Summer Scavenger Hunt

In celebration of summer, Love HH is hosting a scavenger hunt. Get photo evidence of you completing the activities listed below between July 12th and August 12th for a chance to win some great prizes! Submit your photo evidence in person at the HH Visitor Centre, or via email to office2@hudsonshope.ca.

Lots of prizes to be won!

Complete the following:

- Eat ice cream @ HH Tempo (Marg's)
- Hang out at your favorite campground
- Take a photo of an animal at the museum
- Go to your favorite HH business
- Visit the farmers market
- Find something amazing at the thrift store
- Jump off the diving board at the Pool
- Enjoy a meal on a deck of a local restaurant

FWCP
Fish & Wildlife
COMPENSATION PROGRAM

Apply now: grants available for fish & wildlife projects

We want grant applications for projects that align with our priorities to help conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.

Key dates:

- Peace Region grant applicants must submit a Notice of Intent by Friday, Sept. 9
- Grant applications are due Friday, Oct. 28

Join us online:

- Notice of Intent info session: Wednesday, Aug. 24, 9 a.m. PT / 10 a.m. MT
- Grant info session: Tuesday, Oct. 4, 1 p.m. PT / 2 p.m. MT
- Register at fwcp.ca/events

This year we approved approximately \$1.4 million for 25 projects in our Peace Region, which are being delivered by First Nations, consultants, agencies, stewardship groups, and others.

fwcp.ca

The Fish & Wildlife Compensation Program is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations, and public stakeholders to conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.

PLAYGROUND OF THE PEACE

Police Report: June/July 2022

Hudson's Hope RCMP responded to 43 calls for service between June 17th to July 18th, 2022. 38 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP, along with the recent spike in property crime.

Please make note of the numerous construction sites along Hwy 29, between Hudson's Hope and Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

Also, we would like to remind drivers to please be patient when it comes to the traffic halts and one-way traffic flows along Hwy 29. We are aware that these can be frustrating at times but please do not take your frustrations out on the flaggers and workers...tantrums do not work! Speaking of tantrums, if anyone observed a dark coloured VW type car at the Farrell Creek construction site on July 17th, in which the driver exited their vehicle and began to throw traffic cones around and yell at the flagger, and happen to have a plate number or dash cam/video footage, please let us know!

On June 22nd, the Hudson's Hope RCMP received a report of an Interac E-transfer fraud in which an individual responded to a Facebook page for some livestock for sale. Based on the mutual agreement, monies were transferred to the seller via E-transfer but upon trying to arrange pick-up of the paid for livestock, the seller no longer responded and evaded the buyer. Upon investigation, it was found that this seller had several other similar fraudulent posts for livestock for sale on other social media pages. This file remains open for further investigation.

On June 26th, the Hudson's Hope RCMP received a report of a break and enter that had occurred at a work site along Farrell Creek Rd. It was reported that someone(s) had pried the door open of a storage building and stole approximately 2000L of fuel, 30 pairs of protective glasses, 3 Kenwood handheld VHF radios, assorted tools including a Stihl culvert saw, and spill gear.

On June 26th, the Hudson's Hope RCMP received a report for a suspicious person wearing a hooded black sweater who was observed trespassing at a work site and whom was believed to be scoping out a beached pontoon boat located at this work site. Police attended the area but found that the suspect had vacated the area prior to police arrival.

On July 2nd, the Hudson's Hope RCMP received a report of gun shots coming from the area at the end of Drew Rd. It was reported that approximately 25+ guns shots had been heard over a short period of time and that these shots were frightening the cattle and livestock nearby. It was advised that this has been an on-going problematic issue for the nearby residents. File remains open for continual investigation and monitoring.

On July 7th, the Hudson's Hope RCMP received a report of a theft of approximately 5000L of fuel from the Lynx Creek construction site. It was reported that sometime during the night,

someone(s) trespassed into the work site and helped themselves to the fuel which was being held in two large fuel tanks. File remains open for investigation.

On July 12th, the Hudson's Hope RCMP received a report of a theft of a skidsteer and a break and enter/theft from a storage container located at a work site along the Peace Canyon Rd. Upon attending the site, police were able to follow fresh tracks through the bush and located the stolen skidsteer which had been stashed in the bush. Items stolen from the storage container included a Stihl chainsaw, Stihl cut-off saw, and a Dewalt shop-vac. File remains open for further investigation.

