COME IN. GO ANYWHERE!

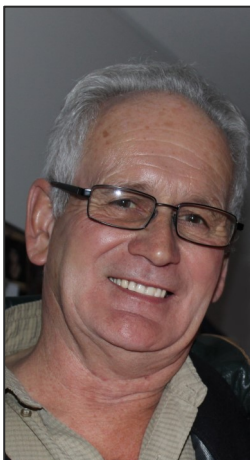

Happy Retirement!

Please join us as we extend best wishes to Rhonda Eastman, who retired from the District on July 24, 2020. Rhonda joined the District team in 1991, taking on the financial department and the role

of Deputy Treasurer. Rhonda brought great value to her position with the District and took so much pride in her job, the work she did, and was such an integral part of the team for the past 29 years! Her bubbly personality, humor and wit, along with her years of experience and know-how will be sorely missed. We hope that Rhonda can now relax in her garden and that her and Dan can enjoy some more travels around the world! Although we have not had a chance to host a farewell reception yet, we hope to in the near future. In the meantime, if you see Rhonda, please thank her for all her years of impeccable service to this community! We wish Rhonda & Dan all the best as their next chapter begins!

HAPPY Retirement!

Edward Reschke will be retiring from the District of Hudson's Hope on August 31, 2020. Ed has provided us with 39 years of devoted service! For the past 15 years, Ed has served as the Public Works Lead Hand. In 2018, Ed was recognized by the Municipal Safety Association with a Dedicated Service Award. It has been an honor to have such a long serving employee and he will be dearly missed at the Shop. On August 28th, a retirement celebration was held for Ed. Unfortunately it was kept small due to COVID stipulations on group sizes. If you see Ed out and about in the community, please feel free to congratulate him! Ed's retirement is a loss for the District, but a well-deserved respite for him. We all extend our best wishes to Ed & Wendy and the best of luck on the next leg of their journey!

And so the adventure begins

Protective Services

Look, listen & be seen

Teach your child to be a safe pedestrian

Look. Make sure all vehicles have stopped before entering the road. Make eye contact before crossing.

Sidewalk/no sidewalk. Walk on the inside edge of the sidewalk away from the road, so you're further away from the traffic. Walk facing oncoming traffic if there isn't a sidewalk, so you can see approaching vehicles and make eye contact with drivers.

Set a good example. Never jaywalk or run to cross the street. Where possible, cross at intersections with a pedestrian crossing light or marked crosswalk

Map it out. Plan your child's route with them ahead of time. Review street names and landmarks to orient them.

Crossing Basics. Stop at the curb. Look left and right for oncoming vehicles that might be turning. When the intersection is clear, start crossing and keep looking for approaching vehicles.

Be Seen. Wear bright clothes and/or reflective gear especially at night and in poor weather.

Parked vehicles. Avoid shortcuts through parking lots or around parked cars where it's harder for drivers to see small children.

Listen. Put away the electronic gadgets, cell phones and ear buds so you can hear approaching traffic that may be hard to see.

Quiz time. Make a fun, interactive game out of guessing the correct traffic signs and meanings with your child.

Police Report: August 2020

Hudson's Hope RCMP responded to 44 calls for service between July 17th to August 18th. 46 written violations and warning tickets were issued to drivers between the above dates. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP.

Given the warm sunny days that we have been having lately, there has been a large increase in the number of boaters in the area, therefore the RCMP have been conducting checks on the boats and trailers to insure that they are being towed within regulations and have valid insurance. If anyone is new to boating and or wishes to brush up on safety tips and requirements for the use of pleasure crafts, the Hudson's Hope RCMP has several shiny copies of the new Transport Canada "Safe Boating Guide" that can be picked up by attending the front counter of the detachment between business hours.

On July 23rd, the Hudson's Hope RCMP received a report of a single motorcycle accident in the area along Canyon Dr. / Summer Rd. Police attended and located an injured male and female who were later transported to hospital with non-life threatening injuries. Speed was deemed a factor to the cause of the accident.

On July 26th, while conducting radar within the construction zone along Hwy 29 near the Halfway Bridge, the Hudson's Hope RCMP stopped a vehicle that was observed driving at the speed of 114km/hr through the 60km/hr construction zone. The driver received a hefty fine for excessive speeding and a 7 day impound of his vehicle.

