Police Report: DECEMBER 2019

Hudson's Hope RCMP responded to 29 calls for service between November 12th to December 15th. 84 written violations and warning tickets were issued to drivers between the above dates. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP. Police have received reports to the increasing number of vehicles speeding along Beattie Drive, therefore police will be monitoring this area frequently. Speeding fines can range from \$138.00 to \$196.00, with excessive speeding resulting in a \$368.00 fine and a 7 day impound of the vehicle. Speeding in school zone fines range from \$196.00 to \$253.00. Please obey local speed limits within our community.

On November 13th, the Hudson's Hope RCMP received a report of a stolen vehicle from a residence along Beattie Dr. Upon investigation, it was found that this vehicle had been legitimately stolen from the residence and police continue to investigate the file. Neighboring jurisdictions have had an increase in motor vehicle thefts over the last few months due to the number of un-attended vehicles left running with the keys left in the ignition.

On November 30th, the Hudson's Hope RCMP were investigating a possible firearms trafficking file and upon further information received, police were able to obtain a search warrant for a residence in town and upon execution of the search warrant, police seized several illegally stored restricted firearms. Charges are being sought and this remains an active police file.

On December 4th, the Hudson's Hope RCMP received a report of two ATVs that had been stolen from the back of a flat bed truck which was parked along the Kobes Creek Rd area. These ATV's were described as a camo coloured Honda TRX450FM and a red coloured Honda TRX450FM. If anyone has any information or has observed these ATVs in the area, please call the local RCMP detachment.

On December 9th, the Hudson's Hope RCMP received a report of a theft from vehicle from a residence along Paquette Ave. It was reported that an unknown person had gained access to an unlocked vehicle sometime during the late hours of the evening and had rummaged through the contents of the vehicle and several items were found to be stolen. Though we live in a small town, these types of crimes still do occur so it is advised to make sure your doors are locked and to avoid leaving any items of value in plain sight.

Being that it is Christmas time, there has been and will be many Christmas gatherings and parties so please use responsibility when it comes to driving home from these events and or use a safe ride home.

From your local Hudson's Hope RCMP detachment and staff, we would all like to wish everyone a very Merry Christmas and if someone is actually crawling down your chimney on Christmas Eve with a bag over their shoulder, please give us a call.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Preparing an Emergency Kit for Your Car

Slippery or snow-covered roads, reduced visibility and bitter cold are all conditions that can make driving difficult and even dangerous during cold weather months. Winter also brings an increased risk of getting stuck in your car, so dress warmly before heading out.

Emergency Car Kit

If you have a car, prepare an emergency car kit and keep it in the vehicle. The basic emergency kit for cars should include the following items:

Check off the items for your 72-hour emergency kit as you accumulate them.

Top of Form

Food: That won't spoil, such as energy bars

- **Water:** In plastic bottles so they won't break if frozen (change every six months)

Blanket

I Extra clothing and shoes

First aid kit: With seatbelt cutter

- Small shovel, scraper and snowbrush

- Candle in a deep can and matches

Wind-up flashlight

Whistle: In case you need to attract attention

Also keep these inside your trunk

Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

BE WARM AND SAFE THIS WINTER!

- » Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- » Have a three-foot "kid-free zone" around open fires and space heaters.
- » Never use your oven to heat your home.
- » Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- » Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- » Remember to turn portable heaters off when leaving the room or going to bed.
- » Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- » Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- » Test smoke alarms monthly.

Heating Equipment Smarts

Install wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

Install and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

FACT

Half of home heating fires are reported during the months of **December, January, and February.**

Our Student Council organized a fun Games Night for the grade 7-12 students on December 12th. The students played a variety of games, had a Gingerbread House Building contest, and just had a great time. Thank you Ms. Mee and to Mr. & Mrs. Naisby for volunteering to chaperone. Awesome work!

The grade 7-9 **Entrepreneur Fair** was a huge success. Ms Baytaluke's "Applied-Design" students researched, created, marketed, and sold their hand-crafted products. It was really exciting to see our younger students shopping for items for their friends and families. Thank you to the many community members who stopped by to view and/or purchase items. On behalf of our staff, I would like to say thank you to the Gortman family for the numerous breakfast, lunch, and dessert/baking treats that they have been treating our staff to over the years. Thank you so much!

ary-Secondary School

The Hudson's Hope School Annual Christmas Concert was an extremely well attended event, with an audience of over 300! This year's theme was "Better To Give". The Concert was absolutely beautiful, with singing, laughing – (The "Twelve Days of Christmas production was hilarious), and love. A huge thank you to Ms. Dee for her hard work and dedication. It is so rewarding to have so many community and family members together to enjoy this performance. Also, thank you to all of our volunteers such as Dylan Beswick & Mr. McCarthy (lights & sound), our many students for set-up and clean-up, and Nicola Gibbs for providing "lyrical expertise". What an enjoyable community event!

Community Quilt – Thank you to Britt Silk, Valerie Bashforth, Linda Siemens, Alison Rice, Tonia Alexander, and Joan Alexander for creating a beautiful quilt to raffle for the Friends' of Hudson's Hope. With help from our students, we were able to raise nearly \$600!

