Thank-you to everybody who helped make our home soccer tournament on Saturday, June 4 and Sunday, June 5 a smashing success !!

300+ soccer players from Chetwynd, Dawson Creek, Fort St John, Hudson's Hope and Tumbler Ridge showed off their soccer skills and teamwork in front of cheering parents, Grandparents and soccer fans who showed up to support the players.

The population of Hudson's Hope pretty much doubled over the weekend 🤗  
There are a lot of people to thank for the success of our home tournament!  
Thanks to all coaches, without them we wouldn't have a soccer season.

#### **Concession!**

Big thanks to HH Grad 2023 and HH Soccer who ran the concession together.  
Thanks especially to Alison, Artha, Monicha and Winona for organizing.

#### **Raffle and 50/50**

Thanks to Rox & Leon for organizing the raffle and putting together the "Thank You to our Sponsors" poster.  
Thanks to Meghan for co-ordinating the 50/50.

#### **Field Prep**

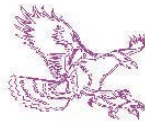

This year's field prep involved setting up 8 soccer fields and associated soccer nets. Thanks to GMS welders (Ken) and Mark (Peaceview Enterprises) for transporting our big net for repairs. Thanks to the "soccer field elves", Allen, Rodney, Jason, Wren, Davida, Billie and Hannah.

#### **More thanks**

Hudson's Hope School – for the use of your facilities all weekend  
DOHH – gave us everything we needed! Big tent, picnic tables, garbage cans  
Butler Ridge – porta-potties (fairly critical) 🤗  
Team parents - registration, field clean-up, team support!!

## Police Report: May/June 2022

Hudson's Hope RCMP responded to 37 calls for service between May 20<sup>th</sup>, 2022 to June 17<sup>th</sup>, 2022. 41 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

Please make note of the numerous construction sites along Hwy 29, between Hudson's Hope and Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

The Hudson's Hope RCMP would also like to remind drivers that with summer just around the corner, the use of studded winter tires is prohibited between May 1<sup>st</sup> to September 30<sup>th</sup> of each year. Driving with studded tires during those times can result in a fine of \$109.00. As of note, studded tires on the dry asphalt makes a loud and distinctive noise that catches the ear of nearby police!

On May 20<sup>th</sup>, 2022, the Hudson's Hope RCMP received several complaints regarding ATV's and other ORV's (off-road vehicles) that were driving erratically throughout the Dinosaur Lake Campground area. Police attended the area several times throughout the May long weekend and issued several violation tickets and warnings to riders who were found to be operating their ORV's in contravention of the ORV Act.

On May 20<sup>th</sup>, 2022, during a routine traffic check-stop along Hwy 29, the Hudson's Hope RCMP stopped a motorist who was believed to be under the influence of alcohol. Upon a breathalyser test, the driver was confirmed to be under the influence of alcohol and was subsequently charged for driving while impaired.

On May 20<sup>th</sup>, 2022, the Hudson's Hope RCMP received a report of threats against a person at the Dinosaur Lake Campground area. Based on the investigation, police located and arrested the suspect who was later charged for Uttering Threats and was provided a court date.

On May 26<sup>th</sup>, 2022, the Hudson's Hope RCMP attended a residence along Beryl Prairie Rd. for a residential property fire. Upon arrival, police found the local Fire De-

partment attempting to control and extinguish the fire which had spread throughout the property and engulfed several vehicles and outbuildings. No injuries or damages were incurred to any persons or surrounding residences and the cause of the fire was a result of the home owner burning off grass which got out of control.

On May 29<sup>th</sup>, 2022, the Hudson's Hope RCMP stopped a motorist along Hwy 29 after their vehicle was clocked at doing 49km/hr over the posted speed limit through a construction zone. The driver received a fine of \$368.00 for Excessive Speed and the complimentary 7 day impound of their vehicle.

On June 8<sup>th</sup>, 2022, the Hudson's Hope RCMP stopped a motorist along Beattie Dr. after their vehicle was clocked at doing 73km/hr over the posted speed limit through the local marked school zone. The driver received a fine of \$483.00 for Excessive Speed and the complimentary 7 day impound of their vehicle. Excessive Speed is dictated as exceeding the posted speed limit by (tier one) 41 – 60km/hr, which comes with a fine of \$368.00 and an automatic 7 day impound of the vehicle, while (tier two), more than 60km/hr over the posted speed limit, comes with a fine of \$483.00 and an automatic 7 day impound of the vehicle.

