Results That Move You

In Loving Memory

In Memory of my beloved husband, my sweetheart, Hans, who passed away on April 27th, 2018. I, Marlies, would like to thank all of you that knew my husband Hans from the bottom of my heart.

A big thank you to the Fire Department, Ambulance, Police and Medical staff for all your help and support.

We are so proud to have lived in this community with so many kind and caring people.

As per Hans' wishes, there will not be a memorial.

-Marlies

**FROM THE
LIONS DEN**

Hello everyone and welcome to the Lions Den. Well we seemed to have bypassed spring and shot right into summer!

May was a busy month for us. We had our **Mother's Day Steak and Lobster Dinner** on May 12. It was a good turnout and everyone seemed to enjoy themselves. A huge thanks goes out to Ellie Haagsman for helping out with the dishes again this year.

May 27th was also the **Lions Walkathon**. The Lions Club used to sponsor this event to raise money to help people in need in our community but we haven't had one since the late 80's. We had 11 participants who signed up to walk the 16km route! We finished up the afternoon with a BBQ for all the participants. A big thank you to Terylee Fieber for driving our Lions Van and shuttling our folks around and the Grads for all the great help they gave us during the day! The winners of the 2018 Walkathon are as follows:

Youngest Participant: Mackinley Koehn-King

Oldest Participant: Bill Lindsay

Fastest Time Completed: Sean Hodgkinson

Most Money Raised: Bill Lindsay

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

Submitted with pride

Regional Heritage Fair - Once again, our school hosted this exciting and educational event. All of our students are excellent presenters; the practise from previous Fairs is very obvious.

Congratulations to all of our students for their excellent projects and presentations.

The following students will be heading to the Provincial Heritage Fair this summer:

Annika Quibell, Cole Norton, Billie Naisby and Sophie Kehl.

Congratulations to Lucas Beam for earning a Stellar Project Award.

Sam Hills won the Power Pioneer Award (sponsored by BC Hydro)

Brynn Beswick won the "Outstanding Pioneer Award" sponsored by the Chinese Heritage Society:

Angela Simpson received the Historical Buildings Award.

The following students earned "Outstanding Projects" Awards:

Kadence Roymanchych ** Riley Haagsman ** Cache Greffard ** Emily Schwartz

A big thank you to Mrs. Winnicky & Elinor Morrissey for all of their work organizing this event, and for the many community members who helped with judging.

Bev Lambert - Metis Jigger: Ms Lambert provided a very energetic day, teaching our students about Metis culture, and history. Our students had an enjoyable time learning how to jig!

Our school participated in an "Earth Day Cleanup" on May 4th. Our students and staff were very enthusiastic, and collected a lot of garbage. Thank you to the District of HH for helping out by providing disposable gloves and garbage bags (and also picking up the bags of garbage piled around town). Way to go HAWKS!

Jump Rope For Heart- Once again our students raised funds to support the Heart & Stroke Foundation. We also had a really fun afternoon with great "heart pumping" activities. A big thank you to Mrs. Kehl for organizing this fundraiser and event. Our students raised \$4200.00, a new record for our school! Great work HAWKS!

Rodeo - Many of our students and local youth recently competed in the Hudson's Hope High School Rodeo, and Junior Provincials Rodeo. Congratulations to Sarah Haagsman, & Ben Jackson for competing hard in their events! Carson Gunderson tied for first in the Province in breakaway roping, and third in goat tying! Congratulations to all of you for your hard work and dedication.

Classroom Champions - Canada's Women's Olympic Bobsleigh competitor, Alysia Rissling visited our school on April 27th! Alysia has been helping teach our students the importance of fair play, determination, and community spirit! It was very enjoyable to watch Alysia interacting with our students. She is a very positive and engaging person.

Silk Screening - Our secondary Fine Arts students have started to put their creations to work! It's very exciting to be utilizing our new silk screening equipment. Thank you BC Hydro for supporting our students with this program!

Thank you Pro-Hardware for your recent donation to support our shop courses.

Work Ethics Honour Roll - Semester Two, Term 1 This term we raised the challenge for our students to earn their way onto the honour roll. Students must now earn "Good" work habits for every course they take. Once again our students have risen to the challenge. Congratulations to the following students:

Grade 7: Ilya Gortman, Carson Gunderson, Robyn Haagsman, Charlie Kehl, Ginger Lucas-Jarnagin, Cadyn Moraice Budalich, Quinn Rice, Nero Weder Leneya Vig.

