The **Hudson's Hope Community Club** will be having a meeting on April 7th, at 5:30pm at the Hall as Stephanie Hues is going to step down as President.

I want to say thank you to Mokles, Ruhul, Darren, Keith, and the public works crew. There was a sewer system issue at my house. The public works crew came immediately and began troubleshooting. They worked a long time in the cold weather. It impressed me and my family, and we really appreciate it! We could not fix the problem as quickly without your hard work. Thank you again!! Allen and Yiming

Communitary Paint by Number - Alwin Holland Park - "Commemorating the Peace River"

*Thank you to everyone who participated by
putting brush to canvas!*

*The finished painting is now hanging in the
District Office foyer for all to enjoy.*

The **Friends of Hudson's Hope** will be hosting an AGM on May 11th at 6pm, at the Hudson's Hope Thrift Store.

The AGM is for the sole purpose of recruiting community-minded individuals who wish to join the board and work together to make the society a fun, helpful space to provide a service to the community. Negativity and ill-will, will not be tolerated!

Thank you,
The Friends of Hudson's Hope

A MOMENT OF SILENCE

On Thursday, April 28, 2022, we honour the lives of those that have been injured or lost their lives to workplace injury or disease in B.C. Visit dayofmourning.bc.ca for more information.

The Day of Mourning ceremony will be held at the Municipal Worker's Monument in front of the District Office at 11AM.

Everyone is welcome to attend.

Canadian Navigable Waters Act Notice

BC Hydro hereby gives notice that a submission has been added to the Common Project Search (online registry) pursuant to the Canadian Navigable Waters Act described herein and its description.

Pursuant to paragraph 4.1 and 9.1 of the said Act, BC Hydro has deposited with the Minister of Transport, on the online Common Project Search Registry (cps.canada.ca) and under registry number 4526 a description of the following work:

The existing spillway debris/public safety boom on Williston Reservoir at the W.A.C. Bennett Dam will be replaced. The replacement boom will be in the same footprint as the existing boom. This boom is located directly in front of the spillway.

Police Report: April 2022

Hudson's Hope RCMP responded to 15 calls for service between February 18th to March 18th, 2022. 47 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

Please make note of the numerous construction sites along Hwy 29 toward Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

March is Distracted Driving Month in BC and with spring break just around the corner, the RCMP will be ramping up distracted driving enforcement this month. Fines for distracted driving, ie: Use of an electronic device while driving, comes with a \$368 ticket and 4 points.

"Use" in relation to an electronic device, means one or more of the following actions:

- Holding the device in a position in which it may be used;
- Operating one or more of the devices functions;
- Communicating orally by means of the device with another person or another device;
- Taking another action this is set out in the regulations by means of, with or in relation to an electronic device.

A driver must NOT:

- Hold, operate, communicate, or watch the screen of a hand-held electronic communication device;
- Send or receive text messages or email on any type of electronic device, or;
- Hold, operate, communicate or watch the screen of a hand-held electronic device, one of the purposes of which is to process or compute data.
- Nor, tape one's phone to their steering wheel and call it hands free! (true story)

These prohibitions DO NOT apply if the driver is:

- Safely parked and off the roadway, or;
- Making an emergency call to 911.

As a side note, Section 214.2 of the Motor Vehicle Act allows peace officers and person's driving or operating an ambulance, and fire services personnel to utilize an electronic device while in the operation of their duties where safe and fit to do so.

On March 3rd, the Hudson's Hope RCMP responded to a vehicle fire along Paquette Ave. where upon arriving on scene, police observed HH Fire extinguishing a vehicle which had flames coming from within the cab of the vehicle. No persons were inside the vehicle at the time of the fire and no persons injured. File remains open for investigation at this time.

On March 8th, the Hudson's Hope RCMP stopped a vehicle for excessive speed through the school zone along Beattie Dr. The driver of the vehicle was issued a ticket for \$368 after the vehicle was observed travelling at a speed of 48km/hr over the posted speed limit.

On March 15th, the Hudson's Hope RCMP received a report of a suspicious vehicle in the area of the HH pool parking lot. It was reported that a newer dark coloured grey van, possibly a Toyota, single male occupant, had been parked in the lot near the pool and playground with suspicious attributes stemming from its presence. Upon the complainant attempting to get close enough to obtain a photograph, the vehicle hastily sped off and police were unable to locate the vehicle.

