## HAVE FUN! JOIN A CLUB!

something for everyone

COME IN. GO ANYWHERE!

# FALL SIGN UP NIGHT 2021

Thursday, September 9<sup>th</sup>  
6-8pm at the Hudson's Hope  
Community Hall

Interested in joining a club, league or organization? Come join us at the Community Hall where information, registrations and more will be offered all in one place!

Showcase your organization and encourage new membership!  
Contact the District office at 250-783-9901 or email [kristina@hudsonshope.ca](mailto:kristina@hudsonshope.ca) to book a table.

For more information  
call the DOHH office at  
1(250) 783-9901

Please follow PHO COVID Regulations

Do you know that the District of Hudson's Hope has a Property Maintenance Bylaw?

Property Maintenance Bylaw 791, 2010 affects all owners of real property in the District of Hudson's Hope. This bylaw is in place to ensure all residents can enjoy our beautiful town, by ensuring residents don't allow noxious weeds to become overgrown. The bylaw prevents the collection, accumulation of noxious, or offensive, or unwholesome materials around or inside any real property within the District of Hudson's Hope.

For more information on the Property Maintenance Bylaw 791, 2010 please see the district web site at :<https://hudsonshope.ca/bylaws/property-maintenance-bylaw-no-791-2010/> Should you have a concern regarding a property please feel free to contact the District Office at 250-783-9901 or stop in to speak with the Bylaw enforcement officer.

## Hudson's Hope Figure Skating Club 2021/2022 Skating Season

Programs being offered:

**CanSkate:** A learn-to-skate program that focuses on fun, participation and basic skill development. For beginners 3 years of age and older. (dependent on the current COVID regulations).

**STARSkate:** STARSkate offers opportunities for skaters of all ages to develop fundamental figure skating skills in the areas of ice dance, skating skills, free skate and artistic skating. Skaters can take Skate Canada Tests through a nationally standardized testing system and enter competitions.

For more information or to register, email us at [HUDSONSHOPEFSC@HOTMAIL.COM](mailto:HUDSONSHOPEFSC@HOTMAIL.COM) or call/text Becky at 250-783-8260! You can also come chat with us at the Fall Sign Up on September 9th from 6-8pm at the Community Hall.

**DISTRICT OF HUDSON'S HOPE**  
**Permissive Property**  
**Tax Exemptions**

**Permissive Property Tax Exemptions**

The District of Hudson's Hope is now accepting applications for permissive property tax exemptions in accordance with section 224 of the *Community Charter* and which will be in effect for the for the taxation years 2021-2029. Bylaw No. 908, 2019 will be amended to add any new organizations that may qualify, eg charitable, philanthropic, or other not for profit groups, and **organizations that are listed in the current Bylaw remain exempt from taxation until the term of the current Bylaw expires in 2029.**

The closing date for applications is Thursday, September 23, 2021 at 4:30 pm. Please contact Jeanette McDougall, Corporate Officer at 778-715-3939 for an application or further information.

**Hope for Health will not be running  
the 2021 That Dam Run this year.**

**Hope for Health is a volunteer organization with a mandate  
to promote health and well-being in the community.  
We are keeping the safety of our community in mind by  
cancelling That Dam Run.**

## **COVID-19 prevention restrictions in effect for all library users.**

*Please pay careful attention to our signage on the exterior entryway window.*

*Restrictions may be lifted, reinstated or amended at any time.*

***HHPL acknowledges the BC Restart Plan guidelines.***

### **Amber Norton, Library Director**

In July, we had moved in to the third stage of the BC Restart plan, which means that the library has to adhere to communicable disease prevention guidance from WorkSafeBC. There will be an update from the Provincial Health Officer in September regarding COVID prevention strategies, and the library will abide by the recommendations in that announcement.

