## **FAREWELL TO THE CHIEF**

Please join us in sending our best wishes to Bob Norton, as he leaves the District Fire Chief position to take on a new role in Fort St. John as Deputy Chief of Community Safety.

Bob joined the District on November 28, 2011, coming to us from Duncan, BC. After 20 years of dedicated Military service, Bob, his wife Amber and 2 children, Katie and Cole, made the big move to Hudson's Hope for the laid back lifestyle.

During his nine years of service to the District, Bob made many positive changes to our volunteer fire department such as implementing the First Responder Program, the Everbridge mass notification system for the community, standardized training for the department in accordance with provincial requirements and standards, wildfire structure defense capabilities through training and equipment purchases and developed a risk based fire inspection system for the community, to name just a few.

Bob was a great asset to the team and will be missed by all who worked with him. We wish him well in his new endeavor and look forward to seeing him out and about in the community without his pager!

# The Rustic Market Garden

Meet Caitlin Vince & Angie Watson

Farming is certainly no easy task. However, for Caitlin Vince and Angie Watson, the fruits of their labour are well worth the effort.

The mother and daughter duo have always been avid gardeners with a great concern for northern food security. "We decided to dive right in to market gardening and selling our produce to help bridge the gap that exists in our food system," says Caitlin. [LOVEHUDSONSHOPE.COM](https://lovehudsonshope.com)

# PROTECTIVE SERVICES

## What is a Winter Tire?

British Columbia accepts "mountain snowflake" or "mud and snow" tires with at least 3.5 mm tread as winter tires.

### Check your tires for these signs:

**The mountain/snowflake symbol on the side of the tire** These winter tires offer the best traction on snow and ice, and in cold weather.

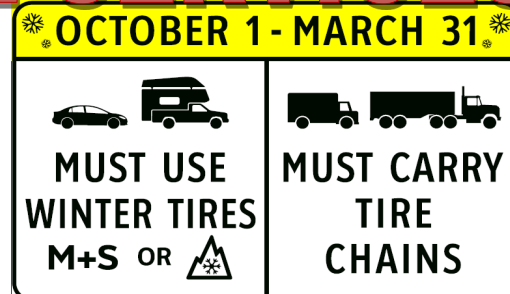

**The mud and snow symbol on the side of the tire** These winter tires offer better traction than summer tires, however, they are less effective than mountain/snowflake tires on snow and ice, and in cold weather.

**3.5 mm tread** Tires must have 3.5 mm of tread remaining to be considered winter tires.

**Matching Winter Tires** You must have at least 2 **matching** winter tires on the same axle, but **it is recommended to use 4 matching tires.**

### Studded Tires

May be used on BC highways from October 1 to April 30, but **must** have mountain/snowflake or M+S symbols to be considered winter tires.

## When are Winter Tires or Chains Right for Me?

Winter tires and chains can make your vehicle safer.

You **MUST** use winter tires (passenger vehicles) or carry chains (commercial trucks) between October 1 and March 31 on **most BC Highways.**

British Columbia's climates range from freezing cold to pleasantly mild in the winter; equipping your vehicle appropriately depends on what you are driving and where you are driving. Drivers in some parts of the southern coast, where regulations are more relaxed due to warmer weather, should use discretion when equipping their vehicles.

More winter driving tips can be found at the below link.

<https://www2.gov.bc.ca/gov/content/transportation/driving-and-cycling/traveller-information/seasonal/winter-driving>

## HOME OWNER GRANTS AND YOU

The home owner grant **reduces** the amount of property taxes you pay each year on your **principal residence**.

The regular grant (also called the basic grant) amount for people under the age of 65 in our area is \$770.00. The additional grant for Seniors (over 65) or persons with disabilities, the amount is \$1045.00.

### **Do I Qualify?**

To qualify for the grant, you must:

1. Be the registered owner of the residence
2. Be a Canadian citizen or permanent resident of Canada
3. Live in BC
4. Occupy the residence as your principal residence.

