#### Grant Writer update.

Electoral areas B, C, D, E and the District of Hudson's Hope have extended their support to continue hiring grant writer services for another year, 2019. The 2018 results are impressive. \$271,410 was approved as funding for the region, of which \$56,300 was approved for Hudson's Hope. This represents about 21% of the approved funding. In addition, the grant writers are waiting to hear about of another \$480,802 in applications which, if even a portion is approved, could improve our success rate.

Councillor Paice, through the Northern Development Initiative Trust, and Councillor Markin, through the Go Fund, are key District resources available to help your organization navigate the process.

I strongly encourage our Non Profit Societies to take advantage of this free service. There is money available, and we can help your organization leverage it.

Progress Energy is now owned by Petronas. Council was able to meet with Mark Fitzgerald, President and CEO, and his senior staff recently to informally discuss a wide range of issues and concerns facing the region and more specifically, our community. Petronas expects to be operating in our region and the Pink Mountain area for at least the next forty years. However, they are not expecting the level of activity to return to the pace it was in 2013.

Council and Petronas share a common interest in continuing future discussions and are currently in the process of formalizing an engagement process.

A Quick update for those who are following the Caribou Recovery discussion. Representatives from the PRRD were able to meet with Provincial Ministers of Environment and Forests and Lands and their senior staff on January 23rd while at the B.C. Natural Resources Forum held in Prince George.

This was a productive meeting and key issues involving the process of stakeholder engagement were discussed. The Province has committed to work with the PRRD to evaluate and discuss these impacts within the region. The Province also committed to start public and stakeholder engagement in early February and that an agreement will not be finalized until potential impacts are completely understood.

Will keep folks posted as the process proceeds.

Mayor Dave Heiberg

## 2019 Business License

The 2019 Business License statements have been mailed out. If you no longer require your Business license, please call the District Office to have your license cancelled. If you do not have a business license or are unsure if you require one, please stop in or call for more information.

Bylaw No. 504 clearly states "that no person shall carry on, within the Municipality, any business unless he or she is the holder of a valid and subsisting license issued to him or her under the bylaw by the License Inspector and shall pay therefore, to the License Inspector, the sum stated in the bylaw". The annual cost for a business license is \$50.00

If you are operating a business without a license, you are in direct violation of Bylaw No. 504.

A "business" is defined as any activity in which you receive monetary compensation for any services that you may provide within the community.

## 2019 DOG TAGS Now Available

### Reminder....

**2018 Dog Licenses  
expire on December  
31st.**

### ***Why Should I License My Dog?***

### **In case they get Lost....**

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

### **It's Easy and Inexpensive**

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

### **Reduced Fines**

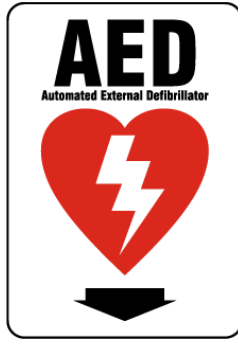

The Fee for a dog picked up at large is \$60.00. There is an additional fee of \$60.00 if they are not licensed (this does not include any boarding fees, if applicable).

# PROTECTIVE SERVICES

## Automated External Defibrillators

### What are They?

An automated external defibrillator (AED) is a small, portable device used to identify cardiac rhythms and deliver a shock to correct abnormal electrical activity in the heart. AEDs are used to treat sudden cardiac arrest (SCA).

Up to 40,000 cardiac arrests occur each year in Canada. That's one cardiac arrest every 13 minutes.

Eighty-five per cent of cardiac arrests in Canada happen outside of hospitals, and having an AED close by can make all the difference. The American Heart Association warns that for

every minute lost before defibrillation, the survival rate decreases by seven to 10 per cent. After 12 minutes, the survival rate plummets to less than five per cent.

When CPR and an AED are both used within five minutes of a cardiac arrest, the chance of survival rises by nearly 75 per cent, according to research published in the Journal of the American College of Cardiology.

