HUDSON'S HOPE CLUBS AND ORGANIZATIONS

FINANCIAL ASSISTANCE GRANTS

Council is now accepting applications from non-profit clubs and organizations requesting funding assistance in 2018:

The deadline for applications is February 15, 2019.

The District of Hudson's Hope recognizes that valued contributions are being provided through volunteer efforts of the community organizations and agencies on behalf of the citizens. The Financial Assistance Grant demonstrates Council's commitment to working with groups which provide these beneficial programs, services or projects to the community while at the same time recognizing the financial constraints of the District.

1. The Primary Purpose of a financial assistance grant is to provide assistance to an organization for a specific capital project or local event that benefits the residents of the District of Hudson's Hope;
2. Providing assistance includes the donation of time, facilities and District inventory (tents, tables, chairs, etc.);
3. Grants will not be provided for travel expenses;
4. The applicant organization must be registered as, or belong to a parent Society under the laws of British Columbia and/or Canada, and;
5. Upon completion of project the applicant must submit a final report to the District outlining how funds were expended.

For full application details please visit our website at:
<http://hudsonshope.ca/residents/clubs-services/>

If you have not submitted a report for your 2018 grant, your 2019 grant application will be DENIED.

Applications should contain all assistance requests for the year, including waivers for municipal tent rental and other donation requests such as complimentary recreation admission requests.

Forms may be picked up at the District Office.

Should you have any questions, please contact Tammy McKeown, Corporate Officer, at the District Office, 250-783-9901.

Thank you.

Conservation Officer Service Reminder Hudson's Hope

It has recently been brought to the attention of the British Columbia Conservation Officer Service (BCCOS) that urban deer are potentially being fed within Hudson's Hope. Feeding deer, or any kind of wildlife, causes the animal to lose its fear of humans resulting in a higher risk to public safety.

The BCCOS recognizes that in some British Columbia (BC) communities, there are increasing numbers of human-deer conflicts in urban and rural areas. This is not unique to BC; it is a North American phenomenon. Deer inhabit residential areas because they feel protected from predators and have access to an abundance of food. Deer are not considered dangerous wildlife but may act aggressively to protect themselves or their fawns. As with any wildlife, they must be given respect and space.

It is important that homeowners understand the consequences of attracting deer into town. Feeding can increase the dependence of deer on people, lead to aggressive behaviour and facilitate disease transmission and habituation. Deer are long-term residents of both remote and semi-rural areas and humans will have to adapt and co-exist with wildlife. It is incumbent upon landowners to make reasonable efforts to protect their properties from deer before the Conservation Officer Service can take reasonable action.

Strategies for successful co-existence could involve:

- Selecting landscaping plants that are unpalatable to deer.
- Building suitable fences for play areas and enclosing gardens.
- Acquiring an assertive dog (**but keeping it under control and on a leash**).
- **Never feed deer** and educate your neighbours who do.
- Educating your children about wildlife.

DISTRICT OF HUDSON'S HOPE COUNCIL NEWS

Happy New Year to all of you. I hope you had as enjoyable holiday season as we did with our family. We are rested and ready to get down to business for another year!

I would like to welcome two new District employees recently hired to join our Public Works Department.

Mokles Rahman and his wife Fatema joined our community in early December. They have three grown children living in Calgary. Mokles has accepted the position of Director of Public Works and has extensive municipal experience in engineering and public works. He has previously worked for the Regional Municipality of Wood Buffalo and the City of Moose Jaw.

Mark Sture and his wife Dana will be joining us on January 2nd. They have two grown children living in southern Ontario. Mark will be our new Public Works Manager. Mark also has strong municipal experience and will be responsible for managing the day to day Public Works operations. Mark has previously worked for the City of Moose Jaw and St. Thomas, Ontario.

I would also like to formally welcome Cpl Brendan Harkness. Cpl Harkness is our new RCMP Detachment Commander and has been with us since the summer. Now that his training sessions have been completed, he is able to spend more time in the community.

December has been a busy time for council and staff.

In early December council and senior staff spent the better part of a Saturday participating in a Strategic Planning Exercise, the objective being to identify and prioritize key goals and objectives that will guide council over the next four years. It was a very productive day. There was considerable discussion around asset management, infrastructure priorities, economic development, recreational opportunities and capital projects, to name a few.