For the purpose of claiming the home owner grant, you can only have **one** principal residence. If you own more than one home, you cannot designate which one is your principal residence. Your principal residence is the usual place that you **live** and conduct your daily affairs.

You must apply for the grant each year to receive it. When you receive your property tax notice, we highly recommend that you claim your homeowner grant, even if you are not able to pay your property tax amount owing at that time.

Claiming your grant will **reduce** the amount of your balance owing on your taxes. If you are unable to pay the amount owing before the due date, claiming your grant will also **reduce** the **amount of the penalty** applied to your account.

If you forget to claim your grant before the end of the year, on January 1<sup>st</sup>, the amount will roll to Arrears and start collecting interest. You may be able to claim the grant retroactively.

You can claim your home owner grant by signing the form on the back of your current property tax form. This can be dropped off at the District Office or mailed. You can also claim your grant online at [www.hudsonshope.ca](http://www.hudsonshope.ca) and follow the links on the page for the home owner grant.

If you have any questions or need more information, please contact Tonia, Deputy Treasurer, at the District Office (250) 783-9901.

## Police Report October 2020

Hudson's Hope RCMP responded to 34 calls for service between September 20<sup>th</sup> and October 18<sup>th</sup>. 87 written violations and warning tickets were issued to drivers between the above dates. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP with the school zone along Beattie Drive and the construction zones along Hwy 29 being the largest focuses for traffic enforcement at this time.

Police have been monitoring the multiple construction zones along Hwy 29 between Hudson's Hope and the Half Way Bridge and have issued a multitude of speeding tickets to drivers over the past few weeks. We are asking drivers to take heed to the white regulatory speed signs and drive accordingly so that the construction workers and flaggers can conduct their work safely.

On September 23<sup>rd</sup>, the Hudson's Hope RCMP received a report of a suspicious male at the school who was observed using a metal detector around the school grounds. This male was later observed taking a scooter belonging to a local youth and putting it in the back of a silver/grey newer model Ford truck (no canopy or distinguishing details), prior to driving off. Police have been unable to locate the male driver being no plate number was given. This vehicle has since not been observed in the area again.

On September 28<sup>th</sup>, the Hudson's Hope RCMP received a report of a break and enter at a local commercial warehouse located along the Peace Canyon Rd. Unknown suspects entered the compound via cutting the chain-link fencing and stole several propane tanks. ATV tracks were noted outside the compound. Police are monitoring this area.

On September 30<sup>th</sup>, the Hudson's Hope RCMP received a report of a stolen refrigerated Sea-can that had been stolen from a work site along the Core Rd. No persons observed at this time, however photographs and the serial number on the Sea-can (ACSU202392522G1) have been distributed through the area and anyone who has seen or knows the whereabouts of this item, is asked to contact the local RCMP.

On October 10<sup>th</sup>, the Hudson's Hope RCMP received a report of an injured deer observed along Dudley Dr. Upon police locating the deer, it was found that this deer was unable to stand and was acting in an unusual manner, but had no signs of it being injured by a vehicle or another animal. Due to the deer's condition, it was humanely put down and local Conservation Officers were called and took possession of the deer to have it tested for CWD (Chronic Wasting Disease). Though there have been no confirmed cases of this in the province yet, this deer showed many signs of it so police are awaiting the test results to come back.

On October 16<sup>th</sup>, the Hudson's Hope RCMP responded to a motor vehicle accident involving a school bus and a pickup truck along Canyon Dr. The school bus, which did not have any children on board at the time, attempted to navigate a right hand curve of the road, but given the icy road conditions at the time, the bus slid across the centre lane and struck a passing by truck. Minor injuries were incurred and the persons involved were transported to hospital to be medically assessed.

Police are noting that "Winter is Coming" for all the Game of Thrones fans, and that winter graded tires are mandated between October 1<sup>st</sup> to April 30<sup>th</sup>. Failing to comply with putting on winter tires between the above dates can come with a fine of \$121.00.

On October 16<sup>th</sup>, (same icy snowy day as above), the Hudson's Hope RCMP responded to another motor vehicle accident along Canyon Dr. for a single vehicle that had slid off the road and side-swiped a hydro pole. Upon speaking with the driver, it was found that no injuries were incurred and the accident was a result of the icy road conditions.

