## ***DISTRICT OF HUDSON'S***

Well, I guess we had perfect summer weather for most of August. Too bad there was so much smoke that we didn't really get to enjoy it. Still, better to have smoke than the fire itself!

### **Municipal Election October 20th, 2018**

On Saturday, October 20th, voters will have the opportunity to select their local government for the next four years (October 2018 – October 2022). Council consists of 1 Mayor and 6 Councillors and all positions are up for election. I indicated some time ago that I would not be seeking re-election for the mayor's position and I'm sure that incumbent councillors will be announcing their plans shortly.

It's important that a community have an active and committed Council. I encourage anyone with an interest to consider running. An Information Open House will be held for any people interested in throwing their hat into the ring:

**Day:** Wednesday, September 5

**Time:** 7 pm

**Place:** Basement, District Office

Nomination packages are available now at the District Office. They must be filled out and returned between September 4th and 14<sup>th</sup>.

An involved community is a strong community – let's make sure Hudson's Hope remains strong. Get involved! Come out to the Open House and consider running for office!

### **RCMP**

Corporal Brendan Harkness is our new RCMP senior officer, replacing Trevor Romanchych. Welcome, Corporal Harkness, we hope you will enjoy working in our community.

### **Oil & Gas Committee**

The province is setting up an oversight liaison committee to increase communication between landowners, industry, the regulator (OGC: Oil & Gas Commission) and the Ministry of Energy, Mines and Petroleum Resources (MEMPR) and local governments (Peace River Regional District, PRRD).

It's early days yet, but I understand that there will be an oversight committee, consisting of Dave Nikolejsin, Deputy Minister of MEMPR; Paul Jeakins, OGC Chief Executive Officer, and two directors from the Regional District, who haven't yet been

## HOPE COUNCIL NEWS

named. So very high level involvement from the provincial government.

Then there are to be a number of "Community Committees," the purpose of which is to bring forward oil/gas issues that need to be addressed. It appears that those will be grassroots groups, such as the landowner group that was very active here about 10 years ago. That organization still exists, and could be the foundation of one of the Community Committees referred to by the government and PRRD.

I understand that the reason the government is acting is that they have had many complaints from landowners in the Farmington area, where there is intensive natural gas development. The government anticipates that LNG Canada will soon announce a positive investment decision and activity will ramp up. As I've mentioned before, the highest priced sub-surface land sale in 2017 was up Farrell Creek Road and if LNG proceeds, this area is likely to see a lot of development. That being so, I wonder if landowners and other stakeholders see a benefit to rejuvenating the landowner group that was so active 10 years ago. If so, please get in touch with Mary Brereton (250 783 9464 or see her at the post office).

### Union of BC Municipalities (UBCM)

The annual conference of all the local governments in BC is on September 10-14. It's a good forum to hear what other communities in the province are doing and to share what we are doing. Just as important is the opportunity to meet with provincial cabinet ministers and senior government officials.

We have applied for meetings on a number of issues such as the senior housing project being proposed by the Hudson's Hope Health Care and Housing Society; Rural Roads, especially Farrell Creek Hill; Highway 29 realignment; ambulance service and pre-hospital care; and protection of surface and ground water.

To those of you headed back to work or school make the best of the last week of holiday time, and may it be both smoke and fire-free!

Scott Linley, owner of Legacy Village Market presented a cheque in the amount of \$1212.09 to Patti Campbell, Friends of Hudson's Hope Society Food Bank. The monies were raised during their "Round up for Charity" event during the month of July in conjunction with the Friends of Hudson's Hope Society's "One Ton Food Drive Challenge". We would like to extend a huge thank you to Scott and his

staff for their participation and generosity. The "One Ton Food Drive Challenge" collected a total of 1866 pounds of Food! There are no words to express how grateful our organization is to the people who donated so generously! You have enabled us to continue helping so many in our community. Patti extends a special thank you to Lynda Luchinski of BC Ambulance for the "One Ton Food Drive Challenge".