“If you or anyone in your family feels sick stay home and get tested immediately” - PHO

I am currently evaluating library usage over the past year, as well as reviewing traditional usage prior to operational restrictions. I am cautiously optimistic that we will be able to provide more open hours for the library but with restrictions being implemented in the interior health region, I have decided not to implement and promote updated hours until after the September announcement, so any change in hours will likely be updated in the middle of the month. I will promote this on Facebook, PSA and on our library signage.

Please pay special attention to provincial health orders to avoid any confusion or disappointment with the updated regulations upon entry to the library. As per provincial guidance, in the case of a community outbreak or exposure event, we may need to re-implement stronger restrictions at any time.

**Book Donations and Books Sale Update:** After our Summer Reading Club programs finished up on August 19<sup>th</sup>, we were able to bring out boxes of books from storage. These books include new condition, used and deleted books that we have been collecting and storing over the past couple of years. In August, the sale items were replenished with stored items until we ran out of stored items and we also added more as we finished up our collection deletions. Prior to the non-fiction section deletion, there were approximately 2000 books to sell! Many of these were patron donations that we already had in our collection or that didn't meet our collection development criteria. We should now be nearing a normal turnover of books, so we should be able to start taking donations by the time this is being published. Please do not bring in multiple boxes at a time. We would prefer a small amount from each household at a time so that we are

able to keep up with our collection turnover. We will have our book sale spread throughout the library until just before we are ready to start up our Fall programs, on September 14<sup>th</sup>. We are going to attempt to use a company that will make us a small amount of money from the leftover items, but sadly they pick and choose through the titles and we fear that many of the leftover items will unfortunately have to be recycled.

**Library Programs Update:** Just a little administrative update with regard to our in-person library programs. It is currently uncertain whether there may be group limits needed for our programs. We are promoting the programs as back to normal, meaning how they were pre-COVID, but we cannot guarantee that children will be able to attend without being registered or signed up for a particular group beforehand. We will be abiding by provincial guidance which means that we may need to reduce the size of our groups. Our Library Club (K-6) and Teen Club have traditionally had the highest attendance, and these two groups that could have 16-24 kids at a time may need to be split in to two different days. We will be re-analyzing our structure with the provincial update in early September but there tends to be delays in the actual WorkSafe BC and BCCDC guidance, so please be patient as we may need to amend our fall programs when they make their announcements.

### **Shellie Howard, Children & Youth Program Librarian**

Hi Everyone, I hope everyone is doing great!!! Well, we have hit September and it has been a beautiful summer. Summer Reading Club was busy and the seven weeks went by so fast. Due to having some participants in our SRC groups who were just tracking reading and others who could only attend a few clubs or families that are still on holidays, at the time of writing the library bulletin blurb, we still do not know the final big prize winners. It was quite competitive this year in all groups and we are very excited to gather the data so that we can let the winners come pick up their prizes!

**Story Time:** Story Time is a group for tots and parents. Babies are welcome, of course, but the activities are geared toward children ages 3 to 5. Parent interaction is needed with many of the crafts that we do. This club will start on September 14<sup>th</sup> and will be every Tuesday from 10:30-11:30. I have been working on some awesome new crafts and story adventures for your little ones. I have recently finished a story time adventure and can't wait to implement what I have learned into this club!!!

**After School Club\*:** ASC will start again on Wednesday September 15<sup>th</sup> and will continue each week from 3:30 to 4:30. ASC is for Kindergarten-Grade 6 but those kids who are more comfortable going up to tween club may do so providing they are more independent children over the age of 9. Our first ASC will be a games day!!!

**Tween Club:** TC will start on September 14th and will continue every Tuesday from 3:30 to 4:30. If you are ages 9 to 12 then TC is right for you! TC is where tweens start doing more hands off crafts, meaning less direct supervision and more of a big kid crafts, projects and challenges. I am here to help but at this age, they are transitioning to written and verbal instructions rather than hands on help. At TC we have a program schedule, we will be starting our first TC with a games. I will have a schedule of what we will be doing for TC club and what Tuesdays, for examples we will have a paint day, drawing, crafting, creative art, demolition destruction day, and so much more. Also every month when there are 5 Tuesdays the 5th Tuesday will always be a Movie and popcorn day and TC will run a little longer. Your Tweens will have a calendar to keep them updated. If you have any questions, please let me know.