On October 17<sup>th</sup>, the Hudson's Hope RCMP received a report of several loose cows at large along Canyon Dr. near the 400 Rd. Due to the safety concerns that an accident could occur from the loose cattle, police attended the area but were unable to locate the herd. These cows were previously observed freely at large along the power lines near the 400 Rd. but no owner was found at this time. Police are noting that a fine for cattle at large could be issued to the owner for each individual cow if found at large and on public roadways.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnbc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

## INFORMATION BULLETIN

For Immediate Release  
October 20, 2020

### Take flu out of the mix – get your flu shot

This year, it's more important than ever to get a flu shot to protect against the spread of influenza, especially for those at highest risk of illness. There is no COVID-19 vaccine yet, but we do have influenza vaccines. We can take influenza out of the mix.

Influenza is a contagious respiratory disease that can lead to serious illness, hospitalization and death. If influenza spreads rapidly in communities at the same time as COVID-19 – it can overwhelm the healthcare system and put our loved ones at risk. The best protection is to get the flu shot this fall... and stay home if you are sick.

Most Northern Health flu clinics will start the first week of November, and flu vaccines will also be available from pharmacies and doctor's offices throughout the region. To find a flu clinic or provider nearest you, visit [ImmunizeBC's website](#), or call 8-1-1 if you don't have access to the internet.

Making an appointment is strongly encouraged this year to help reduce line-ups and maintain safe physical distancing, due to COVID-19. Northerners are asked to plan ahead and schedule a time to get their flu shot. NH public health clinics will be encouraging mask use (for those aged two and up), and implementing physical distancing measures. Please follow the instructions of clinic staff, and respect COVID-19 safety protocols put in place by other flu shot providers.

In some communities, the NH Check In app is available to make physical distancing easier while waiting for your flu shot appointment (to download the app, visit: <https://www.northernhealth.ca/services/digital-health/nhcheckin>). Please note, the NH Check-In app is optional to use, and is not for the purpose of making flu shot appointments.

Flu shots are safe, effective and free for many people in BC including: children, seniors, pregnant people, Indigenous people, those with underlying medical or chronic health conditions, those who work with or come in close contact with higher-risk groups.

For more information about the flu visit [northernhealth.ca](https://www.northernhealth.ca).

## SOLUTION TO LAST MONTHS PUZZLE IS ON PAGE 38

# November at the Hudson's Hope Museum

November at the museum is shaping up to be a quite month! Usually we hold our annual fundraiser dinner, but due to Covid19 we have had to postpone this event. Hopefully we will all be able to meet and eat together again soon. We are hoping to hold a raffle fundraiser in the near future - watch this space in December's Bulletin!

A Big Thank You to Dave Kylo for all his work on getting the museum ready for winter, and to Donna Gould for all her wonderful work in our gardens this summer. We would also like to thank Mark Hodgkinson and Peace View Enterprises for their donation of topsoil for our gardens!

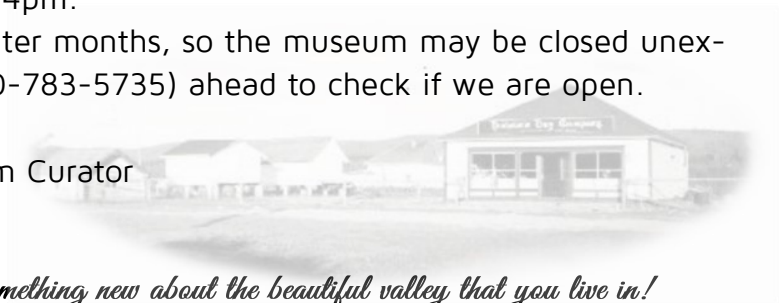

The Next Historical Society meeting will be held on **November 19th, 2020** at **7 pm** at the museum, everyone is welcome at historical meetings. For more information, please call the Museum at (250) 783-5735 or email at [hmmuseum@pris.ca](mailto:hmmuseum@pris.ca).

