## Police Report: JANUARY 2020

**CRIME**  
**STOPPERS**  
1-800-222-8477  
SOLVECRIME.CA

The Hudson's Hope RCMP responded to 34 calls for service between December 15<sup>th</sup>, 2019 and January 15<sup>th</sup>, 2020. RCMP members served 34 violations tickets and written warnings in December 2019, and an additional 20 violations tickets and written warnings were issued to drivers between January 1<sup>st</sup> and January 20<sup>th</sup>, 2020. The Hudson's Hope RCMP continue to maintain a high priority of traffic enforcement and road safety. One of the 'careless driving' offences in the Motor Vehicle Act states "a person must not drive a motor vehicle on a highway at a speed that is excessive relative to the road, traffic, visibility or weather conditions" 144(1)(c) MVA. During the winter months, drivers must keep in mind the importance of reducing speed according to the weather and road conditions to ensure safety and to prevent unnecessary collisions. Speeding fines can range from \$138.00 to \$196.00. Excessive speeding (more than 40 Km/h over the speed limit) can result in fine amounts between \$368.00 and \$483.00, and includes a 7-day vehicle impound. Fine amounts for speeding in school zones range from \$196.00 to \$253.00. Please be attentive to speed limit signs and drive accordingly.

On December 17<sup>th</sup>, the Hudson's Hope RCMP were called to assist with a report of a stolen vehicle that fled from police in Fort St. John heading South on Highway 29. Hudson's Hope RCMP members set up a road block and disabled the fleeing vehicle with a spike belt. The driver, however, continued in his attempt to flee from police. A short time later, police safely apprehended two suspects from the vehicle. Several criminal code charges were laid as a result and the investigation is on-going.

Throughout the month of December, there were a number of reports of break and enter to commercial areas that resulted in significant damage as well as theft of property. The targeted items included small appliances, tools, other commercial equipment, and copper wire. These files are currently under investigation. Please contact the Hudson's Hope RCMP if you have any information about these or other similar occurrences. Residents in rural areas are reminded to be diligent to keep valuable items locked up in a secure place.

In other news, the Hudson's Hope RCMP is in the process of selecting a new detachment commander. Several applications are currently being reviewed by RCMP management for candidate selection. Keep an eye out for future announcements regarding the appointing of a new detachment commander.

Finally, now that we are in the full force of winter, members would like to remind snowmobilers and those enjoying other recreational winter activities to employ safe practices, to use appropriate outerwear, and to be prepared in case of emergencies. In British Columbia, there is an average of more than 20 fatalities every year that

result from outdoor recreational winter activities.

On behalf of the Hudson's Hope RCMP members and staff, I would like to wish everyone a safe and enjoyable winter season.

Cst. Tim HART

## HOUSE NUMBERS SAVE LIVES

### The Importance of a 9-1-1 Address

Properly displaying your civic number on your house or at the end of your drive ensures fast emergency response for the **AMBULANCE**, **FIRE** and **POLICE** Services. Precious minutes can pass while the emergency vehicle attempts to locate the emergency incident.

It is strongly recommended that you ensure that a civic address is posted with the following guidelines in place:

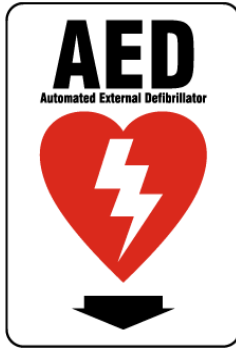

- the civic address the District has assigned to the premises must be displayed on the principal building on the premises and must be legible from a minimum distance of fifteen (15) metres;
- where a building is set back from the street or roadway fronting the property such that the assigned street address is not clearly legible from the street or roadway, or where landscaping or architectural appurtenances or other obstructions obstruct the address, the assigned street address shall also be displayed at the driveway entrance from the street or road serving the building on a weather-resistant sign permanently mounted on a post and visible from all direction of traffic flow; and
- letters or numbers displayed on a building must be of a colour which contrasts with the background colour of the building or sign.

