Lost on the Shelf books are those that were brought in as donations or purchased by the library that have never gone out on loan. This month's quote comes from a title from the "Lost on the Shelf" book display. It is rated 4 out of 5 stars on Good Reads, it's a "Heather's Pick" and rated 4.6 stars out of 5 on by Chapters. The back cover also boasts rave reviews from Jodi Picoult, Jojo Moyes and Christina Baker Kline... why is this book still *Lost on the Shelf*? Simply overlooked? Come on in and check out our "Lost on the Shelf" display, you may find a gem!

"because you can't chart a course around anything you're afraid of. You can't run from any part of yourself, and it's better that you can't. Sometimes I've thought it's only our challenges that sharpen us, and change us, too"

— Paula McLain, *Circling the Sun*

Family Literacy Day is coming up on Wednesday, January 27th!

To celebrate and to promote literacy, the HH Public Library and the HH School Library is offering a **Book Bingo** for youth aged 6 years and up.

How does the Book Bingo work?

Pick up your Book Bingo package at the Public Library or School Library beginning on Wednesday, January 27th. Decide if you are going to read enough books to fill 1 line, 2 lines, 3 lines or all 5 lines (blackout) of your Bingo card. Fill in your Book Bingo Log sheet with the book title, author and book category of items you have read and have your parent/guardian sign off on each entry. Book titles may only be used once per card and all books read must be new to you. 1 entry per person.

What if I need some ideas for books for my Bingo squares?

Ask the Library Staff and they can provide recommendations just for you. If we don't have what you are looking for, we can order it in from another library for you to borrow. Along with traditional print books keep in mind that you can also participate with eBooks (search the Public Library catalogue online and download the title you would like to read to your device: <http://hudsonshope.bc.libraries.coop/>)

What can I win?

Complete 1 line, 2 lines, 3 lines or a complete black out of your Bingo card and you will be entered into a draw for a chance to win! First prize for each category is a gift card - the more you read, the bigger the gift card! Second prize is a new book! All Bingo cards must be submitted to the Library before or by Monday, February 29th and the prize draws will take place later that week.

Interested in participating, but can't make it in to the library. On Wednesday, January 27th the Book Bingo forms will be available for you to print on the Public Library website: <http://hudsonshope.bc.libraries.coop/>

If you have any questions, please contact Toby (Children's Librarian) by phone (250-783-9414) or email (kids.hhpl@pris.ca).

Announcements

THANK YOU

Shuji and I would like to express and extend our thanks and appreciation to all the wonderful family and friends who helped carry us through our recent crisis, enabling us to walk it with strength, grace and positivity.

Derrek Beam, there from the first minutes and throughout, words are inadequate for the unexpected generosity and the empathy you gave us; another hundred times thank you!

To Lynnea Stacey, your constant uplifting support made the load and road we traveled much lighter and easier. You are an angel! June and Rocky Roberts, thank you for your daily words of support and concern and going out of your way to keep friends we couldn't reach informed. And Thank You to Harold for "keeping an eye out" and keeping the bird feeder full. We, and the birds, are very grateful. To Cassie Stark and the Women's Club, thank you for easing the financial burden and to Patti Campbell and the Friends of HH, thank you for your offer of assistance. Nowhere but HH, I think, can you find this kind of support. We are indeed very fortunate to live in this community.

To all the friends who called, sent messages and cards, or gave expressions of concern, we felt touched and overwhelmed with gratitude for all the support.

To our children, grandchildren and family members, you are our hearts – we LOVE you!! We met and felt supported by so many wonderful people along the way, from Dr. Hubner and Susan, to the nursing staff and doctors in FSJ and at St. Paul's, the paramedics who flew Shuji out, to information people at the airport, strangers on the street giving directions, to other patients and family members (Chase Perry from DC and his stepmom!), to the taxi drivers. It opened our eyes wider to the fact that there are so many good people in this world! It made the whole journey a scary but good one.

With our whole hearts, Thank You all for being there for us!!

Vivian and Shuji Hayashi

-PS Shuji is recovering very well!

You are your child's first teacher. You can help your child grow strong roots for learning both in and out of school.

January's Tip - Reading

- Find a quiet and comfortable spot
- have your child sit on your lap
- read a variety of stories/poems
- chat about what you read
- ask questions like "What do you think..."

Why? Children who sit with their parents and handle both paper and digital books have an easier time learning to read. By taking time to talk about the story, you bring the story to life.

