**NOVEMBER 6th, 7pm—9pm**  
Members of the Beryl Prairie and Downtown Fire Halls will be going door to door collecting non-perishable food items.

## Hudson's Hope Figure Skating Club 2018/2019 Skating Season

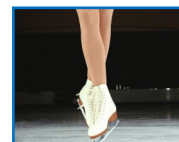

### Programs offered:

**CanSkate:** A learn-to-skate program that focuses on fun, participation and basic skill development. For beginners 3 years of age and older.

**STARSkate:** STARSkate offers opportunities for skaters of all ages to develop fundamental figure skating skills in the areas of ice dance, skating skills, free skate and interpretive skating.

**STARSkate (Competitive Stream):** Skaters have the opportunity to take Skate Canada Tests through a nationally standardized testing system and enter competitions.

For more information or to register, email us at [HUDSONSHOPEFSC@HOTMAIL.COM](mailto:HUDSONSHOPEFSC@HOTMAIL.COM) or call/text Becky at 250-783-8260!

### School District 60 wants you to know ...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

### Tip - Use Words Around Us

- look at letters and words while you walk, drive or eat
- point out letter S for Stop sign, M for McDonalds
- say the sound and the name of the letter
- find the first letter of your child's name on signs or in weekly flyers
- read the cereal box or milk container during breakfast
- talk about all of the different types of letters or sounds you see or hear

Why? Recognizing words and letters will help your child learn to read and write.

To find out more information go to:

[www.familyfriendlycommunity.ca](http://www.familyfriendlycommunity.ca) or [www.earlylearning.prn.bc.ca](http://www.earlylearning.prn.bc.ca)

**Playschool**  
**Is Open 3 days a week!**  
[www.hhplayschool.pris.ca](http://www.hhplayschool.pris.ca)

<b>Provides a stimulating and enriching environment.</b>	<b>Open Sept – June, ages 30 months to 5 years.</b>
<b>The only licensed childcare facility in Hudson's Hope.</b>	<b>Helps set your child up for Kindergarten success.</b>
<b>Flexible drop-off/ pick-up times.</b>	<b>Full day: \$40*/day Half day: \$25*/day *discount for board members (ask!)</b>

The Instructor & Facility Manager is Sam MacDonald. We will be open Monday, Tuesday and Wednesday of each week.

Register at any time, please call/text Meghan at 250-783-3022 or email [mheiberg@hotmail.com](mailto:mheiberg@hotmail.com)

HUDSON'S HOPE SCHOOL CHRISTMAS CRAFT FAIR

SATURDAY, NOVEMBER 24<sup>TH</sup>, 2018

*Hope to See You All There*

*BC Hydro Breakfast with Santa*

SATURDAY DECEMBER 8 @ 8:30 AM TO 10 AM  
COMMUNITY HALL

BC Hydro invites all children in the Hudson's Hope community to attend a breakfast with Santa.

Children under the age of 11 who attend the breakfast will receive a gift from Santa - but only if they are signed up by November 23 so that his elves have time to prepare!

For sign up, please email or phone with your children's name, ages, size of the family that will be attending to Heather Middleton:  
[heather.middleton@bchydro.com](mailto:heather.middleton@bchydro.com) or 250-783-1043.

## *Jacob (Jack) Folland*

*October 17<sup>th</sup>, 1945 - October 7<sup>th</sup>, 2018*

Jacob (Jack) Folland passed away October 7th, 2018 in Mayerthorpe Alberta. He will be dearly missed by many, especially his wife Trudy, daughters Terena (Gord) Macgregor, Terry (Lee) Clark and Laura Rae. Grandchildren—Brittany (Chris) Siemens, Hailey Jones, Jordan Macgregor, Brandon Clark and Denver Macgregor. Great Grandchildren— Karsyn, Lexi, Sheigh, Jackie and Payden; brother Ed (Jacquie) Folland and Family; along with other extended family and dear friends. There will be no service as this was Jack's wish.