More information on how to properly display your civic address can be found in the Fire Protection and Life Safety Bylaw 775, contact the District office at (250)783-9901 for more information.

# PROTECTIVE SERVICES

## Automated External Defibrillators

### What are They?

An automated external defibrillator (AED) is a small, portable device used to identify cardiac rhythms and deliver a shock to correct abnormal electrical activity in the heart. AEDs are used to treat sudden cardiac arrest (SCA).

Up to 40,000 cardiac arrests occur each year in Canada. That's one cardiac arrest every 13 minutes.

Eighty-five per cent of cardiac arrests in Canada happen outside of hospitals, and having an AED close by can make all the difference. The American Heart Association warns that for every minute lost before defibrillation, the survival rate decreases by seven to 10 per cent. After 12 minutes, the survival rate plummets to less than five per cent.

When CPR and an AED are both used within five minutes of a cardiac arrest, the chance of survival rises by nearly 75 per cent, according to research published in the Journal of the American College of Cardiology.

### Where are They?

Quick access to an AED can greatly improve a patient's survivability rate, and knowing where AEDs are located within your community can help facilitate this. Fortunately there are a number of AEDs located within the District of Hudson's Hope. Emergency responders including police, fire and BC Ambulance all have devices on their apparatus and vehicles. There are also AEDs located **at the Arena in the winter and the Pool in the summer.** Staff at these locations have training in their use. **Hudson's Hope School** has an AED in the staff room and has staff trained in its use. Other places that might be less obvious are **the Library** where an AED is on site, and staff and board members have received training in AED and CPR, and **Silver Willow Court** where they also have an AED available.

Another interesting way that you can locate and help develop an inventory of AED locations in your community is through the PulsePoint AED website and app. Check it out here: <https://www.pulsepoint.org/pulsepoint-aed/>

### Where can I Learn More?

To learn more about AED use you can contact your local first aid course provider to enroll in a CPR/AED training course and we invite you to take a few minutes to watch a short video on the District's Emergency Services web page @ <http://hudsonshope.ca/residents/emergency-services/>

## HUDSON'S HOPE CLUBS AND ORGANIZATIONS FINANCIAL ASSISTANCE GRANTS

**Application deadline is February 15, 2020**

**Council is now accepting applications from non-profit clubs and organizations requesting funding assistance in 2020**

The District of Hudson's Hope recognizes that valued contributions are being provided through volunteer efforts of local organizations and agencies that benefit the community. The Financial Assistance Grant demonstrates Council's commitment to working with these local groups that provide these beneficial programs, services or projects to the community while at the same time recognizing the financial constraints of the District.

1. The primary purpose of Financial Assistance Grants is to assist to organizations for a specific capital project or local event that benefits the residents of the District of Hudson's Hope;
2. The financial assistance includes donation of time, facilities and District inventory (tents, tables, chairs, etc.);
3. Grants will not be provided for travel expenses;
4. The applicant organization must be registered as a Society in either the Province of British Columbia and / or Canada, and includes organizations that belong to a parent Society in Canada; and
5. Upon completion of the project, the applicant must submit a final report to the District outlining how funds were expended.

For full application details please visit our website at:  
<http://hudsonshope.ca/residents/clubs-services/>

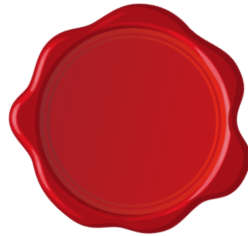

***PLEASE NOTE: A report must be submitted if your organization received a grant for 2019, otherwise a grant application for 2020 will not be approved.***

Applications should contain all ***assistance requests for the year***, including waivers for municipal tent rental and other donation requests such as complimentary recreation admission requests.