On July 27th, the Hudson's Hope RCMP attended the Dinosaur Lake area after receiving a report of a possible impaired boater. The complainant reported that they were out kayaking on the lake when they were almost struck by a passing by boater. Police attended the area and located the operator of the boat who was found to be under the influence of alcohol, therefore found himself with a large fine and lose of licence for a set duration of time.

On August 9th, the Hudson's Hope RCMP received a report for two missing persons who had last been observed travelling over the Bennett Dam and onward with apparent plans to look for dinosaur prints and go fishing. Police received the missing persons call later this day when the two persons did not return home and family members had not heard from them since they set out in the morning. After several hours of searching with no one located, Search and Rescue with the aid of the police helicopter were dispatched. On the following day, the Hudson's Hope RCMP

were advised from a wildlife management group who were working back along Johnson Creek forestry service road, that they had located the missing persons walking along Johnson Creek Rd after their truck had become stuck far back in on a side road. The two were found with no injuries and sore feet.

On August 14th, the Hudson's Hope RCMP conducted a routine traffic stop with a vehicle passing through town and found the driver to be a prohibited driver within the province of British Columbia. Consequently, the driver was arrested for driving while prohibited, and upon conducting a search, weapons and drugs were located and seized from within the vehicle. The file is still being investigated and further charges are pending.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Hudson's Hope Off-Road Vehicle Violations

Hudson's Hope is a well-known destination for off-roading and is frequently visited by motorists from out of town. This season, the Hudson's Hope RCMP has investigated three off-road collisions, and has had several interactions with off-road vehicle operators which resulted in written warnings and violation tickets for Off-Road Vehicle Act offences. Police would like to remind the public to be safe while operating ATV'S and to obey the BC Off-Road Vehicle Act (ORVA).

The following are some of the requirements specified in the Off-Road Vehicle Act:

All motorists and passengers must wear a DOT approved helmet (not a bicycle or ski helmet). Off-road vehicles must be properly registered and display an off-road vehicle plate when operated on Crown land or prescribed private land. Off-road vehicles must be equipped with lights if operated after dark. Motorists must refrain from operating off-road vehicles recklessly, on a railway or in a manner that is harassing to wildlife.

Fine amounts range between \$109 and \$368. Please review the Off-Road Vehicle Act at the link below to ensure safe use of off-road vehicles and compliance with BC laws.

Halfway River closed to boaters September–April

A 2-km section of the Halfway River will be closed to boaters from September 1, 2020 to April 30, 2021, as BC Hydro clears vegetation to prepare for the Site C reservoir.

During this time, six temporary crossings will be built across the river to transport logs and equipment during the winter clearing season.

The river will be re-opened and the crossings removed by May 2021, in time for the next boating season.

Boaters will continue to be able to access the Peace River from the Halfway River boat launch.

Hudson's Hope Visitor Centre

August has zoomed by over here at the Visitor Centre. For such a quaint little town, we really have so much to offer! The opportunities to enjoy these summer days are endless. A day in Hudson's Hope can be a picnic in the park, a fishing trip up the lake, or an adventurous quad ride! Many visitors have been enjoying our museum as well as the mag-

nificent spillway at the Bennett Dam that has been open most of August. Tourists have so many pleasant things to say about our colorful town. The cleanliness, the flowers, and the friendliness of locals has given all of our visitors a reason to return!

We've been seeing a lot more locals enjoying their backyard this summer. It seems our community spirit has strengthened during these tough times. Activities such as our guided hikes, fitness in the park, and the pool have been such a hit! Despite the challenges, we were also still able to hold our annual motorcycle poker ride! This exciting event is a combined effort of all our neighbouring visitor centers: Chetwynd, Tumbler Ridge, Fort St. John, and Dawson Creek. Riders endured the rainy weather to support the cause and tour our beautiful countryside.

I write this entry while looking out a window to blue skies, vibrant flowers, and the beaming summer sun. I'm so proud to call this my home and have thoroughly enjoyed sharing this way of life with visitors from near and far.

If you're considering any trips this summer, stop into our Visitor Center for some great pointers and things to do while travelling. Destination BC has created a guide meant to keep those who are travelling safe during this pandemic.

