CHRISTMAS TREE PICK-UP STARTING

JANUARY 13th

The District of Hudson's Hope Public Works Department will be picking up Christmas trees along all regular garbage routes starting January 13th, 2020.

Please ensure your tree is placed at the curb 8:00 am on Monday
January 13th, 2020.

Should you wish to dispose of your own tree, you can put it in the compost area of the transfer site.

District Mailing List

The District of Hudson's Hope has an email mailing list for situations where we need to get important District information to our residents, especially when the PRIS PSA system is not available (weekends and evenings).

We also post important information to our Facebook page: www.facebook.com/hudsonshope.bc and to our website: hudsonshope.ca

If you would like to be added to this list please email:
office2@hudsonshope.ca and confirm the email to be used.

2020 DOG TAGS Now Available

Reminder....

**2019 Dog Licenses
expire on
December 31st.**

Why Should I License My Dog?

In case we get Lost....

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

It's Easy and Inexpensive

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

Reduced Fines

The Fee for a dog picked up at large is \$60.00. There is an additional fee of \$60.00 if they are not licensed (this does not include any boarding fees, if applicable).

THANK YOU

The Hudson's Hope Fire & Rescue Service would like to thank the following organizations for their generous support of the annual Hudson's Hope Halloween Fireworks Display:

- AIM Trucking
- BC Hydro Lifestyles
- BC Hydro Social Club
- Burnin' Rubber Tire Shop
- Butler Ridge Energy Services
- Duz Cho Construction Ltd.
- Fas Gas Plus
- Greta's Class Act Services
- Hudson's Hope Lions Club
- IBEW Local 258
- Legacy Village Market
- Marg's Mini Mart
- North Peace Savings and Credit Union
- Omar Kirkeeng Excavating
- Peace View Enterprises Ltd.
- Plan B Technical Services Inc.
- Sportsman's Inn
- W6 Contracting

We would also like to thank the entire community for your generosity. Over \$1500 was raised during the fireworks event and was donated to Muscular Dystrophy Canada on your behalf.

Thinking about cutting down your own Christmas Tree this year?
Members of the public who wish to cut a Christmas Tree on Crown land for personal use must have a
"Free Use Permit for a Christmas Tree"
Be sure to pick up your FREE permit and don't forget to bring ropes, gloves, tools, tire chains, and warm clothing.

RECYCLEBC™

Thank You for your Support

We would like to take this opportunity to thank those residents who made our 2019 door to door food drive such a success.

Your generosity allows the Friends of Hudson's Hope Society provide much needed food and household items to residents through their food bank services.

Police Report: NOVEMBER 2019

CRIME STOPPERS
1-800-222-8477
SOLVECRIME.CA

Hudson's Hope RCMP responded to 30 calls for service between October 24th and November 12th. 45 written violations and warning tickets were issued to drivers between the above dates. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP. Police have received reports to the increasing number of vehicles speeding along Beattie Drive, therefore police will be monitoring this area frequently, especially with the school season now in effect. Speeding fines can range from \$138.00 to \$196.00, with excessive speeding resulting in a \$368.00 fine and a 7 day impound of the vehicle. Speeding in school zone fines range from \$196.00 to \$253.00. Please obey local speed limits within our community.

On October 16th, the Hudson's Hope RCMP received a report of a vehicle on fire near the Farrell Creek bridge. Local Fire attended the scene and confirmed that no persons were injured or within the vehicle. Upon further examination, it was confirmed that this vehicle is the one that has been left in place since July due to the truck being on Crown land and having no ownership. Environment Canada was notified but to date, no actions have been taken.

