KRISTINA AT 250-783- 8859 (DOHH REC COORDINATOR)

**Attention:
Residents of
Hudson's Hope**

"A Friendly Notice"

**AUGUST 13, 2021
7PM-10PM**

The teen night game of "Catch me if you can" will be scheduled in Hudson's Hope.

In "Catch me if you can" teens will be running through town in the attempts not to get caught by drivers (predetermined and specifically marked vehicles, the local RCMP, and HH Fire).

The goal is for Hiders to sneakily get from one area of town to another without being seen and light-tagged.

Please don't be alarmed if you see teens running and marked cars with flashlights chasing.

It's all part of the fun!

Youth are strongly encouraged NOT to enter yards. Please be patient with our local youth, and watch out for their safety.

This is one of the things that make our little town so special.

**GAME STARTS AT 7 PM
GAME ENDS @ APPROXIMATELY 10PM**

**HOSTED IN PARTNERSHIP
HUDSON'S HOPE FIRE AND RESCUE

KIDS CAMP WRAP UP!

THE DISTRICT STAFF HAD A BLAST ORGANIZING AND RUNNING THE SUMMER KIDS CAMPS THIS YEAR! WATCH FOR MORE SUMMER FUN.

Have you ever sorted cans and bottles at the Hudson's Hope bottle shed? I did recently, and got a few surprises.

The bottle shed raises money for local kids' sports, for grad, and other local activities. It's run by volunteers who do the sorting outside, in summer heat or winter cold. There are some guidelines in place to help the work go more smoothly; when these are ignored, it makes the sorter's job quite a bit more difficult:

- Guideline #1: Lose the lids! Donors should remove all lids from bottles before putting them in the bottle shed. This saves a lot of time for people doing the sorting.
- Guideline #2: No milk or milk-substitute containers are accepted. These should be put into the correct recycling bin.
- Guideline #3: Keep garbage and bottles/cans separate! This is the most troublesome aspect of the job. It's too bad when a volunteer opens up a bag of donations only to find the cans and bottles mixed in with coffee grounds, old chip-dip containers, partly-eaten sandwiches, etc. (And I'm not even going to mention used Pampers . . .gross!) Then, of course, everything has to be thrown away.

It would be nice to see a little more consideration shown for our bottle-sorters. Taking care at home before donating to the bottle shed would make their lives a lot easier!

Thanks, Elaine Rhymer

Police Report August 2021

Hudson's Hope RCMP responded to 38 calls for service between June 19th and July 18th. 39 written violations and warning tickets were issued to drivers between the above dates for various Motor vehicle related offences. Highway and road safety continues to be a big focus for the Hudson's Hope RCMP with the township traffic regulations and the various construction zones along Hwy 29 being the chief focus for traffic enforcement at this time.

Please make note of the numerous construction sites along Hwy 29 toward Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these zones as they are a posted construction site and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

On June 22nd, the Hudson's Hope RCMP stopped a vehicle travelling along Beattie Dr. for speeding through the school zone. This vehicle was confirmed on radar to be travelling 43km/hr over the posted speed limit, thus the driver received a ticket fine of \$368.00, three points to their driver's license, and a seven day impound of their vehicle.

On June 25th, the Hudson's Hope RCMP received a report of a theft where a Stihl chainsaw was stolen from a rural property within the township of Hudson's Hope. This item is still outstanding and this file remains open for investigation.

On July 2nd, the Hudson's Hope RCMP received a report of an attempt online fraud. It was reported that via Facebook, an unknown person sent a message to the complainant that stated they had won money and requested that the complainant purchase \$500.00 in gift cards as a requirement to claim the winnings. No transactions were conducted and no monies lost, however the RCMP are advising that these types of fraudulent scams are occurring on a regular basis via phone, email, and social media platforms and we advise everyone to contact the RCMP or the Canadian Anti-Fraud centre if they feel they have been targeted or the victim of such an occurrence.

On July 10th, the Hudson's Hope RCMP conducted a commercial vehicle check-stop along Canyon Dr., where several commercial trucks were stopped and checked for compliance and load securement. This was conducted after several reports have been received for large rocks being seen and found along the township roads. No contraventions or offences were observed this day.

On July 10th, the Hudson's Hope RCMP received a report of an on-going issue with ATV's travelling up and down local township roads, with several of the ATV's, appearing to be unlicensed.

