HOME OWNER GRANTS AND YOU

The home owner grant **reduces** the amount of property taxes you pay each year on your **principal residence**.

The regular grant (also called the basic grant) amount for people under the age of 65 in our area is \$770.00. The additional grant for Seniors (over 65) or persons with disabilities, the amount is \$1045.00.

Do I Qualify?

To qualify for the grant, you must:

1. Be the registered owner of the residence
2. Be a Canadian citizen or permanent resident of Canada
3. Live in BC
4. Occupy the residence as your principal residence.

For the purpose of claiming the home owner grant, you can only have **one** principal residence. If you own more than one home, you cannot designate which one is your principal residence. Your principal residence is the usual place that you **live** and conduct your daily affairs.

You must apply for the grant each year to receive it. When you receive your property tax notice, we highly recommend that you claim your homeowner grant, even if you are not able to pay your property tax amount owing at that time.

Claiming your grant will **reduce** the amount of your balance owing on your taxes. If you are unable to pay the amount owing before the due date, claiming your grant will also **reduce** the **amount of the penalty** applied to your account.

If you forget to claim your grant before the end of the year, on January 1st, the amount will roll to Arrears and start collecting interest. You may be able to claim the grant retroactively.

You can claim your home owner grant by signing the form on the back of your current property tax form. This can be dropped off at the District Office or mailed. You can also claim your grant online at www.hudsonshope.ca and follow the links on the page for the home owner grant.

If you have any questions or need more information, please contact Tonia, Deputy Treasurer, at the District Office (250) 783-9901.

Police Report Oct/ Nov 2020

Hudson's Hope RCMP responded to 24 calls for service between October 18th and November 16th. 61 written violations and warning tickets were issued to drivers between the above dates with 44 of those violations being speeding in the school zone along Beattie Dr. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP with the school zone along Beattie Drive and the construction zones along Hwy 29 being the largest focuses for traffic enforcement at this time.

Police have been monitoring the multiple construction zones along Hwy 29 between Hudson's Hope and the Half Way Bridge and have issued a multitude of speeding tickets to drivers over the past few weeks. We are asking drivers to take heed to the white regulatory speed signs and drive accordingly so that the construction workers and flaggers can conduct their work safely.

On October 20th, the Hudson's Hope RCMP received a report of a theft from motor vehicle from within the parking lot of a local hotel. It was reported that early in the morning the owner of the vehicle observed a dark colored mini-van parked behind his truck and saw an unknown person standing beside the open door of his truck. By the time the owner exited and reached the parking lot, the van had sped away. Several pieces of survey equipment and other personal items were noted to be stolen. This continues to be an open file at this time.

On October 20th, the Hudson's Hope RCMP received a report of a cow that had fallen through the ice atop a slough and was unable to get out. Upon police attending, they found a young calf still treading water and surrounded by ice, unable to get out on his own. Police used what means were available to break the ice up, creating a path, and with the help of locals and some per-

sons who stopped to help, a lasso was placed around the calf and he was heaved out. Though wet and exhausted, "Dugout Danny" eventually got to his feet and was later observed being scolded by his mother.

On October 24th, the Hudson's Hope RCMP received a report of a vehicle collision along Hwy 29 with one of the vehicles fleeing the scene prior to police attending. Upon police locating and stopping this vehicle, the driver was found to be intoxicated and was subsequently charged with operating a conveyance while impaired with the truck and trailer being towed.

On October 27th, the Hudson's Hope RCMP received a report of a fraud in which a local resident was the victim of. A call was received from an unknown person who was claiming to be the daughter of the call-taker and that she had been involved in a motor vehicle accident in which a child was injured and that she was being charged and needed bail money. A short time later, another unknown person called and advised the call-taker that he was a lawyer and that he required money for bail for her daughter but that she could not speak to anyone about this. Unfortunately, before the call-taker caught onto the fact that this was a fraudulent call, monies had been forwarded. Police are still investigating this file but would like to advise the public that if they receive any calls that sound suspicious in nature, to contact their financial institutes and or the RCMP prior to forwarding any money.