*"My heart is sinking like the setting sun, setting on the things I wish I'd done, it's time to say Goodbye.*

*The last good bye is the hardest one to say.*

*This where "Our" Cowboy rides away"*

## *Irmgard Auguste Lohmann 1929 - 2018*

Irmgard Lohmann was born in Saale, Germany on April 16, 1929. She passed away peacefully at Fort St. John Hospital on Saturday, September 30, 2018.

She loved the outdoors and spent any spare time hiking and biking around the German countryside. Irmgard had such a passion for all living things; she had a genuine love of horses, dogs, and most other creatures.

Irmgard became a Canadian citizen receiving her citizenship papers in 1958. She had lived as far west as Vancouver, but learned to love the Peace River area. Her family came from Germany to visit her and she made a trip home to Germany. She continued out at the ranch until she was 83, at which time she moved to into Hudson's Hope to the senior's complex.

Irmgard was always looking for a new way of creating beauty and sharing what she learned. She had a kind heart; an enthusiasm for life.

She is sadly missed and will always be in our fond memories and hearts. Our brave, adventurous and determined little friend, Irmgard. She certainly was living proof that we can surmount difficulties, learn new languages and cultures and live life with joy.

Irmgard is survived by her sister Ruth, brother Paul and loving nieces, nephews and cousins back home in Germany.

**All are invited to a Memorial Tea for Irmgard Lohmann**

**November 15, 2018 1:30- 3:30 at Silver Willow Court – Senior's Centre**

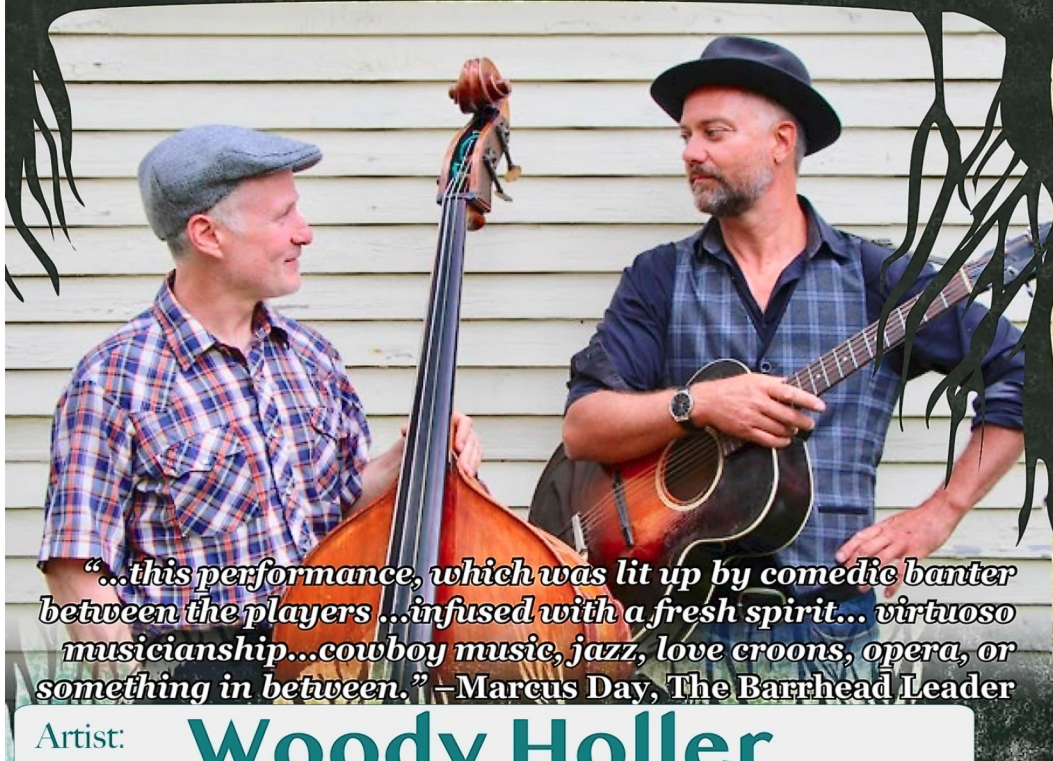

Season 12  
2018/2019

### **Lyndsay Deitner, Children's Programs**

**StoryTime** is for parents & tots is held every Tuesday morning from 10:30-11:30 Meet other preschoolers and parents for Stories, games, crafts and more!

