School District 60 wants you to know ...
 You are your child's first teacher. You can help your child grow strong roots for learning both in and out of school.

Independence means ...

- *having* a voice and making choices
- *providing* opportunities for eating or dressing without help
- *encouraging* putting away toys or clothes, helping set or clear the table

Why? When children are verbally capable of expressing many thoughts, feelings and needs, they are ready to take bigger steps toward independence. Encouraging children to "do it themselves" helps develop a healthy self-esteem. When children can do things on their own it gives them opportunities to help or teach other children. A child who is independent will feel confident, especially when you are not there.

District of Hudson's Hope

Hope everyone had a happy Easter weekend. Great weather we had!

Lots of news this month!

Hudson's Hoppers Past & Present, Doing Big Things:

Jake Watson

Check out the cover of the March 11th [Pro Rodeo Sports News](#), the official magazine of the Professional Rodeo Cowboys Association, (PRCA) for a fine action shot of Hudson's Hope native, Jake Watson, performing in his specialty, the Saddle Bronc event. Jake won the first rodeo of the 2015-16 professional season in Nile, Montana, and has placed consistently ever since. His biggest win to date was in San Antonio, the biggest rodeo in the PRCA. He has worked his way to second place in the world standings and is aiming for a spot at the National Finals Rodeo in Las Vegas, in December.

Jake got his start in the Hudson's Hope High School Rodeo Club. After high school, he qualified for a Rodeo Scholarship at Panhandle State University, where he spent three and a half years on their College Rodeo Team. He turned professional just last year, so he's off to a phenomenal start in the professional ranks. We'll be watching and cheering him on to the National Finals at the end of the year. Go Jake!

Angharad Ward

Angharad started curling in grade school in Hudson's Hope as part of the Junior Curling Club. When she moved to Kent, England, in Junior High, she was lucky enough to find a curling rink nearby – not common in England. Before long, she became part of the British Junior Curling Team, and represented Great Britain in the inaugural Youth Olympics and at the World University Games. Before she was 21, she had represented England in Junior's, Women's and Mixed Curling international competitions. Her team has just won the British Mixed Championship and is set to compete in the upcoming World Mixed Championship in Russia.

She's a talented athlete. While still in Hudson's Hope, she was part of the local Junior Canadian Rangers. She competed in the Canadian Air Rifle National Competitions in 2009 and 2010, winning 6th and 2nd respectively for all of Canada.

Angharad credits her early years in Hudson's Hope for some of her success. In an interview last year, a reporter asked her who had been the most influential person in her sporting career and why. She replied, "Steve Metzger, the man who first taught me how to curl. He believed in me right from the start, coaching and letting me play on his team even when I could barely throw the rock to the other end."

Thank you, Steve Metzger, for sponsoring the Hudson's Hope Junior Curlers and getting Angharad off to such a great start in her curling career!

Guy Armitage

Moving from sports over to innovators, we have Guy Armitage, who installed 23 solar panels on his roof and for 2015, his first full year of operation, put more electricity into the BC Hydro grid than he used. Hydro pays 9.9 cents a kilowatt hour for that extra electricity if you are on

their net metering system. Guy's system produced enough power for his needs and he can proudly display a \$758.74 cheque – payment for his extra electricity. So he had no Hydro bills for the year and got a \$758 cheque to boot. Not bad!

Thanks for being the first to take the plunge in Hudson's Hope, Guy. Many people are interested in the system and it's wonderful to have a homegrown project they can visit to see for themselves how it works.

Doctor Coverage:

Northern Health has arranged for Dr. Ramesh Kamath to provide physician services for four months, starting in April. When Northern Health set up a Walk-in Clinic in Fort St John to accommodate the many people who had no physician, it was Dr. Kamath who set it up and manned it by himself for one year. So he has experience operating in a one-doctor clinic, something many doctors don't feel comfortable doing. Welcome, Dr. Kamath!

Hudson's Hope Pharmacy:

Alan Williamson, owner of the Hudson's Hope Pharmacy, recently met with a group of residents concerned about keeping our local pharmacy open. Mr. Williamson said he wants, and intends, to keep the pharmacy open so long as it is commercially viable. He does have concerns:

No Doctor: A pharmacy's main business is filling prescriptions. Doctors write prescriptions and if there is no doctor in Hudson's Hope, people might get their prescriptions filled wherever they go for service. That could cause our pharmacy to be less viable. He mentioned that prescriptions are priced the same across the province, as are dispensing fees. He said that Hudson's Hope charges the standard fee and prescriptions here should be the same price as at pharmacies elsewhere. He also said that all of the over-the-counter items are the same price in his four tele-pharmacies as in his Vancouver store. So we are getting the benefit of Vancouver prices rather than "northern prices," which are often higher.

