St. Patrick's Day Pot o' Gold Search

Sunday, March 21st

**Follow all clues, and send in a selfie to be
entered for a chance to win \$100.00**

Your family of leprechauns can seek and search around,
Spot the Irish signs outside, and all about the town
Search for the Clues,
In greens, not blues
With Irish luck, a St. Patrick's Pot o' gold can be found

In prose and trickery the scavenger hunt challenge is on to win
Those with or without a little munchkin
Pack a treat
Something healthy or sweet
and drink of green
As you play Irish music in the car driving from scene to scene!

A selfie at the scavenger hunt and rainbow's end
To prove you have found the pot of gold and a chance for cash to spend
Text your selfie to enter your name on the wheel that spins
And wait with fingers crossed to see who wins!

**First clue will be posted on the District of Hudson's Hope
Website and Facebook Page March 21, 2021 at 10 am
Follow the clues as you find them**

\$100 worth of gold coins to be found for the Pot o' Gold search

Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

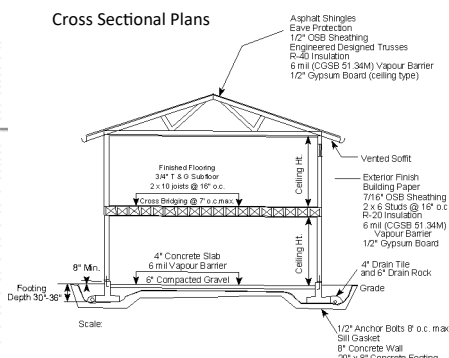

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

March 2021

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

River of the Peace Métis Society

COMMUNITY REPORT February 2021

The past few weeks have been slow with the River of the Peace Metis Society. It is hard to hold any events or even meetings with the COVID-19 problems we are facing. Members wishing to pre-register for the COVID-19 vaccine can sign up at www.mnbc.ca/portal/login. This is for Metis people 18yrs +.

We also have two new mental health programs for Metis people. This is for counseling sessions with counselors, psychologists or psychiatrists. This is also accessible on the MNBC portal site.

MNBC contributed funds to our Society to help members and the community in these trying times of COVID-19. We have purchased food certificates and distributed them in our community. We are still aiding those in need when we are able to. We are grateful to be able to do this for our community members. The cold Arctic blast we had for a couple of weeks didn't help matters. Frozen pipes were experienced by quite a few.

We have partnered with Double H Saddle Club to apply for a Co-op Community Spaces funding grant. These funds will go towards environmental conservation, urban agriculture and recreation.

Our office has been closed due to the pandemic situation but when we do go in, we check our messages and emails so if you need assistance, please leave a message.

We are all trying to stay safe and practice social distancing. Please note that masks are required when visiting our office. When we re-open, our hours will be posted.

Business Licenses

The 2021 Business License statements have been mailed out. If you no longer require your Business License, please call the District Office to have your license cancelled. If you do not have a business license or are unsure if you require one, please stop in or call for more information.

Bylaw No. 504, 1994 clearly states "that no person shall carry on, within the Municipality, any business unless he or she is the holder of a valid and subsisting license issued to him or her under the bylaw by the License Inspector and shall pay therefore, to the License Inspector, the sum stated in the bylaw". The annual cost for a business license is \$50.00

A "business" is defined as any activity in which you receive monetary compensation for any services that you may provide within the community.

If you are operating a business without a license, you are in direct violation of Bylaw No. 504.

2021 DOG TAGS

Now Available

Reminder....

**2020 Dog Licenses
expired on
December 31st.**

***Why Should I
License My Dog?***

In case we get Lost....

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

It's Easy and Inexpensive

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

Reduced Fines

The Fee for a dog picked up at large is \$60.00. There is an additional fee of \$60.00 if they are not licensed (this does not include any boarding fees, if applicable).

Police Report March 2021

Hudson's Hope RCMP responded to 20 calls for service between January 26th and February 22nd. 39 written violations and warning tickets were issued to drivers between the above dates, with 21 of those violations being speeding in the school zone along Beattie Drive. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP with the school zone along Beattie Drive and the construction zones along Hwy 29 being the largest focuses for traffic enforcement at this time.