**Library Club** is for Kindergarteners through Grade 4.

The group arrives in the library for free time from about 3:10 to 3:30, including reading, Lego, iPad, and early learning computer use and of course socializing. They then engage with our programmer for an hour-long program that includes weekly themes for stories, crafts and games that are educational and entertaining.

### **Shellie Howard, Young Adult Programmer**

**LEGO Club** is on Mondays from 3:15 to 4:30. This program often involves a weekly building challenge, which is followed by free time where children engage their imaginations with inventive engineering feats and creative LEGO worlds.

**Tween Club:** Tween club is for ages 9-13 from 3:15 until 4:45 every Thursday.

**Teen Drop-In** Thursdays from 5:00-7:00.

The Tween and Teen club engage in general weekly themes as follows

- 1<sup>st</sup> Thursday – Craft
- 2<sup>nd</sup> Thursday – Games
- 3<sup>rd</sup> Thursday – Movie Night
- 4<sup>th</sup> Thursday – Book Club
- 5<sup>th</sup> Thursday – Late Night Nerf War!

The late night event only happens on months that have a 5<sup>th</sup> programming night. Following late nights will also happen in January and May, theme to be disclosed closer to the event.

### **Amber Norton, Library Director**

Shellie and I have been working on updating the plan for the Young Adult section and will soon be Board approved to move ahead with spending the first of our 2018 grants. We received a \$5000 grant from Pembina to help us update our library furniture and improve our community hub type atmosphere. Quote from Pembina: “Communities throughout our operations put their trust in Pembina Pipeline Corporation and permit us to operate in their backyards. Through our community investment program, we honour this relationship and give back to those organizations that make our operating communities strong. Our investment decisions are based on our understanding of the unique needs and characteristics of each community and we focus our investments and partnerships on initiatives that improve access to education, protect or preserve the environment, promote safety, create community space and encourage recreation and a healthy lifestyle.”

**NEW Book Club!** This year, our in-house book club will be focusing on historical fiction! Our first meeting date is yet to be determined, as I need to find out what night will work best for our attendees. Please fill out our club questionnaire to make upcoming title suggestions as well as indicate what meeting options work best for you. If you are interested in joining our group, come on in and pick up your copy of “The Secrets of Midwives” by Sally Hepworth. I have to admit that I chose this book as our first title as I am currently binge watching “Call the Midwife” on Netflix! I know that a few of our members have already read that series, so I found something in our locally managed book club sets that might just fit the bill. It follows three generations of midwives, interweaving modern day and historic tales of midwifery. A little light reading to get us started.

**Items Donations**—Much appreciation to our item donors in October!

**Viers Family** – 12 children’s books, 7 adult FIC, 1 DVD & 3 YP FIC!

**Sharon Jackson** – 6 adult books

**Jaqueline Burkitt** – 4 adult books

**Anonymous** – 2 adult books

**Bill Lindsay** – 1 adult book

**Sharon Wilson** – 10 kids DVDs

**Elaine Rhymer** – 2 books

**Diana Jewan** – 1 adult FIC

**Julie Biever** – 3 adult books

**Irmgard VIA Carolanne Kilba** – 2 large bags of craft books!

Check out our website at [hudsonshope.bc.libraries.coop](http://hudsonshope.bc.libraries.coop) or call at (250)783-9414. Remember to like us on Facebook to stay up to date on current events!

“In the gathering mist, none of the aircrews could actually see the canal wall they were supposed to bomb until they were right over it, and by then it was too late to drop the Blockbuster accurately.”