On July 14th, the Hudson's Hope RCMP received a report of a break and enter to the Dawson Road Maintenance yard in which someone(s) attempted but were unsuccessful in stealing a Ford F350 truck. File remains open for further investigation.

On July 16th, the Hudson's Hope RCMP received a report of a break and enter/theft from the District of Hudson's Hope works yard. It was reported that someone(s) had cut the lock off the gate and stole several jerry cans, a tidy tank, several litres of fuel, and a 2010 Chevrolet Silverado truck. Upon investigation of the site, it was also found that a fire department trailer had also been broken into and several more jerry cans and a water pump had been stolen. These being items that assist and aid the local fire department in responding to and dealing with fires in our local area.

On July 18th, the Hudson's Hope RCMP received a report of a break and enter/theft from a property in the 19000 block of Hwy 29. It was reported that sometime within the past week, someone(s) had stolen the actual locked gate to the property, allowing them access to the property where several tools including an oxygen/acetylene torch set were stolen.

As you may have noticed from the above read, property crime has spiked yet again in our local community. These are all incidents that effect everyone who resides in our local area and can impact property owners both financially and mentally in a very negative manner. The RCMP wants to advise the public of the above events and advises to conduct checks throughout your properties occasionally to check for security of your property and possessions and also to make sure gates, doors, vehicles, etc are locked when not in use. Also, the use of cameras and or trail cams can be a big asset when it comes to incidents like this, for both the property owner and for the police.

If anyone observes any suspicious persons or vehicles in the area, please contact the local RCMP immediately. We do not recommend attempting to approach or deal with persons observed trespassing on your own, however, if one can obtain a person's description or a vehicle make/model and licence plate, these are all important pieces of evidence that can assist in identifying and arresting those responsible.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- construct a new home;
- locate mobile / modular home;
- construct a commercial, industrial or public use building;
- construct a new accessory building e.g., carport, farm building, garage or storage shed;
- renovate existing buildings;
- undertake any structural work such as interior partitions;
- enclose a porch or roof over a sundeck;
- move or demolish a building;
- re-roof a building;
- reconstruct after damage;
- plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

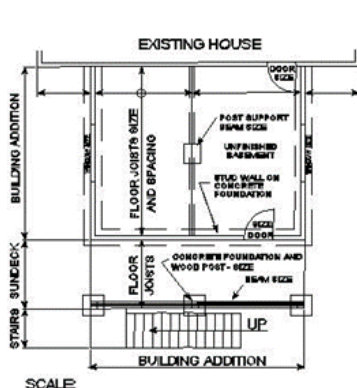

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

- scale not less than 1:50 metric (1/4 inch to 1 foot);
- size and location of windows and doors;
- location of all plumbing fixtures;
- location of all mechanical equipment.
- all rooms, size and use of each;
- all dimensions;
- finished and unfinished areas; —

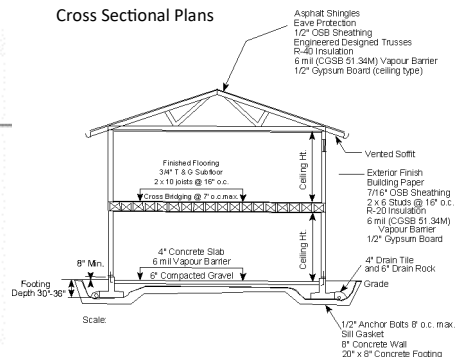

The Bulletin

12

Cross Sectional Plans

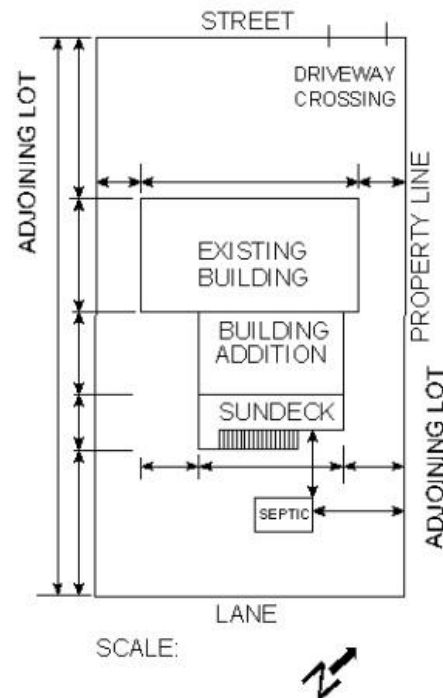

August 2022

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

Summer seems to be rolling along rather quickly and making the most of the summer can mean planning an extravagant vacation or it could mean re-discovering your local area – falling in love with the countryside all over again. If your vacation does happen to fall in the month of August, make sure to stop by our Visitor Centre to pick up any needed travel guides. We are stocked with adventure guides, camping booklets and various maps. Our staff is more than happy to help ensure you make the best of your trip.