RCMP have been patrolling the areas and several drivers of their ATV's have been found to be in non-compliance with the Off-Road Vehicle Act and therefore, received fines for the offences. The Hudson's Hope RCMP would like to remind people to make sure that their ATV's are in full compliance and properly licensed prior to operating them on our many local side roads and trails, along with making sure that all operators have on them, their personal safety equipment.

These patrols and compliance checks also relate to the use of marine vessels and boats on our local lakes and rivers. The Hudson's Hope RCMP have been conducting routine vessel patrols on our local lakes and have issued several violation tickets and warnings to the operators for non-compliance under the Canadian Shipping Act.

On July 14th, the Hudson's Hope RCMP received a report of a single motor vehicle accident along Canyon Dr. It was found that a pick-up truck had veered off the road, catching the ditch, and rolling several times before coming to a stop, with the passenger being ejected out of the vehicle during the crash. The two occupants were immediately transported to hospital with one of them later being airlifted to a larger medical facility with possible severe injuries. Police have confirmed that both parties have since been released from the hospital. Speed and other factors have been found to be the cause of the accident, along with the non-use of the vehicles safety equipment, ie: seatbelts, resulting in the ejection and severe injuries to the passenger. We remind drivers to please buckle up and drive safe at all times.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

ENJOY THE SUMMER!

FROM THE LIONS DEN

Hello everyone and welcome to the Lions Den.

I hope everyone is out enjoying the summer and were able to take in the Canada Day Hot Dog Drive-Thru. We served up 336 hot dogs along with chips, a drink and a piece of cake. A massive thank you goes out to Legacy Village Market for donating all the scrumptious Lawrence's smokies and hot dog buns. They were delicious!! Thanks also to the District for all the rest of the food and the decorations. We are grateful as well to our new Fire Chief Brad Milton for manning the bbq and to Constable Tim Hart for serving up the cake. Thanks guys!!

All going well, our next event will be the Halloween Dance, so now is a good time to start thinking about your costume!

Enjoy the rest of your summer and stay safe!!

If you want to lend a hand and become a member, check out our Facebook page @hudsonshopelionsclub or email us at lionsclubhh@gmail.com. We are always looking for new members!

Submitted with pride

August 22

Sunday | 9 am

Meet at the Visitor's Info
Centre in Beattie Park.

Your feet will get wet!

- There are several creek crossings, and steep sections to climb
- Wear appropriate footwear.
- Bring Water and a hearty snack and lunch.
- Bring a bear banger or spray, insect repellent.
- NOTE: The road to the trail head is a forestry service road, though well maintained.

Call the DOHH office for more info at 250-783-9901

August at the Hudson's Hope Museum

Have you every wondered about the pioneers that came to Hudson's Hope in the early days? Have you wondered why? Or what brought them? In Hudson's Hope, many of the pioneers (both men and women) that came to the area came to settle, farm, trap or as traders.

Telegraph Office and Police Barracks

Ed Forfar, was a police constable that lived and worked in Hudson's Hope. Originally Ed immigrated from Scotland in 1891. Ed worked as a stockman in Medicine Hat, then homesteaded at the mouth of the Halfway River in 1911, but sold the homestead to Phil Tomkins in 1919. He was appointed by the BC Provincial Police and became the resident policeman in Hudson's Hope until

1927, when he was transferred to Stuart Lake. Ed was married to Molly, and they had two children, June and Gregg.

The museum is always looking for volunteers. If you have a keen interest in history or would just like to learn a little more about the valley we live in, come out and volunteer! We have lots of scanning and accessioning of historical photos and artifacts to be done. Training is provided.

The Next Historical Society meeting will be the AGM on **August 19, 2021** at **7pm** at the museum. Please consider joining our board, everyone is welcome the AGM. If you would like any further information, please call the Museum at (250) 783-5735 or by email at hbmuseum@pris.ca

Summer Hours: Monday to Sunday 9-4:30

**Hudson's Hope Historical Society
Annual General Meeting
7:00pm Thursday, August 19, 2021
At the Museum!**

Please come out and support your local Heritage Society. Have you ever considered joining the Board? We will be electing a new Board of Directors for 2021/2022, as we have lost a few important long-term members to moves outside of Hudson's Hope. Without a full board, the museum may not be able to support as many programs/displays in the future.

Meetings are on the third Thursday of each the month. If you have any questions or are interested in joining the Board, please call the Museum at 250-783-5735 or come to the AGM. Everyone is welcome at meetings.