On January 31st, 'Twas a dark wintery night when Cpl. Gardner of the Hudson's Hope RCMP decided to make a routine patrol along Hwy 29, East of town, but unknown to him, this was not going to turn out to be a routine patrol! While braving the snowy winter conditions of the Northern highway, Cpl. Gardner came upon two giants of the North, aka: moose, that had just made the decision to cross over the highway, in front of the moving police vehicle. Cpl. Gardner had just enough time to say a few choice words (*#@!) before colliding with one of the large beasts, resulting in the moose striking the fender and causing it to land on the windshield, shattering the window and covering Cpl. Gardner in sharp shiny specks of glass. Cpl. Gardner was able to keep the police vehicle on the road due to his expert police driving skills, and upon coming to a stop and exiting the vehicle, it was found that the moose had gotten up and trotted off, leaving only some fur, a smashed up police vehicle, and a bit of its pride in its tracks. Cpl Gardner incurred minor injuries, however the police vehicle was deemed un-road worthy and was towed from scene.

This event is a good reminder that drivers in the area need to always be not only vigilant, but also prepared for instances like the above where one could find themselves stranded on the side of the road for several hours in cold climate conditions. We recommend having even a small survival/emergency bag on-hand that can contain items such as a blanket, gloves, toques, non-perishable foods such as granola bars, nuts, etc., road flares or strobes, and a flashlight.

On February 4th, the Hudson's Hope RCMP was contacted by a local resident after approximately 14 horses had escaped their enclosure and decided to take a road trip along Hwy 29, ending up in the fields along the Farrell Creek Rd. Though very reluctant at leaving their new found tasty fields, the horses were rounded up with the assistance of some locals from the Hudson's Hope Saddle Club, and with police closing off the highway for a short duration, the fugitive horses were driven westward along the highway, and back into their enclosure at the bottom of the hill with little issue.

On February 4th, the Hudson's Hope RCMP received a report from an individual who was work

ing along the banks of the Peace River, who found what he believed could be human bones protruding from the frozen ground. Being that the bones could not be removed from the frozen topsoil, pictures were forwarded to an Anthropologist who was able to later confirm the bones to be non-human but that of a large animal, possibly a bear. However, this Constable is still holding onto the idea that they could be bones from that of a Peace Area Sasquatch.

On February 11th, the Hudson's Hope RCMP received a report of an odd looking moose roaming along Beryl Prairie Rd. Upon further inspection, it was deemed that a young bison had escaped its enclosure to seek greener fields. Owners of the escapee were immediately notified and the young bison was herded back to its enclosure with no issues.

On February 15th, the Hudson's Hope RCMP received a report of an ATV that was observed driving along Twelve Mile Rd. with 2x passengers that were seen carrying firearms. Though it was within the late season cow elk hunting period, police attended the area to search out the individuals to confirm that they were abiding by the 400m no shoot area that is along the entirety of the Twelve Mile Rd. Police located the individuals and confirmed that they were up to date on the rules and regulations for that area.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

WINTER DRIVING SAFETY TIPS

Please remove all the snow from your vehicle before driving. That includes, lights, license plates, windows, your hood, trunk and roof. Snow on the flat surfaces of your vehicle can blow or slide over your windshield obscuring your view or blow into the path of a trailing vehicle blocking their view. In the 2-3 minutes it takes to warm up your car, you can clear the snow, making it safer for you and other motorists.

Can We Find your Address? Results.

On February 7, 2021, Hudson's Hope Emergency Services Personnel took to the streets of Hudson's Hope to get an overview of how visible addresses are in the District.

It was noted that several addresses would be very difficult to locate in an emergency situation, due to no address being posted, addresses in dark or hard to see places and addresses being blocked by overgrown trees or bushes. Several addresses were noted to be well lit or reflective and very effective to locate quickly.

The Hudson's Hope Emergency Services will be working together over the next few months on how to improve the visibility of addresses in the area.

