Police Report: SEPTEMBER 2019

Hudson's Hope RCMP responded to 36 calls for service between August 12th and September 20th. 79 written violations and warning tickets were issued to drivers between the above dates. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP. Police have received reports to the increasing number of vehicles speeding along Beattie Drive, therefore police will be monitoring this area frequently, especially with the school season now in effect. Speeding fines can range from \$138.00 to \$196.00, with excessive speeding resulting in a \$368.00 fine and a 7 day impound of the vehicle. Speeding in school zone fines range from \$196.00 to \$253.00. Please obey local speed limits within our community.

The Hudson's Hope RCMP is working with the District to put in place lighted and/or illuminated speed signs within the school zone along Beattie Drive.

On September 6th, Hudson's Hope RCMP received a report for an over due hiker in the back country of the Northern rural areas of Hudson's Hope. Being that the lost person was utilizing a Spot GPS, RCMP were able to narrow down a GPS location and with the assistance of the Search & Rescue helicopter from FSJ, the lost hiker was located in a short time period with no medical issues. As a reminder, if you plan to adventure in the remote back country of our lovely area, please inform a family member or friend as to your destination location, areas you may be hiking/camping/hunting in, and a date/time that you are to be back. Also, consider a Spot GPS device for those long excursions. This assists rescue teams immensely should you run into a situation that requires their assistance.

On September 13th, the Hudson's Hope RCMP assisted the Hudson's Hope School with their school Terry Fox run. Police later had the privilege and enjoyment of attending the school and watching the students duct tape their principal to the wall.

On September 15th, the Hudson's Hope RCMP were able to lend a hand in the local Terry Fox run and monitor the traffic while the runners completed the 3, 5, and 10km treks throughout the town.

On September 18th, the Hudson's Hope RCMP and the local Lion's Club were privileged to welcome and support the Cops for Cancer – Tour de North cyclists as they traveled from FSJ through town, and onward as they rode to raise money for the Canadian Cancer Society.

Over the past few weeks, the Hudson's Hope RCMP have been closely working with the local BC Conservation officers in regards to the recent sightings of bears within town. A bear trap was set up near Dudley Dr. for a duration of time in attempt to capture a young, rouge apple loving black bear that had an argument with one of our local residents. Though he was never captured, it appears that he has since moved on. As a reminder, please secure all outside garbage's and pick/monitor your fruit trees when possible being that these are high up the bears menus during this time of year.

The Hudson's Hope RCMP would also like to welcome our newest RCMP member, Cst. Tim HART and his family who recently transferred in from Castlegar, BC. The Hart's are music enthusiast's and are excited to be in Hudson's Hope for the next few years.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

September 9-13, 2019

Shantell Allera, Tad Simpson, Quinn Gunderson, Eden Forrester, McKenna George, Thomas Hill, Raynnea Clarke, Jackie Lapierre.

September 16-20, 2019

Anthony Quibell, Hunter Koehn-King, Aubery Gunderson, Christine Clarke, Tristen Beam, Austen Lepine, Zoe Baxter, Brynn Beswick, Lucas Beam, Sean Hodgkinson.

Our School-Wide Terry Fox Run was another very successful event. Our students had a lot of fun preparing for the run, spending their outside breaks doing laps around the field to earn strips of duct tape to "Duct Tape the Principal". Also, Quinn Rice volunteered to be "duct-taped" as well, which created a lot of extra enthusiasm! It was a beautiful day, and a lot of fun. Thank you to our RCMP for providing a road safety presence for our students.

Cops For Cancer These fantastic riders visited our school on September 18th. Our students greeted them with cheers and excitement. It was great to hear the stories each volunteer shared regarding why they are cycling throughout the North. Thanks to donations from community members and students, we were able to contribute \$260.00 to this worthy cause. Way to go HAWKS!

Parent's Advisory Council - Movie Night - We will be providing a fun movie night on October 18th at 7:00 in the school gymnasium. Bring the family and enjoy the thrill of "Your Friendly Neighbourhood Spiderman". We will have a concession, a draw for a copy of the movie, and a "couch" (preferred seating) draw. Proceeds will go towards our P.A.C. funds to support activities at our school.

"The greatest gift to give to this era is your time"

Hudson's Hope Visitor Centre

All in all the weather was not too bad for September and we definitely had a lot of regional visitors out for the day. Quite often it was people from Grande Prairie making the circle loop. Those from off the continent came from Germany and Switzerland but most surprising were the visitors from Israel and then Romania as well. Each

September there is a 'caravan' of

Australians that come through Hudson's Hope and stay at a local campground on the river. They are a great group of happy contented travellers and love to visit!