The Beattie Park tree light up is always a special event for our community. Unfortunately, due to prior commitments, I was unable to attend this year. I would like to thank acting mayor Gibbs and councillor Markin for stepping in, in my place. Also I'd like to thank all staff for their roles in the preparation and organization of this event. The park looks amazing!

Some of you may have been following the Caribou recovery discussion. This is a very controversial and complex issue. In short, the Province and area First Nations are close to signing an Agreement in Principle regarding the creation of an area dedicated to the protection of Caribou. At this time specific details are rather limited. Council recognizes and respects the need, but also supports the Peace River Regional District's position requesting meaningful input into the discussion process. We will keep the community informed as details unfold.

On December 18th, BC Hydro held a public meeting regarding Williston Reservoir Operations for the spring of 2019. Apparently, the freshet (filling of the reservoir) has been well below the average for the past two years. In fact it has not been this low since 1958. As a result, Hydro has informed the Water Comptroller that they may need to draft below 2150 feet for the 2019 season. If this is required, we can expect the reservoir level to be much lower than usual.

That's it for now. Feel free to contact me anytime if you have any questions or concerns.

Mayor Dave Heiberg

CHRISTMAS TREE PICK-UP Thursday January 10th

The District of Hudson's Hope Public Works Department will be picking up Christmas trees along all regular garbage routes.

Please ensure your tree is placed at the curb by 8:00 am on Thursday, **January 10th, 2019.**

Should you wish to dispose of your own tree, you can put it in the compost area of the transfer site.

District Mailing List

The District of Hudson's Hope has an email mailing list for situations where we need to get important District information to our residents, especially when the PRIS PSA system is not available (weekends and evenings).

We also post important information to our Facebook page: www.facebook.com/hudsonshope.bc and to our website: hudsonshope.ca

If you would like to be added to this list please email:

Please email us at office2@hudsonshope.ca and confirm the email to be used.

2019 DOG TAGS Now Available

Reminder....

**2018 Dog Licenses
expire on December
31st.**

***Why Should I License
My Dog?***

In case they get Lost....

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

It's Easy and Inexpensive

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

Reduced Fines

The Fee for a dog picked up at large is \$60.00. There is an additional fee of \$60.00 if they are not licensed (this does not include any boarding fees, if applicable).

Hudson's Hope Elementary-Secondary School

The Hudson's Hope School Christmas Concert was a wonderful success. Our students put on a marvelous performance for our parents and community. Mrs. Bach's students also provided wonderful Christmas Carol performances, raising over \$300.00 for the Friends of Hudson's Hope!

Thank you so much to our students for their dedication and effort. It was very enjoyable to watch and listen as our students performed. Thank you to the many volunteers: Mr. JP McCarthy and Dylan Beswick for sound and lighting, Mrs. Baytaluke and her Art students for set design, Mr. Heiberg (and students) for prop design, our secondary students for setting up the gym, Mrs. Bach and the one-two class for pre-concert entertainment. Most of all, thank you to **Miss Dee** for such incredible dedication, patience, and many, many hours of hard work..you are amazing!

The Hudson's Hope School Pancake Breakfast & Winter Fun Day was a wonderful success once again. The breakfast was very yummy, and everyone enjoyed the Christmas atmosphere. For the fun day, we had fantastic weather, and some very energetic students. It takes a lot of volunteers to make this day so successful. Thank you to: Bob & Amber Norton, Travis Winnicky, Joe Carruthers, Brendan Harkness, Bill McKenna, Lorrene Hamre, Stephanie Koehn, Linda Luchinski, Aaron Lepine & Lannie Rhymer, Amber White, Tim Viers, and Heidi Naisby. Also thank you to Artha Stuber for picking up pancake mix, and donating to the school.

Our grade 5/6 students were wonderful "Classroom Champions", helping with a lot of the clean up duties after our pancake breakfast. Way to go HAWKS!

Student Councillor - Congratulations to Taylor Rowe who has taken on the position as a School Councillor/Liason with the District of Hudson's Hope. Taylor is a very responsible and community minded individual. Last year, Taylor volunteered his time to help build a house for people in need. Currently, he is honing his construction skills while taking the School District 60 Residential Construction Course. Taylor has also been gaining excellent experience as a Junior Volunteer Firefighter. Taylor is looking forward to learning about his role as a Student Councillor, and representing our school and the community.