Cpl. Rob Gardner

HOUSE NUMBERS SAVE LIVES

The Importance of a 9-1-1 Address

Properly displaying your civic number on your house or at the end of your driveway ensures fast emergency response for the **AMBULANCE**, **FIRE** and **POLICE** Services. Precious minutes can pass while the emergency vehicle attempts to locate the emergency incident.

It is strongly recommended that you ensure that a civic address is posted with the following guidelines in place:

- the civic address the District has assigned to the premises must be displayed on the principal building on the premises and must be legible from a minimum distance of fifteen (15) metres;
- where a building is set back from the street or roadway fronting the property such that the assigned street address is not clearly legible from the street or roadway, or where landscaping or architectural appurtenances or other obstructions obstruct the address, the assigned street address shall also be displayed at the driveway entrance from the street or road serving the building on a weather-resistant sign permanently mounted on a post and visible from all direction of traffic flow; and
- letters or numbers displayed on a building must be of a colour which contrasts with the background colour of the building or sign.

More information on how to properly display your civic address can be found in the Fire Protection and Life Safety Bylaw 775, contact the District office at (250)783-9901 for more information.

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den. Let's hope the worst of winter is behind us and warm sunny days are ahead.

March is usually quiet for the Lions Club, but we may be doing something for Mother's Day in May. Like everything else, it is dependent on Covid-19 numbers and what Dr. Henry says we are able to do. We may not be able to have our regular Steak and Lobster Dinner, but we are hoping we will be able to do something. In the meantime, I hope everyone is staying safe and following the Covid protocols.

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

February at the Hudson's Hope Museum

Have you ever wondered about the pioneers that came to Hudson's Hope in the early days? Have you wondered why? Or what brought them? In Hudson's Hope, many of the pioneers, (both men and women) that came to the area, came as traders or to settle, farm, and trap.

Reginald Wither Shaw – who was more commonly known as Dudley or Uncle Dudley was a beloved member of the community. He arrived in Canada from England in 1903, traveling west to Lloydminster. He stayed there for a couple of years, but felt called to country life in the bush where he could trap. He travelled west and then north reaching the Peace River region in 1907. He ended up getting work in Fort St John, trapping in Bear River. He arrived in Hudson's Hope in 1912 along with Tom Jamieson. Dudley spent his time trapping, cooking in the occasional camp, and working in the Hudson's Bay Store (the present day Museum). He was known for his beans – which according to legend were “deadly” – which may have been how he received his nick-

name of Dudley. He passed away in his sleep in 1965, and is buried in the pioneer cemetery overlooking the Town that he loved.

The museum is always looking for volunteers if you have a keen interest in history or would just like to learn a little more about the valley we live in. Come out and volunteer – we have lots of scanning and accessioning of historical photos and artifacts to be done – training is provided.

The Next Historical Society meeting date will be announced via PSA, and on our website, once we are able to be together again! If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca

March hours are Monday to Friday 9-4 pm. Please call ahead to check hours as we have limited staff during the winter months. Elinor Morrissey-Cole – Museum Curator

Come in and learn something new about the beautiful valley that you live in!

VULNERABLE PATRON LIBRARY ACCESS

THE LIBRARY WILL BE OPEN BY APPOINTMENT ON MONDAYS FOR MEDICALLY VULNERABLE PATRONS, INCLUDING SENIORS. THE LIBRARY WILL HAVE BEEN SANITIZED AND UNUSED FOR AT LEAST 60 HOURS PRIOR TO THE FIRST APPOINTMENT. EACH APPOINTMENT WILL BE 45 MINUTES LONG FOR THE PATRON TO BROWSE THE LIBRARY AND/OR USE THE COMPUTER. THIS ACCESS IS FOR INDIVIDUAL USERS WHO MAY BE AT RISK FOR SEVERE COMPLICATIONS DUE TO COVID-19 AND THEIR HELPERS, IF NECESSARY. EXTRA CAUTIONARY CLEANING MEASURES WILL BE IMPLEMENTED ON OUR VULNERABLE PATRON ACCESS DAYS TO ENSURE COMMON TOUCH POINTS ARE SANITIZED BETWEEN EACH USER. CALL 783-9414 TO BOOK YOUR APPOINTMENT

in the exterior book drop due to quarantining protocols.