### Where are They?

Quick access to an AED can greatly improve a patient's survivability rate, and knowing where AEDs are located within your community can help facilitate this. Fortunately there are a number of AEDs located within the District of Hudson's Hope. Emergency responders including police, fire and BC Ambulance all have devices on their apparatus and vehicles. There are also AEDs located at **the Pool in the summer and at the Arena in the winter**, and staff at these locations have training in their use. **Hudson's Hope School** has an AED in the staff room and has staff trained in its use. Other places that might be less obvious are **the Library** where an AED is on site, and staff and board members have received training in AED and CPR, and **Silver Willow Court** where they also have an AED available.

Another interesting way that you can locate and help develop an inventory of AED locations in your community is through the PulsePoint AED website and app.

Check it out here: <https://www.pulsepoint.org/pulsepoint-aed/>

### Where can I Learn More?

To learn more about AED use you can contact your local first aid course provider to enroll in a CPR/AED training course and we invite you to take a few minutes to watch a short video on the District's Emergency Services web page @ <http://hudsonshope.ca/residents/emergency-services/>

**The library will be closed for the Family Day long weekend, Feb 16-18**

**Amber Norton, Library Director**

We are sad to see Lyndsay Deitner leave the position as Children's Programmer, but are pleased that she will be able to stay on as a casual employee as the hours better suit her lifestyle. Gerri Bird is the newest addition to our library team and we are excited to see what kind of fun and excitement that she brings to our children's library programs.

**Did you know...**

- You can find out what books have been added to our collection by visiting our website? Go to the main page to find the "carousel" of new books, this section changes frequently to highlight various collections that we have in the library. You can find other new book carousels under the "For You" section.
- You can view what items are in our collection through the catalogue link on our website? Click on the "Advanced Search" icon to be able to define your search parameters. Click on the "Browse the Catalogue" icon to look for other items that are similar to a book of interest.
- You can place a hold on a book through our online catalogue? You can search our library collection or all BC InterLibrary Connect libraries within BC to place a hold on an item. You will then be notified when your item is ready for pickup! If you cannot find the title that you are looking for, come on in to the library and ask a librarian to help you to find what you seek at all the rest of the libraries in BC and educational establishments.

**Shellie Howard, Young Adult Programmer**

**Lego Club** for the month of February is building a shape. We will be making a club, a heart, a diamond and a spade. I am excited to see how they turn out!

**Tween Club** will start with the first Thursday being craft night. Second Thursday is games and Valentine's Day so we will have some cookies to decorate as well. The third Thursday is movie night, to be voted on by the tweens. The fourth Thursday is Book Club, where we will see what everyone has been reading, what they liked or disliked about the book/book.

**Teen Club** runs the same themes as tween club, except geared more for the older ages. Craft Night, Games and decorate cookies, because no matter how old you are decorating and eating cookies is fun!!! Movie night will be voted on by the teens and book club the following Thursday.

**Tweens/Teens** just because it is Book Club does not mean you have to feel pressured to read any particular book. Some of your peers listen to audio books and some just like to hear what the stories are all about.

### **Gerri Bird, Children's Programs**

**Story Time:** Join us as we continue on with our alphabet adventure! As there is a transition between staff right now, the exact themes are unavailable but the sessions will still be sure to please! Come on out and help welcome Gerri in to our library family!

**After School Club:** We will continue on our journey through special days to celebrate! Come talk to Gerri to find out what theme is coming up next!

**Item Donations** – Much appreciation to our thoughtful December donations.

**anonymous** – 4 adult fiction, 9 DVD series, 1 adult colouring book

**Evelyn Quibell** – 5 YA books, 1 adult paperback

**Caitlin Vince** – 21 adult non-fiction

# Early Learning Tip February

School District 60 wants you to know...  
You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

## February's Tip - Playing Games

- **Play** a variety of games—cards, board games, hopscotch, hide & seek, soccer or hockey
- **Take turns**, following rules and instructions
- **Experience** both winning and losing
- **Learn** how to take care of materials

Why? While playing games children learn to concentrate, reason, negotiate, problem-solve and get along with others. Playing games help children develop their small and large motor skills. Learning to take turns, follow rules, take risks, and experience winning and losing makes your child more resilient to disappointments and frustrations. To find out more information go to: [www.familyfriendlycommunity.ca](http://www.familyfriendlycommunity.ca) or [www.earlylearning.prn.bc.ca](http://www.earlylearning.prn.bc.ca)

# February at the Hudson's Hope Museum

**Ice Skating on the Peace River**

Wishing all a wonderful  
Winter Carnival!