Check out this modest 2 bdrm home with a small den & wood stove for heat. Super cute property right on the Beryl Prairie Road just outside of Hudson's Hope with pavement all the way! 21024 TOMPKINS ROAD \$225,000.00

Completely renovated log home on just under 5 acres in the popular Beryl Prairie Subdivision. Mature trees, fenced, cross fenced & a creek running through. This gorgeous home is practically brand new throughout, all new paint, trim, fixtures, a brand new kitchen with modern cabinets & loads of storage and plenty counter space! A new tub, tile surround, low flush toilet & vanity in the bathroom. The metal roof was put on last year, so this home is turn-key!

10122 MACDOUGALL ST \$119,900.00

More affordable than paying rent! This well maintained home has been well cared for with 3 bedrooms that could be 4. The beautifully landscaped yard has many mature trees for added privacy and shade. Fully fenced yard with a large deck is great for kids, pets & outside enjoyment. A detached workshop with power can be used for added storage. The commercial torch-on roof was installed approx. 7 years ago, along with additional insulation - it's a 50-year roof!

9001 JAMIESON AVENUE \$349,900.00

Gorgeous newer home that has all of the expensive work completed, it just needs a few finishing touches to make it a home! Huge rooms with large windows and vaulted ceilings throughout. Detached workshop has 2 parking stalls in the carport, and one oversized single garage/workshop all with concrete floors and fully wired.

District of Hudson's Hope

Hope everyone had a happy and restful Christmas and Holiday Season and are anxious to get back into routine.

But oh my gosh, here we are in 2016 and I've hardly gotten used to writing 2015! I never knew what Einstein was talking about when he said that time is relative and passes at different rates. Well, now I know how it works: the older you get, the faster time goes.

Anyway, the good news is that we've passed the shortest day of the year, and from now on we can look forward to the days getting longer, having more daylight, and pretty soon, green grass!

There are a couple of things coming up in January that I hope Hudson's Hope residents will want to know about and therefore attend the information meetings:

- 1. A proposal for light industrial land**
- 2. Peace Moberly Tract Land**

Proposed Light Industrial Land: Information Meeting & Hearing

As mentioned in earlier columns, a lack of light industrial land was identified as a problem in Hudson's Hope. It's been talked about for many years, and became clear a few years ago when a company couldn't find any available land to build a shop for their operation, so ended up buying a lot in a rural residential area. The issue surfaced again more recently, when a company wanted to establish a card lock.

It's hard to gauge how much light industrial land would be used, because you never know what is to come in the future. But, if we don't have a plan and there is demand, and we haven't made land available, companies will either not come at all, or will end up scattered hither, thither and yon.

Council has been investigation using a strip of land along Highway 29 east of Hudson's Hope. Between the YRB yard and Powell Road, there could be phase 1 with 11 lots. Phase 2 could continue on the other side of Powell Road, adding another 7 lots.

Discussion around town indicates a variety of opinions with some favoring the location and others opposing it. The positive points about that location is that it has highway frontage for business exposure, is within reach of services, and yet is in an unpopulated area. The negative points are that it would remove a strip of land paralleling the highway from Jamieson Woods.

To make sure everyone has an opportunity to see what information council has put together, and then to formally record their opinion, there will be two processes:

1.) Information Meeting

Date: Tuesday, January 12th, 2016

Time: 7:00pm

Place: Hudson's Hope Community Hall

Please come out to look at the map, find out what activities are included in a light industrial area, discuss why that location was settled on, and provide any ideas or suggestion you might have to council members.

2. Public Hearing

Date: Monday January 25th, 2016, Regular Council Meeting

Time: 6:00pm

Place: Council Chambers

A zoning change would be required for the strip to be used for light industrial uses. That requires a formal hearing, which will be held at the beginning of the Council meeting on Monday, January 25th. The public will be asked to state their opinions verbally, or provide a written statement to be read into the record.

Ministry of Aboriginal Affairs re: Peace Moberly Tract

As you may have heard in the media, the Provincial Government and the Salteau First Nation have signed the **Salteau First Nation New Relationship and Reconciliation Agreement**.

