Hello everyone and welcome to the Lions Den.

I hope everyone was able to take in the fun and entertaining festivities at Canada Day. The weather wasn't great but there was a good turnout and everyone seemed to enjoy themselves. The Lions Club were out as well flipping the burgers.

Fun Fact: Male lions spend 18-20 hours a day snoozing and females 15-18. The Hudson's Hope Lions also take some time off in the summer. We hope you have a safe and fun summer and we'll see you in the fall. If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

THANK YOU

Thanks to all who helped make our home soccer tournament on Saturday, June 2 a success!

Close to 300 players ran, passed, dribbled and scored on a sunny, but not too hot day.

We had teams from Hudson's Hope, Chetwynd, Tumbler Ridge and Fort St. John participate in our tournament.

Special thanks go out to the following:

Hudson's Hope School- use of fields, foyer for concession and BBQ's
HH Fire Hall- use of BBQ

District of Hudson's Hope- picnic tables, garbage cans and tent.
Thanks for checking in throughout the day on Saturday to make sure the event was running smoothly. Also, donation of lanyards for player prizes and letting us have Dudley the Dinosaur for the day!

Butler Ridge Energy Services- porta potties

BC Ambulance- First Aid

Coal Box- treats for HH coaches

Marg's Mini Mart- player of the game awards

Prize table donations: Schwartz, Kehls, Matchett (Tupperware),
Vig, BC Hydro, Joseph Paracord, Nicole Gillis Century 21

Thanks to all our volunteer coaches, refs, field liners and concession helpers.

Thanks Alison for organizing a great concession once again!

School District 60 wants you to know...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school...

Reducing screen time means ...

- limit the amount of time your child has on screens each day
- do not put screens in children's bedrooms
- put your screens away when speaking with your child
- encourage other activities while you travel, shop or have meals together ... singing, talking, reading, playing games, etc.

Why? Although screens are part of our world and have many positive aspects, humans need human contact to learn social skills and to feel love. To find out more information go to:

In Loving Memory
Kelly Lynn Pederson (Chicky McEvoy)
January 15, 1960 – June 28, 2018

Kelly was born in Wabigoon, Ont. to parents Jim and Wanda McEvoy. The 1960's were a very unstable time to bring a beautiful daughter into the world. With Cuba threatening to blow up the United States and Bombers flying over us and preparing for war with Cuba, our father who had fought in the Korean War, knew all about war. So our dad decided to move his family as far away from the war zone as possible and so this is how Kelly and her family came to be in Hudson's Hope. Kelly (Chicky) was 2 years old when we arrived here. Kelly grew up a very kind hearted, compassionate girl who was loved deeply by all who knew her, she was a very independent person "Her way or The Highway": that's what everybody loved about her. Kelly became quite the little nomad, never planting her feet too long in any one place. She never ever ventured too far from Hudson's Hope, where she was loved deeply from people who knew her well. She was also noted for her excellence in her riding skills and her horsemanship. She really was the best in the west by the dam site (WAC Bennet Dam).

Kelly will be greatly missed. Leaving to mourn her loss:

Lawrence Forry who suffered along beside this beautiful incredible person until she was taken,

Brian Pederson, (Son) Ryan Pederson, Bonnie, Joel & Jameser

(Daughter-In-Law) Mindy Pederson, (Sisters) Sandra Walker & Sylvia Hiebert (Ernie)

Predeceased: Father Jim McEvoy, Mother Wanda McEvoy, Sister Susan McEvoy, Brother Pat McEvoy,

Son: Tyson Pederson

Our beautiful angel is now home with her family in the Heavens above.

Hudson's Hope Essential Services House Construction Project

Students from Hudson's Hope Secondary will be swinging hammers alongside others from Fort St John as part of school coursework this fall. Called the Essential Services Home Project, BC Hydro and School District 60 (Peace River North) are working together to construct a new house in the Lucas Subdivision, formerly the Atkinson property, in Hudson's Hope. "The experience is invaluable for the Grade 11 and 12 students," said BC Hydro Project Manager Mattias Gibbs. "They will be involved from foundation to lock-up." As mentioned in *The Bulletin* last month, students will receive a full semester of high school elective credits, earn Level One carpentry certification and earn apprenticeship hours towards their journeyman's ticket. The 1,375 square foot house will feature nine-foot ceilings, custom maple kitchen, three bedrooms, two bathrooms, natural gas heat and hot water, a large deck and attached garage. The new home will stand beside others in the subdivision which will also feature apartments and duplexes. A sod-turning ceremony will break ground at the new project construction site early in the new school year, September 6, 2018.

