as we get back into reading after a summer off. We will be doing crafts & games and will even have a monthly prize.

Teen Drop-In on Saturday September 24th from 1:00-4:00 Shellie will be away at a conference on September 22nd and 23rd so we will have a Saturday drop in to make up for having to cancel the Friday night programming.

Looking forward to see lots of faces at our new YA Programs!:)

Mystery Club Month is coming up in October stay tuned for more details next month!

Adult Programming: We will be developing more adult options coming soon as well! For starters:

The Rory Gilmore Reading Challenge: Rory Gilmore's (from the hit show *Gilmore Girls*) most endearing character trait is that she's a bookworm (a librarian's favorite type of person!). She reads endlessly, and a lot of the books are incredibly famous or critically acclaimed. This challenge allows you to broaden your reading tastes to read a lot more classics and historically important books. Come on in to pick up a reading challenge brochure to find out how many of the near 350 titles you have already read and start reading for the challenge!

Item Donations: Caitlin Vince – 23 items, Tom Matus – 5 PB novels and 1 HC novel, Kelly Newsholme – 1 fiction novel, Katie Norton – 6 YA HC novels, Brooklyn Howard – 12 YA books, Julie Biever – 2 Non-fiction HC and 2 fiction, Toni Sandford – 6 fic, 1 non-fic and 1 DVD, Brian Birosh – 1 adult fiction, Loretta Bouillion – 2 non-fiction books, Lana Neitz – 9 Books, Davida Naisby – 4 graphic novels

Anonymous – 1 PB novel, 1 HC novel, 5 non-fiction books. We are so thankful for all of our thoughtful patrons who donated items this month.

For more information about library services please come in and speak to us. You may also contact us via telephone at (250)783-9414 or check out our website at hudsonshope.bc.libraries.coop and like us on Facebook!

FWCP
Fish & Wildlife
COMPENSATION PROGRAM

Apply Now

Grants Available for Fish and Wildlife Projects

In 2016, the FWCP funded 20 projects to help conserve and enhance fish and wildlife impacted by existing BC Hydro dams in our Peace Region. The projects are underway and are being delivered by local First Nations, stewardship groups, agencies and others. And now we're accepting grant applications for next year's projects. Join us. Apply for an FWCP grant at fwcp.ca.

- Learn more and review our FWCP Grant Information Kit at fwcp.ca/apply-for-funding
- Read our Peace Region Action Plans and find out more about our conservation priorities and projects
- Submit a mandatory Notice of Intent by September 21, 2016, to support early engagement of First Nations
- Submit your online grant application by October 28, 2016

Contact our Peace Region Manager, Dan Bouillon, to discuss your proposed project or grant application at dan.bouillon@bchydro.com or 250-783-7509. **Visit fwcp.ca.**

The Fish & Wildlife Compensation Program is a partnership between BC Hydro, the Province of B.C., Fisheries & Oceans Canada, First Nations and Public Stakeholders to conserve and enhance fish and wildlife impacted by existing BC Hydro dams.

SAME DAY DELIVERY

VISIT US ON FACEBOOK

Grocery Shopping and Delivery Service Starting September 23, 2016.

Our Cargo Reefer trailer has been permitted by Northern Health to transport food items!! Land and Air Carriers will begin a grocery shopping and delivery service each Friday and expand this service on demand.

We will consider expanding to Moberly Lake and Chetwynd, once our grocery stores in Ft. St. John offer online shopping. It's coming soon!! We will work with Save On Foods in FSJ and Walmart Supercenter as they offer a pharmacy.

Depart time from Fort. St. John to Hudson's Hope will be 1:00pm on Fridays. Goods will be delivered at 3:00pm on Fridays in Hudson's Hope. We offer a discount of 10% to seniors in our community.

How it Works

Email your orders to saventure@xplornet.ca by Wednesday of each week.

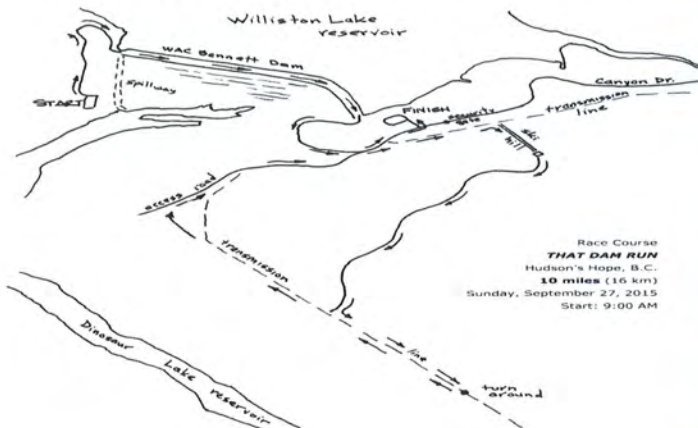

A minimum of 8 orders are required for each run in order to make this service feasible. Please inform us if you are interested in ordering by Wednesday, so we may inform you if we have acquired the minimum amount of orders to make the run. Tell your family and friends! Contact us and we will put you on our list for grocery shopping and delivery.

