If you have any questions, please call Tonia Alexander 250-783-9901.

OPEN FIRE REGULATIONS

CAMPFIRES, CATEGORY 2 FIRES AND CATEGORY 3 FIRES: WHAT'S THE DIFFERENCE?

CAMPFIRE:

- Any fire smaller than 0.5 metres high by 0.5 metres wide

REGULATIONS:

You must have ready access to 8 litres of water or a shovel for the entire time your campfire is lit.

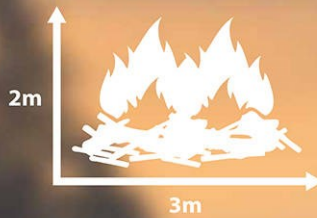

Your campfire must be completely extinguished and the ashes must be cool to the touch before leaving the area for any length of time. (Hot coals can reignite the fire.)

During campfire prohibitions, only a CSA- or ULC-approved portable campfire apparatus may be used, and the flame height must not exceed 15 centimetres.

You must build a fire guard around your campfire.

CATEGORY 2 FIRE:

- 1 to 2 concurrently burning piles no larger than 2 metres high by 3 metres wide
- Stubble or grass burning over an area less than 0.2 hectares

REGULATIONS:

A fuel break must be established around any Category 2 burn area.

Fireworks are banned when a Category 2 fire prohibition is in effect.

Burning barrels are banned when a Category 2 fire prohibition is in effect.

At least one person equipped with a fire-fighting hand tool must monitor the fire at all times.

CATEGORY 3 FIRE:

- Any fire larger than 2 metres high by 3 metres wide
- 3 or more concurrently burning piles no larger than 2 metres high by 3 metres wide
- 1 or more burning windrows
- Stubble or grass burning over an area greater than 0.2 hectares

REGULATIONS:

A fuel break must be established around any Category 3 burn area.

Monitor your open burn to ensure that the fire doesn't spread beyond its intended size.

You must have a burn registration number to light a Category 3 open fire. Call the burn registration line 1 888 797-1717 to obtain one.

GENERAL REGULATIONS:

Never burn in strong wind conditions.

Your fire must be extinguished before leaving the area.

Always keep your fire a safe distance away from nearby branches, wood and other combustible materials.

Do not conduct Category 2 or Category 3 burns when venting conditions are "Poor" or "Fair". Always check here first: www.bcairquality.ca/readings/ventilation-index.html

*Further bans and restrictions can be implemented at the BC Wildfire Service's discretion.

Anyone found in contravention of an open fire prohibition may be fined up to \$1,150. If your fire escapes and results in a wildfire, you may be fined anywhere from \$100,000 to \$1 million and be sentenced to one year in prison. Please check with local government authorities for any other restrictions before lighting any open fire.

Please report wildfires by calling
*5555 or 1 800 663-5555.

Police Report: April 2022

Hudson's Hope RCMP responded to 27 calls for service between March 18th, 2022 to April 19th, 2022. 51 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

Please make note of the numerous construction sites along Hwy 29 toward Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

Being that Spring is technically upon us again (even though it doesn't look like it currently), the Hudson's Hope RCMP would like to remind locals to be aware of the emerging bears from their long hibernations. Upon emerging from their long cozy earth dens, bears will be quite slow and groggy for several days, however, during this time, bears will be quite hungry and will be looking for easy meals, ie: left out garbage, compost piles, gardens, small pets, etc.

That said, if one is to become face to face with one of these furry creatures, please remember the following tips:

-  Do not yell "awwwwww" and try to get a selfie with said bear! They are not friendly and will taste test you!
-  Stay calm, your calm behaviour can reassure the bear,
-  Speak to the bear, talk calmly and firmly,
-  Do not turn and run but rather back away slowly while facing the bear,
-  Make yourself appear BIG, pick up small children and stay within a group (if with others),
-  If have a backpack on, do not remove being that it can provide protection should the bear attack,
-  If planning an outdoor excursion in bear country, make lots of noise, travel in groups if able to, and carry bear spray (always examine the expire date on the spray...could be a bad time to discover that your bear spray has expired and is no longer potent!), and lastly, if you have to use the bear spray, pay attention to the wind direction. Spraying yourself only makes it easier for the bear and now you have also seasoned yourself!

On March 31st, the Hudson's Hope RCMP received a report of a stolen ATCO trailer from a property on the South side of the Peace River. It was reported that an ATCO trailer had been stolen or taken without permission and currently has not been recovered. File remains open for investigation.