On October 26th, the Hudson's Hope RCMP conducted a road-check near Ardill Ave. where police checked multiple drivers for sobriety. During the stop, one driver was issued a 24hr driving prohibition for being found under the influence, and police also found several drivers with open cannabis within the vehicle, which was seized. As a reminder with the new Cannabis Act regarding the transportation of cannabis in a motor vehicle:

"An adult can operate a vehicle, whether or not the vehicle is in motion, if the following conditions are met: If the cannabis was produced by a federal producer, is still in the packaging from its purchase by a consumer and the packaging has never been opened; Cannabis is not readily accessible to the driver and any passengers in the vehicle, or There are no more than 4 cannabis plants that are not budding or flowering.(CCLA, sec. 81(2))."

Contravention of the above Act can result in a \$230.00 ticket and full seizure of all cannabis found.

On November 5th, the Hudson's Hope RCMP received a report of several break and enters/thefts that had occurred to oil field lots and buildings along the Core Rd. and Farrell Creek Rd. with several large items being stolen. Oil field security personnel have obtained and provided evidence of several vehicles that may be involved and this continues to be an open police investigation.

On November 8th, the Hudson's Hope RCMP received a report of an aggressive male deer (buck) that was observed chasing a loose dog. Police conducted patrols but were unable to locate the exact deer but the dog was unscathed and returned to its owner. As a reminder, it is that time of the year where the bucks only have one thing on their minds, "Love is in the Air" (quoting John Paul Young), and to refrain from approaching and or attempting to feed any deer or other wildlife as well as keeping your dogs secure from roaming freely.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Protect yourself against auto crime:

Hudson's Hope may seem like an isolated community and far from crime one would expect in a larger town, however, thefts of vehicles and thefts from vehicles do occur here. Please take the time to lock your vehicles and remove any valuables from inside even if you are only away from your vehicle for a short time such as when getting your mail or running into the store. Don't keep your wallets, purses or spare keys inside the vehicle even if it is in your driveway.

What you can do:

- ◆ Treat your keys like cash. Never leave your keys unguarded, such as at the gym or at the office.
- ◆ Park in secure, well-lit areas. Always lock your doors and close the windows, even if you're only away from your vehicle for a few minutes. When possible, try to park in areas near pedestrian traffic.
- ◆ Remove valuables from your vehicle. Shopping bags, tools, spare change, electronics, and brief cases can all tempt a thief. If it can be stolen, put it in the trunk.
- ◆ Wait for garage door gates to close behind you. Don't give thieves a chance to sneak in to a parkade.
- ◆ Keep your garage door opener out of sight. Store your garage door remote in a glove box or other concealed place, or take it with you.
- ◆ Use an electronic engine immobilizer or steering wheel lock. Additional anti-theft devices can help secure your vehicle, particularly if it was manufactured before 2007.
- ◆ Don't store a spare key in your vehicle. Keep your spare key or valet at home or on your person.
- ◆ Electronic immobilizers are anti-theft devices that cut off power to a vehicle's fuel, starter, or ignition system when not in use. If your vehicle is equipped with a passive electronic immobilizer, you may be eligible for discounts and savings.
- ◆ Vehicle alarms will draw attention to would-be thieves with sirens, beeps and other loud noises. Some systems will also trigger flashing lights.
- ◆ Steering wheel locks are good visual deterrents. However, they may not be enough protection if your vehicle has a moderate to high risk of being stolen.

Grade 12: Zack Deitner, Dimitriy Gortman, Sarah Haagsman, Liam Lepine, Taylor Rowe.

Canadian Equestrian Show Jumper, Amy Millar

provided an informative and educational presentation to our students on November 18th. It was inspiring to hear how the key elements of hard work, determination, and team work have been so important to her success. Amy is training hard for the upcoming Summer Olympics in Tokyo, and she will likely have some fans from Hudson's Hope cheering her on. Thank you to Petronas for making this presentation possible for our school!

Christmas Baking - Ms. Rhymer's & Ms Dee's Food class students have been busily baking cookies and treats for the Christmas Food Hampers. A huge thank you to the many community members for the generous donations of ingredients!