**Forms may be picked up at the District Office**

Should you have any questions, please contact  
Jeanette McDougall, Corporate Officer at 250-783-9901

# 2020 Business Licenses

The 2020 Business License statements have been mailed out. If you no longer require your Business License, please call the District Office to have your license cancelled. If you do not have a business license or are unsure if you require one, please stop in or call for more information.

Bylaw No. 504 clearly states "that no person shall carry on, within the Municipality, any business unless he or she is the holder of a valid and subsisting license issued to him or her under the bylaw by the License Inspector and shall pay therefore, to the License Inspector, the sum stated in the bylaw". The annual cost for a business license is \$50.00

A "business" is defined as any activity in which you receive monetary compensation for any services that you may provide within the community.

If you are operating a business without a license, you are in direct violation of Bylaw No. 504.

# 2020 DOG TAGS Now Available

## Reminder....

2019 Dog Licenses  
expired on  
December 31st.

## Why Should I License My Dog?

## In case we get Lost....

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

## It's Easy and Inexpensive

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

The Fee for a dog picked up at large is \$60.00. There is an **additional fee of \$60.00 if they are not licensed** (this does not include any boarding fees, if applicable).

**Congratulations to our Secondary Girls' Basketball Team.** They competed in their first ever tournament last weekend in Chetwynd. The girls played extremely hard, and improved their team-skills each game. Ms Brown is really enjoying coaching this supportive group of girls! Thank you Christopher Fequet and Joel Tichonow for helping out!

**Good luck to our Secondary Boys & Girls Basketball Teams** on your upcoming Zones tournament at Bert Bowes on February 8<sup>th</sup>. A big thank you to James Paulgaard for volunteering to coach our boys, and for JP McCarthy, and Christopher Fequet for your time and expertise.

**Thank you Mr. Beattie** for the excellent snow hills! Our students are greatly enjoying building tunnels, sledding, and tumbling in the snow.

**Did you know...**Hudson's Hope School is the only school in our District that provides "Baking Numeracy" to our elementary grade students? This initiative is tied closely to our Framework for Enhancing Student Learning, with an emphasis on improving retention of numeracy concepts. We have been enjoying excellent results, and the students are having a lot of fun learning. Without the wonderful funding support from Petronas, this valuable program would not be possible. Thank you Petronas!

**Band Program** – For the first time in our new school, we have a band program! We had our first practise on Wednesday, January 22<sup>nd</sup>. It was very exciting to see our students taking part in this first introductory lesson. I would like to thank School District #60 for providing funds to purchase a significant portion of the required equipment. Of course, thank you Mr. Hart for providing this amazing opportunity for our students!

# Jary-Secondary School

**Wrestling** – Congratulations to our Hudson's Hope School Wrestling Team. They recently competed in the Grande Prairie Wrestling Club "Northern Lights Tournament". This is a very popular tournament with a lot of competitive wrestlers from Northern Alberta. Our wrestlers performed extremely well at this tournament. Here are the results.

**Sean Hodgkinson** 100kg – **Silver** (Sean's first competition. He wrestled against a mature and experienced wrestler!)

**Pasco Weder** 92kg – **Silver**

**Xavier Beam** 92 kg – **Bronze**

**Lucas Beam** 46kg – **Gold** (Lucas also wrestled two competitors above his weight class, and won both matches).

**Nero Weder** 55kg – **Silver**

**Bella Lucas Jarnagin** 69kg - **Gold**

**Ginger Lucas Jarnagin** 60kg - **Silver**

**Freyja Jarnagin** 57kg – **Silver**

Our wrestlers will be competing in the "Zones" tournament on February 8<sup>th</sup>. Students who qualify will have the opportunity to participate in Provincials in Langley, Feb 15<sup>th</sup> & 16<sup>th</sup>. Thank you to Coleman Mercereau and Peter Douglas for coaching our students. Way to go HAWKS!