Grade 8: Xavier Beam, Sydne Douglas, Megan Matus, Davida Naisby, Katelyn Norton, Jenna Roberts, Pasco Weder.

Grade 9: Dylan Beswick, Joshua Deitner, Dina Gortman, Henry Kehl, Annabella Lucas-Jarnagin, Kacey MacNeil, Wren Naisby, Cassidy Reschke, Brenna Rice, Tanis Weatherbee.

Grade 10: Zackary Deitner, Dimitriy Gortman, Sarah Haagsman, Taylor Rowe, Manraj Singh.

Grade 11: Jacob Kylo, Martell Loberg, Sean Rice, Olivia Weatherbee.

Grade 12: Iris Barnes, Adam Burkitt, Austin Douglas, Brooklyn Howard, Jacob Kempster, Mickey Loberg, Alexander MacDonald, Alex MacNeil, Jake Martin, Zack Milliken, Jade Rowe.

Sports Day - On May 25th our students enjoyed some fun track and field competitions, as well as some good old fashioned relay races to finish the day. The weather was perfect, and everyone demonstrated fantastic sportsmanship and school spirit throughout the day. Mrs. Kehl and Mrs. Herrington worked very hard to organize this fun day (thank you!). Also a big thank you to the Volunteer Fire Fighters, BC Ambulance, and RCMP volunteers for a great BBQ! Finally, thank you to our PAC members for volunteering to help run events and set-up/clean up.

Thank you to the District of HH Staff for getting the "big tent" set up so quickly to provide shelter during our Sports Day.

"The greatest gift to give in this era is your time"

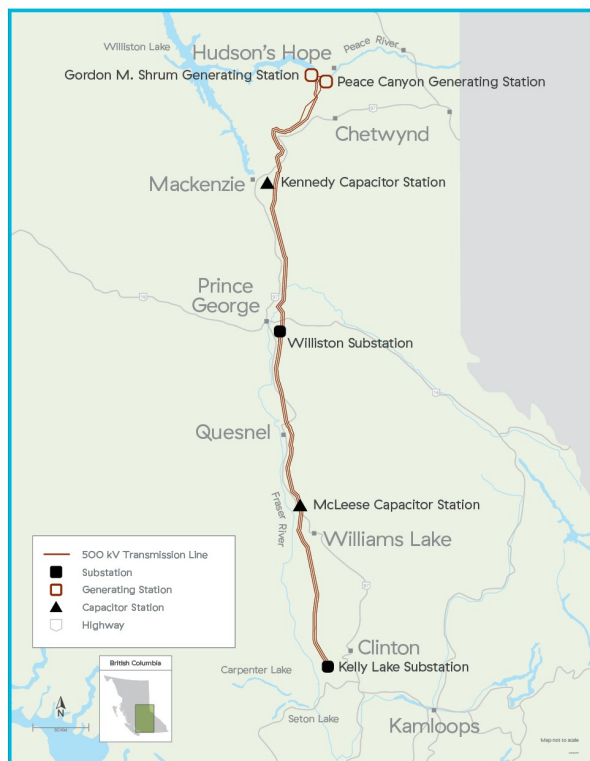

Introducing the Peace to Kelly Lake Capacitors Project

We are in the early planning stages of the Peace to Kelly Lake Capacitors Project (PKCP).

The Project will ensure the capacity of the existing transmission lines can accommodate all expected generation in the Peace Region and safely deliver electricity to homes and businesses throughout the province.

We're currently exploring three project alternatives. For details on the alternatives, visit www.bchydro.com/pkcp.

If you'd like to be added to our stakeholder list to receive project updates and notifications please email projects@bchydro.com or call 1 866 647 3334.

5499

Hardly any spring, but summer did come and stay for a few days. Into a new season now, called Wind Time. Those winds would be a wicked force to contend with if it were driving a fire. With no rain, conditions are dry in many places so please be exceptionally careful about fire.

Community Engagement Committee

Several people have expressed concerns about the difficulty finding out what is going on with Site C. There is a Community Engagement Committee (CEC) the role of which is to deal with Site C – related issues. Councillors Dave Heiberg (783-0816) and Kelly Miller (783-0819) are Council representatives on the CEC; please contact them with your concerns.

