That backyard composting provides an opportunity to repurpose organic material into compost for gardening and landscaping, while saving valuable landfill space. At the same time, the removal of organic material from landfilling will reduce greenhouse gas emissions caused by the decomposition of organic material.

HUDSON'S HOPE FIGURE SKATING CLUB

2019/2020 Season

DO YOU KNOW SOMEONE INTERESTED IN LEARNING TO SKATE OR IMPROVING THEIR SKILLS?

Programs offered:

CanSkate: For ages 3 and up. A Learn-to-Skate program that focuses on fun, participation and basic skill development. Great for kids wanting to pursue Figure Skating or Hockey.

STARSkate: A program for all ages to develop fundamental figure skating skills in areas of ice dance, skating skills, free skate and interpretive skating. Skaters have the opportunity to take Skate Canada Test through a nationally standardized testing system and enter competitions.

Come see us at the Fall Sign Up Night on September 11th from 6-8 pm at the HH Arena, or for more information email us at HUDSONSHOPEFSC@HOTMAIL.COM or call/text Becky at 250-783-8260.

Hudson's Hope Photo Contest

Hudson's Hope deserves to be showcased with the best possible photos! The District wants to capture Hudson's Hope in all its natural glory! We want to know what "Your Hudson's Hope" looks like. Join our photo contest and submit photographs from across the municipality. We are looking for photos of landscapes, recreation, community events and much more. This is an opportunity to showcase your photography skills and your community. Photographs will be featured on the District website and Facebook page (and potentially other District publications)!

This contest will run between August 1st and September 27th.

Prizes

Everyone who submits at least 5 photos will have their name entered into a random draw. Three (3) winners will be drawn, and each will win a 7-Day Camping Pass to enjoy at one of our four District Campgrounds for the 2020 camping season!

How to submit

- Digital photographs should be taken at the highest resolution possible.
- Photos must be taken in the Hudson's Hope area.
- Send your photos to office2@hudsonshope.ca.
- Photos can also be dropped off on a USB flash drive (that can be returned to you) at the District Office, 9904 Dudley Drive.

Please Note

- Images become the property of the District for future use.
- A signed Photo Release Form is required for a photo in which a person is recognizable or in the case of a minor, a signed release form from the subject's parent or guardian.
- Submissions will be accepted until midnight, September 27, 2019.
- There is no limit on the number of submissions by a single entrant, but you will only receive one entry to the prize draw.
- To enter please read, sign and return our Photo Contest Rules and Consent Form along with your image(s) and any signed Photo Release Forms if necessary.

Questions?

Please email Meghan or Becky at office2@hudsonshope.ca.

MEMBER OF THE EAGLES WOMENS HOCKEY TEAM, (FSJ).
37 YEARS OF HOCKEY EXPERIENCE, PLAYING UP TO THE
AAA LEVEL.

Protective Services

Look, listen & be seen

Teach your child to be a safe pedestrian

Look. Make sure all vehicles have stopped before entering the road. Make eye contact before crossing.

Sidewalk/no sidewalk. Walk on the inside edge of the sidewalk away from the road, so you're further away from the traffic. Walk facing oncoming traffic if there isn't a sidewalk, so you can see approaching vehicles and make eye contact with drivers.

Set a good example. Never jaywalk or run to cross the street. Where possible, cross at intersections with a pedestrian crossing light or marked crosswalk

Map it out. Plan your child's route with them ahead of time. Review street names and landmarks to orient them.

Crossing Basics. Stop at the curb. Look left and right for oncoming vehicles that might be turning. When the intersection is clear, start crossing and keep looking for approaching vehicles.

Be Seen. Wear bright clothes and/or reflective gear especially at night and in poor weather.

Parked vehicles. Avoid shortcuts through parking lots or around parked cars where it's harder for drivers to see small children.

Listen. Put away the electronic gadgets, cell phones and ear buds so you can hear approaching traffic that may be hard to see.

