Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

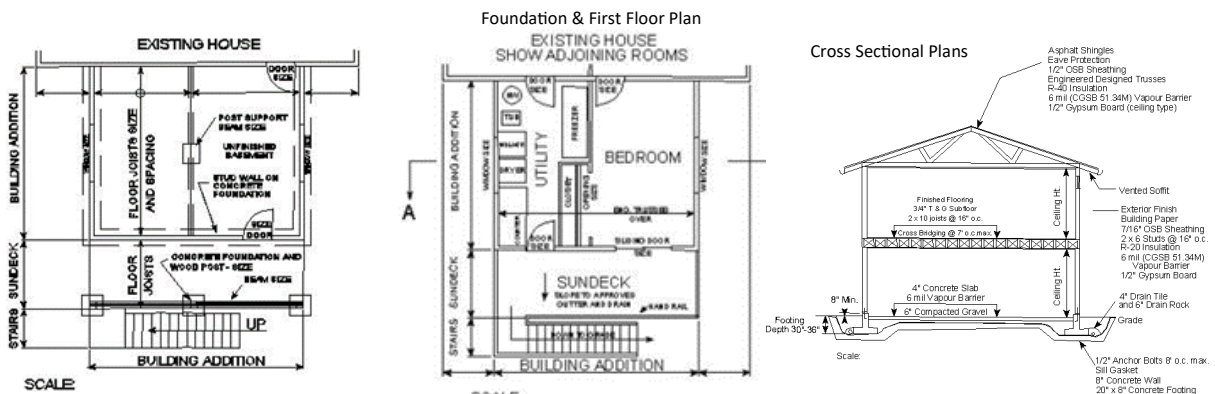

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

**DISTRICT OF HUDSON'S HOPE
YOUTH VOLUNTEER OF THE YEAR AWARD 2019**

The District is looking for **YOUR NOMINATIONS!** Do you know a person or persons between the ages of 13 and 19 who has made a positive contribution to the community on a volunteer basis such as developing a project, serving on a committee and/or other volunteer work with organizations and groups. Youth in this category may display outstanding qualities, provide leadership, support their peers, overcome challenges and/or contribute to their community in a meaningful way.

One person will be awarded the title of Hudson's Hope

'YOUTH VOLUNTEER OF THE YEAR'

Their name will be added to the plaque in the District Foyer. A monetary donation of \$1,000 will be given to the club, organization or charity of the winner's choice or can be used in the form of a bursary.

Deadline for nominations is April 12, 2019.

Let us recognize the youth in our community! Nominate that special someone that is always volunteering in your club, organization or event and show them how much they are appreciated!

2019 Business License

Reminder... Business License Invoices are due upon receipt.

If not paid by **March 15th** you will need to **re-apply** for your license.

Should you have any questions, please contact the District Office at 250-783-9901

The 2019 Business License statements have been mailed out. If you no longer require your Business license, please call the District Office to have your license cancelled. If you do not have a business license or are unsure if you require one, please stop in or email rhonda@hudsonshope.ca for more information.

Bylaw No. 504 clearly states "that no person shall carry on, within the Municipality, any business unless he or she is the holder of a valid and subsisting license issued to him or her under the bylaw by the License Inspector and shall pay therefore, to the License Inspector, the sum stated in the bylaw". The annual cost for a business license is \$50.00

If you are operating a business without a license, you are in direct violation of Bylaw No. 504.

A "business" is defined as any activity in which you receive monetary compensation for any services that you may provide within the community.

2019 DOG TAGS Now Available

Reminder....

2018 Dog Licenses
expire on December
31st.

Why Should I License My Dog?

In case they get Lost....

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

It's Easy and Inexpensive

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

Reduced Fines

The Fee for a dog picked up at large is \$60.00. There is an additional fee of \$60.00 if they are not licensed (this does not include any boarding fees, if applicable).