## Winter hours

Monday to Friday 9am to 4pm.

Staff is limited during winter months, so the museum may be closed unexpectedly -please call (250-783-5735) ahead to check if we are open.

Elinor Morrissey – Museum Curator

James Paulgaard ( vice chair) [Paulgaard@gmail.com](mailto:Paulgaard@gmail.com)

Adult pickleball has moved inside for the winter! Due to Covid, we are unable to play at the school gym this year. Thankfully, we were able to get gym space at the Pearkes Centre. Come join us on Wednesday evenings from 7-9 and Sundays from 11-1. If you've never tried and want to give it a whirl, we will show you the ins and outs. We have all the equipment you will need and it doesn't cost anything to play. Hope to see you there!!

# REMINDER .....

This is just a friendly reminder regarding any outstanding

**Home Owner Grants, Property Taxes and Municipal Annual Utilities**  
(water, sewer, garbage fees)

If HOGS are ***not claimed*** or Annual Utilities are ***not paid*** they will be rolled into Arrears on your Property Taxes for 2020 and will accumulate interest. If you have any questions regarding this reminder please feel free to contact Tonia at the District Office 250-783-9901

Lest We Forget

## FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. I hope everyone had a safe and Happy Halloween. We really missed hosting the Halloween Dance this year. Let's hope next year things are back to "normal".

Our next community event will be the Community Christmas Dinner on December 12. There will be lots of changes this year but we are happy to report that we will be once again cooking up a feast. It's going to be a drive-thru so you won't even have to get out of your vehicle. Each meal will have a container with turkey, mashed potatoes, gravy, veg and of course stuffing. There will also be a bag with a bun and butter and to top it all off, a container with dessert. All this for only \$5 per person! Watch for posters when and where tickets will be available. You won't want to miss this great meal and start off your Christmas festivities at the same time!

Check out our Facebook page @hudsonshopelionsclub or email us at [lionsclubhh@gmail.com](mailto:lionsclubhh@gmail.com) We are always looking for new members!  
Submitted with pride,

Roary

**Congratulations to Dylan Beswick** for earning the UNBC Scholarship. This award provides free tuition for 4 years to the top grade 11 academic.

**Cameron Lake Outdoor Education Center** – Many of our students have been enjoying wonderful field trips to this outstanding center. We are very fortunate that our school is so close to the facility. Mr. Christopher Fequet has been doing a wonderful job having equipment and supplies ready for our students to participate.

**A big thank you to our local BC Ambulance workers** for providing a fun "hand washing" session to our younger students. The students enjoyed learning to wash their hands so they're "100%" clean!

**10 Days of Goodwill** – We will be supporting our local "Friends of Hudson's Hope" by collecting items of need during the first two weeks of December. Community members are welcome to drop off items in the container (it will be decorated and labelled "10 Days of Goodwill"), outside our front entrance between the hours of 9:30 am-2:30 pm on the dates provided. Our theme days are on the following page. Please note that folks are welcome to drop off any types of non-perishable food donations on any of the days; we are including theme days to make it more fun!

# ary-Secondary School

**10 Days of Goodwill Themes. November 30<sup>th</sup> to December 11<sup>th</sup>**

**Macaroni Monday:** Pasta Items!

**Toiletry Tuesday:** Toothbrushes, deodorant, etc.

**Whole Wheat Wednesday:** Crackers, cereals, granola bars, etc.

**Thirsty Thursday:** Juice boxes, tea bags, hot chocolate mix, etc.

**Freebie Friday:** A variety of non-perishable items of food.

## Christmas Hamper Donations

Our Foods Class students will be baking up cookies to include in the Friends of Hudson's Hope Hampers. If you would like to donate items to the school, we could use the following:

White Sugar, Brown Sugar, Molasses, Flour, Ginger, Baking Soda, Baking Powder, Cinnamon, Cloves, Salt, Chocolate Chips, Cocoa, Butter, Vanilla, Sprinkles in Christmas colors and Christmas themed cookie decoration. Please note that all donations must be in sealed-original packaging.