Thank you to the District of Hudson's Hope Public Works Staff for all you do! Particularly, we would like to thank you for taking the time out of what must have been an extremely busy day to pull our bus out of the ditch on Adams Street. Our bus students were very excited and relieved when folks arrived with some heavy equipment! We are all very thankful for your help!

Halloween Coloring Contest - This is a bit of a late celebration, but better late than never. Congratulations to Gemma Swanson, Claire Gilliss, Esmae Matchett, and Brigid Rhymer-Stephenson for your beautiful colored posters!

Thank you to the North Peace Saving & Credit Union for a generous donation towards our purchase of a new fridge and freezer for our school canteen. Also a big thank you to our Parent's Advisory Council members for supporting this endeavor.

Outdoor Education! Did you know that studies have shown that being outside can improve your physical and mental health, improving memory, fight depression, and lower stress? Our students have been getting a lot of exposure to the outdoors. Recently, our grade 7-9's tried out the cross country ski trails at Cameron Lake (and even created some of their own). Our goal is for all of our classes to spend at least one class per month at the Cameron Lake Outdoor Education Center throughout this school year.

Three Little Pigs Drama Production - in Francais - Miss Mee's French 7/8 class recently presented three versions of "The Three Little Pigs" to our entire elementary classes. The students created their own props, and improvised their own scripts. Our elementary students were delighted to watch the very entertaining and comical performances!

Classroom Champions - These classes have been providing a variety of rewarding community services, such as decorating the school, helping with school projects, singing carols to the community, and much more. Keep up the great work HAWKS!

CHRISTMAS PARADE & LIGHT UP

What a parade! This years parade had 10 entries- including a dog sled team. It was fantastic to see all participants safely handing out candy and spreading Christmas cheer throughout the parade. Hot chocolate, Timbits and hot dogs were enjoyed at Beattie Park beside the fire; following the light up. Special thanks to the Department of Public Works and John Vandenberg for his time and energy.

Community Co-op Market

Winter Carnival Community Co-op Market
running from
January 23rd to February 2nd

The market will be open on weekdays from 3pm–6pm and Saturdays from 12pm–3pm.

The Christmas Market was so nice and cozy.

Thanks to all the vendors and all those who came out to support the Market.

We are really trying to establish this Market as part of our community, so it's exciting to be able to offer another market in conjunction with the Hudson's Hope 10th Annual Winter Carnival. We will be offering Carnival Bucks throughout the 10 day Market.

And more, mark your calendars for an extra special day: **Monday, January 8th**. We will be doing a **winter carnival craft from 3-4:30 at the "Hot Chocolate" Café**. And more good news, we have a studio photography space coming soon. Look for news to take advantage of this new business.

The Community Market is like having your own store front. It's a more permanent place to sell your products, gently used goods included, advertise or display your items without having to pack up after every day. If you are interested in setting up as a vendor for the 10 days or just one day, we can accommodate both.

Rates are extremely reasonable and vary depending on your needs. We are trying to make this affordable and cost effective for vendors.

Operation procedures, rules and rates, and open market times will be determined by members. We share the responsibility so that vendors do not have to be there every day, but their goods are taken care of and sold for them.

We also have a space available for rent that's perfect for small group activities: like a craft workshop, or spa area.

So drop by for a coffee and homemade goodies, browse, and check out the Hudson's Hope Community Co-op Market.

Location: St. Peter's Church Hall, 9500 Beattie Drive

For further information, to book space, please contact
Greta Goddard tel: 250-783-0855 or email: rgfequet@pris.ca

A big Thank You to all those who do so much to help our Seniors in this community. Whether it is driving people to medical appointments, running errands, preparing meals or just taking time to have tea, your kindness and generosity is greatly appreciated by those who need it! Wishing you all the very best in the New Year and Thank you very much!

Early Learning Tip January

School District 60 wants you to know ...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

January's Tip - Reading

- **find** a quiet and comfortable spot
- **have** your child sit on your lap
- **read** a variety of stories/poems
- **chat** about what you read
- **ask** questions like "What do you think..."

Why? Children who sit with their parents and handle both paper and digital books have an easier time learning to read. By taking time to talk about the story, you bring the story to life.