Your friendly staff: Cassidy, Emma and Celina

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. It's already time for the kids to head back to school so please watch out for them and observe speed limits. I hope everyone stayed safe and had a great summer.

The Fall Sign Up Night is virtual this year so we won't be setting up a table. We are still looking for volunteers to help us out though. You can check out our Facebook page @hudsonshopelionsclub or email us at ionsclubhh@gmail.com. We can always use a helping hand! Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in.

Wildflowers Child Care
multi-aged family child care

Vision: Play, Participation and Possibilities a child's discovery of Belonging, Being and Becoming.

Philosophy: Just as wildflowers belong to many different families each having their own unique characteristics, so it is with children, a tapestry of incredible diversity, potential, curiosity and hope. Wildflowers Child Care respects the individuality of each child and understands the importance of creating an environment in which he or she can grow and flourish.

Wildflowers' rural setting is the perfect environment for children to flourish and enjoy their childhood; where discoveries are made, curiosities quenched and children are more likely to use their imagination, creative play and expand their creative thinking. Nature and outdoor play are good for each child's development and mental health.

Wildflowers:

- * Serving Hudson's Hope, Beryl Prairie and surrounding communities
- * Certified & licensed ECE, ITE, SNE educator
- * Open Mon – Fri. 7 am – 5:30 pm
- * Offer full time, part time and shared-time.
- * There is the possibility of school care and PDD if spaces are available.
- * ALL children welcomed regardless of their ability
- * Serving the needs of families with children 0-8 years old

Wildflowers:

- * has a daily program that includes indoor and outdoor activities
- * will participate in the Child Care Fee Reduction program to reduce parent fees monthly
- * encourage families to participate in the BC Affordable Child Care Benefit

Wildflowers location: At the top of Canyon Drive, 4188 Summer Rd. Just a 5 minutes drive from Hudson's Hope. Whether you live in Hudson's Hope, Beryl Prairie, work at the WAC Bennett dam or need to go down the hill we are here to support your family's needs.

We would like to take this time to say *Thank You* to everyone for their support and patience through these challenging times. We have been working very hard to support our community through these difficult times and your donations are greatly appreciated. All of our programs are operating . Here is a list of our programs: Food Bank, Christmas Hamper Program, Financially assist you with Medical travel & treatment expenses, Medicaid 911 responding units, Addiction & Disability Services and Disaster relief support. A few months ago we purchased a new Palliative Care Bed which will be loaned out at no cost to any resident that requires this support. It is very user friendly and easy to set up in your home. Thank you fire departments for your muscle and time moving the old, heavy beds.

If you require information about any of our programs please contact Patti at 250-783-0977

Just a reminder to all that we are taking donations for the Thrift Store but for everyone's safety they must be placed in the marked shed behind the store. Please do not place your donations in the store or laundromat.

Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

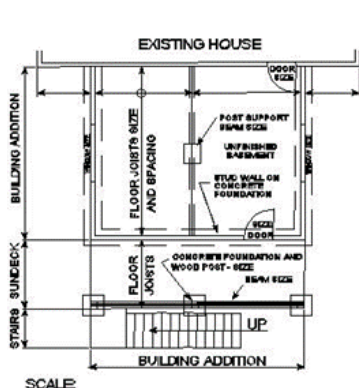

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

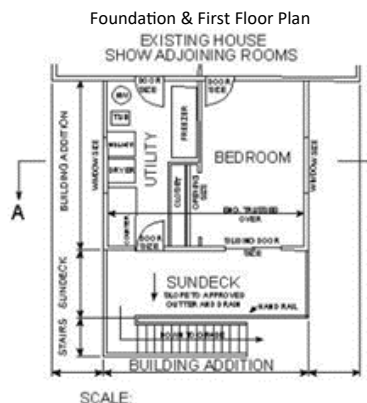

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

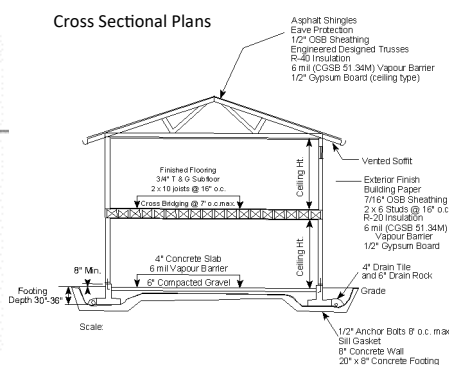

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

The Bulletin

20

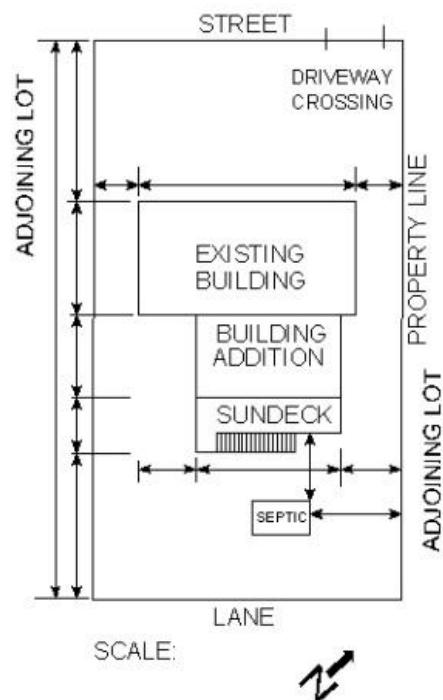

September

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

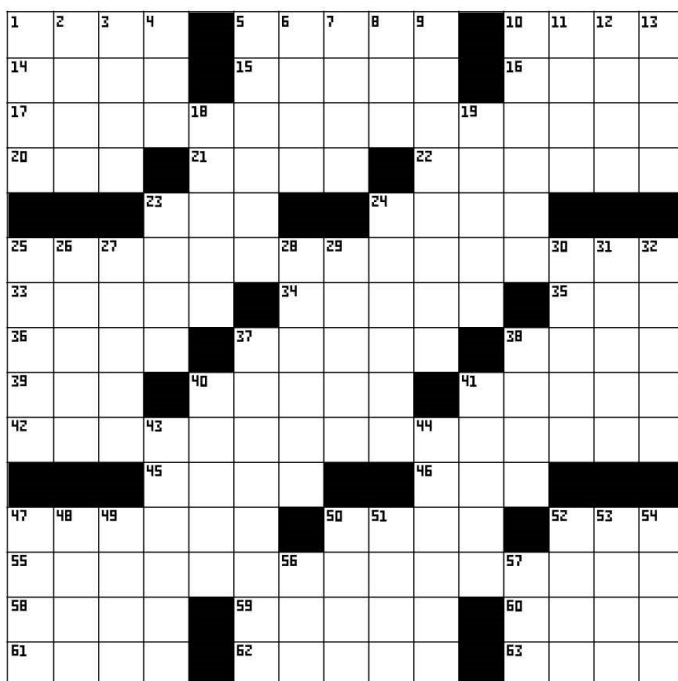

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

September at the Hudson's Hope Museum

We would like to thank our summer staff for all their hard work this year!
Joshua Deitner and Joseph Frederick Poirier – we wish you great things for the coming year, Thank You for being such great staff!

We would like to invite you to come in and check out the Bedaux Exhibit which is back on display after a 6-year hiatus and Journey around Alberta and British Columbia.

Charles Bedaux was captivated with the country surrounding Hudson's Hope after embarking on a hunting trip in the area in 1932. His attempt, two years later, to take five Citroen half tracks across the northern wilderness of British Columbia is known throughout the world. This "Champagne Safari" did not reach its Telegraph Creek destination but it gave much needed employment to local cowboys during the Depression. The role of the Hudson's Hope cowboys has been overshadowed by historical emphasis on Charles Bedaux's lifestyle and adventures. Through profiling the lives of these cowboys, this exhibition highlights their important role as wranglers and packers to the expedition. Included in the exhibition are copies of the maps showing the arduous route from Fort St. John to Telegraph Creek and previously unpublished photographs.

The Historical Society had a successful AGM and the board is complete. We are proud to have a new President, Tom Summer. The co chair elected is Bill Linsey. We will sadly miss our leaving board members Ross Peck and Beth Summer and wish them all the best for there new destinations. They have done so much for the Society and the Museum.

The Museum is Hosting a Raffle this year instead of a Harvest Social and we are looking for Donations for the Raffle. If you have anything you would like to donate, please contact the museum!