Canada Reads 2019 – Once again, we have all five Canada Reads finalist titles in our collection! To be fair to the many patrons who would like to read these titles before the debates take place, March 25-28, we will have the following rules set specifically to these 5 books until their popularity dies down:

- loan period is 3 weeks maximum, no renewals
- only 1 of the Canada Reads titles may circulate to a patron at a time
- once notified of your hold, it will only be held for 3 days until the next hold in line is honoured (you will be added to the end of the hold queue).

The titles in the Canada Reads completion this year include *The Woo Woo* by Lindsay Wong, *Brother* by David Chariandy, *By Chance Alone* by Max Eisen, *Suzanne* by Anais Barbeau-Lavalette and *Homes* by Abu Bakr Al Rabeeah.

If the title that you would like to read is circulating, please do not hesitate to contact one of our librarians to put a hold on the title for you.

Did you know...

- You can see the status of your holds online? Go to our website, log on to “My Account” and you can see both physical and electronic (from Overdrive) *Items on Hold*, *Items Checked Out* and *Items Ready*. By clicking on the Holds tab, you can see the Status of your hold, for example it might say something like “waiting for copy Hold #1 on 1 copy”. If you have never logged in to your patron account before, please contact one of our librarians for your temporary password.
- We post information about upcoming events and program themes on our Facebook page? Check it out and like our page to stay up to date! <https://www.facebook.com/pg/hudsonshopepubliclibrary/posts/>

Shellie Howard, Young Adult Programmer

Lego Club – This month we will be building a rainbow with a pot of gold and a four-leaf clover with a leprechaun! There are only two Lego Club Mondays in the beginning of March, as the school will be on spring break and so will our programs. You can still come play with Lego during the break, just pop in the library for a building escape.

Tween and Teen Club - Our latch hook rugs have come in, so we will get started on the first Thursday in March, which is our regular craft night. We ordered a few extra kits, which are available on a “first come, first served” basis. Most of our regular attendees have chosen their patterns already! If all of the latch hook rugs are spoken for, we have a couple of rugs that are started already that tweens and teens can work on, so the more the merrier! The second Thursday will be movie night! Movies TBA. Popcorn provided by NPSCU!

Young Adult Collections - We have many new audio books for Tweens and Teens so if you are travelling over spring break, maybe try an audio book while you travel. Some audiobooks that we have in include popular series such as Harry Potter, Hunger Games, Twilight and Divergent.

Gerri Bird, Children's Programs

There will be two weeks of Children's programs at the beginning of March, and then children's programs will be taking a spring break, programs resume in April.

After School Club - In February, we started an exploration through our emotions! Each week we will work our way through a different emotion, leading up to watching the animated movie that is based on emotions...*In and Out!* There is an early dismissal day from school on March 13th, so club will start an hour early and run through to our regular end time at 4:30. Popcorn provided by NPSCU!

Story Time - We will be continuing on our journey through alphabet!

Children's Collections – Have you tried one of our felt story theme bags? For example, our *Alphabet Theme Bag* contains the book *Alphazany*, a felt board and felt story pieces for the *Chicka Chicka Boom Boom* story.

Item Donations – Thank you for the following thoughtful donations.

DOHH – paper shredder

Cassie Stark – 1 adult DVD/Blu-ray and extra Blu-ray cases

Lorna Winnicky – 3 trade paperback fiction titles

Also a big thank you to **NPSCU** for providing the popcorn machine for our programs on their special movie days this month!

Early Learning Tip March

School District 60 wants you to know...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

- go outside in all seasons
- Encourage a variety of physical activity
- Explore & investigate nature
- Provide structured & unstructured playtime
- Talk about what is seen/heard/smelt/felt

Why? Quite simply, outdoor time is good for children. They engage more in active play when they are outside. Outdoor time provides exercise; enhances imaginative & creative play; promotes problem solving & leadership skills; reduces anxiety; improves mood, concentration & focus; develops stronger immune systems; and helps children interact with & understand the natural world around them. Thank You Deb

It has been said that you can't keep a secret in a small village. Well that just isn't so. Deb Green gave me a surprise party on my 90th birthday, at On-The Rim, and it was, for me, a complete surprise!

