PUBLIC SERVICE NOTICE

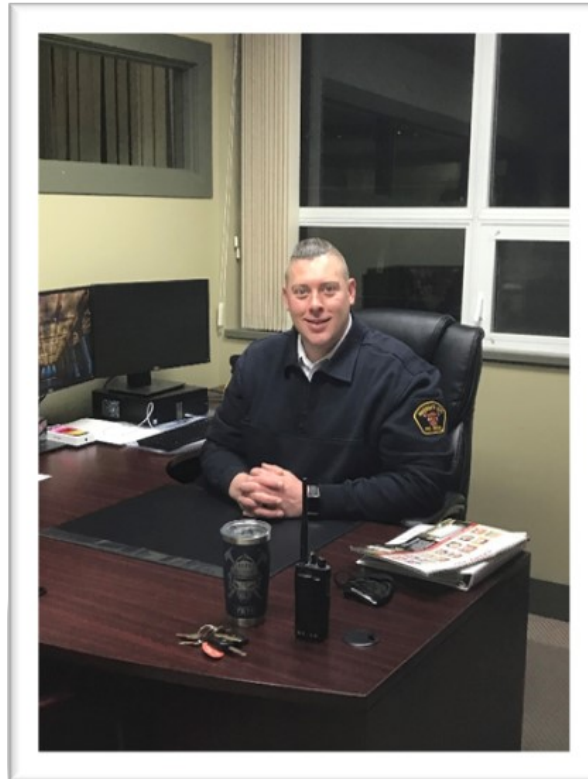

Hudson's Hope appoints new Director of Protective Services

We are pleased to announce that Brad Milton joined with the District of Hudson's Hope as the Director of Protective Services on January 11, 2021.

Brad worked with the Canadian Armed Forces in Edmonton, Cold Lake, Halifax, and Trenton NS, as a professional fire-fighter since 2007. As a professional fire fighter, he was involved in various fire emergencies.

Brad is married to Davina and they have two sons; Grayson (6) and Carter (4) who will be joining Brad once the school year is finished. Having been posted in Alberta, Ontario, and Nova Scotia, Brad and Davina are looking forward to settling down in Hudson's Hope and spending time with their kids as they enjoy camping, fishing, and outdoor activities.

The appointment of Brad Milton is a result of Robert Norton's resignation who accepted a position with the City of Fort St. John.

HUDSON'S HOPE CLUBS AND ORGANIZATIONS FINANCIAL ASSISTANCE GRANTS

Application deadline is February 15, 2021

Council is now accepting applications from non-profit clubs and organizations requesting funding assistance in 2021

The District of Hudson's Hope recognizes that valued contributions are being provided through volunteer efforts of local organizations and agencies that benefit the community. The Financial Assistance Grant demonstrates Council's commitment to working with these local groups that provide these beneficial programs, services or projects to the community while at the same time recognizing the financial constraints of the District.

1. The primary purpose of Financial Assistance Grants is to assist to organizations for a specific capital project or local event that benefits the residents of the District of Hudson's Hope;
2. The financial assistance includes donation of time, facilities and District inventory (tents, tables, chairs, etc.);
3. Grants will not be provided for travel expenses;
4. The applicant organization must be registered as a Society in either the Province of British Columbia and / or Canada, and includes organizations that belong to a parent Society in Canada; and
5. Upon completion of the project, the applicant must submit a final report to the District outlining how funds were expended.

For full application details please visit our website at:

<http://hudsonshope.ca/residents/clubs-services/>

PLEASE NOTE: A report must be submitted if your organization received a grant for 2020, otherwise a grant application for 2021 will not be approved.

Applications should contain all ***assistance requests for the year***, including waivers for municipal tent rental and other donation requests such as complementary recreation admission requests.

Forms may be picked up at the District Office

**Should you have any questions, please contact
Jeanette McDougall, Corporate Officer at 250-783-9901**

Business Licenses

The 2021 Business License statements have been mailed out. If you no longer require your Business License, please call the District Office to have your license cancelled. If you do not have a business license or are unsure if you require one, please stop in or call for more information.