Quiz time. Make a fun, interactive game out of guessing the correct traffic signs and meanings with your child.

SIGN UP FOR www.nebcalerts.com North East BC Emergency & Public Alerts

If we can reach you, we can notify you.

 Powered by Everbridge

Make sure to register for the North East BC Emergency & Public Alerts system!

Receive information on emergencies like fires, floods,

Happenings at the Hudson's Hope Health Centre!

If you haven't heard yet, we have an inter-professional team consisting of a mental health clinician, dietician and social worker that come out from Fort St John to the clinic the **3rd Wednesday of every month.**

You do not need a referral from a doctor to book an appointment: Give the clinic a call if you would like to book an appointment with any of our team.

Below are some examples that the Social Worker (Jillian) may be able to help people with:

- Clients who need assistance/advocacy regarding financial hardship issues.
- i.e. long term care costs, dressing supply coverage, equipment costs, general difficulty coping financially while living independently or in care.
- Adult Guardianship Issues – Adult Abuse and Neglect Concerns (financial, emotional, physical). Collaboration with RCMP investigation
- Housing concerns - assistance finding suitable, affordable housing.
- Connection with different programs such as the SAFER program, Meals on Wheels, Life-line
- Assistance with navigation of different government programs such as, Income Security, Revenue Canada, BC Housing, Ministry of Housing and Social Development (i.e. Income Assistance), Pharmacare, MSP, NHIB, INAC, WCB
- Capability Assessments
- Public Guardian and Trustee Referrals and collaboration
- Connection with and assistance navigating different organizations and societies linked to clients health concerns and disorders (i.e. MS Society, BCPA, Women's Resource Center, Palliative Care Society, CLBC, North Peace Community Resources Society, Cancer Societies)
- Connection to counseling services if requested
- Information regarding Power of Attorney, Representation Agreements, Wills etc.
- Assist clients with medical travel costs, both travel and accommodation
- Support with dying and bereavement issues, grief and loss, end of life support
- Support clients with new diagnosis (i.e. MS, paraplegia)

Police Report: SEPTEMBER 2019

Hudson's Hope RCMP responded to 51 calls for service between July 16th and August 12th. 51 written violations and warning tickets were issued to drivers between the above dates. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP. Police have received reports to the increasing number of vehicles speeding along Beattie Drive, therefore police will be monitoring this area especially into the following month with the school season just around the corner. Speeding fines can range from \$138.00 to \$196.00, with excessive speeding resulting in a \$368.00 fine and a 7 day impound of the vehicle. Please obey local speed limits within our community.

On July 20th, Hudson's Hope RCMP received a report of shots being fired into the Peace River near the Farrell Creek Bridge. This occurred while boaters were out on the river, posing a serious public risk factor. Police attended the area and located several intoxicated persons camping along the creek. During the investigation a firearm was located and seized, and one of the persons was arrested for possession of stolen property after one of the associated vehicles was found to be bearing stolen licence plates.

On July 21st, Hudson's Hope RCMP conducted a roadside check stop along Hwy 29 at the Peace Canyon Access Road. During this check stop, police stopped and checked approximately 75 drivers and vehicles. Several violation tickets were issued for various offences, including expired insurance for travel trailers. Please take the time to verify that all vehicle registration and insurances are up to date prior to heading out for a weekend camping trip.

On July 28th, Hudson's Hope RCMP received a report of a possible poaching site located within a rural area of Hudson's Hope. Police conducted an investigation and located the site in which it appeared that several deer were shot out of season. This file has been forwarded to the local Conservation Officers who are continuing with the investigation. Poaching is a serious offence that can cause dramatic negative effects to the local wildlife populations. Anyone who observes a poaching offence can contact the Report All Poachers and Polluters hotline: 1-877-952-7277. Poaching offences can come with fines ranging from \$25,000 to \$100,000 fines with 6 months to 1 year imprisonment.

