**THANK
YOU**

Lots of laughs and a world of gratitude!!
Thank you to the District and Staff for the great send off.
Supper was so good and all the work that went in to putting the evening together was very much appreciated.
Each and every card, the special gifts, e-messages, video messages and the "tributes" read by the special people who wrote them really mean more than you know. Also a BIG THANK YOU for the beautiful arrangement of flowers for Wendy. We are glad that our kids and grandkids could share the evening with us.
Wendy and I are so grateful to all of you!

Wishing Sue Worrall Soderstrom a very Happy Retirement and many thanks for your long service to our community and for choosing to establish your career here in Hudson's Hope.

Police Report: September 2020

Hudson's Hope RCMP responded to 38 calls for service between August 18th to September 20th. 68 written violations and warning tickets were issued to drivers between the above dates. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP with the school zone along Beattie Drive being the largest focus now that that school is back in session.

The Hudson's Hope RCMP is asking that drivers be aware that the school zone is back in effect between Mon – Fri, 8am to 5pm.

Cst. SCHMIDT is still awaiting approval and confirmation with the Ministry of Transportation and Infrastructure in regards to having larger flashing speed signs implemented in the school zone.

On August 23rd, the Hudson's Hope RCMP received a report of a mischief to farm equipment at a property along Beryl Prairie Rd. whereas a tractor had been driven through a metal gate and several other farm vehicles had been rifled through. At this point, the file remains open for further investigation.

On August 24th, the Hudson's Hope RCMP responded to a local residence after the home owner observed the local trouble maker bear outside the residence eating garbage. Due to the fact that this bear had been displaying signs of aggression toward people, and was confirmed to be injured beyond Conservations ability to medically intervene, RCMP were able to put the bear down without incident.

On August 30th, the Hudson's Hope RCMP received a report of a mischief that had occurred overnight at the Beattie Dr. lift station located along Dudley Dr. Unknown person(s) had spray painted a star and the words "Jews Win" on the side of the structure. Damages have since been repaired and police have asked that anyone with any information contact the local detachment.

On September 5th, the Hudson's Hope RCMP responded to a call for stranded boaters on the Williston Lake after their boat broke down and they were unable to paddle to shore given the windy conditions. While efforts were being arranged to launch a rescue boat, the stranded boaters contacted police to update that they were assisted by another boater and all persons aboard were now safe and sound on solid ground.

On September 6th, the Hudson's Hope RCMP received a report of a shed that had been stolen from a rural property along Twelve Mile Rd. This property has had several other similar files in the past for other stolen items such as Austrian made windows and shutters. This remains an open investigation at this time.

On September 16th, the Hudson's Hope RCMP responded to a suspicious vehicle along Hwy 29 after receiving a report that a vehicle had been observed parked on the side of the highway with all the windows smashed out. Police attended the pullout spot along Hwy 29 and located a black minivan with several windows smashed out and paint strewn within the interior. Upon speaking with the owner of the vehicle, it was learnt that the vehicle had broken down the night prior and left in place to be towed the following day. It is believed that sometime during the night, unknown person(s) vandalized the vehicle. Several fingerprints were lifted and file remains open for investigation.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Re: Upcoming work in Hudson's Hope

Dear Hudson's Hope resident,

We're writing to provide an update on upcoming work in Hudson's Hope, related to Site C.

Berm construction will begin soon

In early October, BC Hydro will begin construction of a 2.5-kilometre-long berm along the shore of Hudson's Hope.

The berm – a large barrier made of riprap, rocks and gravel – will reinforce the shoreline and protect it from potential erosion once the Site C reservoir is filled. The berm begins on the shoreline of the Peace River on the western end of the town, and will extend downstream, past the municipal sewage treatment facility. Construction of the berm will continue until the end of 2022.

Construction timeline (approximate)

Early October:

- **The lower portion of Portage Trail and D. A. Thomas Road will be closed and marked with signage for public safety.** The final date of the closures will be determined soon. The trail and road is anticipated to remain closed until the end of 2023.
- Crews will mobilize to site, bringing materials and equipment to a laydown area within Zone B, as shown in the attached map.
- Archaeological data recovery will occur in several locations.

