Community Report - River of the Peace Metis Society

River of the Peace Metis Society held their very first family day on February 12, 2018 at the Pearkes Centre with great success. To help fund this project, a grant was approved through the government and Greta Goddard, and our youth representatives, Skyler Paice and Megan Matus. The chili and buns were well appreciated due to the bitterly cold weather. The community support was wonderful and our members appreciated being able to enjoy the activities provided.

March 2018 we are partner sharing with the Northeast Aboriginal Business Centre. We invited this group to attend our last meeting and our members were informed of all the help that the Business Centre offers. We are presently conducting a workshop through the Centre for people wanting to start their own business. This will be a huge help to our community members for information and advice.

River of the Peace Metis Society hosted a Metis Poverty Reduction Community Engagement Session through the MNBC and Gail Parenteau on March 17, 2018.

River of the Peace Metis Society has put a proposal in to the District of Hudson's Hope for 7 – 15 yr. old children which would include music lessons, voice lessons & study, dance/movement, art (painting, pottery, etc.), outdoor physical activities & exploration and sports/physical activities.

Editors,

Dementia is one of the most pressing health concerns for Hudson Hope residents, with an estimated one in three Canadians knowing someone who is living with dementia.

The non-profit Alzheimer Society of B.C. offers a free dementia support service in your region that can help them access services. Laurie DeCroos, the Support and Education Coordinator for the Society for your area, is available for media interviews; please contact the Society's Ben Rawluk (brawluk@alzheimerbc.org) know if you'd like to talk with her.

MEDIA RELEASE

Monday, March 19, 2018

For Immediate Release

Families affected by dementia receive support almost a year earlier when referred to First Link® dementia support

One of the most important building blocks necessary to creating a truly dementia-friendly province – where people living with dementia, their caregivers and their families are welcomed, acknowledge and supported – is ensuring that people have access to the support and education that they need, when they need it. The Alzheimer Society of B.C. connects with British Columbians affected by dementia through First Link® dementia support.

While individuals and families in Hudson Hope can visit the nearest Regional Resource Centre or call the First Link® Dementia Helpline (1-800-936-6033) at any point in the dementia journey, one of the most important ways they can connect to First Link® dementia support is through a referral from a health-care provider.

"Because of the stress and stigma associated with a diagnosis of dementia, it can take families time to adjust to their new situation. On average, families may wait up to 11 months before they connect to First Link® for help," says Laurie DeCroos, Support and Education Coordinator at the Society's Northern Interior, Skeena and Peace Resource Centre. "A referral at the time of diagnosis ensures that families are being supported during time that can be critical for advanced planning and developing support networks."

When a health-care provider refers someone to First Link®, the Alzheimer Society of B.C. will reach out to them to ensure that they have the option to receive services that will assist in maintaining their quality of life as much as possible as the disease progresses. While a referral at the time of diagnosis is ideal, people can be referred to First Link® at any point in the dementia journey.

Dr. Jonathan Fine, a general practitioner in Quesnel, is an avid champion of First Link® and the services offered through it. "We may only see an individual or family once or twice, but with a First Link® referral we know they will be provided with ongoing support," Dr. Fine says. "Giving the diagnosis is a lot easier when you know someone from the Alzheimer Society of B.C. is there to help them through the journey."

People may be referred by many different kinds of health-care providers, whether a general practitioner, an assessment clinic or a home and community care case manager. "The Alzheimer Society of B.C. values all our health-care partners working to build a community of care with us," says Laurie.

Hudson Hope residents who are concerned about dementia can call the First Link® Dementia Helpline (1-800-936-6033) or visit alzheimerbc.org, and are encouraged to speak with their health-care provider about whether or not a referral to First Link® dementia support would help them.

About dementia

Dementia is a term that describes a general group of brain disorders. Symptoms include the loss of memory, impaired judgment, and changes in behaviour and personality. Dementia is progressive, degenerative and eventually terminal.