On August 4th, Hudson's Hope RCMP assisted Fort St. John RCMP with an abduction attempt on a flagger that occurred within the Fort St. John jurisdiction near the area of Szoo Road along Hwy 29. A blue Power Wagon van with a grey pinstripe down the side, and tinted windows, stopped by a flagger, and an unidentified person exited the van and attempted to abduct this flagger. The victim was able to fend off the assailant, with the van fleeing the scene. This file is still under investigation with the

Fort St. John RCMP and anyone with any information pertaining to this incident is asked to contact your local RCMP Detachment.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnbc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Cst. Erich SCHMIDT
Hudson's Hope RCMP

SCHOOL ZONE SAFETY

As the new school year begins, motorists are asked to be aware of children walking to and from school during the day. Please adhere to the school and playground speed limits from 8 am - 5 pm on school days. Give yourself time to totally clear all your vehicle windows of frost and dew so that you can safely reach your destination.

Speed in School/playground zone

- Exceeded by less than 21km/hr: **\$196 / 3 pts**
- Exceeded by more than 21km/hr: **\$253 / 3 pts**
- Fail to stop for school bus: **\$368 / 3 pts**
- Fail to Yield to Pedestrian (crosswalk): **\$167 / 3pts**
- Windshield or window that impairs driver vision: **\$81**

CONGRATULATIONS TO OUR WINNERS!

BERYL PRAIRIE PLAYGROUND OPENING

CANADA DAY

Hudson's Hope Visitor Centre

Another 'Summer' season has come and gone but at the Visitor Centre we can get numerous travelers in that like to drive the shoulder season in September when there is not as much traffic. They get the campgrounds to themselves! Of course the water is a bit cooler for swimming but the bonus is the fall colors to be enjoyed.. Unfortunately the provincial campgrounds start closing this month with varying closure dates.

Hunting season for some of you.... We have some very nice BC Backroads Map books covering the north half of the province. The latter half of the book has some detailed info on adventure trip planning for hunting, fishing, paddling, recreation sites, ATV trails, snowmobile and winter trails. We also carry waterproof maps for northeast BC with some very good details for going 'off road'. They have many trail markers for all kinds of adventure – winter and summer. The publications are sold for \$29 and \$14.50 respectively. The BC Official Road Map is available for \$5.50. If you need some camo type items we have toques and ball caps and t-shirts as well as a good selection of other swag.

Hope your summer was all you planned it to be.... Get out and enjoy the flowers around town – it's been a great summer for that and we've had numerous positive comments about how beautiful a town we live in. I agree!

Back to school for many of you and that includes one of our staff, Celina, that put in her third season here at the Visitor Centre but back to university for her and we wish her well.

District of Hudson's Hope Special Events Kaitlyn Atkinson has developed 14 nice glossy hiking trail brochures for Hudson's Hope area. Drop in for a look and plan your September hiking days.

Hudson's Hope Visitor Centre
Kathy, Celina and Elaine

SHOP LOCAL TO DISCOVER THE UNIQUE

Northern B.C. is home to some of the most eclectic, colourful people and local small businesses that help shape the character of the region. Whether you want to stay in a renovated jailhouse bed and breakfast, purchase a handcrafted banjo, or build with hand hewn timber structures, the region truly has it all.

Thank you

Tracy and Ricard Lafreniere would like to thank the Hudson's Hope Ambulance staff and First Responders for their quick action in getting Richard to the hospital. As well as a huge thank you to Mark and Jackie for looking after our house and pets. Mark really went above and beyond, and we appreciate everything he has done.

Thank you all again,
Tracy and Richard.

Thank you to everyone for your support, cards, emails, visits, food and mostly the love for our family at the loss of our daughter, sister, and friend Anna Michelle Birosh.

"Blessed are those who mourn, for they shall be comforted." Matthew 5:4

The Birosh Family

What a great 2019 season at the W.A.C. Bennett Dam Visitor Centre.