Pancake Breakfast & Winter Fun Day – Once again our Parent's Advisory Council, along with the Fire Department, RCMP, and Emergency Response volunteers put together a fabulous breakfast for our school. The afternoon "Fun Day" was a blast! Thank you so much to our many volunteers for making this event so successful, and sending our students off to the Christmas Break with smiles and laughter! Also, thank you to Jean-Michel Lessard, and Angela Forseille for expertly and enthusiastically supporting our students on the climbing wall.

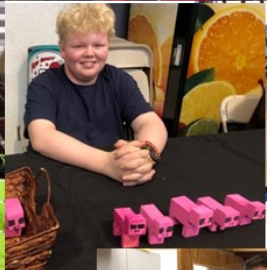

Thank you Dawson Creek Butcher Block for generously donating 3 boxes of sausages for our pancake breakfast!

Acts of Kindness – Throughout the school year our students have been happily providing acts of kindness as a way to "give back" to the volunteers and supportive services in our wonderful little community. Students have been providing cards, poems, small gifts, meals, and even songs to our RCMP, District Staff, Volunteer Firefighters, Thrift Store, Silver Willows, Health Clinic, Public Library, School Staff, the Lions Club, and much more. These activities have helped us all to recognize the value of volunteering, and the value of showing appreciation. Thank you to all of our H.A.W.K.S for your community citizenship!

Best wishes! On behalf of the staff and students of Hudson's Hope School, I would like to extend a Merry Christmas and Happy New Year to all of our community members!

HAPPY
NEW YEAR
FROM THE
LIONS DEN

Hello everyone and welcome to the Lions Den. I hope everyone had a wonderful holiday season with friends and family. December was very busy for us. At the end of November, we decorated the Hall for all the upcoming Christmas events as well as a float and the Lions bus for the parade and light up.

December 7th was our Community Christmas Dinner. We had a packed house for the dinner and not much food was leftover! A huge thank you goes out to Darren Rosie and ARC Resources for their generous donation of \$1,000 towards our Christmas Dinner and to the two anonymous elves that donated money as well. Also, thanks to all those that brought a donation of food or socks for the Christmas hampers.

In the middle of the month we delivered the Christmas hampers that the wonderful folks at the Friends of Hudson's Hope Food Bank put together.

We would like to wish everyone good health and happiness in 2020 and beyond!

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

Elf on the Shelf – Thank you so much for all of the generous donations toward the Elf on the Shelf basket draw! This is one of our favorite library promotion events because it highlights the kind generosity of our small community. That we can have such a great prize and offer entry in to the draw for free makes this annual event very worthwhile for our staff.

Did you know...

- Our library is governed by Board of Trustees. We will be having our Annual General Meeting on Wednesday January 22nd, 2020. This meeting is open to the public and there is room for new Trustees.
- Our Walk-In book club this month is featuring *The Nest* by Cynthia D'Aprix Sweeney. "A warm, funny and acutely perceptive debut novel about four adult siblings and the fate of the shared inheritance that has shaped their choices and their lives."
- When you donate used books and DVDs to our collection, we add as many as we can to our collection that meet our collection development criteria. If they do not meet these guidelines then we add them to our sale shelf. These items are sold by donation along with books that have been deleted from the library collection due to age and relevance. Once they have had their fair turn on the sale shelf, they then go up to the "Share Shed" where they are available for free!

Shellie Howard, Youth and Children's Programmer

It's the New Year, and a time for fresh beginnings. The Public Works Department, though, is hoping to build upon the successes of 2019 and continuing doing good things for the District. I hope that you all had a good holiday season!

Some of our achievements in 2019 include:

- Replacement of water main valves and paving of old service connection areas.
- Upgrade to the Beryl Prairie well pump.
- Replacement of the sanitary system for the Beryl Prairie Fire Hall.
- Repairs to the pool liner.
- Replacement of the loader
- Commencement of an Asset Management system with initial data collection in 2019
- Crushing and stockpiling of gravel, with a 3 to 5 year supply.
- Development of new wells for our potable water supply.

In 2020 we are hopeful that we can get the Beattie Lift (sewer) Station updated and made safer for our crews who look after the site by bringing the valve control out of the wet well. It is also our hope that we can replace a few more water main valves and a couple of hydrants once the budget has been approved. Each leaking valve replaced saves us more water as we are addressing leaks in our system. We are also looking at various options for paving and road repair. The Capital Budget will go before Council in the early spring.

District staff have recently completed a draft document outlining ways we can improve our green space maintenance and grass cutting schedule. The document defines the different types of open space and the level of maintenance each should receive. Weather cooperating we are hoping to have a great outdoor season this year.

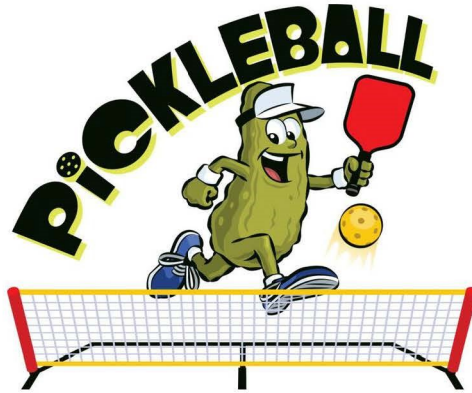

This year will also see us complete some facility assessments to determine next steps for maintenance and capital upgrades of our recreation facilities; these include the arena, swimming pool and tennis courts.

We wish you all the best for a happy, healthy and prosperous 2020.

Remember, the early winter was kind to us on the roads, but please take care and don't get complacent when travelling around the area.