Bylaw No. 504, 1994 clearly states "that no person shall carry on, within the Municipality, any business unless he or she is the holder of a valid and subsisting license issued to him or her under the bylaw by the License Inspector and shall pay therefore, to the License Inspector, the sum stated in the bylaw". The annual cost for a business license is

A "business" is defined as any activity in which you receive monetary compensation for any services that you may provide within the community.

\$50.00

If you are operating a business without a license, you are in direct violation of Bylaw No. 504.

2021 DOG TAGS

Now Available

Reminder....

**2020 Dog Licenses
expired on
December 31st.**

***Why Should I
License My Dog?***

In case we get Lost....

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

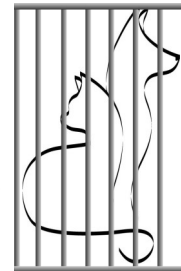

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

It's Easy and Inexpensive

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

Reduced Fines

The Fee for a dog picked up at large is \$60.00. There is an additional fee of \$60.00 if they are not licensed (this does not include any boarding fees, if applicable).

Police Report Dec/Jan 2020/21

Hudson's Hope RCMP responded to 32 calls for service between December 15th and January 26th. 47 written violations and warning tickets were issued to drivers between the above dates with 36 of those violations being speeding in the school zone along Beattie Dr. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP with the school zone along Beattie Drive and the construction zones along Hwy 29 being the largest focuses for traffic enforcement at this time.

On December 19th, the Hudson's Hope RCMP conducted a roadside check-stop along Beattie Dr. whereas police monitored motorists for mobile cellular device usage and speeding infractions. A violation ticket for distracted driving starts at \$368 with an additional \$175 for penalty points totaling \$543 for the first offence. If there are sequential ticketed violations for this offence within a 12-month period, the fines will almost double with each ticket which can result in a fine of \$14,928 by the 10th ticketed violation.

On December 22nd, the Hudson's Hope RCMP received a report of a tractor trailer hauling an insecure load of hay along Canyon Dr. Police located the truck and found that there were no tie straps or any means of securement applied to the large round bails which posed a risk to passing motorists. The driver of the truck was fined for insecure load of a commercial truck.

On December 22nd, the Hudson's Hope RCMP received a report of a cow moose that had walked out onto a frozen creek and fallen down. Due to the ice, the moose was unable to gain its footing and laid in place. After several hours, the moose was still observed in place and due to the cold weather and the fact that the moose was laying on straight ice, there was a high likelihood that the moose could freeze to death due to lack of body heat. Police attended and with the assistance of a local resident and his tractor, the moose was successfully pushed off the ice and though unhappy to be touched by humans, tow straps and good ole muscle strength were utilized to further heave the cow moose onto dry ground where it later regained its footing and trotted off, never to speak of this incident again.

On December 31st, the Hudson's Hope RCMP stopped a vehicle for speeding along Canyon Dr. Upon the investigation, police confirmed that the novice driver was operating a vehicle while under the influence of alcohol, therefore the driver was issued a 12-hour driving suspension and several violation tickets.

On January 9th, the Hudson's Hope RCMP were advised of a local business that was operating in contravention of the EPA – Protective Measures (Covid -19 Order). Upon further investigation, police confirmed the violation and the business was fined with a \$2,300 ticket under the Covid-19 Act.

On January 23rd, the Hudson's Hope RCMP conducted a vehicle check-stop along Canyon Dr. where several vehicles including commercial trucks were stopped. No violations were observed during this check-stop, however police were able to confirm that the commercial trucks hauling rock along Canyon Dr. are still currently following all safety measures.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

WINTER DRIVING SAFETY TIPS

Please remove all the snow from your vehicle before driving. That includes, lights, license plates, windows, your hood, trunk and roof. Snow on the flat surfaces of your vehicle can blow or slide over your windshield obscuring your view or blow into the path of a trailing vehicle blocking their view. In the 2-3 minutes it takes to warm up your car, you can clear the snow, making it safer for you and other motorists.