Thank you to our tour guides Jackie, Brandi, Ashley, Shona, Misato, Adam, Sean and Cindy for delivering amazing tours all summer, and to the town of Hudson's Hope for always supporting the Visitor Centre.

We're now closed but look forward to seeing you next year on May 16, 2020. Ella's cafe will remain open through the fall and winter for everyone to enjoy. Contact Ella at **250 783 5825** for information on her hours and cafe offerings.

For more information about the Visitor Centre please visit bchydro.com/bennett.

BCH18-BB1

Reminder: We are closed on Mondays; there are no Monday programs for kids. LEGO club is now on Fridays and Tween Club is on Tuesdays.

Amber Norton, Library Director

Did you know...

Our Walk-In book club this month is featuring *The City of Girls* by Elizabeth Gilbert. This title was added to the book club collection this summer and we are the first to get our hands on it! Gilbert is the bestselling author of *Eat, Pray, Love* and *The Signature of All Things*. "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." This book club does not have meetings. This club discusses the book when you run in to other members who are reading it, often one or two of our librarians will read it as well.

We will be starting a new book club this month! The ongoing schedule and themes to be determined at the first club meeting. For our first meeting we will be in the Library on Tuesday, September 24th at 6:00 pm. For our first meeting, we will be discussing Mercedese Jeffries book, *A Dragon's Flame*... with the author!

We have two platforms for you to borrow eBooks and eAudiobooks, Overdrive and RBDigital! You can use either the newer Libby app or the Overdrive app.

There is also an app for RBDigital. Both of these borrowing interfaces can also be used on a desktop. Check out our website for more information about all of our electronic loan services... <https://hudsonshope.bc.libraries.coop/research/download-digital-media-ebooks-audiobooks-movies-magazines-more/>

Shellie Howard, Young Adult Programmer & Acting Children's Programmer

Reminder: The library is closed on Mondays, so there is no library program after school on this day for kids. LEGO club is moving to Friday and Tween Club is moving to Tuesday.

Storytime - Starts September 10th. The theme for Storytime this month is Fall! Crafts will focus on all things Fall. Tuesday mornings from 10:30-11:30.

Library Club - Starts September 11th. Library Club will be focusing on special days of the year. We will be crafting, painting, building and doing STEAM. Wednesdays from 3:30-4:30.

Tween Club - Starts on September 11th. Tween Club is moving to Tuesdays after school from 3:15-4:45. The first Tuesday of every month will be Creative Crafts; we will be making all sorts of fun crafts. The second Tuesday of the month will be Games On, we will

be playing board games, outside games - it's a play day! The third Tuesday of every month will be Inventors Club, we will be using our minds and making things, taking apart things, and learning and sharing our creations. The fourth Tuesday will be Build It Day, we will be building with Lego, cardboard, string, popsicles, anything we can think of. On the fifth Tuesday, when they happen, will be our movie and popcorn day! There will be a schedule made so your kids can see all the things that we will be doing and on what days.

Teen Club - Starts September 12th. Teen Club runs the same as last year and is still a drop-in club from 5:00 to 7:00 pm. The first Thursday is Crafts, the second is Games, the third is Art, the fourth is Book Club and the fifth Thursday is Teen Late Night! Late Nights includes a Potluck Dinner from 5:30-6:30, then setting up for movie night or mini golf or nerf wars...all to be decided by our teens on the fourth Thursday before. This is a great program and our teens LOVE late night! Our first teen club of the year, as always, will be pizza night for the teens!

Lego Club - Starts September 13th and has been moved to Fridays. Lego Club is from 3:30-4:30. In September, we will be building a wall and catapult, building a boat and see it float, and a house on stilts!

Career Camps – There's a new camp series this year! Afternoon camps will be on select non-instructional Fridays throughout the school year, for kids from Kindergarten through Grade 4. We are bringing in local professionals to talk about their jobs and engage in exciting activities. Our librarians will also be coming up with crafts and activities to fill the whole afternoon with fun! See our ad on Facebook and PSA for more information! The dates are September 20th, October 25th, November 29th, January 4th and May 8th! DoHH will be providing the morning sessions again!