North Montney Pipeline

The 206 kilometer North Montney Mainline pipeline project would gather gas from the Sikanni / Buckinghorse area on the Alaska Highway and carry it south to a hub north of Groundbirch, where it would connect to a network of pipelines into Alberta and other parts of North America. The project is owned by Nova Gas, a subsidiary of Trans Canada. The line would cross the Peace River between Farrell Creek Road and Ardills' ranch, so is close to Hudson's Hope. It should generate considerable business within the community, unless Nova Gas applies the same rule as Progress Energy and requires that all workers stay in camps.

The line was originally approved in 2015 when it was tied to Petronas' proposal for an LNG plant in Prince Rupert. When that project was cancelled, the pipeline's National Energy Board's (NEB) approval was also cancelled. However, other companies indicated an interest in using the line and Nova Gas applied for a variance which was granted on May 23rd. The federal government still must issue approvals, but assuming those come through, construction is anticipated to begin later this year. A big portion of the 42" pipe needed for construction is stored in a field in Beryl Prairie. You might remember when it came in: three pipe lengths per truck, and they had to have traffic control to get around the post-office corner!

Disposal Well

About 30 people attended the OGC meeting in which they went over the history of the well and the reasons for deciding to re-permit it, after withdrawing the permit last year. Ben Jones, president of Canada Energy Partners Inc., has indicated that he intends to comply with the additional conditions imposed by the OGC and re-open the well as soon as practicable.

Petronas

Business in Vancouver (BIV) magazine, reports that Petronas, the Malaysian state-owned company which planned and then last year dropped their proposed LNG plant in Prince Rupert, has purchased an interest in LNG Canada. Shell and three other partners currently own LNG Canada and have indicated that they will soon make a final investment decision on whether to go ahead with their LNG plant in

Kitimat.

If the LNG Canada plant in Kitimat does proceed, and if Petronas is indeed a partner, then we can expect increased activity in this area. Progress Energy is a subsidiary of Petronas, and Progress has huge sub-surface rights on our northern border. Progress would be supplying the gas to fill whatever percentage of the gas their partnership entitles them and that would come from just north of us. One problem for Hudson's Hope, though, is that Progress requires that their employees and their contractors' employees, must live in their camp. That cuts out the Hudson's Hope hotels, restaurants, RV parks etc. I've argued with Progress operations people about that rule because it hurts Hudson's Hope a lot, but so far they are sticking to their position.

I just hope Nova Gas doesn't follow the same policy for their pipeline.

Kwadacha and Tsay Keh Villages

I had an opportunity to visit Kwadacha and Tsay Key villages at the north end of Williston Reservoir. Kwadacha (Fort Ware) is on the Finlay River and is aggressively pursuing a policy of self-sufficiency.

They have a bio-mass generating system, burning chips from beetle-killed pine trees to create steam. They use the waste heat to heat three large greenhouses which supply vegetables, berries and fruit. They plan to heat one greenhouse year-round in order to supply food for all 12 months.

They have a cement truck and two small lumber mills, which supply building materials for housing and public buildings. Their 6-unit seniors' center is heated by hot water piped underground from a wood-fired boiler system located outside. Some of the buildings are heated by geo-heat exchange. Their school is K-12, the same as Hudson's Hope.

Tsay Keh is on the banks of Williston Reservoir where the annual draw-down exposes miles and miles of sand beaches which sometimes creates massive dust storms. It's a health hazard and they have spent enormous effort to try to understand and control the dust. It's a daunting task and although they have gathered an enormous amount of data, there's not a solution in sight. Despite the dust problem, Tsay Keh has improved living conditions of their people with a new school, store, housing and seniors' center, sewer system, and programs.

The focus on self-sufficiency makes a lot of sense, given that it's about a six hour drive north of Mackenzie. Both communities have made enormous progress since I was there about 12 years ago. I wish them well in their efforts.