Requirement for Pharmacy Staff to be Registered Pharmacy Technicians:

We have a "tele-pharmacy," where the prescription is filled by a pharmacy assistant here, but checked by a qualified pharmacist elsewhere – in our case, Vancouver. The College of Pharmacies is requiring that staff at all tele-pharmacies upgrade to "technicians" by the end of 2016. That's a long, tough course. And expensive. A group of Hudson's Hope citizens has formed to offer help to our assistants to upgrade. Anyone interested in joining that effort should contact Roy Kelly by email pbelle2@outlook.com or phone 250-783-5659 or Terry Turvey by email tgturvey@gmail.com, terryturvey@hotmail.com or phone 250-783-5322.

Police Report: March 2016

Hudson's Hope RCMP Detachment responded to approximately 45 calls for service over the last five weeks. Some incidents of note during that time are as follows:

Hudson's Hope RCMP stopped a prohibited and suspended driver on Beattie Drive. The driver also failed a road side breath test and was issued a 90 day driving prohibition, a 30 day vehicle impoundment and was released pending a court appearance for driving while prohibited.

Hudson's Hope RCMP assisted Provincial Conservation officers investigating several poaching incidents on Twelve Mile Road. The investigations are still ongoing. You can help combat illegal hunting by reporting suspicious persons and vehicles in remote areas by calling the RCMP or by contacting the Conservation Office directly at 1-877-952-7277. You can also report incidents to the Conservation Office online.

Hudson's Hope RCMP continues to receive calls from citizens regarding attempted frauds. Please be cautious of any calls, emails, or letters requesting personal information. Tax season is a popular time for fraudsters to pretend to be Canada Revenue Service agents. Contact the local RCMP detachment or visit the Canadian Anti-Fraud website for information on the latest scams and for information on how to protect yourself from fraud.

A light on the Bullhead Mountain Tower was shot out sometime over the last few months. Damage is estimated at over \$13,000.00 to repair. Anyone with information regarding this incident is asked to contact the Hudson's Hope detachment or Crime Stoppers.

The Hudson's Hope RCMP members have continued with traffic enforcement duties throughout the month. Several warnings and violation tickets were issued. Please drive responsibly or you will get to meet one of our officers.

The Hudson's RCMP would like to remind those applying for a Special Occasion Liquor License to submit their applications three to four weeks prior to their event. This allows for proper planning and completion of the approval process. Applications submitted less than two weeks before an event may not get approved.

Anyone with information regarding current or past investigations, or any criminal activity, is asked to contact the RCMP directly, or anonymously through Crime Stoppers at 1-800-222-8477.

IN LOVING MEMORY OF
Eric David Norman Heiberg
September 10, 1980 – February 13, 2016

Our family circle has been broken,
A link gone from our chain;
But though we have parted for a while,
We know we'll meet again.
Some day we hope to meet you,
Some day, we know not when,
We shall meet in a better land
And never part again,
We shall meet with many a loved one
That was torn from our embrace;
We shall listen to their voices,
And behold them face to face.
Sunshine passes, shadows fall,
Love's remembrance outlasts all.

Eric is survived and deeply missed by his parents, Dave and Laurinda, his daughters, Ava and Molly, his brothers, Chris and Brent, sister, Meghan and husband, James, his nieces and nephews, his grandparents, aunts, uncles, and cousins.

A Celebration of Life will be held in memory of Eric on Saturday, April 16th, 2016 at 2:00 PM at the Hudson's Hope School.
In lieu of flowers, donations can be made to The Friends of Hudson's Hope or No Child Left Behind (c/o Hudson's Hope School)

Our family would like to thank the community for all their love and support during this difficult and sad time. You are more than a community, you are our family. We would also like to thank our family and friends from near and far for your love, cards and messages. Words cannot express our appreciation for all that you have done for us. We could not begin to get through this without you all.

With our love, The Heiberg and
Cryderman Families

Protective Services

SPRING BURNING

As the weather starts to warm up many folks are beginning to plan some springtime cleanup activities including the removal of yard waste and debris. Please remember that under the Fire Protection & Life Safety Bylaw 775 which was adopted in 2010, no person shall light or start an open air fire within the District without first having obtained a Burning Permit from the Fire Chief or his designate. These permits are available at the District Office and can be issued for a onetime event or for an extended period of up to one year.

The only time a permit is not required is during the following situations:

- Burning refuse or garden waste only in an incinerator covered with a screen to prevent flying sparks and approved by the Fire Chief
- The cooking of food using a portable barbeque apparatus
- Burning on privately owned lands or in developed campgrounds where fireplaces, stoves, and/or fire pits are provided and approved by the Fire Chief
- Burning by the Fire & Rescue Services for the purposes of training

If you are contemplating an open burn:

- Consider your options to compost, recycle, or haul the material to the Hudson's Hope Transfer Site.
- Be a good neighbour. Burn only when it will not affect the health and welfare of the community.
- Call the BC Ministry of Environment to check the ventilation index at **1-888-281-2992**. The index must be "good" for the day of the burn and "fair" or "good" for the second day of the burn.
- Check the wind conditions. If the wind is strong enough to carry sparks and embers to other combustible materials postpone your burn.

Remember that your burn must comply with the Environmental Management Act and the Open Burning Smoke Control Regulation as well as the British Columbia Wildfire Act.