If the weather is favorable, the AGM -meeting will be outside on the museum grounds. Please bring a lawn chair.

Hudson's Hope Visitor Centre

There is no question that it has been a very different year for tourism, yet still a great one. I have mentioned before that we have had a great deal of BC tourists enjoying their own countryside. The hot weather of July has really increased business here at the Visitor Centre. Several families and retired folks are revisiting, reminiscing and enjoying the slower pace of Hudson's Hope.

The wildfires are still a concern at this time. Travellers should be diligently checking drivebc.ca for updates on road closures and fires. Several trips have been cancelled or re-arranged due to the devastating conditions down south and the heavy smoke.

Despite the whirlwind summer that we've experienced with heatwaves, wildfires, and this ongoing pandemic tourists still do not fail to come in with a smile. It is delightful to work here and share the beauty of my town with others. I have yet to meet a visitor that does not share something with me as well. Experiences, destinations and friendly conversations is our greatest exchange. Thank you all for stopping by and creating new memories in our unique little town.

Your friendly staff,
Celina, Cassidy and Trinity

River of the Peace Métis Society COMMUNITY REPORT June/July 2021

River of the Peace Metis Society in Hudson's Hope, BC, has been awarded funding in the amount of \$43,500. This is a wonderful opportunity to help expand our ability to help our local members and surrounding community.

We will soon be offering different workshops and seminars especially targeting youth to teach of our heritage, language and lifestyle.

This funding has allowed us to expand our office and upgrade which will enable us to be open more hours for help with training courses, employment aid, etc.

With this funding we will be able to employ instructors for employment training sessions as needed.

We are promoting local artists and have opened a modest gift area to showcase their work. Consignments are welcome.

We are also looking at the possibility of having counselors and therapists come to the office for our members and all our local community people. This is especially important in the wake of the news of residential schools. The Metis have also been affected.

We are always offering training and job searches, resume writing, emailing, etc. to all our local community people.

This is exciting news for our Society. With vaccination rates ramping up, the future looks much brighter for gatherings and we look forward to offering

workshops, training sessions and seminars in the near future and hope all our local members and surrounding residents will join us.

We are currently in planning of a fall time dinner and dance with a silent auction. Watch for more details to come. We are also looking into holding healthy bingo games each month. Any input from community members for future functions are greatly appreciated.

The 13 Nations that we are involved with have decided to put designated Site C funding from BC Hydro, towards one common goal, a culture center in the Fort St John area. President Paice is actively sitting on the heritage and culture committee and environmental forum with BC Hydro.

We have recently added our new secretary to the team. Please welcome Yvonne Clarke.

You are welcome to email inquiries to Riverofthepeacemetis@gmail.com or telephone 250-783-2034.

Respectfully,

President Valerie Paice

Tips to Stay Safe While Boating

With the four tips below, individuals who are boating can stay safe and ensure that each experience out on the water is rewarding and free of potential emergencies.

1. The importance of lifejackets: The most essential thing that individuals need when they're out on the water is a lifejacket or personal flotation device (PFD), as this can substantially reduce the potential for drowning or other dangerous aquatic incidents.

2. Avoid alcohol: According to the Canadian Red Cross, 37 per cent of boaters in Canada consume alcohol each time they are on the water, while alcohol has been linked as a factor in more than 40 percent of deaths in recreational boating incidents. Beer, liquor and wine can negatively impact a boater's judgment and make him or her less likely to maintain control of core motor functions compared to individuals who do not drink on the water, which underscores the importance of being sober while boating.

3. Pay attention to weather conditions: While weather conditions may not seem as essential as wearing a lifejacket or PFD, understanding what the climate and forecast will be like during an upcoming boating experience can be crucial for staying safe while aboard a vessel.

4. Bringing safety gear on board: From marine first aid kits to sunscreen, drinking water, flashlights, sound signaling devices and manual propelling devices, there are a variety of safety devices that should be brought on a boat in order to reduce the likelihood of emergencies.

In addition to these helpful tips, you can also learn more about the benefits of water safety at www.redcross.ca

WHAT'S IN THE BIBLE?

VBS

JOIN US FOR VBS!

Join Buck Denver and Friends, alongside all your friends from Hudson's Hope Bible Fellowship, as we take an epic journey, from the beginning of time to the end of everything, where you will learn the **WHOLE** story of the Bible.

Kids will learn and experience the Bible through exclusive *What's in the Bible?* videos, and games, crafts, small group discussions and more!