Mayor Gwen Johansson
DISTRICT OF HUDSON'S HOPE

SPECIAL EVENTS UPDATE

VOLUNTEER APPRECIATION BBQ AND AWARDS APRIL 28, 2018 11AM-2PM

Our *Second Annual Volunteer Appreciation BBQ and Awards* event was held in Beattie Park on a fantastic sunny and warm day. Big thank yous need to go out to the Hudson's Hope Lions Club for their hard work on the day and the food prep ahead of time! We can't thank you enough for all the time you give in our community. Thanks as well to Country Flavours Catering for the delicious treats and salads to accompany the meal. Music made possible by Travous Quibell, thanks to his sound system and of course the musical stylings of "The Usual Suspects". Around 150 people stopped by the park during the event and enjoyed the sun, music, and free food.

BUSINESS-TO-BUSINESS NETWORKING SESSIONS

HUDSON'S HOPE | MONDAY, JUNE 25, 2018

AFDE Partnership, the Generating Station and Spillways (GSS) Civil Works contractor for the Site C project, will be holding business-to-business networking sessions in northern BC in late June of 2018. The sessions will provide an opportunity for businesses from local and regional communities to meet with AFDE as well as to network with each other.

AFDE consists of global and local leaders in complex infrastructure construction: Aecon, Flatiron, Dragados, and EBC. You can learn more about AFDE and our scope of work at afde.ca.

REGISTRATION & LOCATIONS

AFDE will hold a session in **Hudson's Hope** on **Monday June 25, 2018** from 9:00 am to 11:00 am. Sessions will also be held in **Chetwynd**, **Fort St. John**, and **Dawson Creek**. Registration is required to attend the sessions. Once registered, businesses will receive an information package with the event venue and additional details.

Please register by **Monday, June 18** via our website: afde.ca/b2b-registration

For more information about the sessions, including format and types of business opportunities, please visit: afde.ca/b2b-networking

Visitor Centre

The Visitor Centre opened at the beginning of May this year and what a great month it has been! Great weather makes for happy campers. Lots of visitors coming through with lots of family visiting family, and lots of camping, hiking and of course swimming at the pool. We hope you can drop in for a visit so we can help you check out travel areas in BC and Alberta as well as going north to Yukon and Alaska. Lots of good maps and new publication guides available at no charge.

Merchandise for sale features Hudson's Hope logo swag. You will find T-shirts and zip up hoodies, baseball caps, several types of beverage containers and kozies for your beverage, pennants, fridge magnets and more.

Maps for sale includes two versions of the BC Backroads map book –one being the water proof and very detailed area of northeastern BC with trails and industry roads included. Our provincial standard is the BC Parks & Map Guide for highway travel.

Tourism is one of the fastest growing industries globally and brings incredible benefits not only for visitors, but also social, cultural and economic benefits for BC residents. It improves the quality of life for all British Columbians—think about the things we enjoy that would not be as viable without the tourism engine: museums and galleries, parks and recreational facilities, and many other benefits that make life so good here in BC.

BC Tourism Week is May 27 to June 2 this year but don't let that stop you! Celebrate our community and province every week !

Watch for local and regional events posted on the Hudson's Hope Visitor Centre Facebook page.

Police Report: May 2018

Hudson's Hope RCMP responded to approximately 32 calls for service over the last four weeks. During the month of April, the Hudson's Hope RCMP issued 58 Motor Vehicle Act Warnings and Violation Tickets. One impaired driver was stopped and charged during this period. Four check stops were conducted in an effort to combat impaired driving.

The Hudson's Hope Speed watch Program is progressing and expected to implemented in the next few weeks. Volunteers are still welcome to join and help make their community a safer place.

The Hudson's Hope RCMP was assisted by Fort St John RCMP, Chetwynd RCMP and North Peace Traffic Services during May long weekend. Extra police presence on the highway, on ATV, and on the water, was focused in historically busy areas in an effort to prevent offences and injuries to outdoor enthusiasts. The weekend enforcement effort was a successful one with no serious injuries.

The Hudson's Hope RCMP Positive Ticketing program has begun and will continue until fall. Several youths have been "caught in the act" being safe or acting in a positive way such as wearing a bike helmet, using a crosswalk to safely cross the road, or wearing a seatbelt. When officers witness this, the youth can be issued a free ice cream positive ticket. A big thank you to Belinda Karlin and the staff at Marg's Mini Mart for partnering with the Hudson's Hope RCMP in promoting safety and positivity in our community.