Did you know .. Hudson's Hope School is one of the only schools in B.C. with an Equine Studies program; and the only school in the world that offers Glenn Stewart's Natural Horse-manship? These courses teach our students a variety of horse care, and horse training/riding skills. More importantly, students learn to be cooperative, introspective, assertive, communicative, respectful, and consistent. Congratulations to the following students for earning their Stage 1 certification: Brynn Beswick, Emma Ravello, & Lucas Beam.

**"The greatest gift to give to this era is your time"**

Brrrrr!!! That's about all I have to say for the first 3 weeks of the new year. And the last week of January warmed up to more reasonable temperatures, just in time for the Polar Plunge.

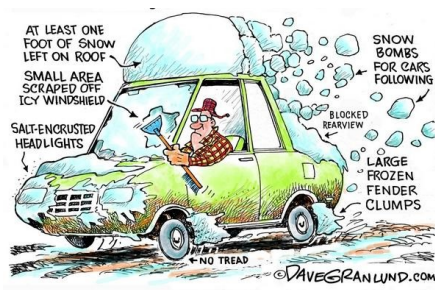

Public Works personnel spent much of January clearing snow and performing winter maintenance activities. Plow trucks will naturally leave a windrow at the edge of the roadway as they are plowing. If the windrow is excessively high, when we have time we can come around and knock those down, but it may be some time after the road has been plowed.

There were a few issues with the heat in the Beattie Sanitary Lift station which required a new control panel for the furnace. The electronic controls for the pumps do not react well to the cold weather. Personnel responded quickly providing temporary heaters until the furnace was fixed. All repairs have now been completed and the Lift Station is operating normally.

Public Works staff assisted with the Winter Carnival events, providing firewood, clearing ice, and the like. By all accounts, it was another successful year for the Carnival.

Arena operations are continuing and we encourage you to take advantage of the public skate, or participate in some of the team activities. By the time you read this, there will be about 6 weeks of ice time before the seasonal shut down.

District staff are working on this year's operating and capital budgets and making plans to continue improvement of the District's infrastructure. More details will be provided as plans are further refined.

On a safety note, please remove all the snow from your vehicle before driving. That includes, lights, license plates, windows, your hood, trunk and roof. Snow on the flat surfaces of your vehicle can blow or slide over your windshield obscuring your view or blow into the path of a trailing vehicle blocking their view. In the 2-3 minutes it takes to warm up your car, you can clear the snow, making it safer for you and other motorists.

Remember, the early winter was kind to us on the roads, but please take care and don't get complacent when travelling around the area.

Mark Sture  
Public Works Manager

HAPPY VALENTINE'S DAY

FROM THE  
LIONS DEN

Hello everyone and welcome to the Lions Den. I hope everyone is managing to keep warm with this crazy weather. It has been a quiet month for Lions Club members - a nice break after the busy Christmas season. Valentine's Day is coming up this month. It's a chance to do something special for someone special to you!

Here are a few fun facts about the lion – King of the Jungle. It seems odd to be the King of an area that you don't inhabit. Lions live in the savanna, not the jungle as we know it. The word jungle comes from the Hindi word "jingli" meaning an uninhabitable place which describes most of the areas where lions are found. The colour of their coat varies from region to region. In areas that are cooler or the humidity is higher, they tend to have darker fur.

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at [lionsclubhh@gmail.com](mailto:lionsclubhh@gmail.com). We are always looking for new members!

## **River of the Peace Métis Society COMMUNITY REPORT**

Last March, our Vice President, Ramona West and our office secretary, Lynn Blythe, attended the MNGA in Richmond, B.C. At the General Assembly, River of the Peace Métis Society was given full charter rights as we have enough membership to be recognized as a Chartered Society. We are proud of this achievement and can now further help our members in various endeavors. Our membership is growing every month. MNBC is working with the federal government on behalf of all Métis people and we look forward to being recognized with status.

In attending the General Assembly, we also learned that there are only three areas of Northeast BC that are recognized by the Federal Government as Métis Homeland – Kelly Lake, Moccasin Flats and Hudson's Hope. Proud to have Hudson's Hope recognized as we have a good size membership in our area.

