Reminder....

**2020 Dog Licenses
expire on
December 31st.**

***Why Should I
License My Dog?***

In case we get Lost....

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

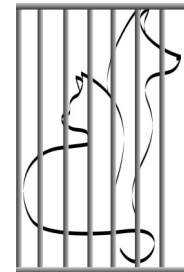

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

It's Easy and Inexpensive

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

Reduced Fines

The Fee for a dog picked up at large is \$60.00. There is an additional fee of \$60.00 if they are not licensed (this does not include any boarding fees, if applicable).

Police Report Nov/Dec 2020

Hudson's Hope RCMP responded to 19 calls for service between November 16th and December 15th. 60 written violations and warning tickets were issued to drivers between the above dates with 47 of those violations being speeding in the school zone along Beattie Dr. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP with the school zone along Beattie Drive and the construction zones along Hwy 29 being the largest focuses for traffic enforcement at this time.

Police have been monitoring the increased volume of commercial trucks through Hudson's Hope as well as the securement of the loads of the gravel trucks that have been hauling large rock and gravel to and from the various construction sites along Hwy 29. Several violation tickets have been issued to drivers for insecure loads. CVSE has also been assisting by conducting regular patrols and check stops on commercial vehicles in the Hudson's Hope area.

On November 19th, the Hudson's Hope RCMP received a report of a disturbance in which a male was becoming belligerent at a local business when asked by the business owner to dawn a mask as per the Covid-19 Related Measures Act. The male was found to have been irate with the business owner and later with 911 dispatch when he himself called police for being instructed to wear a mask within a business. Police contacted the individual and the issue was resolved after some discussions.

On November 26th, the Hudson's Hope RCMP received a report of an attempted online fraud. It was found that the complainant was unable to log into their Amazon account and upon clicking on a pop-up window with a phone number for Amazon, the complainant spoke with an "agent" who gained remote access to the complainant's computer. This "agent" advised that there was \$9000 worth of fraudulent charges on the account and asked that a payment of \$475 be immediately made to resolve the issue. The complainant declined to pay the fee and the "agent" who still had remote access to the complainant's computer became belligerent and started to swear at the complainant via the online chat window. It was confirmed that no money was accessed by the "agent", however all information was forwarded to the Canadian Anti-Fraud Centre. Upon police speaking with the anti-fraud department, it was found that this has been a new online fraud attempt.

On November 27th, the Hudson's Hope RCMP conducted a commercial truck check-stop along Canyon Dr. Police stopped and checked several commercial trucks with minor violations found.

On December 13th, the Hudson's Hope RCMP received a report of a hazardous situation along Hwy 29 whereas a complainant reported that he had stopped behind a

commercial tanker truck that was transporting a hazardous material that contained a sour gas mixture of crude oil. The complainant stated that he could smell an over abundance of what was described as a "sour gas" odor and believed that the truck was either overloaded or had faulty valves. Police located the truck and upon an inspection, the truck was found to be in legal limits for load capacity, however due to the amount of fume emissions coming from the cargo, CVSE was contacted, who later conducted an inspection of the trailers valves.

On December 15th, the Hudson's Hope RCMP received a driving complaint in which a black SUV was observed passing a semi truck in the school zone along Beattie Dr. Due to no vehicle descriptors provided, the vehicle was not located but police did conduct a patrol of the school zone this day and several violation tickets were issued to drivers of both personal and commercial vehicles for speeding in the school zone.

With the 12 Days of Christmas Giving toy drive coming to an end, the Hudson's Hope RCMP would like to thank the community of Hudson's Hope, those that donated items to the cause, and the associated community partners that assisted; DOHH, FOHH, and the HH Elementary School, for their efforts in making Christmas brighter for 36 local children and their families. The idea was spearheaded by the wife and daughter of a local RCMP member who wanted to share her toys with kids who didn't have any. As a result of the generous donations received, 14 families and 36 local children will be receiving several Christmas gifts this holiday.

From everyone at the Hudson's Hope RCMP detachment, we would like to wish the community of Hudson's Hope a very Merry Christmas this year.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Preparing an Emergency Kit for Your Car

Slippery or snow-covered roads, reduced visibility and bitter cold are all conditions that can make driving difficult and even dangerous during cold weather months. Winter also brings an increased risk of getting stuck in your car, so dress warmly before heading out.