— **Ted Barris**, *Dam Busters; Canadian Airman and the Secret Raid Against Nazi Germany*

New to our non-fiction collection! 940.544 BAR

Extended Holiday hours at the Post Office:

November 19th, 2018 to December 22nd, 2018  
 Tuesday and Thursday open until 7:00 pm  
 Saturday open until 3:00 pm

## ***DISTRICT OF HUDSON'S***

This will be my last column for the Hudson's Hope Bulletin, as I close off my Mayor's term on November 5, and the new Mayor and Council take over. It's been an interesting few years, and I wish the new Council and the Hudson's Hope people well in the future.

Thanks to all those who ran for office. You can't have a democracy if no one is willing to put their name forward and do the work. Government and the politics that go with it aren't spectator sports; people have to put in the effort. Kudos to all those who throw their hat into the ring at election time.

Congratulations to Mayor Dave Heiberg, Councillors Quibell, Gibbs, Miller, Markin, Paice and Summer. Thanks for stepping up to work at moving the community forward. I wish you well as you head into the next four years.

### **Reminiscing:**

My memory isn't that great these days, but I believe my first election was in November, 1990, 28 years ago! Good Heavens! Not all on Council, though, as I didn't run in '93 or '96, if I remember right. So, 22 of the 28 years were on Council, the last six as Mayor.

1991 was a busy year. Computers were a recent addition to the office and it was in transition. A recycling program was initiated; Sam Kosolowsky designed the Hudson's Hope municipal flag; and the hillside behind the post-office was purchased to prevent it from being logged. Negotiations were underway between the School District and the municipality regarding the new school. There was a referendum on an underground museum. Water was extended to the Clark Avenue public works shop – and that was a *big* deal! (Estimated cost: \$128,020). Beryl Prairie was expanding: the Fire Hall was built, Council met with provincial Ministers to push for natural gas service, and garbage collection was begun.

Housing was an issue. BC Hydro was getting out of the housing business. So many houses were on the market that, according to a report made to Council, banks were refusing to give loans on Hudson's Hope houses. Hydro had needed to hire 10 employees but they had no place to live, given bank lending policies.

Some issues hang around in the background for years before they work their way to the forefront. The deteriorating state of the community hall was on the radar in 1991. Well, we're still dealing with that one, but this year, Council started a Community Hall reserve fund so that each year, money will be set aside for a new community hall. That way, in a few years, a sizeable nest egg will be available and if a federal/provincial infrastructure grant program comes along, the Hudson's Hope contribution will already be there. These things do get done, but sometimes it takes a long time!

## HOPE COUNCIL NEWS

### **The Last Six Years:**

Council's respond to the needs of a community according to their resources. Hudson's Hope is more fortunate than many communities our size, due to the pipeline and dam infrastructure within our boundaries. Because of that revenue, we can have the facilities like the pool, arena, curling rink etc., the summer flowers, the recreation programs, and so on. But water, sewer, roads and emergency response remain the core services provided by municipal government.

The large capital projects that we have completed over the past six years are designed to improve and maintain core facilities. I don't remember the first time that a new public works shop was talked about. But it has to be back in the 1990's. I remember going into the carpenter shop years ago, and seeing a rope strung from one corner to the other, kitty-corner, to hold up the light fixture. That and mold. It was definitely time. I am so pleased to see that shop finally replaced. We have an excellent facility that is not only more pleasant to work in, but more efficient. No more having to spend the first part of a shift brushing off snow and warming up the snow plow equipment! Not only that, but it's paid for, thanks to the money that had been put aside for so many years.

The Solar Array will reduce the amount of electricity drawn from the grid, thus reducing Hydro bills into the indefinite future. Less well-known locally, is the profile our Solar Project has given Hudson's Hope. One visitor mentioned to me not long ago that he didn't know whether our Array was well-known up here, but in renewable energy circles, our Hudson's Hope Solar Array is held up as a shining example of leadership going into the new energy era. The two provincial awards we received reinforces that assessment. And like the Shop, the Solar Project is fully paid for, thanks to renewable energy incentives.