Help first responders find you when every second counts.

HOUSE NUMBERS SAVE LIVES

The Importance of a 9-1-1 Address

Properly displaying your civic number on your house or at the end of your driveway ensures fast emergency response for the **AMBULANCE, FIRE** and **POLICE** Services. Precious minutes can pass while the emergency vehicle attempts to locate the emergency incident.

It is strongly recommended that you ensure that a civic address is posted with the following guidelines in place:

- the civic address the District has assigned to the premises must be displayed on the principal building on the premises and must be legible from a minimum distance of fifteen (15) metres;
- where a building is set back from the street or roadway fronting the property such that the assigned street address is not clearly legible from the street or roadway, or where landscaping or architectural appurtenances or other obstructions obstruct the address, the assigned street address shall also be displayed at the driveway entrance from the street or road serving the building on a weather-resistant sign permanently mounted on a post and visible from all direction of traffic flow; and
- letters or numbers displayed on a building must be of a colour which contrasts with the background colour of the building or sign.

More information on how to properly display your civic address can be found in the Fire Protection and Life Safety Bylaw 775, contact the District office at (250)783-9901 for more information.

Please be advised that there are active legal trap lines located on private property within the municipality of Hudson's Hope.

To avoid any encounters with the traps and your pets please ensure your pet is on leash and exercise caution. Talk to your rural neighbors to ensure safety and respect the laws for private land use.

PROTECTIVE SERVICES

Automated External Defibrillators

What are They?

An automated external defibrillator (AED) is a small, portable device used to identify cardiac rhythms and deliver a shock to correct abnormal electrical activity in the heart. AEDs are used to treat sudden cardiac arrest (SCA).

Up to 40,000 cardiac arrests occur each year in Canada. That's one cardiac arrest every 13 minutes.

Eighty-five per cent of cardiac arrests in Canada happen outside of hospitals, and having an AED close by can make all the difference. The American Heart Association warns that for every minute lost before defibrillation, the survival rate decreases by seven to 10 per cent. After 12 minutes, the survival rate plummets to less than five per cent.

When CPR and an AED are both used within five minutes of a cardiac arrest, the chance of survival rises by nearly 75 per cent, according to research published in the Journal of the American College of Cardiology.

Where are They?

Quick access to an AED can greatly improve a patient's survivability rate, and knowing where AEDs are located within your community can help facilitate this. Fortunately there are a number of AEDs located within the District of Hudson's Hope. Emergency responders including police, fire and BC Ambulance all have devices on their apparatus and vehicles. There are also AEDs located **at the Arena in the winter and the Pool in the summer**. Staff at these locations have training in their use. **Hudson's Hope School** has an AED in the staff room and has staff trained in its use. Other places that might be less obvious are **the Library** where an AED is on site, and staff and board members have received training in AED and CPR, and **Silver Willow Court** where they also have an AED available.

Another interesting way that you can locate and help develop an inventory of AED locations in your community is through the PulsePoint AED website and app. Check it out here: <https://www.pulsepoint.org/pulsepoint-aed/>

Where can I Learn More?

To learn more about AED use you can contact your local first aid course provider to enroll in a CPR/AED training course and we invite you to take a few minutes to watch a short video on the District's Emergency Services web page @ <http://hudsonshope.ca/residents/emergency-services/>