Prior to dropping off items at the school, please call first, and also complete a daily health check prior to entering the building.

COVID-19 prevention restrictions in effect for all library users.

HUDSON'S HOPE PUBLIC LIBRARY

*Please pay careful attention to our signage on the exterior entryway window.  
Restrictions may be lifted, reinstated or amended at any time.*

### Amber Norton, Library Director

We are maintaining capacity restrictions for the library in light of increasing numbers of COVID-19 cases.

COVID-19 prevention regulations will be updated as necessary to ensure that we are adhering to WorkSafe regulations and BC Health recommendations.

Please note that all children under the age of 10 must be supervised by an adult. Computer use is by appointment only with a 45 minute maximum, except when the Reading Room computer is booked for an exam. Library use is for browsing only as we currently are not providing long term use seating or tables to set up laptops, etc.

We are presently working on rearranging and condensing some of the Children's library collections so that we can open up an old entryway for the room. In doing this, we are better able to allow more people in to the room, and will be prepared to provide limited in person programs when many other libraries in the province also start to do so. This change will mean that YA section seating will not be able to remain the same as before the closure.

**To ensure physical distancing we are limiting the number of patrons in the library at a time.**

**Max Occupancy - 6 patrons**

Note the status of the open/closed sign:

OPEN = you may enter

Flashing OPEN = near capacity

BLANK = library is at capacity

CLOSED = library is not open

## VULNERABLE PATRON LIBRARY ACCESS

THE LIBRARY WILL BE OPEN BY APPOINTMENT ON MONDAYS FOR MEDICALLY VULNERABLE PATRONS, INCLUDING SENIORS. THE LIBRARY WILL HAVE BEEN SANITIZED AND UNUSED FOR AT LEAST 60 HOURS PRIOR TO THE FIRST APPOINTMENT. EACH APPOINTMENT WILL BE 45 MINUTES LONG FOR THE PATRON TO BROWSE THE LIBRARY AND/OR USE THE COMPUTER. THIS ACCESS IS FOR INDIVIDUAL USERS WHO MAY BE AT RISK FOR SEVERE COMPLICATIONS DUE TO COVID-19 AND THEIR HELPERS, IF NECESSARY. EXTRA CAUTIONARY CLEANING MEASURES WILL BE IMPLEMENTED ON OUR VULNERABLE PATRON ACCESS DAYS TO ENSURE COMMON TOUCH POINTS ARE SANITIZED BETWEEN EACH USER. CALL 783-9414 TO BOOK YOUR APPOINTMENT

That being said, once we reopened, the seating in the library has been very limited and there has been only 1 out of the 4 chairs for the YA section, which has been available for seniors and patrons with mobility issues. We are looking at adjusting our quarantine processes in line with other libraries throughout the process as well as possibly allowing more seating in the library for short term use. Stay tuned for upcoming changes in the library and to our COVID procedures.

Vulnerable Patron Access on Mondays includes front line and essential service workers. See ad insert for more information.

**Item Donations:** Please note that we can only accept a few books at a time, no more than a standard grocery bag per household. Please add a note to your donation with your name (so we know that it is donated on purpose and not accidentally put in our return), tie the bag and leave in our outside book drop, next to the bulletin board. If you have items that cannot fit through the

book drop, we cannot accept those donations at this time, including boxes of donations. All book returns are only accepted in the exterior book drop due to quarantining protocols.

Thank you to **Lenore Harwood** for your thoughtful donation of 2 non-fiction titles.

**Staff Changes:** We are currently in the process of hiring a Student Casual Library Clerk. As of the date that this was written, we have not started the interview process, stay tuned next month to find out who our new team member is, or pop in to find out for yourself! Thank you to all of the amazing youth who applied!

**NEW Mother Daughter Book Club:** Shellie and I are collaborating on a new book club! The club is for mothers and daughters of all ages and locations. If we get a lot of interest in this club, then we will also offer a Mother & Teen daughter book club that focuses on Young and New Adult titles. To accommodate mothers or daughters from other communities, we are providing this club meeting via Zoom. Once restrictions lift, we will look at having local members meet in person with the optional Zoom attendance for those who wish to continue to join in. Please call the library or email us at [hlibrary@pris.ca](mailto:hlibrary@pris.ca) to indicate interest and we will get you registered and set up with the first title right away!

