Tip - Tummy Time

- take your child out of their car seat when you are not traveling
- limit the amount of time your child spends in a stroller
- hold your child on your lap

Intention 2019 Workshop

Would you like to live less out of habit
and more out of intent ?

Set intentions not resolutions

The approaching new year is not only a time of celebration and renewal but a great chance to reflect on the past year ✨ review what you have learned and how you have grown from life and it's inevitable challenges . Lots of us make plans for the new year and that is great but the big challenge for a lot of us can be dragging some of our stuff into the new year that's why we often get stuck in some of the same old patterns.

The eve of the New Year is a great time to release what doesn't serve us anymore and rather than resolving to "do" something set an intention about who you want to "be".

Who do you want to be?

If you are interested in exploring these simple yet profound and life changing ideas

I am hosting a workshop

★★★★ Saturday December 29th ★★★★★

★★ Cost is \$75.00 email Sugarplums@gmail.com If you are interested.

It's going to be good ✨ Sue Stark

*PS: Do you have a girls night planned ...have a group of friends you would like to do this with ...
yes I will do a private workshop*

DISTRICT OF HUDSON'S HOPE COUNCIL NEWS

Council and staff have been very busy over the past few weeks planning for the transition into a new four year term. Once we are all settled into our new roles I intend to keep folks up to date on pressing issues that we are facing as a community. So, stay tuned for future detailed updates in the New Year.

I would like to take this opportunity to officially welcome Councillors Patrica Markin, Valerie Paice and Leigh Summer as our new council representatives and welcome back Councillors Kelly Miller, Mattias Gibbs and Travous Quibell. I believe we have a strong Council with good community representation and am looking forward to working together with council and staff over the next four years.

We are currently in the process of completing committee appointments. Committees play an important role, connecting the community with council's decision making process. Good decisions involve good debate and community input is an important part of this process.

Staff and council are also planning a Strategic Planning day to be held in early December. The purpose of which is to identify and prioritize short and long term goals, setting direction for the next four to five years and driving the budget process.

I would also like to thank everyone who took the time to be part of our Remembrance Day ceremony. It was an extremely well attended event and clearly demonstrates the support the community has for all those who have sacrificed so much in order that we can enjoy the rights and freedoms we have today.

I would especially like to thank Suzy Bach, Lenore Harwood, and Tim Viers for their roles in helping me with the ceremony program. I would also like to thank the Hudson's Hope Bible Fellowship for preparing the goodies for after the ceremony, and the Grad Class of 2019 for preparing the Veterans supper.

Our Special Events Coordinator, Kaitlyn Atkinson, and her crew did an excellent job in organizing the day.

That's the short version for this time around. With the Christmas season quickly approaching, I would like to wish you all a very Merry Christmas.

Mayor Dave Heiberg

Hudson's Hope Elementary-Secondary School

Our School Science Fair was a fantastic event. It is truly amazing to watch our grade three to six students share their projects with their peers, parents, and of course judges. I greatly enjoy observing how each child's confidence grows as they present to different audiences. A big thank you to our teachers and support staff for their guidance, and of course to parents for supporting your child(ren). We had a great turnout of parents, relatives, and community members to our Fair!

We just wanted to say thank you to the many community members who donated a great deal of supplies/ingredients for the baking!

The School Remembrance Day Assembly was a beautiful ceremony that included some meaningful and thought provoking art, speeches, musical performances and drama performances. Our students really demonstrated their respect for our veterans. Thank you very much to all of our students and staff for your efforts. Also thank you to the JCR's, RCMP, and community veterans for joining us. I would also like to thank and recognize Logan Koehn-King for representing our school at the Municipal Remembrance Day Ceremony.

Congratulations to our Junior Girl's Volleyball Team. They were invited to participate in the **Senior** Girls Zones Tournament in Vanderhoof. The girls played extremely well, and raised some eyebrows by winning one of the matches against one of the senior teams! What an exciting and fun way to finish off a fine season. A big thank you to Brent Heiberg for continuing to volunteer many hours and weekends!