DISTRICT OF HUDSON'S

Lots happening this summer, including some very hot temperatures, and some heavy rains.

All good, though!

First Responder Pre-Hospital Care:

For many years we've been lobbying the province to provide more ambulance service, based in Hudson's Hope. However, thanks to the efforts of Bob Norton, Director of Protective Services, we are getting closer – by doing it ourselves. We now have a First Responder Program, which consists of nine qualified responders who act when an ambulance call comes in. If they arrive before the BC ambulance crew, they provide care until the ambulance arrives. That's critically important if the ambulance is coming from Fort St John or Chetwynd, when a wait could be up to 45 minutes or an hour. First responders do not transport, but are very well qualified to provide emergency care for patients awaiting an ambulance. They can even deliver babies if need be!

As Bob Norton says:

"The First Responder program will allow Hudson's Hope Fire Rescue to work in conjunction with BC Emergency Health Services to provide timely pre-hospital patient care, and to positively impact patient outcomes within our community. We feel very fortunate that we have the ability to provide this valuable service, and believe that it will be of great benefit to our residents."

We are indeed lucky to have local residents who are willing to spend the many hours of studying to receive First Responder certification, all so they can volunteer to help community members in stress. Thank you all!

Trans Canada North Montney Mainline Extension:

Representatives from TransCanada Pipelines and their prime contractors came in on Friday, July 20th. The pipeline gathers gas from the Upper Halfway area, comes south and east, just skirting the municipal boundary before dipping into the valley near Farrell Creek. It passes under Farrell Creek near the Gentles' property, and is drilled under the Peace River just east of Farrell Creek. From there it goes south-east to the Saturn Hub area where the gas can be dispersed through existing pipelines to all parts of North America.

Farrell Creek Road:

If there was any doubt, the July 21/22 weekend rainstorm pretty well confirmed that the Farrell Creek Road, especially the hill off Hwy 29, is in bad shape and in need of some major work if we expect it to stand up to heavy industrial traffic.

HOPE COUNCIL NEWS

The whole road is in need of work, but especially the hill just off Hwy 29. On the weekend, it was down to one lane, restricted to 50% axle weight and heavy trucks were directed to detour via the Beryl Prairie Road. When it stopped raining, and dried out a bit, it did stabilize but at this writing, it remains single lane. There is considerable urgency to get a fix, as construction of Trans Canada's North Montney Mainline pipeline is scheduled to start in mid-August. The shortest route for the many loads of 42" pipe, heavy equipment, and paving material is up the Farrell Creek hill and Road.

The Peace River Regional District (PRRD) has created a North Peace Rural Roads Committee, consisting of Karen Goodings (Area B), Brad Sperling (Area C), Taylor Mayor Rob Fraser and myself. The committee has brought together a "Rural Roads Task Force," made up of representatives of user groups. We have been advocating for work on all rural roads, but the Farrell Creek Road has emerged as the most urgent priority.

In response, the Ministry of Transportation and Infrastructure, (MOTI), has moved all their district paving budget to do a total overlay of all existing pavement on the Farrell Creek Road. They had previously planned to do just skip patching. MOTI's short term plan is to start repairs as soon as it dries out and get it back to a 2 lane, 100% axle load as soon as possible. The long term plan is to speed up Geo-technical testing to find the best realignment for an improved route.

Disposal Well:

Ben Jones, President of Canada Energy Partners Inc., has signed a non-binding letter of intent to sell the disposal well located near Peace Canyon Dam for \$1.05 million. The potential buyer has not been disclosed, but closing is to occur by August 27th unless there are regulatory delays. The disposal rights to three sections of land are included in the sale. Canada Energy Partners retains the disposal rights to another 45 sections but cannot drill another disposal well on that land for three years from the date of closing.