At Hudson's Hope Bible Fellowship
10th to 13th August -- 10:00am to 12:00pm
All Children up to 12 are welcome-FREE
To book contact Ruth on (778) 204-0050 or email office@hhbf.ca
For More info, visit hhbf.ca/vbs

COVID-19 prevention restrictions in effect for all library users.

Please pay careful attention to our signage on the exterior entryway window.

Restrictions may be lifted, reinstated or amended at any time.

HHPL acknowledges the BC Restart Plan guidelines.

Amber Norton, Library Director

We have moved in to the third stage of the BC Restart plan, which means that the library has to adhere to communicable disease prevention guidance from WorkSafeBC. We follow the following mask guidance, according to <https://www2.gov.bc.ca/gov/content/covid-19/info/restart> :

Masks are recommended in indoor public places for all people 12 and older who are not yet fully vaccinated. The mask mandate order under the Emergency Program Act was lifted July 1.

- You're fully vaccinated 14 days after dose 2
- Masks are optional for children aged 2 to 12
- Children under 2 should not wear masks
- Proof of vaccination does not need to be requested by service providers
- Some people may choose to continue to wear a mask after they're fully vaccinated and that's okay

“If you or anyone in your family feels sick stay home and get tested immediately” - PHO

We do plan on maintaining our hours at their current levels throughout the summer in order to accommodate our summer programs and supervisor ratios. We will be evaluating library usage, as well as reviewing traditional usage prior to operational restrictions, to determine where we can start to increase hours again. We will likely start to reintroduce more open hours in September in accordance with the provincial guidance.

Please pay special attention to provincial health orders to avoid any confusion or disappointment with these new regulations upon entry to the library. As per provincial guidance, in the case of a community outbreak or exposure event, we may need to re-implement stronger restrictions at any time.

Item Returns: Both interior and exterior book drops are now open. Our mail and books are no longer being quarantined which means that wait times for Interlibrary Loans are one day less!

No Book Donations at this time: We currently do not have the capacity to store donations that cannot be added to our collection. Please keep your donations at home to donate to us in the future. You may also leave them on the book shelf in the Share Shed at the

dump, or you may also try to donate them at the Thrift Store. We are sorry for the inconvenience and thank you for your understanding.

Book Sale: In July we focused on deleting a number of older and unused books in our collection in preparation for having a book sale. We were hoping to have a book sale in July but have determined that the best time to have the sale would be after our Summer Reading Club finishes up so that we can leave tables of books on display for more than a day. Please watch for a PSA and social media post indicating when we will be having a book sale this summer. Our book sale will include items that were donated throughout the closure, so some items are brand new or near new in excellent condition. We are unable to give anyone a sneak peak at the books that we have for the sale, as our Reading Room is being used to store toys and program supplies as well as a large number of boxes of deleted items, and it is not safe to have patrons going through these boxes at this time. Once we open up the sale, we will likely begin to allow book donations once again but we definitely need to reduce the number of sale items being stored in the library, so please help us out by rehoming some of our books!

Shellie Howard, Children & Youth Program Librarian

Summer Reading Club (SRC) SRC is not our typical drop-in program, we need each child to be registered but that doesn't mean that you can't just show up with your child! You just need to fill out their registration forms prior to your child joining the day's club! Your child cannot join a program in progress until a registration form has been completed. We will be doing the majority of the program outside, rain or shine, but we are keeping a close eye on the amount of smoke in the air and are conducting some of our programs inside when needed. We will have our new library tent to protect us from the elements, but please bring rain gear if it is raining and pre-apply sunscreen and bug spray to your kiddos.

The theme this year for SRC is Crack the Case!!! We will have a lot of clues to find and puzzles to solve!! Who doesn't love a bit of Mystery??? We will be doing outside activities; we have a lot of new games!!! All you need to do is pre-register because it's all free!!!!

As always we have a lot of prizes; kinetic sand, games, t-shirts, hats, gift cards, books and so much more. You don't have to make every weekly club, just keep track of your reading records and you'll still be in the running for some great prizes.

The Tuesday SRC group is our StoryTime group for preschoolers & their parent(s) or caregiver(s). The remaining dates in August are on the 3rd, 10th and 17th at 10:30 am. Please pre-register so I can keep you posted on all of the up and coming details. Please note that older children attending this group with their family may get very similar programming when they attend with their age group on Wednesday or Thursday, it is amended for younger participants on Tuesdays.