Hudson's Hope was not informed or consulted about the negotiations that led to this agreement and I have asked the Ministry to come explain the agreement and how we will be affected. It appears that the main impact on Hudson's Hope will be the formal establishment of the Peace Moberly Tract, (PMT) which is a tract of land between the Peace and the Moberly River to which the First Nations will have special management rights. To my knowledge, a final, precise map of the PMT has not been published; however, there appears to be considerable overlap of the PMT and the District of Hudson's Hope. We need to find out what the implications for Hudson's Hope are.

Some representatives of the provincial government will hold an information meeting prior to the January 25th Council meeting:

Date: Monday, January 25th, 2016

Time: 4:30-6:00pm

Place: (Tentatively) Municipal Hall Basement Meeting Room

(if there appears to be a lot of interest, it may be moved to a larger site such as the Community Hall)

You can find the full Salteau First Nation New Relationship and Reconciliation Agreement at the following link:

http://www2.gov.bc.ca/gov/environment/natural-resource-stewardship/consulting-with-first-nations/agreements/salteau_nr_reconciliation_agreement-signed_september_25_2015.pdf

So Monday, January 25th will be a busy day for Council: From 4:30-6:00pm, BC Ministry officials will be in Hudson's Hope to explain the effect of the Salteau Agreement and its impact on Hudson's Hope. At 6:00pm, the Formal Public Hearing into the Re-zoning of a strip of land along Hwy #29 to Light Industrial will be held in the Council Chambers. Lastly, the Regular Council Meeting will follow the Hearing.

Police Report: January 2016

From November 1st to December 15th, 2015, Hudson's Hope RCMP Detachment responded to approximately 56 calls for service. Some incidents of note during that time are as follows:

On November 20th, 2015, Hudson's Hope RCMP conducted road checks throughout the Hudson's Hope area. Several drivers were checked resulting in one driver receiving a 90 day immediate roadside suspension for driving while impaired. Hudson's Hope RCMP members have removed 15 impaired drivers from local roads in 2015.

On November 30th, 2015, Hudson's Hope RCMP encountered a vehicle being driven at 140km in a 70 km/hr zone. The driver was issued several violation tickets and the vehicle was impounded.

On November 30th, 2015, Hudson's Hope RCMP members were called to a local business for a distraught female. RCMP members spoke with the female who disclosed being assaulted and threatened. Police arrested the offender with assistance from Chetwynd RCMP. The offender was held for court the following day. Criminal Code charges are pending.

The Hudson's Hope RCMP attended several motor vehicle collisions during the past month. Public safety on the highway remains a top priority with the Hudson's Hope RCMP. Motorists are encouraged to drive appropriately for the conditions. Remember that posted speed limits are for ideal conditions. Several warnings and violation tickets were issued to drivers.

Other miscellaneous files included responding to alarms, assisting other detachments in locating individuals, and breaches of the peace.

The Hudson's Hope RCMP members were happy to be involved in community events such as the Christmas parade and Pancake breakfast.

The Hudson's Hope RCMP requests anyone having information regarding current or past investigations, or any criminal activity, to contact the Hudson's Hope RCMP directly, or anonymously through Crime Stoppers at 1-800-222-8477.

Impaired driving trends in B.C.

Impaired driving* continues to take a deadly toll on our roads.

In an average year: **

- 86 people die in motor vehicle crashes involving impaired driving.
- Impairment remains in the top three contributing factors for fatal car crashes.
- Approximately 27 per cent of motor vehicle fatalities are related to impaired driving.
- Most impaired-related crashes (59 per cent) occur on a Friday, Saturday or Sunday.
- Almost half (43 per cent) take place between 9 p.m. and 3 a.m.
- Sixteen-to-25-year-olds account for the highest number of impaired drivers in crashes (31 per cent).
- Males account for 71 per cent of all impaired drivers. Make a smart choice. If you're going to be drinking, make sure you have a sober designated driver, money for transit or taxi, a place to stay overnight, or a friend you can call for a ride.

* Impaired is defined to include alcohol, illicit drugs, and medicines.

** Police-reported five-year average from 2009 to 2013.

CounterAttack: More than 35 years of safer roads in B.C.

In 1976, the year before CounterAttack road checks started, there were more than 300 fatalities from impaired-related crashes in our province. The good news is Impaired driving fatalities are decreasing.

In 2013, 64 people were killed in impaired-related crashes. Despite the progress, these numbers are still unacceptable. CounterAttack helps protect people from the trauma of impaired driving. Police enforcement occurs year-round, with increased road checks during July and again during the December holiday season.