On March 18th, the Hudson's Hope RCMP received a report of a theft of fuel from a worksite along Hwy 29. It was reported that someone had syphoned a large amount of diesel from an excavator some time throughout the night. Photographs/video were on-site and provided to police. File remains open for investigation.

Please make note of the Hwy 29 road closures starting March 18th and carrying on to March 24th, with the highway being closed between the hours of 9pm and 4am. The highway near the Farrell Creek bridge project will be closed completely from both sides during the above noted dates and times and all vehicles travelling through at these times will either have to wait till the highway re-opens at 4am, or detour through Hwy 97. Police will be monitoring the road closures.

Monthly Police ha ha:

At an undisclosed time and date, police observed an elderly lady knitting while driving her vehicle along the roadway. Police deemed this as distracted driving drove up along side the lady and yelled, "Pull-over". The lady yelled back, "No, they're mittens". (insert ha ha now)

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

The Work Ethic's Honour Roll Trip, and our recent Cruisin' Days to Powder King were excellent. A big thank you to the many community groups that support our students with programs such as this one. Thank you to the Hudson's Hope Lions Club, River of the Peace Metis Society, District of Hudson's Hope, and the Hudson's Hope Parents' Advisory Council. Without your support it would not be possible to provide these healthy activities for our youth to enjoy!

ary-Secondary School

Passion Projects – Our grade 5/6 students recently presented their projects that highlight an area that they greatly enjoy. The students have been very engaged, and did an excellent job sharing their passion with others. **Great work HAWKS!**

Our grade 7/8 Math students recently participated in their “Classroom Economy” Auction. This is a fun opportunity for students to spend the “Hawks dollars” they earn throughout the term as their classroom is transformed into a “virtual economy”. Thank you to the many students, parents, and community sponsors for donating gifts!

As usual, we had a very strong turnout of folks supporting **Pink Shirt Day**. Thank you for great school spirit, and displays of kindness!

Our secondary Fine Arts students have started a unit on **Ukrainian Egg** decorating. It is always interesting to see the quiet concentration required to create these detailed works of art.

Natural Horsemanship – Our horsemanship students are enjoying a new semester. Did you know Hudson's Hope School is the only school in B.C. that offers a Natural Horsemanship program? Many of our students have completed Stage 1 certification, and we have one student currently working towards Stage 2 certification. **Way to go Hawks!**

SPRING BURNING

As the weather starts to warm up many folks are beginning to plan some spring-time cleanup activities including the removal of yard waste and debris. Please remember that under the Fire Protection & Life Safety Bylaw 775 which was adopted in 2010, no person shall light or start an open air fire within the District without first having obtained a Burning Permit from the Fire Chief or his designate. These permits are available at the District Office and can be issued for a onetime event or for an extended period of up to one year.

The only time a permit is not required is during the following situations:

- Burning refuse or garden waste only in an incinerator covered with a screen to prevent flying sparks and is approved by the Fire Chief
- The cooking of food using a portable barbeque apparatus
- Burning on privately owned lands or in developed campgrounds where fireplaces, stoves, and/or fire pits are provided and approved by the Fire Chief
- Burning by the Fire & Rescue Services for the purposes of training

If you are contemplating an open burn:

- Consider your options to compost, recycle, or haul the material to the Hudson's Hope Transfer Site.
- Be a good neighbour. Burn only when it will not affect the health and welfare of the community.
- Call the BC Ministry of Environment to check the ventilation index at **1-888-281-2992**. The index must be "good" for the day of the burn and "fair" or "good" for the second day of the burn.
- Check the wind conditions. If the wind is strong enough to carry sparks and embers to other combustible materials postpone your burn.

Remember that your burn must comply with the Environmental Management Act and the Open Burning Smoke Control Regulation as well as the British Columbia Wildfire Act.

Please remember these measures are in place to protect the health and safety of you and your neighbours. If you have any further questions regarding your burning activities please stop by the District Office to speak to Brad Milton the Director of Protective Services, or call 783-9901.

For more information on the Environmental Management Act and the Open Burning Smoke Control Regulation visit <http://www.bcairquality.ca/reports/agtobsc.html>

We adhere to communicable disease prevention guidance from WorkSafeBC and has a COVID-19 Safety Plan in place. This plan will likely shift back to a communicable disease plan in April.