Community Co-op Market

Community Co-op Market running again from
December 5th to December 15th

The market will be open daily from 3 pm – 6pm and
Saturdays from 12 – 3 pm.

The trial run was a wonderful success, and it's exciting to be able to offer another market opportunity. We have more vendors coming, lots more new things, and, of course, coffee will be on.

If you are interested in having a more permanent place to sell your products, gently used goods included, advertise or display your items without having to pack up after every event? Take advantage of this opportunity. We are still in discussing the best way to form a community co-op market that will work. Operation procedures, rules and rates, and open market times will be determined by members. We share the responsibility so that vendors do not have to be there every day, but their goods are taken care of and sold for them.

Rates are extremely reasonable and vary depending on your needs. We are trying to make this affordable and cost effective for vendors. We do have folks interested and committed right now, but there is still space available. If you are interested in having a table for a part of the time, that is totally doable too.

In addition, we also have a space available for rent that's perfect for small group activities: like a craft workshop, or spa area.

So drop by for a coffee and homemade goodies, browse, and check out Hudson's Hope's newest Community Market.

Location: St. Peter's Church Hall, 9500 Beattie Drive

I would like to send a massive thank you to my community of Hudson's Hope. I sincerely appreciate the fact that I live in this wonderful little town. This has been a particularly tough year for me and, if it wasn't for some very caring individuals and services, I don't know where I'd be. From the little things to the great big things, people have not hesitated to offer their support.

I am hopeful that I am now on the road to recovery and, although I'm sure I'll still need help for a while, I intend to pay it forward for all the kindnesses afforded to me as soon as I am able.

I'd like to send a big bouquet of thanks to the District of Hudson's Hope for the wonderful Pool experience I had this season. The warm showers and warmer pool temperature were very much appreciated. It was such a pleasant atmosphere and the Pool Staff were really awesome!

Thank you to the Public Works Department for keeping everything running smoothly and for making the park such a lovely view from the Pool.

Thank you to Lori for keeping me company all summer and being my incentive to keep going!

Thanks again for such a wonderful Summer experience.

Eileen Gallant

Police Report: November 2018

Hudson's Hope RCMP responded to approximately 20 calls for service over the last four weeks. During the month of November, the Hudson's Hope RCMP issued 23 Motor Vehicle Act Warnings and 28 Violation Tickets.

2018-11-01 Hudson's RCMP received a complaint from a local resident that two males in a black Dodge truck, unknown licence plate, had shot a deer on his property in the Farrell Creek road area. The property is vacant but is fenced and signed as private property. The two males left the dead deer there and drove away. It was believed the suspects had dark skin but it was unknown of what ethnicity they were. Complaint had also reported the incident to the Conservation Officer. Illegal hunting is a ongoing issue in the Hudson's Hope area. To date neither the pickup or suspects have been located.

2018-11-03 0824 hrs RCMP were dispatched to a two vehicle MVI on Farrell Creek Rd & Hunter Rd near Hudson's Hope. A 2018 White Ford Pickup was North bound on Farrell Creek Rd and when the driver applied brakes as he entered a corner he lost control of the truck. The truck spun into the oncoming lane of the dump truck pulling a pup travelling South bound on Farrell Ck Rd. Both vehicles sustained extensive damage and were not driveable. Fortunately neither driver sustained injury. The driver of the pickup was charged with failing to keep right. Speed, driver error and Road conditions were the contributing factors causing this motor vehicle incident.

2018-11-05 1500 hrs Hudson's Hope RCMP received a complaint of dogs running at large in the Beryl Praire Road area. Owners of the dogs were located and spoken to. To date there has been no further problems with this matter.