On April 6th, the Hudson's Hope RCMP stopped a motor vehicle for speeding through the school zone along Beattie Dr. Upon identifying the driver, it was found that the driver was not only speeding but did not have a valid drivers licence and was found to be breaching several court ordered conditions. The individual was arrested and later transported to a remand facility.

On April 7th, the Hudson's Hope RCMP received a report that twenty-one (21) 9-1-1 calls had been made from a residence with no response on the line. Police attended the area and upon conducting checks, located the caller which turned out to be a young child playing with an old phone. For note, cell phones that have been deactivated or have had the SIM card removed, can still make emergency 9-1-1 calls if the emergency calling system have not been manually turned off within the phone settings.

On April 15th, the Hudson's Hope RCMP received a report of illegal dumping and trespassing at the Hudson's Hope garbage dump. It was found that during closed business hours, someone had trespassed and driven into the dump site via accessing a side road, and illegally dumped a full sized truck camper. Though the dumping of this item was at a designated dump, this item is too large to be processed without being dismantled accordingly. File remains open for ownership confirmation.

Monthly Ha Ha: On an undisclosed date and time, a police officer observes a vehicle that is swerving all over the road and therefore, pulls the vehicle over. The officer directs the driver to step out of the car and states, "I am going to need you to take a breathalyzer test". The man replies, "I can't, you see I have very bad asthma and that can set off an attack". "Alright" says the officer, "then we're going to have to get a blood sample from you." The man replies, "can't do that either officer, I am hemophiliac and if a wound is opened, I can't stop bleeding, and could bleed to death". "Ok", the officer replies, "then I will need a urine sample". "Sorry" the man replies, "I also have diabetes and that could push my sugar count too low". The officer replies, "fine then, just come on out and walk a straight line for me". "Nope, can't do that either" replies the man. "Why Not?" demands the exasperated officer. "well...because I'm drunk!"

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Protective Services

Nearly one third of all wildfires in B.C. are detected and reported by the general public. Public wildfire reports have resulted in immeasurable savings in property damage, forest resources and fire suppression dollars.

Report a Wildfire:

If you see a wildfire
please report it to Wildfire Management Service at
1-800-663-5555 or call ***5555**
toll free on most cellular networks.
Alternately, you can report a wildfire to **9-1-1**.

What You'll Be Asked:

- your phone number and the location of the fire**
- what the fire is burning (trees? What species?)**
- the size of the fire**
- how quickly the fire is spreading**
- the colour of the smoke**
- whether there are values or lives at risk**

The details that you provide are critical in determining the type of response that the fire will receive from fire suppression authorities. Your help is greatly appreciated as it helps us to allocate our resources more efficiently and respond quickly to wildfire activity.

Further information on wildfires, provincial danger ratings and forest restrictions can be obtained by calling our toll-free Wildfire Information number:

Tree Planting Rebate 2022

**District of Hudson's Hope Tree
Planting Rebate Program**

ONLY WHILE QUANTITIES LAST

All applicants are required to accept terms and conditions of the rebate program, which include:

1. Only trees purchased after January 1, 2022, and are identified as growing in Zone 1, 2 or 3 are eligible for rebate. Shrubs and flowers will not be eligible for this rebate. A limited number of rebates are available on a first-come, first-serve basis.
2. Each rebate is a maximum of \$50. If the price is below \$50, the rebated amount will be the actual purchase price. The subsidy will be issued in the form of a cheque payable to the purchaser.
3. Only one rebate per year per property will be issued.
4. To be eligible you must have a District of Hudson's Hope property tax account in your name, a completed rebate form, original purchase receipt (photocopies not accepted), and the tree tag indicating growing zone 1, 2 or 3.
5. Trees are to be planted at the address associated with the property tax account. Trees are not to be planted on public property, right of way or easement.
6. The District of Hudson's Hope accepts no responsibility for loss, damages or claims to property caused by or resulting from Community Tree Planting Rebate Policy.
7. The District of Hudson's Hope reserves the right to reverse the rebate if information provided on the application form is either incorrect or untrue, or if the terms and conditions have been breached.
8. The District of Hudson's Hope reserves the right to alter, cancel or discontinue the program at any time.

Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

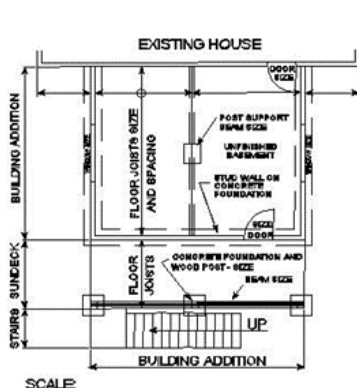

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

Cross Sectional Plans

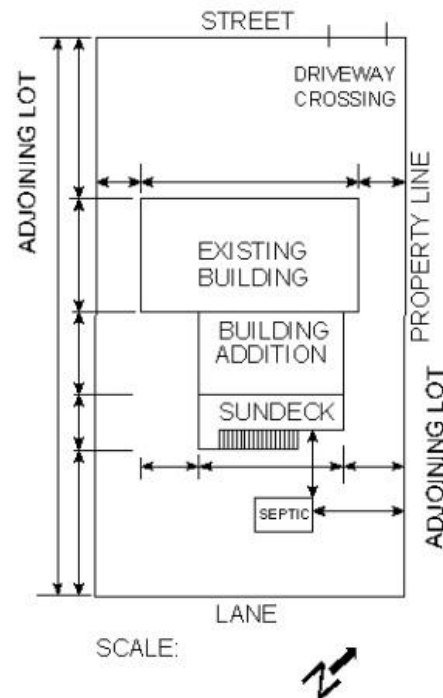

May 2022

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

ary-Secondary School

School District #60 Cameron Lake Outdoor Education Center-

We are so fortunate to be located close to this fantastic outdoor learning center. Students from our school have benefited from the rich learning that can only happen outside. I know there are generations of students that have many great memories participating in field trips to "Cameron Lake". Here are a few pictures from a recent trip. If you would like to help support our school with more visits to Cameron Lake, please contact us (donations to cover costs, and volunteers to help with trips greatly benefit our students).

Reading - Did you know that research shows that the best predictor of future education achievement and life success is reading ability – specifically “engaged reading” (reading for enjoyment, and/or with others). The act of reading is also one of the great “equalizers”, as the success linked with reading is “equal” regardless of gender, parental education, or economic status. Do you want to help your child, teen, grandchild, niece, nephew, friend have a better chance of success, and a more fulfilling life? Read to them, and/or have them read to you.

Jump Rope For Heart – Next month (May 11th if the weather is good), our students and staff will be raising awareness, education, and funds for the Heart & Stroke Foundation. If you would like to donate to our cause, feel free to contribute to our school, or to a specific student by going to jumpropeforheart.ca and click on the Grey “Donate” button on the top right of the screen.

Earth Day Clean Up – Next month (hopefully May 11th as well), we will also be doing our part to keep our community looking beautiful. Community members are welcome to provide encouragement with “honks”, “waves”, or even joining in! **Go HAWKS Go!**

Amber Norton, Library Director

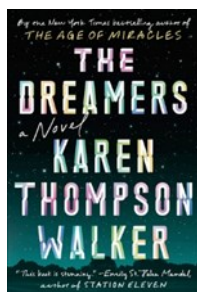

We adhere to communicable disease prevention guidance from WorkSafeBC.

“If you or anyone in your family feels sick stay home” - PHO

Pay special attention to provincial health orders to avoid any confusion or disappointment with our regulations upon entry to the library. In accordance with provincial guidance, masks are no longer mandatory while visiting indoor public spaces, patrons may still choose to continue wearing masks.

A reminder to show kindness to our staff as we may not be able to immediately downgrade our communicable disease prevention strategies. We thank you for your patience and understanding.

Walk-In Book Club: The Walk-In Book club is featuring two captivating titles for May.

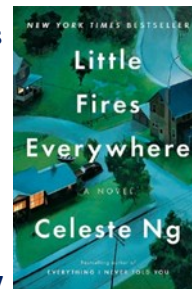

“This is how the sickness travels best: through all the same channels as do fondness and friendship and love.”

Karen Thompson Walker
Dreamers
Available Apr 2 – May 20

“The photos stirred feelings she couldn't quite frame in words, and this, she decided, must mean they were true works of art.”