Things have been pleasantly busy this year. Visitors from all parts of the world have made a point of dropping in to explore our unique little town. A gentleman even travelled from Vancouver via bike. He's continuing north but stopped to enjoy our flowers. This job provides our staff with a wonderful opportunity to connect with various kinds of people in all points of their adventures.

Enjoy the summer. Relax by the lakeside or challenge yourself to a local hike. Whichever Hudson's Hope activity you choose, we're thankful to be part of the journey. If nothing else, we welcome you to come in for a friendly hello from us at the Visitor Centre!

That Dam Run 2022

Learn how we're powered by water **Visit the W.A.C. Bennett Dam**

Open seven days a week, from 10 a.m. to 5 p.m. each day through the summer.

Learn about how B.C. is powered by water. You'll enjoy our interactive exhibits, watch our short films, learn about the Indigenous communities in the area and take in an amazing view of the W.A.C. Bennett Dam.

This year, we'll offer guided bus tours across the dam or walking tours of our outdoor exhibits.

Visit bchydro.com/bennett for more details, including admission charges and our safety protocol

DISTRICT OF HUDSON'S HOPE
Permissive Property
Tax Exemptions

Permissive Property Tax Exemptions

The District of Hudson's Hope is now accepting applications for permissive property tax exemptions in accordance with section 224 of the *Community Charter* and which will be in effect for the for the taxation years 2021-2029. Bylaw No. 908, 2019 will be amended to add any new organizations that may qualify, eg charitable, philanthropic, or other not for profit groups, and **organizations that are listed in the current Bylaw remain exempt from taxation until the term of the current Bylaw expires in 2029.**

The closing date for applications is Friday, August 26, 2022 at 4:30 pm. Please contact Jeanette McDougall, Corporate Officer at 778-715-3939 for an application or further information.

Hudson's Bay Store (Circa 1939) "Now our Museum"

The journey back in
time continues.

Welcome to the Hudson's Hope Museum

"Garbitt"

It was 1888 when a young Scotsman from Aberdeen by the name of "Harry Garbitt" came to Canada. While in Edmonton he was hired on to move horses North, passing through Fort St. John in 1895 and continuing north. In Fort Nelson they purchased dogs and continued North for a ways. Harry & his partner, Cayuse Graham stayed with the Indians for the next 2 winters: trapping and learning the "wilds".

They then headed west, crossing the Rockies to the Finlay River then on down the Finlay & Peace Rivers past Hudson's Hope. Harry went to work for the Hudson's Bay Company in Al-

Harry & Martha Garbitt with grandchildren

berta before returning to work for Revillion Freres in Fort St. John in 1910. Then onto Hudson's Hope with the Hudson's Bay Company in 1912 where he took up quarter section of land, freighting & trapping for several years. He then moved on to Moberly Lake where he married Martha Desjarlais. Martha was a baby when she came to Moberly Lake with her family. A member of the Sauteau Tribe. They went on to have 3 children: Pat, MaryAnn, and Gertrude.

Harry opened a little trading post at Moberly Lake and administered to the Indians. He was their doctor, advisor, and settler of disputes.

When mail service was inaugurated between Hudson's Hope and Moberly Lake Harry was the mail carrier. Either by pack-horse or team & sleigh or wagon. When automobiles came along Harry retired from carrying the mail.

Harry remained at Moberly Lake enjoying life to the end at a ripe old age.

A Special Thank you to Donna for taking care of the
Museum's flowers. You have them looking beautiful. We appreciate your hard work!

Thank you to the District Groundskeepers for keeping
the Museum grounds looking fabulous.

**** Reminder**** Hudson's Hope Historical Society Memberships for 2022 are due. Memberships are \$ 20.00 single, \$ 40.00 family. With each membership you receive 10% off gift store purchases.

