Police Report: July/August 2022

Hudson's Hope RCMP responded to 36 calls for service between July 18th to August 16th, 2022. 45 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

Please make note of the numerous construction sites along Hwy 29, between Hudson's Hope and Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

On July 19th, the Hudson's Hope RCMP responded to a report of a single commercial vehicle accident along the Farrell Creek Rd. Police attended scene with Fire and BCEHS and found that a commercial truck and trailer had driven off the main road into the side ditch. The driver of the truck incurred non-life threatening injuries and was transported to hospital. The cause of the accident is still under investigation but vehicle malfunction is believed to be a factor in the accident.

On July 28th, the Hudson's Hope RCMP received a report of a missing person from a residence along the Farrell Creek Rd. The circumstances surrounding the missing person was deemed abnormal but with the assistance of Search & Rescue utilizing a helicopter, RCMP, and the family, the missing person was later located and in good health.

On July 30th, the Hudson's Hope RCMP stopped a motorist along Hwy 29 after it was found to be travelling at a rate of speed that was 55km/hr over the posted speed limit. The driver received an Excessive Speed charge with a fine of \$368.00 with the vehicle being towed and impounded for 7 days.

On August 1st, the Hudson's Hope RCMP joined forces with local Conservation Officers to conduct a check-stop along Canyon Drive. From the check-stop, approximately 225 vehicles were stopped with several offences found that included the seizure of approximately 10 illegally possessed fish from nearby water sources. Several violation tickets were issued to drivers for various offences that included Motor Vehicle Act and Wildlife Act infractions.

On August 7th, the Hudson's Hope RCMP received a report of a loose dog at a local business which was observed barking and growling at people passing by. Police arrived on scene and observed the large dog barking and growling at persons walking in and out of the business. While trying to get the canine to vacate the area, the RCMP member was bitten by this dog. Local Animal control was contacted and bylaw tickets were issued to the owner. This is a reminder that as per the Hudson's Hope Bylaws, all dogs must be on leash and controlled when out in public areas.

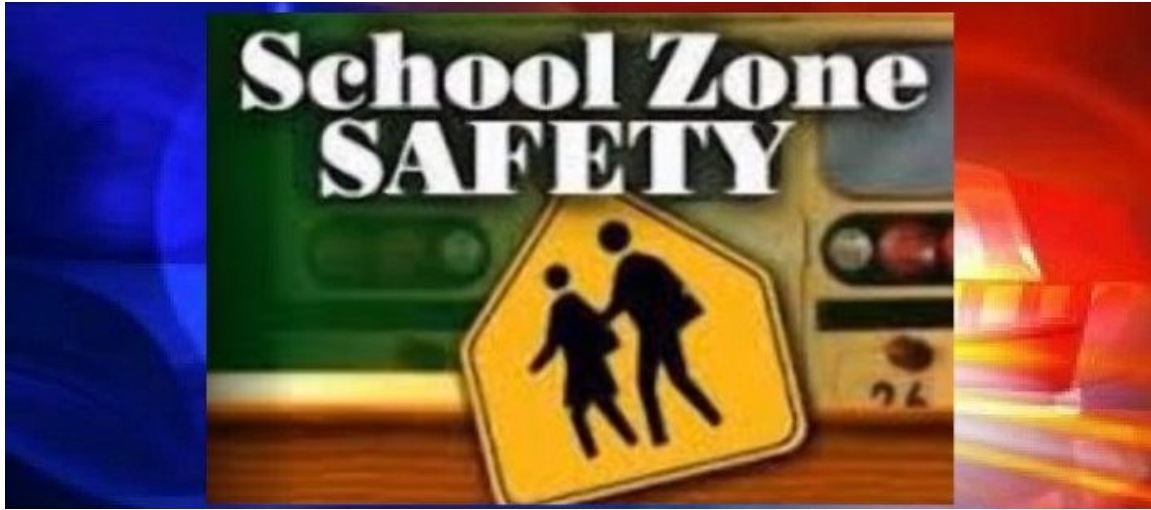

On August 9th, the Hudson's Hope RCMP stopped a motorist along Hwy 29 after it was observed travelling at a rate of speed that was 50km/hr over the posted speed limit through a construction zone. The driver received an Excessive Speed charge with a fine of \$368.00 with the vehicle being towed and impounded for 7 days.