On June 16<sup>th</sup>, 2022, during a rainy and dreary Wednesday morning, Cst. SCHMIDT received a call for two deer that had fallen into a local lagoon and were unable to get themselves out. With the help of his beautiful sidekick (wife), who was attached to the end of a lasso so she didn't end up taking a dip into the merky depths of the green lagoon herself, and a couple personnel from the District of Hudson's Hope, they were able to get the amphibious deer to the edge of the banks where one of the rescuers used her trusty lasso and snagged the waterlogged and tired ungulates. With a heave 'n a ho...onto dry land they found themselves, rescued from the dark depths of Davy Jones Locker! The buck was kicking and bucking immediately and ran off, whereas the doe, who was beyond exhausted, took a little while longer to shed her sea legs. In the end, both the deer made a full recovery and learnt this day, that one should never drink from the green water!

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

# Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at [www.hudsonshope.ca](http://www.hudsonshope.ca)

## A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

## INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

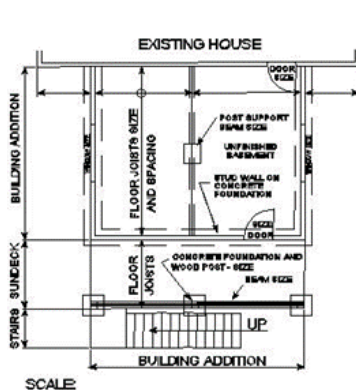

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

### 1. BUILDING PLANS

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

#### Example Floor Plans

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

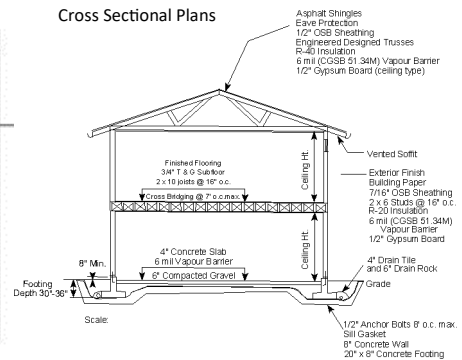

The Bulletin

12

#### Cross Sectional Plans

July 2022

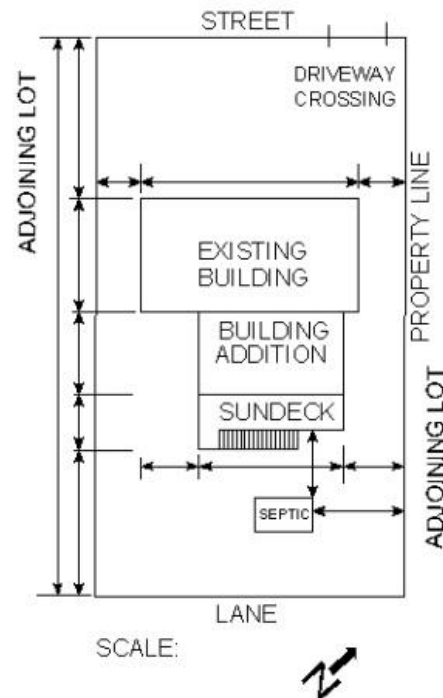

## 2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

**This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.**

## BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

# Hudson's Hope Visitor Centre

Things have been pleasantly steady here at the Visitor Centre. We've had tourists from all provinces of Canada, Germany, USA, Ukraine, Finland and more! Visitors enjoy the beauty of this peace region and the relaxed pace of life in Hudson's Hope. The Bennett Dam continues to be a huge tourist attraction in addition to the hiking trails. Being one of the

oldest communities in the province, this quaint town has so much to offer. A hike up the historical Portage Trail or a wander through the Museum exhibits the rich history and ecology of Hudson's Hope. I encourage even our residents to take advantage of this diverse area and re-discover our community.

June was filled with guided hikes, sports tournaments, fitness in the park, and buzzing Farmer's Markets. The ParticipACTION challenge that took place throughout the month had been extremely successful for Hudson's Hope. This healthy-living challenge focused on promoting activity in all communities within Canada. Our locals worked as a team to achieve an outstanding amount of "active minutes".

Once again, this community proves to excel through support and collaboration. I hope to express my pride for this District through my work at the Visitor Centre.

It is always a pleasure to share my piece of Hudson's Hope. Make sure to drop by for local information, BC guides, or simply a friendly hello!