On November 10th, the Hudson's Hope RCMP received a report of an abandoned Polaris Ranger side x side ATV that was found near a work site along Canyon Dr. This ATV had been sitting in place for several days with no one around, therefore police seized it and are currently looking to track down the owner.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

BE WARM AND SAFE THIS WINTER!

- » Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- » Have a three-foot "kid-free zone" around open fires and space heaters.
- » Never use your oven to heat your home.
- » Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- » Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- » Remember to turn portable heaters off when leaving the room or going to bed.
- » Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- » Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- » Test smoke alarms monthly.

Heating Equipment Smarts

Install wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

Install and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

FACT

Half of home heating fires are reported during the months of **December, January,** and **February.**

Your Source for SAFETY Information

Hello everyone and welcome to the Lions Den. We are happy to report that we will still be having our Community Christmas Dinner. This year it will be a Drive-Thru so you can take it home and enjoy in the comfort of your own home. The date is Saturday, December 12 from 5pm to 8pm. You will enter from the parking lot and follow the signs down Christmas Lane. On offer is a full turkey dinner with a roll and dessert. Lions members will be following the strictest safety protocols in the preparation and handing out of the meals. Tickets are only \$5 per person so buy extra for left-overs! They are available at Marg's Mini-Mart and Legacy Village Market as well as from your local Lions members. Please get your tickets early so we know how much food to buy. The Friends of Hudson's Hope would also very much appreciate a donation of socks or gloves that can be dropped off when you pick up your meal.

Those wonderful folks at the Friends of Hudson's Hope Food Bank do an amazing job putting together all of the Christmas hampers. The Lions Club are pleased to be delivering them to households in the community in time for Christmas.

As the year draws to a close, myself and all of the Lions would like to thank everyone for their continued support and to sincerely wish you and yours a very Merry Christmas and best wishes for a wonderful New Year! Stay safe and let's hope that 2021 sees a resolution to the current crisis.