President, Valerie Paice and Secretary, Lynn Blythe are attending regular Site C meeting with the Cultural & Heritage Resources Committee and continue working towards a common goal with Treaty 8 towards signage promoting and educating the public about Treaty 8 peoples and lands. We are making progress with this ie: video production; traveling exhibits; museum exhibits; signage; etc. BC Hydro has given us \$50,000.00 to do a project here in Hudson's Hope.

The Society has secured a grant's program person for programs such as Healthy Living, leadership training, outdoors programs, etc.

Our office is well stocked with information for various programs and funding initiatives. Feel free to drop in and browse our shelves. We can help with education courses; training programs; youth programs; etc.

We welcome any input on what we can help our community with. Come to our meetings and give us your ideas and voice. Meeting dates are announced with hhpsa and all are welcome to attend.

Our phone number is 250-783-2034 and email – [riverofthepeacemetis@gmail.com](mailto:riverofthepeacemetis@gmail.com)

Respectfully:  
President Valerie Paice

Extraordinary for its exquisite language, its implacable sorrow, its soaring beauty, and for its monumental portrait of the forces that shape families and nations”.
- We have all of the top 5 titles for Canada Reads! Come on in and get your name on the holds list for all 5 titles. The top 5 include *Son of a Trickster* by Eden Robinson, *Small Game Hunting at the local Coward Gun Club* by Megan Gail Coles, *Radicalized* by Cory Doctorow, *We Have Always Been Here* by Samra Habib and *From the Ashes* by Jessie Thistle. Shellie and Amber are both trying to get them all read before the Canada Reads debates air live March 16<sup>th</sup> to 19<sup>th</sup>. Come on in and discuss your thoughts on this year’s contenders and defenders.

### Shellie Howard, Youth and Children’s Programmer

**Storytime:** The month of February has us still using and playing with the blue theme bins. In January we did Shapes, Farm, Dinosaurs and Food & Nutrition. February 4<sup>th</sup> we will use the Outer Space Bin; February 11<sup>th</sup> Colours; February 18<sup>th</sup> Emotions; February 25<sup>th</sup> Letters! Come and play it’s always a fun day.

**Tween Drop-In:** The month of February has us playing board games on the 4<sup>th</sup>, cards or some computer time. The 11<sup>th</sup> we will be painting, theme and design to be determined. The 18<sup>th</sup> we will be making slime! The 25<sup>th</sup> we will be having winter fun, starting with some hot chocolate, a paper snowball fight, and finishing off with a paper snowman race. Fun from 3:30-5:00, you can always leave early or come later. Tween drop-in is for ages 9-12.

**Library Club:** February 5<sup>th</sup> we start by celebrating Weatherman Day. What kind of storm can we whip up in the library? February 12<sup>th</sup> is Lost Penny Day. What is Lost Penny Day about? You will have to come in to find out! February 19<sup>th</sup> is Tug of War Day. You guessed it - we will be playing tug of war this day, so bring your muscles and some friends and let the war of strength begin. February 26<sup>th</sup> is Pink Day, so come in pink and get your

name entered for a prize. It is also Tell-A-Fairy-Tale-Day so lets see what you all have to say!!!

**Teen Drop-In:** Teen drop-in has been busy as usual. The teens enjoyed their late night game-out session night we had on January 23rd from 7-9. February 6th is Games Night. Play a board game we have here or bring one of your own. February 13th we will be painting watercolour hearts. February 20th is book club, which is quick update of what everyone has been reading, and drawing or latch hooking. It is our tie up lose ends night. February 27th is movie night and chill.

**Lego Club:** Is still Fridays after school until 4:30. Come and build and be constructive. Challenges are always available just for you.

## Interested in working for one of B.C.'s top employers?

We're looking for Tour guides at our W.A.C. Bennett Dam Visitor Centre in Hudson's Hope.