What a wonderful week of adventures! Hudson's Hope's have been enjoying the snow and winter for a long time; skating on the river, playing hockey on the ice, ice fishing and snowshoeing!

Just a reminder that Hudson's Hope Historical Society Memberships are due – A \$20 per year membership helps support the museum's ongoing education

programming and exhibits and gives you

10% off in the gift shop. Members also receive a yearly newsletter providing information on seasonal sales and event invites for such things as book signing and historic videos or slide presentations. Come visit the museum for more information.

The Hudson's Hope Historical Society is actively looking for New Board Members. If you are interested in preserving and learning about the history of Hudson's Hope, this might be for you! If you would like more information on how the society is run and the work that is involved, please contact Elinor Morrissey at the museum. The 2019 AGM will be held on March 21 in St. Peter's Church Hall at 7pm.

**Marion, Bina, Jean and Clarisse out  
Snowshoeing, 1943**

The Next Historical Society meeting will be held on February 21<sup>st</sup>, 2019 at 7pm in St Peter's Church Hall. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at [hbmuseum@pris.ca](mailto:hbmuseum@pris.ca)

February hours are Monday to Friday 9-4:30, unless otherwise posted.

## Hudson's Hope Elementary-Secondary School

**C02 Car Races** - January started off with some "SPEED", as our students raced the C02 cars they built with the help of Mr. Heiberg's shop students. It was a very exciting day that included checking out the different designs and paint jobs...and of course drag-racing! Our top 10 finishers were: Hadley Gilliss, James Gortman, Tereza Schenk, Kayla Stuber, Tristan Beam, Ayden Quibell, Luna Weder, Sam Hills, Sierra Musyowski, and Keaton Vig. A big thank you to Mr. Heiberg and his shop students for a great job!

**Sigmund Brouwer** - Our school had a special treat on January 17th, as Sigmund Brouwer presented his "Story Ninja" presentation to our students. Mr. Brouwer also provided workshops to individual classes, and an evening session for parents. Thank you to our PAC, and the public library for making this opportunity possible!

**Congratulations to the HHESS Wrestling Team** for a very strong showing in the Grande Prairie Invitational Tournament. All of our students were very competitive, learned a lot, displayed outstanding sportsmanship, and medalled in every category. Once again, a big thank you to Coleman Mercereau and Peter Douglas for volunteering to make competitive wrestling a reality for our students. Also, good luck in the Zone's tournament, hopefully we will have some qualifications for Provincials in February.

**Cruisin' Days** - We enjoyed a fantastic day at Powder King on January 19th. It's so rewarding to see how much this has grown over the years. We had over 40 people participate, including youth, teens, and many parents!

**Popsicle Stick Bridge Building** - Mrs. Baytaluke has been working with many students to create popsicle stick bridges for the annual Popsicle Stick Bridge Building Contest in March. Our students have had amazing success at this competition over the years...we've even had bridges that the machine couldn't break! Good luck HAWKS!

**Spaghetti Bridge Building Competition-** Good luck to our grade 5/6 students who are currently building their bridges in preparation for a regional competition in FSJ. Winners of the Regionals will qualify to participate in the Skills Canada Competition in Dawson Creek. Last year our students won the Skills Canada competition (way to go David Schwartz & Brynn Beswick), and went on to compete in Provincials!

**Silver Willows Singing...** Before the break Mrs. Bach & Mrs. Baytaluke teamed up as classroom champions, bringing their classes to sing carols for the folks at Silver Willows! Way to go HAWKS!