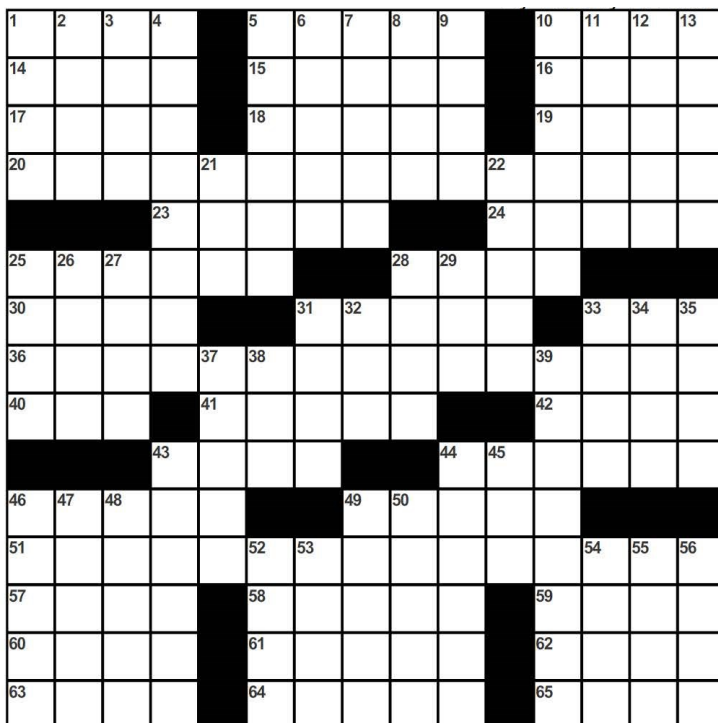

Hudson's Hope Historical Society **Annual General Meeting**

Amber Norton, Library Director

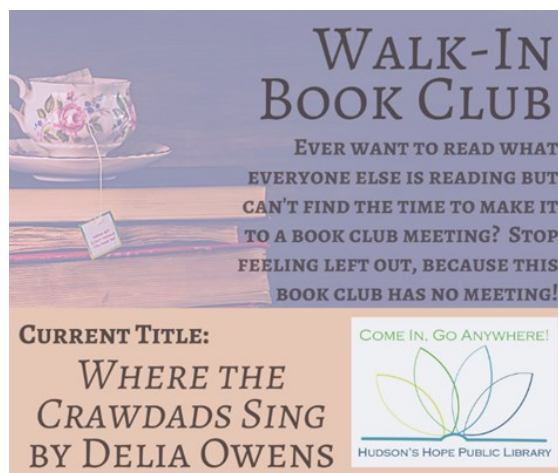

Walk-In Book Club: Due to popularity and Shellie's recommendation in the reader's advisory below, we have extended *Where the Crawdads Sing* by Delia Owens for another loan period! Come on down and pick up your copy today!

Library Layout Project: During the last two weeks of August, we will be updating our library layout! We are hoping to keep the library open for the duration of the project, but, may have some short term library closures and/or section closures. We hope to post updates on Facebook and PSA when there are closures pending. It will be a very busy period of time, so please accept our apologies if there is a closure that we neglected to advertise. The update will start on August 19th. At that time, we do know that the adult non-fiction section will have to be boxed up for approximately a week, in order to accommodate the Tetris-like moving of all of the library sections. All sections and office areas will be relocated with the exception of the majority of the collections in the Children's Library. are so excited to share our new space with you all! Don't hesitate to ask me to see the project plan draft if your curiosity is driving you mad and you can't wait to see it in person! We hope to have the project finished before the Labour Day long weekend but may need to extend the work in to the first week of September if our vendor orders are delayed or we run behind schedule.

Book Club Sets: Once again, I have completed the process of engaging a committee of members across four federations of libraries from all over BC. We have collectively chosen 29 new titles for our book club set collection. New titles will start to arrive in the near future and most will be ready for circulation after Labour day! **New title list in ILL section!**

Walking Book Club: Thanks so much for those who participated in the Walking Book Club for Participation in June. We are going to be continuing this club in August, but we are not posting the chosen book titles until our brand new book club sets start to arrive! Yes! You will be the first to get your hands on some exciting new reads!

Provincial Grant: This spring we were awarded a provincial grant for \$26797.75 from the BC Government. This grant is for COVID-19 relief and recovery as well as emergency preparedness. With these funds we are allocating a portion to supplement our employees with addition hours for updating emergency policies and to do the work required of this project plan, as well as the expenses that the library layout project will incur. Additional funds will be used to update our staff computers, transitioning our work stations to laptop with desktop docking capability to make any work-from-home transitioning much more seamless.

Book Sale: Our ongoing book sale will go until August 13th, at which time it will take a break until after the layout project is complete. We will take the week prior to the project start date to recycle or donate those books that have been around for quite a while. Those items that have been donated or deleted from July onward, will be maintained and back on sale after the layout update is complete. Our sale section will be reduced to a much smaller section.