Thanks to all you kind folk for coming and wishing me well, and sharing with me a coffee and a piece of that huge delicious cake.

My gratitude to all that had a hand in making that a most memorable day.

Thank you Lucia for the great birthday card your made—the art work is excellent. With all the signatures this card will be a much looked at memento of my momentous day.

And Deb, as I have told you before, you are one tough act to follow—you are truly an awesome person.

Thanks for the memory.

What a lovely little village we live in.

Love Ya All!

BC Hydro Generate Opportunity (GO) Fund of \$800,000 over eight years.

This fund was established in 2016 and targets non-profit organizations serving communities impacted by Site C. The fund is administered on behalf of BC Hydro by Northern Development Initiative Trust. Grant review and decisions are made by a committee composed of two representatives from each of the impacted communities, Fort St. John, Hudson's Hope, Taylor, Chetwynd and Electoral Areas B, C and E.

Applications are accepted continually throughout the year but reviewed quarterly. The next review/intake is February.

To date, three Hudson's Hope organizations have been awarded grants and the district council would like to see many more as our community is the most impacted. We are encouraging your organization to apply.

WE HAVE A GRANT WRITER FREE OF CHARGE AT YOUR SERVICE!

Congratulations to the HHESS Wrestling Team. Our students competed in the "Zones" tournament in Prince George on February 9th, and had a strong showing. All participants qualified for the Provincial Championships in Langley, which took place on February 17th. Bella Lucas Jarnagin and Xavier Beam participated in Provincials. They both competed hard, and Bella also won one of her matches. A fantastic experience for these students. Thank you so much to Coleman Mercereau and Peter Douglas for volunteering so many hours to give our students such amazing opportunities. Congratulations to all of our wrestlers for an excellent season: Taylor Rowe, Pasco Weder, Bella Lucas-Jarnagin, Xavier Beam, Nero Weder, Carson Gunderson, Lucas Beam, Ginger Lucas-Jarnagin, Sean Hodgkinson, Leland Douglas, and Logan Trask.

Congratulations to some of our local ski-competitors. Brynn Beswick, Gemma Swanson, and Hadley Gilliss competed in a competition in Smithers over the Family Day weekend. This was Brynn and Gemma's first competition, and they skied really well! Hadley won 3 bronze medals. Also there was a "Ski to Town" event, which included a prize for the person who picked up the most garbage. Brynn won (pretty awesome since there were about 140 kids taking part). Way to go HAWKS!

Skills Canada Competition, Dawson Creek - On February 22nd we had a number of students participate in numerous events, including the Spaghetti Bridge Building Competition (Brynn Beswick, Billie Naisby, Riley Haagsman, Cole Schafer), and "Try a Trade" (grade 7 students). Congratulations to our students for representing our school, and learning a variety of skills in the process. Thank you Ms. Baytaluke for taking students on this exciting field trip!

Work Ethics Honour Roll. Congratulations to the following students for earning their way onto the Honor Roll for Semester 1, Term Two. These student were also provided with a fun recognition activity (a trip to Powder King). Great work HAWKS!

Grade 7

Lucas Beam, Trinity Coombs, Oksana Gortman, Samantha Matus, Cole Norton, Annika Quibell, Eva Schenk, Angela Simpson, Haden Fieber.

Grade 10

Dylan Beswick, Josh Deitner, Dina Gortman, Josh Kisser, Bella Lucas-Jarnagin, Kacey MacNeil, Wren Naisby, Emma Ravenello, Cassidy Reschke, Brenna Rice, Tanis Weatherbee.

Grade 11/12

Zack Deitner, Taylor Rowe, Dimitriy Gortman, Jacob Kylo, Skyler Paice, Sean Rice, Olivia Weatherbee, Zury Reschke.

Hands-On Numeracy. Our school has applied for, and received a grant to focus on "transferring" numeracy skills that are taught in the classroom. For the next 10 school months, students will be working in pairs to reinforce a variety of concepts (such as measurement, units, ratios, fractions). The great part is HOW students will be reinforcing these ideas...through baking and creating snacks! We have already started this program, and students are greatly enjoying the activities!