About the Alzheimer Society of B.C.

Families across British Columbia are affected by Alzheimer's disease or other dementias. The Alzheimer Society of B.C.'s ultimate vision is a world without dementia; that vision begins with a world where people living with the disease are welcomed, acknowledged and included. Working in communities throughout the province, the Society supports, educates and advocates for people with dementia, as well as enabling research into the disease. As part of a national federation, the Society is a leading authority on the disease in Canada.

CHARITABLE REGISTRATION BN #11878 4891 RR0001

April at the Hudson's Hope Museum

Thank you to all that attended the Hudson's Hope Historical Society AGM on March 15th. A big Thank you to our wonderful board and volunteers.

Have you every wondered where the name of your street comes from? In Hudson's Hope the majority of the streets are named after the pioneers, men and women that came to the area and settled, farmed, trapped and traded. Over the next couple of months, we will be giving you a little history on the people that your streets are named after!

Up Next-Jamieson St (and Subdivision)-Tom Jamieson was a BC Provincial Police officer, stationed in Fort St John (in 1910-11), who on patrol had visited Hudson's Hope and envisioned it as a beautiful townsite. In 1912, Jamieson led a group which included Mackie Smith, Dr. Fredette and the Landry Brothers overland from Edmonton. They left Edmonton on February 14th of 1912, along the way they added to their party, with Dudley Shaw, Fred Monteith and Bill Carter all joining them on the journey. The journey was very muddy, and they had to struggle with their team of horses and sleigh, but eventually they arrived in Hudson's Hope on March 29, 1912. Over the coming months the land was surveyed, and the Jamieson's group claimed property along the river on either side of the HBC trading post building houses and starting to farm, or trap.

Summer Student Needed: The museum is now accepting applications for our Summer Student positions. The museum is looking for a Digitization Assistant and a Curator Assistant. Job dates would be from May 14 – Sept 2, 2018, Wage: \$15/hr 30 hours/week.

Job Description: Collate artifact documentation to complete an inventory of artifacts on display in exhibition areas and outdoor cabins. Upload data onto database. Some accessioning will be necessary, guiding tours and working in the gift shop. Experience working with data entry and working in a library or museum an asset.

Applicant must be a full-time student, who is returning to school in the fall. Please send or drop off resume to the museum before April 25th, 2018.

The Next Historical Society meeting will be held on **April 19th, 2017** at **1 pm** in St Peter's Church Hall. Our monthly meetings will be rotating between 1 pm and 7pm in 2018, depending the month- please watch for reminders for the time. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca

Winter Hours are 9- 4:30 Monday to Friday.

Happy Easter

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. Hopefully Spring will be here soon but it is so nice now that the days are getting longer. I hope everyone enjoyed Spring Break and the Easter weekend.

Just a reminder that on April 3rd, the Lions Club sponsors and helps out at the annual Jam Can where the school kids get to try their hand at curling. Feel free to come on down to the curling rink to watch the action!

On Saturday, April 28th, the District of Hudson's Hope will be hosting a Volunteer Appreciation BBQ in Beattie Park from 11 am – 2 pm. The Lions Club will be serving up burgers and dogs in honor of all the amazing volunteers that are in our community. Come on out and enjoy the day!

May 12th is also a date to mark on you calendar for the Mother's Day Steak and Lobster Dinner. Tickets will go on sale mid-April. It's a great opportunity to treat your Mom or yourself to a scrumptious dinner of juicy steak, fresh East Coast Lobster (flown in special for the day) and all the trimmings! Don't miss out!

If you want to lend a hand and become a member, check out our Facebook page @ hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

As Winston Churchill once said, "We make a living by what we get, but we make a life by what we give".

DISTRICT OF HUDSON'S

Last month I was looking for crocuses. Now, four weeks later, it looks less like spring than it did a month ago and instead of crocuses, there's just more snowballs! Enough, already!