**Construction Success!** A big congratulations to our Residential Construction students for getting the new building to the "Lock Up" stage. Mr. Koop was very pleased with the work ethic, team spirit, and positive attitude displayed by our students. Thank you Mr. Koop for your leadership and hard work!

**Thank you Jane Markin** for generously donating your used snowboarding equipment for our "Cruisin' Days" program. I promise that we will put it all to good use!

**On behalf of Hudson's Hope School, I would like to extend a sincere Thank You and Best Wishes to Mr. Tim Viers and his family.**

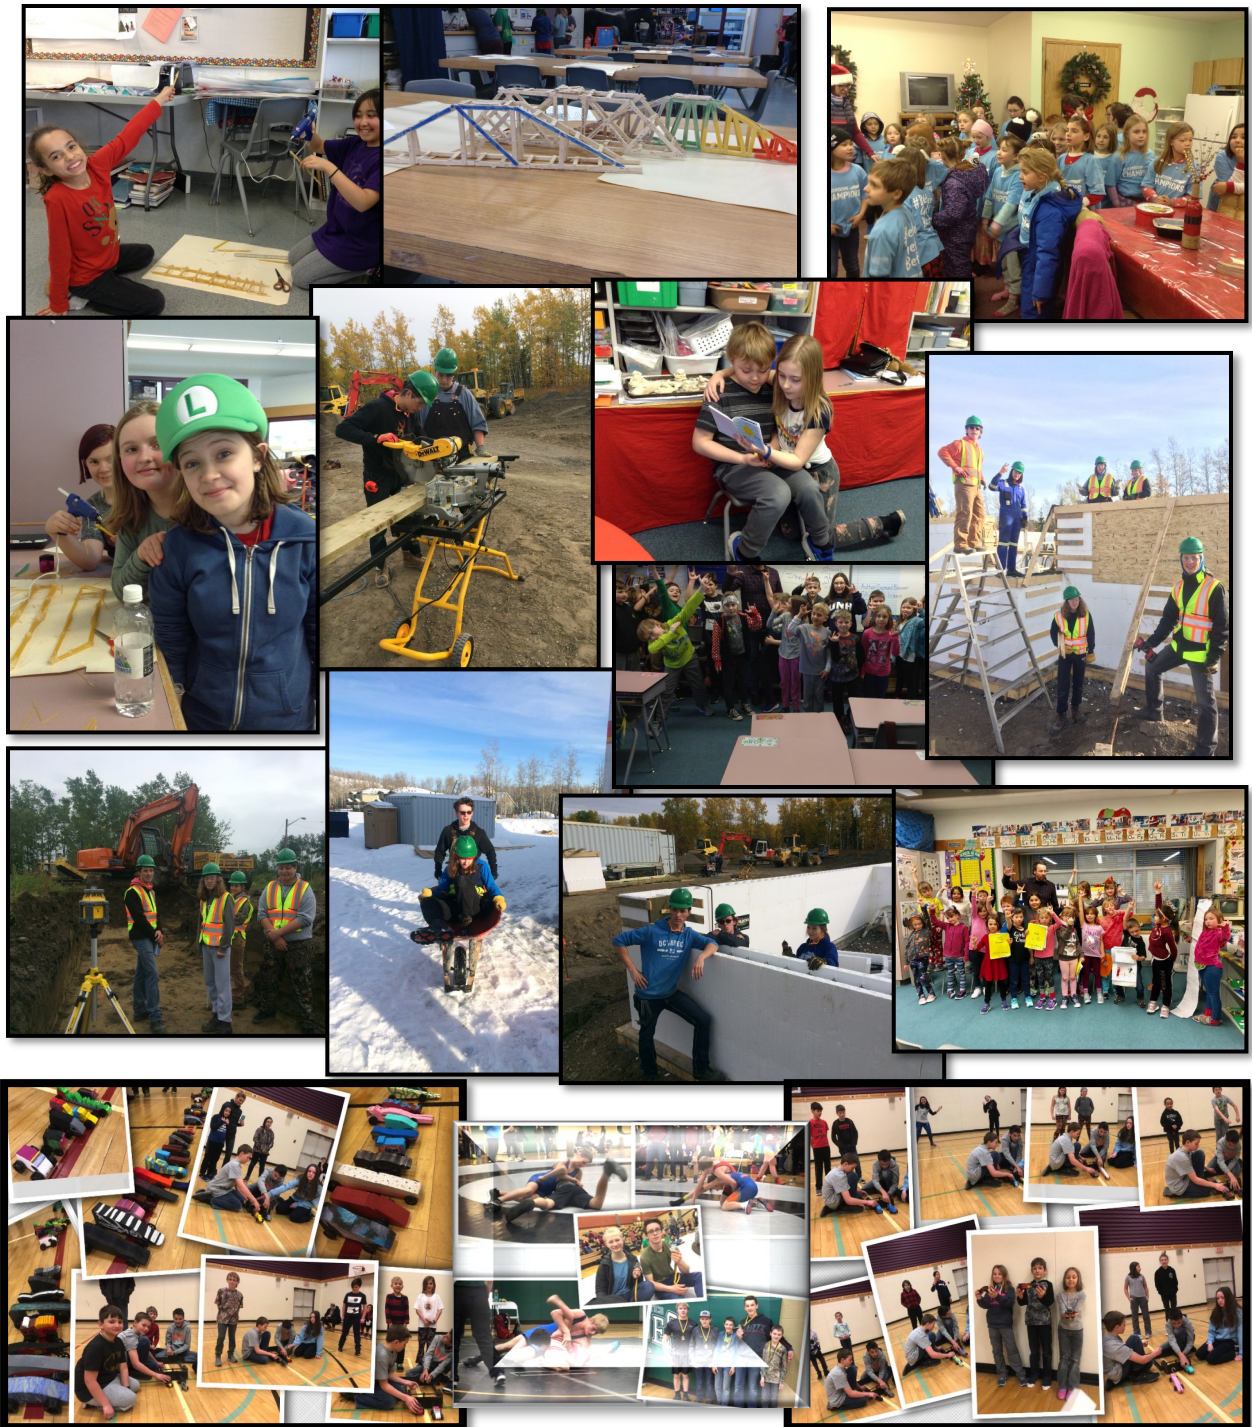

Mr. Viers worked incredibly hard to support our students and our school/community. Over the years, Mr. Viers coached numerous volleyball teams and soccer teams. He taught music classes, helped prepare/operate/clean up school assemblies/grads and concerts, and supervised many school events. As an active P.A.C. member, Mr. Viers took on many roles, including being PAC President, and District-PAC Rep. Mr. Viers has helped flip a lot of burgers for many BBQ's, and has been an important teammate for events and fundraisers such as our Pancake Breakfasts, Winter Fun Days, and P.A.C. "Movie Nights". Mrs. (Margie) Viers has also been a wonderful teammate to have at the school, providing support to our students, and increasing our social responsibility with initiatives such as "Dressember". We will also greatly miss the laughter from your very kind and caring children, Nathaniel and Cyrus. Thank you so much to your entire family for all you have given to our school and community. Best wishes as you move closer to your extended family!

To **ALL REGISTERED NON-PROFIT ORGANIZATIONS** in Hudson's Hope

**BC Hydro Generate Opportunity (GO) Fund** of \$800,000 over eight years.

This fund was established in 2016 and targets non-profit organizations serving communities impacted by Site C. The fund is administered on behalf of BC Hydro by Northern Development Initiative Trust. Grant review and decisions are made by a committee composed of two representatives from each of the impacted communities, Fort St. John, Hudson's Hope, Taylor, Chetwynd and Electoral Areas B, C and E.

Applications are accepted continually throughout the year but reviewed quarterly. The next review/intake is February.

To date, three Hudson's Hope organizations have been awarded grants and the district council would like to see many more as our community is the most impacted. We are encouraging your organization to apply.