2018-11-09 RCMP received a 911 call reporting a logging truck at Km 2 of the Farrell Creek Rd had gone off the road. Provincial ambulance and Fire also attended. The driver was taken to hospital and believed to be suffering from a medical condition which may have led to him driving off the road. Vehicle sustained minor damage. Accident report completed, scene photographed and a medical review of drivers licence requested.

2018-11-15 A complaint was received reporting an abandoned black Dodge pickup truck on Reschke Road off of Highway 29 in Hudson's Hope. The truck was parked in the travel portion of the roadway and did not have any plates. The registered owner was requested to have the vehicle removed and did not have it towed. Police subsequently removed the truck as it had no insurance on it.

2018-11-15 Hudson's Hope received a third party report of a black 2007 Ford F350 in the ditch and was sitting on its roof. Upon Police attendance the vehicle had been removed. Registered owner did not report this matter to the Police.

2018-11-16 A local resident attended the Hudson's Hope RCMP detachment to report a suspicious occurrence. On 2018-11-15 at about 2300 hours, he saw a dark coloured Chevrolet Avalanche drive onto the back lot on Jamieson Ave. The driver had to open the back gate to gain access. The complainant is looking after the property and got into his vehicle to check why the Black Chev was there. On approach, the Avalanche took off quickly and actively evaded the property Rep. No plate was obtained. Matter reported information to Police.

2018-11-20 A Hudson's Hope off-duty member reported while walking on the Portage trail, noted a blue blanket or coat in the rocks near the river. Upon checking it determined it was an elderly woman sleeping under a blue sleeping bag. RCMP assisted the homeless woman by taking her to a known friend in the community.

2018-11-20 UBC research staff reported to the RCMP they had a 6500 Watt generator taken from their research site. Suspect and ATV were captured on video. This matter is still under investigation.

Community Events:

Cst. McKenna and R/Cst. Holley attended the Halloween haunted house event at the arena. Hot dogs and hot chocolate were popular refreshments for parents and children. Cst. McKenna also did a safety presentation to the children at the school.

The Hudson's Hope RCMP attended the Remembrance Day ceremonies and the Veterans Dinner. There was good Community participation to both events.

Overall the call load was slightly lower this month which is typical. The winter road conditions have spiked Police attendance to motor vehicle incidents.

Cpl Harkness participated in the Science Fair at the School as a Judge. The presenters were well prepared and the quality of the projects was outstanding.

H DOUBLE "H" SADDLE CLUB

The **Double "H" Saddle Club** is excited to announce a very generous donation from **Progress Energy**.

Progress Energy has donated 80 panels towards our horse pen upgrade in the coming near future.

As you may know the horse pens at the **DHSC** are in dire need of an update. This generous donation is a huge step towards building several new horse pens. Some of them have already been used creating three new large pens. Not only do the panels create important income but also give the **DHSC** opportunity to grow.

We would like to give a huge

"THANK YOU to Progress Energy Canada Ltd".

This donation will help created new pens to keep our horses and members greatly safer.

Such a great finish to our 50th anniversary year.

Merry Christmas

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. We are quite busy this month, starting with decorating the hall to get ready for all of the Christmas events. Cheryl Baytaluke is part of a program called Classroom Champions. One aspect of her program involves a community service project, so her grade 9-12 art class will be helping us out this year. This is such a great way to introduce younger people to the benefits of volunteerism and many hands make light work!

Our next event of the month is our Community Christmas Dinner on Saturday, December 1. I hope everyone can make it out to enjoy a full turkey and ham dinner for just \$10 for an adult and \$5 for kids and seniors. The next day is the Christmas Parade and Light Up to get everyone in the spirit of the season.

The wonderful folks at the Friends of Hudson's Hope Food Bank do an amazing job putting together all of the Christmas hampers. The Lions Club are pleased to be delivering them to households in the community in time for Christmas.

As the year draws to a close, myself and all of the Lions would like to thank everyone for their continued support and to sincerely wish you and yours a very Merry Christmas and best wishes for a wonderful New Year!

Check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!