Art work: Many of Mrs. Baytaluke's secondary students have been creating some beautiful art work as part of our "Friendship February Theme". Also Mrs. Scott's students have shared some beautiful art-stories. The paintings and quotes have really brightened up the halls!

Creative writing: Miss Mee's Creative Writing Student's have been involved in a really interesting writing activity, which involves illustrating a life-sized character, and then building a story around their character. The drawings they have created so far look fantastic!

Did you know?... Many of our secondary students choose Peer Tutoring as an elective block? During this course they learn valuable teaching skills, and also provide excellent one-on-one, and small-group support for our elementary students. Students also build strong relationships, and foster the concept that the "big kids" in the school are actually "big friends". Mr. Heiberg's Fitness and Conditioning students also teach mini-units to the elementary grades, providing small-group activities that reinforce both skills, and relationships. Just a few of the unique benefits of a K-12 school!

Did you know....Hudson's Hope School is a "Classroom Champions School"? Our sponsor olympian this year is Mimi Rahneva. She is Team Canada Olympic "Skeleton" competitor. Mimi will be visiting our school on April 5th. Our students are all very excited to meet her in person!

Good luck to our students who will be entering their popsicle stick bridges into the "Association of Professional Engineers and Geoscientists of B.C." annual Popsicle Stick Bridge Building Contest, which takes place on March 9th. Mrs. Baytaluke, and her students have taken some time to add some "bling" to their projects this year, with some artistic flair. Good luck HAWKS!

"The greatest gift to give in this era is your time"

DISTRICT OF HUDSON'S HOPE COUNCIL NEWS

It's been another busy month for council and staff.

Nice to see our various council committees up and running. They serve an important bridge between the community and council and form an essential part of council's decision making process. Thanks to all those who take the time to participate, your efforts are appreciated and do make a difference.

Rural Roads Task Force (RRTF) members met with Ministry of Transportation and Infrastructure (MOTI) senior officials in late January. Many regional road concerns were discussed, two of which have important impacts for our community.

The Farrell Creek Road and slide remains a top priority for the RRTF. According to MOTI the last geotechnical work that had been completed on the hill was done in 2005. Currently new geotechnical information is being collected which, when analyzed, will provide options for future road improvements. Unfortunately this process will take some time. In the mean time, MOTI will maintain road access as best they can. It is apparently still a very active site.

The Beryl Prairie Road is also an important priority. MOTI has committed to enhanced maintenance, including dust control for 2019.

Did you know that Hudson's Hope is part owner of the North Peace Airport? Well we are, along with the District of Taylor, City of Fort St. John, and Electoral Areas B and C, we form a Society which is responsible for overseeing the operations and management of the airport.

Over the past several months the Society has been transitioning away from the Regional District and taking a more active role in the financial and policy management of the airport. It's been a lot of hard work, but this transition is virtually completed.

It's important to note that the Society has hired a private contractor, North Peace Airport Services, to operate the airport. The Society and Operations have been working closely together to run an efficient and sustainable airport. To date, no tax dollars from the member owners has been needed. The Airport Improvement Fees which passengers pay to use the airport have been sufficient to cover operational and capital costs.

Passenger numbers remain impressive, in the 260,000 annual range, with direct flight connections to the United States, Asia, and Europe. Also convenient daily service to Edmonton, Calgary, Vancouver, and Prince George.

For a small airport, we are one of the best in Canada!

As always, feel free to contact me or any councillor if you have any concerns or questions.

Mayor Dave Heiberg

DISTRICT OF HUDSON'S HOPE PUBLIC WORKS NEWS & VIEWS

Hello. It has been two months since I joined Hudson's Hope in the role of Public Works Manager, and despite the weather I have received a warm welcome from all those I have met. In the past 30 years I've worked on the prairies and in the great lakes area, so the cold and snow are not new to me. I must say, though, the scenery here is stunning and I'm looking forward to the other three seasons.