Item Donations – Thanks for the following donations:

Norton Family– 3 DVDs and 1 YP fiction

Stephanie Hues – 4 non-fiction titles

Check out our website at hudsonshope.bc.libraries.coop or call at (250)783-9414. Remember to like us on Facebook to stay up to date on current events!

“I fell in love with him, and it made no sense for me to fall in love with him. We could not possibly have been more different. But maybe that’s where love grows best—in the deep space that exists between polarities.”

— Elizabeth Gilbert, *City of Girls*

Ask about the Walk In Book Club to read this title with friends! To read by yourself, find it on the shelf under FIC FIC GIL.

career camps for kids

The Hudson's Hope Public Library and District of Hudson's Hope will be collaborating on another non-instructional day camp series for elementary school aged children. These camps will provide physical activity based programming in the morning and the afternoon will consist of hands on learning opportunities and activities based on careers. The library portion will include a visit from one or two local professionals to tell the kids about their careers and do some fun activities with them as well! More information about each Career Camp day will be available closer to the actual day of camp via Facebook and PSA.

**September 20, 2019
career themes TBA**

The morning session will be provided by the District of Hudson's Hope. Visit their Facebook page for drop off information & start time. Registration for morning session is mandatory.

The afternoon session will be facilitated by the Hudson's Hope Public Library. The drop-in portion goes from 1:00 to 4:00 pm. DoHH staff will bring registered kids to the Library for the afternoon session. Please make sure that both allergy forms and photo release forms are up to date. Pickup by 4:30 pm at the Library.

Please call Kaitlyn at (250)783-9901 with questions about the morning portion or to register. Contact Shellie at the library about pick-up or afternoon session inquiries, (250)783-9414.

NO SCHOOL? NO PROBLEM.

*PRO-D Camps are BACK this fall/winter.**

Active mornings followed by afternoons at the library.

*excluding holiday weekends

NEW BOOK CLUB

& YOU'RE INVITED!

At our first meeting
we will be discussing
A Dragon's Flame by
Mercedese Jeffries...
WITH Mercedese Jeffries!

Ever wonder what an authors
thoughts and intentions were
when writing a character or
plot twist? Well wonder no more
with this first book club session!

Tues Sept 24th 6:00 pm
Pick up a copy today!

*Future titles & meeting dates to be
determined at the first meeting.*

Summer Swim Challenge Results

This summer, swimmers at the pool “swam down the Peace River”. Prizes were given for most lengths swam and most aquafit classes attended! Congrats to the winners!

Aquafit

- 1st place – Heidi Naisby (47 classes)
- 2nd place – Linda Siemens (19 classes)
- 3rd place – Theresa Dantuma (18 classes)

Lengths

- 1st place – Mary Breton (42.5km)
- 2nd place – Lannie Rhymer (26.5km)
- 3rd place – Liza Rhymer (24km)

As a community we made it over 300km down the Peace River!

The prizes are the same for each category, so a total of two sets of the same prizes.

- 1st – 2020 annual adult swim pass
- 2nd – Adult 10 punch swim punch card
- 3rd – District of Hudson’s Hope water Bottle and T-shirt.

THE TERRY FOX FOUNDATION

WHAT SETS US APART

Terry's Marathon of Hope run across Canada in 1980 launched a new age in fundraising. He was an innovator, philanthropist and athlete. In keeping with Terry's personal philosophy, The Terry Fox Run is an all-inclusive, non-competitive event, with no corporate sponsorship, incentives or fundraising minimums. It set the standard for the fun runs that now occur in communities across Canada. Approaching its 39th edition, the Run maintains its status as one of Canada's most enduring fundraising events.

September at the Hudson's Hope Museum

We would like to thank our summer staff for all their hard work this year! Tom Summer and Monty Loberg – we wish you great things for the coming year! Thank You for being such great staff!