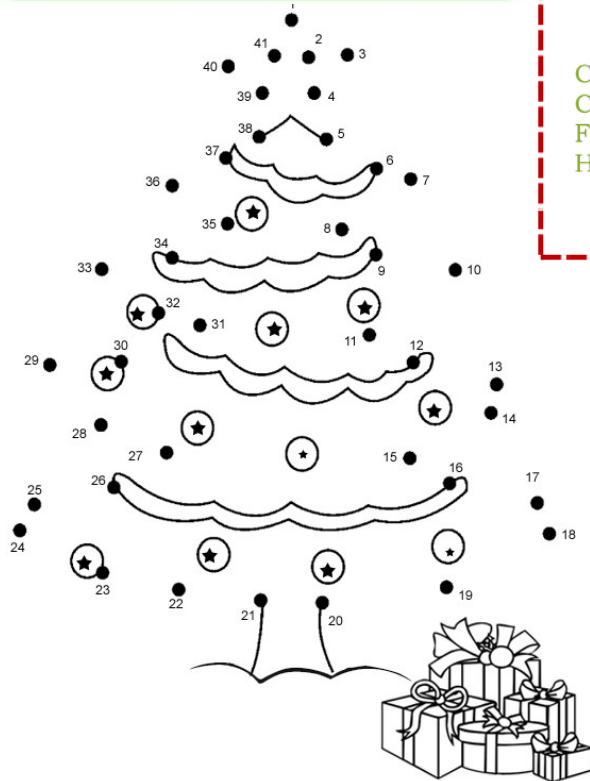

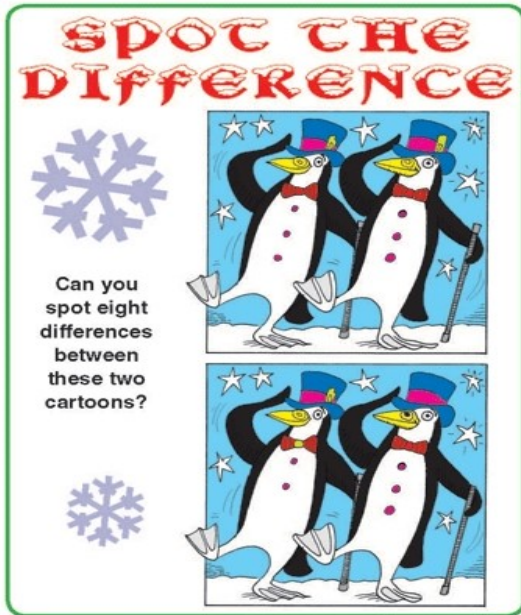

Check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

Christmas Hamper Donations

Our students have been baking cookies to include in the Friends of Hudson's Hope Hampers. Thank you community members for the ingredient donations.

The "Cartoon Artwork" on the following pages have been created by Mrs. Baytaluke's Art 9-12 students inspired by artist "Roy Lichtenstein". Also, if you happen to notice decorations and artwork in/on the Tourist Center, much of the work has been completed by our art classes as well.

Great work **HAWKS!**

HUDSON'S HOPE PUBLIC LIBRARY

Amber Norton, Library Director

Please pay special attention to provincial health orders to avoid any confusion or disappointment with these new regulations upon entry to the library. At the time that this is being written, the BC Provincial Health Officer, Dr. Bonnie Henry has placed an order that is active until at least December 7th, which states "Masks are now required for everyone in all public indoor settings and workplaces. People who cannot put on or remove a mask on their own are exempt. Employers are expected to enforce the mandatory mask policy with both employees and customers. A customer can be refused entry or service if they do not wear a mask."

<https://www2.gov.bc.ca/gov/content/safety/emergency-preparedness-response-recovery/covid-19-provincial-support/restrictions>

Please note that if you are medically unable to wear a mask, for the safety and mental wellbeing of anyone working or using the library, we would prefer if you set an appointment on Monday for Vulnerable access or an appointment for Contactless Take-Out Service. Please see posters in this library section of the Bulletin for more information.

Elf on the Shelf: Our lovely little library elf is back to keep us amused through December! Due to varying levels of comfort for individuals, this year you may also participate by finding Booklyn on our Library Website! Just take a screenshot or describe where the elf is via email to hlibrary@pris.ca or call (250)783-9414 to enter. She will be in a new spot every day during open hours from Tues-Sat until Dec. 22nd, draw on Dec. 23rd.

Elf on the Shelf Donations: If you would like to make a donation to our fun & free holiday gift basket, please contact any of our staff members to arrange for pickup or to drop off of your donation. Please indicate if you would like your donation acknowledgement for a business. You may also provide a business card to be used with the image of the item(s) that you have donated.

Vulnerable Patron Access on Mondays includes front line and essential service workers.

Capacity: We are maintaining capacity restrictions for the library in light of increasing numbers of COVID-19 cases. COVID-19 prevention protocols will be updated as needed in accordance with WorkSafeBC regulations and BC Health guidance.

YA Section Update: Have you been in to the library since we (Shellie & Amber) removed the blocking from the old second children's library entryway? It has made the main section of the library so much brighter! We love it! There is still some finishing work to do in the area but it is already open for use.

Fundraising: Thank you so much to all of you who ordered through our Library Board fundraising campaign with Purdy's Chocolatier! With 2 days of ordering to go, we have almost met \$1000 in profit! There will be a limited supply of Purdy's items purchased to be sold individually from the library, while supplies last. Please stay tuned to local PSA & Facebook if you would still like to purchase extra chocolate while available! (Approx. Dec 4/5)

Welcome back to
our Festive Little
Elf Librarian...
Booklyn!