To **ALL REGISTERED NON-PROFIT ORGANIZATIONS** in Hudson's Hope

BC Hydro Generate Opportunity (GO) Fund of \$800,000 over eight years.

This fund was established in 2016 and targets non-profit organizations serving communities impacted by Site C. The fund is administered on behalf of BC Hydro by Northern Development Initiative Trust. Grant review and decisions are made by a committee composed of two representatives from each of the impacted communities, Fort St. John, Hudson's Hope, Taylor, Chetwynd and Electoral Areas B, C and E.

Applications are accepted continually throughout the year but reviewed quarterly. The next review/intake is February.

To date, three Hudson's Hope organizations have been awarded grants and the district council would like to see many more as our community is the most impacted. We are encouraging your organization to apply.

WE HAVE A GRANT WRITER FREE OF CHARGE AT YOUR SERVICE! You supply the project and the background information.

Police Report: December 2018

Hudson's Hope RCMP responded to approximately 40 calls for service over the last four weeks. During the month of November, the Hudson's Hope RCMP responded to 7 motor vehicle collisions and conducted two check stops in an effort to combat impaired driving.

The Hudson's Hope RCMP reminds drivers to be prepared for winter driving conditions. Please drive appropriately for the conditions. Remember to clear the snow from all windows as well as the roof of your vehicle. Equip your vehicle with safety and emergency gear that may be needed.

On November 20th, 2018, Hudson's Hope RCMP were advised of a theft of a yellow generator with wheels, taken from an area in Farrell Creek. Anyone with information regarding the theft is asked to contact local police or Crime Stoppers.

On December 9th, 2018, Hudson's Hope RCMP conducted a traffic stop with a vehicle that had failed to stop for a stop sign and spun its rear wheels as it drove off. The driver was found to be operating a motor vehicle without a valid license and was issued violation tickets for not having a driver's license and for failing to produce insurance. The vehicle was impounded for 7 days as the driver was a vehicle impound candidate. The driver was also issued an unlicensed driver prohibition.

On December 15th, 2018, Hudson's Hope RCMP and local Fire and Rescue, responded to a single vehicle in the ditch on Canyon Drive. No occupants were inside the vehicle. The owner called police a short time later and reported the vehicle stolen. The driver was interviewed and warned about making a false statement to police as it was suspected that the driver was not being truthful. The driver then confessed that the truck was not stolen as initially reported. Speed and road conditions were a factor in the collision and no injuries were sustained.

The Hudson's Hope RCMP were pleased to be involved with several local community events over the last few weeks including the Christmas Parade, the School Pancake Breakfast, the Science Fair, the Craft Fair, and local Christmas dinners.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

Preparing an Emergency Kit for Your Car

Slippery or snow-covered roads, reduced visibility and bitter cold are all conditions that can make driving difficult and even dangerous during cold weather months. Winter also brings an increased risk of getting stuck in your car, so dress warmly before heading out.

Emergency Car Kit

If you have a car, prepare an emergency car kit and keep it in the vehicle. The basic emergency kit for cars should include the following items:

Check off the items for your 72-hour emergency kit as you accumulate them.

Top of Form

Food: That won't spoil, such as energy bars

Water: In plastic bottles so they won't break if frozen (change every six months)

Blanket

Extra clothing and shoes

First aid kit: With seatbelt cutter

Small shovel, scraper and snowbrush

Candle in a deep can and matches

Wind-up flashlight

Whistle: In case you need to attract attention

Roadmaps

Copy of your emergency plan and personal documents

Also keep these inside your trunk

Sand, salt or cat litter (non clumping)

Antifreeze/windshield washer fluid

Tow rope

Jumper cables

Fire extinguisher

Warning light or road flares

Robert Norton
Hudson's Hope Fire Department
PO Box 494,
Hudson's Hope, BC, V0C 1V0

Dear Robert Norton,

In 1954, Canadian Fire Fighters answered our call by making a commitment to join Muscular Dystrophy Canada in the fight against neuromuscular disorders. Fire Fighters continue to be our ambassadors across the Canada; raising over \$3 million dollars annually.

The Hudson's Hope Fire Department has been raising funds and awareness for us since 1993 and to date has raised over \$19,835! This is something you and your Fire Fighters should be very proud of. *Until there's a cure, there's us.*

"To my heroes, thank you for everything you do. I keep pushing through the pain and the tough days because I know you are fighting for me and everyone else who is affected. We need you and we thank you."