Did you know... that we take collection recommendations from our patrons? We can't always buy everything that is recommended but can usually bring it in from another library. A handful of our books each month are based on direct patron recommendations. If you would like to recommend a book, please email your recommendation to hlibrary@pris.ca.

Canada Reads: The library has all of the Canada Reads books are here! Most of the usual readers have been through them already, so if you are interested in reading any of them, please do not hesitate in contacting the library to check one out. Patrons may only take out only one Canada Reads contender title at a time and each book has a 7 day max loan period so that other patrons have a chance to read them before they go head-to-head March 8-11. Check out our Canada Reads display in the library! This year's contenders are:

Butter Honey Pig Bread

Written by Francesca Ekwuyasi

Championed by Roger Mooking

Hench

Written by Natalie Zina Walschots

Championed by Paul Sun-Hyung Lee

Jonny Appleseed

Written by Joshua Whitehead

Championed by Devery Jacobs

The Midnight Bargain

Written by C. L. Polk

Championed by Rosey Edeh

Two Trees Make a Forest

Written by Jessica J. Lee

Championed by Scott Helman

These titles are also available on Overdrive. The electronic loans holds list is currently long but the more holds they get, the more likely additional budget would kick in to purchase extra copies.

Shellie and Amber have a friendly challenge to see who can choose the most titles from the longlist that make it in to the contenders. This year Amber won with three but Shellie held her own with two! The Midnight Bargain and Jonny Appleseed were on Amber's list, Butter Honey Pig Bread were chosen by both and Shellie also chose Two Trees Make a Forest. We also challenge each other to read all 5 books before and try to pick the year's winner... are you up for the challenge?

Overdrive Merged with RBDigital, additional update information: RBDigital's eBook, audiobook and magazine collections have been now all been transferred to Overdrive. This means you can now access magazines through the Overdrive and Libby apps. RBDigital is still supporting eMagazines and IndieFlix but you need to transfer over to Libby or Overdrive, to avoid a service disruption come the end of March.

Overdrive Collection Boost: NELF (North East Library Federation) has approved a

budget to supplement the collection provincially organized Library2Go collection on Overdrive. This budget allocation impacts all seven member libraries here in the north east! The Federation Manager will review the NELF holds list monthly and purchase copies exclusively for our NELF patrons, thus decreasing the wait time for our members. This means that items that currently have a 6 month hold could be reduced to 15 weeks or even down to an immediate hold as soon as NELF makes a purchase! The purchase plan moving forward is to add titles once a month based on a predetermined threshold within the system. This will not impact all 6 month holds, only those that reach a certain threshold for NELF library patrons. So, with this news, patrons should hold lower uncertainties to place a hold if the wait list is long... it may not be as long of a wait as it seems!

Shellie Howard, Program Librarian

I hope everyone is doing well and staying safe and healthy. As we are still dealing with COVID restrictions, we are unable to do in person programs but the Craft Packages will continue. Information about the packages is always posted on our Facebook page, detailing what is in the package on the day the package is ready for each age group. Please continue to send pictures of what you made, I enjoy seeing them. Thank you all again.

Story Time: Craft Packages are ready for pickup by March 2nd, 16th and 30th.

After School Club: Craft Packages are ready for pickup by March 3rd, 17th and 31st.

Tween/Teen Clubs: Craft packages are ready for pickup March 4th and March 18th.

As always if anyone is interested in Zoom sessions please contact me at the library 250-783-9414 or by email hlibrary@pris.ca.

Nancy Smith, ILL Librarian & Bookkeeper

Interlibrary Loans: Did you know that libraries have the right to refuse an ILL based on the general condition of the loan? This allows libraries to ensure that an item is not further damaged by shipping and handling, thus ensuring their item will last for more local loans. Please keep this in mind when placing an order, since it may take more time to bring in an item due to popularity, age or condition of the item. Please contact our staff for a tutorial on how to place holds through your online library account, to sign up for your own library card, or to simply place a hold or ILL.