Don't miss out on the fun that starts December 1st and every day that the library is open until December 22nd! If you find Booklyn's hiding place, in person and/or on our website, you can enter your name for a gift basket full of amazing prizes! Each day there is a new book clue that may help you figure out what Booklyn is up to and each day a new prize is added to the gift basket!

If you would like to donate a prize toward our gift basket, please contact one of our librarians.

Item Donations: We can only accept a few donated books at a time, no more than a standard grocery bag per household. Please add a note to your donation with your name (so we know that it is donated on purpose and not accidentally put in our return), tie the bag and leave in our outside book drop, next to the bulletin board. If you have items that cannot fit through the book drop, we cannot accept those donations at this time, including boxes of donations. All normal book returns are only accepted in the exterior book drop due to quarantining protocols.

Thank you to **Jeanette McDougall** for your contribution of office supplies as well as **Steve Metzger** for your donation of non-fiction books & DVDs.

Staff Changes: Last month we hired an additional Casual Library Clerk: welcome to the team Brenna! Brenna is already settling in and becoming an integral part of our team dynamic.

Shellie Howard, Program Librarian

I hope everyone is staying happy and healthy!!! We still have no in person Library Programs as of yet, please let me know if you are interested in joining an online program. These interactive programs are very stimulating and social, not your typical “screen time”. We are hoping, come the New Year, we will know more as to when we can start again.

We have so many new books for Children and Tweens and Teens. New graphic novels just in; Big Nate, Hicotea, Minecraft, Stargazing, just to name a few. The new Bad Guys, Last Kids on Earth, Lulu Llamacorn, and some new Baby Shark!!! Don't forget we have our new Junior Chef cookbooks in as well. For teens we have a few new series; Bone Criers Moon, Ashlords, Rage, Moment of Truth and Kingdom of the Wicked by Kerri Maniscalco. Watch for our new Christmas movies and books that will be put on the shelves in December. Our current holiday collection is already on display so pop down and grab some books for the holidays!!!

Nancy Smith, ILL Librarian & Bookkeeper

Interlibrary Loans: ILLs may be requested through the catalogue database via your patron account, alternatively you can call or email your request. If you cannot find the title that you are looking for on our catalogue database, we have access to another database that we can place a request for you. Please contact our staff for a tutorial, to sign up for your own library card, or to simply place a hold.

This book is like a mashup between the movie “Groundhogs Day” and a Hallmark Christmas movie. “With one hilarious disaster after another sending her back to the plane, Mae must figure out how to break free of the strange time loop—and finally get her true love under the mistletoe.”

“I've essentially handed my heart over to the person who's had it on reserve for half my life, and I'm terrified that he doesn't realize what he's holding.”

— Christina Lauren, *In a Holidaze*

Healthy wishes from the HHPL staff!

We hope to see you all soon!

River of the Peace Metis Society COMMUNITY REPORT December 2020

River of the Peace Metis Society has been busy trying to get some future events happening for the members and community. Being in the second wave of the covid crisis, this has been very challenging as we don't know what the future will bring. All of our meetings and communications are being done via teleconferences. Our office is still not opening on a regular basis but the contact numbers are on the office door. We can usually accommodate any of the members or community with issues concerning the Metis.

We are in the process of getting a website made which will make it so much easier to get information out to the members and community. Seems like everyone is online these days and we are sorely lagging behind in this area. So.. it is coming soon. We will let you know when we are up and surfing!

We have acquired a beautiful buffalo skull for our office thanks to very talented artist, Nellie Garbitt. BC Hydro employee,

Shawn Palmer, was instrumental in placing it on the wall as shown in the photo.

The infinity symbol was our choice for design on the skull and Nellie did a wonderful job with it. We are proud to

hang the buffalo in our office. We now have a new logo for our Society many thanks to Caitlin Vince for her design. We

welcome members input as to whether they like it or not.