Emergency Car Kit

If you have a car, prepare an emergency car kit and keep it in the vehicle. The basic emergency kit for cars should include the following items:

Check off the items for your 72-hour emergency kit as you accumulate them.

Top of Form

Food: That won't spoil, such as energy bars

Water: In plastic bottles so they won't break if frozen (change every six months)

Blanket

Extra clothing and shoes

First aid kit: With seatbelt cutter

Small shovel, scraper and snowbrush

Candle in a deep can and matches

Wind-up flashlight

Whistle: In case you need to attract attention

Roadmaps

Copy of your emergency plan and personal documents

Also keep these inside your trunk

Sand, salt or cat litter (non clumping)

Antifreeze/windshield washer fluid

Tow rope

Jumper cables

Fire extinguisher

Warning light or road flares

Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

BE WARM AND SAFE THIS WINTER!

- » Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- » Have a three-foot "kid-free zone" around open fires and space heaters.
- » Never use your oven to heat your home.
- » Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- » Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- » Remember to turn portable heaters off when leaving the room or going to bed.
- » Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- » Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- » Test smoke alarms monthly.

Heating Equipment Smarts

Install wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

Install and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

FACT

Half of home heating fires are reported during the months of **December, January,** and **February.**

Our School Science Fair was a very successful event. Thank you to our volunteer judges who helped us to make the fair possible for our students: James Paulgaard, Lorene Hamre, Theresa Dantuma, Christopher Fequet, Stephen Petrucci, Helen Gilbert, Dale Boissoneault. All of the projects were very well done. I'm very proud of our students for the work they put into their projects, and the excellent job they did presenting. Congratulations to the following students who will be representing our school regionally this Spring: **Stella Matchett & Isobel Hughes-Bunger, Penelope Mercereau, James Gortman, Austin Lepine, Sierra Musyowski, Andrew Quibell & Logan Koehn-King, Gemma Swanson, Jaydon Scott.**

ary-Secondary School

10 Days of Goodwill, Toy Drive, Baking Hampers, and letter –

Our students had a lot of fun baking, bringing in food, goods, and toys, and writing letters of recognition/thanks. December has been an uplifting month at our school. It has been very encouraging to see our Goodwill and Toy Drive containers being filled every day, watching students bake treats for hampers, and listening to students proudly share their beautiful letters. What a fantastic community we live in.

Christmas Concert – Our Annual Christmas Concert was a beautiful success. It was so exciting to listen to the beautiful singing, and to watch the great acting as well. Thank you Miss Dee for all of your efforts! Thank you Pastor Luke Hughes-Bunger for a wonderful job recording and producing a video for our parents and community. Also, thank you Dylan for your technical work, and for training Andrew!

Pancake Breakfast & Winter Fun Day – Once again our students enjoyed a great breakfast and some fun activities to celebrate the last day of school before their winter break. Our secondary students spent a fun day at Cameron Lake, and our elementary students had a great day at the school. A big thank you to Lannie Rhymer and “Miss Dee” for all of your hard work feeding our entire school; and to all of our staff for your fun stations!

Capacity: We are maintaining capacity restrictions for the library in light of increasing numbers of COVID-19 cases. COVID-19 prevention protocols will be updated as needed in accordance with WorkSafeBC regulations and BC Health guidance.

Corporate Donation: A huge thank you to Peace River Hydro Partners for your Holiday 2020 Donation initiative! We really appreciate that you thought of us for this initiative! Thank you Katie K. for reaching out on Facebook!

Item Donations: We can only accept a few donated books at a time, no more than a standard grocery bag per household. Please add a note to your donation with your name (so we know that it is donated on purpose and not accidentally put in our return), tie the bag and leave in our outside book drop, next to the bulletin board. If you have items that cannot fit through the book drop, we cannot accept those donations at this time,

including boxes of donations. All normal book returns are only accepted in the exterior book drop due to quarantining protocols.