**WE HAVE A GRANT WRITER FREE OF CHARGE AT YOUR SERVICE!**

## Police Report: January 2019

Hudson's Hope RCMP responded to approximately 30 calls for service over the last four weeks. During this period, the Hudson's Hope RCMP responded to 5 motor vehicle collisions and conducted 3 check stops in an effort to combat impaired driving. During the month of December, 38 violation tickets and written warnings were issued to drivers.

The Hudson Hope RCMP would like to officially welcome Cst. Erich Schmidt to the detachment. Cst. Schmidt and his family recently transferred here from the Lower mainland. The Schmidts are avid hunters and are excited to be in Hudson's Hope for the next few years.

On December 19<sup>th</sup>, 2018, Hudson's Hope RCMP conducted a check stop on Highway 29 and located a driver who was found to be driving without a valid driver's licence. The driver was also found to be flagged for vehicle impound. The vehicle was impounded and the driver was issued a violation ticket for driving without a valid licence.

On January 9<sup>th</sup>, 2019, Hudson's Hope RCMP responded to a single vehicle rollover collision on Canyon Drive. The vehicle was located on its roof with no occupants. The owner of the vehicle was located at home and was not injured. Poor road conditions were a factor in the collision.

On January 12<sup>th</sup>, 2019, Hudson's Hope RCMP were called to a local residence to remove two intoxicated males who were no longer welcome there and refused to leave. One male had left prior to police arrival and went home. The second male was too intoxicated to care for himself and was subsequently arrested and lodged in cells. He was released the following morning when sober.

On January 19<sup>th</sup>, 2019, Hudson's Hope RCMP were called to a single vehicle collision on Hwy 29. A tanker truck had experienced a brake malfunction while travelling down Farrell Creek Road and went into the ditch across Hwy 29. No injuries were sustained by the driver and no cargo had leaked from the tanker. The driver was issued a Notice and Order to have the brakes repaired and inspected prior to driving the vehicle on the road again.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

The Hudson's Hope RCMP is still seeking volunteers for the local Speed Watch program which will commence in the spring. Anyone interested in participating in this program can contact the local detachment, 250-783-5241, to learn more. The Speed Watch program is not an enforcement campaign, but a statistical and awareness campaign. It provides a visual aid to motorists reminding them of their speeds, as well as tracks the number of speeding vehicles in certain areas which assists the RCMP in identifying areas where speed enforcement may be needed. Volunteers do not stop vehicles nor interact with drivers.

## HUDSON'S HOPE CLUBS AND ORGANIZATIONS

# FINANCIAL ASSISTANCE GRANTS

Council is now accepting applications from non-profit clubs and organizations requesting funding assistance in 2019:

**The deadline for applications is February 15, 2019.**

The District of Hudson's Hope recognizes that valued contributions are being provided through volunteer efforts of the community organizations and agencies on behalf of the citizens. The Financial Assistance Grant demonstrates Council's commitment to working with groups which provide these beneficial programs, services or projects to the community while at the same time recognizing the financial constraints of the District.

1. The Primary Purpose of a financial assistance grant is to provide assistance to an organization for a specific capital project or local event that benefits the residents of the District of Hudson's Hope;
2. Providing assistance includes the donation of time, facilities and District inventory (tents, tables, chairs, etc.);
3. Grants will not be provided for travel expenses;
4. The applicant organization must be registered as, or belong to a parent Society under the laws of British Columbia and/or Canada, and;
5. Upon completion of project the applicant must submit a final report to the District outlining how funds were expended.

For full application details please visit our website at:  
<http://hudsonshope.ca/residents/clubs-services/>

**If you have not submitted a report for your 2018 grant, your 2019 grant application will be DENIED.**

Applications should contain all assistance requests for the year, including waivers for municipal tent rental and other donation requests such as complimentary recreation admission requests.

**Forms may be picked up at the District Office.**

Should you have any questions, please contact Tammy McKeown, Corporate Officer, at the District Office, 250-783-9901.

Thank you.