Please remember these measures are in place to protect the health and safety of you and your neighbours. If you have any further questions regarding your burning activities please stop by the District Office to speak to Bob Norton the Director of Protective Services, or call 783-9901.

For more information on the Environmental Management Act and the Open Burning Smoke Control Regulation visit <http://www.bcairquality.ca/reports/agttojsc.html>

**GRAD CLASS OF 2017!****Hats off to our Grad Class of 2017.**

They put on a wonderful "Coffee House" on March 4th. These students provided some wonderful music and entertainment, and raised funds for their future trip next year. Great work!

Our Cruisin' Day trips continue to be very popular and successful. We went on two trips to Powder King over the past 4 weeks, and had nearly 100 participants. It is very exciting to have a great deal of families participating in these trips. A big thank you to the many community groups who support this activity for our school.

Our students recently made some beautiful "**Ukrainian Easter Eggs**" under the watchful eye of Mrs. Baytaluke. Many of the projects were very intricate and quite dazzling!

The Bulletin

Students and Staff of Hudson's Hope School would like to extend a **warm thank you to the District of Hudson's Hope Maintenance workers.** Thank you for taking the time to ensure our bus areas and parking areas have gravel on those very icy days!

Our Social Responsibility Club has raised over \$1600 so far, through the sale of Rafiki bracelets, bake sales, and bottle collection. Rafikis are still available at Sugarplums or the school, with a new supply of bracelets coming soon. Great work HAWKS!

Hudson's Hope School will once again host the **Regional Heritage Fair**, to take place on Wednesday, April 27th. This is an excellent opportunity for community members to view student projects highlighting local, provincial, and national history. Watch for details!

The Marshmallow Challenge was a very cool and successful event. It took a lot of bravery for our grade 5 and 6 students to organize and run such a large activity. The competitors from K-12 worked together in groups of four to attempt to build the highest structure possible using a piece of tape, some spaghetti sticks, and of course, a marshmallow. Congratulations to the grade 7-8 group who built the tallest structure. Also, a big thank you to Mrs. Baytaluke for spearheading this event.

Congratulations to Sydne Douglas, Martell Loberg, and Iris Barnes for a strong showing at the B.C. Winter Games. Sydne Douglas placed 3rd in Karate, Martell placed 1st in Karate, and Iris successfully completed training to be a certified Karate Referee! Fantastic! Recently our Drama 10-12 performed a "Flash-Mob" dance at a full-school assembly. It's not easy to stand up and present a synchronized performance in front of such a large audience (with many peers). It was an excellent performance, and really wowed all of the students, but especially the elementary kids. Many of them were talking about the cool dance moves during the outside breaks today. Great work HAWKS!

Hudson's Hope Figure Skating Club Year in Review

In February, we sent 6 of our Star Skaters, Brooklyn Howard, Jade Rowe, Jenna Roberts, Brenna Rice, Dylan Beswick and Brynn Beswick, to the Totem Competition in Fort St. John. Our skaters, like always, represented our club and our community proudly. We are so excited to have our skaters venturing out to compete!

Our club also sent skaters to complete testing in Chetwynd. All of our skaters passed their tests and we are proud to have them progressing to higher levels of skating!

We have been a busy club this year with over 50 skaters registered. We just finished up our season with our "Outer Space" ice show which took place on March 5th! We are very proud of all of our skaters who performed so well that night! Thank you for coming and showing your support to our club. We would like to thank all our sponsors who helped make our show a success: Nicole Gilliss Re/Max, On the Rim, BC Hydro Lifestyles, BC Hydro Social Club, R & G Industrial Supplies, HH Concession, Save On Foods, District of Hudson's Hope, Hudson's Hope Fire Hall, Edith Rosa, IBEW, HH Minor Soccer to name a few. If there is anyone we may have missed, we apologize and sincerely thank all of those that have supported our club during the carnival and throughout the year, making this season a great success!

As our season comes to a close, we are happy with the progress every one of our skaters have made this year. We hope to see everyone in the fall when our program starts again!

HOUSE FLIP SPECIAL

9805 Fredette Street

This house has just been reduced to **\$94,900.00** for a quick sale. This house has a lot of potential because it is on a good size lot and has a full basement. The house needs work, no doubt, but once fixed up you have yourself a great family home with over 1800 square feet. Or a great investment property with a great central location. Not often can you find a house that can be successfully flipped in our market, but if you have the skills and the time this is the DEAL.

Hudson's Hope Ski Association

Well our season definitely started late this year!

The hill was finally able to open for the first time this season on March 5th, 2016. Not only did we have a fantastic first weekend, but we had snow all weekend – making it very nice on the hill with continuous fresh powder.

The snow stuck around for the following weekend – with great spring skiing conditions. The days on the hill were lots of fun and so warm. All skiers old and young were out skiing without their jackets. True spring skiing!

The Ski Association is trying to open as much as possible while the snow is here. The association relies heavily on volunteers. So a big shout out to all the volunteers who have helped get the ski hill prepared and opened over this late start. Keep an eye on our **Facebook page** to see when we are open.

Thanks to all the skiers that have been out!