Enjoy the rest of the summer!

Mayor Gwen Johansson

The Peace Liard Regional Arts Council (PLRAC) will be hosting North-east BC's first annual writing festival, Words North, taking place in Dawson Creek September 27-30, 2018. The festival will showcase diverse forms of writing including poetry, prose, spoken word and song writing and will feature regional writers as well as established writers from outside the region. A Words North Art Exhibit will also take place during the festival with work by regional visual artists inspired by the words of our feature writers. A call to entry brochure is available on the PLRAC website www.peaceliardarts.org.

If you are a writer in any genre interested in presenting your work at Words North, please be in touch with Donna Kane at dkane@pris.ca. For more information on the festival visit www.peaceliardarts.org/

The Importance of a 9-1-1 Address

Properly displaying your civic number on your house or at the end of your drive ensures fast emergency response for the AMBULANCE, FIRE and POLICE Services. Precious minutes can pass while the emergency vehicle attempts to locate the emergency incident.

It is strongly recommended that you ensure that a civic address is posted with the following guidelines in place:

- the civic address the District has assigned to the premises must be displayed on the principal building on the premises and must be legible from a minimum distance of fifteen (15) metres;
- where a building is set back from the street or roadway fronting the property such that the assigned street address is not clearly legible from the street or roadway, or where landscaping or architectural appurtenances or other obstructions obstruct the address, the assigned street address shall also be displayed at the driveway entrance from the street or road serving the building on a weather-resistant sign permanently mounted on a post and visible from all direction of traffic flow; and
- letters or numbers displayed on a building must be of a colour which contrasts with the background colour of the building or sign.

More information on how to properly display your civic address can be found in the Fire Prevention and Life Safety Bylaw 775, contact the District office at (250)783-9901 for more information.

Hudson's Hope Visitor Centre

July has been a great month weather wise for travellers. We've had people from New Zealand, Switzerland, New Hampshire, North Carolina, Nigeria, North Dakota, Australia and of course the provinces of Canada all the way from Newfoundland as well. One couple from California were piloting their plane to Alaska but stayed on the ground a few days in Fort St. John with the rainfall warning we had at the time. They rented a car and came out to Hudson's Hope and toured the town and dam and did Portage Trail to the river. They all like Hudson's Hope and are amazed at all the great qualities of the residents of the community get to enjoy. Of course the flowers stand out the most in the summer but it is also noticed how clean the town is and the great services we have.

We like to show them our attractions whether it is a tour at the dam, discuss our solar array, over to the museum which they really enjoy, off to one of our variety of restaurants or hotels and campgrounds or maybe a hike down to the river. We really do have a lot to be proud of.

The merchandise we carry with the Hudson's Hope logo is being purchased and taken to points unknown. We have camo T-shirts in pink and traditional green as well as a good selection of solid colours. There is a new selection of ball caps, hoodies and tank tops. If you would like any of these items they are available at the visitor centre and at the district office. With hunting season starting this month we have limited hunting regulations but a good selection of BC Backroads Mapbooks. Maybe you'd like a camo ball cap, toque or T-shirt for your next hunting trip.

If you are planning a trip in Western Canada we have information for your travels so do stop in to see us. See you soon.

Police Report: July 2018

Hudson's Hope RCMP responded to approximately 45 calls for service over the last four weeks. During the month of June, the Hudson's Hope RCMP issued 56 Motor Vehicle Act Warnings and Violation Tickets.

Hudson's Hope RCMP have been receiving calls regarding speeders in the construction zones on Hwy 29. Please be aware that the temporary posted speed limit signs in the construction zones are enforceable maximum speeds within the zone. Those in contravention may be issued a violation ticket with associated fines of \$196 to \$253 along with 3 points. Construction zones have two ends and construction zone speeds pertain to the entire zone. Please adjust your speeds accordingly when construction zones are posted. They are there for the safety of the workers.

On June 19th, 2018, Hudson's Hope RCMP responded to a report of a break and enter at a resource camp. A suspect vehicle was reported leaving the scene and described as a light color, quad cab Ford 250/350 truck, older model with dents on the fender, and two dark red tidy tanks on the back. Anyone with information regarding the truck or owner of the truck, can contact Hudson's Hope RCMP or Crime stoppers.