Solar on line:

The full solar array went on-line on March 9th. Although panel installation and wiring on our side was completed in the fall, Hydro had to do some preparation to receive the generated electricity. Peace Energy Co-op is now working on the monitoring and display system so that the District and the public will be able to go on-line to see how much electricity is being generated by each building. There won't be much now with the snow build-up on the panels, but as the snow melts off, it will pick up. Moch Electric was happy with the generating test they did at the Arena and Public Works Shop in early March. It's a good time to have some self-generation: hydro rates go up 3% on April 1st!

The Hudson's Hope Solar Project will be officially commissioned on Saturday, June 2nd. To celebrate the event there will be a community barbecue as well as tours of the various arrays and a demonstration of the monitoring system.

Grants and Grant Writer:

Adlard Consulting won the grant-writing contract to assist groups in finding and applying for grants. Contact is **Chris Maundrell**. Phone 250-785-0632. We'll be asking them to come to Hudson's Hope soon in order to meet groups who may be looking for help to find and obtain grants to help them with their activities.

The **Northern Development Initiative Trust** (NDIT) is a major source of grants for our area. They have four intakes of applications per year. There are two more for 2018; deadline for the next intake is May 11th. A total of \$1.6 million is available for the last two intakes in the northeast. You can find more information at their website:

<https://www.northerndevelopment.bc.ca>

If your group would like to apply it's a good idea to look through the website at the various funding envelopes to see where you would fit, and then call and talk to NDIT staff as they will tell you what you might be eligible for and also help you frame the application so you will be successful. Phone is 250 561 2525.

HOPE COUNCIL NEWS

Telus Meeting: March 13th

About 20 people were on hand for the meeting with Telus representatives on March 13th. Although there were some problems and ongoing issues, Telus was happy overall with their pilot project in Hudson's Hope. The high speed fibre has worked well in the areas where it was offered, but in the outlying areas, where landlines are old and deteriorating, service is not as good. Where landlines have been replaced with Telus mobility service, the wrinkles are being ironed out. Some people inquired about extending the fibre service. Telus pointed to the expense, saying that the cost of putting fibre out to Lynx Creek subdivision would be approximately \$350,000. Beryl Prairie still has poor or no cell service. The Telus person dealing with Beryl Prairie is Lance McDonald if you care to discuss your specific issue.

Random Tidbit from the Gas Fields:

The highest priced sub-surface land sale in BC during 2017 was a parcel on the Farrell Creek Road. Gas from the Farrell area would presumably be carried by the soon-to-be constructed North Montney pipeline.

The National Energy Board will be holding a hearing into the Spruce Ridge facility and if approved, some economic activity for Hudson's Hope may result.

There are 24,251 energy wells in BC. Very few of them have been checked for leaks, but of those that have been checked, 144 were leaking. Hence the research in Farrell Creek and Beryl Prairie areas to see how gas moves through soil.

Happy Easter everyone! Let us have blue skies, bright sun, and *no snow!*

DISTRICT OF HUDSON'S HOPE

In Loving Memory of William John Harasymyk (Bill)

William John Harasymyk (Bill) of Hudson's Hope, BC, passed away in the Fort St. John hospital on March 13, 2018.

Bill was born in Emo, Ontario on September 22, 1942. His parents William Harasymyk and Isabell Harasymyk (Nee: Wilson) named him William after his father and Grandfather. Bill was predeceased by his brother Jerry, sisters Ruth Haney and Marilyn Kregar and one son Michael Earl Willmore.

He is survived by his wife Agnes, one daughter, LeeAnn Harasymyk, son David Taggart and Harley Willmore, three grandsons, two granddaughters and one great granddaughter.

Bill moved from Ontario to British Columbia in 1966 in search of employment. He worked for logging companies and mining companies. He married Agnes Willmore on August 12, 1967 in Merritt, BC. They had LeeAnn while he was working in Canmore, Alberta.