On August 16th, the Hudson's Hope RCMP received a report of a missing/abandoned person along the Kobes Creek Forestry Rd. It was reported that a non-local tree planter had gotten left behind by crews at the end of the day and had no means of communication minus being able to utilize the emergency 911 function on their cell phone. Police were later updated that the company realized that they were short a crew member and returned to their staging area and located the frightened and lone individual.

It is that time of the year again in which the furry *Ursus Americanus* (bears) critters start to venture closer to town in search of the abundant fruit trees and wild Saskatoon berries that grow all over our town. As a reminder, if you have fruit trees and berry bushes on your property, it is advised to try and pick them as soon as possible so not to present an appetizing meal that will attract these furry and often grumpy critters. That said, if you observe a bear on your property, DO NOT approach or try and take a selfie with said wild and unpredictable animal (no matter how cute and cuddly you believe it to be!). If the bear is not leaving or is encroaching too close to your residence, contact the local RCMP or Conservation and they can deal with the bear accordingly.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

SCHOOL ZONE SAFETY

As the new school year begins, motorists are asked to be aware of children walking to and from school during the day. Please adhere to the school and playground speed limits from 8 am - 5 pm on regular school days. Give yourself time to totally clear all your vehicle windows of frost and dew so that you can safely reach your destination. Violators could face fines such as:

Speed in School/playground zone

- Exceeded by less than 21km/hr: **\$196 / 3 pts**
- Exceeded by more than 21km/hr: **\$253 / 3 pts**
 - Fail to stop for school bus: **\$368 / 3 pts**
- Fail to Yield to Pedestrian (crosswalk): **\$167 / 3pts**
- Windshield or window that impairs driver vision: **\$81**

Thank you; Hudson's Hope RCMP

Another fabulous season has come and gone here at the Visitor Centre. The past few weeks have been spent greeting travellers that are finally beginning their journey home. Many visitors express that Hudson's Hope is a destination worth returning to. We're more than happy to welcome newcomers and recurring visitors alike.

Our students will be returning to classes in the fall. Cassidy will be starting another year of university. It has now been several seasons that I've had the pleasure of working with Cassidy. She always brings smiles and laughter into the workplace and is a fantastic represent of Hudson's Hope.

Trinity had only worked with us for the end of the season but we are more than grateful to have her join our team again. Both employees are dedicated to creating a friendly and memorable experience for travellers. I would like to give my thanks as they have continued to go above and beyond.

I would also like to thank any additional help we've received throughout the season. It is through our tight-knit community that any of this is possible.

Thank you to the District of Hudson's Hope for all of your guidance and support. I am part of such a hardworking team – and for that, I'm thankful. This continues to be a rewarding experience focused on teamwork, leadership and network building.

Finally, I would like to thank everyone who took the time to stop in during our season. Thank you for sharing your journey with us and building connections that extend worldwide. Thank you to the locals that drop in and remind me to stay grateful to our beautiful peace region.

In September, we will have closed our doors for the season. It has been another wonderful summer and we look forward to seeing you all again next year.

Best,
Cassidy, Trinity, and Celina

River of the Peace Metis Society COMMUNITY REPORT Spring/Summer 2022

River of the Peace Metis Society have been busy the past couple of months with Site C meetings which are now being held in person as well as zoom meetings.

A longhouse gazebo structure is being built on the school grounds to highlight all Treaty 8 groups, especially the Metis in our community. This is thanks to funding from BC Hydro. Very exciting to be able to showcase our indigenous communities and have a dedicated place for ceremonies. We have four beautiful carved poles done by master carver, Curtis Dickie of Fort Nelson, whom we have invited to drum for our opening ceremony.

We hosted a drum making class for the Hudson's Hope School for the students in Social Studies First Nations. We had ten students and the teacher attend and Casey Horseman of Horse Lake First Nations in Alberta came and taught them. Not only were drums made but the history and uses of the drum was also taught. The students had an excellent time and took pride in making their own drums.