“If you or anyone in your family feels sick stay home” - PHO

Pay special attention to provincial health orders to avoid any confusion or disappointment with our regulations upon entry to the library. As per provincial guidance, in the case of a community outbreak or exposure event, we may need to implement stronger restrictions at any time.

In accordance with provincial guidance, masks are no longer mandatory while visiting indoor public spaces, although some will choose to continue wearing their masks.

An additional reminder to show kindness to our staff as we may not be able to immediately downgrade our communicable disease prevention strategies. This is due to ongoing medical concerns of the staff. We thank you for your patience and understanding.

Walk-In Book Club: Reese Witherspoon Book Club Titles

We are wrapping up with these final two titles that are available in our book club set collection that we house for four different library federations. If you would like to help us choose the books for next month, come talk to Amber about what is available in the book

club sets in the next few months. If you have any suggestions for new titles for the book club sets, let Amber know those as well, as the new titles will be chosen by a committee of library employees from around the province soon. Please keep in mind that we only add titles that have been released in the past year.

Cognitive Care Kits: We have received two cognitive care kits from Northern Health! These are lendable cognitive care kits (vitality/activity kits) to caregivers/library patrons in the community. This project is designed to provide education & tools to families, particularly of those with a senior or elder family members suffering memory loss or Alzheimer's. There is some training for staff and even patrons on how to use each kit but other than that, it is as simple as checking out any of our other library items.

Library Programs: We require that all children and youth attending our programs be pre-registered. Please pay attention to PSAs and our Facebook page for program updates, if any changes or cancellations need to be made, we will announce them on those platforms.

Shellie Howard, Children & Youth Program Librarian

StoryTime: Tuesdays from 10:30-11:30 pm, Parents and Tots

On April 5th, we will be making fish bowls and doing some fishing!!! On April 12th, we will be making a marshmallow bunny craft and colouring some holiday colouring sheets. April 19th we will be making spring flowers. April 26th will be our puppet story time and we will be making butterflies!!!

Tween Club: Tuesdays from 3:15-4:45 pm, ages 9-12

On April 5th we will be playing Charades!!! Warning!!! Could be loud in the library! LOL!!! April 12th we will be colouring eggs and making some holiday crafts. April 19th we will be painting a spring scene. April 26th is games day!!!

Library Club: Wednesdays from 3:30-4:30 pm, Kindergarten to age 8

April 6th we are crafting a stained glass picture with cellophane. April 13th we will be colouring to eggs each and doing a holiday craft. April 20th is "when I grow up I'm going to be a ????" We will be making a craft of what we want to be when we grow up, should be interesting to see what we make!!! April 27th is Game Day!!!

Teen Club: Thursdays from 5:00-7:00 pm, ages 13 up to current grad class

April 7th, 14th, 21st, and 28th our teens usually play games, hang out, some teens work on small latch hook rug projects, paint, draw, read, computer time, movies, but definitely social time! It is more like a teen coffee house!!! We offer hot chocolate, teas, juice, pop and of course water!!! Teens bring their own snacks. Interested stop in all teens are welcome.

If you are interested in your child joining a club just pop in and register them! It's easy peasy. Teens can self-register, as we just need contact tracing information. If anyone has any questions on how are clubs are run and what all we do, please feel free to call (250)783-9414 or email me at youngadult.hhpl@pris.ca

Nancy Smith, ILL Librarian & Bookkeeper

Interlibrary Loans: Did you know that we have two separate systems to order ILLs from? Through these systems you have access to other library collections throughout BC. Books and DVDs can be ordered from just about any public, municipal or regional library in BC. You are able to place a hold on your “my account” access through our website and catalogue. We also use this system as our go to source to check first for your loan. This is the Sitka Evergreen system and has access to many of the library collections in the province. We also have another system that we use as a backup that you can submit your requests to staff and we will order your loan for you, this allows the opportunity to select titles from other libraries that are not on the same library computer system as we are as well as BC universities and colleges. Come on in to talk to Nancy about any of your ILL requests, or any of our other regular staff can help you with your request. Alternatively you could also email ill.hhpl@pris.ca with your requests or call (250)783-9414.