NEW!

## Mother Daughter Book Club

This new club will meet monthly on Zoom... and because we meet online, your mothers or daughters from around the world will be able to join!

If there is enough interest, we may also split the group and have our teen daughter/mother duos in a separate group, with a new title!

mother & teen daughter book club

Contact the Hudson's Hope Public Library to sign up!

**Library Programming:** We are still maintaining registered virtual programming for the library, due to space restrictions of our library as well as following the lead of other libraries in BC.

If we do move forward with in-person formats, we will not be offering our usual drop-in sessions, they will be by registered users only. We thank you so much for your patience as we move toward the reintroduction of programs. We hope to have a few virtual programming options in early November, stay tuned for more information about our library programs.

### Shellie Howard, Program Librarian

We have no set schedule as of yet for library clubs, as soon as we do we will be posting on HHPSA and Facebook. If you are interested in registering your child or teen, please call or come into the library to register for Zoom sessions. We would do a StoryTime, Library Club as well as Tween and Teen Clubs.

If your kids are interested please contact us as soon as possible. There are a lot of things we can do on Zoom. Packages are available for the week's crafts that can be picked up at the library.

We have a lot of new books in; graphic novels, kids cook books, new level readers and board books. There are lots of new series that just came out and lots of other new books for series that we already carry like Dragon Masters and several new Thea or Geronimo Stilton. We have an assortment of new Read-Along books with CD and new audiobooks on CD. If you haven't been in to the library come in and see what we have new for you!!!

### LIBRARY TAKEOUT

DURING THE HOURS BELOW, THE LIBRARY IS CLOSED TO THE PUBLIC BUT YOU MAY MAKE APPOINTMENTS FOR CONTACTLESS PICKUPS.

ITEMS ARE QUARANTINED FOR 72 HOURS AFTER THEY ARE PACKAGED. PATRONS MAY

CHOOSE TO MAKE AN APPOINTMENT TO PICKUP THEIR QUARANTINED ITEMS, OR COME DURING OUR OPEN HOURS AS WELL TO

PICKUP THEIR NON-QUARANTINED ITEMS.

**To ensure physical distancing we are limiting the number of patrons in the children's library at a time.**

**Max Occupancy - 2 patrons\***

\* This is occupancy limit is 2 patrons or 1 family unit. During this stage, this does NOT include your social bubble, UNLESS you are caring for a child from another family.

### Nancy Smith, ILL Librarian & Bookkeeper

**Interlibrary Loans:** ILLs may be requested through the catalogue database via your patron account, alternatively you can call or email your request. If you cannot find the title that you are looking for on our catalogue database, we have access to another database that we can check for availability. Please contact our staff for a tutorial, to sign up for your own library card, or to simply place a hold.