The Next Historical Society meeting will be held in **October 2020** at the museum grounds. Our monthly meetings will be rotating between 1 pm and 7pm in 2020, depending the month- please watch for reminders for the time. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca.

September Hours are 9 - 4:30 Wednesday to Sunday, Mondays and Tuesdays are closed.

Winter Hours will Start Sept 30th – and are Monday to Friday 9-4:30.

COME IN, GO ANYWHERE!

COVID-19 PREVENTION

To avoid congestion in our entryway, please keep your personal belongings with you at all times. Do not remove footwear; dry on mat or stomp off mud. If your footwear is bound to make a mess, please ask one of our librarians to gather your loans to deliver to you at the door, while you wait on mat just inside of the library.

Interlibrary Loans: As of August 18th, Interlibrary Loans are back online for the Hudson's Hope Public Library. Some libraries in the province have chosen not to activate their ILL systems at this time but our systems are updated to exclude non-participating libraries. ILLs may be requested through the catalogue database via your patron account. If you cannot find the title that you are looking for, we have access to another database that we can check for availability. Please contact our staff for a quick tutorial, to sign up for your own library card or to simply place a hold.

Current Library Services: We are now open but our hours have changed to try to accommodate more patrons that are abiding by varying levels of COVID-19 self-protection. Public access is noted in the Grab & Go poster, contactless holds pickup times for appointment availability are indicated in the Library Takeout poster. Mondays have been set aside for medically vulnerable patrons, including seniors and essential workers, to make appointments to access the library, please see the poster for Vulnerable Patron Library Access at the end of the library section of the Bulletin. Please take care in noting which hours are available and for what service, as there are two ads that include a list of hours and only the Grab & Go hours are for public access. Please also note, the library is only open to individual users for short term browsing and checkouts. Individual family groups may access the library together but please note, children under the age of 10 must be directly supervised at all times by their guardian to ensure adherence to hygiene standards. Public hours for the library has changed on Tuesdays and Saturdays.

Please help our staff & patrons feel safe while using our facility by following a few simple rules:

- wash or sanitize hands upon entry to the library
- practice physical distancing, 2 meters
- 6 patrons in library at a time, max.
- individual short-term use, ages 10+
- computers by appointment

Item Donations: Item donations may once again be brought to the library. Please note that we can only accept a few books at a time, no more than a standard grocery bag per household. Please add a note to your donation with your name so that we can thank you in the Bulletin, tie the bag and leave in our outside book drop, next to the bulletin board. If you have items that cannot fit through the book drop, we cannot accept those donations at this time, including boxes of donations.

Thank you to a number of anonymous donors this past month as well as the following people for you donations:

Chris Cvik – 3 adult fiction books

Lorna Winnicky – 3 adult fiction books

Library Programming: We are working at putting together some of our regular programming but in a different formats, including in-person or virtual programs as well as registered programs. Unfortunately we will not be considering our usual drop-in format at this time. We will focus on StoryTime, Library Club, Tween Club and Teen Club. Stay tuned to Facebook and PSA for a survey that will be released after school is back in session to determine interest in clubs, both in person and virtual. We thank you so much for your patience during the planning and reintroduction of programs. We hope to have programs started mid-October to early November, but it is very much dependent upon changes due to the pandemic.

Shellie Howard, Program Librarian

Summer Reading Club: Thank you to all of the awesome children and youth who attended our summer reading club Zoom sessions as well as the participants who tracked their reading in an SRC reading log! This year's prizes included SRC glow in the dark t-shirts, kinetic sand kit, magnetic building blocks, toddler fine motor skill bumble bee game, water magic doodle board, jumbo pack of sidewalk chalk, Amazon gift cards and of course books!

Max Occupancy - 2 patrons*

* This is occupancy limit is 2 patrons or 1 family unit. During this stage, this does NOT include your social bubble, UNLESS you are caring for a child from another family.

Note from Amber— We are sooooo excited about *Midnight Sun* finally being published! Shellie and I loved the Twilight Saga and are both Twihards at heart.

You probably have questions...

Isn't this a young adult book?

Yes, it is a young adult title.

Aren't Young Adult Books written for teens?

