Library news

Amber Norton, Library Director

Did you know...

- The District of Hudson's Hope is hosting a couple of movies in the park this summer and the Hudson's Hope Public Library Association will be providing the canteen. Please come out and support our fundraising efforts! See DOHH advertising for dates and times.
- The book club sets that we house for a multiple library federation undergoes a refresh every summer. Stay tuned to our website for a new title releases this month. There will be approximately 30 new titles to choose from for your book clubs. If you would like to start a new book club, come talk to one of our library staff to help get you started and introduce you to the reservation system for the book club sets.
- Regular reading through the summer helps children maintain or improve reading skills while school is out. When they join the BC Summer Reading Club, children are encouraged to read whatever they wish (storybooks, information books, even comic books!), in whatever language they feel most comfortable. They can also listen to someone else read or tell stories.

Mercedese Jeffries: Author reading at the library!

Local author, Mercedese Jeffries will be coming to our library to share about her new book on Thursday July 18th at 6:00 pm. See ad for more information about the author and her book as well!

Shellie Howard, Young Adult Programmer & Acting Children's Programmer

Summer Reading Club (SRC) is gearing up and will start during the first week of July! Shellie has many fun and exciting activities planned for each of the three age groups. Can you *Imagine the Possibilities?*

Family Story-Time SRC – aimed at parents & tots

Tuesdays from July 2nd to August 13th 10:30 - 11:30 am

Wednesday SRC – For children aged 5 to 8

Wednesdays from July 3rd to August 14th 10:00-11:30 am

Thursday SRC – For ages 9 to 14

Thursdays from July 4th to August 15th from 1:00-2:30 pm.

Once again, the Wednesday and Thursday groups will have a half hour of activity provided by the DoHH Recreation staff! Thanks Kaitlyn for this ongoing collaboration! Please note that the Thursday SRC is now in the afternoon rather than in the morning to better accommodate our staff schedule. Due to Provincial reporting for the SRC programs, we need to have a completed registration form each child that attends, even if you only plan on having them attend one session.

Item Donations – Much appreciation for the following donations:

Shellie Howard– 5 DVDs

Sharon Jackson – 3 adult books

Ginnie Searle – 1 non-fiction and 1 fiction

Mark Sture – 4 audiobooks, 4 paperbacks & 1 hardcover fiction

Lisa Moore – 1 adult book and a 3-binder printed statistics text.

Thank you to Fire Chief Bob Norton for once again providing his barbecue expertise for our program barbecue last month. Thank you as well for organizing the delivery of the barbecue as well as the chairs and tables and for donating Freezies for our YA club! Thank you Kaitlyn Atkinson for once again providing active games to engage our Library Club kids during their regular club time and throughout the BBQ! Thank you to Toni and Keiran Sandford for volunteering during our program wind-up barbecue. They provided the most amazing face painting! Thank you Toni for providing a delicious pasta salad. Thank you to Katie and Cole Norton for being willing to be “volun-told” to man the dessert table and for being the BBQ sous chef! Thank you to Tery-Lee Fieber for providing Cotton Candy. Thank you as well to our amazing board members who were also on hand to help with the barbecue and specifically, Winona Letendre for providing a lovely dessert tray as well. Thank you as well to former board member, Diana Jewan, for keeping tabs on the drink and salad table so that staff could keep it well stocked. Thank you to all of the patrons who helped to clean up afterwards, we really appreciate the help! Thank you as well to our amazing library staff for helping to organize the event and provide the yummy salads and veggie tray! We’re getting pretty good at this for only our second go round!

Check out our website at hudsonshope.bc.libraries.coop or call at (250)783-9414. Remember to like us on Facebook to stay up to date on current events!

Our Equine Studies class have been inviting younger students to join them at the arena. The E.S. students demonstrated some of the skills they have learned (haltering, saddling, bushing, cleaning hooves, circling, etc.). After some demonstrations, the younger students had an opportunity to give it a try themselves.

Indigenous Day - On June 10th, our students enjoyed a great afternoon of fun and education. Students were able to participate in a variety of activities and presentations, learning about Indigenous drumming, beading, Inuit Games, Metis and Haida culture, and much more. Thank you Mrs. Paice, and to the many volunteers who provided supplies (including a teepee), and most importantly for volunteering your time and expertise!

Our first choral music class has been a wonderful success. They (accompanied

by some supportive community members) provided a wonderful evening performance for parents and our community on the evening of June 10th. It was very enjoyable listening to our students perform in front of an audience. The class followed up with a performance to the entire elementary wing of the school (and many secondary students joined to listen as well). Way to go HAWKS!