Volleyball - Congratulations to all of our teams. Mr. Heiberg and his Senior Girl's volleyball team had a very successful season. Every match they played was a nail-biter! Ms. Coombs coached the junior girls to some very competitive matches as well. It's been awesome to see how supportive the players have all been. Also Mrs. Scott and Mr. Beam coached two elementary teams who showed tremendous growth throughout the season. Way to go HAWKS!

Stone Soup - Mrs. Bach's grade 1-2 class utilized food they harvested from the school garden, and created some "Stone Soup", and pumpkin pies! They then shared with their big buddy grade 3

itary-Secondary School

-4 students. A big thank you to Stephanie (Taffy) Hues, as well as a number of secondary students for helping with this fun project!

Cardboard Challenge - Ms. Blakes K/1 class built some very creative cardboard projects to represent their communities! Hands-on learning!

The School Remembrance Day Assembly was a beautiful ceremony that included some meaningful and thought provoking art, speeches, musical performances and personal stories. Our students really demonstrated their respect for our veterans. Thank you very much to all of our students and staff for your efforts. Also thank you to the JCR's, RCMP, and community veterans for joining us. Thank you to Corporal (retired) Tracy Thompson for sharing her personal experiences. I would also like to thank and recognize Summer & Simon Dunseith for representing our school at the Municipal Remembrance Day Ceremony.

On November 7th our grade 4-7 students enjoyed a fun "Career Day" exploring different career options, while also participating in engaging hands-on activities. A big thank you to Mrs. Conway and her School District 60 Careers Team! The students rotated through six different stations including "Medical, Textiles, Try a Tool, Electrical, Welding, and Horticulture". We were very thankful to have Mr. Paulgaard run the Medical Station (with a tour of the ambulance as an added bonus), and Lannie Rhymer provided an awesome hands-on horticulture station! Jesse Matheson put together a great career information station with books from the library (which the Career Team thought was such an awesome idea, they are going to incorporate the idea into their future Career Days). Also, thank you Mrs. Hart for volunteering to help out wherever needed.

Our School Science Fair was once again a fantastic event. It is truly amaz-

ing to watch our grade three to six students share their projects with their peers, parents, and judges. I greatly enjoy observing how each child's confidence grows as they present to different audiences. A big thank you to our teachers and support staff for their guidance, and of course to parents for supporting your child(ren). We had a great turnout of parents, relatives, and community members to our Fair!

Also a big thank you to our many volunteer judges:

Mattias Gibbs, Levi Verlaan, Nigel Tilsen, Laurie Petrucci, Lorene Hamre, Guy Armitage, Bill Lindsay, Wally Harwood, Tashana Winnicky, James Paulgaard, Erich Schmidt, Tim Hart, Dave Sloan, Deborah Peck, Ross Peck, and Grace Okada