The Wednesday group includes any children who were in elementary this year. This group meets on July 4th, 22nd and 18th from 10:30-11:30 am. The Thursday group will accommodate any children attending the Special Event Coordinator's weekly camps for the DoHH. The Thursday group will run from 10:30-11:30 am, with a half hour afterward to check out books. Children can only sign up for one of the elementary school aged groups as the program on Wednesdays and Thursdays will be the exact same program. The Thursday group is also age restricted according to the weekly camp provided by the DoHH.

SRC runs for 7 weeks, it started the week of July 5th and is finishing up by August 20th. There's still time! You can still come in and register your kids to attend Summer Reading Club or you can just track your summer reading as well. Please register your kids for SRC by calling the library, dropping in, or emailing me. (youngadult.hhpl@pris.ca) We have a great summer planned for all age groups and some outstanding prizes!!! **Reminder: SRC is not a drop-in program.**

Summer Teen Club meets every Wednesday from 5:30 until 7:30 pm... the library is closed for teens only. We hang out, watch movies, search for books for the bingo challenge, play games and do fun crafts. For the Bingo Challenge, each week we have a new book bingo card. Each card has 24 book requirements, but here's the fun part... "cheating" is encouraged! One book can check off a number of squares! You can even "cheat" by reading graphic novels or easy books! You can get the card completed often with only a handful of books! One of the only rules is that you have to use different titles for each bingo card. You don't have to complete a bingo card to get your name in for a \$50 gift certificate of your choosing! Each square gets you an entry, each full line gets you an entry and a black-out gets you bonus entries! It only takes one entry to win! Even picking up a bingo card will get you one "free square" entry! This club is a drop-in program but teens are expected to self-register on their first night at club. Note – HHPL acknowledges the BC Restart Plan guidelines.

Nancy Smith, ILL Librarian & Bookkeeper

Interlibrary Loans: Did you know that you can order your own interlibrary loans (ILLs) by logging in to your library account? You just go to our website, click on *My Account*, enter your library card number exactly as it is written on your card, enter your password and you're in! If you don't have your password or have forgotten it, please contact one of our staff members and we will reset it for you. In the *My Account* feature, you can see what titles you have checked out, renew your titles (up to 2 times for physical items), order ILLs and even see what electronic titles you currently have checked out on Libby/Overdrive, you can even see which electronic titles you have cancelled in the past.

Walk-In Book Club Titles

Note—we originally had a hold on book 3 in the Tattooist of Auschwitz series, but the publication was delayed until October. We will have the first loan of this title when it arrives.

“It is this fire, then, that keeps her going. But it is also a curse. It makes her stand out, be singled out. She must contain it, control it, direct it. To survive.”

Heather Morris
Cilka's Journey
 Available Jul 15 – Aug 26

“Even when everything’s going your way you can still be sad. Or anxious. Or uncomfortably numb. Because you can’t always control your brain or your emotions even when things are perfect”

Jenny Lawson
Furiously Happy
 Available July 19–Sep 3

Healthy wishes from the HHPL staff!

FWCP

Fish & Wildlife
COMPENSATION PROGRAM

Apply now: grants available for fish & wildlife projects

The Fish & Wildlife Compensation Program funds projects to help conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.

Our annual grant intake opens Thursday, Aug. 12, and we’re looking for grant applications for potential projects that align with our Peace Region action plan priorities.

Key dates:

- Peace Region grant applicants must submit a notice of intent by Monday, Sept. 13.
- Grant applications are due Friday, Oct. 29.

Join us online:

- Notice of intent info session: Wednesday, Sept. 1, 9 a.m.–10:30 a.m. PT.
- Grant info session: Thursday, Sept. 30, 1 p.m.–2:30 p.m. PT.
- RSVP at fwcp@bchydro.com.

This year we approved approximately \$1.3 million for 26 projects in our Peace Region, which are being delivered by First Nations, consultants, agencies, stewardship groups, and others.

fwcp.ca

The Fish & Wildlife Compensation Program is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations, and public stakeholders to conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.

Gardener's Corner

NEW TIP?

**If you have any gardening tips or tricks we would love
to hear from you ! Email: kristina@hudsonshope.ca**

Deadheading is a good practice for perennials and annuals. Because the goal of annual plants is to flower, set seed, and die, removing the old blooms tells plants to produce more flowers. Removing spent flowers also encourages plants to use their energy to grow stronger leaves and roots instead of seed production.
