# 2020 HUDSON'S HOPE DAY CAMP

Cameron Lake Outdoor Education Center is happy to announce that we will be offering family day camp opportunities for our Hudson's Hope community this summer!

The day camps will allow for 2-3 families, depending on the number of members, to join us for a day of facilitated fun and learning.

The fee is \$5 per youth, parents are free.

Visits will run from 10:00 AM – 2:30 PM, Tuesdays and Thursdays beginning June 2nd.

Each day will include a recreation activity, learning activity, creative time and a lunch break.

Registration is required and limited to 6 youth and 3 parents in total for each booking day. Please visit our website to book your visit.

[www.cameronlake.prn.bc.ca](http://www.cameronlake.prn.bc.ca)

or contact the coordinator for more information at [cameronlake@prn.bc.ca](mailto:cameronlake@prn.bc.ca)

Or call Caitlin @ 250.793.6691

## Police Report: MAY 2020

Hudson's Hope RCMP responded to 32 calls for service between April 20th to May 12th. 13 written violations and warning tickets were issued to drivers between the above dates. Though police across the province have slowed down with the traffic enforcement for safety protocols during this Covid-19 pandemic, the Hudson's Hope RCMP are still making presence patrols and conducting stops for high priority traffic offences as much as possible.

On April 24<sup>th</sup>, the Hudson's Hope RCMP received a report of an identity theft/fraud file in which an individual had his identification information stolen and a credit card and cell phone account was opened up in his name without their knowledge. The fraud department has been involved and this continues to be an on going investigation.

On April 26<sup>th</sup>, the Hudson's Hope RCMP and the Fire department received a report of a structure fire in the Lynx Creek area. Fire was able to control and extinguish the flames before it spread to any adjoining properties and no injuries or damages were incurred. At this time, this file is being investigated as an arson and remains an on going investigation.

On April 27<sup>th</sup>, the Hudson's Hope RCMP received a report of a grass fire along the Kobes Creek forestry road in which BC Forestry was attending and stated that they were able to gain control of the fire. No known cause of the fire at this time.

On May 1<sup>st</sup>, the Hudson's Hope RCMP and Fire department received a report for a property/structure fire at a residence along Beryl Prairie Rd. Emergency responders attended scene and located several barns and structures on fire and the fire department was able to control and contain the flames from spreading to the main residence and or any adjoining properties. Source of ignition was unable to be determined.

On May 2<sup>nd</sup>, the Hudson's Hope RCMP received a report of a brush fire in the area of Geddes Bay. Police and Fire attended scene and located a 2 hectare in size brush fire that was actively spreading throughout the area. Fire crews were able to gain control of the fire and later passed the scene onto the BC Wildfire crews. It was believed that the fire started from the exhaust of an ATV or dirt bike passing through the long dry grass. No injuries or property damage was incurred.

On May 2<sup>nd</sup>, the Hudson's Hope RCMP received a report a person conducting an open burn of their yard within the township. Police attended the residence and found that the resident had burnt off a large section of their lawn contrary to the fire ban that is currently in place. Fines and penalties were discussed and presented to the resident. Police found themselves again having to educate residents to the hazards and safety concerns for having open fires and as to the reasons as to why there is a current fire ban.

On May 3<sup>rd</sup>, the Hudson's Hope RCMP received a report of a young girl running around and possibly laying on the side of the road in the area of Canyon Dr / Portage Mountain Rd. Police attended and spoke with all parties involved and learnt that the young female minor

had been highly intoxicated the night prior due to being supplied alcohol by adults of responsibility which resulted in her running away from camp. Police confirmed that the minor was safe and fines for supplying a minor with liquor were issued.

On May 3<sup>rd</sup>, the Hudson's Hope RCMP were dispatched to a call of a single vehicle accident along Twelve Mile Rd., in which a vehicle had driven off the road, taken out a telephone pole, and the vehicle was now in flames. Police attended scene and found no persons in or around the vehicle. Fire department attended and extinguished the vehicle fire prior to it spreading to the nearby woods. At this time, the vehicle has been connected to a stolen vehicle file and is being investigated further for an aspect of fraud and remains an open file.