- Danielle Campo-McLeod

Knowing that they have their heroes, the Fire Fighters fighting along side them in the battle against neuromuscular disorders gives our families hope, strength, and courage.

As 2018 comes to an end, enclosed is a small token of our appreciation for all that you do. I hope that you enjoy it and the pictures and quotes from our families across the country help reinforce that what you do matters. It makes a difference each and every day!

From the bottom of our hearts and on behalf of our families impacted by neuromuscular disorders, thank you.

Sending you best wishes for a healthy, happy Holiday season!

With gratitude,

Devon Bailey

HAPPY
NEW YEAR
FROM THE
LIONS DEN

Hello everyone and welcome to the Lions Den. I hope everyone had a wonderful holiday season with friends and family. December was very busy for us. With the help of Cheryl Baytaluke's Classroom Champion Program, we decorated the hall for all of the upcoming Christmas events.

I'm sure that anyone that has been in the hall will agree they did a terrific job – thanks everyone!!

December 1st was our Community Christmas Dinner. We had a packed house for the dinner and not much food was leftover! Thanks to Suzy Bach's class for the Christmas carols and also to Cory Vernon for once again helping with the dishes.

On December 22nd, we delivered the Christmas hampers that the wonderful folks at the Friends of Hudson's Hope Food Bank put together.

We would like to wish everyone good health and happiness in 2019 and beyond!

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

Submitted with pride

CASUAL EMPLOYMENT LIST

The District of Hudson's Hope invites applications from persons interested in casual employment with the municipality. These applications will be kept on file for 12 months and will be referred to when there is a need for one or more persons to work on an "as required basis".

Casual workers may be needed in any area of the municipality's operations (e.g., office work, custodial duties, general labour, etc.), so it is important to note in which areas that you are capable and willing to work.

The Casual Employment List will not be used when filling a seasonal, part-time or regular position. A specific notice will be advertised in such cases.

The persons selected for casual work will be required to become a member of the BC Government & Service Employees' Union. Rates of pay are established in the Collective Agreement and vary for the various positions.

Application forms are available at the municipal office or applicants may submit a detailed résumé of work experience, education and qualifications.

Kristi Kares Handcrafted
Meet Kristi Fehr

She began talking about the idea of using natural products with friends and acquaintances and the responses she received were enthusiastic. People not only thought it was a wonderful idea but believed that there would be a strong market in Hudson's Hope for natural body products. So Kristi began trying more and more new recipes and participating in craft fairs, and it wasn't long before Kristi Kares Handcrafted was born.

Choose from a diverse selection of lip balms, salves, serums, lotion bars, deodorant, healing blends and more, including formulas made with 100 percent organic ingredients. Each and every recipe is handcrafted in small batches to ensure quality, effectiveness and safety.

- * Face, hands, body and bath
- * All natural skin care products
- * Crafted by hand in small batches

Kristi Kares Handcrafted body and bath products are available at Pro Hardware in Hudson's Hope and directly from the maker.

The Pearkes Centre
Meet Patricia Markin

The Pearkes Centre is Hudson's Hope's largest and most diverse rental facility, perfectly suited for hosting a variety of events and functions. The Pearkes Centre offers several different rooms ideal for meetings, performing arts, trade shows, workshops, seminars, family reunions and wedding receptions. A boardroom style room is also available and outfitted with WiFi, projector and screen.

- * Large and small rental spaces
- * Flexible rental arrangements
- * 10 acre field

There is even a small galley kitchen available for rental to meet your food preparation needs. Rooms may be rented for as little as one hour. The Pearkes Centre is home to several local businesses, and more monthly office space is available. The Pearkes Centre offers affordable rates and support so that you can plan and execute a successful meeting, function or event. Special, reduced rates available for non-profit organizations.

Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

BE WARM AND SAFE THIS WINTER!

- » Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- » Have a three-foot "kid-free zone" around open fires and space heaters.
- » Never use your oven to heat your home.
- » Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- » Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- » Remember to turn portable heaters off when leaving the room or going to bed.
- » Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- » Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- » Test smoke alarms monthly.

Heating Equipment Smarts

Install wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

Install and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

FACT

Half of home heating fires are reported during the months of **December, January,** and **February.**