October – November:

- Crews will clear vegetation and chip or mulch debris.
- A temporary access road will be built on the western end of the slope within Zone B, from Clark Drive to the shoreline.
- Crews will begin hauling riprap (boulders and rocks) from Portage Mountain Quarry to the shoreline, using Canyon Drive and Clark Avenue.

Early 2021

- Crews will start placing riprap in the water and building the berm

The second phase of construction, which includes the construction of D. A. Thomas Road, the recreation area and small craft launch, will not begin until approximately 2023.

Air quality monitoring station has been installed

BC Hydro recently installed an air quality monitoring station to provide real-time measurements on air quality, such as smoke, dust, and exhaust. Located on Dudley Drive near the shoreline and close to homes, the air quality measuring station will operate during berm construction, and through the first two years of Site C operations.

This station is one of five that BC Hydro has placed throughout the Peace Region.

Air quality data is shared with the Ministry of Environment and Climate Change, and will be found on their website once construction begins. You can find the website by searching for "BC Northeast Air Zone Data" in your Internet search engine.

What to expect

Safety is our top priority and BC Hydro is working with Site C contractors to ensure work is planned and managed effectively.

Construction areas will also be closed due to safety reasons.

Hours of work: Work will usually occur from 7 am to 7 pm, seven days a week. Work outside of these hours may be needed.

Traffic: Trucks will regularly move riprap, rocks and gravel from the quarry at Portage Mountain to the work site, via Canyon Drive. Other construction traffic will also increase.

Equipment: A variety of heavy equipment will be used. These include different types of on-and-off-road trucks, excavators, loaders, vegetation clearing machines, and graders. Rescue boats will be in the river for safety purposes.

Impacts: There will be increased noise, dust and traffic in the local area. Crews will mitigate these impacts when possible. These include:

- Applying water on work sites to reduce dust
- Using white noise back up beepers
- Installing noise barriers around generators
- Avoiding vehicle idling

Thank you for your patience as we begin building shoreline protection in Hudson's Hope.

Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

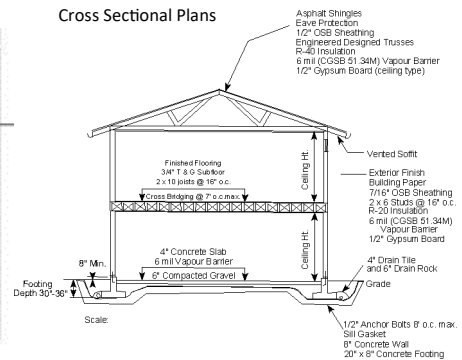

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

Cross Sectional Plans

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

Hudson's Hope Visitor Centre

A colorful mountain-side and crisp fallen leaves cue the end of another season here at the Visitor Center. There is no question that it has been a very different year for tourism, yet still a great one. I have mentioned before that we have had a great deal of BC tourists enjoying their own countryside. The cool weather of September did not seem to slow down this trend. Many retired folks have been enjoying the slower pace of life here in Hudson's Hope.

Our two students, Emma and Cassidy, have returned back to classes. These girls have been dedicated to working the weekends while finishing up their last year of high-school. I would like to give my thanks to them as they have been delightful to work with and very welcoming to those travelling through. It is always great to see the many ways these students share their experience and knowledge of our community.

I would also like to thank the District before we close this fall. The staff had diligently worked to ensure our safety during these unpredictable times. In my new position as supervisor, I felt the District operated as a support team; one that allowed me to gain leadership experience and work towards new goals.

Lastly, I would like to thank all those who stopped in during the season. Thank you for always bringing smiles into our community and allowing us to share our way of life with you. Thank you for sharing your journey with us and for creating connections that extend worldwide.

As of September 30th, we will have closed our doors for the winter. Thank you everyone for another great season and we hope to see you all next summer.

Stay safe, stay kind.

Your friendly staff: Cassidy, Emma and Celina

Happy Halloween
FROM THE
LIONS DEN

Hello everyone and welcome to the Lions Den. I hope everyone is enjoying the beautiful fall colours.

The Lions Club will not be hosting our annual Halloween Dance this year due to the constraints of Covid-19. It is unfortunate but we must all do our part to help prevent the spread of the virus. However, if you are celebrating Halloween this year, please be sure to follow the correct protocol and have fun!!