On June 24th, 2018, the Hudson's Hope RCMP responded to a fight on Ellis Crescent. An intoxicated male with facial injuries was located by police. The male did not know who caused his injuries and was released from custody once cleared medically by paramedics.

On July 2nd, 2018, the Hudson's Hope RCMP responded to a domestic assault. A male was arrested and charges are being submitted to Crown Counsel for approval.

On July 3rd, 2018, the Hudson's Hope RCMP responded to a complaint of Elk poaching in Farrell Creek. Police and BC Conservation attended the scene and the investigation is continuing.

On July 3rd, 2018, the Hudson's Hope RCMP apprehended a male reported to be suicidal. He was taken to Fort St John hospital for assessment and released a short time later.

On July 8th, 2018, the Hudson's Hope RCMP assisted Chetwynd RCMP in locating a male suspect who assaulted another male with a weapon. The male was located and arrested. A charge of assault with a weapon is being submitted. The injured male was treated at hospital and released the same day.

On July 11th, 2018, the Hudson's Hope RCMP were called to a collision involving a motorcycle and a moose on Canyon Drive. The driver of the motorcycle was taken

to hospital with minor injuries. The moose and motorcycle were gone prior to police arrival. It is unknown if the moose rode the motorcycle away.

On July 16th, 2018, the Hudson's Hope RCMP received a report of a stolen jerry can of gas from a property on Fredette Ave. that occurred over the previous week. Anyone witnessing the theft or suspicious person(s) in that area can contact the local detachment to provide information.

On July 16th, 2018, the Hudson's Hope RCMP responded to a single vehicle roll over on Hwy 29. A tractor trailer logging unit had hit the cement barriers on a curve and rolled over down an embankment. The driver was trapped for a short time and extricated by Fire and Rescue. The driver was taken to hospital with non-life threatening injuries. Speed and driver inexperience are believed to be contributing factors.

On July 16th, 2018, the Hudson's Hope RCMP responded to a dispute at Dinosaur Lake campground. A male and female were arguing over vehicle keys and had to be separated for the night to prevent further escalation of the disturbance. Alcohol was a factor in the dispute.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

Hudson's Hope Speed Watch

Hudson's Hope RCMP has implemented their Speed Watch program to monitor speeding on various roads within the district. Speed Watch volunteers monitor vehicle speeds using a radar reader board. The reader board is not a photo radar board and the volunteers do not issue tickets. The speed watch volunteers document speeds of vehicles and report back to RCMP and ICBC for statistical purposes that assist in identifying areas needing enforcement.

The RCMP wish to thank Lynda Luchinski, Stephanie Koehn, and Steve Metzger for volunteering to be members of the program and assisting the RCMP in making Hudson's Hope a safer place. If you would like more information about the Speed Watch program or wish to become a volunteer, please contact the Hudson's Hope RCMP.

The Hudson's Hope Playschool

The Hudson's Hope Playschool is incorporated as a Society in the Province of BC. It endeavors to provide a positive, respectful, nurturing, safe, secure and inclusive environment for children to learn at their own pace through exploration, play, hands on activities, age appropriate and themed programming.

The Hudson's Hope Playschool is open **Monday** to **Thursday** from 7:30 am to 4:30 pm and **Fridays** from 7:30 to 12:00 noon.

We offer full days or half day options for children aged 30 months to 5 years. We follow the school calendar from September to June.

We also offer summer camps in the summer for children aged **3** to **12 years** of age.

You can register at any time. Please call the Registrar, Amanda, at **250-308-4417** or email amanda-neal@hotmail.com

The Hudson's Hope playschool is inquiring about enrolment for September 2018. We are looking for early registration and deposit as of August 3rd. Due to low enrolment in the past year the playschool may not open in September.

We do not want to lose a licensed day care in Hudson's Hope. If you have any interest please contact us so we can determine if it is viable to continue contact Meghan Cryderman at 250 783 3022

NOTICE OF PUBLIC MEETING

FOR PROPOSED ZONING AMENDMENT BYLAW AT THE DISTRICT OF HUDSON'S HOPE COUNCIL CHAMBERS

Located at 9904 Dudley Drive, at **6:00 p.m., on Monday, August 13th, 2018** to allow the public to make verbal or written representation to Council with respect to Council's intention to adopt a Zoning Amendment Bylaw No. 898, 2018.