On May 4<sup>th</sup>, the Hudson's Hope RCMP received a report of an elk shot / possible poaching along Twelve Mile Rd. Police attended the scene and located two individuals from the Moberly Lake area who had shot an elk under a status card but upon further investigation, it was found that the individual who shot the elk was unauthorized to possess firearms and also shot from a "no shoot area", this being the 400m no shoot area that is designated along certain forestry service roads. The firearms were seized, criminal and Wildlife Act charges are being sought on the individual, and the elk was seized by Conservation and donated to a local food bank.

The Hudson's Hope Fire department has been attending several calls in the past few weeks for open and or suspicious fires that could have caused detrimental safety concerns for the town. We are asking the community to review all the updated fire bans and information being that fuel conditions are very dry and even a small fire can spread quickly in our current conditions.

At this time, with the exception of small contained campfires, **ALL** burning activities throughout the province are prohibited.

Please call 9-1-1 immediately if you see a fire or smoke. Reporting fires quickly reduces the likelihood that property or critical infrastructures will be damaged, and reduces the risk to residents and responders.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

## Happy Father's Day

### FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. Finally! The valley is starting to get so green and the days are getting longer! We hope everyone is able to spend some time outside and get some fresh air and sunshine! It does wonders for the mind, body and soul.

Happy Father's Day to all the great Dads out there! We hope you are able to kick back and relax and take some time to fish or play a round of golf to enjoy the day!

**Don't forget about our Annual Meat Draw tickets being sold right now!!!**

See the poster on Page 23 of the Bulletin for additional details!

With things starting to re-open and people trying to integrate back into normal life, don't forget to continue to practice social distancing and wash your hands frequently! Be safe and stay healthy! This can be a challenging time for people as we prepare to get back to a sense of "normal"...so please remember to have patience and be KIND to one another!

Submitted with pride

Roary

**"Volunteers do not necessarily have the time; they just have the heart"**

District of Hudson's Hope

# LARGE ITEM CLEAN UP

**Monday, June 15th to Friday, June 19th, 2020**

## **Sign up by Thursday, June 11th, 2020**

**No late entries will be accepted. Sorry, NO exceptions.**

- Damage Waivers must be completed and can be submitted by email to [office2@hudsonshope.ca](mailto:office2@hudsonshope.ca) or dropping them off at the office by Thursday, June 11, 2020. You must provide your name, civic address or location of the item(s) you want picked up. A waiver will need to be signed to authorize the District to remove the items.
- Waivers may be obtained from our website or picked up at the office. We can also email one to you.
- Items need to be placed ON THE CURB/ PROPERTY LINE. District Staff will not go onto private property. Gas tanks and tires need to be removed from vehicles prior to pick up for safety and environmental reasons.
- A sticker must be put on each article that is to be removed. The stickers can be picked up at the District Office when you drop your completed Waiver off.
- For more information please contact the District Office at 250-783-9901.

# Jary-Secondary School

A couple of highlights from Mrs. Bach's class... they have been working on a "Butterfly Project". They have raised butterflies at home so they could observe the four stages of metamorphosis. Students without caterpillars at home were able to observe the process via video-conferencing. Mrs. Bach has greatly enjoyed listening to the students describe how fast their caterpillars have grown and changed.

The class has also been growing vegetables and flowers at home. The planting project combines math & science as students observe and document the growth of their plants. We hope to start transplanting into the School Garden soon. Great job HAWKS!

Congratulations to the Grad Class of 2020. These graduates have been fantastic students at our school, and wonderful citizens for both our school and the greater community. Our graduates have participated in, and volunteered with Jr. Firefighters, Junior Canadian Ranger's, High School Rodeo, B.C. Hockey, Father's Day Fishing Derbies, and much more! They all have a love for the outdoors, and are true community members. We will miss you, but we are excited to see what you become.

**Grads of 2020 - Zack Deitner, Dimitriy Gortman, Sarah Hæagsman, John Herrington, Liam Lepine, Taylor Rowe, Logan Trask.**

## **River of the Peace Métis Society**

### **COMMUNITY REPORT**

The past few months have been productive within the Society. We have applied for and were successful in acquiring two grants in February – Day of Wellness Event and Family Day. These were both facilitated by Greta Goddard and Day of Wellness started off with a Move It Bolly X session. The participants then made and enjoyed beef and

vegetable soup and bannock.

Family Day started off at 11 am with a free Bolly X class led by instructor, Celina Fequet. Lunch was chili and buns followed by games and craft activities in the gym. To end the day, participants went snowshoeing in the field. Both events were a great success and enjoyed by all.

Our Wellness Co-coordinator, Greta Goddard, has been instrumental in helping our Society apply for different grants but with the pandemic we are now living in, all events that were planned for this summer have to be put on hold until such time as it is safe for larger gatherings.

We are still working with BC Hydro bringing forward different projects and issues and this is ongoing for the months to come. The traveling exhibit will be coming to Hudson's Hope which will exhibit various artifacts that were uncovered during the Site C construction. We will notify everyone as to the date of the exhibit.

MNBC contributed funds to our Society to help members and the community in these trying times of COVID-19. We have purchased gift certificates and distributed them in our community.

Our office has been closed due to the pandemic situation. We are all trying to stay safe and practice social distancing. When we reopen, our hours will be posted.

Our phone number is 250-783-2034 and email – [riverofthepeacemetis@gmail.com](mailto:riverofthepeacemetis@gmail.com)

Respectfully

President Valerie Paice

---

### **River of the Peace Métis Society NEWS**

Way back in January when things seemed somewhat normal, River of the Peace Metis Society applied for a substantial grant "Physical Literacy for Communities BC Initiative (PL4C-BC)" from Sport for Life Society.

Good news: It is thanks to the support of numerous community partners that River of the Peace Metis Society is very pleased to announce that the grant has been approved.

The initiative will span three years. The purpose of the PL4C-BC Initiative is to improve the development of physical literacy through a multi-sector community approach, leading to increased physical activity which positively impacts the health and well-being of British Columbians. Over the three years that this initiative will span, we are excited to be able to offer this program to Hudson's Hope.

In the midst of the current Covid-19 pandemic, the progress of the initiative may move forward a little differently than originally intended; but together we can move forward.

Stay safe and healthy everyone, be patient, be kind to each other—Greta Goddard

# Tree Planting Rebate

**District of Hudson's Hope Tree Planting Rebate Program is Running again for 2020**

## ONLY WHILE QUANTITIES LAST

**All applicants are required to accept terms and conditions of the rebate program, which include:**

1. Only trees purchased after January 1, 2020, and are identified as growing in Zone 1, 2 or 3 are eligible for rebate. Shrubs and flowers will not be eligible for this rebate. A limited number of rebates are available on a first-come, first-serve basis.
2. Each rebate is a maximum of \$50. If the price is below \$50, the rebated amount will be the actual purchase price. The subsidy will be issued in the form of a cheque payable to the purchaser.
3. Only one rebate per year per property will be issued.
4. To be eligible you must have a District of Hudson's Hope property tax account in your name, a completed rebate form, original purchase receipt (photocopies not accepted), and the tree tag indicating growing zone 1, 2 or 3.
5. Trees are to be planted at the address associated with the property tax account. Trees are not to be planted on public property, right of way or easement.
6. The District of Hudson's Hope accepts no responsibility for loss, damages or claims to property caused by or resulting from Community Tree Planting Rebate Policy.
7. The District of Hudson's Hope reserves the right to reverse the rebate if information provided on the application form is either incorrect or untrue, or if the terms and conditions have been breached.
8. The District of Hudson's Hope reserves the right to alter, cancel or discontinue the program at any time.

For more information refer to the Tree Planting Rebate Policy brochure or contact 250-783-9901 or email [district@hudsonshope.ca](mailto:district@hudsonshope.ca).

# Protective Services

**Drowning is a leading cause of preventable injury and death in children under 10 in Canada.**

**Sixty per cent of drownings occur in the four summer months from May to August, according to the Canadian Red Cross.**

For parents and caregivers of children, part of the problem could be perceptual. In our popular imagination, drowning involves a protracted commotion: thrashing, gasping and cries for help. But when a drowning occurs in real life, it often happens swiftly and silently.

The difference between our ideas about drowning and the reality of it can give us a false sense of security. Parents and caregivers can help to prevent drownings by taking a few basic precautions:

**ACTIVELY SUPERVISE CHILDREN** when they are in or around water. For children under five and weak swimmers, active supervision means staying close -- within arm's reach. The Canadian Lifesaving Society recommends a supervision ratio of at least one adult for every baby, and one adult for every two small children. With older children, including good swimmers, it is still important to watch closely. Do not rely on a "buddy system" to keep kids safe, or make older children responsible for younger ones.

For extra protection, especially if you are watching more than one child, have children under five and weak swimmers **WEAR LIFE JACKETS** when playing in and around water. While boating, always wear your own lifejacket and ensure children are outfitted with lifejackets that fit them properly.

**LEARN FIRST AID AND CPR** (cardiopulmonary resuscitation). It doesn't take long to get trained in these lifesaving skills. Many people have been saved from drowning by bystanders who knew how to properly administer First Aid and CPR.

Put your kids in **SWIMMING LESSONS**. Although formal swimming lessons can't "drown-proof" children, some studies show kids who receive swim training are less likely to drown. If your own swimming abilities could use some work, consider enrolling in adult learn-to-swim or swim improvement class. Some courses, like the Lifesaving Society's Swim to Survive program, focus on water survival skills.

**FENCE IT:** if you have a backyard pool (including above-ground pool or temporary pool that will not be emptied after each use), or if you have a spa or hot tub, the best practice is to fence it off completely on *all four sides*. The fence should be at least four-feet high, with no gaps larger than four-inches. Access should be restricted by a latching, self-closing gate. It may be useful to keep in mind that chain link fences may be easier for children to scale than a fence made of vertical metal bars. Regardless of the fence style, four sided "isolation" fencing is more effective than three-sided "perimeter" fencing where the house is used as the fourth side.

**DRAW DATE: JUNE 21, 2020**

## New windows boost tenant comfort and building performance

*Hudson's Hope organization saved 10% through retrofit support program*

It's no secret that finding funding for capital projects can be difficult for small non-profits. Balancing the need to maintain a building's assets while keeping tenant costs low is challenging, especially on a budget. The Hudson's Hope Health Care and Housing Society (HHHCHS) is familiar with this balancing act. Their dream was to improve tenant comfort and building performance by replacing every window in their building – at a cost of nearly \$40,000. Fortunately, with a hand from BCNPHA, HHHCHS was able to take advantage of utility rebate programs to achieve their goal, with savings for future projects.

It started with a free BCNPHA Energy Audit last July at the HHHCHS seniors' residence Silver Willow Court. Valerie Bashforth and Deborah Peck, former board members overseeing the retrofit, were quick to take advantage of BCNPHA assistance after the 2019 audit identified several potential energy conservation measures and funding opportunities. The building's 26 drafty windows were the number one priority, as they were showing signs of deterioration and had stubborn hardware that was difficult for the building's tenants to operate.

In collaboration with BCNPHA's Asset Management department, Valerie applied for the Social Housing Retrofit Support Program (SHRSP). Through this program, FortisBC and BC Hydro provide rebates to support non-profit housing providers upgrade to eligible energy-efficient equipment. Since the society already had a contractor lined up to replace the windows, the process was simple. Thanks to Valerie's efforts, the project received approval for rebates on the new triple-glazed high-performance windows they planned to install.

The triple-glazed windows "make sense for our tenants and for the bottom line as far as energy costs are concerned, but also for the planet," said Deborah. "These are things that we all should be considering and I think are very necessary for our building." The new windows will decrease energy consumption and improve tenant comfort for years to come.

Even with rebate dollars, raising enough money to cover the cost of a \$40,000 retrofit is challenging in a small community. Deborah made it clear the costs of such a large project would not be passed on to the tenants: "We're a low rent facility, so the only way you can do any of these major renovations is to raise money."

The community pulled together to make the society's dream a reality. Following months of hard work and support from local donors, the new windows were installed in September 2019. Deborah reported that the tenants are delighted, and find the new windows much easier to open and close.

A few months later, after working with BCNPHA to fulfill program requirements, the society received a SHRSP rebate of \$3,670 – nearly 10% of the \$38,000 project cost! The board is already planning to put the rebate savings to use to fund more improvements to the building. Up next, they plan to replace the building's exterior doors, and improve the outdoor patio space with raised beds for tenants to grow their own garden.

The society would like to express their gratitude to everyone who contributed to the project, including local donors, industry, and the District of Hudson's Hope.

**BCNPHA**  
BC Non-Profit Housing Association

## BCNPHA MEMBERSHIP HAS ITS BENEFITS!

When you become a BCNPHA member, your organization and its staff gains access to a wide range of discounted education and networking opportunities, asset management expertise, cutting-edge research and more.

For more information about BCNPHA membership benefits, please contact Tanya Galic at [membership@bcnpha.ca](mailto:membership@bcnpha.ca)

Box 330  
9904 Dudley Drive

Telephone 250-783-9901  
Fax: 250-783-5741

## District Office Open

The District Office re-opened effective June 1, 2020. In order to reduce the exposure to employees, please be aware of the following guidelines that need to be adhered when you come into the office.

1. Public access is strictly limited to front service counter only.
2. Public must follow signs and new procedures or they will be asked to leave.
3. There is a maximum of two (2) customers in the building at any time. Note: This number is increased to four (4) if a customer is required to have another person with them to provide assistance.
4. Do not access the building if you have any symptoms of COVID-19 including fever, chills, cough, shortness of breath, sore throat and painful swallowing.
5. If the maximum number of customers are in the building, please return to your vehicle and wait until someone leaves the building and then re-enter.
6. The District will not issue PPE (gloves and non-surgical masks) to the Public who enter the building.
7. The Public will be required to sanitize their hands upon entering the District Office.
8. No public access to washroom facilities.
9. After a person leaves the counter area, please wait until called as staff will sanitize the area and equipment (credit/debit machines) after each use.

If you have any questions, please contact our office at:

Telephone: 250-783-9901  
Email: [district@hudsonshope.ca](mailto:district@hudsonshope.ca)

# June at the Hudson's Hope Museum

Summer hours are here!

The museum will be open Monday to Sunday 9-5! All our buildings are open to the public. Come on in and check them out!

The Next Historical Society meeting will be announced later in the Month. Our monthly meetings will be rotating between 1 pm and 7pm in 2020, depending on the month. Please watch for reminders for the time. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at [hbmuseum@pris.ca](mailto:hbmuseum@pris.ca).

Summer Hours are: 9-5 Monday to Sunday, starting June 1<sup>st</sup>, 2020.

I will be available at the Museum at the above listed times.

Christian Eschenburg  
Assistant Manager

*Come in and learn  
something new about  
The beautiful valley  
that you live in!*

**Amber Norton, Library Director**

**Interlibrary Loans:** Interlibrary Loans will remain closed until the Provincial Library authorities deem it safe to reactivate this service.

**Interlibrary Loans:** Interlibrary Loans will remain closed until the Provincial Library authorities deem it safe to reactivate this service.

**Did you know...**

If you logon to “My Account” you can see both physical and electronic (from Library2go) Items on Hold and Items Checked Out. By clicking on the Holds tab, you can see the Status of your hold. If you have never logged in to your patron account before, please contact us to receive your temporary password.

The Gale database offers courses for free. Take a course in Accounting & Finance, Business, Computer Applications, Design & Composition, Healthcare & Medical, Language & Arts, Law & Legal, Personal Development, Teaching & Education, Technology and Writing & Publishing. The next enrollment dates are June 17, July 15 and Aug 12. <https://hudsonshope.bc.libraries.coop/research/databases/complete-list/>

You do not need to sign up for Facebook to view our page? Go to <https://m.facebook.com/hudsonshopepubliclibrary/> or search for “Hudson’s Hope Public Library Facebook” to find our feed in a browser. We have a number of posts about accessing electronic materials online.

**Item Donations** – Donations to the library will not be received until after we resume normal operations.

**Summer Reading Club:** We will have more information as things unveil themselves over the next month. Right now the provincial SRC committee is racing to revamp the program in order to get things ready to roll out in mid-June. We are unsure of the exact nature of SRC but are somewhat certain that this will be a virtual program, with our library providing reading material and craft supplies for pickup. Registration will also be online. Please stay tuned to Facebook and HHPSA for more information.

**Healthy wishes from the HHPL staff! Hopefully we will see you all soon!**

**We really miss seeing all of you  
and hope to see you again soon!**

“They weren’t bad books...they were books that you didn’t enjoy. It’s not the same thing at all. The only bad books are books that are so badly written that no one will publish them. Any book that has been published is going to be a ‘good book’ for someone.”

— Lisa Jewell, *The Family Upstairs*  
*Added to the collection on May 20th*

## Looking for fun things to do with your kids?

## Here are some great ideas!

### Melted Crayon Art

great use for broken pieces & tiny nubs in the bottom of the crayon bin!

#### Ingredients you will need:

Crayons (great use of tiny pieces)  
Hair Dryer  
Paper or canvas  
newspaper

1. place newspaper to protect your work surface
2. break your crayons in small pieces
3. take your broken crayons and set them on a piece of paper. You can use a tiny bit of glue to keep your crayons in place on the paper.
4. use a hairdryer and heat up your crayons until they melt. Depending on how you move your hairdryer will change your design goes with the crayons.

Hint: Don't forget remove the paper off your crayons!

### Iron Art

Another cool and easy craft!

#### Materials you will need:

Wax paper  
Crayons  
paper or scrap cloth  
iron  
ironing board

1. place a piece of scrap cloth or paper on your ironing board
2. preheat iron at a setting just high enough to melt crayons
3. shave or cut crayons up into small shreds
4. place them in between 2 pieces of wax paper on your ironing board
5. cover with another scrap cloth or paper
6. use an iron to melt them in to fun designs.

Don't forget to protect your iron and ironing board from the wax that will melt from the wax paper!

### Pencil Crayon Shavings Crafts!

Like most people, your pencil shavings just go in the trash right? Not any more! Save your shreds for these cool ideas:

**Butterflies!**  
**Flowers!**  
**Rainbows!**

You can sharpen your pencil crayon and save the shreds and make butterflies or flowers or make a raining rainbow! Just shave or cut crayons up into small shreds! You can make all sorts of designs with the shreds all you need is glue and paper.

COME IN, GO ANYWHERE!

## Hudson's Hope Public Library: Working Toward a Staged Reopening

The safety of our library staff and patrons is our top priority. We are adjusting our services in order to minimize person-to-person interaction and maintain 2 meter social distancing measures.

We continue to work toward a plan that aligns with the BC Restart Plan, while keeping in mind other sector plans as well as WorkSafeBC regulations.

Once we are comfortable with a plan that is WorkSafeBC compliant and have documentation and library space adjustments complete, we will then be able to announce further changes to the level of services that we can offer during each phase. When our strategy is ready to share, we will do so on Facebook and HHPA.

As part of the transition between the BC Restart Plan Phase 1 and Phase 2, we are rolling out a Holds Take-Out Service for our community. At the present time we are only able to accommodate hold pickups outside of our building, by appointment only.

Please see attached document that further describes the Patron Procedures for HHPL's Holds Take-Out Service.

We will not be encouraging patrons to venture out if they do not feel safe or healthy. This optional service is intended only for those who feel comfortable using it. We will recommend that if any members of your household are sick or in isolation, you should refrain from using the service. Patrons may also designate a person to pick-up materials on their behalf.

Book returns through our exterior book drop has remained accessible throughout the closure. As long as our system has an emergency closure in place, your loans are currently fine free and are automatically renewed with each closure extension.

Patrons using the holds pickup service are encouraged to return borrowed items

through the book drop on their hold pickup days until the library is able to reopen to the public. This is an attempt to minimize the number of times patrons need to visit the library to decrease front entryway traffic, as holds pickups are limited to 1 pickup per household per week.

Communications and arrangements between staff and patrons will primarily be conducted by phone, Facebook messaging or email, minimizing the need for on-site conversation at point of pick up.

Patrons who have physical limitations and do not have a family member, friend or care aid available pickup items on their behalf, may get their holds delivered outside their front door, assuming there are no barriers to doing so (dogs, etc.). This is applicable to deliveries within 7 km of the library.

Of course, due to the ever changing nature of our current world situation, HHPL reserves the right to amend these documents and our phased plan to adjust to health authority recommendations.

### Patron Procedures for HHPL's Holds Take-Out Service

The initial phase of holds pickup service will be for Take-Out service only. The library is not open to the public when our Take-Out service is available.

You may place holds for Take Out service by email or phone, but the best way to ensure that you are maintaining your position in the hold wait list is to log in to My Ac-

count on our website to place holds.  
<https://hudsonshope.bc.libraries.coop/>

Contact us to find out how to login for the first time, you'll need a temporary password.

Here's a link on how use your online account, including placing holds on local materials:

<https://hudsonshope.bc.libraries.coop/online-catalogue-help-2/>

Once your hold is placed, please wait for a call from one of our staff members to set up an appointment for pickup.

We have an item quarantine process in place, which means that items that are returned to the library are quarantined for 72 hours for our protection before they are checked in. Once your hold is available, it is scanned in, placed in a bag and quarantined for at least 72 hours before your pickup appointment, for your protection.

This quarantine period may be reduced in the future but, right now, this timing is being embraced by libraries all over the province.

We choose to quarantine for our protection then quarantine again for your protection. This second quarantine also ensures that it is not necessary to disinfect the books when you receive them, although you may choose to disinfect the outside of the bag upon receipt. This is for the protection of our collection.

Many of our items do not have a protective plastic covering, so the paper covers can be damaged by frequent cleaning. Cleaners and spray could also damage the protective coverings on those items that do have plastic covers or coatings.

**Please do not pick up your holds if you are experiencing sick symptoms.**

Instructions for pickup:

### **1. Make an appointment for pickup;**

You may not pick up your items at any time, as we are setting appointments to ensure that we can maintain social distancing and cleaning procedures between patrons. Also, as your items are being quarantined for 72 hours after they are bagged, they will not be available for immediate pickup.

### **2. Maintain social distancing upon pickup;**

Keep at least 2 meters between yourself and other people in the area. The yellow line of the parking spot immediately outside of the door is just over 2 meters from the pickup table. Once staff have determined that you are 2 meters back, our staff will safely place your loan on the pickup table. Send only one member of your family for multi-member pickups.

### **3. Pick up your Take-Out bag(s) once the staff member has returned behind the closed entryway door;**

Please do not take this as an opportunity to casually chat with our staff as we are trying to maintain appointment times for other patrons. You may chat with us when you return to a safe social distance and we are cleaning the table.

If there are other patrons outside, please ensure that you step well away from the pickup area so that the next patron picking up will feel comfortable doing so.

At this time, you will be limited to one pickup per week. This will allow scheduled pickups to be fair to all patrons as well as keeping our supply cost to a minimum.

On subsequent visits, you may set your pickup date for longer than 3 days away so that you can add to your holds for a few days. Your bag will be quarantined at least 72 hours prior to your pickup, any items that did not make this cut-off will be added to your next pickup.

# BRITISH COLUMBIA CAMPFIRE REGULATIONS

Violating these regulations could cost you **\$1,150**.

If a violation causes a wildfire, the person responsible may also be ordered to pay all firefighting and associated costs.

## CAMPFIRE SIZE

A campfire is defined as a fire no larger than 0.5 metres high and 0.5 metres in diameter. Fires larger than that are considered Category 2 open fires and are illegal if Category 2 open burning prohibitions are in effect.

## 8 LITRES OR A HAND TOOL

You must keep at least eight litres of water or a hand tool on hand at all times while your campfire is lit.

## PUTTING OUT YOUR FIRE

Before you leave the area for any amount of time, your campfire **MUST** be fully extinguished. The ashes of your fire must be cool to the touch.

## FUEL BREAK

You must have a fuel break around your campfire. This area must be cleared of debris and anything combustible. It needs to be wide enough to stop the spread of the fire. A rock ring around the fire can also help prevent it from spreading.

You **MUST NOT** leave your fire unattended for **ANY** length of time.

Report wildfires, unattended campfires or violations of regulations by calling  
**\*5555** on a cell or **1 800 663-5555** toll-free.

Closed Sunday's & Monday's

**10324 Gething Street  
250-783-9211**

## Gardener's Corner

FEATURING - LUCAS BEAM, AGE 13

### TIP #1 - WATERMELON

To grow watermelon in a cold climate, I unfolded a black garbage bag and laid it over the soil where I was going to plant the watermelon and cut holes in it with scissors and planted the watermelon in those holes. This helps keep the soil warm, weeds down, and water in. If you need to you can also put a plastic (clear) container over the plant like a Dairy Queen cake lid or a berry container.

### TIP #2 SLUGS N' ROSES

Another helpful tip is to cut wild rose bush stems into sections and align them in a sort of flat fence around your plants to keep slugs out!

### SUBMIT YOUR LOCAL TIPS AND TRICKS

Are you a local and avid gardener and would like to be featured like Lucas, email your submission to [secehudsonshope.ca](mailto:secehudsonshope.ca)

## SENIOR BUS TRIP FORT ST. JOHN

### CANCELLED UNTIL FURTHER NOTICE

Contact the District Office at 250-783-9901 no later than 3:00pm the Friday prior to the trip to reserve a seat.

Departure from Silver Willows at 8:50am and from the Sportsman's at 9:00am.

The driver will accommodate individual appointments, however the bus generally starts making the return trip from Fort St. John by 3:30pm.

## Hudson's Hope Bible Fellowship