On April 24th, 2018, Hudson's Hope RCMP responded to a complaint of a shoplifting theft from the Sportsman Inn Liquor store. The suspect was described as a First Nations female, approximately 20-30 years old, 5 ft 5 Inches tall, stocky build with bleached hair with orange tint. Anyone with information can contact the RCMP locally or Crime stoppers.

On May 20th, 2018, Hudson's Hope RCMP were called out to a residence on Twelve Mile road for a possible domestic assault. A male was arrested and lodged in cells for a few hours to sober up and was released later in the day. The file is still being monitored.

On May 20th, 2018, RCMP located a vehicle parked at a local business with expired insurance. The driver eventually returned to the vehicle and was issued 7 violation tickets for multiple infractions. The vehicle was also towed.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

Intelligence

YOUR WAY

JULY 12-AUGUST 16 2018
HUDSON'S HOPE LIBRARY
6PM EACH THURSDAY FOR CHILDREN GRADES K-6

FACILITATED BY SIDNEY HOLLEN
 SPONSORED BY

Multiple Intelligences

Multiple Intelligences was created by Alfred Binet and is a way of identifying ourselves by proving that we are all diverse and “smart” in different ways. This program contributes to children having a growth mindset and building their confidence while learning about themselves!

The program goes into depth of 9 different types of intelligences, math and logic (more fun than it sounds I promise), musical and rhythmic (singing and dancing), naturalistic (our community connections), intrapersonal and interpersonal (teamwork and personal time), visual and arts, verbal and linguistic (talking and writing/ drawing), body athletics, and existentialism (the connection to the world). In order to understand these topics a bit better children in elementary grades K-6 are welcome to take part in the different activities we have throughout the summer. We are going to be exploring who we are using art, building, music, games, and most importantly our minds of course!

This program will run 6 Thursday evenings of the summer starting on July 12th 2018 and running to August 16th 2018, starting at 6pm. For more information on the individual days please feel free to email me at Sidney.hollen@gmail.com .

**No late entries will be accepted.
Sorry, NO exceptions!**

Damage Waiver forms are available at the District Office and must be completed by Thursday, June 7th, 2018. Items need to be placed on the curb/property line. Gas tanks and tires need to be removed from vehicles prior to pick up for safety and environmental reasons.

You must provide your name, civic address or location of item(s), telephone number and which item(s) you want picked up. A waiver will need to be signed to authorize the District to remove items. A sticker, provided by the District, must be put on the article to be removed. **ALL ITEMS MUST BE LOCATED AT THE CURB!** The District staff will not go onto private property.

For more information please contact the District Office at 250-783-9901.

CHECK OUT OUR FLYER IN STORE

School District 60 wants you to know...
 You are your child's first and best teacher.
 You can help your child grow strong roots for
 learning both in and out of school.

Tip- Feelings

- **talk** about feelings and what might cause them
- **use** descriptive vocabulary like happy, sad, angry, disappointed, excited, surprised and frustrated
- **encourage** your child to talk about himself
- **pause** while reading a book and ask how a character might be feeling
- **model** how to handle emotions positively yourself

Why? Since birth, your child will be developing many emotions. Even before children learn and understand language, they feel emotions. Understanding emotions will help your child develop qualities like caring, self-esteem, and flexibility which will help them to better understand others' feelings. To find out more information go to: www.familyfriendlycommunity.ca or www.earlylearning.prn.bc.ca

THE SKI HILL'S 19th ANNUAL FATHER'S DAY FISHING DERBY

Hudson's Hope Ski Association is holding its' 19th Annual Fishing Derby

Father's Day, Sunday June 17th

Tickets Available at:

- ♦ Marg's Mini Mart
- ♦ Legacy Market
- ♦ Lonestar Sports in Chetwynd
- ♦ Boat Launch from 5am derby day

Dinosaur Lake

Entry fee: \$15.00 for adults
 \$7.50 for kids (15 and under)
 \$10.00 for seniors (65 and over)

Start time: after sun-up on Sunday and
 weigh-in at the boat launch - 3:00pm sharp!

Tons of Great Prizes: Both Adult and Jr. categories.

You don't have to catch a fish to be a winner.

Lots of door prizes and a silent auction as well!

As the derby falls on the Family Fishing BC weekend, no fishing license is required but all fishing regulations are in effect.