In the meantime, the Lions Club continues to help out in communities all over the world. Lions Club International set a goal of helping 200 million people worldwide in one year. We have surpassed that goal in 2019/20 bringing more good to the world than ever before. The food collection and meal prep program served over 14 million people, vision screening helped over 5 million and over 4 million helped with clean-up and restoration projects. If you're interested in lending a hand, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

Submitted with pride,

Roary

River of the Peace Metis Society COMMUNITY REPORT September 2020

River of the Peace Metis Society has been very busy these last two months. Our President, Valerie Paice; Vice President, Ramona West; and Secretary, Lynn Blythe have been meeting regularly with the Site C Cultural and Heritage Committee and Environmental Committee via Zoom meetings. Our traveling museum is coming closer to completion. We will be informing all members and community when it will be displayed here in Hudson's Hope. BC Hydro has also given us a boat/river tour and bus tour.

River of the Peace Metis has now developed a MOU with the Metis Federation. President, Keith Henry personally came up with his executives for the signing with President, Valerie Paice for MNBC. In attendance were Mayor Dave Heigberg and BC Hydro representative, Bill Hood along with Society members. The luncheon was catered by Marg's Mini Mart...a big thank you. Everything was delicious.

The new computers BC Hydro has generously donated are being put to good use. The general public has been resume building with assistance when needed. Our Society has and still is giving food certificates for those in need. We also are providing courses for the members to make themselves ready for work in the area and beyond. Our Secretary will lend assistance for those who need it.

MNBC Elections were held this month and President Clara Morin Dal Col was reelected as President for another term.

In these times of Covid 19, we are offering hand sanitizer and have masks for sale in office. Our communications are via teleconferences until the virus situation eases up. We are trying to have the office open two days per week and dates and times will be posted on the office door. Office phone number is 250-783-2034 and if no answer, please leave a message and we will return your call.

We are looking forward to healthier days ahead where we can plan activities for our members. During this time of social distancing, we have terminated the position of wellness coordinator as any gathering in groups will not be happening until the pandemic is over. When social activities are again encouraged, we will post the position. Any thoughts and ideas on where you would like to see the Society focus on is encouraged and welcomed.

Respectfully:

President Valerie Paice

Welcome Back! It is sure exciting to finally have students back in our community-school full time. We have been enjoying some wonderful learning opportunities and school wide activities as well. It has been truly rewarding to hear the voices of our children playing on the playground, participating in games, and just being TOGETHER again. **Go HAWKS Go!**

Band Program – We are pleased to announce that our school band program will continue. We are thankful for the volunteer efforts of Tim & Shawna Hart. Our students are excited to get started again! We are hoping to build a bit of band-performances into our annual Christmas Concert.

Terry Fox Run – Our whole school participated in the Terry Fox Run on September 24th. It looked a bit different than “normal” because we couldn’t have our older students buddied up with our younger students, but overall it was still a great school-wide experience. A big thank you to our local RCMP members for providing a safety presence on our roadways.

Did you Know? Our grade 4 & 7 students have achieved the highest Foundation Skills Assessment results for students “meeting or exceeding expectations” in the province for the past two years in a row? Also, our school has the highest graduation rate in the province for many years running?
Go HAWKS!

COVID-19
prevention restrictions
in effect for all library
users.

Please pay careful attention to our signage on the exterior entryway window; restrictions may be lifted, reinstated or amended at any time.

To ensure physical distancing we are limiting the number of patrons in the library at a time.

Max Occupancy - 6 patrons

Note the status of the open/closed sign:
OPEN = you may enter
Flashing OPEN = near capacity
BLANK = library is at capacity
CLOSED = library is not open

SATURDAY 12:00 - 4:00

COME IN, GO ANYWHERE!

Library Capacity: We are maintaining capacity restrictions for the library in light of increasing numbers of COVID-19 cases, particularly in the north.

COVID-19 prevention regulations will be updated as necessary to ensure that we are adhering to WorkSafe regulations and BC Health recommendations.

Please note that all children under the age of 10 must be supervised by an adult, computer use is by appointment only with a 45 minute maximum, except when the Reading Room computer is booked for an exam. Library use is for browsing only as we currently are not providing long term use seating or tables to set up laptops, etc.