In summary, our area was fairly wet, but I hear that Fort Nelson and north was very dry as many people commented on. There are visitors that head to northern Canada for the summer who stop in and say hello and again stop in when they are heading home in September. Some mentioned that it was raining when they went through in the spring and raining when they were heading back south in September. Many times there was praise of the flowers or just the community in general and were very positive. Really – the colour is much heightened in the fall. Great job from groundskeepers.

We closed the visitor centre at the end of September. However you spent your past six months I hope it was enjoyable and that goes for the fall and winter. If you require any Hudson's Hope swag – toques, hats or maps the District Office will carry that for the winter. As well you will see the new hiking and ATV trail system brochures displayed there.

See you in the spring.

Did you know...

- Our Walk-In book club this month is featuring *Manhattan Beach* by Jennifer Egan. This historic fiction title is set in World War II. and “is a deft, dazzling, propulsive exploration of a transformative moment in the lives and identities of women and men, of America and the world.”
- Follow us on Facebook to find out the theme to our next Career Camp collaboration with Kaitlyn Atkinson from the District of Hudson’s Hope. The next one will be on Friday, October 25th.
- Gale Courses offers a wide range of highly interactive, instructor led courses that you can take entirely online. As a library cardholder in good standing, you are entitled to these courses at no cost. Courses run for six weeks and new sessions begin every month. There are many courses to choose from, from academic interests to personal development, there is something there for all learners. The next start date is October 16th!

Shellie Howard, Young Adult Programmer & Acting Children’s Programmer

Storytime - For the month of October, we are exploring numbers and shapes. Listen, learn and play with us Tuesday mornings from 10:30-11:30. For parents and preschoolers.

Tween Club (ages 10-12*) - October starts with Creative crafts, working on fall leaves using pastels. Games day we will be playing a game of life. Then we get to have our first Inventors Club. We will be taking apart some old stuff and seeing what we can create new! We will also have a Lego day of fun and play. Then our last Tuesday of the month is our popcorn & movie day. Mark October 29th on your calendars for your tweens to come and watch *Halloween Town*. Movie starts at 3:15 sharp.

Library Club - We are doing different special event days of the year. We have Mad Hatter Day, Curious Events day, Hagfish Day, Mole day and pre-Halloween fun day. Everything from colouring, pasting, slime and skeleton making. A month of fun on Wednesdays from 3:30-4:30. Kindergarten through Grade 4.

Teen Drop-In – Craft night will have the teens continuing working on making fall themed displays for our library. Game Night is a fun night to come and play all sorts of different games. Art night has our very own teens taking turns teaching different art skills. On October 24th we are doing a quick update for book club to check in and see how we are all progressing in our personal reading adventures, followed up by a movie night. On Halloween night we will be having a Halloween Hot Spot. It will still be a Teen drop-in

night but all ages can feel free to come in and warm up until 7:00.

Lego Club – Each club day, we provide a Lego challenge to inspire new Lego creations. We will be making a Lego maze, a tiger, a zebra with stripes and a Mad Hatter's hat. So much to build and create, see you all Friday because that's the date!

Item Donations – Thanks for the following donations:

Palfy Family– 27adult books, 10 magazines and 7 non-fiction books.

Beswick Family – 1 YA, 3 YP, 9 Non-fic and 4 adult titles.

Sharon Jackson – 1 adult paperback **Brian Birosh** – 1 adult book

Bill Lindsay – 1 adult paperback **Gail Abbot** – 4 adult paperbacks

Gwen Johansson – 1 oversize non-fiction book

Kathy Stark – Bag of Books, 11 non-fiction and extra DVD cases

Thank you so much to the **Sportsman's Inn Restaurant** for donating one large pizza to our Teen Drop-In night where we had a pizza party! All 4 pizzas that we ordered were amazingly delicious and well appreciated by the 25 teens and 4 staff members in attendance!

Check out our website at hudsonshope.bc.libraries.coop or call at (250)783-9414. Remember to like us on Facebook to stay up to date on current events!

DISTRICT OF HUDSON'S HOPE PUBLIC WORKS NEWS & VIEWS

Fall has arrived, along with the cooler evenings and falling leaves. In a 2018 study, Ford researchers determined that in certain circumstances, leaves can be just as slippery as snow.

<https://media.ford.com/content/fordmedia/feu/en/news/2018/11/21/which-is-more-slippery--leaves-or-snow--ford-engineers-reveal-th.html>

Take care when driving in the early mornings. In this part of British Columbia, October 1 is the date for winter tires, if they are not already on your vehicle, you may want to think about it.

Thank you for your patience while we completed our water valve replacement work on Kylo Street and Beattie Drive. Due to some miscommunication the water was shut off sooner than originally planned, but a change in strategy limited the impacted areas during completion of the work. We now have good control of water flows between the treatment plant and the reservoir. Also, we will be re-establishing a program of exercising our valves to limit the impact of future water works.