For more information contact: Sandra Nuessli at 250-783-0563 or email Sandra_nuessli@hotmail.com

Hudson's Hope Youth Soccer Tournament
Saturday, June 2nd U6, U8, U10, U12 and U16

Location: HH School and District Fields

Come out and cheer on your local Hudson's Hope soccer players as they compete against teams from Chetwynd, Tumbler Ridge and Fort St. John.

Games will be taking place from 9am—3pm

Our world famous concession will be running all day!

2018 PROPERTY TAXES

Property taxes were mailed out at the end of May. Please call the District Office if you have not yet received your notice.

Taxes must be paid by **Wednesday, July 4th** to avoid penalty. A 10% penalty applies on the outstanding amount after this date, so even if you cannot make a payment, please claim your Home Owner Grant (HOG) prior to the deadline.

Apply for your HOG online (see instructions below) or in person at the District Office with your 2017 tax bill. If you have any questions please contact Rhonda Eastman at the District Office at 250-783-9901.

Rhonda Eastman, *Deputy Treasurer*

Claim your Home Owners Grant Online
Easy steps to claiming your HOG online:

1. On the Hudson's Hope web page go to:

<http://hudsonshope.ca/residents/tax-information/home-owner-grant/>

2. Click on the picture—claim the home owner grant online

3. Enter your Roll number and password from your tax form

4. Click on Apply Now

5. Pick which applies to you regular HOG or Additional HOG over 65

6. Fill in all the information and check the boxes. Click on Apply.

7. Confirmation that your application has been sent will appear and you can print a copy for your files.

Safety and Bylaw Enforcement

June Safety Tips –Sun Safety Month

Do you know how to spot the difference between heat cramps, heat stroke, and heat exhaustion? Read our safety tip to find out how to keep cool this summer as the temperature rises. Anyone can experience heat stress. The health risks are greatest for those over the age of 65, infants and young children, people with chronic illness such as breathing or heart problems, those who work or exercise in the heat, and those who are overweight. Heat illnesses are preventable.

During Heat Waves:

- Drink fluids, especially water, before feeling thirsty.
- Slow down! Your body can't function as well in high temperatures.
- Cool down in cool store, public library, or community pool.
- Shade heads and faces with a loose-fitting ventilated hat or umbrella when outdoors.
- Dress appropriately in light-weight, light-coloured, and loose-fitting clothing.
- Avoid getting sunburned. It decreases the body's ability to cool.
- Never leave infants, children or pets inside a parked vehicle.
- Remember to check on elderly family members, neighbours and friends to make sure they are comfortable and safe.

Common symptoms and treatment of hot weather illnesses:

Heat Cramps

Symptoms include sharp pains in the muscles caused by salt imbalance resulting from the failure to replace salt lost with excessive sweat.

Treatment: Move person to cool, shaded area to rest, and apply firm pressure to cramping muscles. Give person two glasses of salty water (mix 5 milliliters of salt to 1 liter of water) at 10 to 15 minute intervals between each glass if cramps persist.

Heat Exhaustion

Symptoms include heavy sweating, weakness, dizziness, headache, diarrhea, muscle cramps, cold and clammy skin, low blood pressure, disorientation and possible vomiting. These are caused by excessive loss of water and salt.

Treatment: Move patient to cool area to rest, provide salty water, and cover person if shivering. The person should rest in bed until recovered. Seek medical attention immediately.

Heat Stroke

Symptoms include a core body temperature greater than 40°C, complete or partial loss of consciousness, reduced cognitive function and cessation of sweating (hot and dry skin), dilated pupils, and elevated blood pressure. Skin may be flushed at first, later ashen or purplish.

Treatment: Heat stroke is very serious. Call 911 immediately and while waiting for the ambulance, move the person to a cool place and sponge body with cool water while letting the water evaporate to reduce body temperature.

Sun Safety for Children

Your child can sunburn in as little as 15 minutes. During a heat wave, limit outdoor activity to cooler morning and evening hours and never let infants or young children play or sleep in the sun in a playpen, stroller, or carriage.