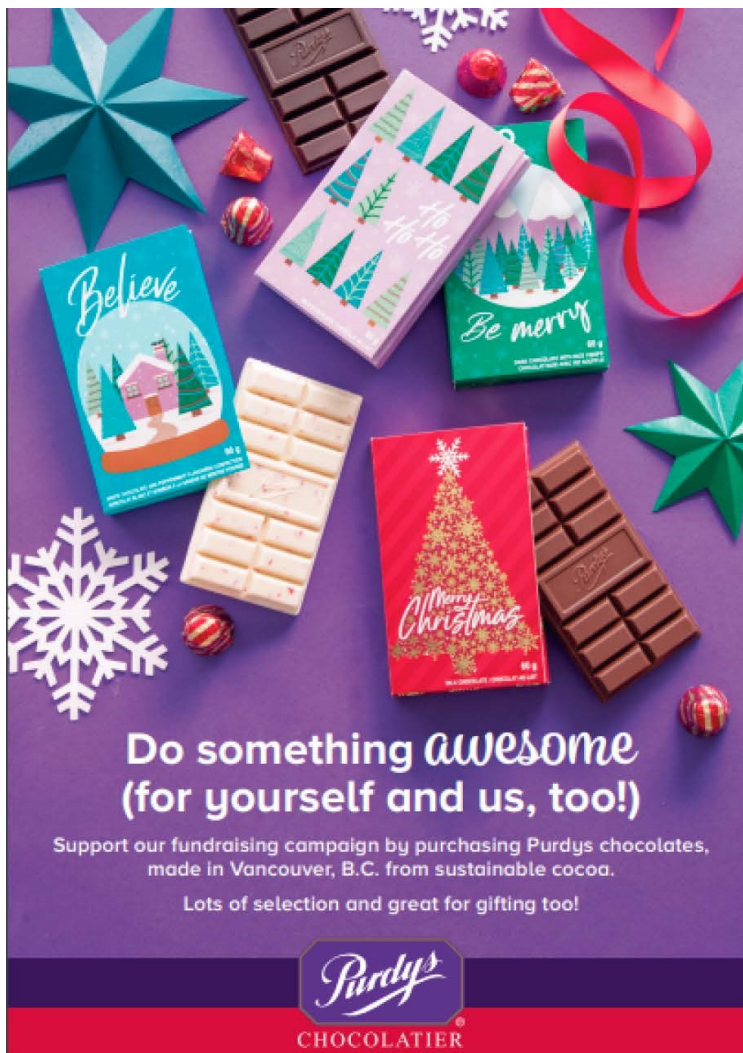

**Note from Amber** – The following title has been selected for the Mother Daughter Book Club. Pop by to pick up your copy or to put a copy on reserve.

**The memoir of a Jewish bookseller on a harrowing fight for survival across Nazi-occupied Europe.**

“It is the duty of those who have survived to bear witness to ensure the dead are not forgotten, nor humble acts of self-sacrifice left unacknowledged.”

**Re: Hauling truck traffic in Hudson's Hope**

Dear Hudson's Hope resident,

We're writing to provide an update on the construction of the shoreline protection berm in Hudson's Hope. The berm – a large barrier made of riprap, rocks and gravel – will reinforce the shoreline and protect it from potential erosion once the Site C reservoir is filled.

**Hauling begins this week**

This week, we are starting to haul riprap (large rocks and boulders) from Portage Mountain Quarry to a stockpile area on Clark Avenue. Hauling will continue until the berm is completed in 2022.

**Traffic impacts**

- There will be 2 - 4 return truck trips an hour to begin with. Hauling could eventually increase to 6 – 8 return trips hourly.
- The truck route will be along Canyon Drive and Clark Avenue.
- Hauling will occur between 7 am – 7 pm, seven days a week.

**If you have any questions, please contact us:**

## Woody debris burning at Site C: October–March

BC Hydro will be resuming its annual wood debris removal and burning program in Site C project areas, from October to March.

Burning may take place in the following areas:

- Both banks of the Peace River, between Halfway River and the dam site
- Halfway River drainage, Moberly River drainage, and Cache Creek drainage
- Islands in the Peace River
- Along Highway 29 between Hudson's Hope and Fort St. John

Burning will only occur during custom venting windows authorized under provincial regulations, specific to Site C.

## *In Loving Memory*

*It is with profound sadness we announce the passing of Richard Fernand Lafreniere Jr. our loving son, brother and father. Survived by his son Mitchell (Chauntel) Gerry, father Richard Lafreniere Sr., mother Tracy Lafreniere, sister Jackie (Mark) Hodgkinson, sister Brianne Rutter, mother Robin Islip, and many Aunts, Uncles and Cousins. Predeceased by his grandparents Jean-nine and Fern Lafreniere.*

*Richard started out life growing up in Hudson's Hope, and loved coming back to visit with his grandparents and parents. Richard always felt that Hudson's Hope was home.*

*The family would like that thank everyone for their thoughts and prayers. Also, to the Prince George Hospital Dialysis Unit for their support during Richard's illness. A celebration of life will be done at a later time.*