Proposed Bylaw No. 898, 2018 is amending District of Hudson's Hope Zoning Bylaw No. 823, 2013 to change the following:

- a) Schedule "A", Section 3, the definition of 'Parking Space' is hereby amended to read:

Parking Space means an off-street space of the size and dimensions to park one vehicle in conformance with the Bylaw exclusive of aisles, ramps or obstructions.

- b) Section 4.6.6 is replaced with:

Landscaping Plans and Procedures

- a) Applications for Building Permits to construct or alter the siting, size or dimension of a building or structure in the R1 zone, R2 Zone, C-zones and M-zones will be accompanied by a detailed landscape plan for the site, boulevard and/or roof if applicable.

- b) The developer and/or property owner must provide security in the form of an irrevocable standby letter of credit or cash in the amount of \$500 on issuance of the Building Permit. The security or cash will be used to ensure that the landscaping will be completed within twelve (12) months of the date of issuance of the Occupancy Permit. If the landscaping is not completed within twelve (12) months, the District may draw upon the security and/or utilize the security to complete the required landscaping according to the approved landscape plan.

- c) All required landscaping and fencing must be maintained in good condition; and fencing must be maintained in a uniform, intact, and upright condition with no gaps caused due to deterioration or disrepair. In the event of failure to comply, the District may enter upon the site and maintain the landscaping at the expense of the property owner, the cost of which will be added to the owner's current year's taxes.

- c) Low Density Residential (Atkinson) is amended to read "R1b Zone: Low Density Residential (Lucas)"

- d) R1b Zone: Low Density Residential Zone Specific Regulation is amended by adding:

11. Exterior cladding	Acceptable materials include stained wood, acrylic stucco, metal siding (except aluminium), cementitious wood fibre siding, fibreglass, factory finished composite wood siding, brick, stone and concrete block. Vinyl, aluminium, or roofing material is prohibited.
-----------------------	---

The above synopsis is not intended to be, nor should it be interpreted as the full text and content of the proposed Bylaw No. 898, 2018. A copy of the proposed bylaws and relevant background documents may be inspected between the hours of 8:30 a.m. to 4:30 p.m., Thursday, August 2, 2018 through Monday, August 13, 2018, excepting statutory holidays and weekends, at the municipal office of the District of Hudson's Hope located at 9904 Dudley Drive, Hudson's Hope, BC.

All persons who believe that their property interests are affected by this proposed Bylaw may:

- deliver or fax written briefs to the District of Hudson's Hope prior to the Hearing; or
- present verbal or written briefs at the Hearing.

NOTICE is also given that the Council will not accept any written or verbal presentations subsequent to the close of the Public Hearing.

River of the Peace Metis Society Community Report

March 17, 2018, MNBC held a Poverty Reduction Session for our members. This was to address several issues associated with Aboriginal and Metis peoples' needs in the community and to get feedback from the members on areas of concern and how we can alleviate the problems. This session was well attended with lots of great feedback.

In April, Corinne Stephens and Joselyn Eisert of the Northeast Aboriginal Business Centre from Fort St. John held a free six day workshop at the Pearkes Centre for local entrepreneurs. This was held over a two week period on Tuesday, Wednesday, and Thursday. Six individuals participated and found this workshop to be extremely useful in helping them to succeed in their various endeavours. Beside this workshop, they will also have six months assistance from the Centre. This workshop was well received and River of the Peace Metis Society is hoping the Northeast Business Centre will consider offering this again in the future.

June 19th, River of the Peace Metis Society was presented with three new computers for their office. This generous donation from PRHP was greatly appreciat-

ed and will be valuable for the membership and general community to access job and education information. Once again, many thanks to Peace River Hydro Partners.

June 21st, a day long event at the Hudson's Hope Museum was hosted by River of the Peace Metis Society to celebrate Aboriginal Day. This included informative discussions and a guided hike in our area along with refreshments.