The family moved back to Merritt, BC, where Bill eventually started his own logging company in 1972 where he was sawing ties for the CPR Railroad and doing some land clearing around Kamloops, BC. By the year 1979, the bush work started to dwindle somewhat in the area, so he was on the lookout for land in the northern part of BC. In 1981 he found the place up in the Peace River area, where they cleared, broke and built the ranch known by locals as The L&M Ranch.

Bill was a hardworking, tough, honest man who loved the outdoors. He loved to share his tidings with everyone. He will be sadly missed by us all. May he rest in peace.

The family would like to express their deepest appreciation for all the prayers, support and generosity from the wonderful people. We thank you so much.

There will be no service held at this time. On September 1, 2018 there will be a gathering on the ranch which was his favorite place, to celebrate his life.

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took his hand when I heard him call
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work and play.
Tasks left undone must stay that way
I found the peace at the close of day.
If my parting has left a void,
Then fill it with remembered joy,
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss.
Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief,
Lift up your heart and share with me,
God wanted me now, He set me free.

Hudson's Hope StrongStart:

Welcome back from Spring Break! For those of you whom are unfamiliar with our StrongStart program we are located at the back entrance of the Hudson's Hope School. We are open from 9am – 12pm Monday to Friday with the exception of statutory holidays. My name is Dee and I am the Early Childhood Education Facilitator.

Our parent/child interaction environment offers infant/toddler center, circle center, train center, kitchen center, dramatic play center and transportation center. Parents also have the option of signing out books from our library bin. We have gym times scheduled daily from 9:40am - 10:15.

Congratulations to our monthly door prize winners Lincoln Cryderman, Aria Roberge, Angus Alexandrovich and Adalia Gibbs. Remember to enter your name in the draw box for this month's prize!

Thank you to our community members for the kind donation of the toddler rocking horse and for the toy walker!

StrongStart would also like to take this opportunity to thank BC HYDRO COMMUNITY TOWN FUND for their generous monetary donation!

Police Report: March 2018

Hudson's Hope RCMP responded to approximately 30 calls for service over the last four weeks. During the month of February, the Hudson's Hope RCMP issued 30 Motor Vehicle Warnings and Violation Tickets.

Speed Watch is still seeking volunteers. The program will commence training next month. If you have a few hours per month to support road safety in your community, please let us know. Contact Cst. Bill McKenna at 250-783-5241 if interested.

On February 20th, 2018, the Hudson's Hope RCMP investigated a marihuana grow op on a remote property that had been abandoned for some time. The operation was no longer active. The file is still under investigation. File 2018-63 refers.

On March 3rd, 2018, police stopped a vehicle driving south on Hwy 29 at a speed of 155 Km/hr in the 90 Km/hr zone. The driver was issued several violation tickets.

On March 15th, 2018, Hudson's Hope RCMP responded to a report of an unresponsive driver stopped on Canyon Drive. The driver was assessed and failed a road-side breath test. The driver was issued a 90 day driving prohibition and the vehicle was impounded.

On March 16th, 2016, Hudson's Hope RCMP arrested a female found to be breaching release conditions. The female is facing further charges including assaulting a police officer.

On March 17th, 2018, Hudson's Hope RCMP responded to a driving complaint on Hwy 29. The driver was arrested for impaired driving, an outstanding warrant, and possession of drugs. Charges have been forwarded to the Provincial Crown Office.

On March 17th, 2018, Hudson's Hope RCMP stopped a vehicle on Hwy 29 after observing it to be travelling at 153 Km/Hr in the 90 Km/Hr zone. The driver was issued several violation tickets and the vehicle was towed.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

Distracted Driving and the Law:

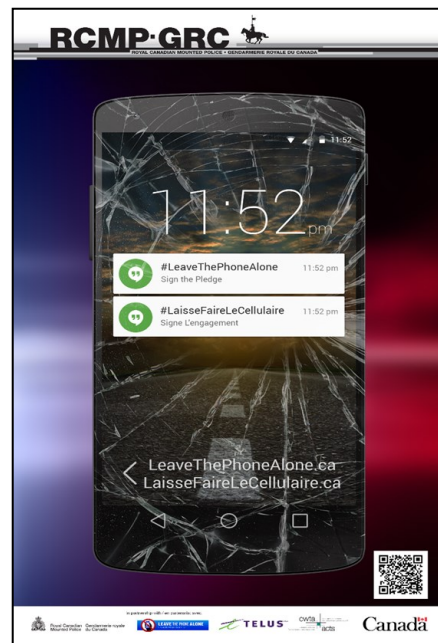

According to section 214.2 of the Motor Vehicle Act, a driver cannot operate a hand-held electronic device (including hand-held cellphones, smartphones, tablets and other electronic hand-held devices such as music players, GPS Navigation Systems, etc.). Also, a driver cannot communicate using text messages or email on any type of electronic device. Drivers in the Graduated Licensing Program.(GLP) are restricted from using hands-free cellphones while driving. Drivers with a regular licence are permitted to use hands-free cellphones and devices that can be operated with one touch or voice command, provided that the device is securely fixed to the vehicle or worn securely on the driver's body.

Any driver caught texting, emailing, holding a cell-phone or other hand-held electronic device while driving will be fined \$368 and receive four driver penalty points (total \$543 minimum).

GLP DRIVERS

GLP drivers who receive one ticket will have their license reviewed by the Superintendent and may face driving prohibitions. Fully licensed drivers who receive two tickets in a year will have their license reviewed by the Superintendent and face possible three to six months prohibition. In addition to the suspension, two tickets in one year will cost you \$1,256 (two fines at \$368 each, plus eight penalty points at \$520) and if you have points from other tickets (e.g. speeding), it will cost you even more.

April Safety Tips – Distracted Driving

Distracted driving.

Even if you're not using your phone, you may still be distracted. Any diversion of your attention away from the safe operation of your vehicle, like chatting with passengers, eating or drinking, or adjusting radio or vehicle settings, can contribute to distracted and inattentive driving. We all play a part in making our roads safe – when you're behind the wheel, focus on the road.

If you're looking at your phone, you can't see the road.

Checking your phone at a red light may seem harmless, but the truth is using an electronic device behind the wheel is a dangerous distraction. Even when stopped, it affects your situational awareness. You're five times more likely to crash if you're using your hand-held phone.

Tips for safe cellphone use.

- ⇒ No call, text or email is so important it's worth risking your life or the lives of others. Let calls go to voicemail and ignore your text messages while driving.
- ⇒ Turn it off and put it out of sight or turn on airplane mode to avoid the temptation to check your phone.
- ⇒ Assign a designated texter. Ask your passengers to make or receive calls and texts for you.
- ⇒ Pull over to make or receive a call when it's safe to do so. For longer journeys, look for signs at highway rest areas, some of which now provide free Wi-Fi.
- ⇒ Use the 'Do Not Disturb While Driving' feature on iOS devices, 'In-Traffic Reply' on Samsung phones, or download a similar app to help you avoid using your phone while driving.

Learn the rules of the road.

Don't use your cellphone at a red light. The law applies whenever you're in control of the vehicle, whether stopped at a red light or in bumper-to-bumper traffic.

Keep your hands off. Hands-free means a Bluetooth, wired headset or speakerphone that can be operated with one touch or voice commands. Make sure to secure the cellphone to the vehicle or attach it on your body before driving.

If you have a Learner's (L) or Novice (N) licence, you aren't allowed to use any electronic device behind the wheel, for any purpose, even in hands-free mode.

Make sure you understand the law on how to use electronic devices while driving (RoadSafetyBC)

The Hudson's Hope Playschool

The Hudson's Hope Playschool is incorporated as a Society in the Province of BC. It endeavors to provide a positive, respectful, nurturing, safe, secure and inclusive environment for children to learn at their own pace through exploration, play, hands on activities, age appropriate and themed programming.