If out in the sun, limit their exposure time as much as possible and apply sunscreen with an SPF 15 or higher. Pay particular attention to the areas that are most exposed, such as the

Safety and Bylaw Enforcement

face, lips, ears, neck, shoulders, back, knees, and the tops of their feet. Apply sunscreen at least 20 minutes before going out in the sun and reapply every two hours or more frequently if your child has been involved in vigorous activity that could potentially remove the product, such as swimming, toweling or excessive sweating.

Don't forget to put a wide-brimmed hat and sunglasses on your child. When deciding on sunglasses, look for a label that says ANSI or CSA approved for sun protection and that are labeled as "UVA and UVB blocking", "100% UVR protection" or "UV 400". They will provide almost complete protection against eye damage from the sun.

Dress children in tight woven, light-weight, light-colored, and loose-fitting clothing, and preferably in cotton to absorb sweat. Give small amounts of water frequently.

"District of Hudson's Hope Fire Protection and Life Safety Bylaw 775, 2009"

1. Burning Permits

- a. No person shall light or start an **open air fire** within the **District** without first having obtained a burning permit from the **Fire Chief** or his designate.
- b. permit as required in subsection (a) is not required for the following:
 1. Burning refuse or garden waste only in an incinerator covered with a screen to prevent flying sparks and approved by the **Fire Chief**;
 - ii. The cooking of food using a portable barbeque apparatus;
 - m. Burning on privately owned lands or in developed campgrounds where fireplaces, stoves, and/or fire pits are provided and approved by the **Fire Chief**.
 - 1v. Burning by the **Fire & Rescue Services** for the purposes of training.
- c. Permits may be issued for a onetime event or for an extended period of time of up to 1 (one) year, and may be revoked by an **Officer, a Fire Inspector**, a Bylaw Officer; a Peace Officer, or an employee of the BC Forest Service.
- d. Every possessor of such a permit shall be responsible to ensure the fire remains under control and that a responsible person maintains a watch to ensure that the fire does not grow out of control, and has a means to extinguish the fire, such as a garden hose or buckets of water.
- e. Any possessor who allows through inadvertence for the fire to get beyond control and so necessitates **assistance response** by the **Fire & Rescue Services** shall be liable to a fee as set out in Schedule "A" of this bylaw in addition to the cost of the apparatus and manpower needed to control the fire.
- f. Any person who lights or starts a fire without the required permit, shall be liable for a fine as set out in Schedule "A" of this bylaw in addition to the cost of the apparatus and manpower needed to control the fire.
- g. Permit holders shall ensure that the Environment Canada venting forecast is good before they light any fire.

Protective Services

DROWNING: IT CAN HAPPEN IN SECONDS

Drowning is a leading cause of preventable injury and death in children under 10 in Canada.

Sixty per cent of drownings occur in the four summer months from May to August, according to the Canadian Red Cross.

For parents and caregivers of children, part of the problem could be perceptual. In our popular imagination, drowning involves a protracted commotion: thrashing, gasping and cries for help. But when a drowning occurs in real life, it often happens swiftly and silently.

The difference between our ideas about drowning and the reality of it can give us a false sense of security.

Parents and caregivers can help to prevent drownings by taking a few basic precautions:

ACTIVELY SUPERVISE CHILDREN when they are in or around water. For children under five and weak swimmers, active supervision means staying close -- within arm's reach. The Canadian Lifesaving Society recommends a supervision ratio of at least one adult for every baby, and one adult for every two small children. With older children, including good swimmers, it is still important to watch closely. Do not rely on a "buddy system" to keep kids safe, or make older children responsible for younger ones.

For extra protection, especially if you are watching more than one child, have children under five and weak swimmers **WEAR LIFE JACKETS** when playing in and around water. While boating, always wear your own lifejacket and ensure children are outfitted with life-jackets that fit them properly.

LEARN FIRST AID AND CPR (cardiopulmonary resuscitation). It doesn't take long to get trained in these lifesaving skills. Many people have been saved from drowning by bystanders who knew how to properly administer First Aid and CPR.

Put your kids in **SWIMMING LESSONS**. Although formal swimming lessons can't "drown-proof" children, some studies show kids who receive swim training are less likely to drown. If your own swimming abilities could use some work, consider enrolling in adult learn-to-swim or swim improvement class. Some courses, like the Lifesaving Society's Swim to Survive program, focus on water survival skills.