Celeste Ng
Little Fires Everywhere
Available May 1 – June 17

Walking Book Club is back! On May 17th we will be offering four books at the same time for our June Walking book club titles. We are offering all four titles a little early so we have a head start before our walking book club dates (TBA). Let us know if you would like to join this book club, so that if we have more members than books, we can order in extra titles or put loan limits in place to make sure everyone gets through the titles. If there are more participants than last year, we can have two or more walking groups, and stagger the titles so that it allows the titles to be more accessible for each group on different weeks. You can choose to come to the club for one title or all four, it is up to you! The titles will include;

The Wives by Tarryn Fisher which will spark conversations about polygamy, abuse, mental illness mixed in with thrilling twists and turns.

Nobody Ever Talks About Anything But the End by Liz Levine engages readers with conversations about loss & grief, mental illness and suicide

Red Clocks by Leni Zumas creates a world where abortion, fertility treatments and adoption are federally restricted and follows a number of characters through their life impacts from these restrictions, and will trigger conversations about grief & loss and motherhood.

This Close to Okay by Leesa Cross-Smith addresses mental health from someone on the precipice of suicide as well as a practitioner trying to offer aid, speaking about coping mechanisms and support systems.

If this club is successful, we may put more titles on hold and continue for the remainder of summer.

We also have *Where the Crawdads Sing* by Delia Owens on hold for May 17th through July 1st. The movie of the same title is being released on July 22nd. This will allow us to have a book club meeting in July, and those who are involved in the book club may choose to meet at the theatre to enjoy the film as a group!

Cognitive Care Kits: We have received two cognitive care kits from Northern Health! These are lendable cognitive care kits (vitality/activity kits) to caregivers/library patrons in the community. This project is designed to provide education & tools to families, particularly of those with a senior or elder family members suffering memory loss or Alzheimer's. There is an online training video for patrons on how to use each kit but other than that, it is as simple as checking out any of our other library items.

Library Programs: We require that all children and youth attending our programs be pre-registered. Please pay attention to PSAs and our Facebook page for program updates, if any changes or cancellations need to be made, we will announce them on those platforms.

Shellie Howard, Children & Youth Program Librarian

StoryTime: Tuesdays from 10:30-11:30 pm, Parents and Tots

May 3rd we will be making maracas and then having a maraca parade with our new music makers!!! May 10th we are making a chain octopus!!! May 17th we are doing puzzles. Bring your littles down and make some puzzles with them. May 24th we are painting; the kids will be getting creative with a paint brush!!! Paint shirts will be provided. May 31st is puppet story time, as well as a felt story and then some games.

Tween Club: Tuesdays from 3:15-4:45 pm, ages 9-12

May 3rd we will be making some Cinco de Mayo Crafts. May 10th we are making book jackets of our favorite books. May 17th we are crafting some origami flowers or bugs which ever you prefer. May 24th is National Scavenger Hunt Day, sooooo, you guessed it! We will

be having a scavenger hunt. May 31st is the 5th Tuesday of the month which means it is a movie day!!!

Library Club: Wednesdays from 3:30-4:30 pm, Kindergarten to age 8

May the 4th be with you! You guessed it, on May 4th you just can't not make light saber's using freezies on this day!!! May 11th we will be making paper airplanes. May 18th we are making a picture of a jungle creature, wait and see what it will be! May 25th is Lego Day!!! We will be building fun with Lego.

Teen Club: Thursdays from 5:00-7:00 pm, ages 13 up to current grad class

April 5th, 12th, 19th, and 26th our teens usually play games, hang out, some teens work on small latch hook rug projects, paint, draw, read, computer time, movies, but definitely social time! It is more like a teen coffee house!!! We offer hot chocolate, teas, juice, pop and of course water!!! Teens bring their own snacks. Interested? Stop in all teens are welcome!!

If you are interested in your child joining a club, just pop in and register them! It's easy peasy. Teens can self-register, as we just need emergency contact information. If anyone has any questions on how our clubs are run and what all we do, please feel free to call (250) 783-9414 or email me at youngadult.hhpl@pris.ca

Nancy Smith, ILL Librarian & Bookkeeper

Interlibrary Loans: Having trouble placing an order on a newer item through our online catalogue? Sometimes there are hold restrictions in place that cannot be bypassed. We can try our second ILL system for staff to try to bring this title in but many libraries do have strict policies about loaning an item before it has been their collection for a certain duration. If an item cannot be ordered in, the ILL slip will go to the person in charge of the collection that book might belong, to and it will be considered for purchase. Come on in to talk to Nancy about any of your ILL requests, or any of our other regular staff can help you with your request. Alternatively you could also email ill.hhpl@pris.ca with your requests or call (250) 783-9414.

To stay up to date please like our Facebook page or watch local PSAs for more information.