We are offering reflexology sessions once a month to members and the community. Brandy MacDonald of Blue Moon Yoga has offered to travel here once a month to offer this to our community.

For dates, cost and to book a session, call Brandy at 250-262-6798.

Congratulations to Shona Nelson from Doig River First Nations. She was the lucky winner of the Bedford digger raffle which was drawn at the Peace

Valley Folk Festival.

On June 14, 2022 we hosted a luncheon for delegates from MNBC head office in Surrey. From left to right: Paulette Flammond (Minister of Skills & Training and Region 7 director); Val Paice (President River of the Peace Metis Society); Darren Brightman (Manager of Social Infrastructure Development); Debra Fisher (Minister of Children & Families & Education); and Ken Bourdeau (Housing Department). MNBC has purchased four lots in Lucas Subdivision for members to purchase, which have been spoken for.

Our drum making session was so successful for the students that we held a session for members. We all learned a lot and made beautiful drums, some which were taken home and painted. Some will be for sale in our office.

Our gift shop has new items coming in all the time. We are open Tuesday, Thursday, Friday and Saturday from 1 pm to 3pm. Stop by and check out our unique gifts.

Respectfully, Valerie Paice, President

Amber Norton, Library Director

Walk-In Book Club: Our August book club title is “Circus Train” by Amita Parikh. This title will be available for two more weeks, so get it quick if you would like to read it. “The Circus Train will take readers on a heart-wrenching and spectacular two-decade journey across Europe. When all is lost, how do you find the courage to keep moving forward?”

Our September title, “This Time Tomorrow” by Emma Straub, is about Alice, who wakes to find “herself back in 1996, reliving her 16th birthday. But it isn't just her adolescent body that shocks her, or seeing her high school crush, it's her dad: the vital, charming, 40-something version of her father with whom she is reunited. Now armed with a new perspective on her own life and his, some past events take on new meaning. Is there anything that she would change if she could?”

Library Layout Project: During the last two weeks of August, we started updating our library layout! There are a few outstanding portions of the project yet to complete. I am writing this before we even start the project! So if all goes to plan, by the time this Bulletin is in print, we should be done all of the layout shifts! All sections and office areas have been relocated. In the end, that even included a section shuffle within the children’s library, so the little ones do not feel left out of the layout changes.

We are so excited to share our new space with you all! We already know that we need to extend the work in to the first and possibly second week of September, as our office partition vendor order is due to arrive by September 8th. This portion of the work should not impact availability of our collections.

As this is being written, we are still making plans for further spending in accordance with our annual capital budget, which may include a new printer, programming tables and an additional amount of funds set aside specifically for this layout project.

Provincial Grant: As mentioned in last month’s Bulletin, we were awarded a provincial grant for \$26797.75 from the Ministry of Municipal Affairs. This grant is for COVID-19 relief and recovery as well as emergency preparedness. We allocated approximately \$18,500 for the layout project, including the partitions, extra staff hours to carry-out the project, as well as additional furniture and shelving upgrades. A further \$4400 has been used for updating two of our staff computers to laptops with docking stations, and the final \$3900 will supplement our staff wages through 2023 to support emergency planning and preparedness policy updates.

Library Programs: We require that all children and youth attending our programs be pre-registered, with the exception of teens who may self-register. Please pay attention to PSAs and our Facebook page for program updates, if any changes or cancellations need to be made, we will announce them on those platforms.

Katie Norton, Assistant Programmer

Summer Reading Club 2022 has officially come to an end and it was a total blast!! Over the seven weeks of my program, so many different kids were able to show up and we all had a great time reading, laughing, crafting, and so much more!

Across the four different age groups, we had quite a few winners of many different fantastic prizes. These consistent club goers have either conquered their club group by reaching the most reading goals or by attending the most club meetings. Congratulations to Zelda, Rinoa, Ethan, Carolie, Sam, and Cole!!! Great job guys!! 😊

It has been a lovely summer working at the library and having the pleasure to run this years Summer Reading Club, but now I must say my goodbyes. I am leaving behind both SRC and Hudson's Hope as the summer comes to an end. I am looking forward to my possible return to Summer Reading Club next year. I bid you all farewell and happy reading!!