School District 60 wants you to know...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

September Tip - Talking & Listening

- give your full attention by shutting off all devices – radio, TV, DVD, phone, etc.
- talk about everything you see
- take turns telling a story or listening to a story
- ask questions and listen to the answer
- teach your child new words by saying them together
- talk or sing while you drive cook, clean or cuddle

Why? Children who hear a lot of language in their early years have more success with their own language and with reading later on. To find out more information go to:

www.familyfriendlycommunity.ca or www.earlylearning.prn.bc.ca

Feature Listings

12301 Beaton Street

\$295,000.00

MLS R2079407

Check out this very private acre property at the end of the cul-de-sac in Jamieson Subdivision on city water. This house was moved onto the concrete walk out basement in 1995 & is ready for your finishing touches. This would be ideal for a basement suite, or additional living space. Main floor has been completely renovated with new solid oak floors, carpet, paint and fixtures; there's also a newer high efficiency furnace. This home is move-in ready with the attached 22'X11' carport for added convenience. Two driveways gives ample parking !

9813 Freddette Ave

\$295,000.00

MLS C8006658

Awesome multi-purpose building has been used as an office, as well as for retail sales. This very well maintained building is in an excellent location with superb advertising ability, as a light up sign on the back of the building is included in the sale & can be seen from the main highway going through Hudson's Hope. This fantastic metal clad building with a metal roof has paved parking off the front, with access on the corner & alley as well. Great access and visibility on this corner lot. The main open area is just under 900sqft with a front office 13'5x12'5 as well as a lunch room, large back storage space & 2 washrooms. building ready for it's next great purpose!

9001 Jamieson Ave

\$315,000.00

MLS R2008579

Gorgeous newer home that has all of the expensive work completed, it just needs a few finishing touches to make it a home! Huge rooms with large windows and vaulted ceilings throughout. Quadlock concrete, walk-out basement with a 50-yr rubber tile roof adds to the longevity of this stunning home. Detached workshop has 2 parking stalls in the carport, and one oversized single garage/workshop all with concrete floors and fully wired.

REDUCED

10122 MacDougall St.

\$99,900.00

MLS R2095222

More affordable than paying rent! This well maintained home has been well cared for with 3 bedrooms that could be 4. The beautifully landscaped yard has many mature trees for added privacy and shade. Fully fenced yard with a large deck is great for kids, pets & outside enjoyment. A detached workshop with power can be used for added storage, or what have you. The commercial torch-on roof was installed 7 years ago, along with additional insulation - it's a 50 year roof!

Century 21 Energy Realty 101-9120-100 Ave Fort St John, BC V1J 1X4

District of Hudson's Hope

Someone told me once that it took 3" of rain before moisture really penetrated the soil and affected the water table. If that's true, the soil and water table must truly be affected! The rainfall on August 27th alone measured about 3" without counting the rain we had before and after. I still don't have puddles though, so maybe that's next.

Public Works Shop:

After much time, work and effort by many, the District will proceed with the new Public Works Shop this year. Integrity Post Structures will do the construction and they assure us that we will be in before Christmas. Constructed in the 1960's, the present shop has served long and well. We hope and expect the new one will last 50 years as well.

Gas Field Activity:

As we all know, gas field activity has slowed substantially but Progress Energy still has a few things on the go. They are drilling a well in the Graham field, using water from the Farrell Creek area. It will be trucked, and because the bridges on the back road are not rated to take the heavy loads, truckers will come down the Farrell Creek Road, up Hwy #29 to the Alaska Highway and back in on the Mile 95 Road. There will be 83 trucks per day, travelling in convoys of five, starting August 28. The first 17 days will be the heaviest, after which the hauling will continue at a reduced volume for another 2-3 weeks. Something to keep in mind when travelling back and forth to Fort St John.....

Although they have no activity near Hudson's Hope at the present time, Progress has continued to sponsor the Healthy Snacks program at the school, and contributed to the climbing wall which the school will soon unveil. Thank you, Progress; we appreciate it.