“Did it Matter? The past couldn’t be changed. I glanced down at the paper again. But the Future – that was a different story.”

Healthy wishes from the HHPL staff! We hope to see you all soon!

SATURDAY NIGHT AT THE MOVIES

The Hudson's Hope Figure Skating Carnival will be looking a bit different this year. Please join us on Facebook for our virtual skating carnival as our skaters present "Saturday Night at the Movies!" We will be posting the videos to the group on Saturday, March 13th! We would love for you to come watch then and "cheer" by posting comments on their videos! The skaters are also selling raffle and 50/50 tickets! We have some amazing prizes from our supporting businesses! Be sure to snag a few tickets. The draws will take place live on FB on Saturday, March 13th at 7:00 pm!

ICBC UPDATES AND REBATES

ICBC COVID-19 REBATE

ICBC is providing a rebate to customers due to fewer crashes and lower costs during the early months of the COVID-19 pandemic; specifically, to customers who had an active policy from April 1, 2020 to Sept. 30, 2020.

The rebate will be a portion of the premium customers paid for coverage during that time period. The rebate will vary from customer to customer depending on the cost of their policy and other factors; however, the average rebate will be approximately \$190. Rebate cheques will begin being sent to customers mid-March. Most customers will receive one cheque that incorporates rebate amounts for all policies in their name. It is estimated that about 2.86 million ICBC customers will receive a rebate. Be sure to watch for yours in the mail!

ENHANCED CARE REFUND

When Enhanced Care comes into effect on May 1, 2021 you will receive a one-time, pro-rated refund for the difference between the old and new rates for whatever length of time remains on your current insurance policy beyond May 1, 2021. Your potential refund amount will depend on your renewal date and how many months of your current insurance policy extends beyond May 1.

If you are eligible, the refund will be automatically generated. You will be refunded based on how you purchased your original insurance policy. This could include a refund to your credit card, an adjustment to your payment plan or via cheque or direct deposit. However your refund is issued, you will receive a letter detailing how your refund was calculated. ICBC will start sending refunds to customers after May 1st. The goal is to have the majority of the refunds issued by the end of July 2021.

INSURANCE ESTIMATOR

The Insurance Estimator is a premium estimation tool on [icbc.com](https://www.icbc.com) that allows customers to get an estimate of their insurance. You can change drivers and coverages to get an estimate before you visit your broker to renew. It also helps customers to better understand their savings and refund under Enhanced Care.

To access this tool, go to [icbc.com](https://www.icbc.com) and search for Insurance Estimator. You will need your BC driver's license number, your BCDL serial number (the # under the bar code on the back of your license) and your active plate number. Go on and give it a try! It's always great to see how much you will save on your next renewal!

EMAIL SIGN-UP

ICBC is now collecting customer email addresses to offer our customer more services online in the near future. We anticipate to start sending customers emails on our services (like reporting a claim online) as well as marketing and promotional

communications such as the upcoming Enhanced Care changes, road safety campaigns and renewal reminders in the future. It is not mandatory to provide your email address to ICBC. If you do decide to provide your email, you can give it to your Broker the next time you visit an office for your renewal.

DIRECT DEPOSIT

ICBC is collecting banking information to communicate more conveniently with customers in the future, including reducing the need for cheque refunds. This is part of ICBC's continued expansion to provide more digital services for customers to make things easier and more convenient. You do not need to provide a blank cheque or direct deposit letter to have your banking information entered into the system. You can provide banking information by showing a blank cheque, pre-authorized debit form, a bank statement, information from an online banking app or written or verbally provided bank info. We do not have to retain this information in our office. ICBC will deposit a one-time \$0.01 fund into the bank account information provided to confirm that it is a valid bank account.

Watch for more information coming soon regarding Enhanced Care Coverage and how it will benefit You!

For questions regarding any of these new services, call Johanna at the District Office (250) 783-9901.