The Lagoon Project rounds out the "Big Three" projects. Its size and specifications should be sufficient to serve the District long into the future. We paid for one-third of that; the rest came from senior government grants.

Those additions to infrastructure, along with improvements to the water system, extension of the sewer service, allocation of a residential subdivision, and light industrial area prepare Hudson's Hope for the future.

There are plenty more things for the new Council to do, but I am pleased to know that what we have accomplished in the past six years has provided a solid base to go forward.

We have indeed "lived in interesting times," these past few years.

Thanks for your support and I wish Hudson's Hope well going forward!

A handwritten signature in blue ink that reads "Gwen Johansson".

Mayor Gwen Johansson  
DISTRICT OF HUDSON'S HOPE

## Hudson's Hope Elementary-Secondary School

**Our School-Wide Terry Fox Run** was another very successful event. Our students worked extra hard prior to the run, spending their outside breaks doing laps around the field to earn strips of duct tape to "Duct Tape the Principal". It was a beautiful day, and a lot of fun. Thank you to our RCMP for providing a road safety presence for our students.

**Junior Girls Volleyball** - Congratulations to our Junior Girls Volleyball team. They competed in their first tournament in Prince George in October. The girls played extremely well, and placed 4th overall. A big thank you to Mr. Heiberg for continuing to coach and support our students year after year.

**Mixed Elementary Volleyball** - Our elementary volleyball team are practicing hard in preparation for their four games and tournament that will all take place in November. We will be hosting two games on October 30th right after school. Come on out and cheer on our team! \*One side note: The S.D. #60 Elementary League now play volleyball using a game called "Triple Ball". If you are not familiar with it, just a warning that it may take some "adjusting" to the new observer. It's very different than "real" volleyball, but provides more rally opportunity for players.

**Code of Conduct Day** - A huge thank you to Mrs. Scott and her grade 5/6 class. They did a wonderful job teaching our elementary students how to be good HAWKS on the playground, at assemblies, on the bus, during lunch, and much more. It was very rewarding to see how well the grade 5/6's can stand in front of younger audiences and demonstrate great behavior. Also thank you to Mrs. Scott for her hard work organizing this busy day. Way to go HAWKS!

**Jr. Firefighters** - Congratulations to the following students who have been selected as Junior Volunteer Firefighters: Taylor Rowe, Sean Rice, and Zury Reschke.

These students will have the opportunity to learn a variety of emergency response skills, safety training, teamwork, and most of all the value of serving and supporting their community. Thank you very much to the Hudson's Hope Volunteer Firefighters and our Chief for providing this excellent opportunity for our students.

**Residential Construction** - You may have noticed a new home being built in the new "Lucas Subdivision". Our Residential Construction students have the foundation completed, and will be framing during the next few weeks. It has been very rewarding to see the progress our students have made in such a short time. Keep up the great work!

**Thank you Progress Energy!** I would like to extend a very warm thank you to Progress Energy for their continued support of our Healthy Snack Program. Every day of the entire school year, we are able to provide healthy snacks to all of our students to ensure everyone has access to "good energy"! With the rising prices of food in the North, we are all very thankful for your continued support.

**Young Gardeners** - Mrs. Bach and her grade 1-2 class harvested the crops that "last year's students" planted. They did an amazing job of gathering plants, and tidying up the garden for the winter. Great work HAWKS!

**Outdoor Education** - As part of our school vision of "Connecting Students", we have committed to utilizing the Cameron Lake Outdoor Education Center on a regular basis throughout the school year. Our students will have consistent opportunities to learn both about the outdoors, as well as team building while being outdoors.

