**Canada Reads 2019** – Our Canada Reads shortlist titles are still quite popular so circulation limits may still be in affect while these titles remain on display in the library. The shortlisted titles that were in the Canada Reads competition this year included *The Woo Woo* by Lindsay Wong, *Brother* by David Chariandy, *By Chance Alone* by Max Eisen, *Suzanne* by Anais Barbeau-Lavalette and *Homes* by Abu Bakr Al Rabeeah. If the title that you would like to read is circulating, please do not hesitate to contact one of our librarians to put a hold on the title for you.

### **Did you know...**

- our very own Young Adult programmer, Shellie Howard, has been responsible for choosing the young adult collection for the BC Libraries Cooperative's Library2go for well over a year? This program purchases eBooks and eAudiobooks through Overdrive. These are the same electronic resources that you can see when you access our library catalogue. You can access titles in this collection through our website or through the "Overdrive" and "Libby" apps. Shellie's involvement in this program has resulted in a significant increase in readership across the province in the young adult titles available through this initiative. Awesome job Shellie!

### **Shellie Howard, Young Adult Programmer**

## Early Learning Tip April

School District 60 wants you to know ...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

### Independence means ...

- \* **having** a voice and making choices
- \* **providing** opportunities for eating or dressing without help
- \* **encouraging** putting away toys or clothes, helping set or clear the table

Why? When children are verbally capable of expressing many thoughts, feelings and needs, they are ready to take bigger steps toward independence. Encouraging children to "do it themselves" helps develop a healthy self-esteem. When children can do things on their own it gives them opportunities to help or teach other children. A child who is independent will feel confident, especially when you are not there.

# Community Co-op Market

Spring Community Co-op Market  
Wednesday, April 3<sup>rd</sup> to April 13<sup>th</sup>

The market will be open weekdays from 3pm–6pm  
and Saturday from 12pm–3 pm.

This Market oozes coziness and warmth, and offers a relaxing indulgence with friends. Thanks to all the vendors and all those who came out to support the Market. We are really trying to establish this Market as part of our community, so it's exciting to be able to offer another market.

The Community Market is like having your own store front. It's a more permanent place to sell your products, gently used goods included, advertise or display your items without having to pack up after every day. If you are interested in setting up as a vendor for the 10 days or just one day, we can accommodate both. The Market operates on a sharing concept.

Operation procedures, rules and rates, and open market times will be determined by members. We share the responsibility so that vendors do not have to be there every day, but their goods are taken care of and sold for them. Rates are extremely reasonable and vary depending on your needs. We are trying to make this affordable and cost effective for vendors.

We also have a space available for rent that's perfect for small group activities: like a craft workshop, or spa area.

So drop by for a coffee and homemade goodies, browse, and check out the Hudson's Hope Community Co-op Market.

Location: St. Peter's Church Hall, 9500 Beattie Drive

For further information, to book space, please contact

## Hudson's Hope Elementary-Secondary School

**"PI-Day"** - Our senior math students enjoyed celebrating "PI Day...on March 14th (3.14) which is the ratio of the circumference of a circle to its diameter. Thank you to the many students, parents, and staff who contributed to the celebration!

**Cruisin' Day** - On March 9th we enjoyed our final Cruisin' Day of the season. It was a beautiful day on the slopes, and everyone had a fantastic day! Thank you so much to organizations who have supported Cruisin' Days for so many years now (B.C. Hydro, The Lion's Club, The District of Hudson's Hope, The Hudson's Hope School PAC). It's now been 20 years that this program has been running!

**Hands-On Numeracy** - Mrs. Reschke's class recently completed a unique activity to explore fractions. The students were given a number of imperial wrenches of varying sizes ( $1/2"$ ,  $9/16"$ , etc.). They discussed the units of measurement, traced them out according to size, and placed them in order from smallest units to largest. Fun stuff!

**April events** - We are looking forward to two "big" events next month, including Jam Can Curling on April 1st, the Regional Science Fair on April 9th, and the Regional Heritage Fair on April 24th.

## RECYCLING

**Did you know** that PRRD changed their system

last year so that plastic bags and other recyclable soft plastics need to be put in different bins than before?