Yes & no, neither of us were teens or even

young adults (sorry Shellie) when we read the original series, and we both frequently read YA. YA books are generally about teens, but may appeal to adults as well

Is *Midnight Sun* really worth the hype?

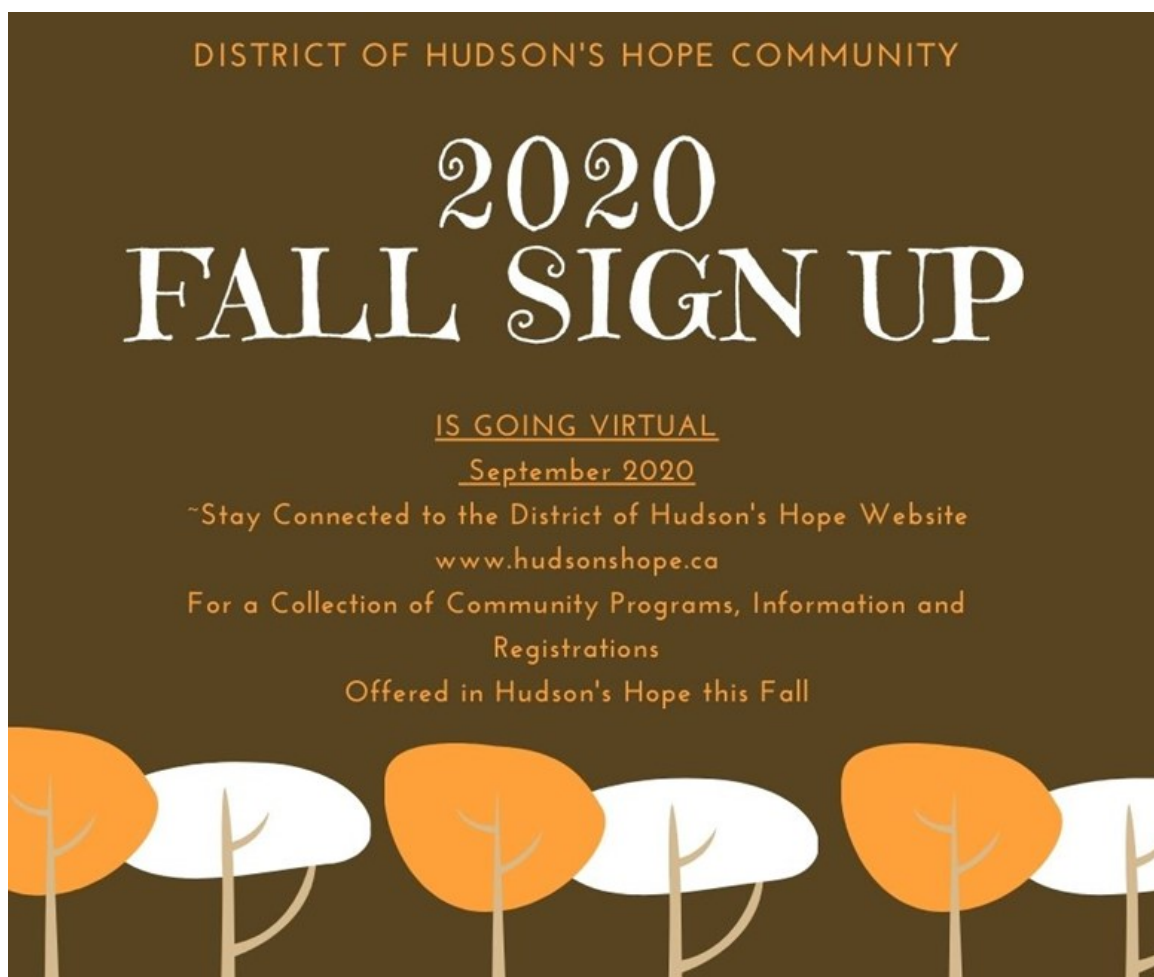

Absolutely! We are both just a few chapters in as I write this, and it is absolutely a fantastic read. This title is a companion novel, the male protagonists' version of the first book, so you don't necessarily have to have read the series to read this title.

"I knew her well enough to see that the sight of so many books in one room was something of a dream to her."

Midnight Sun

Stephanie Meyer, *The Twilight Saga*

Healthy wishes from the HHPL staff! Hopefully we will see you all soon!