Library Programs: We require that all children and youth attending our programs be pre-registered, with the exception of teens which are self-registered. Please pay attention to PSAs and our Facebook page for program updates, if any changes or cancellations need to be made, we will announce them on those platforms.

Katie Norton, Assistant Programmer

Summer Reading Club has started off superbly!! In June, myself and Shellie were able to run 4 weeks of amazing clubs with this year's theme, *All Together Now*. We have seen weekly themes like Community Connections, Dream Team, and the Great Outdoors, all of which were tons of fun! There's still 3 weeks of clubs left in August so come down to the library for crafts, games, prizes, and more!!

SRC –Story Time is Tuesday mornings from 10:30-11:30. This club is for children ages 0-4 and their excited parent or guardian, who are both ready and excited for fun crafts and games! Come by for tons of fun, or pick up a Take Away Package and bring the fun home. Register today!!

SRC – Kids is on Wednesday mornings from 10:30-12:00 for kids ages 5-8. I have so many different activities planned for this group and I can't wait for everyone to enjoy them! Stop by the library during club time or pick up a Take Away Package. Make sure to register and join the fun!!

SRC – Tween is on Thursdays from 4:00-6:00 pm for ages 9-12. This group has a much more relaxed schedule, so make sure to pop by and see what we are doing each week. There is a weekly bingo and a "bad book bingo" challenge where both the Teens and Tweens will be competing to see who can reach bingo blackout first. Happy reading and don't forget to register!

SRC – Teens is Thursday from 5:00-7:00 pm for ages 13-18. Stop by and play bingo, watch a movie, play board games, or even just chillax. Each week there will be a new bingo board challenge to complete as well as the ongoing "bad book bingo" challenge. Register today!

Shellie Howard, Children & Youth Program Librarian

Since I have had a little extra time this summer, I wanted to talk a little bit about some of our Walk-
August 2022

In Book Club books we have promoted this summer. They are all repeats but all such amazing reads that we wanted to give you a second chance!

I have to start with *Where the Crawdads Sing* by Delia Owens!!! I could not put this book down. It has been out for quite some time, but with the movie out on July 22, 2022, I thought I would give it a go. Am I glad I did. I have heard people say how good the book was and, until I seen the movie preview, I never thought much of it other then it being a book on my books I want to read list. LOL. Anyways this book takes place in the North Carolina's and is about a young girl growing up in the swamps back in the 1950s and '60s. It is a romance & murder mystery all in one. A definite good read. We do have this book at the library available in the book club sets until August 19th so come and grab your copy today and start reading, I promise you won't be disappointed!!!

The other Walk-In Book Club book that we have available right now, is *Manhattan Beach* by Jennifer Egan. I have been excited to read this one ever since we added it to the book club set collection! I just started this book, and so far I am quite liking it. This book takes place in Brooklyn NY during the great depression. The main character's name is Anna, she works at the Brooklyn Naval Yard as the first female diver, not a position held by women. A very interesting read.

What I am most excited to tell you all about is in the fall we will have *The Tattooist of Auschwitz*, *Cilka's Journey* and *Three Sisters* all by Heather Morris, and all available in the book club sets for the Walk-In Book Club!!! That means if you haven't read them, here is your chance. They will be available from October 7th until November 18th, but if you can't wait that long, they are all available in our regular collection! I have read the first two books and I can't wait to reread them and refresh the story before I get to jump into book 3!!! All you need is your library card and you can come on in and ask us about any of our walk in book club titles that we have available. You could also check out our book club set list online <https://hudsonshope.bc.libraries.coop/explore/adult-book-club-books/> and see if there is a book you want to read and we can add it to the walk-in list when it is available for us to borrow. So many options at our library, so if there is a book you think is amazing let us know, we can always order copies in if we don't have them. Anyways, stay tuned to the bulletin or pop on in to the library you never know what we will be reading!!! 😊

Nancy Smith, ILL Librarian & Bookkeeper

Book Club Sets: Did you know that Nancy is primarily responsible for circulating the book club sets to our four participating federations all across BC? Every summer she is hard at work to delete old book club sets and cataloguing the new ones! It is a long process with very big impacts! Have or want to start a local book club? Just reach out to Nancy to choose from the available book club set collection or to have her bring in a bunch of the same title from libraries all across BC! Email your ILL requests to ill.hhpl@pris.ca with your requests or call (250)783-9414.