Instead of putting them in the usual bins for plastics #1-7 and tin, they now need to be put in one of two new bins - located on the south end and along the west side of the rows of blue bins.

A lot of people aren't aware of this change though because it wasn't really advertised, the signs on the old bins didn't change much and the new bins are hard to notice unless you're looking for them. Hopefully we'll receive some additional yellow bins from PRRD soon, as the two we currently have do not meet our needs.

Check out the RecycleBC guide pictured below to see what kinds of soft plastics are actually recyclable and what kinds are not.

Many other kinds of flexible plastic packaging are still recyclable but need to be dropped off at a recycling depot, like at Recycle-It Resource Recovery in Fort St. John.

## **DISTRICT OF HUDSON'S HOPE PUBLIC WORKS NEWS & VIEWS**

As I write this the weather is getting warmer and we are all itching for those spring and summer activities, grass cutting, weeding and cleaning the gravel from our lawns. February was a busy month for our crews, it always seemed to snow on a Friday or Saturday making snow clearing a weekend activity, although we were able to get away from the overtime in the last few weeks. This was offset, however, by the discovery of our water leak close to the reservoir and a frozen sewer brought to our attention by a diligent resident.

### **Water and Sewer Works**

The water leak, which we first advised you of through a PSA in January was discovered after a resident informed us of an emerging pond in an easement west of the reservoir; the end of Ardill Street. Upon investigation and excavation District personnel found a broken curb stop (shut off valve). The excavation allowed replacement of the damaged connection with little disruption to the overall water system. The work was completed during normal business hours with the assistance of a local contractor.

On the last weekend in February, we were advised of a sewer blockage on MacDougall Street. Crews worked through the cold weekend and were able to clear a frozen section on Sunday morning. The photo on the left shows two of our staff working hard to clear the blockage on the frozen Saturday afternoon. Thank you to all the staff who are relentless in providing great service to our community.

### **Disposable Wipes**

During the week of March 4<sup>th</sup>, we experienced a second sanitary sewer blockage. For your benefit and the benefit of all sanitary sewer users, be careful what you flush. Newer styles of flushable wipes are truly flushable as they are made of a fibrous material similar to toilet paper, but other styles of wipes and the majority of baby wipes are not.

A recent study in the United States showed that most items causing blockages were non-flushable paper and garbage like disposable hand towels (34%), baby wipes (38%), cosmetic and surface wipes (19%), and feminine products (7%). If you are not sure, please throw them in the trash. A clogged sewer line on your property may cost you a significant amount to repair and the District has no obligation to repair blockages beyond the property line.

### **Spring Activities**

Hopefully, we have seen a turn in the weather, and we can start planning and working on our spring clean-up and some of the spring works that contribute to the beauty in the community. Council has considered the budget and we have enough direction to move forward with various projects. Community Spring clean-up will proceed in the fourth week of April. Please register and obtain your item stickers at the District Office. We will not enter properties to collect large items, nor will we be collecting regular garbage as part of this spring clean-up. Your regular household garbage will be collected as per your normal schedule.

At the end of April or beginning of May we will start working on the pool in preparation of another summer of swimming. Subject to liner repairs and other opening duties, the pool will open on the Victoria Day weekend.

**April 28, 2019** is the National Day of Mourning to recognize fallen workers.

**May 11-18, 2019** is National Public Works Week to showcase Public Works in Hudson's Hope.

### **District of Hudson's Hope Officer Bylaw No. 903, 2019**

Council adopted the '*District of Hudson's Hope Officer Bylaw No, 903, 2019*' at the Regular Council Meeting held on March 11, 2019. This Bylaw establishes officer positions and sets out the administrative structure under which the business of the District shall be conducted.

# Police Report: MARCH 2019

Hudson's Hope RCMP responded to approximately 40 calls for service over the last four weeks. The Hudson's Hope RCMP continued efforts to maintain public and road safety by conducting several check stops in conjunction with Motor Vehicle Act enforcement. With the weather improving, more animals are travelling along and across local roads and highways. Please use caution especially during periods of reduced visibility.

On February 27<sup>th</sup>, 2019, Hudson's Hope RCMP responded to a call regarding a deer with a wooden stool stuck on its head. Police made several attempts to get close to the deer to offer assistance however were unable to make contact. Local BC Conservation officers were advised and are monitoring the incident. Locals are asked to secure their outdoor furniture and ensure their property does not contain anything harmful to wildlife.