## Student of the Week Awards

Sept 10 – 14: Halle Beebe, Sarah Clarke, Sierra Musyowski, Keirsten Deitner

Sept 17 – 20: Vayda Herbison, Jude Vince Olsen, Logan Koehn

# Community Co-op Market Anyone?

**Are you interested in having a more permanent place to sell your products, gently used goods included, advertise or display your items without having to pack up after every event?**

**This might be the opportunity that you are looking for.**

**We are offering a trial market, starting on Wednesday, November 7<sup>th</sup> and will run until Saturday, November 17<sup>th</sup>.**

---

We are hoping to form a community co-op market that will be managed by members. Operation procedures, rules and rates, and open market times will be determined by members. We are hoping to share the responsibility so that vendors do not have to be there every day. The idea is still being worked out to accommodate vendor needs and we are open to suggestions; but,

the basic plan is that you can rent floor space, or a table, or wall space for part of the time or the entire 11 days. We are trying to make this affordable and cost effective for vendors. Costs will vary depending on your needs. We do have folks interested and committed right now, but there is still space available. If you are interested in having a table for the opening event only, that is totally doable too.

In addition, we also have a space available for rent that's perfect for small group activities: like a craft workshop. Are you interested in making your very own original Christmas ornament? This unique craft workshop will be coming soon.

So drop by for a coffee and homemade goodies, browse, and check out Hudson's Hope newest Community Market.

**Location: St. Peter's Church Hall, 9500 Beattie Drive**  
For further information, to book space, please contact  
Greta Goddard tel: 250-783-0855 or email: [rgfequet@pris.ca](mailto:rgfequet@pris.ca)

small town girl and her business**

**sending love love love to you all**

## **Veteran's Day Dinner**

**Sunday, November 11th  
at 6 pm**

**HH Community Hall  
By Invitation**

If you are a veteran and you are not sure if you are on the invitation list, please contact the District Office at 250-783-9901.

### **Wreath Orders**

We are now taking orders for wreaths to be laid at the Remembrance Day Ceremony. For more information or to reserve your wreath, call the District Office at 250-783-9901.

### **Displays**

Do you have any information, memorabilia or pictures you would like to add to the Remembrance Day displays at the Hudson's Hope Community Hall?

Please contact the District Office at 250-783-9901.

## **Beavers People Cemetery—Dunne Za Ta Che 1913**

On October 12, 2018, Mrs. Paice, Chief Roland Willson and Ms. Mee went to the Beavers People Cemetery—Dunne Za Ta Che 1913. It was in sad disrepair. This was in conjunction with the Social Studies curriculum on First Nations culture was introduced and traditions of the Indigenous People. This has been a project of Mrs. Paice that started some 20 years ago.

All of Hudson's Hope grade 9 students participated in the recovering of the land where 30 gravesites were located. This took the 10 students the entire day as all that was used were wheelbarrows, shovels and rakes. During an hour of the day North Peace Senior Secondary students came and helped to give our students a rest and were led by Dale Boissonneault who also did a smudge when the work was done for the day. Skylar Paice also eagerly joined in with the others for the day.

The timing was perfect as winter is approaching and everything goes to rest. Our students at the school have much to learn and give and do this on a daily basis with warm hearts and minds. We are so proud of each of them. Well Done!

## Police Report: October 2018

Hudson's Hope RCMP responded to approximately 37 calls for service over the last four weeks. During the month of September, the Hudson's Hope RCMP issued 58 Motor Vehicle Act Warnings and Violation Tickets. Two impaired drivers were located and issued immediate roadside driving prohibitions for failing or refusing to provide breath samples. Two prohibited drivers were also stopped by police and charges were forwarded to Crown Counsel.

On September 23<sup>rd</sup>, 2018, Hudson's Hope RCMP, along with local Fire and Rescue, responded to a collision report received through an Onstar collision activation. The RCMP eventually located the vehicle on a private property driveway, flipped onto its roof, and leaking diesel fuel from a tidy tank. The driver was located at a residence on that property and had suffered only minor injuries. The fuel spill was reported to the Ministry of Environment for further follow up regarding cleaning up the spill.

On September 28<sup>th</sup>, 2018, Hudson's Hope RCMP were conducting a check stop when a southbound vehicle failed to stop for police. The vehicle was eventually stopped at a local business parking lot and determined to be stolen out of Alberta. The driver was arrested for possession of marihuana and for possession of stolen property. Charges are being forwarded to Crown Counsel for approval.