Through this missive, I am hoping to provide you monthly updates on the activities within the Department, what we have achieved and what we plan on doing in the next month or two. I also may add some tips on public works or vehicle care. This month's tip is on how to defrost your car windows quickly.

Since my arrival, it seems that it snows on weekends and is clear during the week. Your crews are doing their best to plow the snow from the roadways, sidewalks and parking lots, while avoiding excessive overtime. It takes about one (1) day to plow the roads for the average snow fall but we do occasionally get behind. Sidewalks, secondary roads and some parking lots will be cleared on the second day of our winter maintenance activities. We are reviewing and updating our winter maintenance policy. If you have any concerns or comments, please let me know.

In early January, we noted an unusually high level of water passing through the reservoir. We found the source of the water use in a broken service connection. Plans were made and the repair was completed during the second week of February.

The Beattie lift station collects the sanitary sewage and pumps it to the lagoons. Upgrades are needed for this vital infrastructure. This work is planned for 2019 and engineering designs are being prepared now. We have applied for a Federal/Provincial grant to cover the estimated \$300,000 cost. Further details will be provided when known.

Although we are still gripped in the midst of winter, work is underway to ensure another successful swim season. The pool liner will be repaired as soon as the temperatures warm up and the snow melts from the pool deck and basin. We will also be installing a new chemical control unit to better monitor the chlorine levels in the pool water. This, hopefully, will give us less out-of-service hours than in the last couple of years. Now we just need the sunshine and warmer temperatures so we can start the work, and you can go swimming or relax on the deck.

Speaking of warmer weather, we have a new playground structure for Beryl Prairie. This will be constructed once the snow has melted and the ground has dried out. The playground structure will be located behind the Beryl Prairie fire hall. Look for it in the spring.

Defog & Defrost Car Windows Fast with these Tips:

1. Turn your heater on. Start your engine, and using the defroster setting, crank the heater up all the way to absorb excess moisture within your vehicle. Remember: Hot air can hold more moisture.

2. Press the A/C button. This may sound counterintuitive to the whole heater thing, but really what you're doing is activating a setting on your car's A/C system that helps dry the air within the cab faster with the help of the coils in your A/C system.

3. Turn air recirculation off. You need fresh air to enter the car as well. Winter air is cold, and as it does not hold much moisture, it is dry. Bringing it into your car ups absorption capacity to more quickly dry the saturated air trapped within.

4. Crack your windows. This helps exchange the humid air in your car with dryer outside air, speeding up the process.

5. Defrost Windows. While the above defogging action is taking place, de-frost your windows. This is an entirely separate process that should NEVER (EVER) include hot water. Defrosting quickly takes a minor amount of pre-planning but saves a snow-capped mountain of headache later. If you can't stand scraping, put together a [simple solution](#) of 2/3 cup Isopropyl or rubbing alcohol and 1/3 cup water, pouring the mixture into a spray bottle. This solution will not freeze (rubbing alcohol has a freezing point of 138 degrees below freezing), and can be stored easily in your car, allowing you to easily spray away windshield ice wherever you're stranded.

Police Report: FEBRUARY 2019

Hudson's Hope RCMP Detachment responded to approximately 22 calls for service in January.

Of note this month were the 6 motor vehicle collisions that were reported to police. Please let this be a reminder that the road conditions continue to vary and as a result, ice and snow accumulate and affect the conditions of the roads.

Because of the risks associated with the road conditions at this time of year, traffic enforcement continues to be high priority for the Hudson's Hope RCMP. Upwards of 60 drivers were stopped for various violations under the Motor Vehicle Act. Speed is among the highest offences.

As temperatures will begin to rise in the next few months, drivers are reminded to be aware of shifting temperatures which may result in conditions changing between melting and freezing throughout the day.

Wearing seatbelts and following provincial and federal guidelines for securing child restraint systems save lives, so please always buckle up

before putting your vehicle in motion.

Anyone with information regarding current or past investigations, or any criminal activity, is asked to contact the RCMP directly, or anonymously through Crime Stoppers at 1-800-222-8477.