District Track Meet: Congratulations to our elementary students who participated in the School District Track Meet on June 7th. The following students represented our school:

Tristan Beam, Austin Lepine, Stella Matchett, Abigail Redekop, Luna Weder, Broc Fortin, Addison Carruthers, James Gortman, Xander Hills, Tereza Schenk, Madison Beebe, Hadley Gilliss, Mike Gortman, Sheigh Siemens, Oro Weder, Brynn Beswick, Sam Hills, Billie Naisby, Vina Novin, James Redekop, Cole Schafer, Kayla Stuber, and Logan Koehn-King. All of our students competed very hard, with some amazing results. In fact, Hudson's Hope School won the **"Tony Atkins Most Improved School Trophy"**!

Below are a few highlights and top 20 finishers. Keep in mind that the students competing in the track meet are the top competitors of each grade level from **every elementary school**:

Luna Weder: 1st in 800m (with a 10 second lead), 1st in long jump, 2nd in 100m.

Sheigh Siemens: 2nd in 1500m, 4th in ball throw.

Stella Matchett: 2nd high jump, 7th in 800m.

Oro Weder: 3rd in 200m, 4th 800m, 9th long jump

Abby Redekop: 4th in ball throw, 7th in 60m dash

James Redekop: 2nd in high jump, 5th long jump, 8th ball throw

James Gortman: 5th long jump

Hadley Gilliss: 5th 200m, Hadley 15th long jump

Mike Gortman: 5th 60m dash, Mike 5th 400m, 14th long jump

Kayla Stuber: 6th ball throw

Tristan Beam: 7th in 60m dash

Vina Novin: 8th long jump, 17th ball throw

A huge thank you to Ms. Baytaluke & Mrs. Scott, Erika Weder, Roxanne Beebe, Jason Naisby, Serena Matchett, Trevor Beswick, and Renee Redekop for helping support our students during the Track Meet. Way to go HAWKS!

Our Principal's Work Ethic's Honour Roll students had a very enjoyable trip to Grande Prairie. We checked out (and stayed at) the College Dorms, expended a lot of energy at the Jump Yard, splashed around the East Link Center, and practised our laser skills at Laser Tag. Oh, and we shopped...and shopped...sigh. It was a great way to celebrate another awesome year. Way to go HAWKS!

New Zealand Cultural Exchange: Congratulations to Austin Taylor, Megan Matus, and Katelyn Norton. They have been selected to participate in a cultural exchange at the Nga Puna O Waiorea (Western Springs College) in Auckland NZ). This October, these students will learn about Maori culture, while sharing their own cultural values. School District #60 Superintendent Dave Sloan will be chaperoning this trip. What an amazing opportunity!

Grad 2019 - A heartfelt congratulations to another wonderful Grad class. While it is always so difficult to see such outstanding role models and community citizens leave our school, it is also so exciting to see them entering a new chapter in life. Best wishes to Olivia Weatherbee, Zury Reschke, Skyler Paice, Ben Jackson, Sean Rice, Martell Loberg, and Jacob Kylo.

Thanks to generous donations from local people, the municipality and industry we are happy to announce that we have reached our fund raising goal for the window replacement project for Silver Willow Court and that the windows will be replaced this summer. Thank you to everyone for your support – it was most definitely a community effort.

We will also be looking at upgrading the patio area at the north end of the building. So far we have purchased furniture and a barbecue thanks to the "New Horizons for Seniors" grant from the federal government and a contribution from BC Hydro. We plan to do further work on the area when the window replacement has been completed.

We are always looking for volunteers for all kinds of positions, including board positions, so please contact a board member if you think you might be interested.

Police Report: JUNE 2019

Hudson's Hope RCMP responded to 36 calls for service between May 18th and June 18th. Three checkstop road blocks were conducted in an effort to deter impaired driving and enforce the Motor Vehicle Act and Regulations. 42 written violations and warning tickets were issued to drivers in May.

On May 20th, 2019, Hudson's Hope RCMP, Fire and Rescue and Provincial ambulance services responded to a ATV accident near Canyon Drive. An ATV operator had crashed and suffered non-life threatening injuries. Alcohol was not a factor in the crash and the patient was transported to hospital for treatment.

On May 29th, 2019, Hudson's Hope RCMP were called to the Peace River for a missing fisherman that had been swept away in quickly rising water. Extensive searches by land, water and air were conducted for the missing person but unfortunately the searches were unsuccessful. Boaters are asked to be vigilant while on the river and to contact RCMP. The file is still under investigation and further searches will be conducted.