Attention Property Owners— Home Owner Grant Update

PUBLIC SERVICE NOTICE

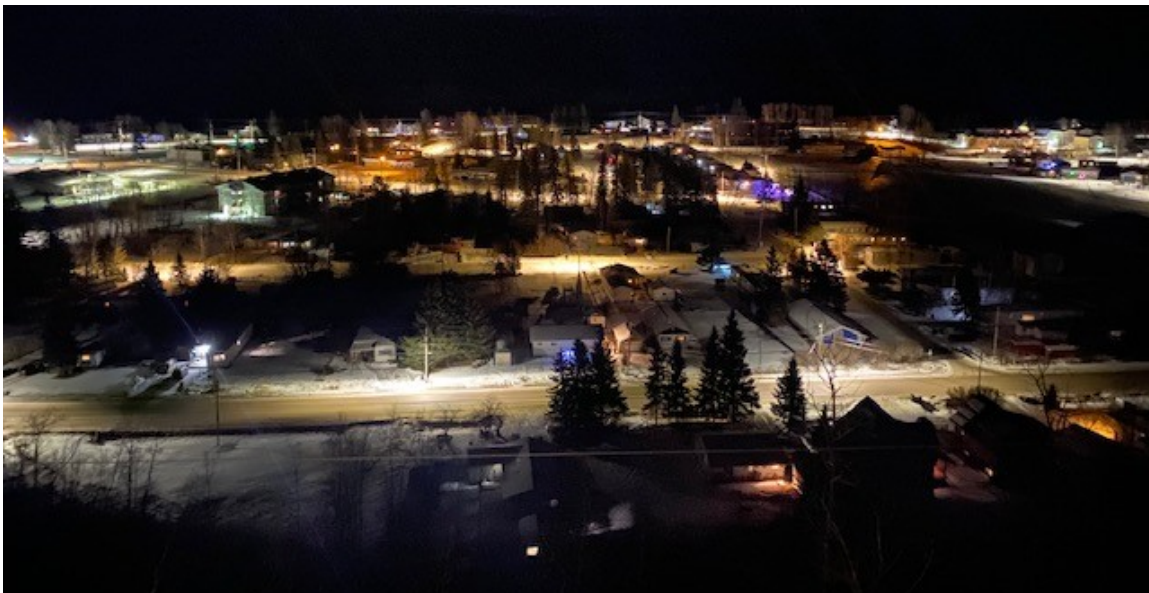

LED Street Lights

BC Hydro has completed the conversion of all streetlights except four (4) from High Pressure Sodium (H.P.S – orange glow) to Light Emitting Diode (LED – white glow). Out of the remaining four lights, which are very high, two lights are near the intersection of Hwy 29/ Ross Street and two lights are in Beryl Prairie. These four lights will be done by BC Hydro crews in the near future.

The conversion of streetlights project commenced on January 6th, 2021 and was completed on January 10th, 2021.

These new streetlights help improve public safety by increasing the visibility of sidewalks and roads at night and help to reduce light pollution. LEDs also last longer and require less maintenance.

Should you have any questions regarding this Notice, please contact District office at 250-783-9901.

Our School Baking Numeracy – Have you heard of Hudson's Hope School's Baking Numeracy Program? A few years ago we noticed that our students were having difficulty transferring and retaining some of the concepts in our measurement and fractions units. We decided to try implementing a program that would be very small group, with a focus on hands-on reinforcement of concepts such as measurement units, ratios, and fractions. This program has been a wonderful success, and is also super fun for our students. A big thank you to our teachers, and of course to Lannie Rhymer for the time and dedication put in to support our students, and to make learning meaningful & enjoyable!

ary-Secondary School

Resin Pours – JP McCarthy and his shop students have been exploring the artistic and interesting world of resin pouring. Our students have been working hard to create butcher blocks utilizing environmentally (and Canada-based) resin. They have also utilized our own natural wood (driftwood) and have milled, hand-cut, hand-planed, hand-sanded (a LOT of sanding), and have learned how to properly wax and polish the projects.