New Book Club Set Titles!

Atlas of the Heart by Brene Brown
Circus Train, The by Amita Parikh
Cloud Cuckoo Land by Anthony Doerr
Cold by Mariko Tamaki
Concrete Rose by Angie Thomas

Daughters of the Deer by Danielle Daniel
Diamond Eye, The by Kate Quinn
French Braid by Anne Tyler
Good Son ,The by Jaquelyn Mitchard
Harlem Shuffle by Colson Whitehead

How High We Go in the Dark by Sequoia Nagamastu
 Last Beekeeper, The by Siya Turabi
 Lessons in Chemistry by Bonnie Garmus
 Lincoln Highway by Amor Towles
 Looking for Jane by Heather Marshall
 Me Three by Susan Juby
 Oh, William! by Elizabeth Strout
 Once There Were Wolves by Charlotte McConaghy
 Our Missing Hearts by Celest Ng

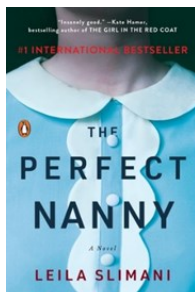

Razorblade Tears by S. A. Cosby
 Remarkably Bright Creatures by Shelby Van Pelt
 Run Towards the Danger by Sarah Polley
 Sea of Tranquility by Emily St. John Mandel
 Strangers by Katherena Vermette
 These Precious Days by Ann Patchett
 This Time Tomorrow by Emma Straub
 Unlikely Animals by Annie Hartnett
 Violeta by Isabel Allende
 Yearbook by Seth Rogen

Donations: Your donations are being accepted again. We have an ongoing book sale until the end of the third week of August. We will be continuing a deletion in August to ready our shelves for more new books, so there are sure to be fresh deletions for the first two weeks of August! We would like to thank the following for donating used books this past month:

Donna Curzon – 6 boxes of books
 Merv Goodwin – 21 assorted books

Lorna Winnicky – 2 boxes of books
 Anonymous – 36 adult books

Walk-In Book Club Titles

“I wasn’t aware that words could hold so much. I didn’t know a sentence could be so full.”

— Delia Owens
Where the Crawdads Sing
 Available until August 19th

“She’d never been good at banter; it was like a skipping rope whose rhythm she couldn’t master enough to jump in with confidence.”

— Jennifer Egan
Manhattan Beach
 Available July 15 – Aug 5ish

PROTECTIVE SERVICES

Tips to Stay Safe While Boating

With the four tips below, individuals who are boating can stay safe and ensure that each experience out on the water is rewarding and free of potential emergencies.

1. The importance of lifejackets: The most essential thing that individuals need when they're out on the water is a lifejacket or personal flotation device (PFD), as this can substantially reduce the potential for drowning or other dangerous aquatic incidents.

2. Avoid alcohol: According to the Canadian Red Cross, 37 per cent of boaters in Canada consume alcohol each time they are on the water, while alcohol has been linked as a factor in more than 40 percent of deaths in recreational boating incidents. Beer, liquor and wine can negatively impact a boater's judgment and make him or her less likely to maintain control of core motor functions compared to individuals who do not drink on the water, which underscores the importance of being sober while boating.

3. Pay attention to weather conditions: While weather conditions may not seem as essential as wearing a lifejacket or PFD, understanding what the climate and forecast will be like during an upcoming boating experience can be crucial for staying safe while aboard a vessel.

4. Bringing safety gear on board: From marine first aid kits to sunscreen, drinking water, flashlights, sound signaling devices and manual propelling devices, there are a variety of safety devices that should be brought on a boat in order to reduce the likelihood of emergencies.

In addition to these helpful tips, you can also learn more about the benefits of water safety at www.redcross.ca

To the Public Works staff

Despite my outspoken and written complaints to the Mayor, Council, District Management and Public Works staff, regarding the dismal state of affairs surrounding our water treatment plant and the smell of the air emitting from there and the poor quality of the water delivered to our homes, I would like to emphatically state that I appreciate each and everyone of you who are working diligently on our community's behalf to see this calamity rectified. My beef is not with you but rather with BC Hydro and past and present Provincial governments.

Thank you Keith, Darren and Johnnie and all the others that I do not know by name, for the hours you are spending trying to get us back to good water. I see your vehicles there long after quitting time and on weekends and appreciate that you are there working rather than at leisure with your friends and family. I truly appreciate it.

Sincerely,
Nedra Forrester

THANK YOU!