On June 2nd, 2019, Hudson's Hope RCMP responded to a theft from a local convenience store, where a female was seen stealing scratch tickets from behind the counter before leaving in a pick up truck. The truck and female were later located at another location in town and the female was arrested. The accused faces several Criminal Code and Motor Vehicle Act charges including Theft under \$5000; Obstruct Police officer (x2); Assault Police Officer (x2); Uttering threat; Possess prohibited weapon; Possess property obtained by crime; Failing to comply with recognizance; and driving while prohibited MVA.

On June 12th, 2019, Hudson's Hope RCMP were called to the Peace Canyon Dam by employees concerned about people actively fishing in waters close to the dam spill ways. The fishermen refused to leave the area after several attempts to get their attention with emergency horns. The fishermen were spoken with once returning to their vehicle and stated they were allowed to fish where they want based on Treaty 8 stipulations. The fishermen were issued verbal warnings for trespassing. Hudson's Hope RCMP wish to remind fisherman that concerns for personal safety supersede Treaty 8 stipulations in this context, and fishing is not permitted between the Peace Canyon Bridge and the dam. Water can be released from the dam without warning causing a serious danger to anyone along the shore and those trying to remove violators from the area. Violators could be issued violation tickets for trespassing, and face Criminal Charges for Mischief for interfering with the Dam operations. Please adhere to the posted signs in the area.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca/> for advice on submitting tips online and to browse the area's "most wanted" page.

SAFE BOATING

LICENSING AND REGISTRATION

A Canadian pleasure craft may be licensed or registered.

Pleasure Craft Licence

If you operate or keep your boat mostly in Canada, and it is powered by one or more motors adding up to 7.5 kW (10 hp) or more, you must get it licensed, unless you register it. You must also license dinghies or tenders you carry aboard or tow behind a larger boat. Licence numbers need to be displayed in contrasting color, as close to the bow as possible, on both sides of the vessel.

A pleasure craft license is a free document giving your boat a unique license number that is valid for 10 years. The Pleasure Craft Licensing System allows Search and Rescue personnel to access information about your boat 24 hours a day, seven days a week in the event of an emergency. This could mean the difference between life and death! If your boat does not need a pleasure craft license, you can choose to get one for safety reasons. Visit http://www.tc.gc.ca/eng/marinesafety/debs-obs-paperwork-paperwork_boat_licence-3212.htm , or call 1-800-267-6687 for more info.

Failure to license your vessel, failure to have license on board, or allowing unlicensed vessel to be operated by another, may result in a fine of \$287.50 being issued.

Proof of Competency

Going out on the water requires basic boating safety knowledge and a good understanding of the “rules of the road” for Canadian waterways. That’s why everyone who operates a motorized pleasure craft must carry proof of competency on board. This includes all types of motorized boats, no matter their size or horsepower of the engine (this includes small boats with electric motors.)

What are the Accepted Forms of Proof of Competency?

Proof of competency can be any of the following:

- a Pleasure Craft Operator Card;
- proof of having passed a boating safety course in Canada before April 1, 1999;
- a specified marine certificate; or
- a completed rental boat safety checklist (good only for rental period).

Operating a vessel without prescribed competency, failure to have proof of competency on board, or allowing a person without prescribed competency to operate vessel, may result in a fine of \$287.50 being issued.

Boat operators must insure they comply with all safety requirements and have all required safety equipment. Non-compliance with Canada Shipping Act and Small Vessel Regulations may result in fines being issued to the operator. As always, impaired operation of a vessel is a Criminal Offence. Visit www.tc.gc.ca for complete information on all requirements related to licensing and safety equipment.

Please boat responsibly.

July at the Hudson's Hope Museum

Summer is in full swing at the Museum, all the heritage flowers are bloom and the cabins are open for visitors!

The past month of June feels very much like summer weather, in just the right amount of heat and moisture. It is always an exciting month with school finishing up for the year and especially exciting for the grads of 2019. Congratulations to them. And with school out and opportunity for family travel it really does feel like summer starts in July. There are so many places to go locally and just out of the region that you can go back and forth within a day. If you stop in we will gladly give you some options. We carry visitor guides for each region in BC and they are free! Beyond the Peace region we have guides for all of Northern BC, Kootenay, Thompson Okanagan, Cariboo Chilcotin, Vancouver and Coast, Vancouver Island and of course Yukon and Northwest Territories.

Fresh off the press we have received the BCRA Rodeo Guide which lists the summer months' rodeos; the BC Fairs & Exhibition Guide and the Ultimate Summer Festival Guide which covers pretty much all of western Canada.