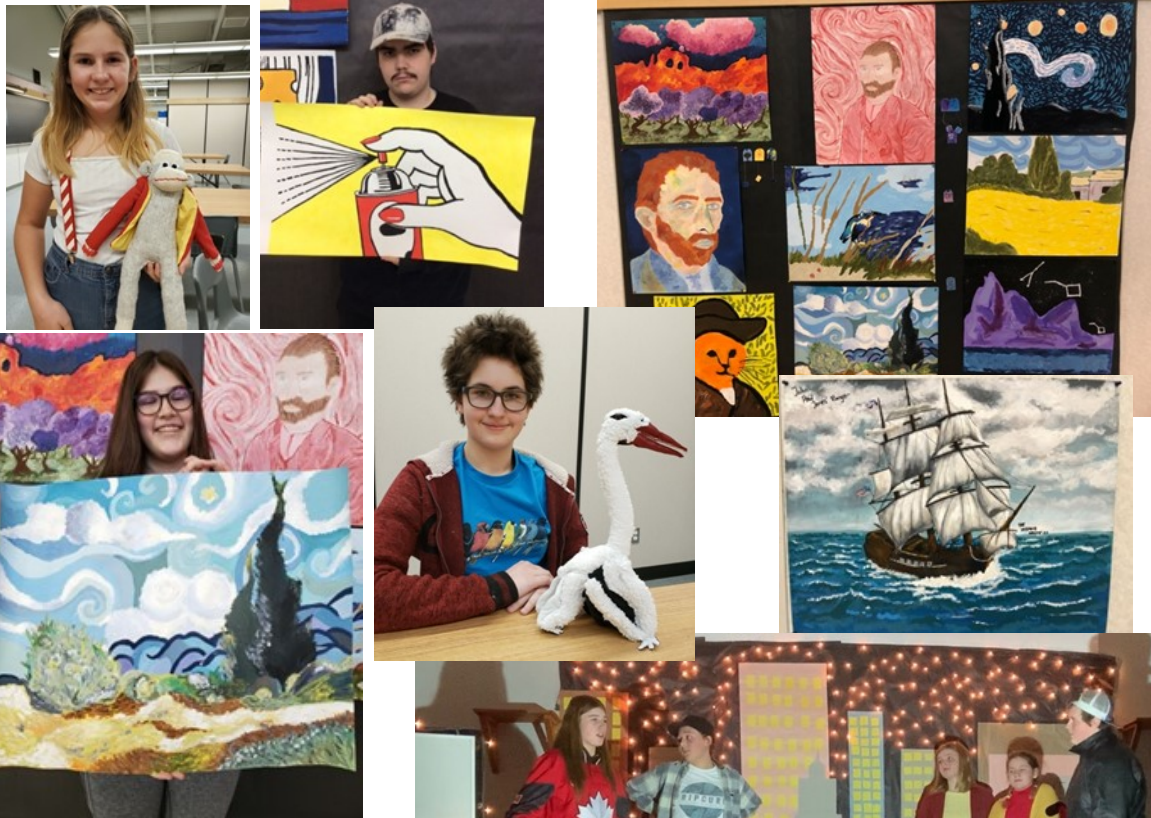

Medieval Village – Ms. Rhymer’s grade 8 students completed a “Medieval Village” project, which required a great deal of group cooperation and creative thought. The students created a wonderful project, and presented their work to peers, and elementary groups.

Mr. Hart’s Band students performed some wonderful Christmas songs before the break. Keep up the great work **HAWKS!**

Secondary Art & Textiles – Mrs. Baytaluke's Art & Textiles students have created some fantastic projects. Here are a few quick samples!

Ms. Dee's Musical Theater class performed a musical called "The Fall" to our Secondary students. It takes some bravery to sing in front of a live audience! Great work **HAWKS!**

Jack & Seanna – Speaking of being brave...congratulations to **Ms. Rhymer's Drama** students for performing a wonderful and entertaining play to staff and students!

THE LIBRARY WILL BE OPEN BY APPOINTMENT ON MONDAYS FOR MEDICALLY VULNERABLE PATRONS, INCLUDING SENIORS. THE LIBRARY WILL HAVE BEEN SANITIZED AND UNUSED FOR AT LEAST 60 HOURS PRIOR TO THE FIRST APPOINTMENT. EACH APPOINTMENT WILL BE 45 MINUTES LONG FOR THE PATRON TO BROWSE THE LIBRARY AND/OR USE THE COMPUTER. THIS ACCESS IS FOR INDIVIDUAL USERS WHO MAY BE AT RISK FOR SEVERE COMPLICATIONS DUE TO COVID-19 AND THEIR HELPERS, IF NECESSARY. EXTRA CAUTIONARY CLEANING MEASURES WILL BE IMPLEMENTED ON OUR VULNERABLE PATRON ACCESS DAYS TO ENSURE COMMON TOUCH POINTS ARE SANITIZED BETWEEN EACH USER. CALL 783-9414 TO BOOK YOUR APPOINTMENT