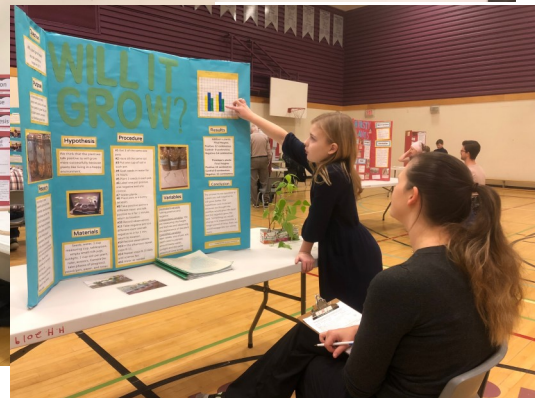

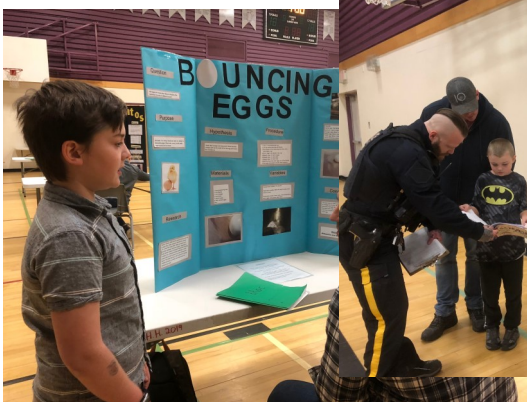

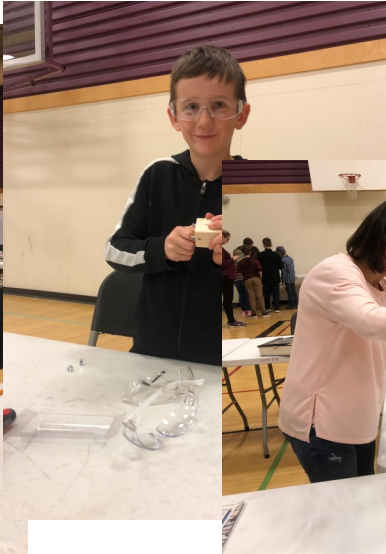

Congratulations to the following students who will be representing our school at the Regional Science Fair this Spring:

Hadley Gilliss, Sheigh Siemens, Andrew Quibell, Kaden McAndrews, Madison Beebe, Stella Matchett, Halle Beebe (gr 3), Damian Aldridge, Ayden Quibell, Penelope Mercereau, Addison Carruthers

Our Annual Christmas Concert will take place on Wednesday, December 18th at 7:00pm. Community members are welcome to come and enjoy the fun performances our students will be presenting.

Pancake Breakfast & Winter Fun Day - Our PAC helps organize and run this event each year. If you would like to help out with the breakfast, or if you have a craft/activity that you think would be fun that you would be willing to lead, please contact Mr. Beam at the school. We generally have stations for students to sign up for such as: sledding, snowshoeing, skating, curling, crafts, board games, coding, climbing wall, baking, etc.

Merry Christmas
**FROM THE
LIONS DEN**

Hello everyone and welcome to the Lions Den. Christmas is always a busy season for us and this year is no different! We want to say a huge thank you to Cheryl Baytaluke's Classroom Champions again this year for their help with the Community Hall Christmas decorations. This is such a great way to introduce younger people to the benefits of volunteerism and many hands make light work!

December 1st starts off the month with the Christmas Parade and Light Up. I will be there with my fellow Lions members taking part in the parade and enjoying hot chocolate and treats at Beattie Park for the Light Up.

Saturday, December 7th is our Community Christmas Dinner at 6 pm at the Community Hall. I hope everyone can make it out to enjoy a full turkey and ham dinner for just \$10 for an adult and \$5 for kids and seniors. Tickets are available at Legacy Village Market and Marg's MiniMart. A donation of a new pair of socks or a non-perishable food item would be greatly appreciated to help fill the Christmas hampers.

The wonderful folks at the Friends of Hudson's Hope Food Bank do an amazing job putting together all the Christmas Hampers. The Lions Club are pleased to be delivering them to households in the community in time for Christmas.

As the year draws to a close, myself and all of the Lions would like to thank everyone for their continued support and to sincerely wish you and yours a very Merry Christmas and best wishes for a wonderful New Year!

Check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com.

We are always looking for new members!

Elf on the Shelf – It's December! Time for Booklyn the Library Elf to show up in a new hiding spot every day that the library is open! Come in and find Booklyn and you can enter the draw for our free goodie basket giveaway! There is still time to make a basket donation or a monetary donation toward the library. We will hashtag your business or personal Facebook account on the day that your item is added to the basket, so that you can use this program to engage your customers through your own social media outlets as well. Contact Amber for details about donating to our Elf on the Shelf basket.

Did you know...

