THE DISTRICT OF HUDSON'S HOPE

REPORT TO: Mayor Gwen Johannson and Council
SUBJECT: Partnering Relationship Agreement with BC Hydro
DATE: January 11, 2017
FROM: Tammy McKeown, Corporate Officer

The District of Hudson's Hope has been working with BC Hydro to create a Partnering Relationship Agreement that will be mutually beneficial for the parties involved. On January 5th, 2017, the Council adopted the following resolutions in order to work towards the finalization of this Agreement:

RESOLUTION NO. 003/17

M/S Councillors Gillis/Miller

THAT:

"Councillor Dave Heiberg be granted Legal Signing Authority on Behalf of the District of Hudson's Hope for the following agreements with British Columbia Hydro and Power Authority:

- i. the 'Partnering Relationship Agreement' between the District of Hudson's Hope and British Columbia Hydro and Power Authority;
- ii. the 'Escrow Agreement' between the District of Hudson's Hope and British Columbia Hydro and Power Authority; and
- iii. the 'Purchase Agreement' between the District of Hudson's Hope and British Columbia Hydro and Power Authority".

CARRIED

RESOLUTION NO. 005/17

M/S Councillors Miller/Gillis

THAT:

"An agreement between the District and the British Columbia Hydro and Power Authority on the terms set out in the form of Partnering Relationship Agreement considered by Council in this meeting is hereby approved."

CARRIED

RESOLUTION NO. 006/17

M/S Councillors Gillis/Quibell

THAT:

"Councillor Dave Heiberg is hereby authorized to sign the Partnering Relationship Agreement, on the terms approved, on behalf of the District."

CARRIED

RESOLUTION NO. 007/17

M/S Councillors Miller/Quibell

THAT:

"Councillor Dave Heiberg is hereby authorized to negotiate the final terms of, and sign on behalf of the District, an Escrow Agreement and a Purchase Agreement, both as provided for in the Partnering Relationship Agreement and each to be on the terms set out in Schedules "E" and "F", respectively, of the Partnering Relationship Agreement."

CARRIED

The Agreement has been signed by both parties, as of January 10, 2017. We will be preparing a media release to provide information to the public.

REQUEST FOR DECISION

RFD#:	Date: Jan 10th, 2016
Meeting#:	Originator: Emily Nusse SEC
RFD TITLE: Installation of New Playground Equipment at Cameron Lake	

BACKGROUND:

I was tasked by the Recreation Committee to request quotes for new playground equipment for the Cameron Lake Campground. Moving forth from the Recreation Meeting on Dec 14th, I have received quotes from one company with two options. 1 option is for the age group 18 months-12 years of age. The second option is for the age group 5-12 years.

DISCUSSION:

A meeting between the DOHH Events & Recreation Planner and the Public Works Foreman gave clear direction that Public Works would like to hire the playground supplier to do all necessary preparation and installs of equipment and surfacing material including proper drainage. You will see included in all quotes this service. The DOHH Public Works department will be able to maintain the required resurfacing of any wood, gravel or sand surfacing material.

At this time, I am waiting to receive quotes from a second company.

Based on the attractiveness of the structure as well as Option 1's ability to accommodate a wider age gap of children, I would suggest moving forward with Option 1 with the Wood fibre surfacing material.

BUDGET:

See attached 2 different playground structures with 2 surfacing options each.

The playground option with wood fibre surfacing material costs significantly less than the rubber tile surfacing material.

RECOMMENDATION / RESOLUTION:

That:

*"The Council of The District of Hudson's Hope will decide:
If a playground upgrade at Cameron Lake will be approved in the Capital Budget for 2017 and
if approved, what is the budget for said project including, preparation of site, installation of
equipment, and laying of playground surfacing."*

Hudson's Hope Mayor and Council:

As a Lions Club member, I am working on finding grant money to replace the Lion's van this year. There is some funding available through the BC Hydro Go Fund. One of the targets for the funding is to "provide affordable transportation to improve access to services and programs" and there is a maximum of \$10,000 available. One of the requirements for the application is a letter of support from the municipality. I have attached a copy of the application and Item #5 outlines the requirement. I have not yet completed the application but wanted to get my request for the letter to Council today as the deadline for the grant application is February.

Kind Regards
Kelly Newsholme

The Hon. Mike Morris, MLA Prince George-Mackenzie, Minister of Public Safety, Solicitor General, is pleased to present the 14th Annual Premier's BC Natural Resources Forum! The Forum brings together people from industries, communities and various levels of government to collaborate and explore ways to develop our diverse resource sectors, grow our economy and provide benefits to communities.

- Amazing opportunities to engage with First Nations, government and resource sector leaders
- Two days of speakers sharing insight and experience on developments and trends in forestry, LNG, oil & gas, mining, finance and technology
- Excellent chances to network, connect with old friends and meet new ones
- Tradeshow, gala dinner, Ministers' breakfast, two-day plenaries, and two keynote luncheons
- Amazing line-up of prominent speakers: [view the program](#)