The Hudson's Hope RCMP is still seeking volunteers for the local Speed Watch program which will commence in the spring. Anyone interested in participating in

this program can contact the local detachment, 250-783-5241, to learn more. The Speed Watch program is not an enforcement campaign, but a statistical and awareness campaign. It provides a visual aid to motorists reminding them of their speeds, as well as tracks the number of speeding vehicles in certain areas which assists the RCMP in identifying areas where speed enforcement may be needed. Volunteers do not stop vehicles nor interact with drivers.

Cpl Brendan Harkness, Hudson's Hope RCMP

The Friends of Hudson's Hope Society wishes to extend a huge thank you to the people of our community and visiting industry employees for all your support this past year.

Whether it is donating items to the Thrift Store & Food Bank, shopping at the Thrift Store, using the Laundromat or the giving of cash donations you have contributed greatly to our programs.

We are proud to work within our community providing these programs: Year round operating Food Bank, Christmas Hamper Program. Medical travel, treatment and prescription financial assistance, Medic Aid (911 responding units), Addiction & Disability support and services, Disaster Relief. Give us a call we are here to assist you.

This year we were able to bring Christmas to 16 families in our community. Thank you everyone for helping us do this. Special thanks to our wonderful elf Angie for her hard work.

Many thanks to our generous Christmas Hamper sponsors: David Anderson Macro Construction Inc, BC Hyro GMS, BC Hyro Peace Canyon, BC Hydro Construction & Contract Management, North Peace Savings & Credit Union, Mary Brereton, ARC Resources, Steve & Grace coffee sales, The Lions Club for all the socks and Suzie Bach's grade 1 & 2 classroom for your Christmas carols. What a joy it was to hear to you all sing. A big thank you to Federal Ranch Enterprises, Mark Hodgkinson and Moe Henry for your donation of snow removal. We sure appreciate your hard work.

Dear Valued Library Supporters,

Due to scheduling complications, we will not be able to hold our library fundraising dinner this year. We are sad to have to come to this decision but we do not want to conflict with the efforts of other organizations when fundraising throughout the remainder of the year. Our Taste the World Dinner fundraiser will return in 2020!

We will be having our Home Based Business Event, which will coincide with the soccer tournament here in Hudson's Hope! Our focus for fundraising this year, is to earn funds that primarily support operational initiatives.

In 2018, through generous donations such as yours, we surpassed our 2018 fundraising goal of \$13,500.00. Through fundraising events, grants and individual donations we were able to support library programming and we will be updating much of the public furniture throughout the library!

Operational support provides funding for our ongoing children's programming, which includes;

- StoryTime for parents and tots
- Lego Club for all ages
- Library Club for Kindergarten through Grade 4
- Tween Club for ages 9-12
- Teen Club for ages 13 and up

In 2019, our fundraising goal is \$12,000; \$7500 for supporting operations and \$4000 to allocate towards our technology upgrade plan for the library. Thank you for considering the Hudson's Hope Public Library when making your annual charitable donations in 2019.

Sincerely,

Amber Norton
Library Director
On behalf of the Hudson's Hope Public Library Board

River of the Peace Metis Society

COMMUNITY REPORT

Peace River Hydro Partners delivered three new computers to our President, Valerie Paice for the River of the Peace Metis Society office located at Pearkes Centre. This generous donation will allow us to assist our members and the general public in searching for employment and career opportunities, renewal of tickets for job requirements and education and grant research. This will be a wonderful help for our members and community. Thank you again to PRHP.

- We are presently working on two different proposals to help our membership. We are hoping these will be successful.
- We are currently working on ideas to help fund our Society (possibly a monthly bingo game, etc.) Possibly a fishing derby in the summer, weather permitting.
- We have nominated our member, Ramona West, as our Women Rep for River of the Peace Metis Society. Ramona also is our Vice President.
- We are attending regular Site C meetings with the Cultural & Heritage Resources Committee and continue working towards a common goal with Treaty 8 towards signage promoting and educating the public about Treaty 8 peoples and lands.
- We have partnered with Greta Goddard, whom is proficient in grant writing, to help with our various functions and funding applications.
- We now have new office hours which are Monday & Thursday from 10 am to 3 pm.