On September 29<sup>th</sup>, 2018, Hudson's Hope RCMP conducted a check stop with North District Traffic Services resulting in two prohibited drivers being located and charged. One driver was also arrested for an outstanding warrant and one driver was found to be impaired by alcohol.

On October 7<sup>th</sup>, 2018, Hudson's Hope RCMP, local Fire and Rescue, and Provincial Ambulance Service were called out to a vehicle parked in the road with hazard lights activated. A male was unresponsive in the driver seat. Police were able to wake the driver who was subsequently detained for impaired driving. The driver refused to provide a breath sample and was issued a 90 day Immediate roadside driving Prohibition and the vehicle was impounded for 30 days. The driver was also arrested for failing to comply with prior release conditions of not to consume alcohol. A breach charge has been forwarded to Crown counsel for approval.

On October 17<sup>th</sup>, 2018, Hudson's Hope RCMP stopped a vehicle on Hwy 29. The vehicle had been reported stolen the previous day. The driver was arrested for taking the vehicle without the owner's consent and for an outstanding warrant for their arrest. The driver was subsequently released to appear in court.

On October 18<sup>th</sup>, 2018, Hudson's Hope RCMP conducted a check stop on Hwy 29 and located a driver that was operating a motor vehicle without a valid driver's license. The driver was issued an Unlicensed Driving prohibition, a violation ticket for not having a license, and the vehicle was impounded for 7 days.

# Halloween Safety Tips

## **Costume safety:**

- While kids (and adults!) may be focused on a costume that impresses friends, try to keep safety top of mind:
- Wear a light-coloured or bright costume, reflective tape or arm bands to heighten visibility.
- Make sure the costume that is properly fitted to reduce the chance of tripping on it.
- Select a costume that is constructed from flame-retardant materials.
- Make sure your vision is not restricted. Consider completing your costume with make-up not masks. Removing masks while walking from house to house will help you see vehicles and hazards.
- Shoes should fit properly even if they do not go well with a costume.
- Create a fun necklace with string and glow sticks to keep kids visible to cars. Or accessorize with a flashlight!

## **Pedestrian Safety (Hit the sidewalk):**

- If parents can't go with children, have another parent older sibling or babysitter go with them. Tell them to stay on the sidewalks
- Don't jaywalk. Use crosswalks whenever possible: Visit houses on one side of the street at a time and cross the street only at intersections or at marked cross walks

## **Strangers:**

- Stay on the outside: Never enter a house; only accept treats at the front door

## **Plan ahead (Make a plan):**

- Parents should be aware of the route that their children plan to follow
- Ensure your child is wearing a watch or has a cell phone to meet the agreed-upon curfew.

## **Safety in Numbers:**

- Older children trick-or-treating without an adult should walk in groups and stay together

## **Emergencies:**

- Older children should know what to do to get in touch with you in case of an emergency.
- Make sure your child knows the places along his or her route where they can get help.

## **Fireworks:**

- In many BC communities, the use of fireworks is strictly prohibited by law.

## **Bring your treats home:**

- Save your treats. Wait until you get home before sampling your treats. Though tampering is rare, a responsible adult should check out all treats and throw away any spoiled, unwrapped or suspicious items.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

Lest We Forget

## FROM THE LIONS DEN

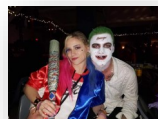

Hello everyone and welcome to the Lions Den. I hope everyone had a safe and Happy Halloween. The Lions Club hosted the Halloween Dance on October 27th. It's always great fun with lots of amazing costumes! Thanks to everyone who came out and supported us.

Our next community event will be the Community Christmas Dinner on December 1. Watch for posters when tickets will be available. Check out our Facebook page @hudsonshopelionsclub or email us at [lionsclubhhd@gmail.com](mailto:lionsclubhhd@gmail.com). We are always looking for new members!