We would like to invite you to come in and check out the Bedaux Exhibit which is back on display after a 6-year hiatus and journey around Alberta and British Columbia.

Charles Bedaux was captivated with the country surrounding Hudson's Hope after embarking on a hunting trip in the area in 1932. His

attempt, two years later, to take five Citroen half tracks across the northern wilderness of British Columbia is known throughout the world. This "Champagne Safari" did not reach its Telegraph Creek destination but it gave much needed employment to local cowboys during the Depression. The role of the Hudson's Hope cowboys has been overshadowed by historical emphasis on Charles Bedaux's lifestyle and adventures. Through profiling the lives of these cowboys, this exhibition highlights their important role as wranglers and packers to the expedition. Included in the exhibition are copies of the maps showing the arduous route from Fort St. John to Telegraph Creek and previously unpublished photographs.

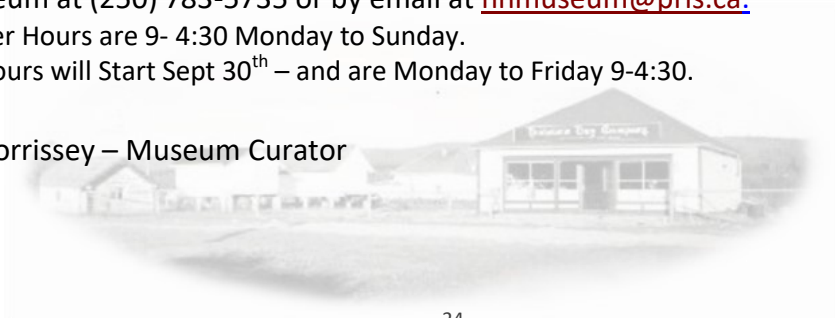

The Museum is hosting a Raffle this year, instead of a Harvest Social and we are looking for donations for the Raffle. If you have anything you would like to donate, please contact the museum!

The Next Historical Society meeting will be held on **September 19th, 2019 at 7 pm** at the museum grounds. Our monthly meetings will be rotating between 1 pm and 7pm in 2019, depending on the month- please watch for reminders for the time. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca.

September Hours are 9- 4:30 Monday to Sunday.

Winter Hours will Start Sept 30th – and are Monday to Friday 9-4:30.

Elinor Morrissey – Museum Curator

On behalf of the Hudson's Hope Fall Fair Society we want to say **Thank You!**

DISTRICT OF HUDSON'S HOPE PUBLIC WORKS NEWS & VIEWS

Wow! Where did the summer go? School is back in session so watch out for children as they run for the bell or race to get home.

Many of our seasonal staff have left us to return to school or college, this includes Public Works, Pool and Recreation staff. We thank them for the effort and dedication they gave to the District for the summer and wish them all the best in their future studies.

Due to the somewhat damp summer, the grass never stopped growing this summer. This took additional staff time to keep the parks and facilities looking good. We had other work planned and some of our minor activities may get pushed to next year when our seasonal staff are back.

The pool has closed, and the campgrounds will be closing after the September long weekend. But, in another few weeks the Arena will be opening for hockey, figure skating and other ice related activities. Staff will be installing the ice towards the end of September and program registration will be occurring over the next couple of weeks.

August was a challenging month for our water system. There was never any danger to safety, but there were a lot of little things that kept our staff hopping at the Water Treat Plant and at our River Pump House. For every location a pump is needed, we run two pumps to ensure redundancy in our system. The use of the pumps is rotated to ensure they work when needed. This provides the ability to conduct repairs on one while maintaining water service to the District as required.

A failure in one of our River Pumps created the need to close the Commercial Water Stand for a couple of weeks. This was strictly a precautionary measure to ensure we could guarantee fire suppression needs and potable water to our residents.

The repairs to the River Pump have been completed, and we took the opportunity to upgrade the controls on the Commercial Water Stand from a key lock to a PIN pad. The PIN pad allows us to capture the usage information electronically, easing the tracking and billing process for commercial users.