Shellie Howard, Children & Youth Program Librarian

I hope everyone has been enjoying their summer!!! I know it is going by way to fast for me. Due to our rearranging the library, library clubs won't be starting until the third week of September. I am so excited for the layout change, I hope you all come in and see how it looks. Can't wait!!! J

I would also like to give a huge shout out to Katie Norton, she ran the SRC program this summer and did a fantastic job!!! I have enjoyed working with Katie very much, she is GREAT and I will miss her when she is away at University. Thanks again Katie J

StoryTime Tuesdays @ 10:30-11:30 am Preschoolers & caregivers, babies and toddlers welcome.

September 20th we will be making some Giraffe Crafts!!! Of course that means we will have a couple of stories about Giraffes.

September 27th we will be making some snails!!! This is a super fun craft and so cute. We will have a couple of stories and then some free time for your littles.

Most of our toys are out again for stay and play!!! Yeah!!! Come in with your littles bring your coffee or tea with you and let your littles play & craft. We will also have coffee or tea available for you as well. Some hands on help required with some of the crafts.

Library Club Wednesdays @ 3:30-4:30 pm ages 5-8

September 21st we are making a moveable air balloons all done with paper. September 28th is under water world. This craft is so cool; I can not wait! So don't miss out on this day!!!

Tween Club Tuesdays @ 3:15-4:45pm ages 9-12

September 20th is our first day back and we are starting with Game Day!!! We even have some awesome prizes. So if you are a tween, come join us for all the new adventures that tween club has to offer. September 27th is minute to win it, bring your friends and make some teams and let's see how many games we can get thru!!!

Teen Drop-In Thursdays @ 5:00-7:00 pm ages 13-18

September 22nd, as always, we kick off teen night with games and seeing what everyone has been up too. Teen Drop-In is for teens to come and hang out. We have crafts available, painting, drawing, games, gaming, movies, juice, teas, lattes and hot chocolate available. Snacks/food are always welcome if your teen wants to bring some along. Every second month, starting with October 6th, is our late night, we go from 5-8. The next late night will be December 1st. We have a teen book club starting October 6th for teens that want to read, this is not mandatory...its only if you want to read a book and discuss it, there is also the option of reading on book out loud with the group a couple chapters at a time. These suggested themes will be discussions that we will partake in on our first few teen drop-in nights so that teens have more say in the type of program that they want to belong to.

Nancy Smith, ILL Librarian & Bookkeeper

Book Club Sets: Almost all of the new book club sets have been catalogued and are ready to circulate, while all of the deleted sets have been redistributed to their new homes throughout the province. Reach out to Nancy to choose from the available book club set collection or to have her bring in a number of the same title from libraries all across BC! Email your ILL requests to ill.hhpl@pris.ca with your requests or call (250)783-9414.

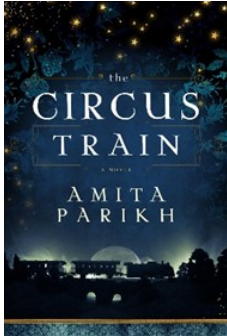

Donations: Your donations are being accepted again. We have an ongoing book sale which is by donation. Due to the reduced amount of books for sale that we will have on hand from now on, we will be implementing a continuous method for deletions, so each month there will be a fresh selection of deleted titles.

We would like express our thanks for donating used books this past month:

HUDSON'S HOPE PUBLIC LIBRARY

Homeowner Information to Building Permits

The District of Hudson's Hope wants to assist homeowners and contractors to avoid unnecessary delays and expense in planning and construction of residential projects. Below explains when permits are required, requirements for the permit, possible other documents that may be required and other information to assist you in obtaining your building permit. Additional information is available at the District Office or online at www.hudsonshope.ca

A BUILDING PERMIT IS REQUIRED TO:

- ↳ construct a new home;
- ↳ locate mobile / modular home;
- ↳ construct a commercial, industrial or public use building;
- ↳ construct a new accessory building e.g., carport, farm building, garage or storage shed;
- ↳ renovate existing buildings;
- ↳ undertake any structural work such as interior partitions;
- ↳ enclose a porch or roof over a sundeck;
- ↳ move or demolish a building;
- ↳ re-roof a building;
- ↳ reconstruct after damage;
- ↳ plumbing system changes;

INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

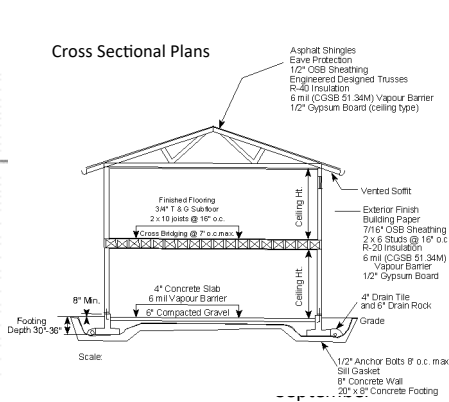

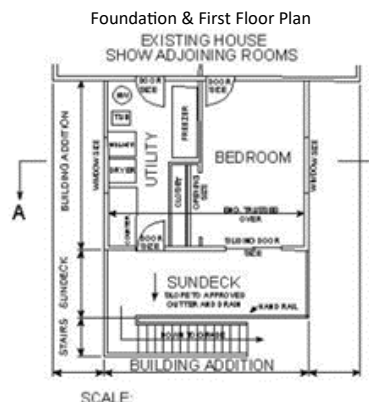

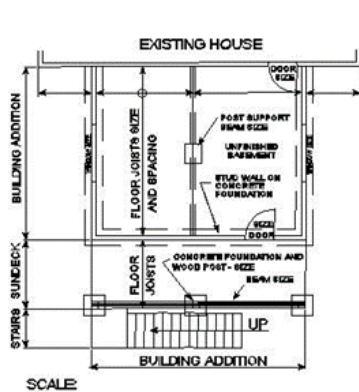

The following items must be supplied along with a completed Building Permit Application before a Building Permit can be issued. A Building Permit fee is based on the value of the building or structure and will be calculated by the Building Official.

1. BUILDING PLANS

Two sets of detailed building plans. If you cannot draw the necessary building or site plans, then you should obtain the services of a qualified person.

Example Floor Plans

- scale not less than 1:50 metric (1/4 inch to 1 foot);
 - size and location of windows and doors;
 - location of all plumbing fixtures;
 - location of all mechanical equipment.
- all rooms, size and use of each;
 - all dimensions;
 - finished and unfinished areas; —

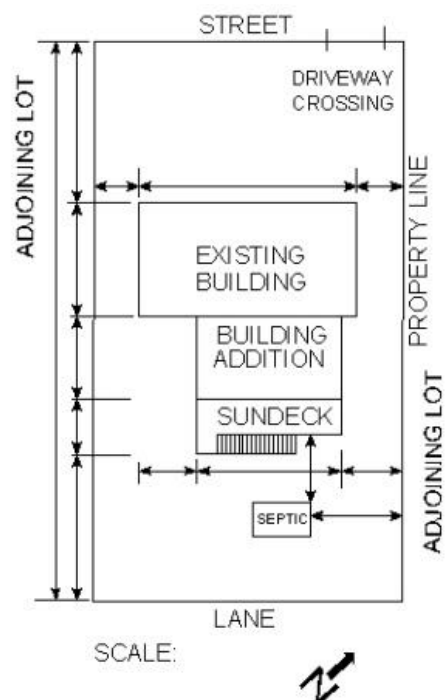

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

Look, listen & be seen

Teach your child to be a safe pedestrian

Look. Make sure all vehicles have stopped before entering the road. Make eye contact before crossing.

Sidewalk/no sidewalk. Walk on the inside edge of the sidewalk away from the road, so you're further away from the traffic. Walk facing oncoming traffic if there isn't a sidewalk, so you can see approaching vehicles and make eye contact with drivers.

Set a good example. Never jaywalk or run to cross the street. Where possible, cross at intersections with a pedestrian crossing light or marked cross-

Map it out. Plan your child's route with them ahead of time. Review street names and landmarks to orient them.

Crossing Basics. Stop at the curb. Look left and right for oncoming vehicles that might be turning. When the intersection is clear, start crossing and keep looking

Be Seen. Wear bright clothes and/or reflective gear especially at night and in poor