- A Board of Trustees governs the Public Library. We will be having our Annual General Meeting on Wednesday January 22nd, 2020. This meeting is open to the public and there is currently room for new Trustees.
- Our Walk-In book club this month is featuring *When We Left Cuba* by Chanel Cleeton. "In 1960s Florida, a young Cuban exile will risk her life--and heart--to take back her country in this exhilarating historical novel from the author of *Next Year in Havana*, a Reese Witherspoon Book Club pick."
- Overdrive, AKA Libby, AKA Library2go, has "Skip-the-line" loans also called their express collection. Our shared collection coordinators from BC Library Co-op are trying out a new format with a selection of titles. If being able to get an eBook or audiobook without a hold interests you, then please check out some of the titles available through this program. At the onset of this pilot project, there were 301 eBooks and audiobooks available for short loans (7 days eBooks, 14 days audio). One of my personal holds was updated just today (November 21st) as a skip-the-line title! Therefore, I was able to shave 10 weeks off the wait time of this popular title that I had placed a hold on a month ago. When the express title is added, and you already have that format of the title on hold, you receive a notification for the express title and have the option to download it right away. Your original hold is still active until you cancel it, so if you cannot finish the title in the shorter loan period, you will still receive the title again when your hold is ready.

DISTRICT OF HUDSON'S HOPE PUBLIC WORKS NEWS & VIEWS

It's the festive time of year, and for those that celebrate, Merry Christmas, Happy Hanukkah, Happy Kwanzaa, and all the other festivities I've missed. Best wishes to all.

November is a time for planning the up-coming year. We, at Public Works are assessing our needs for 2020 and developing our work plan for the year. We are also developing some service level planning for winter maintenance, grass cutting, as well as preparing orders for next year's flowers. The service level planning allows us to make the best use of our resources, however, the best laid plans are still subject to the cooperation of the weather.

November did see the completion of our quonset hut (at least all but the front). We now have sheltered storage in the back of the public works yard. This will be used for off-season equipment, as well as water/sewer pipe storage.

November saw our first significant snow fall, and our crews were out before the Remembrance Day ceremonies to ensure the roads and sidewalks were safe to use.

Crews have prepared our winter sand/salt mix, and yes, it is a sand mix this year, not a stone mix. Part of our stone crushing program this summer allowed us to prepare material for winter use. Please let us know your thoughts of this new mix at publicworks@hudsonshope.ca.

Our new loader has a multi position snow blade attachment that should make it easier to clear parking lots and other snow clean-up jobs. The blade assembly was mated to the loader in the third week of November and is ready to use in future storms.

All the attachments have a "quick-attach" so changing between the bucket, snow blade and pallet forks is a simple and quick process.

This ensures we have the right attachment for the job at hand.

The storm sewers were also cleaned out in November. This removes leaves and other debris that accumulates in the catch basins. This debris can contribute to freezing of the storm sewer as storm water run off cannot flow away to the river. The seasonal lights are up at Beattie Park in preparation for the Lighting Up festivities on December 1st. Come out and enjoy the lights, hot drinks, Christmas floats and the cheer of friends and neighbours.

The staff and management of the Public Works Department wish you all the very best for a happy and safe holiday season. And remember, if you drink, don't drive, and if you drive, don't drink.

Mark Sture
Public Works Manager

PROTECTIVE SERVICES

What is a Winter Tire?

British Columbia accepts "mountain snowflake" or "mud and snow" tires with at least 3.5 mm tread as winter tires.

Check your tires for these signs:

The mountain/snowflake symbol on the side of the tire These winter tires offer the best traction on snow and ice, and in cold weather.

The mud and snow symbol on the side of the tire These winter tires offer better traction than summer tires, however, they are less effective than mountain/snowflake tires on snow and ice, and in cold weather.

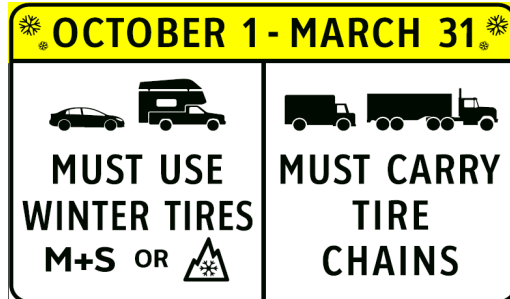

3.5 mm tread Tires must have 3.5 mm of tread remaining to be considered winter tires.