We have a few more Thank you's this month. Thank you to the District of Hudson's Hope for Grant monies to cover our municipal taxes. This goes a long way in ensuring that we can continue to assist those in need in our community.

The Thrift Store has a new look! Thank you so much to Gerhard & Robin for the donation of library shelves and to Elaine for organizing our new library section! It looks amazing, we love it! Thank you Denise Linley for generously donating a card rack so we can display our cards. We invite everyone to come by and check out the changes.

Our Motto " **You are never alone**"

**Remember; we are here to assist you during your time of need: Food Bank, Medical financial assistance, Medic Aid (911 responding units)**

The Peace Liard Regional Arts Council (PLRAC) will be hosting North-east BC's first annual writing festival, Words North, taking place in Dawson Creek, September 27-30, 2018. The festival will showcase

diverse forms of writing including poetry, prose, spoken word and song writing and will feature regional writers as well as established writers from outside the region. A Words North Art Exhibit will also take place during the festival with work by regional visual artists inspired by the words of our feature writers. A call to entry brochure is available on the PLRAC website [www.peaceliardarts.org](http://www.peaceliardarts.org).

## Hudson's Hope Visitor Centre

What else is there to reference this summer but the state of the wildfire emergency? Even at time of writing we are getting visitors in from the northwest of the province in their RV's just to get anywhere out of the smoke environments. It definitely will impact tourism – now and in the future.

The second biggest topic was the annoying wasps and the stings that people were receiving. It wasn't just our area as there were reports from islands off of Vancouver Island that were just as badly plagued with them if not more as well reports were coming in from Alberta. I'm sure everyone has their favourite wasp entrapment. I sure hope yours worked for you.

There sure was no shortage of things to keep one busy in Hudson's Hope this summer. The guided hikes put on by the District of Hudson's Hope and Greta's Class Act Services were a big hit and well attended. If that wasn't your thing then I hope the Yoga in the Park was more to your liking. Maybe the Farmer's Market, the Poker Ride, the Fall Fair captured you or the Day Camps or Library Intelligence programs for your children.

Everyone is hoping for some nice warm days in September for the first month of school along with a few more great Farmer's Markets on Tuesday afternoons. The students that were working here have returned to university so you'll find us closed on Sunday and Mondays in September with the final day open being Saturday September 29th.

## Look, listen & be seen

Teach your child to be a safe pedestrian

**Look.** Make sure all vehicles have stopped before entering the road. Make eye contact before crossing.

**Sidewalk/no sidewalk.** Walk on the inside edge of the sidewalk away from the road, so you're further away from the traffic. Walk facing oncoming traffic if there isn't a sidewalk, so you can see approaching vehicles and make eye contact with drivers.

**Set a good example.** Never jaywalk or run to cross the street. Where possible, cross at intersections with a pedestrian crossing light or marked crosswalk

**Map it out.** Plan your child's route with them ahead of time. Review street names and landmarks to orient them.

**Crossing Basics.** Stop at the curb. Look left and right for oncoming vehicles that might be turning. When the intersection is clear, start crossing and keep looking for approaching vehicles.

**Be Seen.** Wear bright clothes and/or reflective gear especially at night and in poor weather.

**Parked vehicles.** Avoid shortcuts through parking lots or around parked cars where it's harder for drivers to see small children.

**Listen.** Put away the electronic gadgets, cell phones and ear buds so you can hear approaching traffic that may be hard to see.

**Quiz time.** Make a fun, interactive game out of guessing the correct traffic signs and meanings with your child.

## Police Report: August 2018

Hudson's Hope RCMP responded to approximately 45 calls for service over the last four weeks. During the month of July, the Hudson's Hope RCMP issued 70 Motor Vehicle Act Warnings and Violation Tickets.

Hudson's Hope RCMP are asking for the public's assistance in identifying a suspicious Ford F150, white in color, with a racing stripe down the side. This vehicle is suspected to be involved in several break and enters recently. Please contact the local detachment if you have any information related to this vehicle. File 2018-262 refers.