June 28th, the MNBC held a Rights & Reconciliation Community Engagement session at the Pearkes Centre gym. This consisted of different tables of MNBC representatives who explained different issues that the Metis are going through now with the government and members gave their feedback in certain areas as to the most pressing issues concerning the Metis population in our community and in general. Attendance was poor, possibly due to the summer holiday season.

NOTICE OF PUBLIC MEETING

FOR PROPOSED ZONING AMENDMENT BYLAW AT THE DISTRICT OF HUDSON'S HOPE COUNCIL CHAMBERS

Located at 9904 Dudley Drive, at **6:00 p.m., on Monday, August 13th, 2018** to allow the public to make verbal or written representation to Council with respect to Council's intention to adopt a Zoning Amendment Bylaw No. 899, 2018.

Proposed Bylaw No. 899, 2018 is amending District of Hudson's Hope Zoning Bylaw No. 823, 2013 to change the following:

- a) Schedule "A", Section 3, the definition of 'Cannabis Related Business' is hereby included:

CANNABIS RELATED BUSINESS means the use of land, buildings, or structures for the sale, storage, or other provision, of dried cannabis, cannabis oils, cannabis seeds, and cannabis edibles, including cannabis related accessories such as pipes, bongs, vaporizers, and other such similar accessories.

- b) Schedule "A", Section 4.0 is amended by adding Section 4.17 "Prohibited Uses":

Prohibited Uses

- 1) Any use not expressly permitted in this bylaw is prohibited in every zone and where a particular use is expressly permitted in one zone, such use is prohibited in every zone where it is not expressly permitted;
- 2) The following uses are prohibited in every zone:
 - (i) Cannabis-Related Business.

The above synopsis is not intended to be, nor should it be interpreted as the full text and content of the proposed Bylaw No. 899, 2018. A copy of the proposed bylaws and relevant background documents may be inspected between the hours of 8:30 a.m. to 4:30 p.m., Thursday, August 2, 2018 through Monday, August 13, 2018, excepting statutory holidays and weekends, at the municipal office of the District of Hudson's Hope located at 9904 Dudley Drive, Hudson's Hope, BC.

All persons who believe that their property interests are affected by this proposed Bylaw may:

- deliver or fax written briefs to the District of Hudson's Hope prior to the Hearing; or
- present verbal or written briefs at the Hearing.

NOTICE is also given that the Council will not accept any written or verbal presentations subsequent to the close of the Public Hearing.

Tips to Stay Safe While Boating

With the four tips below, individuals who are boating can stay safe and ensure that each experience out on the water is rewarding and free of potential emergencies.

1. The importance of lifejackets: The most essential thing that individuals need when they're out on the water is a lifejacket or personal flotation device (PFD), as this can substantially reduce the potential for drowning or other dangerous aquatic incidents.

2. Avoid alcohol: According to the Canadian Red Cross, 37 per cent of boaters in Canada consume alcohol each time they are on the water, while alcohol has been linked as a factor in more than 40 percent of deaths in recreational boating incidents.

Beer, liquor and wine can negatively impact a boater's judgment and make him or her less likely to maintain control of core motor functions compared to individuals who do not drink on the water, which underscores the importance of being sober while boating.

3. Pay attention to weather conditions: While weather conditions may not seem as essential as wearing a lifejacket or PFD, understanding what the climate and forecast will be like during an upcoming boating experience can be crucial for staying safe while aboard a vessel.

4. Bringing safety gear on board: From marine first aid kits to sunscreen, drinking water, flashlights, sound signaling devices and manual propelling devices, there are a variety of safety devices that should be brought on a boat in order to reduce the likelihood of emergencies.