Weeds:

This has been a tremendous growing year and the weeds have certainly taken advantage of it. Scentless chamomile, foxtail and Canada thistle just exploded. In Hudson's Hope we work with the Regional District and industries to try to keep weeds at least under control, if not eliminated. We have now purchased equipment and have a certified employee to manage weeds on municipal property. We appreciate the efforts of many residents to make their properties weed-free. Progress Energy says they have completed their weed control program in the Farrell and Altares areas, using both hand-picking and spraying. The Ministry of Highways has mowed vegetation on the highway rights-of-way and scraped the ditch approaches, which did set back the chamomile and foxtail.

Earthquakes, Dams & Water:

Recently there has been some media coverage of the earthquakes induced by natural gas extraction processes in this area and the possible risk to dams. I would add to that the possible impact on groundwater.

If you google it, you'll find lots of sites. Here are some:

<http://www.theprovince.com/business/local+business/hydro+worried+fracking+created+earthquakes+danger/12129866/story.html>

<http://www.alaskahighwaynews.ca/b-c-hydro-concerned-that-fracking-might-damage-dams-1.2323541>

<http://www.desmog.ca/2016/08/16/big-dams-and-big-fracking-problem-b-c-s-energy-rich-peace-river-region>

<http://www.desmog.ca/2016/08/17/fracking-earthquakes-and-hydro-dams-don-t-worry-we-have-understanding>

GW Solutions has completed a major water study for the Peace River Regional District. Dr. Gilles Wendling will present a summary of his regional findings later this fall in Fort St. John, Dawson Creek and Chetwynd. In addition, he has said he will do a presentation here that will focus on Hudson's Hope.

I've contacted the office of the BC Comptroller of Water Rights. Glen Davidson, the Comptroller, and Pieter Bekker, Assistant Comptroller, have agreed to come to Hudson's Hope in mid-October to explain the role of the comptroller's office in water issues.

Mayor Gwen Johansson
DISTRICT OF HUDSON'S HOPE

District of Hudson's Hope Bylaw Information

The District will now be posting any recently adopted Bylaws in the Bulletin along with a short description of the Bylaw. To view the bylaws in their entirety, visit our website hudsonshope.ca, click on City Hall, then choose Bylaw Information from the drop down menu. Here you will find information and a link for local bylaws.

Council has recently adopted the following the bylaws:

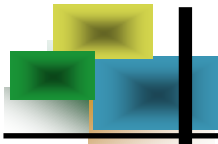

Hudson's Hope Amending Garbage Collection Bylaw No. 870, 2016

3rd Reading has been approved as amended

Municipal Ticket Information System Amendment Bylaw No. 871, 2016

1st, 2nd and 3rd Readings have been approved to amend Schedule B-1 of Bylaw 589 by instating a new fine for Failure to Display License Tag

Police Report: July 2016

Hudson's Hope RCMP Detachment responded to approximately 47 calls for service over the last four weeks. During this period Hudson's Hope RCMP continued with vessel and off road vehicle (ORV) checks.

On July 20th, 2016, a traffic stop was conducted on a vehicle travelling out of Hudson's Hope. The driver was found to have consumed alcohol and provided samples of breath roadside. The driver was subsequently issued a 3 day Immediate Roadside Prohibition.

On July 28th, 2016, Hudson's Hope RCMP was advised that a speed sign on the Core Road, valued at \$10,000, had been damaged beyond repair. Please call the detachment or Crimestoppers if you have any information regarding this mischief.

On August 1st, 2016, Hudson's Hope RCMP was advised of a possible impaired driver stopped roadside with BC Conservation officers. The driver was issued a 24 hour driving prohibition and the boat and trailer being towed were seized as they were believed to be stolen property. The file is still under investigation.

On August 3rd, 2016, Hudson's Hope RCMP was advised of a stolen bicycle. The bike is described as a women's bike, red with white lettering.

On August 9th, 2016 a local resident reported their truck as stolen. The vehicle is described as a 2008 Ford F350 King Rancher Dually Crew cab, White with a Tan stripe along the bottom. There is also a red tidy tank in the back of the truck. The file is still under investigation.

On August 14th, 2016, Hudson's Hope RCMP responded to a single vehicle collision on Farrell Creek Road. Two occupants were injured and taken to hospital. Speed and alcohol are believed to be factors and the incident is still under investigation.

Anyone with information regarding current or past investigations, or any criminal activity, is asked to contact the RCMP directly, or anonymously through Crime Stoppers at 1-800-222-8477.

The RCMP's National Youth Advisory Committee (NYAC) is now recruiting for the 2016-2017 session! We are looking for Canadian youth between the ages of 13 and 18. This Committee ensures youth take part in the development of RCMP youth strategies and outreach initiatives. It will run from September 2016 to June 2017.