Cassidy, Janascia, and Celina

I would like to say a big **Thank You** to the District of Hudson's Hope, and to the paving company Knelsen Sand and Gravel for the wonderful repaving job that was done in Thompson Subdivision this spring. Pavement was even run a little ways down into everyone's driveway. Disruptions were kept to a minimum, and the guys doing the work were always considerate and polite.

And now, it is a positive pleasure to drive into my home 😊

### "Jim Beattie"

Jim Beattie

Early 1914, Jim Beattie arrived with a party of 7 men with teams of horses. They passed through the settlement of Hudson's Hope on their way to the Omineca, where they hoped to find large quantities of Gold. The portage was too narrow for their teams so they spent some time widening it before they could cross. That fall, Jim Beattie and Billy Hill returned to Hudson's Hope with their teams of horses via the Laurier Pass as there was no ice on the river. Jim's plan was to start a freighting service across the portage.

Mrs. Jim Beattie arrived in 1914. She came downriver via Crooked River from Prince George. As she crossed the portage, she was told that she was the first white woman who passed this way. This same year, Mr. & Mrs. Jim Beattie had their first child, the first white baby born in the settlement.

Mrs. Jim Beattie

Beattie Home at Gold Bar

In 1919, Mr. and Mrs. Beattie moved to 20 mile (20 miles above the head of the canyon) where later it was named "Gold Bar". It was here that they built a prosperous grain & cattle farm and raised their family. Jim was often away, trapping, freighting and he was "Justice of the Peace". While he was away, Mrs. Beattie and the children tended to the farm.

As their family grew up and moved away from the farm, many of which stayed in the area, Jim passed away. Mrs. Beattie and the twins stayed and worked the farm at Gold Bar until the construction and subsequent flooding of WAC Bennett Dam. Mrs. Beattie moved into Hudson's Hope. Their valuable farm and many years of hard work now lies beneath Williston Lake

The Museum has Summer Student Positions still available.

Hudson's Hope Historical Society next meeting: July 20, 2022  
7 PM at the Museum. Everyone is Welcome.

### Amber Norton, Library Director

**Walk-In Book Club:** *Where the Crawdads Sing* by Delia Owens is available until July 15th. The movie of the same title is being released on July 22<sup>nd</sup> and the trailer looks amazing! This will allow us to have a book club meeting in July, and those who are involved in the book club may choose to meet at the theatre to enjoy the film as a group!

**Walking Book Club** Thanks so much for those who participated in the Walking Book Club for Participation in June. We actually extended our club to accommodate some late joiners. If there is interest from this group, we will be offering new titles for August. Stay tuned to Facebook for advertising if this club is a go! We will likely have the books ready to go in mid-July.

### Staff Celebrations!

Both of our Casuals have been with our organization for over a year! Katie and Billie have done an amazing job assisting with weekend shifts, and during programs where more help is needed. They've even run programs on their own!

Katie and Billie are amazing additions to our dynamic library team! Just look at some of the amazing bulletin board creations! The bright boards their spring displays are the current Summer Reading Club and inclusivity boards are up for everyone to see now!

**Another amazing staff celebration...** Katie was promoted to Assistant Programmer! She will be preparing and facilitating the Summer Reading Club Programs for the summer! In addition to programming duties, she will be assisting us with a project that will be announced in August!

**Della Owens** - Thank you so much for visiting our library on June 21<sup>st</sup>, National Indigenous Day. The grade 5 and 6 class as well as the Kindergarten, grade 1s and grade 2s really enjoyed your visit and our staff couldn't stop talking about your presentation all day. Thank you so much for sharing your beautiful book with us! Thank you as well for donating a copy of your book to our library!

**Library Programs:** We require that all children and youth attending our programs be pre-registered, with the exception of teens which are self-registered. Please pay attention to PSAs and our Facebook page for program updates, if any changes or cancellations need to be made, we will announce them on those platforms.

**Shellie Howard, Children & Youth Program Librarian  
& Katie Norton, Assistant Programmer**

**Summer Reading Club** starts on July 5<sup>th</sup>! The theme this year is ALL TOGETHER NOW!!! I would like to welcome Katie Norton as she is our new Assistant Programmer at the library! She will be running SRC program this year!!! I am going to be here at the library but taking a break from clubs to get caught up on some well needed library programming planning for September. I will be facilitating the program that Katie has made for the last two weeks of July. Registration sheets are available at the library and on our website.

You can also track your child's reading through <https://bcsrc.ca/> Just quickly create an account for you and your child and start tracking your reading. Everyone is a winner, each person will get a small prize bag and the participant with the most reading will win one of the big prizes.