**Teen Drop-In\*:** TDI will start September 16th and will run every Thursday from 3-6 being that it is drop-in. Our first TDI will be a games night. The months that there are 5 Thursday's in a month we will have TDI run until 8pm and it will be a movie night and popcorn. We usually have a pizza party to start TDI but we will let you all know what night that will be soon. If anyone has any questions feel free to call me at the library or pop in. Looking forward to seeing you all!!!

\*these clubs may each need to be split in to two groups on separate days. Attendees will have to stick to their groups. As mentioned above in the Library Director's blurb, we will know more as we get closer to the first day of club. Pay attention to PSAs and our Facebook page for more information. If you are not registered for Public Service Announcement emails, email [hpsa@hudsonshope.ca](mailto:hpsa@hudsonshope.ca) to sign up.

### **Nancy Smith, ILL Librarian & Bookkeeper**

**Interlibrary Loans:** Not able to find the title that you need through your *My Account* access on our website? Give us a call or shoot us an email to ask us to take a look on a staff ILL portal to see if we can find your item for you at other libraries. The best email to reach the first available staff member any day that we are open is [hlibrary@pris.ca](mailto:hlibrary@pris.ca) This email address is accessed by all regular staff so that we can get to your request in a timely manner rather than on any one employees scheduled work days.

## Walk-In Book Club Titles

“Like light cast over the morning water, it became new. Every moment that lay ahead, like an uncharted sea. this was a new beginning.”

**Adrienne Young**  
*Fable*

Available Aug 27 – Oct 8

“They might need us now because we're valuable, might pretend to accept us, to reward us - but never forget what they did to us first.”

**Namina Forna**  
*The Gilded Ones*

Available Sep 14 – Oct 29

DELETIONS

COME IN, GO ANYWHERE!

HUDSON'S HOPE PUBLIC LIBRARY

**Starting August 20th!**

Ending September 11th.

**For sale by donation!**

## September at the Hudson's Hope Museum

**We would like to thank our summer student for all the hard work this year! Joseph Frederick Poirier – we wish you great things for the coming year! Thank You for being such great staff!**

We would like to invite you to come in and check out the Bedaux Exhibit which is back on display after a 6-year hiatus and journey around Alberta and British Columbia.

Charles Bedaux was captivated with the country surrounding Hudson's Hope after embarking on a hunting trip in the area in 1932. His attempt, two years later, to take five Citroen half tracks across the northern wilderness of British Columbia is known throughout the world. This "Champagne Safari" did not reach its Telegraph Creek destination but it gave much needed employment to local cowboys during the Depression. The role of the Hudson's Hope cowboys has been overshadowed by historical emphasis on Charles Bedaux's lifestyle and adventures. Through profiling the lives of these cowboys, this exhibition highlights their important role as wranglers and packers to the expedition. Included in the exhibition are copies of the maps showing the arduous route from Fort St. John to Telegraph Creek and previously unpublished photographs.

**We would like to thank Mark Hodgkinson for the donation of his time and equipment to do some needed groundwork at the Museum grounds**

Sadly enough, our Curator, Elinor Morrissey and our long time Museum Assistant Christian Eschenburg will be leaving their positions by the end of the month.

The Next Historical Society meeting will be held in **October 2021** at the museum grounds. Our monthly meetings will be rotating between 1 pm and 7pm in 2021, depending on the month- please watch for reminders for the time. Everyone is welcome at historical meetings. If you would like any further information, please call the Museum at (250) 783-5735 or by email at [hbmuseum@pris.ca](mailto:hbmuseum@pris.ca).

September Hours are 9 - 4:30 Monday to Friday, Weekends are close  
Winter Hours will Start Sept 30<sup>th</sup> – and are Monday to Friday 9-4:00.