We started off the 2019 with summer students Celina and Iris employed. Iris has moved on to Fort St. John and a new job and just loving it, I hear. We wish her the best of luck. After posting for a student/senior position the successful applicant was Elaine Rhymer. Nice to have a full complement of staff again. Hope to see you soon!

DISTRICT OF HUDSON'S HOPE PUBLIC WORKS NEWS & VIEWS

As far as daylight is concerned, we are on the downward slide to winter, but there is lots of good weather to come yet this year. We have remedied our pool issues and looking forward to an (almost) full season of swimming. Our flowers have been planted and hanging baskets placed around the town.

We have almost caught up on grass cutting, I have heard from some that the initial weeks of grass cutting were not up to the "usual" conditions, but we are working hard to get the lawns, sports fields and campgrounds up to those expected standards. I apologize for the earlier delays. We made it through our junior soccer tournament and our weekend softball tournament with the playing fields in good order.

During June, your public works crews completed street sweeping; the old washroom structure was removed from behind the museum and large item pick up was held during the third week of June. We have also completed the installation of gravel and surround for the playground in Beryl Prairie.

The District's tent was erected adjacent to the pool and soccer fields and will remain there for the summer. Staff swept the tennis courts and attempted, through the rain, to paint pickle ball courts on the tennis court surface. We need to finish those lines.

The Bulletin

Our campgrounds have been busy on the weekends. Into June we expect the campgrounds to be fully occupied. Our campground personnel are working 7 days a week, from noon to 8 pm. They can assist with questions, firewood and camper surveys.

Our projected capital works at the Beattie lift station has been postponed due to the

lack of qualified bids for the work. We are negotiating with our consultant to determine next steps.

This year the District embarked on data collection for an Asset Management Project. We are collecting and mapping data related to the precise location of water valves, manholes, catch-basins, etc. Our goal is to have the data collected and entered into a mapping system by September. We are utilizing both paper plans and physical data collection with a hand-held GPS

unit. Accuracy for field data is within 1 metre. This will help our crews find the valves and other infrastructure, especially in winter.

Continue to enjoy your summer and watch out for wildlife. This year's brood of young animals are out and about, often with their mothers. Drive accordingly when they are close to the roadways, and please do not feed them. Feeding wildlife creates a dependency and inhibits their natural foraging skills.

District of Hudson's Hope Property Exemption Bylaw No. 908, 2019

Council adopted the '*District of Hudson's Hope Property Exemption Bylaw No. 908, 2019*' at the Regular Council Meeting held on June 10, 2019. This Bylaw, under Section 224 of the Community Charter, exempts land and improvements from taxation for a period up to 10 years.

PUBLIC NOTICE

**UTILITY BILLS HAVE BEEN MAILED OUT
IF PAID BY AUGUST 16TH, 2019 YOU

AMOUNT.**

Thanks to all the soccer players and volunteers who made our home soccer tournament a smashing success on June 1 and 2.

Over 300 youth soccer players tackled, trapped, dribbled and scored over the course of the 2 day event.

The weather co-operated this year, no major rain, windstorms or thunder and lightning shows!

Thanks to Alison for running our fabulous concession once again 😊

THANKS

As the new Administrator for the Friends of Hudson's Hope Society, I would love to say a big Thank You to Patti Campbell for all her hard work and dedication in her years as administrator. And to wish her the very best in her next big life adventure! I have some very big shoes to fill and for that I am grateful for this opportunity. I am looking forward to working with and getting to know everyone in the community. Please don't hesitate to contact me or to stop in and to say hi! Coffee is always on!

The Friends of Hudson's Hope Society would like to thank Brandi Quibell for donating the funds raised during the Lip Since Battle. And to Steve Metzger and Grace Okada for the donation of their coffee sales. Our next big fundraiser is the One Ton Food Drive, that will be running from July 1st to July 31st. Legacy Village Market will be running "Round Up for Charity" in correspondence with our food drive. Chetwynd Food Bank has accepted our challenge in raising one Ton of food for our local Food Banks! Lets see who gets there first! Drop off locations will be at Legacy Village Market, the District of Hudson's Hope office and the Thrift Store.

Our ANNUAL GENERAL MEETING will take place on July 11th 2019, 5pm at the Thrift Store! All public is welcome to attend. Come see what we are about and how you can help make a difference in your community! We are looking for board members and volunteers!

The Thrift Store is hosting Bag Month for July! Get a grocery bag of items for only \$6!

Community Co-op Market

Flea Market Plus+

New Summer Hours

Open every Tuesday from 3pm–6pm
and Saturday from 11am–3 pm.