The Bulletin

Hudson's Hope Elementary-Secondary School

December was a very busy month at Hudson's Hope School prior to the Christmas Break. We have a lot to celebrate!

Mrs. Reschke and Mrs. Kehl organized a wonderful **"Ready, Set Learn"** event for our preschool aged children last week. The children had a lot of fun, and it looks like there is a healthy group of excited youngsters approaching "school age" in our little community. I'm told that our School District will be using our event as an example to share with other schools throughout the District. Great work!

A big congratulations to our **Grade 5/6 mixed volleyball team**. They recently played in the School District #60 Volleyball Tournament, taking 4th place overall. Thank you very much to Mr. Tim Viers for once again volunteering to coach. Way to go: Leland Douglas, Austin Taylor, Sydne Douglas, Ginger Lucas-Jarnagin, Betty Martin, Charlie Kehl, Cadyn Moraice Budalich, Xavier Beam, Jenna Roberts, and Carson Gunderson.

Congratulations to the following students who earned their way onto the **Work Ethics Honour Roll** for Semester One, Term One:

Grade 7/8: Dylan Beswick, Payden Siemens, Sarah Haagsman, John Herrington, Henry Kehl, Annabella Lucas-Jarnagin, Kacey MacNeil, Wren Naisby, Cassidy Reschke, Jady Richardson, Taylor Rowe, Manraj Singh, Allison Theriault, Tanis Weatherbee.

Grade 9: Abbie Gamboa, Ben Jackson, Jacob Kylo, Martell Loberg, Heather Martin, Skyler Paice, Zury Reschke, Sean Rice, Olivia Weatherbee.

Grade 10: Iris Barnes, Jordan Brown, Adam Burkitt, Austin Douglas, Jayson Gamboa, Brooklyn Howard, Mickey Loberg, Alexander MacDonald, Alex MacNeil, Jake Martin, Zack Milliken, Jade Rowe.

Grade 11/12: Jonah Bouillon, Brandon Clark, Celina Fequet, Tess Herrington, Amanda Kylo, Mikey Marini, Samantha Mckeown, Kieran Sandford, Conner Silk, Ashley Thompson, Dustyn Willson.

The Bulletin

Paul Silveria's Square Dancing & Banjo Playing Workshop was a great time. All of our students and staff enjoyed participating and learning about the history of square dancing. It was so much fun watching our older students and younger students dancing together!

Christmas Concert: Our annual Christmas Concert was a wonderful evening of students sharing good cheer and fun humour. A big thank you to Mrs. L. Stacey, Mrs. Beebe, and Mrs. Kehl for putting together a fun play to accompany the classroom performances. Also thank you to our teachers, support staff, parents, and students for doing so much to make the evening a success. Dylan Beswick did an excellent job operating the lights and sound. Finally, I want to share my appreciation for all of the secondary students who helped set up and take down floor-mats, staging, chairs, lights, and much more. We were also able to provide another sizeable donation of food items to the Friend's of Hudson's Hope!

Our Pancake Breakfast & Fun Day was truly a great time. A HUGE thank-you to our Parent's Advisory Council Volunteers (Amber Norton, Dwylla Moraice Budalich, and Heidi Naisby) for organizing the breakfast and craft center. Thank you to Bob Norton & Travis Winnicky (Fire-hall), Trevor Romanchych, Mark Richardson, and Bill McKenna (RCMP) for a great job cooking pancakes and sausages. Also, thank you Bill Lindsay for once again volunteering to help make our school great. Finally, thank you to Trustee Candace Dow for supporting a fun day. Watching our students making crafts, sledding, snowshoeing, and so much more was a very rewarding feeling.

On behalf of all of us at Hudson's Hope School, have a wonderful Christmas and safe New Year!

**HAPPY
NEW YEAR**

RECREATION SOCIETY OF HUDSON'S HOPE

Yes!! We finally have our own logo. Isn't it beautiful? It was designed by Miss Jadyn Richardson, who won a free family pass until the end of December for her outstanding job. It was not easy to make a decision; we had to choose among an amazing display of local talent that we will always keep and treasure. However, we believe Jadyn's logo conveys the right spirit of what we want to accomplish in our community: To offer a place where one can always see the rainbow, even in the darkest part of winter. Congratulations, Jadyn!

Our indoor playground, ADVENTURE ZONE, will remain open every weekend till the end of March 2016. Our hours are:
