Police Report: July 2020

Between June 17th and July 17th, the Hudson's Hope RCMP frontline officers responded to 37 calls to service. Several rural patrols and road safety patrols were also conducted during this time.

The Hudson's Hope RCMP would like to advise the public that the detachment front counter is once again open. The front counter was closed in early March, affecting services such as criminal record checks and walk in enquires. If you do attend the detachment, there is a limit of two persons in the lobby at a time. Hand sanitizer and a washroom is available to wash your hands when you enter and when you leave.

A one of a kind traffic sign was reported to have been stolen on June 22nd. The sign, described as being a large orange 2'x4' with black lettering reading 'Cattle Drive in Progress', had been put out along Highway 29N, near the Farrell Creek Bridge, to warn motorists of livestock in the area. Once the cattle drive was completed, the sign had gone missing. (2020-200)

On June 26th, while making routine patrols, a Hudson's Hope officer came across a side by side roll over collision. There were no injuries to the driver, however the side by side was not registered. The Hudson's Hope RCMP would like to remind ATV users that ATV's are to be registered and helmets must be worn. Please use the trails safety and properly to avoid injuries and possible fines. (2020-204)

The Hudson's Hope RCMP received a report of an e-mail scam on June 29th. It was stated that unless the owner of the e-mail did not pay \$119 in crypto-currency (bitcoin) some personal information would be released. If you are a victim of this type of scam, or one of the many other scams that are used, please contact the detachment. You will also be asked to report these incidents to the Canadian anti-fraud centre. They have a lot of information regarding the different scams, how to protect yourself and how to educate others at <https://www.antifraudcentre-centreantifraude.ca/index-eng.htm>. (2020-206)

On July 6th, 2020 the Hudson's Hope RCMP received a report of a break and enter and theft of a boat from a fenced compound on Dinosaur Lake Rd. Unknown culprits had entered the chained compound overnight and removed the boat. The boat and trailer have since been located in the Moberly Lake Area. Unfortunately, the boat had been stripped. This investigation is ongoing and the Hudson's Hope RCMP are requesting anyone with information regarding this break and enter and theft to contact the detachment at 250-783-5241. You can also report information and remain anonymous by contacting BC Crime Stoppers at 1-800-222-8477. You could

receive a cash reward of up to \$2000 upon arrest and charge. (2020-219)

On July 14th, a concerned citizen brought an injured fawn to the detachment for assistance. Cst SCHMIDT, with the help of his family and detachment PSE Linda, were able to assist the fawn by providing it with liquids. After being named Hudson, the fawn was transported to a wild life preservation ranch in the area. A follow up the following day reported that Hudson was fighting off some swelling and an infection, however antibiotics were helping him along, and it was hoped he'd be able to make a recovery.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Spillway operation update

We've started discharging water from our spillways at the WAC Bennett and Peace Canyon dams in addition to the water discharged for generation. The spill is being done to safely manage the level of the Williston Reservoir. Between Peace Canyon and the Halfway River, flows may be slightly higher than during normal maximum discharge. We request that the public continue to be very careful when active in and around the Peace River downstream of our dams and generating facilities. Water levels can rise and fluctuate without warning even under normal operations.

Spillway and generation discharge may change from time to time and our increased discharge may continue until late August.

For more information on reservoir operations, please go to bchydro.com.

Tips to Stay Safe While Boating

With the four tips below, individuals who are boating can stay safe and ensure that each experience out on the water is rewarding and free of potential emergencies.

1. The importance of lifejackets: The most essential thing that individuals need when they're out on the water is a lifejacket or personal flotation device (PFD), as this can substantially reduce the potential for drowning or other dangerous aquatic incidents.

2. Avoid alcohol: According to the Canadian Red Cross, 37 per cent of boaters in Canada consume alcohol each time they are on the water, while alcohol has been linked as a factor in more than 40 percent of deaths in recreational boating incidents. Beer, liquor and wine can negatively impact a boater's judgment and make him or her less likely to maintain control of core motor functions compared to individuals who do not drink on the water, which underscores the importance of being sober while boating.

3. Pay attention to weather conditions: While weather conditions may not seem as essential as wearing a lifejacket or PFD, understanding what the climate and forecast will be like during an upcoming boating experience can be crucial for staying safe while aboard a vessel.

4. Bringing safety gear on board: From marine first aid kits to sunscreen, drinking water, flashlights, sound signaling devices and manual propelling devices, there are a variety of safety devices that should be brought on a boat in order to reduce the likelihood of emergencies.

In addition to these helpful tips, you can also learn more about the benefits of water safety at www.redcross.ca

HOUSE NUMBERS SAVE LIVES

The Importance of a 9-1-1 Address

Properly displaying your civic number on your house or at the end of your drive ensures fast emergency response for the **AMBULANCE**, **FIRE** and **POLICE** Services. Precious minutes can pass while the emergency vehicle attempts to locate the emergency incident.

It is strongly recommended that you ensure that a civic address is posted with the following guidelines in place:

- the civic address the District has assigned to the premises must be displayed on the principal building on the premises and must be legible from a minimum distance of fifteen (15) metres;
- where a building is set back from the street or roadway fronting the property such that the assigned street address is not clearly legible from the street or roadway, or where landscaping or architectural appurtenances or other obstructions obstruct the address, the assigned street address shall also be displayed at the driveway entrance from the street or road serving the building on a weather-resistant sign permanently mounted on a post and visible from all direction of traffic flow; and
- letters or numbers displayed on a building must be of a colour which contrasts with the background colour of the building or sign.

More information on how to properly display your civic address can be found in the Fire Protection and Life Safety Bylaw 775, contact the District office at (250)783-9901 for more information.

Hudson's Hope Visitor Centre

Did you know the Visitor Centre has re-opened as of June 1st?

These past two months have definitely been unusual, but we are still committed to making the most of the summer! After working for several years as an information counsellor, I am so pleased to be the new supervisor. I have big boots to fill but I am looking forward to working with such a wonderful

team. We have two new additions to our crew: Emma-Lee Ravanella and Cassidy Reschke! These students have been eager to guide our tourists and accommodate their vacation needs.

We would also like to take this opportunity to thank Kathy Burseth and Elaine Rhymer for all of their hard work here at the Visitor Centre. Kathy had been the supervisor for many years and always made Hudson's Hope a memorable stop for travellers. Both Elaine and Kathy created such a welcoming, friendly atmosphere and will truly be missed as part of our staff.

Amongst these troubled times, travel should be limited, which is why it may feel contradictory working here at the Visitor Centre. However, the last few months have exemplified how truly fortunate we are to live in such an outdoor-oriented neighborhood. Hikes have never been more requested, as they are a great way to enjoy the summer while still social distancing. The majority of our visitors make up either locals or those from nearby communities, many with a new-found appreciation for our beautiful peace region. It is a great time to check out new trails, enjoy a boat ride with your family, and/or create memories by taking advantage of the many camping opportunities!

Celina, Emma-Lee, and Cassidy

ENJOY THE SUMMER!

Hello everyone and welcome to the Lions Den.

I hope everyone is enjoying the summer. Let's hope we have some great weather for August.

Congratulations to all the winners of the Canada Day decorating contest. We had a tough time doing the judging, there were some great entries!

Congratulations also goes to Paul Dupuis for winning the Meat Draw but the real winner was the Friends of Hudson's Hope who received all the money from the draw, \$1850. It will go along way in helping to replenish the shelves in the food bank.

Enjoy the rest of the summer and stay safe!!

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopenionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

HUDSON'S HOPE PUBLIC LIBRARY

Library Capacity: The current capacity of the library building is indicated by our open sign as mentioned in this yellow library occupancy poster. There is a further occupancy restriction on the children's library area, please see poster next to the Summer Reading Club section. The Reading Room* and book club collection are in an area that is restricted to staff only.

COVID-19 prevention regulations will be updated as necessary to ensure that we are adhering to WorkSafe regulations and BC Health recommendations.

COVID-19 PREVENTION

To avoid congestion in our entryway, please keep your personal belongings with you at all times. Do not remove footwear; dry on mat or stomp off mud. If your footwear is bound to make a mess, please ask one of our librarians to gather your loans to deliver to you at the door, while you wait on mat just inside of the library.

Interlibrary Loans: As of July 23rd, when this is being written, Interlibrary Loans are still to remain closed. There has been more discussion at the provincial level in favour of reactivating this service, but there is no official date in place from the provincial authorities to reinstate this service. We sincerely apologize for the inconvenience and will notify our patrons via Facebook and PSA as soon as this service is reinstated. In the meantime, our local hold service is active and may be managed online or can be placed through phone, email or in person. Please contact our staff for a quick tutorial, to sign up for your own library card or to simply place a hold.

Current Library Services: We are now open but our hours have changed to try to accommodate more patrons that are abiding by varying levels of COVID-19 self-protection, please see our advertising to see what days and hours certain services are available. Public access is noted in the Grab & Go poster, contactless holds pickup appointment time availability are indicated in the Library Takeout poster. Mondays have been set aside for medically vulnerable patrons, including seniors, to make appointments to access the library, please see the poster at the end of the library section of the Bulletin. Please take care in noting which hours are available and for what service, as there are two ads that include a list of hours and only the Grab & Go hours are for public access. Please also note, the library is only open to individual users for short term browsing and checkouts. Individual family groups may access the library together but please note, children under the age of 10 must be directly supervised at all times by their guardian to ensure adherence to personal hygiene standards and item quarantine protocols.

**Please help our staff & patrons
feel safe while using our facility
by following a few simple rules:**

- wash or sanitize hands upon entry to the library
- practice physical distancing, 2 meters
- put every unwanted item that you touch in a library quarantine bin

6 patrons in library at a time, max.
individual short-term use, ages 10+
computers by appointment

LIBRARY TAKEOUT

THE LIBRARY IS OPEN, BUT YOU MAY STILL CHOOSE MAKE APPOINTMENTS FOR CONTACTLESS ITEM PICKUPS. ITEMS ARE QUARANTINED FOR 72 HOURS AFTER THEY ARE PACKAGED. PATRONS MAY CHOOSE TO MAKE AN APPOINTMENT TO PICKUP THEIR QUARANTINED ITEMS, OR COME DURING OUR OPEN HOURS AS WELL TO PICK UP THEIR NON-QUARANTINED ITEMS.

Item Donations: Item donations may once again be brought to the library. Please note that we can only accept a few books at a time, no more than a standard grocery bag per household. Please add a note to your donation with your name so that we can thank you in the Bulletin, tie the bag and leave in our outside book drop, next to the bulletin board. If you have items that cannot fit through the book drop, we cannot accept those donations at this time.

Summer Reading Club: Due to the ongoing COVID-19 protocols and keeping in mind the new library capacity and the excessive amount of staff hours that would be needed in order to provide face-to-face programming with lower numbers of children per group, we are opting to provide SRC as an online program supplemented by weekly packages of reading materials and craft supplies to be picked up at the library.

Shellie Howard, Program Librarian

It isn't too late to get your child registered with Summer Reading Club! There are multiple ways to participate. You can track reading online (go to bcsrc.ca) or in the traditional SRC tracking records (pick up in the library). You can join your friends online for Zoom sessions with me, where we do crafts and read stories with the younger groups and participate in reading challenges and just hang out and chat on Zoom for the Tween and Teen groups.

Notes:

- The Teen group cannot register online, register directly with Shellie
- Zoom sessions have to be signed up for with library staff (youngadult.hhpl@pris.ca)
- SRC online is extremely private, even our own librarians don't know who has registered online unless you self-disclose that you have registered
- The Zoom sessions that would fall on the Holiday, Monday August 3rd, are scheduled for the following Wednesday August 5th.

Our Storytime littles and parents club is directed toward preschoolers but moms with babies are welcome to join the online Zoom sessions for the social aspect as well.

There will be a Summer Reading Club for 5-8 year olds as well as for 9-12. These sessions have live stories, craft sessions, games and a whole lot more fun!

Our SRC for teens ages 13-18 is a service that is not reinforced with provincial help with materials and program development, as the other SRC programs are, but we know a lot of teens out there that love to read and/or would like to join in on the Zoom session. If your teen would like to join, you just need to call the library to register as there is no option for teens to sign up on the SRC registration page. Our Monday Zoom sessions are super easy to do!

Parents & tots at 10:30 am
 Ages 5-8 meet at 12:30 pm
 Ages 9-12 meet at 2:30 pm
 Ages 13-18 meet at 4:30 pm

To ensure physical distancing we are limiting the number of patrons in the children's library at a time.

Max Occupancy - 2 patrons*

* This occupancy limit is 2 patrons or 1 family unit. During this stage, this does NOT include your social bubble, UNLESS you are caring for a child from another family.

Register your kids and get started. We have prizes for the participants of this program, so make sure they are registered as they might win an amazing prize! Please check out our Facebook page and our website for updates or call us anytime. SRC is different this year but it is still just as fun!!!

COME IN. GO ANYWHERE!

VULNERABLE PATRON LIBRARY ACCESS

THE LIBRARY WILL BE OPEN BY APPOINTMENT ON MONDAYS FOR MEDICALLY VULNERABLE PATRONS, INCLUDING SENIORS. THE LIBRARY WILL HAVE BEEN SANITIZED AND UNUSED FOR AT LEAST 60 HOURS PRIOR TO THE FIRST APPOINTMENT. EACH APPOINTMENT WILL BE 45 MINUTES LONG FOR THE PATRON TO BROWSE THE LIBRARY AND/OR USE THE COMPUTER. THIS ACCESS IS FOR INDIVIDUAL USERS WHO MAY BE AT RISK FOR SEVERE COMPLICATIONS DUE TO COVID-19 AND THEIR HELPERS, IF NECESSARY. EXTRA CAUTIONARY CLEANING MEASURES WILL BE IMPLEMENTED ON OUR VULNERABLE PATRON ACCESS DAYS TO ENSURE COMMON TOUCH POINTS ARE SANITIZED BETWEEN EACH USER. CALL 783-9414 TO BOOK YOUR APPOINTMENT

Thank you: We would like to again thank the public for hanging in there with us while we were undertaking the tough work of getting everything prepared to reopen. We really appreciate your patience and positive reinforcement during these strange and often challenging times.

Healthy wishes from the HHPL staff! Hopefully we will see you all soon!

Note from Amber – if you love reading as much as I do, and like to torture yourself with books about life's current challenges... why not try pandemic fiction? This month's quotes are from the series that I am currently reading. Pandemic fiction will be on display in the library this month.

"Don't let the fear and suspicion of the brutal and ignorant make you doubt yourself." — **Year One**
"Love has no end, no borders, no limits. The more you give, the more there is." — **Of Blood and Bone**
