## Hudson's Hope Fire Rescue Retirement

Hudson's Hope Fire Rescue's Deputy Fire Chief John Vandenberg, who has served with the department for 27 years, has decided to hang up his helmet for the last time. John joined the department in the spring of 1995. After many conversations with friends on the department he was convinced to join. John was promoted to Deputy Fire Chief 10 years after joining the department and has served as the Deputy Chief of the Downtown Hall since his promotion. John has responded to many calls throughout his 27 years. He has had the pleasure of serving with various members who have come through the department, 6 Fire Chiefs and numerous groups of amazing junior firefighters. During John's service he was awarded the Fire Service Exemplary Service Medal issued by the Governor General of Canada for 20 years of service. He also received the British Columbia

Long Service Medal for 25 years of service in the province.

Some memorable calls for John are being the Incident Commander during the Peace Glen Hotel Fire and a larger tanker truck fire in Lynx Creek. John said one of the funniest calls he responded to was a call for alarms ringing at a local hotel on Christmas Eve. It turned out the room's occupant forgot they were cooking a large (porter house) steak for dinner that night.

John has tips for any new members or anyone interested in joining: "Do it" he said, "it's a great time, great people and amazing to be part of the fire family there are lots of learning experiences, you won't regret it".

John would like to thank all the members of the department over the years and those of the community that have supported him and the fire department. But most of all, he would like to thank his loving wife Julie for her love and devotion during the many calls he attended and all the holidays, birthdays, and events he has missed over 27 years. John said that without Julie beside him all these years he wouldn't have been able to do it.

Hudson's Hope Fire Rescue would like to wish John a very happy retirement from the department. His laughter around the hall will truly be missed.

Thank you again for all your service to HHFR and the District of Hudson's Hope.

Deputy Chief John Vandenberg (100), you are officially off duty.

**Director of Protective Services**

## Police Report: March 2022

Hudson's Hope RCMP responded to 19 calls for service between January 19<sup>th</sup> and February 16<sup>th</sup>, 2022. 44 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

Please make note of the numerous construction sites along Hwy 29 toward Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

On January 20<sup>th</sup>, the Hudson's Hope RCMP received a report of an online fraud in which an individual purchased an item via the Facebook Market Place and upon paying for the item via e-transfer, they later discovered the sale to be fictitious and fraudulent, resulting in no receipt of the paid for item.

Online frauds and scams have become very prevalent over the past couple of years and police advise the public to thoroughly research and confirm proof of items prior to purchase.

Individuals can visit the Canadian Anti-Fraud Centre website at: [www.antifraudcentre.ca](http://www.antifraudcentre.ca) or phone: 1-800-495-8501, to seek advice on where to report, depending on the scam.

On January 25<sup>th</sup>, the Hudson's Hope RCMP received a report of a drone that was observed flying over several properties in town. Upon investigation, it was found that a company that is conducting work along the river for the BC Hydro Dam projects, has been utilizing a drone to conduct aerial surveys of specific areas. It was confirmed that the drone operators are following specific regulations and flight plans in accordance with Transport Canada.

On February 6<sup>th</sup>, the Hudson's Hope RCMP were advised to a report of a dog being shot on a private property along Canyon Dr. Upon the investigation, it was found that a small dog had been shot and killed with a small calibre round for unknown reasons by an unknown individual(s). At this time, police are still investigating the incident and if anyone has any information pertaining to this crime, they can contact the Hudson's Hope RCMP Detachment or anonymously through Crime Stoppers.

On February 14<sup>th</sup>, the Hudson's Hope RCMP received a report of a dog attack on a deer. It was reported that an individual witnessed an unknown German Shepherd type dog, mauling a young deer in town. Police were unable to locate the suspect canine but later located the injured deer and she was dealt with accordingly. As per the Hudson's Hope Bylaws: Control of Dogs,

- No dog owner shall permit any dog to be at large,
- No dog owner shall cause, permit or allow his or her dog to cause damage to the property of another person,
- No dog owner shall take or allow any dog onto any public beaches, swimming areas, parks, or school grounds unless the applicable areas have been designated and posted as "dogs on leash allowed",
- No dog owner shall allow or permit any dog to harass or chase wildlife.

Fines for the above contraventions can range from \$60.00 to \$120.00 if fined.

#### Monthly Police ha ha:

A rookie police officer was out for his first patrol in a cruiser with an experienced officer when a call came in for a report of an unauthorized gathering of people on a local street corner. All eager to conduct his first police investigation, the rookie drove down the street and observed a small crowd of people standing on a street corner. Without hesitation, the rookie immediately jumped out of the cruiser and ran up to the crowd of people and yelled, "Let's get off the corner people". A few glances but no one moved. Puzzled, the rookie yelled again, "Let's move it along people". Again, the rookie received no responses and puzzled looks. Now irritated, the rookie yelled, "NOW!". The crowd of people, though confused, now started to depart the street corner, casting puzzled stares at the rookie as they walked by him. All proud of his first official police act, the rookie jumped back into the police cruiser where the experienced officer sat and stared at him in silence...the rookie asked, "Well, how did I do?" "Pretty good", chuckled the experienced officer... especially since that was a bus stop!".

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

### **"Beaton, Frank"**

On October 3, 1898, Hudson's Bay factor Frank Beaton and his family left for the Hudson's Hope outpost. Winter had come early and surely Frank and his family must have experienced great hardships during this first winter at the outpost. After Mr. Beaton

*Frank Beaton, Mary Beaton (with child), Mrs. Frank Beaton, and Angus Beaton (standing)*

spent one winter as the factor of the post at Hudson's Hope, he realized that the post would be better situated on the other side of the river at the end of Portage Trail because more trade would result. In 1899, the store on the south side of the river was dismantled and the logs floated across the Peace River to the north side and rebuilt. That same year, the Hudson's Bay Company sent in a surveyor and seven acres of land was surveyed and recorded. Eventually, the Hudson's Bay Company land was sold to the Fellowship of the West for \$1.00 on which the St. Peter's Anglican church was built. Also, land was sold to the Hudson's Hope Historical Society on which the Museum was set up, and land was acquired by the Department of Highways for the highway.

## COVID-19 prevention restrictions in effect for all library users.

*Please pay careful attention to our signage on the exterior entryway window.*

*Restrictions may be lifted, reinstated or amended at any time.*

### ***HHPL acknowledges the BC government's Guidance in response to COVID-19.***

Tues & Wed	12:00 – 6:00	Sunday	Closed
Thurs & Fri	11:00 – 5:00	Monday	By Appointment
Saturday	12:00 – 4:00		

Mondays are closed for Vulnerable Library Access and Contactless Service only. Please book your appointment in advance to ensure that the library is staffed at the time of your appointment.

#### **Amber Norton, Library Director**

Our library adheres to communicable disease prevention guidance from WorkSafeBC and have a COVID-19 Safety Plan in place.

“If you or anyone in your family feels sick stay home” - PHO

Pay special attention to provincial health orders to avoid any confusion or disappointment with our regulations upon entry to the library. As per provincial guidance, in the case of a community outbreak or exposure event, we may need to implement stronger restrictions at any time.

In accordance with provincial guidance, masks are mandatory while visiting indoor public spaces for anyone 5 and older. This is also required for people attending our programs, children ages 5 and older as well as any adults attending with them. Proof of vaccination currently required for adults attending library programming.

An additional reminder to show kindness to our staff as we may not be able to immediately downgrade our communicable disease prevention strategies. This is due to ongoing medical concerns of the staff. We thank you for your patience and understanding.

**Cognitive Care Kits:** We have received two cognitive care kits from Northern Health! These are lendable cognitive care kits (vitality/activity kits) to caregivers/library patrons in the community. This project is designed to provide education & tools to families, particularly of those with a senior or elder family members suffering memory loss or Alzheimer's. There is some training for staff and even patrons on how to use each kit but other than that, it is as simple as checking out any of our other library items. One of our staff is taking a two-day training session at the beginning of this month and we are hoping to have the kits catalogued in the system and be ready to start lending the kits before the middle of the month.

**Canada Reads:** We have all of the top 5 Canada Reads titles! We do have a hold queue, so please let us know if you would like to read the titles before the debates start, they will air starting on March 28<sup>th</sup> through to the 31<sup>st</sup>. If you would like to have a book club to have our own debate before this date, please let Amber know and we will get one set up in the last week before the official debates!

*Five Little Indians* by Michelle Good

*Scarborough* by Catherine Hernandez

*What Strange Paradise* by Omar El Akkad

*Life in the City of Dirty Water* by Clayton Thomas-Müller

*Washington Black* by Esi Edugyan

**Library Programs:** We require that all children and youth attending our programs be pre-registered for so that we have contact tracing information on hand and to make daily attendance tracking easier for staff. Masks are mandatory for everyone 5+ to use our library, including programs.

Pay attention to PSAs and our Facebook page for program updates, if any changes or cancellations need to be made, we will announce them on those platforms