On March, 13<sup>th</sup>, 2019, Hudson's Hope RCMP responded to a collision involving two logging semi-tractor trailer vehicles. The two trucks collided on a sharp corner. One vehicle received minor damage and the other received substantial damage as it collided with a bridge guard rail after the collision. The occupants were not seriously injured. One driver was issued a violation ticket for failing to keep right and the matter was referred to Commercial Vehicle Safety Enforcement (CVSE) and ICBC for further follow up.

With May long weekend approaching, Hudson's Hope RCMP wish to remind outdoor enthusiasts to be cautious while participating in outdoor activities such as riding off road vehicles (ORV) and marine vessels. Police will be increasing ORV, marine and Highway patrols during the long weekend and strictly enforcing all licensing and safety requirements to ensure a safe weekend for all. As always, enhanced targeting of impaired operation of vehicles and vessels will be a primary focus for police throughout the weekend.

**FROM THE  
LIONS DEN**

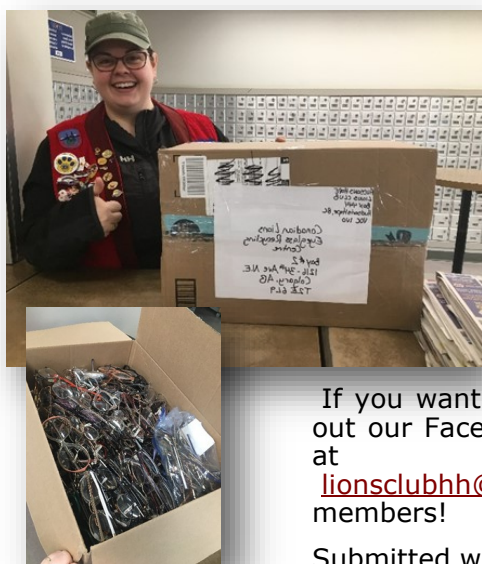

Hello everyone and welcome to the Lions Den. Spring is finally here and the days are getting longer. I hope everyone enjoys the Easter weekend and that we aren't doing the Easter Egg hunt with a snow shovel.

We have a few upcoming events. On April 1, the Lions Club sponsors and helps out at the annual Jam Can where the school kids get to try their hand at curling. May 11 is also a date to mark on your calendar for the Mother's Day Steak and Lobster Dinner. It's a great opportunity to treat your Mom or yourself to a scrumptious dinner.

National Volunteer Appreciation Week is April 7-13. Nominations close April 12 for the Hudson's Hope Volunteer and Youth Volunteer of the Year. Check out <http://hudsonshope.ca/> for the nomination forms. The awards and Volunteer Appreciation event will be coming up this summer so stay tuned.

As you may well know, Lions are known worldwide for their work to improve the lives of the visually impaired and prevent avoidable blindness. Helen Keller developed a fever at 18 months of age that left her blind and deaf. In 1925 she attended a Lions Club Convention and challenged the Lions to become "knights of the blind in the crusade against darkness". The Lions accepted the challenge and have worked hard since then to help the visually impaired. A new program called SightFirst was

launched in 1990. Since then, they have helped 30 million people improve or restore their vision and invested \$553 million to extend services worldwide. The Hudson's Hope Lions Club would like to extend a heartfelt thank you to Marlise Eichmann for her generous donation of eyeglasses from Hans's Optical Business. These glasses, along with the Lions eyeglass donation boxes around town totaled 382 pairs that will be sent to underdeveloped areas to help those with vision impairment. Thanks to everyone!!

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at [lionsclubhh@gmail.com](mailto:lionsclubhh@gmail.com). We are always looking for new members!

This season has been a great success for all of our skaters. We had 48 skaters join the club this year. It was a busy year for our skaters. In November, Wren Naisby and Dylan Beswick attended a high test day in Dawson Creek and both passed all of their tests. In February, our StarSkates (Wren Naisby, Brenna Rice, Brynn Beswick, Billie Naisby, Davida Naisby, Penelope Mercereau, Stella Matchett, Madison Beebe, Halle Beebe, Alina Baher, Brigid Rhymer-Stephenson, Laynee Goettoemoeller and Gemma Swanson) competed in the Totem Competition in Dawson Creek. They all performed well and represented our club and community proudly! Also in February, we sent skaters to another high test day with Wren Naisby, Dylan Beswick and Brenna Rice again passing all of their tests. The StarSkaters complete testing in-house throughout the year and we are excited for all the progress these skaters are making.