Our phone number is 250-783-2034 and email – riverofthepeacemetis@gmail.com
Respectfully:

President Valerie Paice

On The Rim

On the Rim is something of a home away from home. Because of the restaurant, Debbie knows pretty much everyone in town. She has had regulars who have come in daily or weekly for years, and to her they are much more than customers, they are true friends. "We know what is going on in their lives, good or bad," Debbie says. She is devoted to her business and deeply grateful to her customers for how they have supported her over the years.

Altogether, Debbie has lived in Hudson's Hope for over 25 years and she feels very comfortable here. "Our kids went from playschool right through to graduation here," says Debbie. These days, she adds, she likes to spend her time outside of the restaurant with her grandchildren. As a fan of the outdoors, she enjoys camping and fishing and hanging out at Cameron Lake, something that she has done since her own children were young.

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. As we burrow out from a cold and snowy winter, let's hope that March comes in like a lion and out like a lamb!

March is quiet for the Lions Club but we do have a few events coming up in April and May. In April the Lions Club sponsors and helps out at the annual Jam Can where the school kids get to try their hand at curling. In May we host the Mother's Day Steak and Lobster Dinner. It's a great opportunity to treat your Mom or yourself to a scrumptious dinner.

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

Hudson's Hope Health Care & Housing Society is a **charitable non-profit organization** that owns and operates Silver Willow Court. This housing provides ten homes for low-income seniors who love calling this wonderful community their own. 😊 **We need your help** with **FUNDRAISING** this winter in order to work on projects for the facility and programs for the tenants and community:

- ☑ **The Lunch Program** is the brain child of Grace Okada, who has been organizing and often delivering lunches for the last 7 years! It is cooked in the Women's Club community kitchen and served in the common room of Silver Willow Court. **Everyone is invited** for the delicious meal!
 - ☆ Thank you to all the cooks and dessert makers including: Grace, Taffy, the Hudson's Hope School along with Mary's team of volunteers.
 - ☆ Many thanks also to our generous local sponsors: *Butler Ridge Energy Services, W6 Contracting, Beattie's RV Park* and other individuals.
- ☑ **The Patio Project** is spearheaded by the tenants to improve the outdoor patio area, so there's a pleasant space for relaxing and socializing with other tenants, family and friends in the summer time.
- ☑ **The Window Replacement Project** is required to replace all the original 1980's windows in the building. Many of the windows have lost their seal and the hardware is aging making them often difficult or impossible to operate. This is a **"big ticket item"** and so we are looking to fund raise at least \$46,000 by Spring 2019. So far we have raised only \$6,300!
 - ☆ Many thanks to Dave Kylo (volunteer of the year award); *The Sportsman's Inn, Allteck Line Contractors* and *Macro Industries* for their generous donations.

Please make a **TAX DEDUCTIBLE** DONATION TO THE SOCIETY AND HELP US ACHIEVE OUR FUNDRAISING GOALS (receipts given)! Your hard earned money will be used to improve the Silver Willow Court facility and improve the quality of life for our senior community

Thank you ❤️

Cameron Lake Outdoor Education Center

The Cameron Lake Outdoor Education and Environmental Studies Center is owned by School District 60 and is available for use by all district staff, pupils and public where such uses are compatible with the outdoor education curriculum objectives.

The Center is located in a natural Boreal forest setting on the shore of Cameron Lake, 25km south of Hudson's Hope on Highway 29.

The Center is suitable for a variety of events, such as private family rentals, weddings, banquets, reunions, paid events, camping, recreation and more.

In and surrounding the property are 27 km of hiking trails giving access to 3 accessible lakes. 11 km of the trails are designated as groomed cross-country ski trails. Cross-country ski trails are available for use by the public December and January. Visit the website for more information.