As ambassadors for BC Hydro, Tour Guides help tell BC Hydro's story by talking to visitors about how electricity is made and sharing information on our current plans and projects.

We offer challenging and exciting career opportunities with competitive salaries and ample training.

To find out more visit [bchydro.com/careers](http://bchydro.com/careers) or email Kiran at [Bennett@BCHydro.com](mailto:Bennett@BCHydro.com) by **Friday, Feb. 14.**

The Friends of Hudson's Hope Society would like to thank the community for all your support during the past year! You have helped our organization provide so many services to the residents in our community. Special thank you to Hud-

son's Hope & Beryl Prairie Fire Departments and BC Ambulance for your continued support and dedication to our community. Huge Thanks to the Lions Club for delivering our Christmas Hampers and to Angie for all your help. This year, with your help we brought Christmas to 24 families in our community. Many thanks to our Christmas Hamper Sponsors: BC Hydro Peace Canyon, BC Hydro GMS, BC Hydro Construction & Management, Certarus Ltd, Vic & Marie Goldie, Duz Cho Construction, Mary Brereton, North Peace Saving & Credit Union and Legacy Village Market. There are so many of you that donated funds from your many fundraising efforts. To you we say Thank you! Our Christmas raffle was a success with all funds going toward the Christmas Hampers. Congratulations Sue for winning the lamp made by Wilf Stebbe, Diana for winning both the night at the Stillwater and the Christmas Stocking. Thank you to all our prize donors.

These are the services which we provide in the community: Food Bank year around use, Christmas Hampers, Financial support for Medical Travel and treatment costs, Medic Aid (911 responding units) Addiction Counseling & related Services, Disability Services and Disaster relief support. Call Patti 250-783-0977 for information.

Thank you everyone! We wish you all a great year ahead.

## Free Run/Walk Program

Greta's Class Act Fitness will be offering a free Run/Walk program. This will be a minimum eight week program with the goal of completing a 5 KM run. We will be following a "loop" track plan to allow folks to go at their pace. We start easy and build up.... Everyone gets a tracking book. Program begins on Tuesday, February 4<sup>th</sup> at 6 am at Beattie Park. This will run every Tuesday and Friday at the same time. Everyone will need to fill out a preregistration package.

Please contact Greta Goddard at 250-783-0855 or email [hhclassactfitness@gmail.com](mailto:hhclassactfitness@gmail.com) to make arrangements to register or if you want more information. Note: If this time is not working for you, and you would like to do this program, please register anyway. Together we can aim for a time that works for the majority. Incentive prizes offered. Dress for safety: dress in layers, wear appropriate footwear, recommend wearing ice tracs, wear reflective gear or have visible lights, and bring water. Let's do this

## Hope for Health

## Helping Our Community

Hope for health is a volunteer organization that has been active in the community **since 2014**. Over the years we have offered numerous programs, events, and activities. We would like your input: What would you like to see? Do you have a great idea? Do you want to be involved with this organization?

The Before and After School Program is back. This program is geared to school age students from Kindergarten to Grade 7. It has two components: the before school program focuses on physical activity through games and challenges, the afterschool program is a combination of physical activity and arts/crafts. We provide a healthy breakfast and healthy afterschool snacks. Applications will be made available for participants at Hudson's Hope School. We hire senior students to assist with the program with High Five Training for them. Huge bonus. This program will be running again in February and March thanks to a grant from BCRPA and British Columbia Government.

We are also gearing up for Seventh annual "That Dam Run" on September 20, 2020. That Dam Run has become one of our signature events and we are very proud of this accomplishment. This is thanks to our hard-working volunteers, our sponsors, the District of Hudson's Hope, and BC Hydro. Mark your calendars, set your goal and start running. Set your 20/20 sights on this event.

Hope for Health will be meeting again on March 11, 2020 at the Hudson's Hope Public Library at 4 pm. Please come on out if you would like to learn more about this organization or give your input.