The goal of the Committee is to increase the youth voice at the RCMP Centre for Youth Crime Prevention by engaging and empowering youth in initiatives planning and delivery. The programs and activities are youth-focused. The Committee will have a major role in shaping what the RCMP offers for young people by identifying issues affecting youth; addressing community concerns; and designing initiatives to foster change and address their needs.

As a RCMP NYAC member, youth can: represent their community; voice their opinions about issues affecting youth in their community; work with youth from other provinces; receive a reference letter or an attestation of volunteer hours; and discover their potential!

Do I Need a Building Permit?

If you are planning to construct, alter, reconstruct, demolish, remove or relocate a building or structure, including excavating or other work related to construction, then chances are you need a building permit.

Typical Projects That Require a Building Permit:

- new homes
- new fireplaces
- plumbing and/or drains
- completion of roughed-in fireplaces
- attached or detached garages
- one or two storey additions
- structural alterations to windows or doors
- adding or removing walls
- basement or main floor walkouts
- second dwelling units
- decks
- porches
- carports

Why Do I Need a Building Permit?

Building permits are necessary to ensure that building code requirements, zoning require-

ments, fire and structural safety standards, and other building standards are met, primarily for health, safety, and energy conservation reasons. Failure to acquire proper permits could lead to problems if you were to sell your home, potentially making it difficult for future buyers to obtain a mortgage.

How Do I Apply for a Building Permit?

To apply for a building permit, or for more information on building permit requirements/processes, please email buildingpermit@hudsonshope.ca, call 250-783-9901 or come in and see us at the District Office in Hudson's Hope.

District Bylaw 741 states that no person shall commence or continue any construction, alteration, reconstruction, demolition, removal or relocation of any building or structure, including excavation or other work related to construction unless a building official has issued a valid and subsisting permit for the work. For more information visit our website: hudsonshope.ca

Protective Services

Look, listen & be seen

Teach your child to be a safe pedestrian

Look. Make sure all vehicles have stopped before entering the road. Make eye contact before crossing.

Sidewalk/no sidewalk. Walk on the inside edge of the sidewalk away from the road, so you're further away from the traffic. Walk facing oncoming traffic if there isn't a sidewalk, so you can see approaching vehicles and make eye contact with drivers.

Set a good example. Never jaywalk or run to cross the street. Where possible, cross at intersections with a pedestrian crossing light or marked crosswalk

Map it out. Plan your child's route with them ahead of time. Review street names and landmarks to orient them.

Crossing Basics. Stop at the curb. Look left and right for oncoming vehicles that might be turning. When the intersection is clear, start crossing and keep looking for approaching vehicles.

Be Seen. Wear bright clothes and/or reflective gear especially at night and in poor weather.

Parked vehicles. Avoid shortcuts through parking lots or around parked cars where it's harder for drivers to see small children.

Listen. Put away the electronic gadgets, cell phones and ear buds so you can hear approaching traffic that may be hard to see.

Quiz time. Make a fun, interactive game out of guessing the correct traffic signs and meanings with your child.

Special Events Review

Teen Swim Event

What fun it was at the pool for the Teen Swim Event. It was awesome to watch the kids playing pool volleyball, hoola hooping, and busting a few dance moves. Twenty-seven teens showed up to splash around under the glow of the lights. And despite the chill, a few floats and milkshakes were devoured. Congratulations to all the prize winners and to all the contest winners. A huge thank you to the Hudson's Hope Pool Staff for being so watchful and so accommodating.

Fit For Life Exercise Classes begin again in September

Thanks to the District of Hudson's Hope for their sponsorship and commitment to fitness. Now, everyone can take advantage of this low impact and low cost exercise class beginning on Monday, September 5th. For more information, contact Greta Goddard, BCRPA certified fitness instructor, at hhclassactfitness@gmail.com or call 250-783-0855

LUNCH ON THE SHORE
Saturday, September 17th
36 years celebrating BC Rivers

Leaving from Old Ferry Landing at 11 am
Paddle, row, kayak, or float down this scenic river
to Lynx Creek Campground or just simply show up
to take part in the celebrations

Come enjoy - Free fresh garden corn, wiener roast, beverages, games,
entertainment, displays, & presentations

BC Rivers Day seeks to raise public understanding of rivers and the many benefits they provide to us—clean water, spawning salmon, historic trades and exploration routes, a place to play. There is much to celebrate but BC Rivers Day also profiles the threats to our waterways, and offers the public a chance to get directly involved with creating solutions.

Check out the BC Rivers Day official website for more information.

September 18th, 2016

at the Hudson's Hope School

TERRY FOX