Congratulations to Brenna Rice who won the Skater of the Year Award. Brenna really has worked hard this year on her skating, is always helping with the younger skaters and has been a pleasure to have as part of our club!

Congratulations to Esmae Matchett who won the CanSkater of the Year Award. This is the first year of this award which is award to one of the skaters in the CanSkate Program. Esmae shows up to every practice with a willingness to learn new skills!

And Congratulations to Madison Beebe who won the Spirit and Passion of Skating Award. This is a special award for someone who is passionate about the sport, shows up to every practice with a positive attitude and is a role model for the other skaters! Madison really embodies these qualities and she is a joy to have on the ice!

We finished up our season with our "Welcome to the Jungle" ice show which took place on March 9<sup>th</sup>! We hope everyone enjoyed the performances by all our young skaters. Thank you to everyone who came out to cheer them on and support our club.

We had some amazing raffles and sponsorship donations this year. A huge **THANK YOU** to the following businesses: Jeff Baher Trophy Hunting, Command Mechanical Ltd., Century 21 – Nicole Gilliss, Marg's Mini Mart, District of Hudson's Hope, On the Rim, Beryl Prairie Fire Department, Lip Sense – Cara Hudson, Hudson's Hope Museum, SugarPlums, Silver Icing – Roxanne Beebe, Tupperware – Serena Matchett, Bold Promotions, Pharamsave, Pampered Chef – Christina Reischel, Parthena Oils – Edith Rosa, Norwex – Meghan Cryderman, CNRL, Stella & Dot – Bonnie Willson, Mo's Kitchen, Once Upon a Basket – Joanna Schemenauer, Scentsy – Christina Reischel, Stillwater Inn and Suites, Sportsman's Inn, Homesteaders Health Food Store, North Peace Savings and Credit Union, Avon – Bonnie Pringle, Essentics – Britt Silk and Northern Hi-Lites – Lindsay Trask. Your donations to our club truly do help us keep this program running! If there is anyone we may have missed, we apologize and sincerely thank all of those that have supported our club during the carnival and throughout the year!

As our season comes to a close, we are happy to look back at all the accomplishments of the skaters. We hope to see everyone in the fall when our program starts again!

## SPRING BURNING

As the weather starts to warm up many folks are beginning to plan some spring-time cleanup activities including the removal of yard waste and debris. Please remember that under the Fire Protection & Life Safety Bylaw 775 which was adopted in 2010, no person shall light or start an open air fire within the District without first having obtained a Burning Permit from the Fire Chief or his designate. These permits are available at the District Office and can be issued for a onetime event or for an extended period of up to one year.

**The only time a permit is not required is during the following situations:**

- Burning refuse or garden waste only in an incinerator covered with a screen to prevent flying sparks and is approved by the Fire Chief
- The cooking of food using a portable barbeque apparatus
- Burning on privately owned lands or in developed campgrounds where fireplaces, stoves, and/or fire pits are provided and approved by the Fire Chief
- Burning by the Fire & Rescue Services for the purposes of training

**If you are contemplating an open burn:**

- Consider your options to compost, recycle, or haul the material to the Hudson's Hope Transfer Site.
- Be a good neighbour. Burn only when it will not affect the health and welfare of the community.
- Call the BC Ministry of Environment to check the ventilation index at **1-888-281-2992**. The index must be "good" for the day of the burn and "fair" or "good" for the second day of the burn.
- Check the wind conditions. If the wind is strong enough to carry sparks and embers to other combustible materials postpone your burn.

Remember that your burn must comply with the Environmental Management Act and the Open Burning Smoke Control Regulation as well as the British Columbia Wildfire Act.

Please remember these measures are in place to protect the health and safety of you and your neighbours. If you have any further questions regarding your burning activities please stop by the District Office to speak to Bob Norton the Director of Protective Services, or call 783-9901.