Those children that attend in person have the opportunity to win a prize every week!

Winning prizes for reading is as easy as that! Check out some of the amazing prizes!

**SRC-StoryTime** will be Tuesday mornings from 10:30 am - 11:30 am starting July 5th. Feel free to come in and grab a registration package for your littles!!! J For those of you who are unable to attend during this time, we will have take-out activity packages ready as well for this age group as well. Come in and see what Katie has planned. She is so excited to be here with us and all of you!!!

**SRC-Kids** will start on July 6th from 10:30 am - 12:00 pm. This group is for ages 5-8. Please make sure and register. For those of you who are unable to attend, we will have take out activity packages ready as well for this age group as well.

**SRC-Tween** will be on Thursday afternoons from 4:00 pm - 6:00 pm. This is for ages 9-12. This is a drop-in, come when you can group for the summer, but you do need to be registered. Try and make the first club so you can see what is in store for the summer, Katie has some amazing plans!!!

**SRC-Teen** will run Thursday from 5:00 pm - 7:00pm. This is a drop in group where the teens do a Book Bingo that runs for 7 weeks. There is a new card every week.

You read that right... the tweens and teens will both be in the library from 5:00 until 6:00! The library is closed at 5, so this time you are free to run amok! This will give our tweens that are moving up to Teen Club next year a good taste of the amazing times that are in store!

### **Children's Concert!**

Juno Award Nominee and children's musical performer, Mary Lambert, will be touring this summer in our area as part of our North Central and North East Library Federation Tour.

Mary Lambert, is a family singer, songwriter performer, author, and outstanding Canadian artist in the children's entertainment field. Her two Juno nominations and fifteen awards from the United States (Parents' Choice Award Winner, iParenting Award Winner, Preferred Choice Award Winner, Tillywig Best Family Fun Award, and Dr. Toy, Best Children's Vacation Product Award Winner) are a remarkable testimony to her talent and artistry. Her wonderful voice and colourful performances are filled with infectious music, sheer energy and lots of audience participation. Since 1993, Mary has toured and performed well over 3,500 shows at elementary schools, libraries, daycares, music festivals and family focused events throughout Canada. Mary Lambert Productions has released 11 solo CDs, and two live concert DVDs and two children's books.

Mary Lambert, will be presenting her SING OUT SUMMER FUN themed concert at the **Community Hall on July 8<sup>th</sup> at 10:00 am!** All are welcome to come and join in the

fun. This musical performance is geared for children of all ages and also adults who are kids at heart. Mary's concert will be filled with colourful costumes, props and lots of audience participation. Some audience members (who are willing), will join Mary on stage to become part of the show, but everyone attending will find themselves toe-tapping and singing along with some old favourite traditional tunes and also some new original Mary Lambert songs. During this musical adventure, kids will learn how to do the Black Fly Boogie, how to stop the rain and why they should always, always, take their umbrella to the beach. ### Nancy Smith, ILL Librarian & Bookkeeper

**Interlibrary Loans:** Have you heard about the BC One Card system? This system allows you to check out books with your local card from many libraries throughout BC. Check out books on vacation but unsure about how to return it? Or moved with books from our library? You can drop it off at any provincial, regional or municipal library in BC and they will send it back to us for free! Email your ILL requests to [ill.hhpl@pris.ca](mailto:ill.hhpl@pris.ca) with your requests or call (250)783-9414.

**Donations:** Your donations are being accepted again. We have an ongoing book sale for the next month. We will be starting a deletion in July to ready our shelves for more new books, so there are sure to be fresh deletions every week! We would like to thank the following for donating small donations over the past few year that we have noted:

Stephanie Hues – 2 Adult Paperbacks  
Diana Jewan – 3 books  
Bob Bach – 3 books  
Sarah Blake – 2 Adult Fiction  
Norton Family – 1 DVD, 5 Young Adult books, 1 Adult Non-Fiction  
Val Paice – 7 kids books

Tammy Krushelnicki – 8 books  
Councillor Parslow, FSJ – NEW Non-Fiction  
Arthur Austin Hadland -  
Rob Thomson – 6 Audiobooks  
Della Owens, Author – Going to Visit Kou-Kum

To stay up to date please like our Facebook page or watch local PSAs for more information.

## PROTECTIVE SERVICES

### SAFE BOATING

#### LICENSING AND REGISTRATION

A Canadian pleasure craft may be licensed or registered.