The library electrical service is being updated from 100-amp service to 200-amp service. This will improve the ability to run the computers, printers, fax machines and the air conditioning without "browning out".

Capital Works that have been complete this year include:

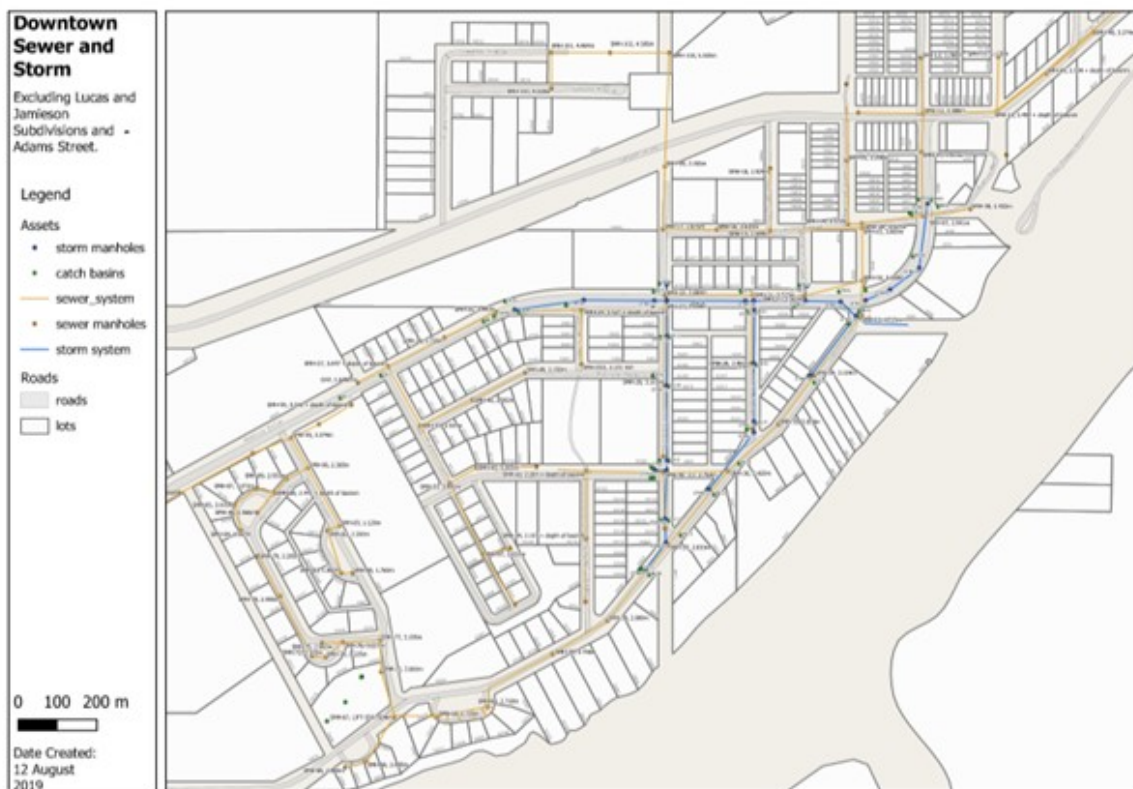

- The Beryl Prairie Well pump change
- Commercial Water Stand Updates
- Water & Hydrant Replacement (to occur in September)
- Beryl Prairie Fire Hall Septic System Replacement
- Beryl Prairie Playground renewal
- Gravel Replenishment
- GPS Equipment
- Bear proof recycling bins (for campgrounds and parks)

This year the District initiated a GPS/GIS project as part of Asset Management. District personnel collected data on the location of various infrastructure, such as water valves, manholes (storm and sewer), catch-basins and road signs. The information was geo-coded and mapped into an electronic database. Late in the summer, the District's recreation trails, and some recreation facilities were added to the database and maps.