To stay up to date please like our Facebook page or watch local PSAs for more information. If you are not registered for Public Service Announcement emails, email hhpsa@hudsonshope.ca to sign up.

Healthy Wishes
from HHPL!

Learn how we're powered by water. Visit the W.A.C. Bennett Dam Visitor Centre.

Join us on Saturday, May 21, 2022 when the Visitor Centre opens for the season, seven days a week, 10 a.m. to 5 p.m.

Learn about how B.C. is powered by water. You'll enjoy our interactive exhibits, watch our short films, learn about the Indigenous communities in the area and take in an amazing view of the W.A.C. Bennett Dam.

This year, we'll offer guided bus tours across the dam or walking tours of our outdoor exhibits.

Visit bchydro.com/bennett for more details, including admission charges and our safety protocol.

River of the Peace Metis Society Community Report March/April 2022

River of the Peace Metis Society has been busy with supporting our local food bank and supplying hardship funds where needed for our members. President Val Paice is seen here with donation to Friends of Hudson's Hope.

We are happy to have Irene Finlayson on board with us handling our gift shop. She is doing a wonderful job with organizing and framing prints, etc. We are open Tuesday to Saturday afternoons. The public is welcome to come in and see what we have for sale and learn about the Metis. We have new items coming in regularly so for unique gift items, come down and see what we offer.

With covid restrictions lifting, we are hoping to be able to set up some cultural workshops in the near future. Any input and ideas on what workshops you would like to see held would be greatly appreciated. We are open to suggestions.

We are happy to be offering a reflexology clinic on March 18th to be held at our office. Brandy of Blue Moon Yoga in Fort St. John is offering this clinic for our members. Unfortunately, it is fully booked for this session but if this one is a success, I am sure we will offer it on a regular basis for all community members interested.

Lynn and Val are busy working with the Site C committees and progress is being made on development of the Indigenous Cultural Center to be built on the Site C property. This is a collaboration of ideas from the 13 nations of Treaty 8.

We have also donated money to the Hudson's Hope School for volleyball uniforms for the girls (majority of players are Metis) and for this years graduation class, three of whom are Metis. So proud of our wonderful school. We have the highest number of Metis graduates in BC here in our community.

River of the Peace Metis Society will be constructing a longhouse on the Hudson's Hope School grounds, funding provided by BC Hydro Site C committee. We will have information boards on all the Treaty 8 nations. We are happy to have this erected in our community.

On Monday, March 7th, we hosted a makeup session with Chyna for all those ladies who would like to get some secrets on makeup application. We had a very informative session on tricks of the trade to enhance facial features. We plan on holding another session within the next couple of months.

Our membership is getting close to 100 strong. Way to go, Hudson's Hope!

Dr. Fay arrived in Hudson's Hope in January 2022 and will be a permanent addition to the clinic to work alongside Dr. Courtney, sharing the practice's patient population.

Dr. Fay offers 2 new services:

1 - No scalpel Vasectomy: This minimally invasive procedure can be carried out in Hudson's Hope or Fort St John. It is a quick, simple surgical procedure to achieve permanent male sterility. This is at no cost to the patient.

2 - Nexplanon subdermal female contraception: This long acting reversible contraceptive involves placing a 4cm implant in a woman's arm providing contraception similar to an IUD and better than having a tubal ligation. It lasts 3 years. Insertion and future removal take minutes and can be performed at Hudson's Hope.

If you are a patient at Hudson's Hope and would like either procedure simply book an appointment with Dr. Fay. If you are a patient elsewhere ask your primary care provider to refer you to Dr. Fay.

The Hudson's Hope Health Centre has a new nurse practitioner!

Celia Evanson has been working as a nurse practitioner (NP) for 16 years and is excited to meet new patients in the North. NPs provide comprehensive clinical care in primary and acute care settings in rural, remote and urban centers. NPs can:

- Diagnose and manage disease and illness
- Prescribe medications
- Order and interpret laboratory and diagnostic tests
- Initiate referrals to specialists

Visit Celia in Hudson's Hope on Tuesday and Wednesday and in Chetwynd on Monday, Thursday and Friday. Call the Hudson's Hope Health Centre (250-783-9991) or the Chetwynd Primary Care Clinic (250-788-7300) for more information.