Item Returns and Drop-Offs: All normal book returns and donations are only accepted in the exterior book drop due to quarantining protocols. **Vulnerable Patron Access on Mondays includes front line and essential service workers later in the day to accommodate vulnerable patrons first.**

Canada Reads: The library has all of the Canada Reads books on order! Some will have arrived by the time this goes to print, but others are delayed. Patrons may only take out only one Canada Reads contender title at a time and have the book returned within a week so that other patrons have a chance to read them before they go head-to-head on March 8-11. The delayed titles may have a shorter loan period to try to accommodate the hold queue.

This year's contenders are:

Butter Honey Pig Bread

Written by Francesca Ekwuyasi
Championed by Roger Mooking

Hench

Written by Natalie Zina Walschots
Championed by Paul Sun-Hyung Lee

Jonny Appleseed

Written by Joshua Whitehead
Championed by Devery Jacobs

The Midnight Bargain

Written by C. L. Polk
Championed by Rosey Edeh

Two Trees Make a Forest Written by Jessica J. Lee Championed by Scott Helman

These titles are also available on Overdrive. The electronic loans holds list is currently long but the more holds they get, the more likely additional budget would kick in to purchase extra copies.

Shellie and Amber have a friendly challenge to see who can choose the most titles from the longlist that make it in to the contenders. This year Amber won with three but Shellie held her own with two! The Midnight Bargain and Jonny Appleseed were on Amber's list, Butter Honey Pig Bread were chosen by both and Shellie also chose Two Trees Make a Forest. We also challenge each other to read all 5 books before and try to pick the year's winner... are you up for the challenge?

Overdrive Merged with RBDigital: RBDigital's eBook and audiobook collections have been transferred over to Overdrive. RBDigital is still providing eMagazines as well as IndieFlix. This means that you will be able to access magazines through RBDigital or Zinio apps and website, you can access IndieFlix through RBDigital or IndieFlix apps and you can access all of our electronic audiobook and eBook collections on Libby or Overdrive.

Overdrive Collection Boost: NELF (North East Library Federation) has approved a budget to supplement the collection provincially organized Library2Go collection on Overdrive. This new budget allocation impacts all seven member libraries here in the north east! The newly allocated funds will allow the Federation Manager to review the NELF holds list

monthly and purchase copies exclusively for our NELF patrons, thus decreasing the wait time for our members. This means that items that currently have a 6 month hold could be reduced to 15 weeks or even down to an immediate hold as soon as NELF makes a purchase! The purchase plan moving forward is to add titles once a month based on a predetermined threshold of holds within the system. This will not impact all 6 month holds, only those that reach a certain threshold for all NELF library patrons, meeting purchase requirements for the NELF budget. So, with this news, please don't be reluctant to place a hold because the wait list is long... it may not be as long of a wait as it appears to be!

Did you know... that you can login in to your Overdrive account by linking over to their website from our website, rather than through the app? Accessing your account this way allows you to recommend titles before they are purchased by the Overdrive team! By doing this, you are automatically added to the hold queue! This is a great feature that allows you to get on the hold list for your favorite authors before they are added to the catalogue!

Shellie Howard, Program Librarian

Hi everyone! I hope you are all doing well and staying healthy. Since clubs are still not available in person for the library yet, I will be making craft packages every 2 weeks for each club. You can pick them up at the library anytime we are open. See details under each club section for the dates of new packages starting February!!! You can stop by during open hours to pick up your package or call and set up a time for contactless pickup Monday through Friday between 10 and 5 outside of our normal open hours. Anyone interested in Zoom sessions for any age group please contact me at (250)783-9414 or email me at youngadult.hhpl@pris.ca

StoryTime- I will have craft packages ready for pick up on Tuesday, February 2nd and another new craft package February 16th. The craft packages will contain a craft that you can do with your toddlers. I would love to do StoryTime on Zoom if I have anyone interested, please email me or call the library.