Healthy Wishes
from HHPL!

BRITISH COLUMBIA CAMPFIRE REGULATIONS

Violating these regulations could cost you **\$1,150**.

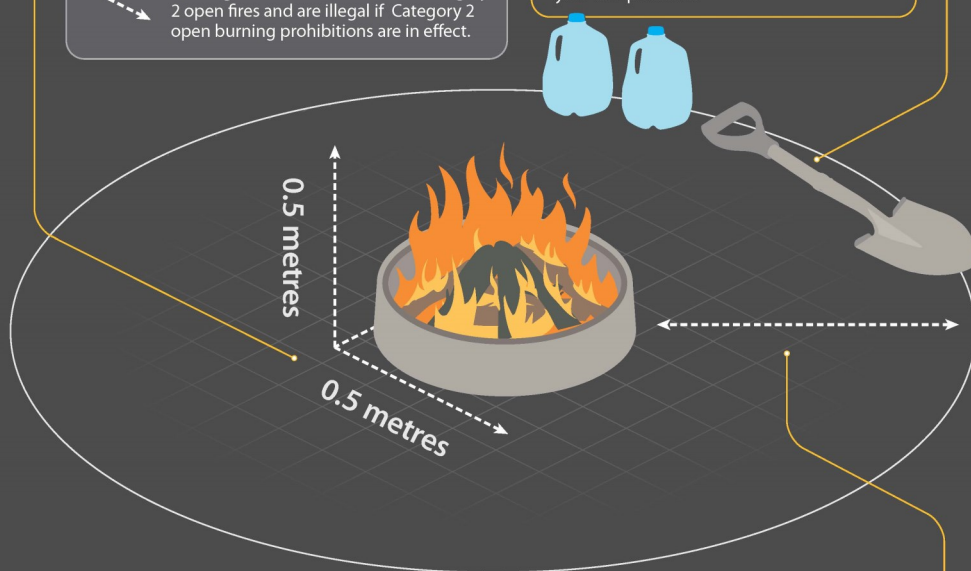

If a violation causes a wildfire, the person responsible may also be ordered to pay all firefighting and associated costs.

CAMPFIRE SIZE

A campfire is defined as a fire no larger than 0.5 metres high and 0.5 metres in diameter. Fires larger than that are considered Category 2 open fires and are illegal if Category 2 open burning prohibitions are in effect.

8 LITRES OR A HAND TOOL

You must keep at least eight litres of water or a hand tool on hand at all times while your campfire is lit.

PUTTING OUT YOUR FIRE

Before you leave the area for any amount of time, your campfire **MUST** be fully extinguished. The ashes of your fire must be cool to the touch.

FUEL BREAK

You must have a fuel break around your campfire. This area must be cleared of debris and anything combustible. It needs to be wide enough to stop the spread of the fire. A rock ring around the fire can also help prevent it from spreading.

You **MUST NOT** leave your fire unattended for **ANY** length of time.

Report wildfires, unattended campfires or violations of regulations by calling ***5555** on a cell or **1 800 663-5555** toll-free.

Boater safety on the Peace River

We're reminding boaters that the section of the Peace River around the Site C dam site, upstream of the construction bridge, is permanently closed to boaters. Boaters are urged to stay away from the area. Please adhere to the signage posted both upstream and downstream of the closure.

Portage program:

To move boaters around the area, a portage program for non-motorized boats will operate between the Halfway River boat launch and the Peace Island Park boat launch from May 15 to September 15, 2022. Reservations are required seven days in advance of pickup.

Dr. Fay arrived in Hudson's Hope in January 2022 and will be a permanent addition to the clinic to work alongside Dr. Courtney, sharing the practice's patient population.

Dr. Fay offers 2 new services:

1 - No scalpel Vasectomy: This minimally invasive procedure can be carried out in Hudson's Hope or Fort St John. It is a quick, simple surgical procedure to achieve permanent male sterility. This is at no cost to the patient.

2 - Nexplanon subdermal female contraception: This long acting reversible contraceptive involves placing a 4cm implant in a woman's arm providing contraception similar to an IUD and better than having a tubal ligation. It lasts 3 years. Insertion and future removal take minutes and can be performed at Hudson's Hope.

If you are a patient at Hudson's Hope and would like either procedure simply book an appointment with Dr. Fay. If you are a patient elsewhere ask your primary care provider to refer you to Dr. Fay.