FENCE IT: if you have a backyard pool (including above-ground pool or temporary pool that will not be emptied after each use), or if you have a spa or hot tub, the best practice is to fence it off completely on *all four sides*. The fence should be at least four-feet high, with no gaps larger than four-inches. Access should be restricted by a latching, self-closing gate. It may be useful to keep in mind that chain link fences may be easier for children to scale than a fence made of vertical metal bars. Regardless of the fence style, four sided "isolation" fencing is more effective than three-sided "perimeter" fencing where the house is used as the fourth side.

A promotional poster for Northern Baseball Training's Summer Baseball Camp. The background is a photograph of a baseball field with a batter in a blue shirt and grey shorts swinging a bat, and a catcher in a black shirt and cap crouching in the foreground. In the upper center, three silhouettes of men stand against a blue sky. The text 'NORTHERN' is in large, bold, white letters with a black outline, followed by 'BASEBALL TRAINING' in smaller black letters. Below that, 'SUMMER BASEBALL CAMP' is written in large, bold, orange letters. A circular callout on the right says 'IMPROVE YOUR SKILLS & LEARN TECHNIQUES FROM PRINCE GEORGE'S BASEBALL EXPERTS!'. At the bottom right, 'HUDSON'S HOPE' is in orange, followed by 'JULY 7-8 2018' in large orange letters. At the bottom left, '\$100' is in large white letters, with 'includes NBT t-shirt' in smaller black letters below it. Below that, 'Register online!' is in black, followed by the website 'www.northernbaseballtraining.com/register' in smaller black letters. A dark blue diagonal shape covers the bottom left corner.

Programs – Amber Norton, Library Director

Library

Employment Connections: We had a great turnout for our Lunch & Learn session with Employment Connections in May! They plan to come back to meet with clients in June and we will host another opportunity for workshops in July. Please stay tuned to PSA and our Facebook page for dates as they become available.

Pen Pal Program: Come on in or give us a call to sign up today!

Dear Friend,

We just wanted to let you know that we are starting a **penpal program** with other libraries from across the country and from around the **world** :).

This new program is for all ages. Come on by and find out more!

Thanks a bunch,
Staff at the library

Young Adult Programs: Shellie Howard, YA Programmer

Lego Club Mondays from 3:30-4:30 All ages welcome! Last day June 11th

Tween Club Thursdays from 3:15-4:45 Ages 9 through 13, last day June 7th

Teen Club Thursdays from 5:00-7:00 Ages 13 plus, last day June 7th

Children's Programs – Toni Sandford, Children's Programmer

StoryTime & Stay and Play On Tuesdays from 10:00 to 11:30 am, last day June 12th

1000 Books Before Kindergarten – Preschoolers! Join our Reading Train today!

Library Club K to Grade 4, Wednesdays from 3:30 to 4:30, last day June 13th

Program Wind-Up Barbecue at the Library!

If you or your child have attended any of our programs since September 2017, come join us on June 14th! Burgers and hot dogs will be on at 5:00pm! This is our first program wind-up barbecue and we are excited to share a meal and engage in some fun and games! Games will be set up right after school.

Summer Reading Programs

This year's theme is Motion Commotion and we will be running our SRC programs for 7 weeks starting the week of July 3rd. The BC Summer Reading Club is a free literacy program designed to engage school-aged children, ages 5-14, with libraries and reading, throughout the summer. We strive to do so in a way that is fun, educational, inclusive and community-oriented. Please fill out a registration form for every child who will be attending.

Ages 3-5 Tuesdays from 10:30-11:30

This year this younger age group is going to be structured the same way that StoryTime is, in that it will be an interactive playgroup with parents & guardians.

Ages 6-8 Wednesdays from 10:30-12:00

Ages 9-14 Thursdays from 10:30-12:00

Item Donations – Many thanks to our generous supporters!

Caroline Beam – 2 DVDs

Caitlin Vince – 5 boxes of YA & adult!

Anonymous – 1 adult paperback

Linda MacKeigan – 8 HC adult books

Robert Norton – 1 adult non-fiction

Check out our website at hudsonshope.bc.libraries.coop or call us at (250)783-9414 and please remember to like us on Facebook to stay up to date on current events!

“One benefit of summer was that each day we had more light to read by.”

— **Jeannette Walls**, *The Glass Castle*
Available in our non-fiction collection.