Each type of infrastructure was placed in layer so that we can provide/display just the information that is required and not every item. The information can be used by District staff in the location and maintenance of infrastructure or provided to consultants working on our behalf. Future phases of this work will include condition assessments, development of maintenance and replacement strategies and asset planning.

This is the unofficial end to the summer, but we expect the warm temperatures to continue. Look up recreation trails on-line, <https://hudsonshope.ca/adventure/parks-and-trails/>, hard copy maps are available at the District office and the Visitor Centre. Get out and enjoy what nature has to offer.

Mark Sture
Public Works Manager

What is an overdose

An overdose is when more drugs have been taken than the body can handle.

What are opioids?

Opioids such as heroin, oxycodone, fentanyl, vicodin, codeine, morphine and methadone suppress breathing, and in cases of overdose, can result in severe brain damage and even death due to oxygen deprivation.

What is fentanyl?

Fentanyl is a synthetic opiate narcotic, a prescription drug used primarily for cancer patients in severe pain. Fentanyl is extremely toxic. A piece of fentanyl the size of one or two grains of sand can cause an overdose. It is roughly 50 to 100 times more toxic than morphine.

Fentanyl is a contaminant you cannot see, smell or taste. It can be found in pills sold as fake oxy's & other club drugs, in powder as heroin or fentanyl, & can be mixed in to other drugs like cocaine & crystal meth. People do not often think the substances they are using contain fentanyl.

Follow these tips to reduce the risk of overdose:

- | | |
|--|---|
| <ul style="list-style-type: none"> • Don't use alone • Start with a small amount • Mixing substances, including alcohol, increases risk of overdose | <ul style="list-style-type: none"> • Use where help is easily available (e.g. around other people) • Use less. If you took a break, as your tolerance is lower • If you have ever experienced an overdose, this may increase your risk to overdose again • Make a plan/know how to respond in case of an overdose |
|--|---|

Take Home Naloxone Program

Unintentional deaths and injury from opioid overdose are preventable with overdose and naloxone education available at towardtheheart.com in a quick and free 6 minute video

Naloxone is a medication that can quickly reverse an overdose

Naloxone kits are available for **FREE** and confidential at the Hudson's Hope Health Center for people who are at risk of overdosing or around people who are at risk

The Importance of a 9-1-1 Address

Properly displaying your civic number on your house or at the end of your drive ensures fast emergency response for the AMBULANCE, FIRE and POLICE Services. Precious minutes can pass while the emergency vehicle attempts to locate the emergency incident.

It is strongly recommended that you ensure that a civic address is posted with the following guidelines in place:

- the civic address the District has assigned to the premises must be displayed on the principal building on the premises and must be legible from a minimum distance of fifteen (15) metres;
- where a building is set back from the street or roadway fronting the property such that the assigned street address is not clearly legible from the street or roadway, or where landscaping or architectural appurtenances or other obstructions obstruct the address, the assigned street address shall also be displayed at the driveway entrance from the street or road serving the building on a weather-resistant sign permanently mounted on a post and visible from all direction of traffic flow; and
- letters or numbers displayed on a building must be of a colour which contrasts with the background colour of the building or sign.

More information on how to properly display your civic address can be found in the Fire Prevention and Life Safety Bylaw 775, contact the District office at (250)783-9901 for more information.

Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

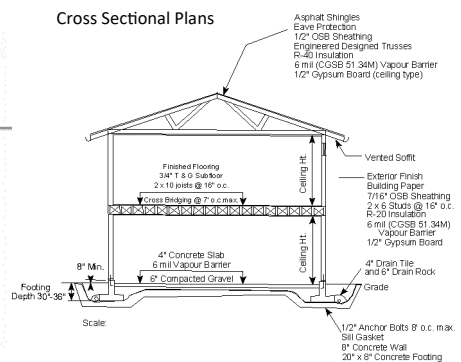

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

The Bulletin

30

September 2019

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.