The Hudson's Hope Playschool is open
Monday to Thursday from 7:30 am to 4:30 pm and
Fridays from 7:30 to 12:00 noon.

We offer full days or half day options for children aged 30 months to 5 years. We follow the school calendar from September to June.

We also offer summer camps in the summer for children aged **3 to 12 years** of age.

You can register at any time.

Please call the Registrar, Amanda, at **250-308-4417** or email amanda-neal@hotmail.com

Hudson's Hope Thrift Store

The Hudson's Hope Thrift Store began operating in 2001 thanks to a group of local citizens with a vision. They saw a need in the community to offer financial assistance for people travelling to other communities for medical treatment. They also identified another very practical need of the community-at-large: a place to shop for affordable non-food amenities like clothing and housewares items.

The Hudson's Hope Thrift Store is owned and operated by the Friends of Hudson's Hope Society. All profits from the Hudson's Hope Thrift Store are used to assist local people who must travel outside of the community to receive medical treatment. The Friends of Hudson's Hope Society also operates the Food Bank as well as the annual Hudson's Hope Christmas Hamper program.

Library

The library will be closed for the Easter long weekend through Monday April 2nd.

We would like to welcome Lyndsay Deitner to our library team! She has accepted the Casual Library Clerk position and will be filling in where she can. She will be facilitating her first YA programs on April 23rd for Lego Club and April 26th for each of the Tween and Teen clubs!

Home Based Business Event – April 21, 2018 doors open 11 am

The Hudson's Hope Public Library Board will be holding a small/home based business sale at the Hudson's Hope School. There is still room for more vendors, call the library to sign up! Tables are only \$15 plus a donation for our draws. Vendors that signed up before March 20th include Northern Rustic Timbers, Barefoot Books, Young Living Essential Oils, Tupperware, Paracord Products, Lacy Susan Creations (sewing), Mary Kay, homemade jewelry, Tim Viers Photography, Pink Zebra, Parthena, Scentsy and Pampered Chef. There will also be a canteen serving lunch and snacks put on by former board members, Grace Okada and Steve Mezger! Please support our fundraising initiative to maintain library programming and purchase new furniture!

The following demonstrates the generous support (\$1000 or over) that we have received since the fall of 2017, and how these funds have been earmarked for use:

<u>Donor</u>	<u>Amount</u>	<u>Direction for funds</u>
In Memoriam	\$10,000	Operational buffer, legacy fund from Mills family
Pembina	\$5000	YA programs & library improvements
Telus	\$2500	YA programs & library improvements
Spectra	\$2200	Donated in 2017, earmarked for children's programs
TransCanada	\$1000	YA programs & library improvements
BC Hydro	\$1000	Little Library installations at DOHH campsites, 2018
NPSCU	computers	Allows a redirection of funds from capital budget

Of the \$21,700 that we obtained through large grants and donations, we have directed approximately \$16,000 toward our operational budget for 2018. The remaining \$5700 will be directed toward capital improvements in 2018, with an additional \$800 from our reserves. These capital improvements will include upgrading furniture in the Reading Room, Young Adult section as well as the Children's Library, prioritized in that order depending on the level of support that we receive. Projections for these capital expenditures for the entire project is approximately \$26,450.

Did you know that we issue tax receipts for any monetary donation over \$20?

Adult Programs – Amber Norton, Library Director

Armchair Traveller: If you would like to present a vacation slideshow for one of our library events, please do not hesitate to call the library or email director.hhpl@pris.ca.

Conspiracy Book Club: *Lost City of the Monkey God*, Douglas Preston

For each book that we discuss, we delve beyond the book to look at conspiracy theories stemming directly from or that may just be related to the content of the book. Members of this club enjoy rich conversations of mystery and intrigue about our past, present and future... all welcome! Our next meeting is on April 21@3:30

Walk-In Book Club: *Hystopia* by David Means is a fictional accounting of the Vietnam War. Compared to *Catch-22* and *Slaughterhouse-Five*, this one is not to be missed! Did you know that this club does not meet? You read the book, know the current readers list, and can chat about the book as you walk about everyday life. Ask a librarian about joining the current readers list.