The **Community Co-op Market** has been quite busy. A huge thank you to the Soul Sisters who regaled us with their talents from the steps of St. Peter's Church while folks sat and enjoyed homemade pie and ice cream. What a great time. They have CDs available! Now that summer has arrived, we are getting a lot of tourist traffic on Saturdays. So time to think about joining the fun and becoming a vendor.

The Community Market is like having your very own store front. It's a more permanent place to set up and sell your products, re-market gently used goods, advertise or display your wares without having to pack up after every day. The Market operates on a sharing the responsibility concept. That's the best part, you do not have to be there every time, because vendors take turns taking care of the market and tracking sales for others.

Rates are extremely reasonable and vary depending on your choice:

Select the entire month: 8 days for only \$50 in *July*

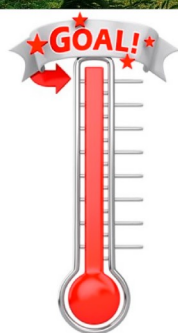

Or if you want to set up for just a day or two, tables are for only \$10 per day

The quaint little Coffee Shop will be open for each Market, and we will try to offer Lunch specials on Saturdays. All donated proceeds from the Coffee Shop and Lunch specials go to St. Peter's.

This Market oozes coziness and warmth, and offers a relaxing indulgence with friends. So drop by Hudson's Hope Flea Market Plus+ for a coffee and homemade goodies, and browse the abundant Treasures and Trinkets, fresh homemade baking, Epicure, Watkins, Barefoot Books, Tupperware and Red Hen products.

Location: St. Peter's Church Hall, 9500 Beattie Drive

**The Window Replacement Project has
REACHED the FUNDRAISING GOAL!!**

Thanks to generous donations from local people, the municipality and industry we are happy to announce that the windows for Silver Willow Court will be replaced this summer. Thank you to everyone for your support – it was most definitely a community effort!

Thank you

The common patio area at the north end of the building will be upgraded next. To date we have purchased furniture and a barbecue thanks to the “*New Horizons for Seniors*” grant from the Federal Government and a contribution from BC Hydro. We plan to do further work on the area when the window replacement has been completed.

Volunteer opportunities are always available, including Board positions. Please contact swc@pris.ca or a Board member if you are at all interested.

Canada Sun Guide

When you get a sunburn, the long-term effects of skin injured by the sun can be very serious. The more time young people spend unprotected in the sun, the higher their risk for developing skin cancer later in life. Dermatologists describe a burn as being the skin cells' response to injury. Getting a tan also injures skin cells. When skin cells are damaged skin cancer can result from these irreparable cell mutations.

Outdoor physical activity can be healthy, fun and safe if you remain protected. Follow the *Canada Sun Guide*, created by Canada Safety Council and other partners, to help Canadians combine sun safety with outdoor activities.

Minimize Sun Exposure

- Schedule outdoor physical activities when UV rays are at their weakest—before 11am and after 4pm, especially between the months of April and October.
- Always keep children under the age of one out of the sun.
- Remember that skin doesn't have to be hot to burn, so don't be fooled by cloudy or overcast weather.
- Remember too that water, snow, sand and concrete can reflect and increase the sun's burning rays.

Seek and Create Shade

- Seek natural shade from trees and buildings.
- Plant trees in schoolyards and other play areas.
- Use shade umbrellas, or create other forms of shade if natural shade is not possible.
- Keep playpens, strollers and carriages in shaded areas.

Cover Up

- Cover children's heads, necks and ears with a broad brimmed hat when outdoors.
- Protect arms and legs with tightly woven, loose fitting, cotton clothing.
- Children should wear a T-shirt over their bathing suit, and long shorts instead of short shorts.
- Wear UVA/UVB protective sunglasses—children can wear them too.

Use Sunscreen

- Have children use a broad spectrum sunscreen (protects against both UVA and UVB rays) with an SPF of 15 or more.
- Apply sunscreen generously before all outdoor physical activities. Remember to apply at least 20 minutes before sun exposure. Reapply often, as perspiration will reduce the effectiveness.

HAPPY CANADA DAY 

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. I hope everyone is enjoying the summer so far.

The Lions Club members are looking forward to the summer as well. We take a few months off but we will be out in full force for Canada Day, July 1 to flip burgers and dogs for the event. Come on out to the park and take in all of the fun and festivities planned for the day!

Did you know that Canadian musician Bryan Adams recently publicly thanked the Ottawa Lions Club for bringing his family a Christmas dinner when he was a child in the '70's as the family needed a bit of help.

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!