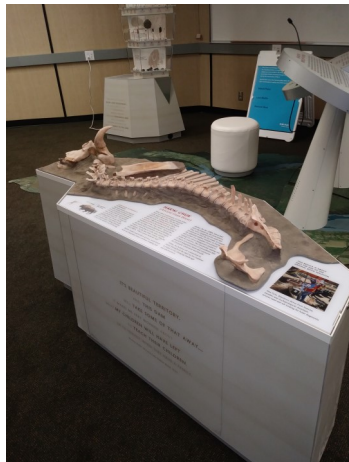

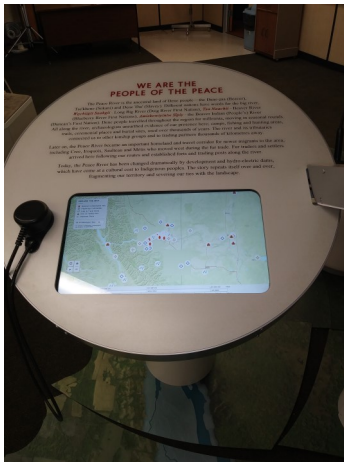

November 7 to 17th, River of the Peace Metis Society hosted the Site C trav-

eling exhibit which showcased some of the artifacts found on the dig sites. There was a replica (half the original size) of a buffalo created by a 3D printer and two interactive drums; one showing different Indigenous areas and their purpose and the

second with videos and a headphone and microphone for whomever wished to leave their thoughts about the exhibit. We had a few viewers but not a huge turnout, a sign of the times I am sure. The exhibit was geared more towards an adult population as had quite a bit of reading material. The Hudson's Hope School has asked to have the exhibit in the school for one week for instruction purposes. This will be scheduled in the upcoming weeks.

We are no longer offering food vouchers as we are working on getting programs in place for employment training and hope to have courses to offer members and those in need for 2021.

Wishing everyone a safe and happy Christmas Season and a Happy New Year.

Respectfully, President Valerie Paice

Re: In-water works begin on Hudson's Hope berm

Dear Hudson's Hope resident,

We're writing to let you know that in-water construction will soon be starting on the Hudson's Hope shoreline protection berm.

This means that we will be placing riprap in the water, as we start to build up the berm. Excavators will be used to place riprap (large crushed rocks) hauled from Portage Mountain Quarry.

Berm construction is starting in the eastern end of town near D. A. Thomas Road, and gradually moving west. The berm – a large barrier made of riprap, rocks and gravel – will reinforce the shoreline and protect it from potential erosion once the Site C reservoir is filled.

Environmental monitoring

- **Water monitoring:** We've installed two monitors in the water to regularly sample and measure the sedimentation of the water. Work will be paused if the impact of the work on water quality exceeds permitted levels.
- **Air quality monitoring:** The air quality monitoring station in Hudson's Hope is currently measuring dust and exhaust during construction of the berm.

What to expect

- Nearby residents may experience increased levels of noise, dust and vibration during work hours.
- Boaters must stay away from machinery and construction in the water. Boater safety signs have been placed in the river.
- For safety reasons, the public must stay out of construction zones.

Thank you for your patience as we build the shoreline protection berm in Hudson's Hope. Please contact us if you have any questions.

Sincerely,

Site C Project Team

Christmas Tree Permits available at the District Office

Thinking about cutting down your own Christmas Tree this year? Members of the public who wish to cut a Christmas Tree on Crown land for personal use must have a "Free Use Permit for a Christmas Tree"

Be sure to pick up your FREE permit and don't forget to bring ropes, gloves, tools, tire chains, and warm clothing.

The family of Jean Postnikoff would like to thank the Hudson's Hope First Responders. We are grateful for Bob Norton who arrived within minutes and Corporal Rob Gardner who provided support alongside everyone that came.

Thank You!

Thank you.

A big Thank You to the District of Hudson's Hope, Kristina Coombs and Corporal Rob Gardner for the decadent meal delivered to us on Remembrance Day. I served in the Royal Canadian Artillery a long time ago and am humbled that you recognize my service even today in this most appreciated way.