With the completion of the valve replacement work, the District was able to piggy-back on to the contract to have some road cuts repaired. These road cuts have been the result of earlier utility repair work and some have been waiting for a few years to be completed.

In September Public Works crews completed a round of Hydrant Flushing and Sewer Flushing. The hydrant flushing clears the water pipes in our system, while the sewer flushing does the same for the sewer lines. We also took video recordings of six locations where sanitary flow issues have been noted in the past. All these tasks help us identify condition assessments and develop future maintenance works schedules.

The arena is in the final stages of preparation for next season. The ice has been made and the arena equipped. Opening day is planned for the first weekend in October. Scheduled activities, such as hockey and figure skating programs will commence shortly after. The Friday Frightful Frolics Night is planned for October 25, 2019.

The Free Firewood giveaway was successful with several residents taking advantage of the free firewood. After the initial offer, Council extended the program to include two weekends. This allowed more residents access into the wood pile.

As much as I hate to admit it, we are getting our winter equipment ready for use. Summer, for what it was, has left us. That means crews are cleaning up and servicing our plow equipment, stockpiling our winter sand. Our winter sand for this year is more of a true sand as opposed to the large material used last year. We'll be blending it with road salts to assist with winter traction and ice melting.

Luckily, our new loader will have arrived by now. The new loader comes with a general-purpose bucket, pallet forks and a multi-position snow blade. The new machine is going into service at the beginning of October and the old machine has found a new home elsewhere. You may also have noticed a new Honda CR-V sporting the District logo. This vehicle replaced the 12-year old Toyota Prius which has served the District well. The new Honda CR-V includes all-wheel drive and provides advances in safety which were not available 12 years ago, including advanced collision warning and lane departure assist systems.

Enjoy the fall colours, enjoy the outdoors, watch out for wildlife, and watch out for your neighbours on the public works crews as we wrap up some late summer tasks.

Mark Sture
Public Works Manager

FALL SIGN UP 2019/2020 SEASON

The **Flea Market Plus** has been quite busy over the summer. We are excited to be able to continue with this service into the Fall.

What is this market all about? The **Flea Market Plus** is like having your very own store front. It's a more permanent place to set up and sell your products, remarket gently used goods, advertise or display your wares without having to pack up after every day. The Market operates on a sharing the responsibility concept. That's the best part, you do not have to be there every time, because vendors take turns taking care of the market and tracking sales for others.

Rates are extremely reasonable and vary depending on your choice: Select the entire month: 8 days open for only \$50. Or if you want to set up for just a day or two, tables are for only \$10 per day.

This Market oozes coziness and warmth, and offers a relaxing indulgence with friends.

So drop by Hudson's Hope **Flea Market Plus** for a coffee and homemade goodies, and browse the abundant Treasures and Trinkets, Epicure, Watkins, Barefoot Books, Tupperware, Red Hen products, fresh homemade baking, and fresh garden produce

For further information, to book space, please contact
Greta Goddard tel: 250-783-0855 or email: rgfequet@pris.ca

The quaint little Coffee Shop will be open for each Market
and we will try to offer Lunch specials on Saturdays.

All donated proceeds from the Coffee Shop and Lunch specials go to St. Peter's.

Location: St. Peter's Church Hall,
9500 Beattie Drive

Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

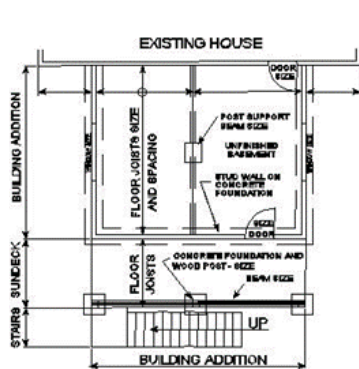

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

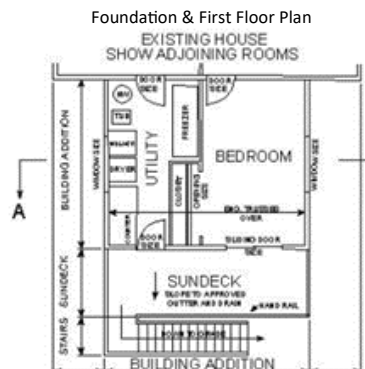

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

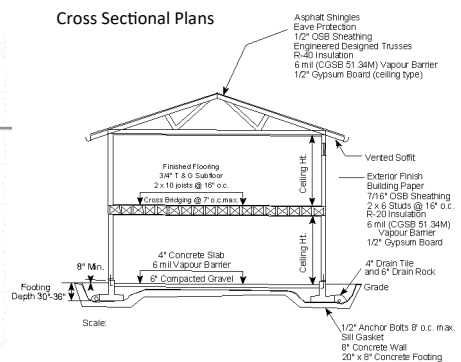

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.