Matching Winter Tires You must have at least 2 **matching** winter tires on the same axle, but **it is recommended to use 4 matching tires.**

Studded Tires

May be used on BC highways from October 1 to April 30, but **must** have mountain/snowflake or M+S symbols to be considered winter tires.

<https://www2.gov.bc.ca/gov/content/transportation/driving-and-cycling/traveller-information/seasonal/winter-driving>

When are Winter Tires or Chains Right for Me?

Winter tires and chains can make your vehicle safer.

You **MUST** use winter tires (passenger vehicles) or carry chains (commercial trucks) between October 1 and March 31 on **most BC Highways.**

British Columbia's climates range from freezing cold to pleasantly mild in the winter; equipping your vehicle appropriately depends on what you are driving and where you are driving. Drivers in some parts of the southern coast, where regulations are more relaxed due to warmer weather, should use discretion when equipping their vehicles.

More winter driving tips can be found at

ALL-SEASON TIRES

All-season tires are made with a harder rubber blend that can withstand hot weather.

NORMAL TRACTION FOR A WIDE VARIETY OF CONDITIONS

TREAD COMPOUND STIFFENS AS TEMPERATURES DROP

MADE FOR DRY AND WET CONDITIONS

VS

WINTER TIRES

Winter tires are designed with a rubber compound that remains flexible in snowy and icy conditions.

TRACTION OPTIMIZED WITH DEEPER GROOVES AND SHARP, IRREGULAR EDGES

TREAD COMPOUND REMAINS FLEXIBLE IN TEMPERATURES BELOW 7 DEGREES

DESIGNED TO GRIP SNOW, SLUSH AND ICE

Irene Hampton Ardill

June 15, 1932 - October 20, 2019

(nee Ambrose) was born June 15, 1932 in Moose Factory, Ontario. She was the oldest child and only daughter of Harry and Christina Ambrose of Scotland. Harry was a fur trader for the Hudson's Bay Co. and his work took the family across northern Ontario and the Northwest Territories. In 1943 the family moved to Hudson's Hope where Harry took over the Hudson's Bay post. Irene and her brother Henry attended school in Hudson's Hope where Irene made many lifelong friends. In June of 1948 she graduated from North Peace Secondary School in Fort St. John. After graduation Irene moved with her family to Scotland and then to Edmonton Alberta where she worked at Eaton's Department Store. Irene reunited with Dick Ardill when he was in Edmonton; he walked into the Eaton's Department store and there she was! Dick, being quite smitten by the lovely lady and went to her home for dinner, and in 1952 Irene returned to the Hudson's Hope area for the last time when she became the bride of Dick Ardill. They were married October 25, 1952 in St. Peter's Church in Hudson's Hope.

Dick and Irene have spent the last 67 years living and working on the family ranch. Here they raised their family of four children, Renee, Lorna, Kathy and Donny. Irene was involved in all aspects of ranch and community life. She cooked for haying crews, tended a large family garden and raised her children, and was Grandma to many others. Irene passed away on October 20, 2019 in the Fort St. John Hospital with Dick and her children by her side. She leaves to mourn her loving husband Dick, daughters Renee (Karen) Ardill, Lorna (Steve) Winnicky, Kathy (Bernie) Schroeder and Don (Doug) Ardill, grandchildren Walker (Tara, Noble, Khalida) Grassie, Travis (Heather, Carolie, Kyla) Winnicky, Trent (Tashana, Gaige, Azlyn) Winnicky, Sorrel (Lauren, Aaliyah, Zaric) Schroeder, sister in law Carol Ambrose and numerous nieces and nephews. Irene was predeceased by her parents Harry and Christina Ambrose and her brother Henry Ambrose. She was well loved and will be missed by many. In lieu of flowers donations can be made to the Canadian Arthritis Society or the Fort St John Palliative Care Society.