Thank you to **Greta Goddard** for your donation of 3 adult books, Bill Lindsay for a current top 40 adult fiction title, as well as **Diana Jewan** for an assortment of titles. I'd also like to thank an anonymous donor, who preferred their name not be noted, but thank you just the same for purchasing a season of DVD series that I am sure is going to be well used by local patrons.

Elf on the Shelf: Thank you so much for all of the amazing donations to our Elf on the Shelf promotion in December! This is the 5th year that we have done this and it has grown more and more popular every year. This initiative is just to add some fun to the season and helps promote the library as well as local businesses. This year we received approximately \$1000 in donations for the basket! Shellie Howard, Program Librarian

Hi everyone, I hope you are all doing well. Things haven't changed much here at the library, we are still unable to do in person clubs. Now, with that being said, I have come up with a few ideas for grab and go book/craft bags for all clubs. We are open in the New Year starting January 5th, so I will need at least two weeks to get everything prepared and ready to go. So feel free to call or pop down the week starting January 19th. It will be fun for all age groups and a way to do some crafting and reading by yourself or with your parents. We have a lot of new books out and more coming in every month. Stop in and check what is new and available just for you!!! We have new literacy toys and games and you can also take out our literacy bins. We still quarantine everything for your protection, as well as ours. You can take out build-a-story cards, hot dots, and some activity games for your kids. Please stay, safe and healthy and we will see you all in the New Year!!!

Nancy Smith, ILL Librarian & Bookkeeper

Interlibrary Loans: ILLs may be requested through the catalogue database via your patron account, alternatively you can call or email your request. If you cannot find the title that you are looking for on our catalogue database, we have access to another database that we can place a request for you. Please contact our staff for a tutorial, to sign up for your own library card, or to simply place a hold.

This book series has been around for a while, *The Duke & I* first released in 2006! It was just rereleased on December 1st as a TV Tie-In. I was so excited to learn that this book series was picked up by the TV producer Shonda Rhimes (Grey's anatomy, Private Practice, Scandal) and I'm just giddy waiting for Christmas because the series releases on Netflix on December 25th! I absolutely love the spin she has taken with the series and as soon as I heard (Summer 2019) that she bought the rights to the movie, I devoured the whole series on Overdrive as fast as I could get my hands on it! I will be purchasing the TV Tie-In versions as they are released but if you want to tear through them as I did, they are available on Overdrive or through Interlibrary Loan. Warning, yes they were released in pocket paperback, so they are a little more on the romance side but I love historical fiction so I loved them.

“Simon gave her a startled look. ‘I don't believe I have ever been condescended to by a woman before.’ She shrugged. ‘It was probably past time.’”

— Julia Quinn, *Bridgerton: The Duke & I*

Healthy wishes from the HHPL staff! We hope to see you all soon!

Rest in Peace

Rest in Peace
daughter, mother, baby sister....

When tomorrow starts without
me
And I'm not here to see
If the sun should rise and find
your eyes
All filled with tears for me

I wish you wouldn't cry
The Way you did today
While thinking of the many
things
We did not get to say

I know how much you love me
As much as I love you

Each time that you think of me
I know that you will miss me too

I promise no tomorrow
For today will always last
And Since each day's the exact
same way
There is no longing for the past

So When Tomorrow starts with-
out me
Do not think we're apart
For every time you think of me
Remember I'm right here in your
heart

Raymond Roger Russell Belanger

November 1, 1953 - December 19, 2020

It is with great sadness that we announce the passing of Raymond Roger Russell Belanger on December 19th, 2020 in Fort St. John hospital.

Raymond was born in Vancouver, BC on November 1st, 1953.

Ray is predeceased by his parents George Gerald and Amilia Eugenie Belanger. He is survived by his sister June Belanger Nezie of Toronto, Ontario and special friends Dave and Linda Brough and Cassandra.

Ray was a very good cook in his younger years and worked for CN Rail as a cook's helper. His favorite thing to do was to read and if you drove by his place you would see him sitting in his chair with a book and his kitty, Puskins. Ray lived his life the way he wanted and he was always willing to help if he could.

We would also like to thank Ed Forester and Shawn Shepherd for their help when Ray was so sick.

*We will miss you Ray.