Library Club- I will have craft packages ready for this group on Wednesday, February 3rd and another new craft package on Wednesday, February 17th. Just pop on into the library. There will also be a reading Challenge for elementary children to start if you are interested. It will be done by doing a Book Bingo!!! For every completed line you get 1 entry, so a full card has 12 possible lines and a full card will also give you 5 bonus entries! The Library Club winner will receive a \$25 Visa Card. The Draw deadline for the bingo Cards will be June 30th drawing the winner at the end of the day. You can grab your Book Bingo Cards starting February 2nd at the library or print it off our website as well.

Teen Club- I will have craft packages ready for this group on Thursday, February 4th and February 18th. There will also be a reading Challenge for you to start as well. It will be done by doing a Book Bingo!!! For every completed line you get 1 entry, so a full card is 12 lines and a full card will also give you 5 bonus entries. The Teen winner will receive a \$25 Visa Card. The Draw deadline for the bingo Cards will be June 30th drawing the winner at the end of the day. You can grab your Book Bingo Cards starting February 2nd at the library or print it off our website. let's get ready to Bingo!!!

Here is hoping we will see more people in the library to try out our craft packages.

Nancy Smith, ILL Librarian & Bookkeeper

Interlibrary Loans: Did you know that items from libraries throughout BC have hold limitations upon them. This allows libraries to prioritize holds for their local patrons, especially when it comes to new items which may have up to a year where patrons from other libraries are not able to ILL these items. Please keep this in mind when placing an order, since it may take more time to bring in an item due to popularity, age or condition of the item. Please contact our staff for a tutorial, to sign up for your own library card, or to simply place a hold or ILL.

Quotes this month are from the Canada Reads Contenders:

“It’s overwhelming to think about all the stories that we’ve made, helped to tell, helped to create--our bodies are a library, and our stories are written like braille on the skin.”

— **Joshua Whitehead, *Jonny Appleseed***

“The gaps that bind us span more than the distances between words.”

— **Jessica J. Lee, *Two Trees Make a Forest***

“Fear accompanies the possibility of death. Calm shepherds its certainty.”

— **Natalie Zina Walschots, *Hench***

“Hold it gently, this hungry beast that is your heart.”

— **Francesca Ekwuyasi, *Butter Honey Pig Bread***

“Could she give all of that up, even for him? Could she give him up, even for power?”

— **C. L. Polk, *The Midnight Bargain***

Healthy wishes from the HHPL staff! We hope to see you all soon!

GRADUATING CLASS OF 2021

***Dylan Beswick, Joshua Deitner, Dina Gortman,
Joshua Kisser, Bella Lucas-Jarnagin, Wren Naisby,
Emma-Lee Ravanello, Cassidy Reschke, Brenna Rice***

The Graduating Class of 2021 is pleased to present a cheque for \$1500.00 to the Friends of Hudson's Hope. We wanted to share a portion of two of our fundraisers to give back to an important organization right here in Hudson's Hope. The class sold a 33 Halloween Board in October, as well as the Santa Sack draw in December. Grad 2021 thanks everyone who helped support their fundraising efforts.

February at the Hudson's Hope Museum

Ice Skating on the Peace River

Wishing everyone a wonderful **Winter Carnival 2021!** What a wonderful week of adventures! Hudson's Hoper's have been enjoying the snow and winter for a long time; skating on the river, playing hockey on the ice, ice fishing and snowshoeing!

Just a reminder that Hudson's Hope Historical Society Memberships are due. A \$20 year membership helps supports the museum's ongoing education programming and exhibits and gives you 10% off in the gift shop. Members also receive a yearly newsletter providing information on seasonal sales and event invites for such things as book signing and historic videos or slide presentations. Come visit the museum for more information.

The next Historical Society meeting date will be announced via PSA, and on our website, once we are able to be together again! If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca