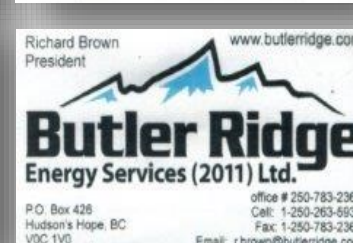

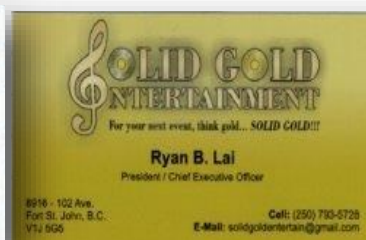

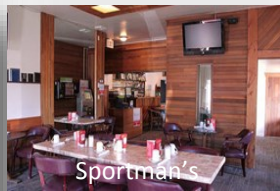

In addition to these helpful tips, you can also learn more about the benefits of water safety at www.redcross.ca

Our first annual Team Building Golf Tournament was a huge success. With 23 people attending, it was a lot of fun and lots of laughs and sissy moments. It was made possible by the generosity of these great sponsors leaving everyone with a

prize. A big thanks to Brandy Cantril, she came all the way from Cecil Lake to drive the bus for everyone, and she won the longest drive for the women! Kyle Moritz won the longest drive for the men. Chuck MacNeil, Kim Trask, Brandy Cantril and Jason Atkins won the tournament. Keith Reschke's team came in second, Keifer Sandford's Team, third, John Simcock's team fourth and Tammy Mckeown's team came in fifth.

Summer Reading Club has already started, but we always have room for more children ages 9 to 14 on Thursdays from 10:00 to 11:30!

Blast Off is Week 5, August 2, 2018, come on down and make a rocket. Lift off and see how far we can go!!!

Bust a Move in Week 6, August 9, 2018. Do you like music or humming a tune? Maybe break dancing and hip hop too, playing a guitar, flute or triangle bar.

Lights, Camera, Action during Week 7, August 16, 2018. This is our final day for SRC, so in the library is where to be! Maybe a play or a photo shoot. We're having a tea party so bring your big hat, because that is where our Library is at!!!

Do not forget that your children can come play with Lego at any time over the summer! (As long as the Children's library is program free at that time) Please supervise smaller children when playing with Lego.

In September, we will be offering the same lineup of Young Adult programs *Lego Club*, *Tween Club* **and** *Teen Club*. There may be a few tweaks to the programs, so make sure to come back to next month's Bulletin for more information.

Children's Programs – Toni Sandford, Children's Programs

Summer Reading Club - It is hard to believe that we are moving into the last half of summer already. It has flown by so quickly as we have been busily enjoying the 7 weeks of Summer Reading Club. It is not too late to have your children come and enjoy the last three weeks of free *Motion Commotion* fun. It is a great opportunity to have your kids reading, thinking, crafting, socializing and exercising. Come in, call, or check our website for more details.

Week 5 – Blast Off! Week 6 – Bust a Move! Week 7 – Lights, Camera, Action! We would like to recognize and encourage all the *1000 Books Before Kindergarten* participants for joining to help little people learn and love engaging with books. For those of you that have not managed to engage in this free initiative, there is never a wrong time to get involved with your preschooler...and win prizes! Don't forget, if you, or someone you know in our community has a new little bundle of joy, we have a gift bag of library goodies to share through the *Books for Babies* initiative.

Around the corner, during the second week of September, we will once again be offering *Storytime/Stay and Play* for parents/guardians and preschoolers on Tuesday mornings at 10:00. *Library Club* for Kindergarten to Grade 4 will also resume the second week in September, on Wednesday's after school.

William MacIntosh

Have you every wondered where the name of your street comes from? In Hudson's Hope the majority of the streets are named after the pioneers, man and women that came to the area and settled, farmed, trapped and traded. Over the next couple of months, we will be giving you a little history on the people that your streets are named after!

Up Next – MacIntosh Crs – Is named after the first Postmaster in Hudson's Hope – Col. William MacIntosh. He arrived in 1912, from Quebec and was a 56 year old miner. He was accompanied by his nephew George MacIntosh. He was lucky enough to receive special treatment from the Government, regarding his application for his homestead. – As he had only lived on it for nine months and had only sowed and harrowed 11 acres of land.

The Next Historical Society meeting will be held on **August 16th, 2017** at **1 pm** in St Peter's Church Hall. Our monthly meetings

will be rotating between 1 pm and 7pm in 2018, depending the month- please watch for reminders for the time. Everyone is welcome at historical meetings. For more information, please call the Museum at (250) 783-5735 or email at hbmuseum@pris.ca.