#### Pleasure Craft Licence

If you operate or keep your boat mostly in Canada, and it is powered by one or more motors adding up to 7.5 kW (10 hp) or more, you must get it licensed, unless you register it. You must also license dinghies or tenders you carry aboard or tow behind a larger boat. Licence numbers need to be displayed in contrasting color, as close to the bow as possible, on both sides of the vessel.

A pleasure craft license is a free document giving your boat a unique license number that is valid for 10 years. The Pleasure Craft Licensing System allows Search and Rescue personnel to access information about your boat 24 hours a day, seven days a week in the event of an emergency. This could mean the difference between life and death! If your boat does not need a pleasure craft license, you can choose to get one for safety reasons. Visit [http://www.tc.gc.ca/eng/marinesafety/debs-obs-paperwork-paperwork\\_boat\\_licence-3212.htm](http://www.tc.gc.ca/eng/marinesafety/debs-obs-paperwork-paperwork_boat_licence-3212.htm) , or call 1-800-267-6687 for more info.

**Failure to license your vessel, failure to have license on board, or allowing unlicensed vessel to be operated by another, may result in a fine of \$287.50 being issued.**

#### Proof of Competency

Going out on the water requires basic boating safety knowledge and a good understanding of the "rules of the road" for Canadian waterways. That's why everyone who operates a motorized pleasure craft must carry proof of competency on board. This includes all types of motorized boats, no matter their size or horsepower of the engine (this includes small boats with electric motors.)

What are the Accepted Forms of Proof of Competency?

Proof of competency can be any of the following:

- a Pleasure Craft Operator Card;
- proof of having passed a boating safety course in Canada before April 1, 1999;
- a specified marine certificate; or
- a completed rental boat safety checklist (good only for rental period).

**Operating a vessel without prescribed competency, failure to have proof of competency on board, or allowing a person without prescribed competency to operate vessel, may result in a fine of \$287.50 being issued.**

Boat operators must insure they comply with all safety requirements and have all required safety equipment. Non-compliance with Canada Shipping Act and Small Vessel Regulations may result in fines being issued to the operator. As always, impaired operation of a vessel is a Criminal Offence. Visit [www.tc.gc.ca](http://www.tc.gc.ca) for complete information on all requirements related to licensing and safety equipment.

Please boat responsibly.

# CARELESS RECYCLING CAN KILL

## THE PROBLEM

Putting explosive and hazardous materials in your packaging and paper recycling bin is dangerous and can have life-threatening implications. BC's major recycling collectors and processors saw an increase in fires in 2019, with several of them having endangered lives and forced the temporary closure of facilities. Hazardous waste like propane canisters, lithium-ion batteries included in cell phones and laptops, and other items can catch fire or explode during the recycling process, turning a regular household item into a deadly weapon. Please dispose of hazardous items properly.

## HAZARDOUS ITEMS

Hazardous items like these can cause serious harm to recycling staff and facilities. Ensure they don't end up in your recycling bin:

- Propane canisters
- Needles
- Flammable liquids
- Helium tanks
- Knives
- Cell phones and laptops (lithium-ion batteries)
- Butane canisters
- Bear spray
- Ammunition
- Flares
- Electronics
- Batteries for e-cigarettes
- Lighters and matches
- Household batteries
- Paint

## WHY IS THERE SUCH A RISK?

The risk for fires or explosions is especially high for material collection vehicles and receiving facilities due to the presence of significant amounts of paper. The combination of easily

flammable material, the type of machinery used, plenty of oxygen and large amounts of material sorted into piles where sparks can smolder for lengthy periods of time undetected makes the presence of hazardous material especially precarious.

## FIND A LOCATION TO RECYCLE OR DISPOSE SAFELY

Find a disposal location so problem items can be processed safely. Contact the Recycling Hot-line at [1-800-667-4321](tel:1-800-667-4321) or [604-4321-RECYCLE](tel:604-4321-RECYCLE) (604-732-9253) or click the BC Recycles button below to use the search tool (search: "pressurized cylinders", hazardous items', 'batteries', or 'paint' depending on the item you have)

**Don't fuel the danger. Help us prevent any further tragedies by keeping hazardous waste out of your curbside bin. Together, we can make a difference.**

*The Harwood Family* is most thankful to those who helped prepare and deliver the Celebration of Life for Lenore. Especially appreciated is the support of the Hudson's Hope Lions Club, Grad class of 2023, the Hudson's Hope town crews, Kelly Miller and Travous Quibell. To the people who provided support, sent condolences or attended the celebration we send our heartfelt thank you.

*Thank you*