HAPPY VALENTINE'S DAY

## FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. I hope everyone is managing to keep warm with this crazy weather. It has been a quiet few months for Lions Club members, a nice break after the busy Christmas season. Valentine's Day is coming up this month. It's your chance to do something special for that special someone!

Just a couple of fun facts about Lions Club International. Did you know that The Lions Club was started in 1916 in Chicago and now has over 46,000 local clubs and more than 1.7 million members in 190 countries around the world? The Hudson's Hope Lions Club hosts fundraisers and helps out with events to enable us to give back to those in the community who need a helping hand at times.

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at [lionsclubhh@gmail.com](mailto:lionsclubhh@gmail.com). We are always looking for new members!

"Volunteers do not necessarily have the time; they just have the heart"

## Silver Willow Court

Box 342, 10104-Ellis Crescent  
Hudson's Hope, B.C., VOC 1V0  
250-783-5521 swc@pris.ca

Hudson's Hope Health Care & Housing Society is a **charitable non-profit organization** that owns and operates Silver Willow Court. This housing provides ten homes for low-income seniors who love calling this wonderful community their own. 😊 **We need your help** with **FUNDRAISING** this winter in order to work on projects for the facility and programs for the tenants and community:

☑ **The Lunch Program** is the brain child of Grace Okada, who has been organizing and often delivering lunches for the last 7 years! It is cooked in the Women's Club community kitchen and served in the common room of Silver Willow Court. **Everyone is invited** for the delicious meal!

★ Thank you to all the cooks and dessert makers including: Grace, Taffy, the Hudson's Hope School along with Mary's team of volunteers.

★ Many thanks also to our generous local sponsors: *Butler Ridge Energy Services, W6 Contracting, Beattie's RV Park* and other individuals.

☑ **The Patio Project** is spearheaded by the tenants to improve the outdoor patio area, so there's a pleasant space for relaxing and socializing with other tenants, family and friends in the summer time.

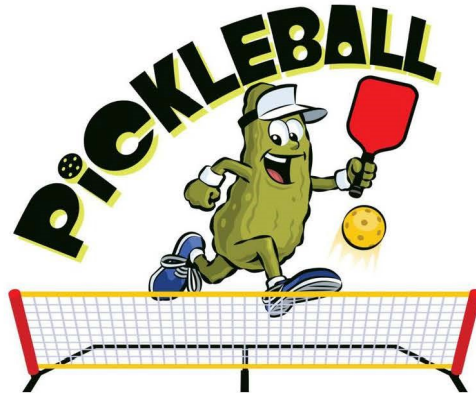

☑ **The Window Replacement Project** is required to replace all the original 1980's windows in the building. Many of the windows have lost their seal and the hardware is aging making them often difficult or impossible to operate. This is a **"big ticket item"** and so we are looking to fund raise at least \$46,000 by Spring 2019. So far we have raised only \$6,300!

★ Many thanks to Dave Kylo (volunteer of the year award); *The Sportsman's Inn, Allteck Line Contractors* and *Macro Industries* for their generous donations.

Please make a **TAX DEDUCTIBLE** DONATION TO THE SOCIETY AND HELP US ACHIEVE OUR FUNDRAISING GOALS (receipts given)! Your hard earned money will be used to improve the Silver Willow Court facility and improve the quality of life for our senior community.

Thank you ❤️

# Cameron Lake Outdoor Education Center

The Cameron Lake Outdoor Education and Environmental Studies Center is owned by School District 60 and is available for use by all district staff, pupils and public where such uses are compatible with the outdoor education curriculum objectives.

The Center is located in a natural Boreal forest setting on the shore of Cameron Lake, 25km south of Hudson's Hope on Highway 29.

The Center is suitable for a variety of events, such as private family rentals, weddings, banquets, reunions, paid events, camping, recreation and more.

In and surrounding the property are 27 km of hiking trails giving access to 3 accessible lakes. 11 km of the trails are designated as groomed cross-country ski trails. Cross-country ski trails are available for use by the public December and January. Visit the website for more information.