Vulnerable Patron Access on Mondays includes front line and essential service workers. See ad insert for more information.

Item Donations: Item donations may once again be brought to the library. Please note that we can only accept a few books at a time, no more than a standard grocery bag per household. Please add a note to your donation with your name (so we know that it is donated on purpose and not accidentally put in our return), tie the bag and leave in our outside book drop, next to the bulletin board. If you have items that cannot fit through the book drop, we cannot accept those donations at this time, including boxes of donations. All book returns are only accepted in the exterior book drop.

Thank you to **Kelly Newsholme** for your thoughtful donation of office supplies.

LIBRARY TAKEOUT

DURING THE HOURS BELOW, THE LIBRARY IS CLOSED TO THE PUBLIC BUT YOU MAY MAKE APPOINTMENTS FOR CONTACTLESS PICKUPS.

ITEMS ARE QUARANTINED FOR 72 HOURS AFTER THEY ARE PACKAGED. PATRONS MAY CHOOSE TO MAKE AN APPOINTMENT TO PICKUP THEIR QUARANTINED ITEMS, OR COME DURING OUR OPEN HOURS AS WELL TO PICK UP THEIR NON-QUARANTINED ITEMS.

Shellie Howard, Program Librarian

Hi everyone! Here's an update on what we are looking into for October as far as library programs go.

We will be providing Zoom sessions for Library clubs and StoryTime. These programs are not like sitting your child in front of YouTube or the television. These programs are conducted live, and your children get to interact with other kids (perhaps in a different school cohort) by sharing stories or participating in show-and-tell about their home life, we will be crafting, reading stories, singing, playing games and even our library puppets may make an appearance! Stay tuned for more information and please fill out a registration form so that we know how many people are interested and will be participating in each program.

Staff Changes: A friendly welcome to our new Casual employee, Sarah Schnare! Many of you have already interacted with Sarah or have seen much of the work that she has been doing with spine label updates to include series numbers as well as her great work with the children's library bulletin board.

Library Programming: We are working at putting together registered virtual programs. We are electing to proceed with online formats due to space restrictions of our library as well as following the lead of other libraries in BC. We will focus on StoryTime, Library Club, Tween Club and Teen Club.

Stay tuned to Facebook and PSA for a survey that will help us to determine interest in clubs. If we do move forward with in-person formats, we will not be offering our usual drop-in format. We thank you so much for your patience as we move toward the reintroduction of programs. We hope to have our virtual programming started mid-October to early November, but it is very much dependent upon the possible progression of the pandemic.

To ensure physical distancing we are limiting the number of patrons in the children's library at a time.

Max Occupancy - 2 patrons*

* This is occupancy limit is 2 patrons or 1 family unit. During this stage, this does NOT include your social bubble, UNLESS you are caring for a child from another family.

Once I have a solid number of children participating in our programs, I can have craft packages available for pick up at the library prior to the program each week. Dates and times will be on the registration forms but please note that although we are offering multiple dates, this form is to help us determine where there is the most interest, so we may not be offering all times as indicated on the registration/survey documents.

We did virtual programming for Summer Reading Club and it worked out very well (once we worked out the kinks, sorry Sam!) and was lots of fun.

Of course Teen club will be the usual, participate at your own level format, where you can do the craft or socialize or just watch all the interactions of the club. That means that package pickup is not needed for Teens unless they are participating in the project that week.

Please call (250)783-9414 if you have any questions or would like registration forms emailed to you.

COME IN. GO ANYWHERE!

This four-bedroom plus den, two-bathroom home has had many updates in the past seven years including: new siding, new soffit and fascia, new front door, and French doors leading out onto a newer deck. The main floor has a huge living room, dining room open-concept space with a wood burning fireplace and new flooring. There are three bedrooms on the main floor and a renovated main bathroom. The basement is finished with a bedroom, den, rec room, laundry room and a newly renovated bathroom. On the main floor off the back door there is a large 33' x 15' enclosed sunroom for a games room featuring a wood stove to cuddle up next to on those winter nights. Home is serviced with town water and a septic system. This is a great family home with a large back yard.