Pen Pal Program: Would you like to have a pen pal? All ages sign up today!

Young Adult Programs: Shellie Howard, YA Programmer

Lego Club Mondays from 3:30-4:30

Tween Club Thursdays from 3:15-4:45

Teen Club Thursdays from 5:00-7:00

Children's Programs – Toni Sandford, Children's Programmer

StoryTime & Stay and Play Tuesdays 10:00-11:30am

We welcome parents and tots at 10 am on Tuesday mornings, and our structured program starts around 10:15. Join us for theme-based silly songs, finger plays, stories, crafts and activities. April themes: Polar Bears, Pete the Cat, Nursery Rhymes & Ants.

1000 Books Before Kindergarten - Available to all preschoolers; parents can come and join our reading train; earn prizes for each milestone reached. For more information, ask Toni about a getting booklet started for your tot.

Library Club K-Grade 4 Wednesdays 3:30 - 4:30

With spring upon us, we will be able to get outside and play some games as weather allows. April themes: Fireflies, Cultural Day, Bristlebots and Growing Seeds. Thank you so much to the team in Dr. Corbett's Orthodontics office for providing the tooth brushes for our Bristlebot day!

Item Donations –Huge appreciation for our generous donations!

Candace Dow – bag of kids books

“She didn’t realize she’d been holding her breath until she pushed through the wood-grained library doors and exhaled. A warm feeling came over Luce as she looked around the library. She’d always loved the faintly sweet musty way that only a roomful of books smelled. She took comfort in the soft occasional sound of turning pages.”

SPRING BURNING

As the weather starts to warm up many folks are beginning to plan some spring-time cleanup activities including the removal of yard waste and debris. Please remember that under the Fire Protection & Life Safety Bylaw 775 which was adopted in 2010, no person shall light or start an open air fire within the District without first having obtained a Burning Permit from the Fire Chief or his designate. These permits are available at the District Office and can be issued for a onetime event or for an extended period of up to one year.

The only time a permit is not required is during the following situations:

- Burning refuse or garden waste only in an incinerator covered with a screen to prevent flying sparks and is approved by the Fire Chief
- The cooking of food using a portable barbeque apparatus
- Burning on privately owned lands or in developed campgrounds where fireplaces, stoves, and/or fire pits are provided and approved by the Fire Chief
- Burning by the Fire & Rescue Services for the purposes of training

If you are contemplating an open burn:

- Consider your options to compost, recycle, or haul the material to the Hudson's Hope Transfer Site.
- Be a good neighbour. Burn only when it will not affect the health and welfare of the community.
- Call the BC Ministry of Environment to check the ventilation index at **1-888-281-2992**. The index must be "good" for the day of the burn and "fair" or "good" for the second day of the burn.
- Check the wind conditions. If the wind is strong enough to carry sparks and embers to other combustible materials postpone your burn.

Remember that your burn must comply with the Environmental Management Act and the Open Burning Smoke Control Regulation as well as the British Columbia Wildfire Act.

Please remember these measures are in place to protect the health and safety of you and your neighbours. If you have any further questions regarding your burning activities please stop by the District Office to speak to Bob Norton the Director of Protective Services, or call 783-9901.

Early Learning Tip April

School District 60 wants you to know ...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

Independence means ...

having a voice and making choices
providing opportunities for eating or dressing without help
encouraging putting away toys or clothes, helping set or clear the table

Why? When children are verbally capable of expressing many thoughts, feelings and needs, they are ready to take bigger steps toward independence. Encouraging children to "do it themselves" helps develop a healthy self-esteem. When children can do things on their own it gives them opportunities to help or teach other children. A child who is independent will feel confident, especially when you are not there.