Christian Eschenburg – Assistant Manager

### **SCHOOL ZONE SAFETY**

As the new school year begins, motorists are asked to be aware of children walking to and from school during the day. Please adhere to the school and playground speed limits from 8 am - 5 pm on regular school days. Give yourself time to totally clear all your vehicle windows of frost and dew so that you can safely reach your destination. Violators could face fines such as:

#### **Speed in School/playground zone**

- Exceeded by less than 21km/hr: **\$196 / 3 pts**
- Exceeded by more than 21km/hr: **\$253 / 3 pts**
- Fail to stop for school bus: **\$368 / 3 pts**
- Fail to Yield to Pedestrian (crosswalk): **\$167 / 3pts**
- Windshield or window that impairs driver vision: **\$81**

Thank you; Hudson's Hope RCMP

## **Hudson's Hope Visitor Centre**

Another summer has come and gone here at the Visitor Centre. The past few weeks have been spent with happy travellers that are finally beginning to return home. We have received numerous compliments regarding the beauty and upkeep of the town. It is truly a special little place.

Our students will be returning back to classes in the fall. Cassidy will be leaving for her first year of university! We wish her the best in future endeavors.

Both Trinity and Cassidy have been dedicated to providing a memorable experience for travellers. I would like to give my thanks to them as they have been a pleasure to work with and have really gone above and beyond this season.

I would also like to thank the District for all of their support and guidance. I am thankful to be a part of such a hardworking team. This has been a very rewarding experience that has taught me leadership and teamwork.

Finally, I would like to thank all of those who stopped in during the season. Thank you for always bringing smiles and excitement into our community. Thank you for sharing your journey with us and for creating connections that extend worldwide. In September, we will have closed our doors for the winter. Thank you everyone for another great season and I hope to see you all next year.

Stay safe, stay kind.

Cassidy, Trinity, and Celina

## Police Report September 2021

Hudson's Hope RCMP responded to 40 calls for service between July 19th and August 18th. Highway and road safety continues to be a focus for the Hudson's Hope RCMP. There has been an increased presence on the local waterways the past month as well. Boating regulations and safety have been checked with boaters in the area by the Hudson's Hope RCMP.

On July 19<sup>th</sup> 2021, a vehicle was reported stolen after it was recovered along highway 29, broken down. Two individuals were identified as suspects with the assistance of the Fort St John Integrated Forensic Identification Section. A 29-year-old female and a 31-year-old male, from Alberta, were arrested and released with an upcoming court date to answer to charges of Theft of a motor vehicle and possession of property obtained by crime. (2021-255)

On July 22<sup>nd</sup> 2021, the Hudson's Hope RCMP received a report of a suspected attempted fraud. The complainant advised that phone calls and an e-mail were received from an alleged bank, stating the account was in arrears. The would be victim does not bank with the stated company, as such did not respond as it was feared this was a scam to steal money. Information was provided about the Canadian Anti-Fraud Center and it is advised that people visit this website to learn about all scams new and old. In this instance no money was lost. (2021-259)

While conducting stationary speed enforcement on Highway 29 in Hudson's Hope on July 25<sup>th</sup> 2021, a vehicle was stopped for speeding in the 70 km/h zone. An impaired operation of a motor vehicle investigation was launched. The driver was issued a notice of 24-hour driving prohibition for consuming marijuana while operating a vehicle. (201-260)

A found chainsaw and jerry can of fuel was turned into the Hudson's Hope RCMP Detachment on August 4<sup>th</sup> 2021. The items were located on Beryl Prairie road and may have fallen out of a vehicle, or accidentally left behind. Recent files were searched; however, the items did not match any reports of stolen or missing chainsaws. If you are missing this equipment and can identify it, please contact the Hudson's Hope RCMP Detachment at 250-783-5241 and cite file 2021-272.

A theft of hanging flower pots from the 9000 block of Beattie Drive was reported to the Hudson's Hope RCMP. Sometime overnight between August 5<sup>th</sup> and August 6<sup>th</sup> 2021, the two large hanging flower pots were stolen from the hooks. The investigation remains active and if you have any information regarding this theft, you are asked to contact the Hudson's Hope RCMP at 250-783-5241, or BC Crime Stoppers. (2021-275)

On August 7<sup>th</sup> 2021, a theft of construction equipment from a construction site on Highway 29 near Farrell Creek was reported to the Hudson's Hope RCMP. Sometime overnight, an unknown person(s) made off with several traffic cones, traffic barrels, traffic signs and sign holders. The Hudson's Hope RCMP is requesting if anyone drove through this area and saw something suspicious, or has dash cam video from this area at this time to please contact the Hudson's Hope RCMP at 250-783-5241. (2021-277)

A driver was found to be driving at an excessive speed above the posted speed limit on August 15<sup>th</sup> 2021. A Hudson's Hope RCMP officer was conducting stationary radar speed enforcement on Highway 29 near Ross Street in Hudson's Hope. A vehicle was found to be travelling 113km/h in the posted 70 km/h zone. The driver was issued a violation ticket for excessive speed under section 148(1) of the Motor Vehicle Act. (2021-289)

### **BEAR AWARE MESSAGE:**

The Hudson's Hope RCMP would like to remind residence that it's that time of the year again where the big hungry, clawed, fluffy throw pillows venture into town and lay claims to the berry bushes and apple trees!

This month alone, the RCMP have received 15 different calls for what we believe to be on 4 different bears within a 6 block area here in town. Currently, Macintosh Cres, Adam's St, Paquette St. and Dudley seem to be hot spots with bears being sighted on a regular occurrence.

RCMP and the BC Conservation Service are working together to persuade these grumpy balls of fluff to vacate the area so that they don't need to be put down, but we also require the assistance of the local residents to pick and clean your fruit trees and any berry bushes that may be on your properties (As well as making sure all garbage is squared away and not stored outdoors until garbage day).

We are trying not to push fines but if a residence is found to have attractants that are not being dealt with, a fine of \$300 can be issued for not dealing with an attractant for dangerous wildlife.

Nobody likes fines and everybody likes to keep their phalanges attached, so please, let's work together and remove as much of these attractants as we can.

For any bear sightings within town, please contact the local RCMP (250-783-5241) or the BC Conservation Service (1-877-952-7277) so that they can be dealt with accordingly. Constable E. Schmidt

Cpl Rob Gardner  
Hudson's Hope RCMP

# Protective Services

## Look, listen & be seen

Teach your child to be a safe pedestrian

**Look.** Make sure all vehicles have stopped before entering the road. Make eye contact before crossing.

**Sidewalk/no sidewalk.** Walk on the inside edge of the sidewalk away from the road, so you're further away from the traffic. Walk facing oncoming traffic if there isn't a sidewalk, so you can see approaching vehicles and make eye contact with drivers.

**Set a good example.** Never jaywalk or run to cross the street. Where possible, cross at intersections with a pedestrian crossing light or marked cross-

**Map it out.** Plan your child's route with them ahead of time. Review street names and landmarks to orient them.

## RECYCLING PAPER PACKAGING FOR DRY

*Paper packaging is recycled into new boxes, paper towels, tissues, paper-based plant pots, the paper cover for drywall liner, kraft paper, brown paper products including paper towels*

### ✓ Accepted Materials

- Corrugated cardboard boxes used for shipping, grocery and liquor store boxes and pizza boxes
- Cardboard and boxboard boxes used for cereal, shoes, tissues, pizza, frozen entrees, desserts, detergent, etc.
- Carrier trays for bulk bottled water, soft drinks, cans, food, etc.
- Cores for paper towels and toilet tissue
- Moulded boxboard packaging for egg cartons, take-out beverage trays, paper-based plant pots
- Paper bags (also called kraft paper) and envelopes
- Multi-layered paper bags for flour,

**Crossing Basics.** Stop at the curb. Look left and right for oncoming vehicles that might be turning. When the intersection is clear, start crossing and keep looking

# Tips to FireSmart Your Home

Taking action to FireSmart your property will dramatically decrease the risk of wildfire damaging your home. The best part is, it's surprisingly easy to do.

Clean under your deck to remove any combustible material. Establish a 1.5 metre non-combustible zone around the perimeter of the house and deck.

Clean and maintain gutters and roofs. Keep decks and balconies clear of leaves and debris.

Keep grass and weeds cut below 10 centimetres.

Have a wildfire evacuation plan and make sure everyone in your household knows what to do.

Download the FireSmart home assessment and do a self-assessment of your home and property.

Hold sheds and other structures to the same standards as your home.

Relocate propane tanks 10-30 metres from your home, and keep combustible vegetation a minimum of 10 metres from propane tanks.

Move firewood and lumber 10-30 metres away from home.

Prune trees to create a two-metre clearance from the ground to the lowest branches.

Add non-combustible 3 millimetre screens to external vents (except dryer vents).

Reduce the flammability of your landscaping and plant wildfire resistant vegetation. Learn landscaping.

# Look, listen & be seen

Teach your child to be a safe pedestrian

Developing your child's road safety smarts starts at home. Here are 10 tips to guide you.

**Map it out.** Plan your child's walking route with them ahead of time. Review street names and landmarks to orient them.

**Quiz time.** Make a fun, interactive game out of guessing the correct traffic signs and meanings with your child.

**Set a good example.** Never jaywalk or run to cross the street. Where possible, cross at intersections with a pedestrian crossing light or marked crosswalk.

**Look.** Make sure all vehicles have stopped before entering the road. Make eye contact with drivers before crossing, even if the walk signal is on.

**Listen.** Put away the electronic gadgets, cell phone and ear buds so you can hear approaching traffic that may be hard to see.

**Be seen.** Wear bright clothes and/or reflective gear especially at night and in poor weather.

**Railway crossings.** Only cross railway tracks at designated signals or signs and watch your step. Discourage play around or on railways.

**Parked vehicles.** Avoid shortcuts through parking lots or around parked cars where it's harder for drivers to see small children.

## More tips:

**Crossing basics.** Stop at the curb. Look left and right for oncoming vehicles, then look left over your shoulder for vehicles that might be turning. When the intersection is clear, start crossing and keep looking for approaching vehicles.

**Sidewalk/no sidewalk.** Walk on the inside edge of the sidewalk away from the road, so you're further away from traffic. Walk facing oncoming traffic if there isn't a sidewalk, so you can see approaching vehicles and make eye contact with drivers.

Once you establish these practices with your child, try asking them when they think it's safe to cross to help further their understanding of making a safe choice.

# SENIOR BUS TRIPS

## ARE BACK!

### SENIOR/ADULT SWIM

**Please Register the Friday prior!**

Transportation provided:

Departs from the Sportsman's Inn at 10am.

Senior/Adult Swim from 11am-12pm

## BE BEAR AWARE

There have been several reports of black bears in the Hudson's Hope area. The bears have been spotted in the Thompson Subdivision, Jamieson Subdivision and Lynx Creek, as well as at our local Campgrounds.

The bears appear to be habituated to people so please use caution while in these areas. In order to keep yourself and your neighbors safe please help out by doing the following:

- **Keep garbage bins indoors until your garbage day.**
- **Store pet food indoors.**
- **BBQ grills and smokers kept clean.**
- **If you have fruit trees keep the fruit off the ground.**

We are excited to announce our newest member of Love Hudson's Hope: Wildflowers Child Care! Wildflowers Child Care believes that children, like wildflowers, are a tapestry of incredible diversity, potential, curiosity, and hope. Their goal is to serve their rural community with early childhood education, social development and by creating a safe place and a sense of belonging for the children in the Hudson Hope/Beryl Prairie area. Check out their whole profile at [www.lovehudsonshope.com](http://www.lovehudsonshope.com).