Submitted with pride

Roary

# THANK YOU

This spring part of the breezeway at the indoor riding arena was destroyed by a heavy snow load. After an immense cleanup and lots of work applying for grants and fundraising our breezeway is better then ever.

The DHSC would like to thank:

**Northern Development Initiative and DOHH Financial Assistance Grant for approving a large portion of the funds needed to rebuild the breezeway:**

**Big Top Rentals -Gerhard and Robin Jankowski for going over and above of rebuilding the breezeway to be safe and structurally sound for many more years to come and who also donated many hours of their own time.**

**Peter Morris and Connie Powell for also donating their equipment and a large portion of their time.**

**Northern Truss Ltd - Mallory Smith donated many hours to measure and build the new trusses to match the existing old trusses.**

**Wayne Deitner for donating so many hours in re-wiring the electrical.**

The Double H Saddle Club has been so blessed to have so many volunteers, businesses and funding available to have such a successful project completed.

**Thank you so much!!!**

Please stop by and check it out on your way past the riding arena.

**AGM** Friday, November 23, 2018 at the Pearkes Center  
Potluck at 6pm meeting at 7pm

DOUBLE "H" SADDLE CLUB

## November at the Hudson's Hope Museum

### Come out And Support the Museum at our Annual Harvest Social and Fundraising Dinner November 17<sup>th</sup>!

Dinner Tickets are **\$25** and are available at the Museum or Marg's Mini Mart! Come out and help us raise some funds to replace the **Museum's roof!** There will be a silent Auction, Draws and maybe a live Auction! There will also be a short historic presentation by Dave Kylo and a full bar! Dinner will take place at the Hudson's Hope Community Hall. Doors will open at 5:30! Families welcome.

Our main building was built in the 1930's and was used as a Hudson's Bay Company Store. The roof was last replaced in the mid 1980's; as such it is in bad shape and will need to be replaced in 2019! We are looking for donations to help raise funds for the new roof – items such as money, or volunteer hours, roofing supplies or auction items! If you would like to help with the new roof project in any way please contact the museum!

The Next Historical Society meeting will be held on **November 15th, 2017** at **1 pm** in St Peter's Church Hall. Our monthly meetings will be rotating between 1 pm and 7pm in 2018, depending on the month - please watch for reminders for the time. Everyone is welcome at historical meetings. For more information, please call the Museum at (250) 783-5735 or email at [hbmuseum@pris.ca](mailto:hbmuseum@pris.ca).

#### Winter hours

Monday to Friday 9am to 4:30pm.

Staff is limited during winter months, so the museum may be closed unexpectedly.

- Please call (250-783-5735) ahead to check if we are open.

Elinor Morrissey – Museum Curator

November 2018

## HUDSON'S HOPE StrongStart

# PROTECTIVE SERVICES

## What is a Winter Tire?

British Columbia accepts "mountain snowflake" or "mud and snow" tires with at least 3.5 mm tread as winter tires.

**Check your tires for these signs:**

**The mountain/snowflake symbol on the side of the tire** These winter tires offer the best traction on snow and ice, and in cold weather.

**The mud and snow symbol on the side of the tire** These winter tires offer better traction than summer tires, however, they are less effective than mountain/snowflake tires on snow and ice, and in cold weather.

**3.5 mm tread** Tires must have 3.5 mm of tread remaining to be considered winter tires.

**Matching Winter Tires** You must have at least 2 **matching** winter tires on the same axle, but **it is recommended to use 4 matching tires.**

## Studded Tires

May be used on BC highways from October 1 to April 30, but **must** have mountain/snowflake or M+S symbols to be considered winter tires.

### When are Winter Tires or Chains Right for Me?

Winter tires and chains can make your vehicle safer.

You **MUST** use winter tires (passenger vehicles) or carry chains (commercial trucks) between October 1 and March 31 on **most BC Highways.**

British Columbia's climates range from freezing cold to pleasantly mild in the winter; equipping your vehicle appropriately depends on what you are driving and where you
